ATHLETICS

Rhodes is a member of the NCAA at the Division III level and competes in the Southern Collegiate Athletic Conference (SCAC). As such, any financial aid awarded to athletes is either based upon the family's financial need or is part of the academic fellowship program.

Our scholar athletes participate in 19 varsity sports, 8 intramural sports, 9 club sports and several special events. The intercollegiate athletic program is an integral part of the total educational process. A substantial percentage (approximately 25%) of the student body participates in the varsity athletic program. Athletic facilities include the Bryan Campus Life Center, Fargason Football Field, Alburty Swimming Complex, Stauffer Baseball Field, Dunavant Tennis Center, a polyurethane 8-lane track, a varsity soccer field and numerous practice and recreational fields.

For further information, we invite you to contact our coaches, listed below. You may call or e-mail them, or visit our Web site at: rhodeslynx.com

For athletes who visit campus: Coaches coordinate campus visits with the Admissions Office. We encourage prospective student-athletes to stay on campus with current team members.
