## SEAL OF SOUTHWESTERN AT MEMPHIS

Circular in form, the red and black seal of Southwestern is centered by a black shield representing faith. Quartering the shield is a St. Andrew's Cross denoting Christianity, and in the middle of the cross lies an open Bible, the heart of Southwestern's being. Each of the shield's four divisions bears a symbol representing a period in the college's history—as a Masonic College at Clarksville, founded in 1848; as "Stewart College" (1855-75); as "Southwestern Presbyterian University" (1875-1925); and finally as "Southwestern at Memphis" when it was moved to Memphis.

The intertwined sprigs of oak and laurel under the shield signify strength and victory. Surrounding the shield on the other three sides are the words "Truth, Loyalty, Service"—the fundamental precepts of Southwestern.

## THROUGH THE YEARS

Southwestern is a fully accredited four-year college of liberal arts and sciences. The Synods of Tennessee, Alabama, Mississippi, and Louisiana of the Presbyterian Church in the United States elect the twenty directors who determine the policies of the college.

The college was founded in 1848 at Clarksville, Tennessee, by the Masonic Grand Lodge of the State. The first president was W. M. Stewart, a prominent Mason and Presbyterian. When it was found that the Masons could no longer financially support the college, the work was taken over by the Synod of Nashville. The name was changed at this time to Stewart College in honor of the president. In 1861 the school became a college of the Presbyterian Church in the United States. In 1875 it was incorporated as Southwestern Presbyterian University.

Dr. Charles E. Diehl was elected president in 1917. During his administration, the college was moved to Memphis in order to better serve its territory from a central location. In the leading city of the tri-state area, the college opened its seventy-seventh session in 1925 and became Southwestern at Memphis.

Also during the administration of Dr. Diehl, a woman first received a degree from Southwestern. Prior to 1921 Southwestern had not been a coeducational institution. After thirty-two years of service, Dr. Diehl retired from the presidency, and Dr. Peyton N. Rhodes, vice president since 1944, became his successor.

The inauguration of President Rhodes took place on September 21, 1949, as a part of Southwestern's Centennial Celebration, at which time the college entered upon its second hundred years of service in the cause of Christian higher education.

Mr. Charles I. Diehl, '31, the Dean of Men, occupies an office in the Science Building and extends a cordial invitation to all new men students to drop by and discuss courses of study.

The Registrar of the college is Mr. Malcolm Evans, whose office is located in Palmer Hall. All students who are not satisfied with their schedules are requested to come by and talk with Mr. Evans in order to straighten out difficulties soon after registration.

The Lair is closed on Sunday. Opening hours are to be arranged and will be announced in September.

#### Chapel

College convocations for all faculty and students are held each weekday in Hardie Auditorium in the east end of the second floor in Palmer Hall. More specific information is to be found concerning chapel convocations under college regulations in this handbook.

#### Tutoring

Tutoring services are handled through the Dean of Women's office. Anyone wishing a tutor should notify this office.

## COLLEGE REGULATIONS

Rules are kept to a minimum at Southwestern. The following are traditional proprieties and customs.

Conduct befitting a lady or gentleman is expected of all Southwestern students. Rowdiness, drunkenness, and other improper conduct will result in the expulsion from the college of all persons involved. No intoxicants are to be served at any dance, party, or other function given by any college organization or brought into any building or kept anywhere (including in automobiles) on the campus. Students are not allowed to have guns on the campus or keep animals in their rooms.

1. No smoking is permitted in the halls, cloister, classrooms, laboratories, or dining halls.

2. There will be no card playing in the social room of Palmer Hall.

3. A college convocation is held in Hardie Auditorium at 10:00 A.M. every weekday except Saturday during the regular session. On Monday, Tuesday, and Thursday these convocations are for worship services; on Wednesday for activities of the student body; and on Friday for concerts and lectures upon subject of cultural value. All regular students except seniors are required to attend these exercises. Each student has twenty "cuts". No books or other study materials are to be taken into chapel programs at any time.

4. Boarding students may keep cars on the campus only by strict adherence to the rules set forth in the catalogue. See pages 65 and 66 of the catalogue.

5. Shorts and slacks are not to be worn on the campus by women students, except when participating in athletics or decorating.

6. Cars must be parked on the college grounds only in those parking areas provided by the college.

7. In order to change a course, a student must have the permission of the instructor and the dean. If any irregularity is involved in the course change, a student must present a petition, with his faculty advisor's signature on it, to the Classification Committee. More information may be obtained in the catalogue.

8. In order to graduate, a student must have completed 124 semester hours of work, with 124 quality points. Quality points are given by grades as well as hours. An "A" counts three quality points per hour, a "B" two, a "C" one, and a "D" or "F" counts none. Therefore, an "A" in a three hour course is nine quality points; in a four hour course, it is twelve points.

9. The grade point system of averages counts "A" as four points, "B" as three, "C" as two, "D" as one, and "F" as none.

### Class Attendance

Regular attendance is essential for success in academic work and is required of all students. Each instructor will take attendance rolls daily. Students should present to their instructors a written explanation of absences they consider necessary. When and if a student's absence from class seems to the instructor to jeopardize the student's work in the course or is so persistent as to justify a formal inquiry, the instructor will call the matter to the attention of the Dean of Men or the Dean of Women who will, when necessary, bring in the student's adviser in investigating and judging the situation. Notice will then be sent to the student, the parents, and the instructor as a warning that further absences may lead to suspension from and failure in the course. If and when a student's absences seem to the instructor to make the student unfit to continue in the course, the instructor will make a written recommendation to the Dean of Men or to the Dean of Women that the student be dropped from the course. On recommendation from a committee composed of the Dean, the Dean of Men and the Dean of Women, the Registrar will drop the student from the course. If a student is recommended for exclusion from as many as two classes, his parents will be urged to withdraw him from college; if he is recommended for exclusion from as many as three classes, he will be required to withdraw from college.

The above provisions apply to all students. The following and additional regulations apply to freshmen only. The faculty will report to the Registrar all freshmen absences not later than the Monday after the absences occur. Fresh-

men seeking excuse for absence must present a written request to the Dean of Men or the Dean of Women within one week after their return to classes. Absences on the two days before and after stated holidays count double.

In case of excessive absences, academic credits will be added to the number required for graduation on the basis of one-third credit for each unexcused absence in excess of the unpenalized number of absences, which number is the same as the number of semester hours represented by the course. If the fractional deductions exceed one half-hour, they will be counted as a full hour.

In the case of students absent when representing the college officially, the responsible official will report their absences to the Dean of Men or the Dean of Women for excuse.

## DISCIPLINE PROCEDURE

1. The Discipline Committee shall consist of the three deans and four students as follows: president of Undergraduate Women, president of Voorhies Governing Board, president of the Honor Council, and president of the Student Council.

2. In cases involving one or more male students or one or more fraternities, the matter should first be reported to the Dean of Men. The Dean of Men has the responsibility of deciding whether a case should properly go before some disciplinary body. He should further decide which of the disciplinary bodies of the college the cases should be referred to, namely, the Student Welfare Committee, the Inter-Fraternity Council, or the Discipline Committee.

3. In cases involving one or more women students or one or more sororities, the matter should first be reported to the Dean of Women. The Dean of Women then has the responsibility of deciding whether or not a case should be referred to one of the disciplinary bodies. She also decides which committee should properly hear the case.

4. If in the judgment of the Dean of Men or the Dean of Women, the case should go before one of the disciplinary

bodies, he or she should inform the appropriate committee and post a public notice of the time and place of the meeting.

5. At the time of the meeting, the accused person or group should be allowed to be present and have with him any one or more persons to present his side of the case. Any other interested parties should be allowed to be present at the meeting. The first order of business of the committee concerned should be to determine whether the case was one that should have an open or closed hearing. It is assumed that the meeting would be open, unless both the accused party and the majority of the members of the committee present should vote for a closed hearing.

6. If the decision was for an open hearing, all sides of the case should be discussed in the presence of the interested parties. At the conclusion of the hearing, the committee shall go into closed session and, functioning as a jury, decide on the appropriate penalty. If an open hearing has preceded, then normally there should be some publication of the penalty decided upon.

7. Cases previously handled by the Administrative Committee can be handled provisionally by the newly created Discipline Committee. All the actions of the Discipline Committee are subject to the review and approval of the Administrative Committee.

8. The accused party will always have the right of appeal from any of the committees to the faculty Administrative Committee for a new hearing.

## LIBRARY REGULATIONS

## LIBRARY REGULATIONS

**Hours: Monday through Friday, 8:00 A.M.-10:00 P.M.  
Saturday, 8:00 A.M.-5:00 P.M.**

The library staff extends a warm welcome to you to use the materials and services of the Burrow Library in the happiest possible manner. To help you get the most from these, your librarians are always ready to be of assistance.

### Location of Books

It is your privilege to locate any book in the library's holdings by looking it up under author, subject, or title, in the alphabetically arranged card catalogue. A modern catalogue for phono-records enables you to locate listening materials. In the reference room many volumes will lead you to articles and facts on every conceivable subject. The latest issues of periodicals are in the periodical room, while back issues are available at the center desk, if unbound, and in the main stack area if bound.

"Open shelf" is the rule on the books in the stacks which are distributed on the various floors as shown on cards at the doorways to the stacks and elsewhere. If the book you wish is out, you may leave a request for it at the desk. When it is returned you will be notified how long it can be held for you.

### Borrowing Books

All books, except reserve books, periodicals and reference works, may be borrowed upon personal signature for a two-week period. So that they will have the widest possible use, however, it is expected that you will return them immediately upon finishing them. A book slot is located in the entrance way, should you be returning a book when the library doors are closed. Should you need a book longer than two weeks, you may renew it, providing no one else has placed a reserve on it. New books cannot be renewed.

If you wish to keep a stack book in a carrel for more than one day, you must check it out at the desk on a regular two week basis, or the morning shelver will return it to the shelves. If you wish to take a book or bound periodical from the stack area, to the reading or conference rooms, you must likewise check it out at the desk. This

cooperation on your part is very important to your colleagues.

If a book signed out to you is not returned on or before the date due, a fine of five cents for each day it is overdue will be charged. Promptness in paying the fine will be rewarded by a discount.

Reserve books for assigned class readings may be borrowed one at a time for use in the library for a period of two hours. They may be borrowed at 4:30 P.M. week days and at 10:15 Saturdays. Overnight reserves are due back at 10:00 A.M. the following school day.

Overdue fines will be levied on reserve books whether used in the library or taken for overnight use, at the rate of twenty-five cents for the first hour and five cents for each additional hour. Similar fines are levied on overdue phonograph records and study room keys.

If you lose a book, report it at once in order that the fine may be stopped. If it is not found, the price of the book plus \$1.00 for cataloguing expenses and the accumulated fine will be charged.

Smoking is restricted to the lounges on the ground floor, the conference rooms and listening booths. Food may not be consumed in any part of the building and cokes may not be taken into the reading room or stack areas.

The Honor System of Southwestern applies to the library as well as in other phases of academic and campus life.

#### Student Library Committee

The Student Library Committee, a subcommittee of the Student Council, forms a link between the students and the library staff. The committee is composed of a chairman and five members from the Student Body. The chairman shall be appointed by the Student Council; one committee member shall be a representative from the Honor Council and shall be appointed by that body; and the other four members shall be appointed by the new chairman and the entire retiring committee with the approval of the Student Council. The committee receives reports of and advises on campus feeling concerning the library and cooperates on special programs, such as exhibits and the annual Book Festival held in the fall, and on any other matters pertaining to the world of books.

#### STUDENT-FACULTY COMMITTEES

## STUDENT-FACULTY COMMITTEES

### Hall of Fame Committee

The Hall of Fame Committee chooses a minimum of three and a maximum of seven seniors to Southwestern's Hall of Fame which is announced in the yearbook. Pictures of each year's choices are hung in Palmer Hall. The committee consists of:

Bill Davidson.....	Junior Class President
Frank Weathersby .....	Junior Class Vice-President
Joy Ann Howard.....	Junior Class Representative
Joe Duncan.....	Sophomore Class President
Dr. Jameson M. Jones.....	Dean of Southwestern
Mr. Charles I. Diehl.....	Dean of Men
Miss Anne S. Caldwell.....	Dean of Women

### Who's Who in American Colleges and Universities

The Student Council nominates ten to thirteen seniors for this national honor. A faculty committee makes the final selections from these nominees.

### Student Welfare Committee

The Student Welfare Committee, with Professor Dan Rhodes as chairman, is composed of selected faculty members and the Student Council president, vice president, secretary, and social commissioner. The committee passes on the social calendar and all parties, and takes over action regarding the welfare of students.

### The Algernon Sydney Sullivan Award

One of the outstanding awards presented at commencement is the Algernon Sydney Sullivan Award, made available by the New York Southern Society to perpetuate the memory of Mr. Sullivan. Its purpose is to recognize and to encourage in others the spiritual values which produce strong and beautiful character.

Each spring the honorary organizations are asked to make nominations for the student recipients of the award. Final selection of the man and women to receive the award is made by a faculty committee. Choices are based on nobility of character. The committee also selects one non-student to receive the award on the same basis of character.

### The Discipline Committee

The Discipline Committee is composed of the Dean of the college, the Dean of Men, the Dean of Women, and the presidents of the Women's Undergraduate Board, Voorhies Governing Board, the Honor Council, and the Student Council.

The committee has been recently established at student request to try cases of a disciplinary nature with adequate student representation. It provides a method of open trial for hearing cases.

## SPIRIT OF HONOR

Southwestern is noted for the spirit of honor on the campus. The Honor System was enacted by the students many years ago and is just as much a part of Southwestern as the academic curriculum itself. Under the Honor System students assume responsibility for honorable conduct in all tests and examinations as well as in other phases of college life. The student is put entirely on his own honor to be honest in all his undertakings.

The spirit of honor should manifest itself in every phase of life at Southwestern.

The Honor System is administered by an Honor Council which is composed entirely of students elected by their fellow students and which operates without interference from the college administration. In any case of dishonesty the council acts as a court, and any student found guilty by it is disciplined.

Only an intelligent group of people can understand and maintain the real meaning of such a delicate system. Every student on entering Southwestern pledges himself to uphold this Honor System. Neither the student nor the Honor Council is pledged to police other students. Everyone is to be concerned with his own work and proper behavior. If a student observes the breaking of the spirit of honor and pledge in a noticeable way on the part of another student, then he is obligated to bring the facts to the council for investigation. No one is expected to be overly suspicious; but overprotection of a dishonest student cannot be tolerated.

## THE HONOR COUNCIL

### Article I. Name and Purpose

Section 1. The name of this body shall be the Honor Council of Southwestern at Memphis.

Section 2. The purpose of this council shall be to foster a spirit of honor at Southwestern; and to investigate and to act upon cases of cheating, stealing, and lying (in official matters) on the part of students in connection with academic work or campus life.

### By-Laws, Article II. Oaths and Pledges

Section 1. Each student who enters Southwestern shall sign and adhere to the following pledge:

As a student at Southwestern, I hereby pledge my full and hearty support to the Honor System. I pledge to be honest myself, and, in order that the spirit and integrity of the Honor System may endure, I pledge that I will make known to the Honor Council any case of dishonesty which I may observe at Southwestern.

### Article IV. Instruction

Section 1. To insure the cooperation of the faculty in the support of the Honor System, the council shall, at the first of each semester, discuss the system with the faculty, reminding them of their obligation to report violations, asking them to request the full written pledge on their work, asking them to remind students before each test that the test is to be pledged, and to clarify in the minds of their students which work is to be pledged and which work is not to be pledged.

Section 2. To insure the full understanding and support of the Honor System by the student body, the council shall, each summer, send letters of instruction to incoming students; explain the system during freshman orientation; request that fraternities and sororities include the Honor System in their pledge training; conduct a special chapel program before semester examinations; see that each student has a copy of the Honor Council Constitution; place printed cards outlining the system in each classroom . . . and empower the president of the Honor Council to meet with the Student Council from time to time to discuss the system.

Jimmy Thomas .....Vice-President

## STUDENT GOVERNMENT

## STUDENT GOVERNMENT

During Southwestern's early years in Memphis, all student body affairs were handled by an organization known as the Boosters Club, a democratic organization whose membership consisted of the entire student body. The club was presided over by a president, a vice-president, and a secretary-treasurer. All matters to be passed on by the student body were brought before the Boosters Club; each student was entitled to one vote.

In the spring of 1927, the Boosters Club changed its name to the Student Assembly and formed the Student Council of Southwestern to simplify the handling of its many questions. The formation of this council marked the beginning of a new era in student government at Southwestern. It was the function of this new council to consider all questions of importance and to pass upon their worth before these were formally presented to the student body. The Student Council is the executive committee of the Student Assembly and has become synonymous with representative student government at Southwestern.

The first council's constitution provided seats on the council for the president of every student organization; new organizations could petition for seats. In the 1947-48 college year, the council then in office decided that it was too large and not equally representative. The first step in the reorganization was changing the name "The Student Assembly" to the name "The Student Body of Southwestern." Then a new and much more exacting and complete constitution was drawn up. Representative seats were given, and a smaller and more smoothly working Student Council was established. All of these changes were voted on by the entire student body and passed overwhelmingly.

The Student Council is the legislative body of the student government, and it operates under a constitution approved by the faculty and administration.

## CAMPUS EVENTS

## CAMPUS EVENTS

### Homecoming

The date of Homecoming festivities varies from year to year, but usually falls during the month of October. The student body elects a queen and the "S" Club and football team each elect a princess to reign over the activities.

Fraternities and sororities have lawn decorations which are judged on the basis of originality and best results of work. All lodges are open to alumni and visitors.

Homecoming events include a pep rally, bonfire, football game, open houses by the fraternities, and Homecoming Dance.

### All-Sing

Kappa Delta sponsors an All-Sing each year to raise funds for its philanthropic work. Each Greek letter organization presents two songs, and the fraternity and sorority winners are awarded trophies.

### Stunt Night

To further its philanthropic work, Alpha Omicron Pi sponsors Stunt Night. Following presentation of original skits by each sorority and fraternity, trophies are awarded to the winning groups.

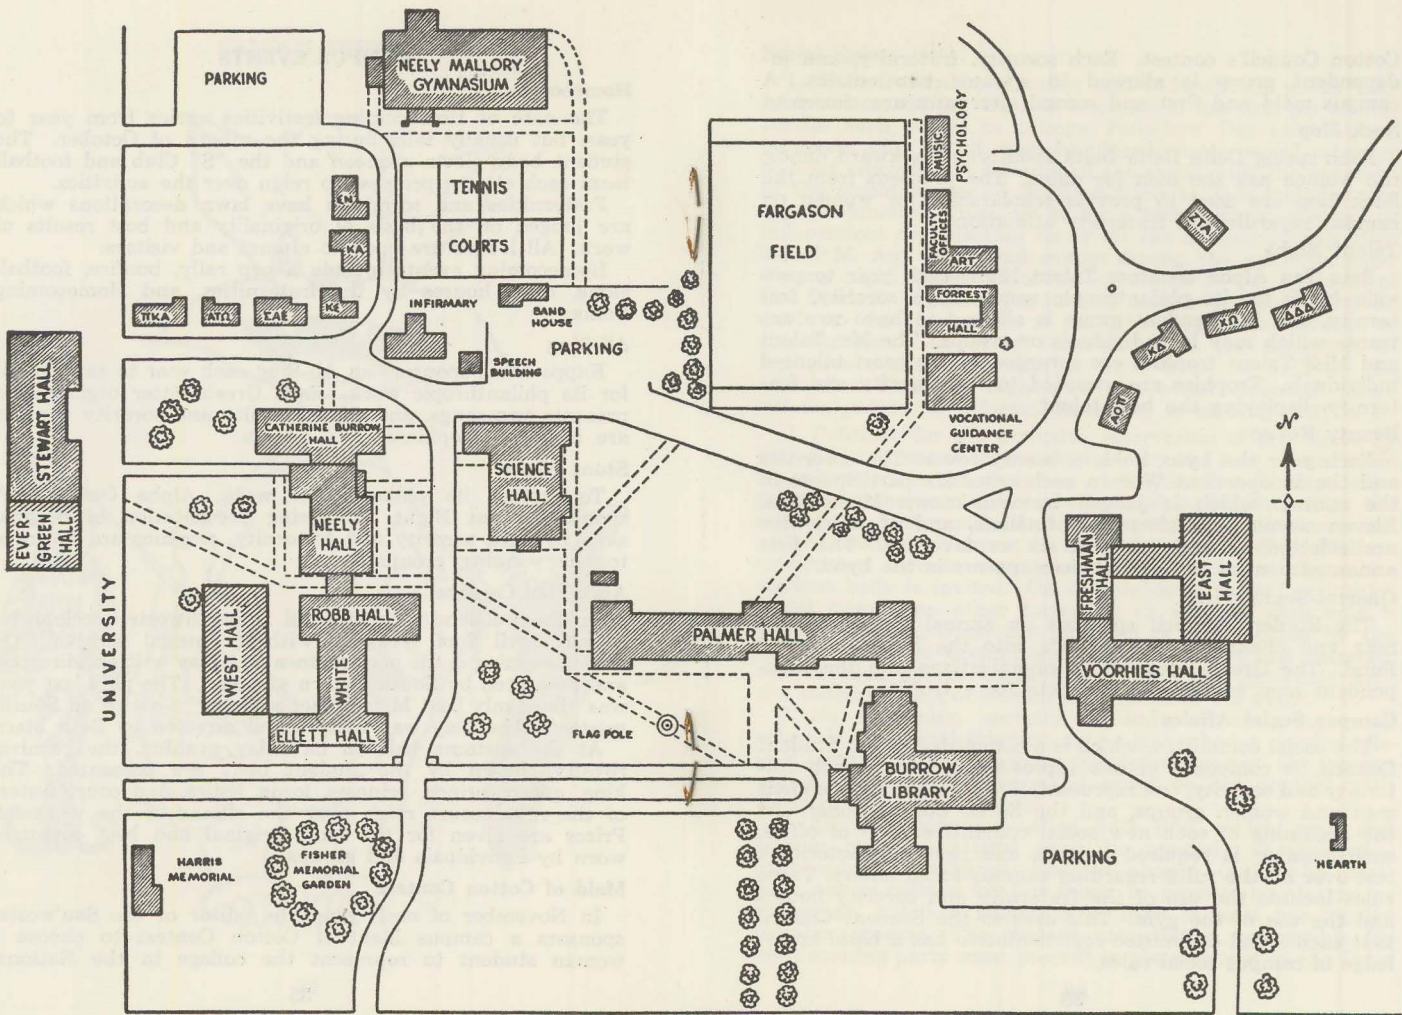

### April Fool Carnival

On the weekend nearest April 1, Southwestern celebrates a gala April Fool Weekend with its annual carnival. On Friday evening is the performance of a play written, directed, and presented by Southwestern students. The play last year was "Suddenly Last Midsummer's Night," a satire on Southwestern. The play was written and directed by Beth Marr.

At the costume ball on Saturday evening, the carnival royalty chosen by the student body are presented. The king, queen, prince, princess, lords, ladies, and court jesters of the royal court reign over the climax of the weekend. Prizes are given for the most original and best costumes won by individuals and groups.

### Maid of Cotton Contest

In November of each year, the editor of the *Sou'wester* sponsors a campus Maid of Cotton Contest to choose a woman student to represent the college in the National

N. PARKWAY EAST

Cotton Council's contest. Each sorority, fraternity, and independent group is allowed to sponsor two entries. A campus maid and first and second alternates are chosen.

#### **Sock Hop**

Each spring Delta Delta Delta sponsors a backward dance; the women ask the men for dates. The proceeds from the Sock Hop are used to provide scholarships for women on campus regardless of fraternity affiliation.

#### **Talent Night**

Zeta Tau Alpha sponsors Talent Night each year to provide funds for its philanthropic work. Each sorority, fraternity, and independent group is allowed to have two entrants which may be individuals or groups. The Mr. Talent and Miss Talent trophies are awarded to the most talented individuals. Trophies are awarded to the sorority and fraternity displaying the best talent.

#### **Beauty Revue**

Each year the **Lynx** holds a beauty revue. The sororities and the Independent Women each enter six participants in the contest which is judged by well-known Memphians. Eleven women are chosen as finalists, and of these five are selected as beauties and six as favorites. The first announcement of the final choices appears in the **Lynx**.

#### **Quartet-Sextet Sing**

The Student Council sponsors an annual Quartet-Sextet Sing and channels the proceeds into the Student Center Fund. The Greek letter social organizations and the independent men and women compete for a trophy.

#### **Campus Social Affairs**

The social committee, which is a committee of the Student Council, is composed of one representative from each fraternity and sorority, one representative from the independent men and women groups, and the Social Commissioner. At the beginning of each new social committee term of office, each member is required to take and pass satisfactorily a test over all the rules regarding campus social affairs. These rules include the use of the fraternity and sorority houses and the use of the gym. This assures the Student Council that each social committee representative has a basic knowledge of campus social rules.

#### **Social Rules:**

1. Each fraternity, sorority, and independent group may have not more than one mid-week social function per semester for such events as outings, Founders' Day celebrations, banquets, etc., which must be placed on the social calendar at least one week in advance of the event with the approval of the commissioner of Social Activities. This includes any type of function, given by or for a fraternity or sorority or independent organization on or off the campus lasting after 8:00 P.M. Any additional events during the same semester on any night except Saturday is subject to the approval of the Student Welfare Committee, and a petition must be made to that committee at least two weeks in advance of the function. All other functions with the exception of exclusive events (see number two) must be held on the particular Saturday nights on the social calendar which are designated for informal fraternity or sorority parties.

2. Petitions for the exclusive reservation of any dates by any students' social organizations or by the four classes must be submitted to the chairman of the Student Welfare committee by the commissioner of Social Activities before the end of the first month of each semester. The determination of an "exclusive" event is made by the Student Welfare Committee. Events cannot be "exclusive" unless the entire student body is invited. On the nights of these "exclusive" social events, no other fraternity or sorority may hold a social function. Upon the approval of these dates by the Student Welfare Committee, copies of the social calendar will be filed by the commissioner of Social Activities with the assistant dean of women in advance of the event.

3. No fraternity, sorority or independent group may schedule any social function on a night when a varsity athletic team is playing a regular scheduled game on the campus unless the hours of the social event do not conflict with those of the athletic event.

4. All entertainments after 8:00 P.M. which men and women students attend must be properly chaperoned—chaperons are required. Married alumni (ae), who have been out of college for ten years, or parents may serve as chaperons, but it is necessary to have at least one faculty member present. The student organization responsible for each evening party must present to the assistant to the Dean

of Women, three days in advance of the social function, the names of those who have accepted the students' invitation to act as chaperons and who have accepted the obligations to remain, as chaperons, until the close of the party. This acceptance must be made on forms which are sent out from the dean of women's office.

Failure to turn in chaperons to the Dean of Women's office by 5:00 P.M. three days in advance of the event, will result in a \$10.00 fine being levied on the group concerned. If chaperons are not turned in by 5:00 o'clock on the day before the event, the event will automatically be taken off of the social calendar and the group will be prevented from having the event.

5. Alumae who have been out of college five years may serve as chaperons for slumber parties held in the sorority houses. A report on each slumber party must be handed in to the Dean of Women's office by the chaperon. Each sorority may have one slumber party in the lodge each semester. No slumber parties may be held in the dormitories. All women students and guests attending a slumber party at a sorority house must be in by 1:00 A.M.

6. Evening parties and dances, must close by 1:00 A.M. except the Saturday parties and dances must close by 12:00 midnight. No social functions may be held on Sunday. For exceptions see rule two which governs the use of fraternity and sorority houses.

7. Within one week after evening parties, the fraternity, sorority, or campus organization sponsoring such parties must present a written report thereof to the Dean of Women's office containing the following information:

- a) the names of chaperons invited and attending.
- b) a report on the conduct of those students attending the party.
- c) the hour at which the event terminated.

Also one of the chaperons present at each event will be requested by the Dean of Women's office to make a report containing this same information. These reports will be made on blanks supplied by the Dean of Women's office.

8. Afternoon teas, dances, "date suppers," or any afternoon parties may be given by campus organizations or classes on any days other than Sundays, but must close not later than 8:00 P.M. The recreation room of Voorhies Hall is available

for such functions. (Arrangements are to be made in advance through the Dean of Women's office.)

9. A sorority or fraternity may have only one open house during a semester, and there will be only one open house during a single week. This restriction does not apply to Homecoming, or other occasions that merit open houses given by all the sororities and/or fraternities for the college as a whole.

### Rules Governing Use of Fraternity and Sorority House

1. Both fraternity and sorority houses are to be reserved for the exclusive use of men and women respectively during the morning hours and until 12:30 P.M.

2. Whenever a sorority house is to be used after 8:00 P.M. by its members, its alumnae, or for any activity only for women, the Dean of Women must be notified in advance except for Saturday evenings when at least four women must be present.

#### 3. a) Weekdays

Men and women students are permitted to visit fraternity and sorority houses between the hours of 12:30 P.M. and 8:00 P.M. Whenever a fraternity house is being visited there should be present three women students, one of whom is an upperclasswoman, and men students may visit sorority houses when there are present in the house visited three women students, one of whom is an upperclasswoman.

#### b) Saturdays

1) On Saturday evenings when no exclusive dates are designated on the social calendar, fraternity and sorority houses may be open from 8:00 P.M. until 12:00 P.M. for informal, properly constituted, mixed groups without the necessity of chaperonage. Proper chaperonage is still required for a party, which is a planned, organized social event.

2) On a Saturday evening after an exclusive event, houses may be used by properly constituted informal mixed groups. The houses may be opened at the conclusion of the event and remain open until 12:00 P.M.

#### c) Sundays

Informal mixed groups of students may use the fraternity and sorority houses between the hours of 12:30 P.M. and 5:00 P.M. The fraternity houses may be used by informal

mixed groups on Sunday between the hours of 8:30 P.M. and 11:00 P.M. The fraternity and sorority houses may be used by informal mixed groups on Sunday between the hours named above only under the conditions that there will be no dancing in the houses on Sunday.

4. Any unseemly conduct in sorority or fraternity houses or failure to conform to the above regulations will result in disciplinary measures on the part of the Administrative Committee.

5. A new rule governing the use of sorority houses has recently been put into effect. Girls may study in the sorority houses each night until ten o'clock as long as there are two girls there and no boys present. This rule is on a trial basis only.

#### Use of the Gymnasium

1. The date wanted must be registered on the social calendar in the Dean of Women's office well in advance.

2. The Commissioner of Social Activities and Athletic Department must be contacted for their approval.

3. The president of the organization must call at the Dean of Women's office two weeks ahead of the scheduled event to fill out a permission blank and to advise the chaperons.

4. A \$15 fee must be paid in the cashier's office. Also, a \$10 fee must be paid to the custodian.

5. Decorating is to be done after 1:00 P.M. Saturday unless permission to begin sooner can be obtained from the physical education instructors.

6. Mr. Rollow, the maintenance engineer, is to be informed well in advance of the event. No decorations are to be used without approval.

7. There will be no smoking in the gym. This rule will be rigidly enforced. **Those disregarding the rule will be asked to leave.**

8. The function must end not later than 12:00 midnight.

9. Decorations must be down and the gym cleaned by 9:00 A.M. the following Monday.

10. No dances other than Homecoming, "S" club, Student Council, and April Fool's may be held in the gym. Sawdust must be obtained for the floor.

11. No coke bottles may be taken into the gym at any time.

## RELIGIOUS ACTIVITIES

## RELIGIOUS ACTIVITIES

The purpose of the Protestant Religious Council is to keep before the minds of the students of Southwestern the claims of Christian truths and ideals; to stimulate increasing loyalty to and expression of those ideals through honest thought, genuine worship, wholesome fellowship, and unselfish service; and to coordinate the working of all religious organizations on the campus for these ends.

The PRC is a student organization composed of an executive committee and the president and a representative from each of the religious organizations on campus—the Baptist Student Union, the Canterbury Club, the Methodist Student Fellowship, and the Westminister Fellowship. All campus-wide religious activities are directed by and channeled through the PRC, while each denominational organization directs its own program.

Planning and programming are important functions of the PRC. It is responsible for the campus-wide hearth supper and vesper service held the Sunday night during freshman orientation week. It plans, in cooperation with the faculty-student Committee on Convocations and Religious Activities, the fall and spring periods of religious evaluation. It directs the annual Thanks-through-Giving Drive. It holds special worship services and discussion sessions.

Yet the work of the PRC goes further than planning and programming as it seeks to discover purposes through exploration of the meaning and mission of the church. The Christian religion is one which involves relationships with students in whatever areas we are involved and gives meaning and direction to all areas of campus life.

Lela Garner .....President

### Westminister Fellowship

The Westminister Fellowship for Presbyterian students meets each Sunday evening at Evergreen Presbyterian Church for supper and a worship program. The aim of W.F. is to present Christ to the academic community. Programs are presented by students and by visiting speakers in an attempt to present opportunities for Christian growth and for Christian fellowship. Bob Neff is president.

#### High School Visitation Program

A committee of students led by the junior class Student Council representative and another student visits the high schools in the Memphis area and presents programs which show high school students the benefits of a college education in order that more high school students will be encouraged to attend some institution of higher learning.

#### Thursday Night Discussion Groups

## SOUTHWESTERN'S "ALMA MATER"

JOHN BOWEN EDWARDS

ISAAC PIERCE MASON  
Re-harmonized by Ernest F. Hawke

Dear Al-ma Ma-ter, kind the fate That links our lives with Thee,  
Thy stal-wart towers of sol-id stone, Thy vault-ed arch-es strong,  
O Lead-er to the larg-er light, South-west-ern, 'neath Thy wings

For God's own power that made Thee great Is the truth that makes us free:  
In-spire our loy-al hearts each one To fight a-gainst the wrong;  
Thy sons in rev-erent love u-nite, And each his trib-ute brings:

Thy torch has touched our hearts with flame, Our year-n-ing souls re-fined:  
Our lives re-lect the beau-ty of Thy state-ly clois-ter'd halls,  
And dreams, such dreams as old men dream, And vis-ions young men see,

Through Thee we learn the high-er aim, And train the tru-er mind.  
And char-ac-ters grow gen-u-ine That dwell with-in Thy walls.  
Keep light-ed in our hearts the flame Once kin-died there of Thee.
