

## **The Nancy Hill Fulmer President's Office**

This office honors a graduate of the Class of 1951,  
who in many ways never left the campus she loved so dearly.

Inducted into the Rhodes Hall of Fame as a student,  
she later served as a member and secretary of the  
Rhodes College Board of Trustees.

She was also chair of the Rhodes President's Council,  
member of the Margaret Hyde Council and  
recipient of the Rhodes Distinguished Service Medal.  
Her generosity and commitment to the common good  
are recognized not only across this campus,  
but throughout this city she loved and called home.  
She helped make each one, alike, a better place for all.
