DEBATERS PLAN POLITICAL TILT TONIGHT AT 7:30

Hoover and Smith to be Dragged Over Fire

POLL STRAW VOTE

Members Argue Merits of Candidates

A regular political rally, featuring both Herbert Hoover and Al Smith, will be held by Southwestern students and faculty members in the private dining hall on the campus next Friday night at 7:30 o'clock. Quibbler Forum Men's Debating Club is staging the campus convention. Campaign stogies, red-hot speeches, buttons, streamers of the candidates, pictures, and a straw vote of those present are booked as features of the occasion.

TWO ON COMMITTEE
Malcolm Ritchie and Warner Beard will stump for Al Smith, while Raymond Thompson will uphold the Republican banner. Ritchie and Smith are active members of the Tennessee Democratic committee. Ritchie was appointed recently by Senator K. D. McKellar to speak in Smith's behalf in West Tennessee. Beard was in charge of Smith, Covington and Jones counties in Mississippi during the past summer for Hon. T. Webber Wilson, who ran for U. S. senator from that state, and is also on the Tennessee committee with Ritchie.

Thompson will pick a colleague soon from the membership of the club to back him in getting Hoover sympathy.

POLL STRAW VOTE
After each side has delivered two political speeches, a straw vote will be taken to determine the strength of the parties in the club. At present the club has made no plans to extend the straw vote to include the entire student body, but it will likely do so.

Following the straw vote, an open forum will be held to thrash out the merits of the two presidential candidates, the issues that each are promoting, and their qualifications as men in aspiring to the highest elective office in the country.

EIGHT GRADS IN LOUISVILLE SEM

Three of 1928 Class Join Five Others

Eight Southwestern graduates are now in Louisville Presbyterian Seminary, according to word just received from J. M. Looney, a former student here.

Three members of last June's class are furthering their study with five graduates of former years. The eight are Harold Wise, Morris "Buck" Buchanan, J. M. Looney, Charles "Firpo" Stewart, Thornton Moore, William Orr, Price "Pat" Patton, and Robert Lapsley.

President J. M. Vander Meulen states that this year's "freshman" class is the largest in the history of the institution, having as many members now as were enrolled in the entire school eight years ago.

The Sou'wester is being sent to these derelict Southwestern men, and they demand space. The staff, accordingly, welcomes personals, police accounts, or any other records which they might wish to furnish for publication. Brother Wise informs of a little affair held recently in Sleepy Hollow, a favored nook in the hills somewhere close to the seminary. Patton, so Wise reveals, spoke with unusual zest in Sleepy Hollow at a recent gathering. Most of those present brought their wives. Wise did not say whether he brought his or not. Patton did not have one two weeks ago, and should have attended a single man.

A Mystic Couldn't Fill This Position

The general public has a high estimate of the ability of the business department, judging by the remarkable calls made upon its intelligence by telephone callers.

Here are three questions put to the department recently:

"Does you reserve seats for collud people at the football games?"

"Does Tech high school have a telephone?"

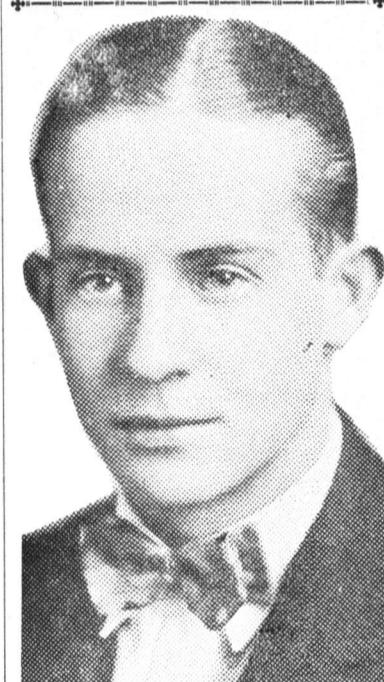

A negro woman called and asked: "Does you have a Mr. Johnson at your school?"

"We have several, but what are his initials?" she was asked.

"I jest don't know," she replied, "because they is so many Johnsons."

"I was a Democrat yesterday, I am today, and will be one tomorrow!" Deep feeling of political love is the reason why Malcolm Ritchie, sophomore, is going to stump West Tennessee in Al Smith's behalf.

ORCHESTRA TO PLAY ON RADIO

Musicians Practicing for Concerts

Under the leadership of Abe Fortas, an accomplished violinist, the Southwestern college orchestra is preparing for several concerts over local radio stations during the coming season.

Among those who will represent Southwestern are Miss Ruby Sebulsky, pianist; Morys Hines, John Bornman, Ira Woodfin, and Royce Moore, trumpets; Auvergn Blaylock and Nichols, trombones; Edmund McGivaren, saxophone; Earle McGehee, Albert Keller, Morehead, Abe Fortas, violins; Fritz Bornman, clarinet, and Gerald Seigle, bass.

Battling Thombs Overcomes Three Normal Freshmen

The beauty of the harvest moon which has been casting its cold light on the earth during the past few days proved too much for the redoubtable Freshman Elmo Thombs. Being a real man, and like all other men, his thoughts just naturally turned to women.

Finding no one on Southwestern's campus that he would like to view this moon with, he went over to Normal. Everything went according to plan and soon the seance was over. The only thing left was to return to Southwestern.

While waiting for a street car several Normal freshmen spotted Thombs' straw hat. They mumbled a few words behind a tree. Fingers were pointed at the straw pile. Stealthily they crept up and snatched the straw. Thombs, known in pugilistic circles in his native Alabama as "Kid Elmo," was irked at such rudeness. He tore out in pursuit, caught his man, and left him prone. Two other Normalite freshmen entered the fray. For fully ten minutes Thombs had a good work-out, the round ended with three freshmen on the ground.

Thombs viewed the three assailants, yet they moved not.

Before coming to Southwestern Thombs enjoyed a wide reputation as a ring leader in Alabama, having several knockouts and decisions to his credit, and with no defeats against his record.

Lost And Found Bureau At Store

All lost and found articles will be turned in at the Supply Store, states Prof. R. F. Thomason, assistant dean.

A record will be kept on all articles turned in, and the same will be given to their owners on identification.

DRAMATIC CLUB ADMITS 20 OUT OF 24 STUDENTS

Only Four Fail to Make the Grade

PENLAND DIRECTS First Production Early In November

Twenty-four aspiring student Thespians at Southwestern participated in preliminary try-outs of the Pal players held Wednesday afternoon in Hardie chapel.

Those trying out were Frances Durham, Hazel Edmunds, Josephine Ellington, Elizabeth Ferrell, Jane Barker, Marian Pape, Alicia Keisker, Meredith and Virginia Davis, Margaret Sweeney and Misses Rogers, Baker Smith, Ward Harris, Joe Barnett, Royce Moore, Bob Sanders, James Moody, Thaddeus Hall, Maury Hull, Billy Hughes, McPherrin, Pope McDowell and Caleb Watson were the ed candidates.

Dr. and Mrs. C. L. Townsend, English professors at Southwestern, and Catherine Underwood, Ann Roach, Johnson Garrott, and Miss Johnson were judges.

The following co-ed aspirants were successful in convincing the judges of their histrionic ability: Misses Baker, Meredith and Virginia Davis, Edmunds, Ellington, Keisker, Rogers, Smith and Sweeney. Seven out of eleven men received favorable votes. They are Harris, Hull, McDowell, Moody, Hughes, Moore and Sanders.

Franklyn Kelley was the only one to try-out for the position of assistant technician. Walker Wellford, Jr., is in charge of stage lighting. Edmund McGivaren is first assistant to Wellford.

Mr. Clifford Penland, who has been interested in the Little Theater and has had much experience at Rochester, N. Y., in theatrical productions, will be director. Dr. Townsend is faculty advisor for the year.

The first play will be given early in November. A committee composed of Allen Haden, Frederick Heidelberg and Charlotte Brue are in charge of selecting the first play, which will likely be a comedy farce.

The Pals will meet next Wednesday night at 7:30 o'clock in Hardie chapel, and thereafter every two weeks.

Opening Service Held by Y.W.C.A.

Members of the college Y. W. C. A. held their first regular meeting last Wednesday in Hardie Chapel.

Dorothy Green, president, presided.

Devotional was read by Pauline Jones, followed by a talk on the subject of "The Purposes and Plans of the Y. W. C. A." by Frances Gray.

Three short talks were delivered. Meredith Davis spoke on "College Friendships"; Elizabeth Ferrell on "Social Service," and Anne Shewmaker on "World Fellowship." Mrs. Helen Prewitt Johnson gave a reading.

Officers for this year are Miss Green, president; Eleanor Beckham, vice-president; Harriet Shepherd, secretary, and Barbara Bates, treasurer.

J. Robert Back

J. Robert York, for two years business manager of the Sou'wester, has returned to Memphis from Houston, Texas, where he was advertising manager of the Houston Times. York is now connected with the advertising department of the Memphis Press-Sentinel.

Thombs viewed the three assailants, yet they moved not.

Before coming to Southwestern Thombs enjoyed a wide reputation as a ring leader in Alabama, having several knockouts and decisions to his credit, and with no defeats against his record.

The sorority is paying half of the expenses for room, board, and incidentals thruout the four years of high school. Clothes will be gathered regularly by members of the chapter and sent to the little girl. The sorority will see that she is always well supplied with those bits

In The Days Of Long Ago

Someone dug up this relic of the past—the Cadillac of yester-years. Perhaps you do not recognize it. Well, it is a tandem bicycle. In its day it was considered very luxurious, and quite the thing for Sunday travel. It is built for two, with the more delicate companion sitting in front, while the man sits behind and pedals. Miss Addie Louise Murray, sophomore co-ed, is at the helm, while Oscar Hurt, former student here, is in the "engine room." The bicycle can be guided and propeled by both parties.

FRESHMEN APE CO-ED ANTICS

Appear In Public With Faces Made Up

Southwestern freshmen were freshettes in fact as well as face Thursday, appearing on the campus neatly made up with paint, powder, lip stick and eye brow "goo-goo."

It wasn't thru choice, but by order of the Men's Sanhedrin Council that freshmen were thus subjected to this indignity. All week long the freshmen have been garbed according to special orders from the Council.

On Monday all freshmen gamboled about the campus with their left pant leg rolled above their knee.

Tuesday each freshman wore a pajama coat in place of sweaters and regular coats.

Trotting was the order for Wednesday, and wherever a

freshman went that day he trotted.

The movie make-up was the Thursday attraction. Friday the freshmen will wear their shirt, tie, coat and vest on backward. Saturday the freshmen will stage a stunt during halves of the football game.

CHI DELTA PHI TO MEET SOON

New Members Will Be Discussed

Chi Delta Phi, national literary sorority, will meet at the home of Frances Gray on Oct. 15, at 2:30 p.m. for the purpose of discussing possible new members. Only upper-class co-eds are eligible, and the membership will be limited to 15.

Last year this sorority won the national cup for efficiency.

Officers are Catherine Richey, president; Ann Roach, vice-president, Margaret McKinstry, secretary, and Ruby Sebulsky, treasurer.

Revise Schedule For Gym Classes

A new schedule for co-ed gym classes has been made. Classes now meet at both 9 A. M. and 12 noon, on Monday and Wednesday, and at 10 A. M. on Tuesday and Thursday.

Georgia Colby and Maria Negus, by virtue of winning first and second, respectively, in the 60-yard dash held recently, are conceded to be the speediest girls on the campus. Miss Colby won first place last year among the girl sprinters.

Tate Aggies Call Off Bobcat Game

The Bobcats' opening game of the season, scheduled for Friday, Sept. 28, was canceled last week. The tilt was to have been played with the Tate County Aggies, but was sidetracked when Tate County scheduled a game with Memphis University School.

Coach Wes Adams' Bobcats will open their season this Saturday against Tupelo Military Academy here.

Fall Eleusinia To Be Observed

Elaborate plans have been made by the Chi Omega alumnae chapter for the Fall Eleusinia Celebration which will be held Saturday night at Hotel Peabody.

Each year the alumnae chapter is in charge of this celebration, while the active Southwestern chapter sponsors Founders' Day.

New Pledges

Sid Latolais, Oswald McCown and Charles Taber, former students here, have pledged Phi Chi medical fraternity at the University of Tennessee in Memphis.

YOUTHS BEGIN SEASON BEFORE LOCAL GALLERY

Game on Fargason Will Start at 3 P. M.

TEAM IS STRONG

Coach Wes Adams to See Team Under Fire

Southwestern students will not be without their football Saturday afternoon even though the varsity has already entrained for Bowling Green where they will inaugurate their S. I. A. A. football season with West Kentucky State. The Bobcats will provide the entertainment with a game with Tupelo Military Academy.

Coach Wes Adams has a formidable first-year eleven that has shown plenty of class in scrimmages with local high schools and the varsity.

The Bobcats offense is built around the hard blocking Titus. If that youngster blocks then there is no reason why the fast-running Hinson, former Dyersburg luminary, and Bill Puddeth, former Pine Bluff star, should not gain. In the line Bill Walker and Detwiler, former M. U. S. star, have been going great and should prove bothersome to Tupelo's line plays.

SAVERY IS COACH

Tupelo is coached by Joe Savery, the husky tackle on last year's varsity team. The academy team, like the Bobcats, will be playing their first game of the season, so not much is known about them. Last year the Bobcats defeated them 20 to 0.

The opening lineup will be Davidson and Johnny Hughes, ends; Detwiler and Jimmy Hughes, tackles; Hall and Walker, guards; and Benson, center. In the backfield will be Mushmouth Hinson, Bill Puddeth, George Titus, and Henry DeLay.

The game will start at 3 o'clock.

FEES ARE USED FOR PAINTING

Large Sum Dwindles To a Mere \$14.35

The Student Council is in a sore quandary. Before college adjourned last June members were informed that about a thousand dollars would be available for use out of unused contingent fees paid by students last year.

Now, after a very disastrous summer in which this money shrunk to the paltry matter of \$14.35, members are wondering if that is still left in the Council till.

Costs of renovating the dormitories, it is understood, was taken out of the fees. College officials say that the dormitories were defaced by students, and the contingent fees are for the purpose of paying for such damage.

The Council will meet again soon to talk ways and means of staging some big event whereby money can be raised to carry on the work of the student body.

At the luncheon held Wednesday noon, the following were present: Crawford McGivaren, president; Catherine Underwood, Eleanor Beckham, Dorothy Green, Catherine Richey, Mike Wailes, Luther Southworth, Robert Logan, Dode Farnsworth, John Johnson, Warner Hall, Bobby Lloyd and Harold Avent.

Students Choose Faculty Advisors

All students who have not signed cards stating their choice of a faculty advisor must do so at once, states Dr. W. R. Atkinson, registrar.

As far as possible students will be given their first choice, but it must be a professor under whom they have a course.

A list will be posted Saturday on the bulletin board so that students may see under whom they have been placed.

Ready With Music

Say it with music, is one of the ways the Kappa Deltas intend to impress prospective members during the pending rushing season. They have just bought a new \$300 orthophonic victrola.

WORK IS NO EXCUSE

MINNEAPOLIS, MINN.—University of Minnesota students do not work their entire way thru school, or the worker does not by virtue of his dual task, establish himself as the better student.

So numerous are the working students, that faculty members refuse to accept the employment alibi in place of study. This may be due in part to the use of such an excuse as a dodge. Employment bureaus report, says the Minnesota Daily, that fifteen per cent of the students who take jobs do so that they may be able to use the familiar "I'm working my way through school."

The purchase of the land followed on the heels of a movement started here several years ago and brought to a head just recently, to repudiate the traditional rumor that Oberlin is a "Women's college."

The men of the college had complained that they had insufficient men's life, and the purchase of the tract was the answer of the college trustees to the complaint.

Applies to Freshmen Also

There are at Southwestern two Pan-Hellenic Councils, the Men's and the Women's, who hold authority over fraternities and sororities respectively.

These two organizations are banded for the purpose of handling all matters concerning the several Greek-letter groups in their relation to the student body.

The Councils are very strict regarding rushing. Any violation of rushing rules by a fraternity or a sorority will receive stiff punishment at the hands of the proper governing Council.

Not only is it dishonorable for fraternities and sororities to rush, but just as dishonest for you freshmen to be rushed. It is the wisest thing for you never to mention the subject of fraternities and never to deliberately intrude into a gathering of fraternity men. By all means never permit a fraternity man to buy you drinks or take you to a show.

There is no definite line where rushing starts and stops. In this all students are on their honor.

Random Thoughts Of the Moment

Freshmen are always a problem. Each year the Sanhedrin Councils have their hands full taming the incorrigibles, but this year their big problem is rousing the group to action.

"I've never seen such a meek bunch of freshmen," is the way High Priest Farnsworth has the situation sized up.

Let us remind the Councils that the year is just starting, and as soon as the neophytes wake up—and they will, then business will start on a wholesale basis.

For three years the Sou'wester office has been unhampered in its philanthropic work of disseminating news to the world at large. For three years the staff has been alone in its moments of deep reflection and inspired writing.

But now come invaders—the annual staff. Should the Sou'wester fail to appear some week, you will know that the annual force has swiped the glue, the shears, typewriters and copy paper. Rival staffs are clandestine in their workings.

We predict a much better annual this year.

Not only the local annual staff, but the Drury annual staff as well are intriguing on the Sou'wester's premises. The Drury Mirror states that the "Sou'wester annual staff is mapping out its work."

(Synopsis of deceiving chapters: Nine days out from the port of Sinkerswim, after a stormy week's fight against typhoons, monsoons, octaroons and high winds, the good ship Lizzie O'Look stops in her ripples, and it is learned in the officers' mess room that there is mutiny aboard. Springing up from trips and spannions, Captain Jibway and his officers draw revolvers and rush up to the sloop deck, where the entire crew, consisting of Lascars, Tabascars, Malays and Asiatics are discovered in the middle of a mutiny. A terrific fight ensues in which two officers are thrown overboard, but in the end all the live members of the crew are put in irons. The captain then inquired the cause of the mutiny and learned that the crew had heard that the Lizzie O'Look is carrying a cargo of frogs' hair, black cats' eye stones and opals; all three being notoriously unlucky. Captain Jibway has them all freed and takes them into the ship's hold. You may now read on.)

Conclusion.

"See!" said the gallant captain with a sweep of his arm. "The cargo consists exclusively of loose dynamite, sulphur matches and gun cotton!"

Much relieved, the crew called off the mutiny and the cruise was resumed amid general rejoicing.

TWO SENIORS HOLD REINS OF LYNX BUSINESS

Appointed As Managers of Business Staff of 1929 Annual

The business-management of the Lynx annual for the coming year will be shared jointly by Leroy DuBard, and Billy Hughes. Palmer Brown, who was appointed by the Publication Board last spring to assist Leolin Wailes, editor, in publishing the annual for 1929, did not return this fall.

The full Lynx staff has not been chosen, according to Editor Wailes. The editorial department will be built around Paul Caldwell, art editor; Catherine Underwood, class editor, and Johnny Hagan, sports editor.

The theme of the year book will be based on Civil War days, with especial emphasis placed on the South.

NEW FEATURES

Several new features will find their way into the Lynx pages. A section called "Lynx Life" is to be devoted entirely to humorous snapshots, and will cover six pages. Anyone having snapshots please submit them to Editor Wailes.

Pictures of the ten best looking girls in school, as shown by student votes, will be submitted to John Gilbert, who will number them in order of their worth.

A scenic section of new campus views will be printed in two colors, and will be larger in size than the scenic sections in former books.

ANNUAL DUE MAY 15

Definite dates will be announced soon by Editor Wailes for the taking of class pictures. "The staff will have the annual on the campus by next May 15, and possibly by May 5," says Wailes. "The cooperation of the student body must be given the staff, and this can be done by having pictures made at the proper time and by submitting desired information as soon as possible."

The 1929 edition of the Lynx will contain 210 pages, slightly smaller in size than previous books.

DOWN IN TEXAS

We're down here in old Texas,
Where you never have the blues.
Where the bandits steal the jitneys
And the Marshals steal the booze
Where buildings horn the skyline,
Where the populace is boost
Where they shoot men just for pastime.

Where the chickens never roost.
Where the pickup men are wary
And the bullets fall like hail;

Where each pocket has a pistol
And each pistol's good for jail;

Where they always hang the jury,
Where they never hang a man

If you call a man a liar, you
Get home the best you can;

Where you get up in the morning
In a world of snow and sleet;

And you come home in the evening
Suffocating in the heat;

Where the jitneys whiz about you
And the street cars barely creep;

Where the burglars pick your pockets
While you "lay me down to sleep"

Where the bulldogs all have rabies,
And the rabbits they have fleas

Where the big girls like the wee ones
Wear their dresses to their knees,

Where you whist out in the morning
Just to give your health a chance,

Say "Howdy" to some fellow who
Shoots big holes in your pants;

Where wise owls are afraid to hoot
And birds don't dare to sing

For it's hell down here in Texas,
Where they all shoot on the wing.

GLEE CLUB HAS FIRST PRACTICE OF NEW SEASON

Prof. Haden Directing Newly Reorganized Song Club

Prospects are bright for the best Glee Club in the history of the college, following the first meeting of the year held last Wednesday in Hardie Chapel.

Mr. Eric Haden, associate professor of French, and possessor of a deep baritone voice, is faculty sponsor and director of the club. He has had much experience in choir and quartet directing, and has already launched out on an ambitious program for the year, which will include several concerts and musical programs.

Twenty-nine men appeared for first practice, including Thaddeus Hall, John McKell, W. Marsh, Jr., Albert Johnson, John Bornman, Leroy DuBard, Earle Howry, Battle Malone, Edgar F. Bornman, Jr., Morris Ford, Albert Keller, Roger Wright, Gerald Seigle, S. G. McKinnon, Auvergne Blaylock, Charlie Garraway, R. L. Sanders, Jr., John Johnson, James Spencer, Charles Robertson, Bill Walker, Royce Moore, Oliver Cromwell, J. D. Moody, Pope McDowell, June Davidson, Jr., George D. Booth, Jr., and Frederick Heidelberg.

Co-eds will be barred from membership in the club.

Date for the first performance has not been announced as members want to hold several practice sessions before appearing in public. The club will meet each Monday and Wednesday in Hardie Chapel at 1:30 p. m.

Cigarette Losing Caste In England

LONDON—Cigarettes are detested in London, because they are deemed effeminate. The "manly" pipe has superseded them and returned to its old-time popularity. To find this out, one has only to spend ten minutes in the fashionable area of London between Bond Street and Saville Street.

The young men, who twelve months ago, were drawing clouds of smoke through long and weird-colored cigarette-holders, are now to be seen puffing at a scarcely-seasoned briar, and, to boot, appearing to enjoy it.

"It is probably due to the fact that the Prince of Wales hardly ever smokes anything but a pipe," explain the leading fashionable tobacconists.

"And also, practically every young woman nowadays smokes cigarettes constantly and openly. The result is that young men are beginning to look upon cigarette smoking as effeminate and have returned to a pipe as a man's exclusive privilege."

"Women play a part in another way. Many of them prefer to see men with pipes rather than cigarettes, and don't hesitate to say so."

"To meet the new demand for pipes, special designs are being manufactured which can be smoked indoors. One of these, a very small pipe, holding enough for five minutes' smoke, has been designed for dances."

"Pipes with long stems are the most popular. They are cooler and prevent smoke getting into the eyes."

NIGHT FOOTBALL BECOMING FAD

Night football is becoming more than a passing fad in Dixie.

William and Mary of Virginia played several games last season at night and found the experience so successful the practice will be continued.

Alabama Polytechnic Institute, of the Southern conference, will be the first to try it in that organization, the Tigers to play Birmingham-Southern College at Montgomery, Ala., on the night of Sept. 28.

Howard college also is initiating the practice.

INQUISITIVE

The inquiring reporter will ask five students or faculty members each week, picked at random, their opinions on important questions of campus talk.

Question—Are you in favor of wearing these new "gym" outfits?

Bill Walker—The gym suits worn are O. K., and improves the appearance of the class by their uniformity.

Katherine Reid—I think the new outfits are more comfortable for athletic use. They allow more freedom for the strenuous games Miss Stratmann has us play.

Gerald Seagle—The men's gym suits are on par with many other schools.

Sue Hightower—I think they are turbull, they boogie too much.

Bill Martin—It looks nicer to see the whole class dressed the same, but what difference does it make?

LYNX ENTRAIN FOR TILT WITH NORMAL TEAM

Play First S. I. A. A. Foe
At Bowling Green
Saturday

Southwestern's Lynx will journey into strange territory this week to make their debut as a member of the S. I. A. A. against another S. I. A. A. team—West Kentucky Normal, at Bowling Green, Ky.

West Kentucky bowed over Centre College last week by a 12 to 0 score, which means they have a team of some ability. Centre is not the team it was in the days of Bo McMillan, Flash Covington, and Red Roberts, but it still takes a pretty fair team to defeat them. Kentucky has a fast backfield and a heavy line. Williams, quarterback, is rated as a ground-gaining piece of humanity and has fit teammates in C. Ellis and Gulette.

Coaches Neely Mallory and Pos Elam will take their Lynx to Bowling Green this morning and will play Saturday. The Lynx cavorted royally last Saturday against Lambuth College, and it is believed that Dode Farnsworth and George Hightower can equal any broken field running the Kentuckians can show.

In all probability the same lineup will start against Kentucky as against Lambuth, with John Porter and Percy Brown at ends, Loren King and Carthel Elder at tackles, Wilson Foote and Jeff Davis at guards, Norman Thornton at center, and Dode, Hightower, Lamar Pittman and Bobby Lloyd in the backfield. Just who else will make the trip is doubtful, but probably the whole squad of about 22 men will go.

PSYCHOLOGIST DEFINES "EGO"

Just Plain Horse Sense,
He Contends

MADISON, Wis.—Personality is just plain horse sense plus sociability, and the man who lacks these qualities will find his associates shying away from him, according to Dr. A. R. Gilliland, professor of psychology at Northwestern University.

Dr. Gilliland said personality no longer is a mystical quality, and can be accurately measured by scientists. "Common sense probably is the most important factor in personality makeup," Dr. Gilliland said. "If a man lacks just plain horse sense he's pretty sure to have a weak personality, and one which will make his associates shy away."

The psychologist has found that aggressiveness constitutes another extremely important factor in personality makeup, and we can measure this in the laboratory.

"Beauty and dress are not sufficient to make a good personality, even tho they do help," Dr. Gilliland said.

"Altho a pleasing appearance is an important personality factor," he continued, "there must be more to a well-rounded personality than mere beauty or a matter of dress. In fact, very ugly people may have a rather pleasing personal appearance. The perfect personality must include intelligence, forcefulness, sociability and morality."

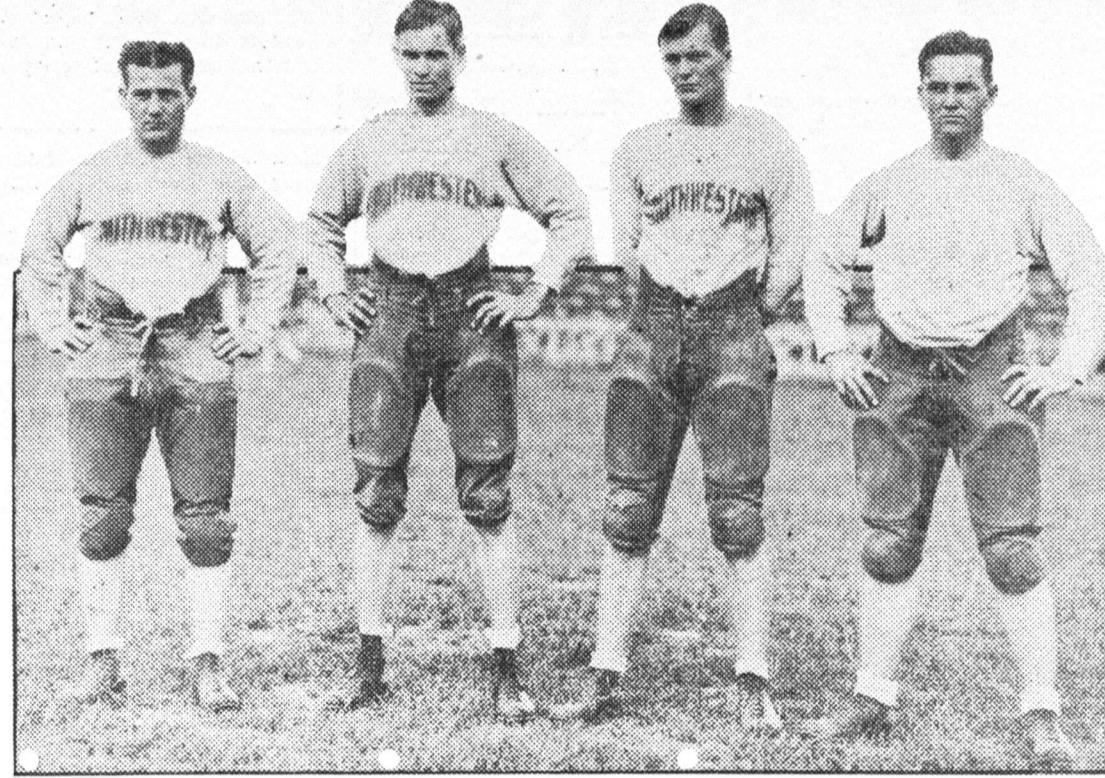

Wins Tennis Crown

BETHLEHEM, PA.—(IP)—Julius Seligson, 19-year-old junior at Lehigh University here, this summer won the national collegiate lawn tennis crown.

Well, Well, Well!

Paul Caldwell is a Dead-Eye Dick with a pistol. He hit a Tomcat from a two yard range. The 101 Ranch might sign him up. "Chief" John, our Cherokee Indian, failed to return to school. Hereditry got the best of him and he's taken up the barber trade. You know the law won't permit scalping, but "Chief" got as close to it as he could. Arthur Dulon was here Saturday and he still has his Pride, while Dago Trelawney was at hand and still likes his Rice. It is said the K. A.'s held a convention Sunday at the Parkway for special reasons. Russell Brigance is said to have suffered a delicate accident, but we'll let Russell explain it. Mr. Harrison has taken over the store and made several changes. Not even the Chi Omegas can reach the cakes now. It is rumored the Kappa Sigma house will be rented to a fresh air school. Plenty of wide open spaces. . . One of the radiator seats is still unclaimed. Maybe Chi has reserved it for Miss Montroy, Louise Ralston and Frances Crawford—the great triumvirate. . . Southwestern looks like a branch of General Motors with all these hot looking cars. Raspberry's vehicle, however, spoils the general view, altho it has the latest in rumble seats. . . It may not be generally known to freshmen, but the Polar Gardens are not usually attended by Southwesterners—not that they are too cold, either.

Former Bobcats Drafted By Varsity

Courtesy The Evening Appeal

Southwestern is counting on these four sophomore backs this year. They were the big noise on last year's steam-roller Bobcat aggregation and are being counted on to repeat on this year's varsity team.

Hightower and Pittman have cinched themselves jobs, taking over the places left vacant by Milton Hawk and Dago Trelawney. Hightower is about the shiftest man on the field and when loose is hard to stop. Pittman is a plunger deluxe.

Walton and Brigance are subbing at present, but should see plenty of service before the season closes.

Lynx Cavort Gleefully In First Tilt And Win Over Lambuth Eagles 42 to 6

Mallory's Charges Override Visitors With Ease
Before Gallery of 4,000 Fans

The rampaging Lynx of Southwestern opened their first season as a member of the S. I. A. A. with a lopsided victory over Lambuth College of Jackson, Tenn., on Fargason Field last Saturday. Nearly 4,000 people watched the home team gallop thru the invaders for a 42 to 6 victory.

Captain Dode Farnsworth and George Hightower were the ground gaining stars of the day, both dashing off several long runs, while Bobby Lloyd snagged a pass and sprinted 40 yards for a score in the bargain.

The game started off bad for the Lynx. The visitors opened up with an aerial attack in the first quarter and took the ball down to the 20 yard line. The Lynx braced for the backfield broke on signals and let the ball roll loose. White, Lambuth tackle, scooped up the ball and raced over the goal line. The quarter ended 6 to 0, favor of Lambuth.

FROSH PERFORM

Between halves of the Lambuth game, the freshmen gave a little stunt of their own. Stacking their shoes in the middle of the field, then starting from the north goal line, they dashed to retrieve their property.

Freshmen Allan Titus and Johnny Shaw crossed the south goal line at the same time, thus tying for first place. Freshman Bob Sanders was the last to cross the line. Accordingly, Sanders received two healthy tallies from Titus, while Shaw fanned the heated regions.

The Lynx then started parading Hightower and Farnsworth marched down the field and Dode went over and kicked goal. Hightower started another march with a 35 yard gain, and Farnsworth again went over and kicked goal. During the rest of the game, Dode again scored, Hightower sprinted 65 yards for another score, and later Harry Walton went over again. Bob Lloyd did his stuff in the last period and added another marker.

The Lynx also added two points on a touchback, blocking a punt back of the goal.

FIVE OF SEVEN OPPONENTS WIN

Coming Rivals Promise Lots of Trouble

Out of the seven Southwestern football opponents that played last week, five won their opening games and two lost. Prospects are that the Lynx will have to extend themselves this fall to come thru with a winning season. The old city rivals, the Teachers, downed Sunflower Junior College 19 to 0. Ole Miss, traditional foe, defeated University of Arkansas, another Lynx grid opponent, 25 to 0. Arkansas College downed Little Rock College 13 to 7, while West Kentucky Teachers trimmed Centre College 12 to 0. Union trampled Jonesboro College underfoot 44 to 0, while University of Chattanooga held Vanderbilt to a 20 to 0 score.

Their mission is to find the ugliest white woman in the world.

While there has always been a dispute as to who was the most beautiful woman in history, so far as is known there has never been any doubt as to the one who possessed the most revolting features.

This Sybil of the sex was the Duchess Margaret of Carinthia and Tyrol, who lived in the middle ages and was the subject of a portrait by the Flemish master Quentin Matsys.

"The recent sale of Matsys' picture has inspired us to undertake this quest," a member of the party said.

"It is remarkable that at present there are known to be only two candidates for the invidious distinction of being the worst looking woman in the world—a French actress and an English woman.

"The French woman has a mouth extending nearly from ear to ear while her eyes are narrow slits. A waspish waist of only fourteen inches heightens her ugliness.

"The English woman, who has an enormous face like that of some bovine animal, and a huge nose out of all proportion, even to her large head, presents an equally grotesque visage.

"It is a remarkable fact that most women—with the possible exception of the ugly duchess—who are really ugly are sweet-natured and easily attract husbands."
