41st Year

MEMPHIS, TENNESSEE, FRIDAY, FEBRUARY 26, 1960

Vol. 41, No. 17

TYPICAL SOUTHWESTERNERS Clara Stephens and Jimmy Curtis appear to be fairly pleased with the results of Wednesday's election, which named them "Mr. and Miss Southwestern."

Curtis, Stephens Elected Mr., Miss Southwestern

PAIR CHOSEN BY STUDENT BODY AS YEAR'S OUTSTANDING SENIORS

Wednesday, the Southwestern student body picked Jimmy Curtis and Clara Stephens as the school's most outstanding Mister and Miss.

The 1959-60 "Mr. and Miss Southwestern" have left behind them a four-year record of outstanding leadership in varied fields and have earned their titles as most typical representatives of Southwestern at its best.

Clara, from Laurel, Mississippi, was recently elected to membership in Who's Who in American Colleges and Universities. She was Homecoming Queen in 1958, a member of the April Fool Court last year, and served as captain of the Cheerleaders this year. Clara is also secretary-treasurer of the senior class, president of STAB intersorority, and treasurer of Chi Omega sorority. Last year she served as president of WUB.

Jimmy, a Memphis student, is president of the Honor Council this year, after serving on that council for three years previously. He, also, is a member of Who's Who. A member of Sigma Alpha Epsilon fraternity, Jimmy was chosen Torch Dream Man this fall. He was a Prince in the 1958 April Fool Court. He also served as junior class president and as a Lynx cheerleader for two years.

"Mr. and Miss Southwestern" will be honored in the 1960 Lynx.

General Fund Scholarship Offered By Tri-Delta

Each year Delta Delta Delta sorority offers a General Fund Scholarship. This award is available to any woman student, regardless of sorority affiliation, who attends a college where Tri-Delta is represented. The total amount of the awards granted on any one of 105 campuses included in the competition may not exceed \$200.

Scholarships will be forwarded to the winners at the beginning of the terms for which they are granted. The awards may be used for the 1960 summer session. Applications must be mailed by March 1. Those who are interested are asked to contact Jane Cook.

Dean's List, Honor Roll Announced

Sixty-six Southwestern students merited the Dean's List this semester with twenty-two of this number on the Honor Roll.

Straight "A's" in fourteen or more semester hours entitled the following to be on the Honor Roll: Joseph Ajello, Janice Baker, Marily Davis, Lela Garner, Wayne Goldsworthy, Mary Growden, Dorothy Hicks, Mary McCharen, Diane McCullough, William Mankin, Bob Mansfield, Robert Morris, Rosilie Osterbind, Susan Ramseur, Corinne Ridolphi, Enloe Ritter, Judith Singer, Alice Stewart, Harry Swinney, Ann Vines, Joan Warren, and Peggy Welsh.

For maintaining a standing in the upper 10% with fourteen hours or equivalent these students were named to the first semester Dean's List: John Adams, Jocelyn Agnew, Joseph Ajello, Jane Allen, Janice

Baker, Rebecca Barksdale, Martha Barret, Bette Baumgarten, Gwen Bell, John Blair, Karen Boyce, Betsy Breyspraak, Pete Cornish, Marily Davis, William Ellis, Mary J. Evans, Beverly Finch, Jimmy Finley, Ralph Foster, John Frist, Susan Fullilove, Judith Garner, Wayne Goldsworthy, James Gray, Gay Greve, Mary Growdon, James Harper, Martha Heinemann, Edward Henderson, Dorothy Hicks, Ellen Holmes, June Johnston, Soon Ki Kim, Delma Klotz, Paul Lawrence, James Lindenberg, James McCain, Mary McCharen, Katherine McCollum, Diane McCullough, William Mankin, Bob Mansfield, L. Registration Begins For Summer School

Registration for the first five-weeks term of the Summer Session will be conducted during the period March 1 through March 12 in the Registrar's Office. Fees may be paid at the time of registration or later; but if they are paid before June 13, the student need not report until Tuesday, June 14, the day classes actually begin.

A penalty for late payment will be assessed if fees are not paid by 5:00 p.m. on Monday, June 13.

It is important that all prospective summer session students now attending Southwestern register during this period, as after March 12 courses for which there has been little or no demand may be dropped from the schedule. It may also be possible to add new courses to the schedule if preregistration shows a sufficient need for them.

If a student has any doubt as to his eligibility for the course he expects to take, he should consult his major professor or faculty advisor.

About Campus

by Susie Bracewell

Well, I have at last lost my childlike sense of wonder I guess because I have grown tired of the big snow. It seems like by now they would realize it wasn't such a good idea after all and just quit.

If that isn't enough the Sou'wester office is blessed with a three line telephone

at night. (us, the Lair and the Athletic office.) Now we don't have too much trouble with the Athletic office but the Sou'wester office carries on continual warfare with the Lair. We pick up the phone and the Lair picks up theirs and I clear my throat and they clear theirs back and some unknown voice says, "Ah So, You are surprised I speak your language." Then if you pick it up and hear the Lair dialing you can dial right at the same time and it messes everything all up and makes a strange terrifying noise. It's great sport.

However being brave and determined I managed to get the sorority and fraternity news, such that it is.

Alpha Tau Omega initiated twelve new members on Monday night. They were: Johnny Reams, Bert Ringold, Bobby Strickland, Baird Callicott, Bill Campbell, Stephen Richardson, Charlie Rich, Duff Glenn, David Veterane, Wayne Goldsworthy, Jim McCain, and Mallory Chamberlin. Best pledge was Bert Ringold and the scholarship award went to Wayne Goldsworthy.

Last Thursday Night AOPi initiated twenty new members. They are: Barbara Barham, Lynn Beasley, Martha Chase, Sandra Clayton, Dorthy DuBard, Betty Claire Eaton, Glenlee Ferguson, Mary Nell Frank, Judy Garner, Blair Gilmer, Dorothy Hawn, Mary Jane Holt, Radford Hopper, Susan Hunter, Susan Johnson, Linda Lawrence, and Anita Moose.

The pledges and active members of Zeta Tau Alpha will have their big-sister-little sister luncheon at the Embers on Saturday afternoon. Their officers were announced at the annual dance last Saturday night. They are: President, Dottie McCaleb; Vice President, Carolyn

Council Handbook Edited By Yates

Miss Jenny Lee Yates has been selected by the Publications Board to be the editor of the 1960 Student Council Handbook. The announcement was made this past Tuesday.

Hailing from Mayfield, Kentucky, Jenny is a member of the sophomore class. She is an English major. Jenny is a member of the annual staff and the WAA. Also, she is a cheerleader and a participant in the Danforth program. An active of Kappa Delta Sorority, Jenny is presently Sergeant-at-Arms.

Adult Education Center Announces Two Events

Only two events of interest to the campus are scheduled at the Adult Education Center for the coming week, announced Ray Hill.

Tuesday, March 1, at 8:00 P.M., Dean Curtis Canfield of the Yale School of Drama will speak on "The Theatre Today." There will be no admission charge for this talk.

The last in the series of Russian films will be shown next Friday, March 4, at 8:00 P.M. Students will be charged 75c for this film, "The End of St. Petersburg."

Also on Saturday afternoon at the Embers Kappa Delta will have its Big Sister-Little Sister Luncheon. Pledge awards and officers will be announced to the chapter at that time.

In closing, let me be one of the last to congratulate Southwestern's newest pinned couple, Helen Jackson and Alan Strautman.

Your Student Council

by Marcy Ruyl

Your Student Council met again last Tuesday night. Carolyn Shettlesworth announced that the editor for handbook next year will be Jenny Yates. Carolyn also said the results of the Journalism Questionnaire were in favor of having a journalism class. This possibility will be considered by the Curriculum Committee. The council voted to drop the Westminster music and panel programs as there seems to be no real purpose in them and the calendar is so full now.

John Butt said there will be a PRC Retreat this Sunday from 11:00 to 5:00, for the purpose of planning this semester's religious program. The spring religious emphasis speaker will be John Louis from Austin, Texas. Dan Whipple, Social Commissioner, said plans are in order for the April Fool dance and the decoration committee was appointed. They will need lots of help; so all interested in working on this dance please see Dan. The first drama and political discussion groups were last night. "Don Juan in Hell" was the play discussed and the leaders were Joan Warren and Bette Baumgarten. There was some discussion among the council on plans for next year's seminar groups. The time of meeting will be changed as well as two of the discussion topics and certain other aspects of this year's procedure.

Ann Myers said she plans to have more articles on graduate study in the Sou'wester this semester; so everybody interested please watch for them.

Bill Davidson announced that next Tuesday night, following the Council meeting, there will be an open discussion on NSA and he heartily encourages everyone to please attend. The committee can only get a general opinion by everyone expressing his views; so please come and let this committee know how you feel about NSA. Jerry Duncan has found that several people are interested in a Debate Team at Southwestern so there is hope that something might be done for some type of debating program.

The IFC has not been able to contact and book a big name band for the big IFC dance next year. This will be arranged by next year's IFC around November. The date for the dance has been set, however, for March 4, 1961.

Next week Ed Albright will speak to the council on the Student Center plans for next year. It is this committee's hope that student-faculty visits to various southern cities and Southwestern supporters can be made. The purpose of these visits would be to secure loans or donations from these people for a Student Center. This concluded the business for last Tuesday. Student Council meetings have been more and more exciting for the last few times so everybody come and get in on your school's affairs. NSA, the Student Center, April Fool are all on the agenda for next week so "y'all" drop by.

Category: Capital Punishment

The expected execution of Chessman has again brought into focus a concern centering around the existent laws permitting capital punishment. This question is usually approached from an ethical standpoint, whether these ethics be religious or philosophical.

A question raised in connection with this topic is: what is the purpose of a judicial system? The answer may include such words as prevent, protect, punish, and correct. It is reasonable to ask, prevent and protect what? The law abiding society? Or the violator of the laws of society? "Prevent" would best apply to the violator, whereas "Protect" would best apply to society. We protect by preventing. We prevent by correcting or punishing. Which is preferred, prevention which corrects society by elimination of the violator, or prevention which corrects society by correcting the individual? Forms of punishment can be used to correct as can forms of reward. But can capital punishment ever correct the violator? The society possibly, but not the violator. With confused premises the following conclusion can be drawn. Society condones capital punishment. Capital punishment protects society by elimination of the violator. A system can exist where society is corrected by correcting the violator. Therefore, society prefers or condones the idea of elimination over the idea of correcting a violator. Chessman says capital punishment is an out-moded form of preserving justice. He may be dead right.

LETTER TO THE EDITOR

Dear Editor:

For the past two years I have directed the "April Fool" play and earlier this school year offered to do so again. However, in thinking over the circumstances, I am reluctant to do it this year for the following reasons.

The April Fool weekend no longer serves a function. It has become another useless tradition hanging on because most of us are reluctant to give up something which has been around so long.

When I first came to Southwestern ten years ago, it was one of the big events of the school year. The student written plays were never masterpieces but they did have life and originality. Almost everyone wore a costume to the dance and most were clever and original.

Several years back I saw the first signs of the present situation when the night before the dance I'd be besieged by requests to borrow costumes from the Players' wardrobe. Then came the request for me to take over the direction of the play . . . no longer a student written one. Few people come in costume to the dance anymore and those who do exhibit little ingenuity.

The purpose of the play was to poke fun at the campus. Last year's THE MALE ANIMAL satirized campus life but not specifically Southwestern.

I feel that unless a student written and produced play is done, unless the students enthusiastically participate in the masquerade, the April Fool Weekend has become purposeless and should be dropped.

—Raymond S. Hill

Dear Editor:

I read the letter of last week condemning the Man Course on the grounds that it did not integrate knowledge, but rather threw piecemeal bits of erudition to the student. It was further judged "trite, skimpy, and worthy of the mentality of a ten-year-old" in its attempts to unify. From criticism of the course the author went, with nebulous logic, to criticize the school itself, calling it a "playground for oversized grammar-schoolers." This was very irritating to me.

The course itself, known as Man in the Light of History and Religion, is admittedly an introductory course to knowledge, an attempt to familiarize the student with important names, movements, and philosophies in the western civilization. It does not try to give a complete education to the student, nor should it; ergo, it is a freshman course. It would be idiotic to try to do all the things the writer suggested in a course. You wouldn't get unity, you'd get chaos. Besides, one must leave some room for new knowledge in later courses—in the author's case within the next three years. A person in college is supposed to be capable of doing work on his own if he has curiosity. Besides, no one should judge a course after having had only half of it.

Therefore I think it would be well for the author—whose palette is too good for such hash—to learn the virtue of patience long enough to endure knowledge for four years along with the rest of us 10-year-olds who aren't smart enough to take in all of history and religion from the Gilgamesh to the present in one course.

Pat, I guarantee you are not wasting your time. Much of the hash will help you when you are in your major getting fine points that would be impossible to incorporate in the MAN course.

I would also recommend you spend more than one semester here before you judge whether or not the college lives up to its standards. Perhaps it doesn't; I haven't decided yet—but I think the case more positive than negative. In the meantime, if you feel your brain above the grammar school level, you've got a whole library to feed it with—which should take your spare time for a few months anyway.

Have patience, you've a whole lifetime to get educated—and believe me, it'll take us all that long.

—Bette Baumgarten

Any student with the gumption to direct an April Fool play is urged to see Ray Hill in the AEC as soon as possible, or to talk it over with the Publications Board. (See Carolyn Shettlesworth).

Returning Lettermen Bolster SW Linksters

by Birt Waite

Four returning lettermen will be aided and abetted by a quartet of promising newcomers to form what could very well be Southwestern's finest golf team in twenty years.

Coach William R. Maybry is unusually optimistic about prospects for the coming season and predicts that the linksters should better their 8-6 record of last year. A winning record this season would mark the third time the golfers have broken the 500 barrier since the war.

Invaluable experience and tee-to-green knowhow will be added by team captain Bill Harris, Stuart Thames, Ted Mohns, and Jim Stowers—all lettermen. Thames will be making a strong bid for the team's number one slot, a position he has held for the last two seasons.

Welsh Unavailable

Only loss from last year's unit is letterman Bob Welsh, a four-year veteran of the Lynx' golf wars lost through graduation.

The absence of Welsh ought to be more than offset by newcomers Charlie Rich, Douglas Janss, Ruffin Craig, and Mike Rowland. Particularly outstanding among the group, according to mentor Maybry, are freshmen Rich and Janss.

Rich has seen extensive tournament activity in golf-minded Florida, while Janss was a letterman for Memphis Treadwell of the Prep League.

Stowers Looking Sharp

To make the outlook even rosier, Stowers has been having some surprisingly good rounds over at Memphis Country Club in early season practice sessions. Reportedly the veteran linkster has been carding one- and two-over par rounds in nine-hole jaunts after school.

Though official practice began Monday of this week, the first match is not until March 29-30, when Depauw will be entertained at Memphis Country Club and Audubon on successive afternoons.

Later in the season Southwestern will swap shots with the likes of Delta State, Florence State, Lambuth, Sewanee, Ole Miss, Union, and Quincy. In the season finale the Lynx will strive for team and individual honors in the TIAC tourney scheduled for May 13-14.

Intramurals

Sigma Nu and Sigma Alpha Epsilon bolted their ways into the 1960 basketball championship play-off this week as both teams emerged from the second round with near equal records.

Powerful SAE with unmatched depth rolled up eight victories over the regular season but were stopped cold by fired up SN on two occasions. On the other hand SN, playing an extra game, amassed an 8-3 record.

The championship game which will be held Saturday will pit the Lions of SAE (8-3) against the SN Snakes (8-3), who played an extra game with the Independents to decide the team to oppose SAE in tomorrow's tilt.

Well-balanced Outfit

SAE will start a well-balanced and experienced team paced by high-scoring Tommy White and Finis Carrell, and backed by Bob Gay, Bill Davidson, Robert Echols, and David Minter.

SN will bank its hustling attack around the outside-shooting of John Ashcraft and Bill Burge and the strong rebounding of pivotman Mark Schaap. Backing these three stalwarts will be Dale Pflug and Gene Botsford along with rugged John White and Morris McCastlain from the "B" unit.

SN moved into the finals by rolling over first round co-champions, the Independents, in a play-off, 65-47. The Snakes and Independents played even ball for a half with Burge's jump-shot giving SN a 27-25 edge at halftime.

Rowland Tough Under Boards

However, in the last half, SN extended its lead to 20 points with fine outside shooting by Ashcraft. Center Schaap controlled both boards to provide the spark. Ashcraft pumped in 17 markers and Bill Burge 13 to lead the winners' attack.

Guard Jerry Peters hit for 15 points to pace the Independents' attack, but it was Mike Rowland's

tough play under the boards that sparked the close first half scoring.

Snakes Repeat Over SAE

Sigma Nu with its back to the wall and a possible basketball championship at stake played one of its greatest games of the season to down SAE, 68-67, in the top intramural game of the season.

The victory, which moved the Snakes into a second round tie for the number one slot, marked the second time SN has defeated SAE in such a situation. In first round play, SN edged out a 42-40 victory.

Powerful SAE, sporting the league's most experienced team, displayed its early season form and potential while easily downing KS and then staged a last minute rally to edge the Independents and move into the decisive game with an unblemished record.

White, Ashcraft Lead

Abetting the SAE's bid for the championship, a fired-up KS team bowled over an undefeate SN quintet which was looking ahead.

In the top game of the week, SN and SAE exchanged baskets and leads for a full thirty-two minutes before Dale Pflug's two free throws iced the victory.

However, it was freshmen White and Ashcraft who paced the Snake victory. White, just moved up from the SN "B" team, rolled around his men repeatedly to hit seven field goals and six charity tosses for 20 points. Ashcraft pumped in 17 points, mostly from outside the circle, to follow White in scoring.

Rebounders Schaap, Carrell

The determined SAE bid for the championship was paced by lanky forward Tommy White who kept the Snake defense in check with 26 markers. Center Finis Carrell ripped the cords for 15 points to round out SAE double-figure scorers.

SN pivotman Mark Schaap and SAE pivotman Carrell led their respective teams on the boards. Both blocked numerous shots and staged a brilliant display of hard rebounding.

SAE banked on high-scoring one-two punch of White and Carrell to down KS, 51-18. White and Carrell hit for 18 and 15 respectively to pace the Lion victory. SAE jumped to an early lead and then steadily pulled away to claim the victory.

7 Of 7 For Petersen

In the Lions' close victory over the Independents, the two teams were evenly matched for three quarters, but inside shooting by White and Carrell gradually opened the gap in the fourth quarter.

Steady guard Jerry Peters and slender forward Darrel Napier led the Independents' assault.

SN placed four men in double figures as it easily gunned down KA, 59-27. Ashcraft hit for 18 markers, and forward Jim Petersen hit seven out of seven field goal attempts for 14 points to lead the Snake victory.

Gene Botsford and Schaap followed with 13 tallies each, while freshman Lee Mixon led KA with nine points.

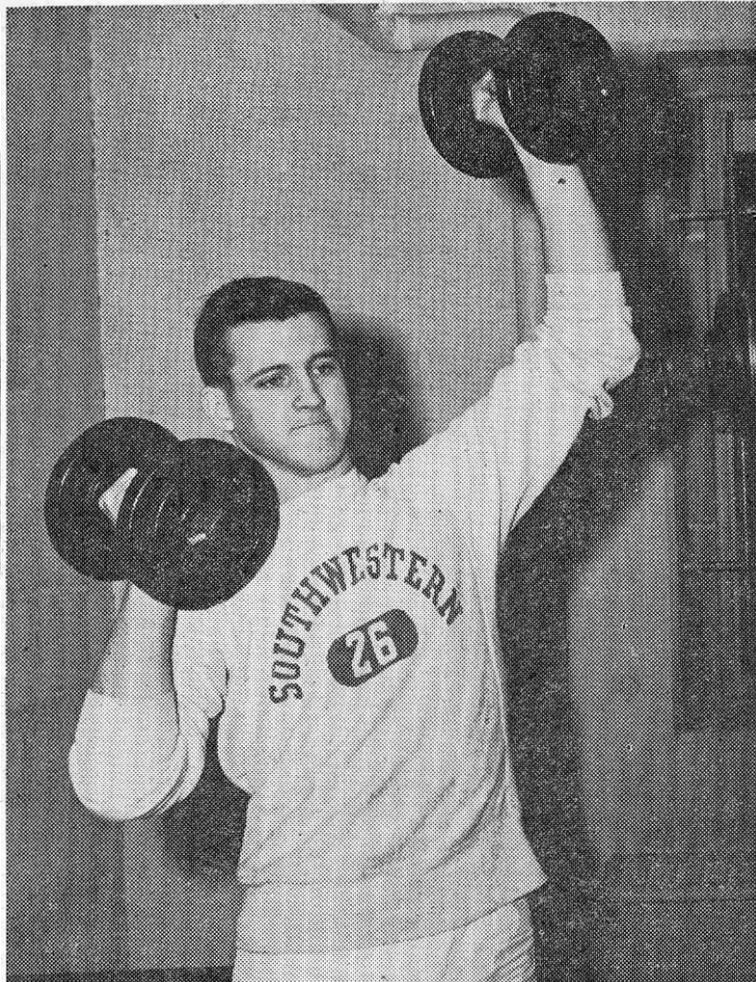

Sig's Upset SN

KS played one of its greatest games of the season to upset undefeated SN, 57-51. The Snakes were unable to contain a fine display of shooting by the Sig's Travis Casanova to gain the lead.

SN's high-scoring outside men, Bill Burge and Ashcraft, were completely bottled by the hustling KS defense.

KS bolstered its record to a 3-2 mark by downing ATO, 43-36, with Casanova pumping in 17 markers. KS slowly moved to a lead in the third quarter and then settled down to fight off desperate Tau bids for the victory.

The Independents, who have suffered defeats at the hands of SAE and SN, moved into a third place tie by drubbing KA and ATO. Pivotman Mike Rowland and Peters hit at will in both contests to pace the winners.

CLINTON, BUSBEE LEAD CINDERMEN

Track captains Tommy Clinton and Wes Busbee head the list of some twenty-five promising trackmen who braved the snow and ice this week to gain on the cinders.

Since practice has just started officially, it is impossible to point out the champions of 1960, but the team as a whole looks good. There are rumors that this year's group of new men are outstanding.

The Harwood twins, Bill and Hugh, will run the one hundred and two hundred yard dashes. Bill will also broad jump, and Hugh may heave the shot. Bill Taylor will dash but is a talented high jumper as well. He and John Ashcraft will be trying for MoMo Waller's record of six feet two inches set last season. Stan Sanders will be on the dash squad, and Tom Lowry will be broad jumping. Bill Potts will run the four-forty.

A strong team of distance men includes John Somerville, Frank Weathersby, Tommy Clear, and cross country veterans Mallory Chamberlain, Roy Wrather, and Richard Ward. Former High School standout Johnny Frist will contribute his talents as a pole vaulter.

Returning men include Clinton in the dash and Busbee, winner of last year's state meet in the shot and discus events. Ray Henley, Butch Kimbro, Don Pollard, and Doug Newman will handle the shot, discus, and javlin.

Travis Casanova, Bert Tuggle, and Glenn Hays will run the four-forty and eight-eighty yard dashes. Tuggle also runs the mile relay, and Casanova will high jump. Bob "Zeus" Gay will be battling a leg injury to join the high jumpers. Veteran distance man Keith Arman, will be running the mile and two mile. Bill Howard will broad jump and run both high and low hurdles.

According to athletic director William R. Maybry, the Lynx' track schedule for this year should prove to be "the most ambitious track schedule Southwestern has ever undertaken."
