

Rec^d of R Lopp two hundred and forty five dollars
eighty five cents - which is a payment in full for Cement
Costings - made by me for the Gayors House cornice
~~then made~~ this includes those used in the front of the
Gayors House on Shelly Street - and enough for the
South side or front on McCall Street. The castings
for the McCall Street front are now deposited in
the basement of the Gayors for safe keeping - I guar-
antee that there is enough for that purpose, I further
know guarantee, if there is a deficiency or if any
of them are injured or broken when it is necessary to
use them that I will make good the deficiency without
additional cost to R Lopp. Witness my hand & seal
