## The Sou'wester

THE story of the Sou'wester for the year 1927 would be a history of Southwestern for that year. It is the student weekly publication and issues news and human interest stories that are of interest to the students.

The popularity of the paper among the students is proof enough of its success, and Charles E. Diehl says: "It is an accurate epitome of Southwestern life."

## Southwestern Eats

After numerous complaints to the Sou'wester staff about refectory lines and I.D. checks, we went to Saga to find out reasons and alternatives. We received some unusually conflicting accounts and felt that there was more to this than standing in line and being a number. Because of this the Sou'wester shall breech its code of journalism to present to the student body the facts as we perceived them.

We asked Larry Richardson, Saga Food Production manager, the reasons for outside lines and I.D. checks. Richardson's response was that through these measures Saga could "protect the students who pay from those students who don't." He justified this by claiming last year 10 to 20 students ate daily in the refectory without ever
paying. Richardson further states that because the Honor Council refused to enforce rules or prosecute violations that Saga was forced to handle this in its own manner.

The Sou'wester staff had talked with Honor Council member Ann Gotschall earlier in the day. Miss Gotschall stated that Saga insisted the Honor Council enforce rules stipulated by Saga. As the Honor Council's powers and procedures were theoretically under review of the student body, then Saga's requests must come under review of the student body, which of course they do not.

The staff then asked Richardson why numbers were placed on I.D.'s instead of just allowing names and pictures, pointing out the fact that most students enrolled at

Southwestern because they wanted to be regarded as individuals and not numbers. Richardson replied that numbering I.D.'s was a national Saga policy and that he would "not be here" if he didn't follow policy. We can only wonder why national policy was not enforced in the three previous years.

We asked what would happen if someone lost his I.D. Bob Manges, Saga manager, said "We'll send them right to John Turpin." We then pointed out that a student could only receive one extra I.D. as there were no other copies, thus if he lost his second copy what could he do. Bob Manges then replied that this was "John Turpin's idea and his problem."

The Sou'wester staff checked with the registrar later that

## Registration

Orientation of new students began September 7th and ended with the registration of returning students on Friday, September 11th. (That looks deceptively simple in print!) Actually, there's a trick to it - "It's not being a slave to the system, but making the system a slave to you", says Uncle John Turpin, who can always find room for you somewhere even if it is in Ancient Chinese Pottery and you are a Bio-Chemistry major.

The Commons House

The Commons House is a moving force on campus this year. Under the management of Bob Tigert and Nancy Smith, college and coffee house circuits have been invited to share their talents with the Southwestern community; among those groups are Trilogy, Nadine Natie, and Kin. Southwestern also performs for anyone who appreciates amateur talent. Paula North, Betsy Hammet, Bill Symes, Jim Chable, Charles Frame, and many others are frequently found entertaining their friends there.

The dedication address is given by President Bowden

## Dedication Of Clough Hall

Southwestern found a home at last for the humanities with the dedication of S. Dewitt Clough Hall at 3:30 on the afternoon of October 14th. Clough Hall was designed and built under the direction of two Southwestern alumni - Wells Awsumb '38, the architect, and Robert Elder' 40 , the contractor.

President Bowden expressed the college's gratitude to Mrs. Clough at the dedication ceremony. Mrs. Clough named the new building in memory of her late husband. Also honored at the ceremony were Mr. and Mrs. Hugo Dixon who made possible the Hugo N. Dixon Wing; and the Edward J. Meeman Foundation whose gift created the Meeman Center for Continuing Education.

Central High School was the scene of some enthusiastic singing as the Kappa Delta's annual All-Sing got underway. The talented Tri-Deltas pulled through to first place under the direction of Genyth Smith with the Independents coming in second. Bobby Doolittle led the SAE's to victory in the men's division. Pi Kappa Alpha finished second.

## Homecoming

SGA President Chuck McNeal escorts Homecoming Queen, Nancy Jaco

Homecoming was full of action this year! Not only did the Lynx Cats play an outstanding game by beating Washington and Lee 42-14, but Southwestern's seventeenth president, Dr. William L. Bowden, was inaugurated. The inauguration ceremonies were followed by a picnic lunch on the Frazier-Jelke concourse. After a look at the Homecoming displays, the crowd went on to the game. During half time, Homecoming Queen Nancy Jaco was crowned by President Bowden, while her court - Betha Hubbard and Beth Lazear - looked on. The results of the displays were announced: Delta Delta Delta and PiKA were the winners with Chi O and Sigma Nu running a close second. The day was climaxed with a nostalgic dance at the Chisca Plaza.

## Student Center Weekend

The third annual Student Center Weekend took place this year in the fall (past years having seen this event in the spring and winter) and was entitled "Accolade to Autumn." Apropos to the season, the program commenced Saturday, November 21 with a lumberjack breakfast introduced by 1970's Lumber Lady Fair, Miss A. M. Cockroft, which was followed by the "Miss Frostbite" pageant. Then there was broom hockey in the gym, bike races around the school, and ice sculpting on the Student Center patio. Other highlights included Clare Orman's winning of the road rally (this being the first time girls were allowed to enter) and Edgar Underwood's having the most muscular body at the Mr. Zoo-U Contest. "Butch Cassidy and the Sundance Kid" was Cecil B. DeRone's surprise Cinema '70 movie.

The concluding event was the President's Ball at the Chisca, where Student Center President Joe Brady and college president William Bowden officiated. Other honorary awards went to Miss Cockroft (Queen of the Flesh Piles), Rick Barkley (ATO Helping Hand Certificate), Jimmy Clodfelter (who entered nearly all events and was presented with a personalized concrete bathroom), and Mr. Rone and Miss Nancy Lenox (the Bowden Subtly Award and free Tester balloons by the police).

## Open Houses

## Dramatics

The theatre season was opened by the Communication Arts Department November 11 and 12 with Shaw's Mrs. Warren's Profession directed by Ray Hill. Featuring Debra Jackson, Bruce Allbright, Pat Matlock, Bill Duckworth, and Johnny Rone, it starred Kathy Brown in the title role. Don Juan in Hell, also by Shaw and directed by Professor Hill, was presented in December. In that cast were Chip Hury, Fred Toth, Margaret Marshall, and Bob Reynolds. Student productions included an original Medieval allogory by Steve Youmans, a collection of one acts directed by Johnny Rone, and Year of the Gun directed by Karen Frances.

## Football

The 1970 edition of Southwestern football turned out to be a surprise to everyone, and quite a good surprise at that.

Plagued with inexperience and pre-season injuries to stars such as All Conference noseguard Mike DeSalvo, few felt that the Lynx could improve upon their 3-6 record of 1969.

The pieces started falling in place on Sept. 19 as Don Lear's Fighting Lynx opened the '70 campaign at home against the Kangaroos of Austin College. Picked to lose by 13 points, the cats fought hard to stay with Austin. Early in the second period, quarterback Steve Warren scrambled 82 yards for the first SW score.

Both squads battled the 90 degree heat as well as each other and left the field at half time with SW holding a 13-7 edge. It didn't take Austin long to remedy that. They drove relentlessly to tie the game early in the third quarter.

It was pretty much a seesaw battle until with less than one minute to play, the Kangaroos picked up a roughing the kicker penalty. This made it fourth and seventeen with the Lynx some forty yards away from the goal. Coach Lear decided on the gamble and it was a 31 yard Steve Warren to Ralph Allen aerial, that gave SW the go ahead touchdown.

The Lynx defense, led by seniors John Churchill and Dick Hien, came in to bottle up Austin and preserve the Lynx opening win.

The victory over Austin set the stage for the Lynx next home encounter. It was Centre College from Danville, Kentucky.

Centre and a wet, sloppy Saturday afternoon spelled defeat for Southwestern as the Lynx Cats suffered their only setback of the year 17-7.

Trailing only 10-7 at half the Lynx returned to the third quarter moving the ball well between the 20 yard lines, but failed to put it in for the score. The defeat put the Lynx at 1-1, and on their way to St. Louis to battle the Bears of Washington University.

A warm afternoon and a hot Washington U. team greeted SW. The Lynx scored first but fell to a 10-7 deficit. The first half took not only the lead, but quarterback Warren was on the bench with an injured ankle.

The signal calling duties fell upon Soph Ralph Allen. The Lynx trudged along with Ralph throwing passes instead of catching them, and got within field goal distance. Aubry Howard tied the game and put new life into the Cats. Warren came back in, tailback Herman Morris found new moves and the Lynx were on their way to a 23-18 victory.

The SW secondary fell to a barrage of passes when the Lynx gained that lead, but keeping their cool they held the devastating W.U. passing attack in check and preserved the victory with a Dan Blackwood interception in the last minute. This victory was the first Lynx victory on the road in four years.

Coming off a glorious victory the Lynx again were on the road, this time to Elasa, Illinois to meet the Indians of Principia College. Southwestern started quickly, scoring the first time they got their hands on the ball. After that, it was downhill.

The Indians revealed new offensive formations that momentarily dazzled the Lynx defense. And before you knew it, the score was deadlocked 7-7.

With a minute to play, the Lynx found themselves behind, but not beaten. As before, a big pass play bailed the Lynx out, but this time it was Steve Warren to David Seilor. Seilor rambled for some 15 yards and the winning touchdown. This victory put the Lynx 3-1 on the year facing the U.S. Coast Guard Academy the next week in Memphis.

The Cadets came with pomp, splendor, and some nationally ranked statistics. They left Memphis dull and the losers in an exciting 22-20 Lynx victory.

The teams were evenly matched and it looked to be a scoring first but the tenacious Southwestern defense held on to preserve the victory and set the stage for the trip to Sewannee.

With two weeks preparation Southwestern traveled to Sewanee, Tennessee to play the always tough University of the South. Both teams were tense, but ready to play Sewanee, however, seemed to hold all the tricks as they built a 12-0 halftime lead on that overcast Saturday afternoon.
The sun came out to open the second half and so did the Lynx' offense. They tallied 21 points in the third period running the end sweep to near perfection. SW controlled the ball much of the fourth quarter, but the defense really did a fine job. Mike De Salvo and Oliver Lee plagued Sewanee all afternoon, and it was Junior Bill McBride recovering a late game fumble that capped the victory.
Homecoming ' 70 was a beautiful day in Lynx Land. The Washington and Lee Generals were to test their nationally ranked passing attack against Southwestern's staunch defense. The Generals had trouble getting started and managed only seven points in the first half. This was opposed to the score produced by the Lynx own passing attack which amounted to 21 points with three TD aerials.

To begin the second half, the Generals quickly pulled within seven, $21-14$, but that was as close as they could get. The big Lynx machine started rolling and didn't stop until they had scored 42 points, assuring the victory.

This put the Southwestern record at $6-1$, creating the possibility of this team posting the best Lynx record in the school's history.

The trip to East Tennessee to play Maryville College was a serious one, and the game was the same. The badly outmanned Lynx Cats fought and scrapped for everything they could get. This amounted to a 3-0 halftime lead on a 31 yard field goal by Ernie James which hit the cross bar, went up and over providing the slight margin.

This had to be the Lynx's best game, as both the defensive and offensive units put it all together to provide the victory. The big break came in the fourth quarter when Ralph Allen recovered a fumbled punt. Six plays later tailback Herman Morris knifed through a hole created by the right side of the offensive line and scored. Ernie James converted making it 10-0, Southwestern.

It was now up to the defense. Dick Heien, John Churchill, and Mike DeSalvo led the charges while Ken LeBlanc, Tom Jones, and James Kifer defended the passes. The Lynx had it all for their hardest, muddiest victory of the year. The 10-0 Maryville decision gave Southwestern a $7-1$ record which stands as the finest of any in the school's history.

Five Lynx were named All-CAC at the conclusion of the year. They were Dick Heien, defensive end; Steve Warren, quarterback; Ken LeBlanc, monster man; Mike DeSalvo, noseguard; and Herman Morris, tailback.

## Cheerleaders

For the first time, the cheerleaders have made every trip with the football and basketball teams, an important factor that has undoubtedly led to much of the team's successes. Though there is a diversity of personalities on the pom-pom platoon, the six girls and one lone lad have sealed a common bond - to inspire a will to win both in teammates and spectators.

But being a cheerleader is much more than just leading cheers. They make signs giving game information, they keep up enthusiasm between games, and prepare baked goods for the players. Most important, they never lose their smiles or their confidence.

Patience and determination, even in bad weather, are essential. Donna Fisher is a fine example of these qualities.

## THE SOU'WESTER

"Sou'wester" was born in Clarksville, Tenn., of noble parentage. When, while quite young, he was orphaned, Stylus Club chapter of Sigma Upsilon adopted him and has played the role of fairy godfather to him ever since. When it was learned that most of Clarksville would move to Memphis, the child was placed under the guardianship of John P. Simmons and James W. Drane. When the latter did not appear at the Southwestern mansion, Mr. Simmons quietly looked about for a successor, a man capable of protecting the finances of the infant millionaire. Like the Canadian Mounted Police, he "got his man"-in the person of J. Robert York. He then observed that the frisky chap needed a constant attendant, and secured one in the patient, unassuming Luther Southworth. The three mentioned above, Simmons, York and Southworth, were charged with the lad's welfare. Under their well-balanced influence he grew in statue, and in favor with the faculty and students. The chap frequently got into mischief, and in spite of the six eyes that were upon him, he sometimes got away with things that "nice little boys" shouldn't do. He was forever waiting until the last minute before school to dress, and his anxiety to be on time sometimes caused him to stump his toe, so that he was often tardy. We mention these things to show you that the boy was only mortal after all. "To err is human ; to forgive, divine." It is hoped that you all will be divine in your ability to forgive the young fellow for what he has failed to accomplish in the past nine months. But "Sou'wester" has grown tremendously, has absorbed a wealth of knowledge, and has made a host of friends. Furthermore, he is a deserving chap and with these magnificent surroundings and with the continued influence of students of the best higher institutions of learning in the country, we predict that someday the boy will be "President of the Whole United States."

The "Sou'wester," on its arrival in Memphis, found different conditions from those under which it operated in Clarksville. The student body was much enlarged, with varied interests; the paper demanded that more time be given by a larger staff;
and a splendid publication room had been provided in which the staff could work. Those deserving of mention for assistance during the session, aside from the present staff, are as follows: Herman A. Chrisman, for sketching; our typist (your "lovin' Bill") Prichard; Ed Buder, for athletic write-ups; Thomas Appleton, for "I'm The Gink" contributions; Eleanor Beckham, for "Lily" letters, and H. G. Wise, for Y. M. C. A. reports. Our paper has grown from a four to a five-column edition, exchanges with the leading college publications of the country, and compares favorably with the best. It has been the editor's aim to issue a paper of interest to every type of reader. The extent to which this has been accomplished is due largely to the work of Mr. York on the managerial side, and to the energy and varied talents of Mr. Southworth on the editorial side. The "Sou'wester" has meant few hours of sleep for two or three members of the staff, with much toil and worry, but if its publication has met the needs of the campus we rejoice in the privilege of having thus served our Alma Mater. All hail, and farewell!

Rules are kept to a minimum at Southwestern. The following are traditional properities and customs. Conduct befitting a lady or gentleman is expected of all Southwestern' students. Rowdiness, drunkenness, and other improper conduct will result in the expulsion from the college of all persons involved. No intoxicants are to be served at any dance, party, or other function given by any college organization or brought into any building or kept anywhere (including in automobiles) on the campus.
-Handbook, 1964-1965

The students are expected to attend regularly the morning service of that Church in town to which they belong or which they elect to attend. A report of the Church attendance of each student is taken up regularly each report period. Faculty members will be glad to talk with new students in regard to the selection of a church home.
—Handbook, 1930-1931

A required college convocation is held in Hardie Auditorium at 10:00 every Monday and Tuesday, in the gym on Wednesday and Thursday in Evergreen. These convocation are for worship lectures, concerts, and other programs of educational value.
—Handbook, 1958-1959

The Sanhedrin Council is a disciplinary body, made up of the men's Sanhedrin and the women's Sanhedrin. It is responsible for making and enforcing the conduct of the freshmen. The following rules have been adopted to govern the freshmen men: 1.) Freshmen must speak to all members of the student body and tip their hats to professors as the other students do. 2.) Freshmen must allow upperclassmen to enter dining hall first. Four or five freshmen shall sit at each table, moving about from time to time; and they shall occupy the seats next to the wall. Freshmen shall be careful of their manners and see that the upperclassmen are well served. 3.) Freshmen must attend all athletic contests and sit together in certain sections. They shall exhibit much enthusiasm and pep at all times. 4.) The first Saturday after the opening of the session all freshmen must have in their possession a farmer type straw hat with a brim not less than four inches in width. These hats must be worn at all times, until after winning the second football game of the season. 5.) Freshmen must not be seen on the grass, but use the walks exclusively. 6.) With the exception of Saturday and Sunday nights, and on especially designed occasions, freshmen must be in their rooms STUDYING, by nine o'clock, unless they have an excuse from the chief of the dormitory.

The Women's Sanhedrin has adopted the following rules for the session 1932-33: 1.) Freshettes must know all professors by name and must know the departments in which they teach. 2.) Freshettes must speak to all members of the student body. 3.) Within one week after the opening of the session all freshettes must know the Alma Mater song. Before the first athletic event they must know the college cheers. 4.) Freshettes must attend all athletic contests and sit in certain sections. They shall exhibit much pep and enthusiasm at all times. 5.) Freshettes must not attend athletic contests with dates. They must not have "hour dates" between classes. 6.) Beginning Wednesday, September 14, freshettes must wear baby caps. These caps must be worn at all times until the Council gives further notice. 7.) Freshettes must wear their names printed on cards (not less than ten inches long and four inches wide) which must be pinned on the back. Their names shall be printed in large plain letters. 8.) Freshettes must not be seen on the grass, but must use the walks exclusively. They must enter and leave Palmer Hall by the front door. Use of the side door is not permitted freshettes.

Complaints must be made to the Sanhedrin in writing and either signed or presented in person. Anyone failing to comply with the orders of the Sanhedrin will receive due punishment.
"Southwestern, Southwestern, across from the zoo, where the girls are girls, and the boys are too." Freshmen girls, do not be alarmed at the rumors you have heard about Southwestern men. You ask the upperclass women, "Is it really true what we hear? Are the Southwestern men really so very passive?" Well, girls, let me conclude by saying this, and you judge for yourselves. Do not confuse simple passiveness with wise passiveness. For where there is a will, there is a way. So do what you will, young ladies; but beware of the Southwestern male's ways!
-Handbook, 1964-1965.

Shorts and slacks are not to be worn on the campus by women students, except when participating in athletics or decorating.
-Handbook, 1964-1965.

No rushing party shall be given the cost of which exceeds ten dollars.
-Handbook, 1930-1931.

## SUGGESTIONS TO <br> FRESHMEN

Be friendly, speak to everybody, whether you know the person or not.
Try to learn every student's name
Learn the college yells and songs
Systemize your daily program.
Pay you debts promptly.
Lend little money and borrow less.
Be a booster, not a kicker.
Don't spend too much time uptown.
Dress neatly at all times.
Identify yourself at once with the religious life of the college.
Scrupulously set apart Sunday as a day of rest and worship.
Write home often.
Remember you have a mother who cares.
