This past May, I completed my first year at Rhodes. I can't believe how much I've learned about myself and the world in such a short time. In just two semesters on campus, I have been exposed to so many life-changing experiences – from working alongside brilliant professors, to meeting new friends from all over the country, to realizing the positive impact I can have on others.

Rhodes has truly exceeded my expectations, and your gift to the college allows students like me to follow our passions and pursue our dreams.

On behalf of all Rhodes students, thank you for your support of the Annual Fund!

With appreciation,
