

*Thank You for Your Gift to the Rhodes College Annual Fund!*

Thank you for your gift to the 2007-2008 Annual Fund. You helped me receive an extraordinary education that has prepared me for life after Rhodes.

Rhodes' tradition of excellence is demonstrated through student scholarships and fellowships, outstanding faculty and the latest technology. Thank you for supporting Rhodes so that it continues to be an exceptional place to learn.

I enjoyed writing you last fall and telling you how much your gifts to the Annual Fund helped my fellow students and me. In appreciation, I wanted to share a photo from my graduation day. It was great receiving my diploma with my family in the audience. Their encouragement has always been instrumental to my success. It was exciting to celebrate this wonderful occasion with friends and professors who I've grown close to over my last four years at Rhodes.

Many Thanks,

Tevari L. Butler '08
