# People Then. . .

*As displayed on the opposite page, the people of the College have long been regarded as its distinctive asset. Without the dedication of its administration, the genius of its professors, the hard work of its staff, and the enthusiasm of its students, the College would not have come to be known as one of the best liberal arts colleges in the nation.*

# Orientation

This year's Peer Assistants and Orientation Coordinators worked with the faculty and staff to ensure the most successful Orientation possible for the Class of 2007. With construction taking place in the center of campus, the rush of new students

"Orientation staff 2007"

moving in forced the Orientation staff to be even more prepared for the traffic this year. After the new students were settled into their rooms, the Orientation staff

led them through several days of acclimation to the College and Memphis as a whole. The "Memphis Connection" tours through the city proved successful again this year and "Disorientation" was once again a hit with the new students. A Memphis-themed dinner in the RAT familiarized new students' tastes to the city's best-known dishes. The Honor Code

signing, held in Evergreen Church across the street from the main campus, was a central part of the event as each student pledged to uphold the expectations held by the institution and became a member of the Rhodes community. Finally, Orientation ended with a bang as Maroon 5 performed during the Welcome Back Party in the amphitheatre. The week's festivities served as the means by which first-year students were welcomed to the College and will represent their first college memories and experiences for years to come.

# Kappa Delta All-Sing during Parent's Weekend

Every year, Parent's Weekend provides the students' parents a chance to participate in campus activities and view the progress of the campus community.

Parents were able to attend their student's classes on Friday, and that night, the Kappa Sigmas took first place again at the yearly Kappa Delta All-Sing. Saturday afternoon, parents were able to attend the football and soccer games on campus and were invited to the yearly Alpha Tau Omega auction which raised money for their local philanthropy. Many families went out on

Saturday night and got the opportunity to meet other parents and get to know Memphis in the way that their children experience it. Parent's Weekend was an accomplishment for the whole campus, allowing every aspect of Rhodes College to be shown off.

# Homecoming

Homecoming festivities traditionally mark the time of year for pep rallies, football games, and reunions with former classmates, as well as a celebration of the College by past and present students alike. Homecoming 2003 certainly lived up to expectations with an annual pep rally in the amphitheater at which student athletes were recognized. Corky's serving their famous barbecue to spectators was an added treat. With updates from all fall sports, the students supported each team with the direction of the cheerleading squad cheers and dances. Rhodes Activities Board President Vanessa Kosloski said, "I think that providing students with Corky's—a Rhodes favorite—was a huge draw for them to come out this evening. I hope that the event continues to

grow in popularity in future years!" RAB also held another very successful Homecoming Dance at the beautifully decorated Mud Island River Terrace, which overlooks the Mississippi River. With a DJ playing all of the best dance songs, students were able to party the night away in their semiformal attire. The River Terrace also opened the roof top patio for a wonderful view at the edge of downtown Memphis. Interacting with alumni during the day at various events including a lovely picnic in the Rollow Avenue of Oaks, the dance was a chance for the currents to enjoy each other's company and cut a rug on the dancefloor. To top of the weekend's events, the football team rallied against Rose-Hulman (28-16), to come up with a great victory!

# Rites of Spring

The 2003 Rites of Spring was, as always, a huge success. The Rhodes Activities Board brought headliners including Better Than Ezra and Pat Green, while several student bands showed off their talent throughout the weekend. The event was not without some surprises as

Rites was moved inside the Bryan Campus Life Center due to the forecasts of rain and a bomb threat caused one band to cancel their performance. Despite changes to the venue and line-up, students gathered into the

Multisports Forum to socialize with friends, while also singing and dancing along to the music.

After a surprisingly successful Welcome Back Fall Concert by Maroon 5 during Orientation, the Rhodes Activities Board was especially excited to take on the planning of the 2004 Rites of Spring. Only adding to the excitement, this year the Board celebrated the 30th anniversary of Rites of Spring, which

became the theme of the event. The bands this year included North Mississippi All-Stars, Three 6 Mafia, Murphy's regular musician Joe Norman, Verve Pipe, and Lit. Winning the opportunity to perform at Rites at Spring, Battle of the Bands first and second place winners were Granola Shrapnel and Phil Had Twins, respectively. Due to rain, Rites was once again held inside, but the torrential downpours did not deter students from enjoying the weekend's events.

Other events included the first annual Rites to Play Harder, which followed the Kinney program's traditional service event known as Rites to Play. After supporting the community by playing alongside local children, students could enjoy a little playtime of their own with inflatables, a dunk tank, a snow cone machine, and music. Fearless students could relive their childhood on a makeshift slip-and-slide soaked with dishwashing soap. Building upon the traditions of past Rites of Spring, the 30th Anniversary event proved successful and created a few new traditions for the event's future.

Alpha Tau Omega was founded in 1865 in an effort to bring Northern and Southern gentlemen together in Christian leadership and brotherhood, and in 1882 came to the College. Considered the leadership development fraternity, ATO strives to build strong leaders through scholarship, philanthropy, community involvement and a lively social scene. This year, the chapter co-sponsored the 2<sup>nd</sup> Annual Run for Fun benefiting St. Jude. The chapter also held the 1<sup>st</sup> annual "Welcome Back Party" to benefit the Rhodes College Habitat for Humanity chapter. Members are involved with Snowden Elementary, Sacred Heart Catholic School, Adopt-a-Friend while continuing to sponsor the annual ATO/KD Halloween party and Easter Egg hunt for local Memphis school children. ATO's also participate in a myriad of extracurricular activities such as varsity and intramural athletics, RSG, Rites to Play, Rhodes Singers, RAB, Peace Jam, and many honor societies. Supporting a well-rounded college experience, the brothers of ATO also host many social events. Swaps with sororities include the annual Viking Swap with Chi Omega, the Unity Party with BSA, Toga swap with KD, along with winter and spring formals. The notorious Tacky Wedding swap with Tri-Delta continues to be one of the most memorable evenings of the year. ATO exists to constantly bind men together in a Brotherhood of Friendship, committed to strengthening the bonds of brotherhood and leadership within the College campus and into the greater Memphis community.

The Alpha Epsilon chapter of the Kappa Alpha Order centers on the ideals of brotherhood which have prospered since its founding at the College in 1887. Through extensive fraternal involvement and campus leadership the members of KA strive toward the founding ideals of Robert E. Lee. Adding thirteen new members to the Order, KA continues its legacy of excellence. Along with the expanding membership, the brothers of KA also extended their individual campus involvement by increasing participation within the athletics, such as the soccer, football, and tennis teams, as well as within community wide service. KA raises money annually for the Muscular Dystrophy Association. By helping to organize an "Enchanted Forest" philanthropy, the members of KA joined the community in raising over \$100,000 for St. Jude's research hospital. Members of the Order remain an integral part of the College community through academic excellence, commitment to service, as well as contributing to the vibrant social scene of the Greek community. KA hosts numerous swaps each year, as well as the widely popular Old South Week in the spring. The Alpha Epsilon chapter looks forward to its continued strive towards fraternal excellence.

Kappa Sigma's foundation is brotherhood. Whether the brothers cultivate their talents in athletics, academics, community service, or campus involvement, they know that their successes are due in no small part to the brotherhood of gentlemen that the fraternity provides. The brothers desire to be the best, not only in college, also in life-long pursuits. Since it's founding at Rhodes in 1882, Phi Chapter has dedicated itself to ensuring that the purpose of Kappa Sigma, the development of a better man, is upheld. The members of the Phi Chapter have established themselves on campus through participations in groups stretching across the college's student community. These groups include: Honor Council, SRC, the Kinney and Rhodes Service Scholar Programs, Woolsocks, ARO, as well as a wide variety of athletics and intramural activities. The brothers of Kappa Sigma strive for excellence, which is evident in this year's achievement of taking First Place in Kappa Delta's Annual All-Sing, winning the House Cup in intramurals, and receiving the honor of House of the Year in the first annual Greek Week competition. In addition, Kappa Sigma hosted its fourth annual "PHI-lanthropy" week, a week devoted to fundraising for their national philanthropy, Big Brothers/ Big Sisters. Through balancing academics, social activities, and campus involvement, the brothers of Kappa Sigma continue to uphold the standards set forth by their founders in 1882.

Founded in 1878, the Theta Chapter of Pi Kappa Alpha remains the oldest continually active chapter in PIKE history. The men of Pi Kappa Alpha continue to prove their commitment to the campus and the Memphis community through excellence. Pi Kappa Alpha brought their dedication to community service to new heights this year. At this year's first annual Greek Week, the Pikes placed first in the Philanthropy/Service category with a tally of over five hundred and thirty hours completed this year alone. Aiding this enormous success were house efforts to help each of the 32 pledges find places to serve within the community. In addition to the unprecedented commitment to service by the pledge class, the chapter participated in many whole house service events such as the 5K Run for Fun. The chapter also led a major philanthropic success with the Annual Pike Pledge Auction which raised over \$2300 to support Boy's and Girl's Clubs of America. As well as extensive community service, PIKE's remain active within campus organizations and continue to entertain the College through numerous social events. Hosting the annual Halloween party, the Christmas party, Formal week, as well as swaps with all the campus sororities, the members prove that service and learning can be combined with fun to create a well-rounded college experience. Pi Kappa Alpha centers around strong and lasting friendships, living up to the very important motto of "Once a Pike, Always a Pike."

Sigma Alpha Epsilon Fraternity serves as a foundation for the social development of its members, instilling values that have been embraced by more than 260,000 men initiated into the brotherhood since the fraternity's founding in 1856. The mission of SAE is to promote the highest standards of friendship, scholarship and service based upon the ideals set forth by the Founders and as specifically enunciated in "The True Gentleman." The Tennessee Zeta Chapter at Rhodes College is one of Sigma Alpha Epsilon's most historic chapters. Many distinguished SAE's that have received national recognition spent great amounts of time at "The Bunting Brother Memorial Lodge" at the College during their undergraduate education. The current 47 members of the Zeta chapter strive for excellence in every facet of college life, including academics, athletics, and philanthropy. Presently, SAE is represented in five different academic honor societies and many other student organizations. The chapter also boasts star athletes on the varsity football, baseball, basketball, and track teams, as well as on the club lacrosse and crew teams. SAE members are also involved in many philanthropy events where members volunteer regularly at the soup kitchen, Parea elementary, and Snowden elementary. The men of SAE continue their tradition of excellence within the College community and beyond.

Sigma Nu's enthusiastically express their pride for the city's most famous attractions.

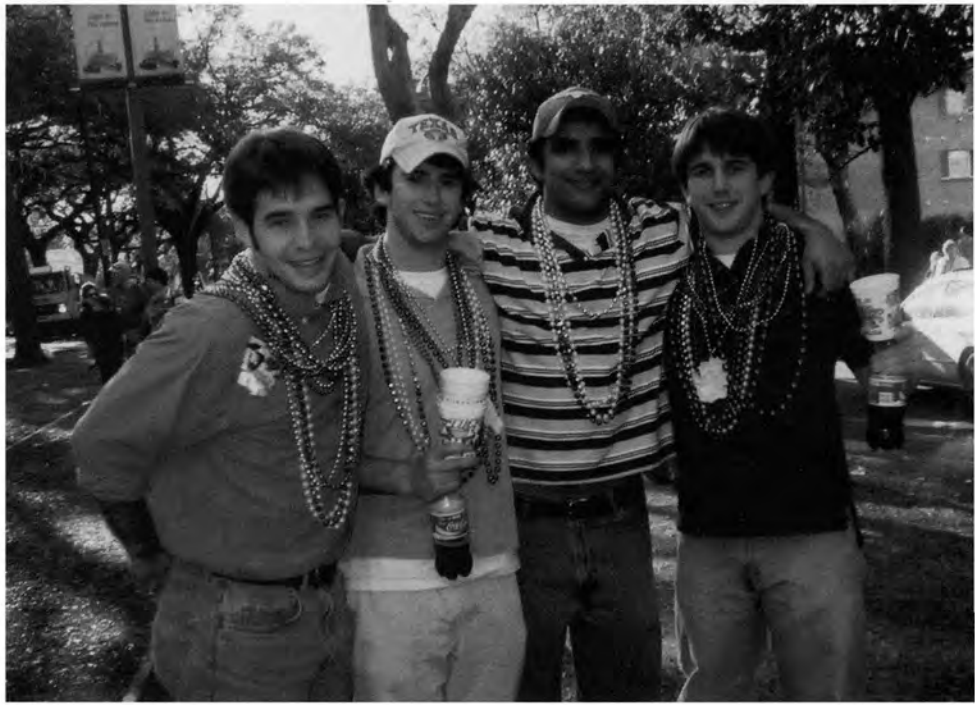

Demonstrating their enjoyment for downtown festivities, Sigma Nu's gather in front of the Pyramid.

The Legion of Honor was founded in 1869 when a young Confederate veteran at the Virginia Military Institute and his two comrades formed a brotherhood based on the virtues of Love, Honor, and Truth. Today, the Epsilon Sigma Chapter of Sigma Nu embodies these virtues as they strive to find men who govern each act with a high sense of honor. This is accomplished through a short, but trying candidacy program through which young men are taught the importance of loyalty, service, scholarship and respect. To this end, the chapter is very active in campus life as well as the Memphis community as a whole. The members participate in numerous community service projects including: the Greater Memphis Jaycees Halloween Haunted House, the Tri Delta's Up Till Dawn program, and the Annual Chi-Omega Easter Egg Hunt. Sigma Nu's also donated the most blood of any fraternal organization on campus at the blood drive during the inaugural Greek Week. Also involved heavily on campus, chapter members are varsity golfers, SCAC Student-Athlete Award winners, actors in theater productions, varsity swimmers, ruggers on the club rugby team, Model U.N. participants, as well as holding membership in multiple honor societies. The chapter also hosts various events throughout the year. In addition to participating in swaps with all the campus sororities, the chapter hosted a Halloween Party, the White Rose Formal, the annual Valentine's Day Formal, and the revered Luau Week in the Spring.

Service to All Mankind has been the driving force behind the spirit of Alpha Kappa Alpha Sorority, Incorporated since the beginning of its existence. Setting a standard of excellence, Alpha Kappa Alpha Sorority, Inc. was the first Black Greek Sorority founded for and by Black women. Founded on January 15, 1908 by 16 articulate, intelligent, enthusiastic, and tenacious young women on the campus of Howard University in Washington, D.C., AKA has served as the sisterhood, support, and strength of more than 200,000 young women across the nation and around the world. AKA has implemented and sustained many service projects targeting the arts, economic empowerment, health, education, and the black family, the target goals of AKA. The spirit of AKA has run deep in the Omicron Chi Chapter at Rhodes College since its chartering in 1989. The first NPHC Sorority established at the College, the chapter continually strives to maintain the vision of its founders through its active role both on and off the campus. Members have served as Bonner Scholars, Bonner Congress Representatives, RA's, P A's, ASPIRE trainers, mentors, and participants in the Vagina Monologues. On the regional level, the chapter has attained the Undergraduate Achievement Award, Collaboration Award, Connection Award, Pictorial History Award, as well as fostered and developed the Southeastern Region's Miss AKA-Jeshenna Johnson. The Omicron Chi Chapter looks forward to serving the Rhodes Community for many years to come through the sorority's target goals as well as through the perpetuation of this great sisterhood that promotes leadership, scholarship, and service to all.

Founded by four best friends at Barnard College in January 2, 1897, Alpha Omicron Pi is a national sorority dedicated to operating as a democratic, unostentatious society. The Kappa Omicron chapter at Rhodes College has since developed into a group of diverse, yet close women. This year, the AOIIs became more involved with their national philanthropy, Arthritis Research. A large number of the women both assisting in the planning of and participation in the 5K run that benefited their philanthropy. The Run For Fun was also a huge project for the group, and many AOIIs served on the planning committees for the cooperative project along with Greeks from several other houses. After much hard work and great leadership, the ladies of AOII were proud to boast a strong finish in All-Sing this year. AOII was awarded the "Most Entertaining" honor this year at All Sing as they wowed the audience and judges with such songs as "Hey Mickey," "Opposites Attract," and "Spice Up Your Life." Socially, 2003-2004 has been an extremely fun year with many swaps, dances, and all-campus parties. Always a favorite, though, the Formal Week proved to be a very special time for the AOIIs this year. Formal night was held in Club Atlas with dancing and special senior songs until a breakfast was served at the end of the evening.

AOPI sisters, old and new, show their pride during their Bid Day festivities which included a pool party.

The Delta Psi chapter of Delta Delta Delta established itself at the College on April 9, 1931 for the purpose of creating perpetual bonds of friendship amongst its members, developing a strong and womanly character, broadening moral and intellectual life, and assisting its members in every way possible. The members of Tri Delta work towards this purpose through involvement in philanthropic, social, and sisterhood activities. Sigma Gamma Rho sisters display their pride by showing off their letters.

The sisters of Sigma Gamma Rho enjoy a night out on the town.

Sigma Gamma Rho was founded on November 12, 1922 on the campus of Butler University in Indianapolis, Indiana by seven educators who wanted to promote high ideals of scholarship, leadership, sisterhood, and an unyielding commitment to "Greater Service, Greater Progress" toward all humankind. The extent of Sigma Gamma Rho's diversity is reflected in the fact that their membership and activities are not restricted by any race, creed, nationality, or religion. They are the smallest of all NPHC sororities, but one of the largest community service organizations in the country. Because of their small size and invitation-only membership, the ladies of Sigma Gamma Rho are known for their close-knit sisterhood.

The Omicron Xi Chapter of SGRHO was chartered at Rhodes in the fall semester on October 3, 1998. Since chartered, they have sponsored events that have raised money for Project Reassurance(Hefer Project), Memphis Family Shelter, March of Dimes, Alzheimer's Daycare, LifeBlood and Red Cross, and the NAACP, among other local charities. Omicron Xi's members have demonstrated leadership through a variety of activities at Rhodes such as Honor Council, Black Student Association, Residence Life, Admissions, and the Kinney Program. The ladies plan to further demonstrate their commitment to service and leadership in the community and inspire actions in whatever they do. "We are the Last Created, but the Best Designed—EEE-YIP!!"

## *Then...*

*At an NCAA Division three college like Rhodes, athletics is viewed similarly to a student organization. Try telling that to the players, coaches and fans who dedicate their time, energy and enthusiasm to their sport. Participation in a sport helps students find friendships, develop leadership experience, and maintain a healthy lifestyle.*

Dear Ted,

There is an old Italian proverb: Qui va piano, va sano, va lontano. It means, "The person who goes quietly, goes with health and goes far." You have not usually been the "squeaky wheel that gets the grease." But you have commanded great respect in your own quiet way.

Congratulations on your graduation from Rhodes. You have reached a great milestone! We are immensely proud of you.

Much love,

Mom, Dad, Sam, and Winston

Congratulations, Logan Williamson!

Your soul. Dream deep, for dreams  
Preceded every goal! Out of Rhodes

Rhodes invited you to drink from the  
Well of wisdom and you did just that,  
And you are a better person for the

Remember also, when we slow our pace  
To take in "green pastures" & quiet  
Waters" along the way we find GOD  
Right beside us just as He promise.

From the country roads  
to the city streets of  
Memphis, no matter  
which road you've  
travelled, you've  
always seemed to find  
your way. Even though  
your next journey will  
take you far from home,

our love will always surround you. We are so  
proud of you and the man you've become. You've  
always chosen the road less travelled and because  
you have, the world will be a better place.

Love,

Mama, Daddy, Patrick and Brooks

How can 21 years go by so quickly? Those years have been filled with moments when my heart swelled with pride because you had mastered some new skill or had been recognized for your hard work and achievements. But most of all, I am proud of YOU - the caring, kind, and self-sacrificing person you are.

Congratulations, my beautiful Daughter, on your graduation. Take my love and these words from Joshua with you wherever you go.

"Be strong and of good courage; Be not frightened, neither be Dismayed; for the Lord your God Is with you wherever you go." (Joshua 1:9 RSV)

Dear Cecile,

It has been an awesome blessing to share your joyous journey through childhood into adulthood. Your first passion was flowers. Ironical, you have blossomed as the flower of our lives. We thank God and we thank you Cecile for the honor of being Mom, Dad, and Brother of such a wonderful person.

## **SOUTHWESTERN**

**MEMPHIS, TENNESSEE**

**A Standard College of Arts and Sciences  
A College of High Ideals and Personal Attention**

---

The greatest thing about a college is the character and ability of its instructors. A grateful pride felt in the faculty of Southwestern. The greatest care has been used in the selection of these men. They are all Christian men of sound scholarship and they are great teachers.

The architecture is of the collegiate Gothic type and the plant is entirely modern, beautiful and enduring.

Nothing has been spared that contributes to the highest good and efficiency of the individual student, and as a result Southwestern offers unusual advantages.
