

## ADVANCED PLACEMENT AND INTERNATIONAL BACCALAUREATE CREDIT FALL, 2008

The classes listed below are those for which students can receive Advanced Placement and/or International Baccalaureate credit. AP or IB exam scores must be sent from the testing service to: Registrar, Rhodes College, 2000 North Parkway, Memphis, TN 38112. Official notification of AP and IB credit will be sent to students late in the summer after we have received scores from the testing service.

Only Advanced Placement scores of 4 or 5 or International Baccalaureate scores of 5, 6 or 7 will be considered for credit. AP credit and International Baccalaureate credit may not be used to satisfy Foundation Requirements except for scores in English and certain scores of 5 on AP exams and 6 or 7 on IB exams (see chart). See the Rhodes Catalogue for further information.

### Notes:

It is not uncommon for students who receive AP credit for Biology, Chemistry and/or Physics and who intend to follow a curriculum leading to a major in one of those areas to deny the AP credit and take the introductory sequence in those departments instead. Consult with the chair of the appropriate department or the faculty adviser.

**Language Credit.** All students must take the Rhodes placement test in the appropriate language to determine proficiency and placement, including students who took an AP language exam in that language.

**Modern Languages (French, German, Spanish):** A student who earned a 4 or 5 on a language AP exam in French, German or Spanish will receive 4 credits of that language s 201 course only if the placement test

is passed at the 201 level or above. The student earns language proficiency by passing the test at the 201 level and is not required to take further course work. A student who earned a 4 or 5 on a language AP exam but who does not achieve proficiency based on the placement test does not receive any credit for the AP exam and must take the 201 course in order to earn that credit and proficiency.

**Greek and Roman Studies (Latin):** Students who earned a 4 or 5 on the AP Latin literature or AP Vergil examinations will receive 3 credits for each exam, which they may count toward a major or minor in Greek and Roman Studies, by successfully completing Latin 265 (or a more advanced course) with a grade of "B" or higher. A student must pass the Latin placement examination or successfully complete Latin 201 or a more advanced course in order to earn proficiency.

## INTERNATIONAL BACCALAUREATE EXAMINATIONS

Department	Score of 5, 6, or 7	Credit	2007 Course Equivalent	Foundations Requirement Met with Score of 6 or 7	Next Course
Art		4	Art 265	none	Any 100 or 200-level course
Biology		9	Biology 130, 131, 140, 141	F7	Any 200 or 300-level course
Chemistry		4	Chemistry 111, 111L	F7	Chemistry 112
Economics		4	Economics 099	none	Economics 101
