Southwestern At Memphis

SEAL OF SOUTHWESTERN AT MEMPHIS

Circular in form, the red and black seal of Southwestern is centered by a black shield representing faith. Quartering the shield is a St. Andrew's Cross denoting Christianity, and in the middle of the cross lies an open Bible, the heart of Southwestern's being. Each of the shield's four divisions bears a symbol representing a period in the college's history—as a Masonic College at Clarksville, founded in 1848, as "Stewart College" (1855-75); as "Southwestern Presbyterian University" (1875-1925); and finally as "Southwestern At Memphis" when it was moved to Memphis.

The intertwined sprigs of oak and laurel under the shield signify strength and victory. Surrounding the shield on the other three sides are the words "Truth, Loyalty, Service"—the fundamental precepts of Southwestern.

A MESSAGE FROM THE STUDENT COUNCIL

It is a pleasure to have this opportunity to greet the class of 1969. You are entering an institution of superior quality at which many unique experiences await you. We sincerely hope you will find the atmosphere warm and friendly as well as academic.

As the new student sets foot on the Southwestern campus, there are few things of more immediate importance than a good understanding of the institution's traditions and aspirations. Only until he grasps these principles can the student best work in harmony with the college for his fullest benefit. Further it is a practical necessity that the new student be familiar with the rules and regulations of the college.

Due to the patient work of editor Ginny Taylor and her staff, a complete compilation of the necessary information has been made available to you in this year's Student Council Handbook. In accordance with our belief that every student should be familiar with the college, the student government administers a small test covering the enclosed material during Orientation Week.

I do hope that you as an incoming freshman will take an avid interest if not an active role in the workings of student government at Southwestern. We are looking forward to a year of hard work and significant accomplishment.

Sincerely,

Student Body President

A GREETING FROM PRESIDENT ALEXANDER

As a kind of fellow member of your class, I delight in welcoming you to Southwestern.

These will be exciting days for you as you participate in the total involvement of liberal education. They will be days made pleasant by the company of new friends and the enjoyment of new activities. They will be days begun early and finished late as you struggle to keep pace with the demands laid upon you.

But think above all of these days as a time for the quickening of your zest for deeper knowledge of every aspect of your life. Do not count your education in terms of hurdles overleaped, papers submitted, grades and credits received, or degrees granted. Rather, keep open to the future with a commitment to life-long learning, in which your years in college are but the period set aside for more concentrated attention to your preparation and development for your careers. Education, we believe, is a constant process in which you seek to expand your vision, to increase your enjoyment of the world, and to find yourself in renewed and deepened dedication to Christian ideals. We at Southwestern hold this to be our aim and purpose.

I commend to you the faculty, the library, the athletic program, the host of extracurricular activities, and the quiet times in which you can come to know yourself and our world better.

Sincerely yours,

David Alexander, '53

SOUTHWESTERN'S ALMA MATER

Dear Alma Mater, kind the fate
That links our lives with Thee.
For God's own power that made Thee great
Is the truth that makes us free;
Thy torch has touched our hearts with flame.
Our yearning souls refined;
Through Thee we learn the higher aim,
And train the truer mind.

Thy stalwart towers of solid stone,
Thy vaulted arches strong.
Inspire our loyal hearts each one
To fight against the wrong;
Our lives reflect the beauty of
Thy stately cloister'd halls,
And characters grow genuine
That dwell within Thy walls.

O Leader to the larger light,
Southwestern, 'neath Thy wings
Thy sons in reverant love unite,
And each his tribute brings;
And dreams such dreams as old men dream,
And visions young men see,
Keep lighted in our hearts the flame
Once kindled there of Thee.

SOUTHWESTERN'S FIGHT SONG — ON THE PROWL —

Southwestern will win the vict'ry again;
The Lynx cats are on the prowl.
We follow the law of the fang and the claw,
And the Red and Black will leave their track
All over the foe, wherever we go.
Tonight's our night to howl!
We're leavin' our lair, you'd better beware
For the Lynx cats are on the prowl!

Class of '66

THROUGH THE YEARS

Southwestern is a fully accredited college of liberal arts and sciences. Twenty directors, elected by the Synods of Tennessee, Alabama, Mississippi, and Louisiana of the Presbyterian Church, determine the policies of the college.

The College was founded by the Tennessee Masonic Grand Lodge at Clarksville in 1848. A prominent Mason and Presbyterian, W. M. Stewart, was chosen as the first President. Later, when the Synod of Nashville began supporting the school, it was renamed in his honor. In 1861 the school became a college of the Presbyterian Church in the United States, and in 1875 was incorporated as Southwestern Presbyterian University.

Dr. Charles E. Diehl, the builder of Southwestern at Memphis, was elected president in 1917. His vision of excellence resulted in the college's location on the large new Memphis campus, serving a wider area and drawing stimulus from the city around it, in the high quality of education for which the college stands. Also during his administration, in 1921, the men's college became co-educational.

Dr. Peyton N. Rhodes has served the college as president from 1949 to 1965. He has carried forward all the original ideals of quality into the college's many new phases of development and expansion. Campus facilities have nearly doubled during Dr. Rhodes' administration. Dr. Rhodes exemplified through his campus administration, as well as through his other local and national interests, the Southwestern tradition of service to church and community.

Dr. David Alexander, a Southwestern graduate, has been chosen as the new president. Under his most capable leadership the excellence of the college shall be carried forth.

GENERAL INFORMATION

Academic

The Dean of the College, Jameson M. Jones, is directly responsible to the president in all matters pertaining to the faculty and student body. He advises with students about their courses of study and about the welfare of the community life of the college. The Dean's office is on the second level of the Halliburton Tower Building.

The Dean of Women, Miss Anne S. Caldwell, is available to women students for consultation; all girls are invited to visit her office, which is located in the Tower Building. One of Dean Caldwell's most helpful jobs is aiding women students in finding interesting summer employment.

The Dean of Men, Charles I. Diehl, also has an office in the Tower Building, and invites new men students to come in and discuss courses of study and other matters.

Dr. Ray Allen, Dean of Admissions, heads the admissions offices which occupy three rooms on the first floor of Palmer Hall. John C. Turpin, the registrar, is available to help with schedule problems, and Mrs. John Q. Wolf is admissions counselor.

Residence Halls

The women's residence halls, Townsend, Voorhies, and East Halls are under the jurisdiction of student governing boards. A copy of the residence hall's rules is mailed to all new women students who plan to live in the residence halls.

The resident head of Voorhies is Mrs. A. H. Cable. Mrs. Paul M. Watson is the resident head of Townsend and East Halls. Miss Nancy Jackson is the assistant resident head of Townsend Hall, and Miss Joanna Coss and Miss Kathleen Dukes are the assistant resident heads of East Hall. Miss Carole Montgomery is assistant resident head of Voorhies Hall. Dorm presidents are Miss Delaine Winter, Voorhies Hall, and Miss Anne Core, East Hall. Miss Candy Stanley is executive president of all three halls.

The five men's residence halls are governed by a

president in each hall, elected by the resident men. These presidents are: Bill Allen, Ellett Hall; Don Hollingsworth and Ray Bye, Bellingrath Hall; Mike Whitaker, White Hall; Stan McNeese, Robb Hall; Arnold Pittman, Chip Hatzenbuehler, and Willie Edington, North Hall.

Health

The Moore Moore infirmary is maintained for the treatment of ordinary student illnesses. Dr. Thomas J. White, Jr. is the college physician, and Mrs. Allie Haener, a registered nurse, is on duty at all times. Students requiring the services of the physician should report to the infirmary at 8:30 A.M. on week days.

Clinic hours:

Monday to Friday 8:00 A.M. to 3:00 P.M.
Saturday 8:00 A.M. to 12:00 noon

All routine treatments are to be given during these hours. Emergencies are, of course, taken care of at any time.

The college provides, at no cost to the student, accident, sickness, and hospitalization insurance. Students requiring special services must be referred by the college physician in order for the insurance to be effective.

Parking of Cars

Parking areas have been provided by the college north of the Science Building and Palmer Hall, for faculty and staff members and east of Burrow Library, south of Bellingrath Hall and west of Mallory Gymnasium for students. Random parking of cars on the college grounds is prohibited at all times. Penalty for parking in other than designated places, \$2.00 Fine.

Book Store

The Book Store is located on the ground floor of Neely Hall pending completion of the Briggs Student Center. All books assigned by professors may be obtained there. The hours are:

Monday-Friday 8:00 to 4:00
Saturday 8:00 to 12:00

Dining Hall

Dining hours are as follows:

Breakfast:

Monday-Saturday 7:30-8:30
Sunday 8:00-8:30

Lunch:

Monday-Saturday 11:30-1:15
Sunday 12:00-1:15

Dinner:

Monday-Saturday 5:00-6:00
Sunday 5:15-6:00

All men must wear coats and ties throughout the evening and Sunday noon meals.

If bermuda shorts are worn at the evening meal, knee-length socks must be worn as well as a coat and tie. Sport shirts must have collars; "T" shirts will not be permitted at any time in the dining halls.

Lost and Found

Lost and found articles are handled through the cashier's office in room 103 of Palmer Hall.

Student Aid

Students needing aid should see Dean Ray Allen. Part-time campus employment is available for a limited number of students.

Lynx Lair

The Lynx Lair, located on the ground level of Neely Hall, is operated by Mr. Bob Poole solely for the convenience of the students at no profit to the college. There are bridge tables, a juke box, and a snack counter for the students' enjoyment. It is hoped that the Briggs Student Center will be ready by the second semester.

Chapel

College convocations for all faculty and students are held Monday and Tuesday in Hardie Auditorium in the east end of the second floor in Palmer Hall. On Wednesday student assembly is held in the gym, and Thursday chapel is in Evergreen Church. More specific information is to be found concerning chapel convocations under college regulations in this handbook.

Tutoring

Tutoring services are handled through Mortar Board and the Dean of Women's office. Anyone wishing a tutor should notify this office.

COLLEGE REGULATIONS

Rules are kept to a minimum at Southwestern. The following are traditional properties and customs.

Conduct befitting a lady or gentleman is expected of all Southwestern students. Rowdiness, drunkenness, and other improper conduct will result in the expulsion from the college of all persons involved. No intoxicants are to be served at any dance, party, or other function given by any college organization or brought into any building or kept anywhere (including in automobiles) on the campus. Students are not allowed to have guns on the campus or keep animals in their rooms or on the campus.

1. No smoking is permitted in the halls, cloister, classrooms, laboratories, or dining halls.

2. There will be no card playing in the social room of Palmer Hall.

3. A college convocation is held in Hardie Auditorium at 10:00 every Monday and Tuesday, in the gym on Wednesday and Thursday in Evergreen Church. These convocations are for worship, lectures, concerts, and other programs of educational value. Because Hardie Auditorium cannot accommodate the entire student body, the group is divided in half and students are required to attend the meetings either on Mondays or Tuesdays, and on Wednesdays and Thursdays. Schedules for attendance records will be set up in the fall in the hall outside Hardie.

On Wednesday Student Assemblies are held in Mallory Gymnasium.

4. Boarding students may keep cars on the campus only by strict adherence to the rules set forth in the catalogue.

5. Shorts and slacks are not to be worn on the campus by women students, except when participating in athletics or decorating.

6. Cars shall be parked on the college grounds only in those parking areas provided by the college.

7. In order to change a course, a student must have the permission of the instructor and the dean. If any irregularity is involved in the course change, a student must present a petition, with his faculty advisor's signature on it, to the Classification Committee. More information may be obtained in the catalogue.

8. Students are not permitted to study in faculty offices or classrooms in any buildings. (Passed by Students Welfare Commission October 28, 1959).

9. In order to graduate, a student must have completed 120 semester hours of work, with 120 quality points. Quality points are given by grades as well as hours. An "A" counts three quality points per hour, a "B" two, a "C" one, and a "D" or "F" counts none. Therefore, an "A" in a three hour course is nine quality points; in a four hour course it is twelve points.

10. The grade point system of averages counts "A" as four points, "B" as three, "C" as two, "D" as one, and "F" as none.

Class Attendance

Regular attendance is essential for success in academic work and is required of all students. Each instructor will take attendance rolls daily. Students should present to their instructors a written explanation of absences they consider necessary. When and if a student's absence from class seems to the instructor to jeopardize the student's work in the course or is so persistent as to justify a formal inquiry, the instructor will call the matter to the attention of the Dean of Men or the Dean of Women who will, when necessary, bring in the student's advisor in investigating and judging the situation. Notice will then be sent to the student, the parents, and the instructor as a warning that further absences may lead to suspension

from and failure in the course. If and when a student's absences seem to the instructor to make the student unfit to continue in the course, the instructor will make a written recommendation to the Dean of Men or to the Dean of Women that the student be dropped from the course. On recommendation from a committee composed of the Dean, the Dean of Men and the Dean of Women, the Registrar will drop the student from the course. If a student is recommended for exclusion from as many as two classes, his parents will be urged to withdraw him from college; if he is recommended for exclusion from as many as three classes, he will be required to withdraw from college.

The above provisions apply to all students. The following and additional regulations apply to freshmen only. The faculty will report to the Registrar all freshmen absences not later than the Monday after the absences occur. Freshmen seeking excuse for absence must present a written request to the Dean of Men or the Dean of Women within one week after their return to classes. Absences on the two days before and after holidays count double.

In case of excessive absences, academic credits will be added to the number required for graduation on the basis of one-third credit for each unexcused absence in excess of the unpenalized number of absences, which number is the same as the number of semester hours represented by the course. If the fractional deductions exceed one half-hour, they will be counted as a full hour.

In the case of students absent when representing the college officially, the responsible official will report their absences to the Dean of Men or the Dean of Women for excuse.

LIBRARY REGULATIONS

Hours: Monday through Friday, 8:00 A.M.-10:00 P.M.

Saturday, 8:00 A.M.-5:00 P.M.

Sunday, 1:00 P.M.-5:00 P.M.

The library staff extends a warm welcome to you to use the materials and services of the Burrow Library in the happiest possible manner. To help you get the most from these, your librarians are always ready to be of assistance.

Location of Books

It is your privilege to locate any book in the library's holdings by looking it up under author, subject, or title, in the alphabetically arranged card catalogue. A modern catalogue for phono-records enables you to locate listening materials. In the reference room many volumes will lead you to articles and facts on every conceivable subject. The latest issues of periodicals are in the periodical room, while back issues are available at the center desk, if unbound, and in the main stack area if bound.

"Open shelf" is the rule on the books in the stacks which are distributed on the various floors as shown on cards at the doorways to the stacks and elsewhere. If the book you wish is out, you may leave a request for it at the desk. When it is returned you will be notified how long it can be held for you.

STUDENT-FACULTY COMMITTEES

Student Library Committee

The Student Library Committee, a subcommittee of the Student Council, forms a link between the students and the library staff. The committee is composed of a chairman and five members from the Student Body. The chairman shall be appointed by the Student Council; one committee member shall be a representative from the Honor Council and shall be appointed by that body; and the other four members shall be appointed by the new chairman and the entire retiring committee with the approval of the Student Council. The committee receives reports of and advises on campus feeling concerning the library and cooperates on special programs and exhibits.

Hall of Fame Committee

The Hall of Fame Committee chooses a minimum of three and a maximum of seven seniors to Southwestern's Hall of Fame which is announced in the **Lynx**. Pictures of each year's choices are hung in Palmer Hall. The committee consists of:

William Edington.....	Junior Class President
Jim Durham.....	Junior Class Vice President
George Abraham, David Blankenship, and Chip Hatzenbuehler.....	Junior Class Representatives
Bruce Cook.....	Sophomore Class President
Mr. Charles I. Diehl.....	Dean of Men
Miss Anne S. Caldwell.....	Dean of Women

Who's Who in American Colleges and Universities

The Student Council nominates, on the basis of their participation in college activities, ten to thirteen seniors for this national honor. A faculty committee makes the final selections from these nominees.

1965-66 HONOR COUNCIL

Southwestern is noted for the spirit of honor on its campus. Though the Honor System was enacted by the students many years ago, it has not become a meaningless institution, but has grown greatly in stature. The Honor System presently is just as much a part of Southwestern as the academic curriculum itself. Under the System students assume responsibility for honorable conduct not only in tests and examinations, but also in other phases of college life. The student is put entirely on his honor to be honest in all of his undertakings.

The spirit of honor should manifest itself in every phase of life at Southwestern.

The Honor System is administered by an Honor Council which is composed entirely of students elected by their fellow students. This Honor Council operates without interference from the college administration. The Council acts as a court to try any violations of the Honor System, and disciplines any student found guilty of such violations.

Only an intelligent group of people can understand and maintain the real meaning of such a delicate system. Every student pledges himself to uphold this

Honor System on entering Southwestern. Neither the student nor the Honor Council is pledged to police other students. Everyone is to be concerned with his own work and proper behavior. If a student observes the breaking of the spirit of honor and pledge in a noticeable way on the part of another student, then he is obligated to bring the facts to the council for investigation. No one is expected to be overly suspicious; but overprotection of a dishonest student cannot be tolerated.

THE HONOR COUNCIL

Article I. Name and Purpose

Section 1. The name of this body shall be the Honor Council of Southwestern at Memphis.

Section 2. The purpose of this council shall be to foster a spirit of honor at Southwestern; and to investigate and to act upon cases of cheating, stealing, and lying (in official matters) on the part of students in connection with academic work or campus life.

By Laws, Article II. Oaths and Pledges

Section 1. Each student who enters Southwestern shall sign and adhere to the following pledge:

As a student at Southwestern, I hereby pledge my full and hearty support to the Honor System. I pledge to be honest myself, and, in order that the spirit and integrity of the Honor System may endure, I pledge that I will make known to the Honor Council any case of dishonesty which I may observe at Southwestern.

Article IV. Instruction

Section 1. To insure the cooperation of the faculty in the support of the Honor System, the council shall, at the first of each semester, discuss the system with the faculty, reminding them of their obligations to report violations, asking them to request the full written pledge on their work, asking them to remind students before each test that the test is to be pledged, and to clarify in the minds of their students which work is to be pledged and which work is not to be pledged.

Section 2. To insure the full understanding and support of the Honor System by the student body, the council shall, each summer, send letters of instruction to incoming students; explain the system during freshman orientation; request that fraternities and sororities include the Honor System in their pledge training; conduct a special chapel program before semester examinations; see that each student has a copy of the Honor Council Constitution; place printed cards outlining the system in each classroom . . . and empower the president of the Honor Council to meet with the Student Council from time to time to discuss the system.

STUDENT GOVERNMENT

During Southwestern's early years in Memphis, student body affairs were handled by the Boosters Club, a democratic organization whose membership consisted of the entire student body. All matters concerning the student body were brought before the club; each student was entitled to one vote.

In the spring of 1927, the Boosters Club changed its name to the Student Assembly and formed the Student Council of Southwestern to simplify the handling of its many questions. The formation of this council marked the beginning of a new era in Student Government at Southwestern. It was the function of this new council to consider all questions of importance and to pass upon their worth before these were formally presented to the student body. The Student Council is the executive committee of the Student Assembly and has become synonymous with representative student government at Southwestern.

The first council's constitution provided seats on the council for the president of every student organization; new organizations could petition for seats. In the 1947-48 college year, the council then in office decided that it was too large and not equally representative. The council was subsequently reorganized into its present form. Commissioners in charge of supervising the various aspects of campus life are elected by the student body. Each class elects a president and representatives apportioned according to the constitution. These positions each represent one vote on the council.

One-fourth (1/4) of the Student Government Association shall override the action of the Senate provided they constitute a majority of those voting.

Section 2. One hundred and fifty members of the Student Government Association by petition may initiate legislation for consideration by the Student Government Association. On receipt of a petition, the Vice-President of the Student Government Association in a special or general election no sooner than ten days nor no more than fifteen days. The Committee's purpose is to transplant the educational interest and awareness generated by these organizations into the Southwestern community. EDUCATIONAL ACTIVITIES

Southwestern, believing that no one is truly educated until his knowledge has been tested and strengthened by experience, seeks not only to provide students with facts and ideas, but also seeks to give them a chance to apply their facts. The Commissioner of Education, who is the co-ordinator of the Student Council program dealing directly with academic education, provides these extracurricular opportunities through which students enlarge their horizons and test their ideas in the areas of politics and social service among others. Included in this section also are some programs not under the jurisdiction of the Commissioner of Education, but which also provide opportunities for the student to apply and use his knowledge in areas outside the strictly academic sphere.

Freshman Orientation Seminars

The Commissioner of Education, in co-ordination with upperclassmen selected by the commissioner, offers each fall a series of student led seminars designed to help the underclassman adapt to study on a college level, and to create an informal atmosphere for academic dialogue among freshmen and upperclassmen. In conjunction with the F.O.S. new students receive a summer reading list, drawn from suggestions by upperclassmen, that form the basis of the discussions. In the past, the books have been supplemented by a play or a lecture preceding the discussion. Unlike previous years, the Thursday night seminars are optional; students may choose among the discussions or lectures, or participate in none.

High School Visitation Program

The High School Visitation Program has two objectives: to encourage capable students to attend college and to interest students in Southwestern as their college home. As there are two different objectives, there are also two sets of panels, with one presenting the benefits students derive from a college education and the other, whose members represent various phases of Southwestern's campus life, encouraging students to attend Southwestern. These panels are composed of four to six persons each, and visit schools in Memphis and Shelby County.

Student Co-ordinators: Mimi Anderson, Susie Thornton.

Danforth Program

In September, 1956, the Danforth Christian Service Project was established on Southwestern's campus. The program focuses on commitment and craftsmanship in order to help the student realize his role in the community as well as on the campus.

Each year, during the first week of the second semester, a recruitment program takes place, during which the Danforth Ideal is explained and three training sessions are held in order to acquaint students better with the purposes and methods of the organization. Following these sessions, applicants are placed in the agencies sponsoring the type of program in which they are interested, and there they receive guidance and further training as they work.

The areas of the Danforth Program include hospital work, group work in neighborhood houses, youth work in churches, Sunday School teaching, scouting, tutoring convalescent students and working with the mentally ill.

Adult Advisor: Mrs. W. M. Cone

Faculty Advisors:

Dr. Laurence F. Kinney, Dean Jameson Jones

Pam Richardson, Bo Scarborough

Debate Club

The Debate Club's purpose is to help its members perfect debate technique and to compete with other college debate teams. The club was founded on the principle that only through the assimilation of thoughts and ideas from various sources, and only by the use of this information "under fire" can one's education be transformed from a body of facts insecurely "pigeon holed," into a vital and meaningful part of the person. In its past history the debate team has ranked third in national collegiate competition and has defeated teams from such institutions as West Point and Annapolis.

Faculty Advisors:

Mr. Ray Hill, Dr. John M. Hemphill

President: Bill Evans

Young Democrats and Young Republicans

These two groups on the Southwestern campus are service organizations composed of students interested in local and national political affairs and in the parties after which the groups are named. The groups meet each week to discuss the decisions and problems of their respective national parties and how events on the national political scene influence the local clubs. The Young Democrats worked actively in 1964 to aid the campaign of George Grider, now the freshman representative to Congress from the Ninth District of Tennessee.

President of the Young Democrats:

Joe Alford

President of the Young Republicans:

Joe Burch

PUBLICATION BOARD AND STUDENT PUBLICATIONS

The various publications of Southwestern have these several purposes: informing both the students and the alumni, preserving the events and happenings of each school year, and serving as a forum for student opinion and as a display of student talent. To achieve these purposes is a formidable task and to see that they are achieved is the duty of the Publications Board which appoints the editors and business managers of the campus publications. These appointers are responsible to the board for the financial status and the proper conduct of the publication. The board also assists other Student Council commissions with publicizing their campus-wide plans.

Southwestern's publications include the *Sou'wester*, the weekly newspaper, the *Lynx*, the yearbook, *Stylus*, the literary magazine, the *Student Council Handbook* and the *Southwestern Review*.

The Southwestern Review

The *Southwestern Review* is a magazine of critical essays on a variety of topics of current interest, ranging in subject matter from the serious to the "light" and whimsical. Plans are now for the *Review* to be published about twice yearly and for it to enlarge its scope to include book reviews and letters from students and faculty members traveling abroad.

Editor: Charlotte Palmer.

Lynx

Southwestern's yearbook, an annual publication distributed in the spring, is an integral part and recording of the life on campus. Although its cost is hidden in the activity fee, its benefits are no secret. Its attempts to preserve permanently the essence of the spirit present in everything from classes to organizations are only made worthwhile in the pleasure which those who have experienced a *Southwestern* year gain from it, now and always.

Both those staff members selected in the spring by the Publications Board (i.e., the Editors and the Business Manager) and those designated in the fall to work on the annual must accept a great responsibility. Their creativity, backed up by experience, must supply the drive which will turn the intangible spirit of *Southwestern* into a tangible record of pictures and words. In short, these people must be interested enough to preserve a student's interest in *Southwestern*, which is, inevitably, a human interest.

Current personnel:

Mimi Anderson	Editor
Janey Bishop	Associate Editor
Tim Greaves	Business Manager

Stylus

Both a literary magazine and a literary organization, *STYLUS* exists to afford an outlet for those students interested in literature and in creative writing. Anyone who has had two poems, plays, short stories, or essays of a literary nature published in the annual *Stylus* magazine, is admitted to the membership. These meetings are attended by a professor from the English department in the interest of improved writing. The magazine itself is of such a quality as to be entered competitively with other similar publications in such contests as the Southern Literary Festival. Current editor—John Kaman.

Sou'wester

The weekly school newspaper strives to present an accurate picture, not lacking humor, of the many-faceted prism that is campus life. It includes reports on all campus events, both scheduled and unscheduled, of interest to the students. It can be a sounding board for potential politicians or a vehicle for student opinion on current campus issues. It plays a dual

role in the presenting of both sides of a controversy. It is a two-way mirror both between students and faculty and between students and the world in which they live. Finally, it serves as a forum on the student's role in the college community.

Students interested in working on the paper may attend a meeting held for that purpose during Orientation Week.

Current personnel:

Don Watson	Editor
Bill Jones	Associate Editor
Bob Hall	Business Manager

RELIGIOUS ORGANIZATIONS

"All students welcome—meet a close, friendly group and start talking" might well be the heading for this group of organizations. The religious organizations provide a great assistance to students trying to adjust to college life. They are not a home-away-from-home, but they do offer companionship and a strong religious background for the students through faith and practice.

Baptist Student Union

A Baptist fellowship, the B.S.U. seeks to extend the influence of the Church to the student involved in campus life. It has regular weekly meetings on Wednesday nights, but its program covers a broader scope, entering such areas as missions and fund-raising. Current officers: Bert Chafin, president; Mimi Anderson, vice-president; Charlotte Bringle, secretary-treasurer.

Canterbury Club

The Canterbury Association for Episcopal students exists to provide an opportunity for the student to witness and bear witness to the Lordship of Christ over the whole life of mankind. Meeting on Wednesday nights at the Tri-Delta lodge, it includes discussions, often led by local clergymen, and monthly communion services. Current officers: Martha Lynch, president; Alex Greene, vice-president; Dana Adams, secretary.

Methodist Student Movement

To foster a clearer and stronger understanding of Man, God, and their relationship is the underlying purpose of M.S.M. Outwardly, the Methodist fellowship maintains a variety of programs designed to shed new light on unanswered questions, both contemporary and ancient. Current officers: Arnold Drennen, president; Harmon Wray, vice-president; Judy Owen, treasurer.

Westminster Fellowship

The Westminster Fellowship is in the process of trying to understand its role in the college community. The search is furthered through programs designed to point toward responsible Christian action in the student's situation in our modern world. Programs include discussion meetings at Evergreen Church and communions before final exams. Current officers: Martha Overholser, moderator; Rosie Gladney, vice-mod-

erator; Aaron Carland, treasurer; Elaine Rhodes, secretary.

HONORARY ORGANIZATIONS

In this world where the prime emphasis is excellence, there exist many organizations which pay tribute to those people who have forgotten the basic requirements of their endeavors and accomplished far more than the greatest expectations allowed.

On the Southwestern campus, such organizations as the following serve a dual purpose in that they pay tribute to those who excel in their academic field while at the same time promoting interest and furthering knowledge in this field in relation to the campus achievements of those following such courses.

Chi Beta Chi

Chi Beta Chi is a national honorary scientific fraternity which attempts to foster an interest in all branches of science and to afford an opportunity for those students who are engaged in science to meet and exchange views and current information on developments in their fields, both on the campus and in the world.

Membership is limited to students majoring in one of the sciences or mathematics. To be eligible, one must have completed twenty-five hours in his major and a total of sixty academic hours with at least a 3.0 average.

Exemplary of their activities is the annual supper given for freshmen making an "A" for the first semester in one of the first year sciences or mathematics.

Alpha Psi Omega

Alpha Psi Omega, national honorary dramatic fraternity provides an honor society for those achieving a high standard of work in dramatics and promotes a wider fellowship for those interested in the college theater. Admission is gained by acquiring a total of one hundred fifty acting and production quality points through participation in various dramatic activities at Southwestern. In order to maintain membership, a member must earn twenty-five quality points a year. Students wishing to become pledges of the group and work toward membership should make application to the faculty advisor, Professor Ray S. Hill.

Phi Beta Kappa

Phi Beta Kappa is the oldest Greek letter society in America, and, more importantly, it is the oldest (and perhaps the only) fraternal society devoted to the recognition of excellence of scholarship in the liberal arts and sciences.

The national organization was founded in 1776 at the College of William and Mary, Williamsburg, Virginia. The Gamma of Tennessee Chapter on campus was initiated in 1949.

Election to this organization is the highest scholastic honor which can be conferred upon a student. To be eligible, a student must have an average of at least

3.5 over seven semesters of approved college work. This past year, twelve students and one honorary member were added to the distinguished roll.

The current president of the chapter is Dr. Robert G. Patterson. The secretary is Dr. Gordon Southard.

Psi Chi

A national honorary psychology fraternity, the Southwestern Psi Chi chapter was established in 1952. The fraternity, which is associated with the American Psychological Association, affords its members contact with the profession of psychology, in order to give them and others a greater interest in and further understanding of the science of psychology.

Membership, by invitation only, is limited to students who have at least a "B" average in twelve hours of psychology.

Sigma Pi Sigma

This national honorary physics fraternity, which was only recently established on campus, offers its members a chance to keep abreast of the latest developments in their science, both on campus and on the international scene.

To be eligible for induction, a student must be a physics major in the upper third of his class. Dr. Jack Taylor is faculty advisor.

Eta Sigma Phi

The purpose of this national honorary classical language fraternity is to promote interest in all aspects of Greek and Roman literature, art, and life. Through the work of this fraternity, the Beta Psi Chapter of which was formed at Southwestern in 1952, new life enters the cultures of these ancient civilizations, offering conclusive proof that Latin and Greek can never be "dead" languages.

Membership in the fraternity is open to students who have an A or B in one semester of intermediate or advanced Latin or Greek.

Pi Kappa Lambda

Pi Kappa Lambda, national honorary music fraternity, rewards and distinguishes outstanding work in the musical field. Alpha Epsilon Chapter at Southwestern is composed of faculty members who elect students not exceeding 20% of any one class on the basis of their records in all subjects. The chapter was established May 14, 1949, and is open only to candidates for the Bachelor of Music degree.

Omicron Delta Kappa

ODK, founded at Southwestern on May 25, 1927, is a national leadership honor fraternity for men. The organization is based on the idea that leadership of exceptional quality and versatility in college should be recognized, and that outstanding students, faculty and administration members should meet on a basis of mutual interest, understanding, and helpfulness.

Membership is restricted to junior and senior men

and is on the basis of achievement in one of the five phases of campus life, scholarship, athletics, religious and social affairs, music, speech and dramatic arts, and publications. Men students must have an average of at least 2.4 to be tapped.

Each May, ODK honors the most outstanding sophomore man selected by the group. It traditionally sponsors once a year a visiting speaker of note, and together with the Mortar Board sponsors a scholarship banquet, honoring top scholars in each of the four classes.

Faculty members: Dr. John Q. Wolf, Secretary; Dean Jameson M. Jones, Dean Charles I. Diehl, Dr. William Larry Lacy.

President—Walter Howell.

Mortar Board

Southwestern's chapter of Mortar Board, the first and only national organization of senior college women, seeks to recognize outstanding senior women and to promote the ideals of leadership, scholarship, and service. Each candidate for active membership must have an accumulative average equal to ten per cent (10%) of the highest grade on the grade scale added to the all-campus average. Membership is limited to a maximum number of ten women who are tapped in May of their junior year. At this time Mortar Board also honors the most outstanding sophomore woman chosen by the group.

Projects carried out by Mortar Board on the Southwestern campus are faculty-student coffee-breaks, visiting lecturers, informal dramatic readings, a tutoring service, the "penny-a-minute" money-making project, and a scholarship banquet.

President: Carole Pickens.

DEPARTMENTAL ORGANIZATIONS

Language and music in practice, for fun and education, is the general outline for these organizations. These are groups of common-interest people attempting to add depth and reality to prepared classroom courses.

Der Deutsche Verein

The German club attempts to foster an interest in German culture, sports, historical sites, and literature.

Through talks by students who have spent their junior year in Germany, films, meetings with professors, and a practical usage of the language during the meeting, the club attempts to gain true insights into the culture behind the language they are studying.

La Cordura

Southwestern's Spanish club affords students studying the language to acquaint themselves with life in Spain and in Latin America. Monthly meetings offer native speakers, films, slides and an occasional "fiesta" and a Spanish dining treat. Current officers: Mary Lydick, president; Harriet Hall and Betty Walker, vice-presidents; Carol Wertz, secretary-treasurer.

Sans Souci

Sans Souci, the "French Club," was organized to promote an interest in French literature, language, and customs. Advanced French students, French majors, and second year students with a "B" average are eligible for invitations to the monthly meetings.

The Madrigal Singers

The Madrigal Singers is a student organized and led group who specialize in music of the 16th and 17th centuries. For the 1965-66 session Bonnie Davis is the President-Director, Nelda Smith is Assistant Director and Aaron Foster is the Business Manager. The group performs many times during the school year for many different clubs and organizations. Christmas is an especially busy season for the Madrigal Singers. Miss Jane Soderstrom is our faculty advisor. Membership is by invitation only.

The Southwestern Singers

Membership in the Southwestern Singers, under the direction of Dr. Vernon Taylor, is open to any student who is interested in music and likes to sing. They are the choir for the weekly chapel services. Also they have Christmas and Spring Vesper services, a choir tour, and numerous performances for television and other organizations in Memphis. Members of the Music Department Faculty often work with the "Singers" in vocal training technique and orchestral accompaniment. For the 1965-66 session Aaron Foster is President.

The Organ Guild

Our Guild Student Group is a branch of the American Guild of Organists. Early each fall the group is reorganized under the able direction of Dr. Adolph Steuterman, F.A.G.O., and the officers for the year are elected. All members are students who are presently taking organ lessons. Touring and playing different organs in Memphis and the Mid-South, as well as learning about organ construction and music, are the main goals of this organization.

AMERICAN INSTITUTE OF PHYSICS

American Institute of Physics is a national organization of professional physicists. The Southwestern

student affiliated chapter, established in the spring of 1963, sponsors visiting lecturers in various fields of physics and talks by graduate school representatives. Dr. Jack Taylor is faculty advisor.

AMERICAN CHEMICAL SOCIETY

American Chemical Society is a national organization for professional chemists. Southwestern's student affiliated chapter, established in the spring of 1964, has been extremely active with monthly seminars on advancements in chemical research and discussions of individual projects. Dr. Ray Vaughn is faculty advisor.

PEP BAND

The Pep Band is a volunteer student organization composed of students with some musical ability, who are interested in promoting school spirit. The band plays at all home football and basketball games and last year was the featured band at the Stewart Hall Funeral Service. Rehearsals are held at a time decided upon by the band members.

Student Director: Walter Howell.

"S" Club

The "S" Club is composed of all men who have earned letters in one of the varsity sports (football, tennis, golf, cross-country, basketball, baseball, and track).

Chairman: To be elected in the fall.

Men's Intramural Board

The Men's Intramural Board, composed of representatives from the six fraternities and the independent men, is in charge of all men's intramural athletics. It sponsors tournaments among the fraternities and independent groups in flagball, basketball, ping-pong, softball, golf, volleyball, tennis, badminton, and track.

Chairman: Bob Hall.

Women's Athletic Association

The WAA controls all women's intramural athletics. It sponsors tournaments between the sororities and independent groups in volleyball, basketball, and softball. Each spring the WAA sponsors a field day when contests are held in archery, badminton, tennis, ping-pong, and golf.

Pan-Olympic

This organization is an honorary women's athletic association. It is designed to create more individual interest in intra-mural athletics. Its members, who come by invitation only, are selected from senior women on the basis of points they have earned on a point system built around the time spent in practice for and the positions gained in tournaments. The organization was founded at Southwestern in 1948.

Southwestern Athletic Union

The purpose of the Southwestern Athletic Union is to provide for, increase, and maintain that intangible element of college life known as school spirit; to provide a campus-wide organization to which all students may belong and in which each may work towards a unified goal; to actually support through a well organized program, the total Athletic effort of Southwestern At Memphis, including varsity sports, intramural activities, and other events in which a large part or all the student body participates; to encourage attendance of every athletic event and other worthy activities on the campus; to plan and defray costs of out-of-town trips to athletic events; to plan and provide for any and all other such activities as shall be befitting to such an organization.

It is anticipated that the membership of SAU will include the entire student body. The freshman class, as well as the rest of the student body, will be contacted during the first weeks of school. There will be further explanation concerning the objectives of SAU, and also an opportunity for members of the freshman class to join.

College Athletic Conference

Southwestern is in its third year as a member of the College Athletic Conference, which also includes University of the South at Sewanee, Tenn.; Washington and Lee University of Lexington, Va.; Washington University of St. Louis, Mo.; and Centre College of Danville, Ky.

The conference became effective with the football season of 1962, with Washington and Lee placing first, Sewanee second, Southwestern third, and Centre fourth. Washington did not compete in football, but did the next season.

The purpose and principles of the conference, reflect the general athletic atmosphere of all the members: "The purpose of the College Athletic Conference shall be to provide an association through which the member institutions may encourage organized competition in intercollegiate sports among teams representative of their respective student bodies.

"It shall be a cardinal principle of this conference that all participation in sports by the members of its teams will be solely because of interest in and the enjoyment of the game. No financial aid shall be given to any student which is conditioned upon, or for the purpose of encouraging, his participation in intercollegiate sports."

CAMPUS SOCIAL AFFAIRS SOCIAL REGULATIONS

1. Each fraternity, sorority, and independent group may have not more than one mid-week social function per semester for such events as outings, banquets, etc., which must be placed on the social calendar at

least one week in advance of the event with the approval of the Commissioner of Social Activities. This includes any type of function lasting after 8:00 P.M. Any additional event during the same semester on any night except Saturday is subject to the approval of the Student Welfare Committee. All other functions with the exception of exclusive events (see rule 2) must be held on the particular Saturday nights on the social calendar which are designated for informal fraternity and sorority parties.

2. Petitions for the exclusive reservation of any dates must be submitted to the chairman of the Student Welfare Committee before the end of the first month of each semester. Events cannot be exclusive unless the entire student body is invited. On the nights of these exclusive social events, no other fraternity, sorority or independent group may hold a social function. 3. No fraternity, sorority, or independent group may schedule any social function on a night when a varsity athletic team is playing a regularly scheduled game on the campus unless the hours do not conflict.

4. All entertainment after 8:00 P.M. which men and women students attend must be properly chaperoned.
