

# The Rhodes College Legacy Program

**The Legacy Program** was created to help Rhodes stay connected with the children and grandchildren of alumni, and to aid in the college's admission process. As part of the program, the Alumni Office sends gifts to alumni children and grandchildren on their milestone birthdays. It costs nothing to join the program – all we need is your child's or grandchild's name and birth date!

You can update us with your legacy's information through the Lasting Lynx Online Community or by emailing [alumni@rhodes.edu](mailto:alumni@rhodes.edu).

## Some Legacy Program Events:

- Family Night in the Rat
- Legacy Cupcake Social on Freshman Move In Day
- Admission 101/201
- Annual Easter Egg Hunt
- Annual Legacy Family Photo at Commencement

A Rhodes College keychain is given to legacies at the age of 16 to celebrate the new driver and to serve as a reminder to keep Rhodes in mind as senior year approaches.

At age five, legacies receive an insulated Lynx cat lunchbox to use as they prepare to start school.

When a child or grandchild of an alumnus/a is born, they are sent a bib so they can show their Lynx pride at an early age!
