

The Rhodes Vision

Rhodes College aspires to graduate students with a lifelong passion for learning, a compassion for others, and the ability to translate academic study and personal concern into effective leadership and action in their communities and the world.

We will achieve our aspiration through four strategic imperatives:

Student Access

To attract and retain a talented, diverse student body and engage these students in a challenging, inclusive and culturally-broadening college experience.

Student Learning

To ensure our faculty and staff have the talent, the time and the resources to inspire and involve our students in meaningful study, research and service.

Student Engagement

To enhance student opportunities for learning in Memphis.

Student Inspiration

To provide a residential place of learning that inspires integrity and high achievement through its beauty, its emphasis on values, its Presbyterian history, and its heritage as a leader in the liberal arts and sciences.

*Adopted by the Rhodes Board of Trustees,
January 17, 2003*
