Dear Sir

Enclosed please find Invoice of Goods shipped this day for Steamer Glendale. Your order is now complete, and hope you will send us draft on New York or New Orleans.

We have been looking for a remittance from you for some time, & do hope you will oblige us, as we are very much in want of Money just at this time.

We wish the remittance in the shape of Exchange as the discount on the last you sent us, was a little more than we can stand.

Yours Respectfully
Cooks Adams & Co
