

# "Gender and Science: New Issues"

**Dr. Sandra Harding**

Phi Beta Kappa Visiting Scholar

**Monday April 7, 7:30pm**  
**McCallum Ballroom, BCLC**

**Free and open to the public**

Sandra Harding is a professor of social sciences and comparative education at UCLA, a philosopher of science, and the author or editor of fifteen books and special journal issues, including her newest book, *Sciences from Below: Gender, Imperialism, and Modernity*, forthcoming this year.

A representative from the bookstore will be selling some of her books at the event.

**Rhodes College**

—1848—

*Co-sponsored by the Rhodes Chapter of Phi Beta Kappa, Women's Studies, Anthropology/Sociology, History, and English*
