New National Sorority Gives Dance May 22

The first of a series of formal installation ceremonies for Chi Alpha sorority into Zeta Tau Alpha National was held Thursday morning at Parkview Hotel by Mrs. Bertha C. Gardner, grand president of the national sorority group. Mrs. Gardner, who came from Beaumont, Tex., to participate in the ceremonies, presided at an informal inspection Thursday morning.

The Chi Alphas were entertained Thursday noon by Mrs. Phil Canale, member of the Memphis Zeta alumnae chapter, at Hotel Peabody, with a luncheon. Her honored guests included Mrs. Gardner, Miss Margaret Malone, Mrs. J. J. Caden, Miss Helen Gill, Miss Sara Moore and Miss Virginia Sellers.

A beautiful pledge service to the incoming chapter was held that night at 8 o'clock at the home of Mrs. Fraser Boyle, and was preceded by a dinner at Parkview Hotel given by the alumnae chapter.

CONDUCT EXAMS

Sorority examinations were given to the Chi Alphas this morning. At noon they were entertained again by the alumnae chapter with a luncheon at Hill's Tavern.

The Southwestern active Chi Omega chapter will be host this afternoon for tea to the new Beta Sigma chapter of Zeta sorority. Following this formal initiation will be held.

The new sorority officers will be duly inducted into office Saturday morning. At noon Miss Virginia Sellers will entertain with a luncheon for Mrs. Gardner at the Blue Lantern. The Kappa Delta sorority at Southwestern will entertain for the new chapter and Mrs. Gardner with a tea in their lodge. Saturday night the new Zeta Tau Alpha members will compliment Mrs. Gardner and the alumnae chapter members with a banquet at Hotel Peabody.

A breakfast has been planned for Mrs. Gardner for Sunday morning. It will be given by the active and alumnae Zeta chapters.

DANCE ON MAY 22

The new Zeta chapter will open with a dance at the Nineteenth Century Club the night of May 22. It will be given for their members and friends and representatives from other sororities. Fraternities will receive block bids.

Chi Omega Festival Saturday Afternoon

Kappa Beta chapter of Chi Omega sorority, cooperating with the Memphis Alumnae chapter, will hold their sixth annual May festival at Belleair Woods, Saturday afternoon.

Members of both chapters, including Eleanor Beckham, Louise Ralston, Helen Northcross, Lucille Work, Dorothy Green, Elizabeth Gustafson, Martha Gowans of the active, and Mrs. Norman Monaghan, of the alumnae, are in charge of programs.

The annual Chi Omega May festival is the contribution of the Memphis alumnae chapter to the civic and social service program required of each alumnae chapter by the national organization. As a civic project the festival provides education recreation for all the children of Memphis, and as a social service project it provides funds for the Chi Omega room at the Methodist hospital.

New alumnae officers are Mrs. C. D. Scates, president and Mrs. S. L. Dunham, treasurer.

Secrets, Pooh! Not From These Probers

Once upon a time these two sharks gamboled about in the atlantic ocean without a worry—so playfully, so happy. But now, all is different. These two fish, one named "Denson" and the other "Johnny" are the surgical subjects of Miss Catherine Underwood (left) and Miss Louise Mayo (right). Both are biology students and at present are confining their researches to the study of sharks. The fish measure 36 inches long and came from the Marine Laboratory at Woods-Hole, Miss.

GRIDIRON FEED TUESDAY NIGHT

S. C. U. Promises Boiling Good Time

The annual stag smoker sponsored by the Y. M. C. A. will be held Tuesday at 6:30 P. M. in the dining hall. This year the festivities will be under the supervision of the Southwestern Christian Union, with a promise that this banquet will be the biggest yet.

James Spencer announced Tuesday that arrangement committees will be under the direction of Albert Johnson, who has a snappy program of music pending. Plenty of fun has been given space in the tentative program for this general get-together of the Southwestern men.

"Senator" Beard will act as master of ceremonies and will call on Vern Baumgartner for such nonsense as he sees fit. Malcolm Richie will give his impression in a campaign speech of a typical Mississippi candidate for public office.

Other Southwestern talent will be displayed in the form of a quartet, and "Cuffie" Johnson will do the piano act in the Johnson way. An instrumental trio composed of Albert Keller, John Rhea and June Davidson will do the Orpheum circuit a credit.

Then, of course, the faculty will come in for its repartee, and their replies will be rich, judging by banquets of the past.

The knife and fork act will chime in promptly at 6:30, Tuesday evening, May 21, place as usual.

Lynx Sweep Series Against Ole Miss

Southwestern golfers made a clean sweep of their series with Ole Miss, winning Thursday's return match at Galloway Park, 3½ to 8½. The Lynx recently defeated Ole Miss at Oxford, Miss.

Harvey Kidd won the opening match by defeating Colbert of Ole Miss, two up, but the invaders evened the score when Sanders of Ole Miss nosed out Oliver Cromwell, Lynx leader, on the eighteenth green.

L. B. Long of Southwestern, downed Faulkner, five up, while Sloan Williams took Suvango of Ole Miss into camp, six up. "Sonny" Beard of the Lynx took the final match from Daugherty, seven up.

Scores: Lynx—Long 73, Williams 74, Cromwell 78, Beard 77 and Kidd 88. Ole Miss—Sanders 76, Faulkner 81, Colbert 85, Daugherty 87.

Student Body Gives McGivaren a Watch

"Crawford S. McGivaren, President Student Body, Southwestern, 1928-29."

This was the engraving on the inner cover of a beautiful gold Elgin watch which President Charles E. Diehl, on behalf of the Student Council, presented to McGivaren, retiring student president, Thursday morning in chapel. The seal of Southwestern was engraved on the back cover.

The watch was bought from Joseph & Co., jewelers. Mr. Joseph for the past three years has taken particular pains to engrave these watches in the most exacting manner.

Dormitories Dead As Students Lark

Calvin and Evergreen halls were almost depleted of life last week after heigias to the annual Kappa Alpha dance at Ole Miss and a house party at Holly Grove, Miss., at the home of Julia Walls.

The Southwestern K. A.'s and their dates attending the Ole Miss dance were Charlotte Bruce, Pauline Barton, Lila McGehee, Sue Hightower, Addie Louise Murray, Mary Schofield, Marian Pape, Neil Rogers, "Doochie" Sherman, John Hagan, Thomas Drake, Bill Martin, Harold Avent, Moore Moore, "Buck" Roberts, "Red" Westbrooke and John Porter.

Those in the house party at Holly Grove were Meredith Davis, Carol Hewitt, Louise Mayo, Julia Walls, Gertie Mayo, June Davidson, Paul Caldwell, Marion Painter and Johnny Rollow.

Irene Hyman, Catherine Draughon, Duncan McRainey and Caleb Watson composed a week-end party to Jonesboro.

New Annual Is Due Within Next Week

The 1929 Lynx annuals are promised students within the next week. Editor Mike Wailes has used a Civil War theme thruout the book, with pictures of General Robert E. Lee, General N. B. Forrest, and others on the section pages.

The year book is dedicated to the Rev. Albert Bruce Curry, pastor of Second Presbyterian church.

K. D. Tourist Party

Tourist life will be exemplified by Kappa Delta sorority members and their Southwestern guests next Monday night from 8 to 11 o'clock at a party in the chapter lodge.

OFFICE FILLING STILL POPULAR

Battle of Ballots Yet In Limelight

Nominations, voting, new officers—that, in brief, is the predominating vogue at Southwestern now that spring elections are in full force.

Honor Council elections for next year to fill the vacancies left by the seniors and thru increased memberships from each class, have resulted in Jeff Davis being chosen president of the council, Edmund McGivaren vice-president, and Miss Mary Evelyn Wailes secretary-treasurer. New electives from the classes are:

Senior, Miss Wailes, McGivaren, Jack DuBose, Morris Ford; Junior, Miss Barbara Bates, Warner Beard, Davis, Bill Hall; Sophomore, Miss Elizabeth Smith, Jimmy Hamilton, Orren Picard.

The Players elected Frederick Heidelberg as president of the club. Miss Meredith Davis was named vice-president, and Dick Monk secretary and business manager of the dramatic organization.

In preparation for the fall freshman class, two Sanhedrin Councils have been chosen. Robert Russell will be high priest of the Men's Sanhedrin. His council of priests will comprise Nate White, Dode Farnsworth, Harold Oheldorf, Ritchie Morgan, Buck Roberts, Oliver Cromwell, and a Kappa Sigma representative to be announced later. Miss Ann Shewmaker was the choice of the women for high priestess. She has not announced her cabinet.

Edmund McGivaren was successful in the race for president of the Men's Panhellenic Council. Frederick Heidelberg is new vice-president, and Marion Painter secretary-treasurer. Miss Frances Crawford is president of the Women's Panhellenic Council. Miss Helen Gill is vice-president, and Miss Elizabeth Norton is secretary-treasurer.

Two Lynx Senators Argue With Normal

The final debate of the scholastic year will be held next Wednesday night at Normal when the Southwestern men will meet the West Tennessee State Teacher team.

"Senators" Warner Beard and Malcolm Ritchie will uphold the affirmative side of the question, Resolved, That the present Jury System in the United States should be abolished.

FRANCES GRAY CHOSEN PREXY OF NEW GROUP

Carolyn Stockley Leads New Junior Class

PETITION COUNCIL

Mrs. Townsend Sponsors Co-ed Movement

Plans are progressing swiftly in the formation of a new organization of women in the student body at Southwestern to be known as the Women of Southwestern's Undergraduate Society.

Mrs. C. L. Townsend, dean of women, is sponsoring this new venture, which has as its aims the furtherance of co-ed interclass athletics, social life, school spirit and all other college activities.

As the first step in carrying forward the move, Mrs. Townsend met with the junior women last Saturday morning and explained the purpose of such an organization. As the present junior class will be seniors next year, Mrs. Townsend sought the support of this group as it will predominate in campus life. Elections were held for officers of the organization. Frances Gray was chosen president, Alice Patrick vice-president, and Betty McKee, secretary-treasurer.

The sophomore co-eds met Wednesday morning and heartily approved of Mrs. Townsend's plan. Carolyn Stockley was chosen president. A run-off was held Thursday between Charlotte Bruce and Margaret Ashley for vice-president, and between Janice Coke and Meredith Davis for secretary-treasurer.

The present freshman co-eds have not organized, but will be shortly.

"This organization of the women of Southwestern will be one of the greatest steps taken in their interests at this institution," Mrs. Townsend said. "With senior women as organization officers, and officers from each of the four classes, they can exert a great influence in promoting their interests on the campus. Such an organization will draw them into close harmony and will be a great impetus in stimulating class and school spirit."

It is understood that Mrs. Townsend will petition the Student Council for recognition of the organization in having a member of this organization in the Council personnel.

Banquet Date Set By Philosophers

At the last meeting of the Nitists the club was the guest of Dr. A. P. Kelso at his home. A paper, "The Iron Man of Industry," was read by Walker Wellford, after which there were refreshments. A lively discussion was held, ranging from golf to socialism.

The Nitists will hold their annual banquet on the night of May 23 at the Memphis Country Club. Sonny Beard is chairman of the program committee. All alumni Nitists members are invited.

Theta Alpha Phi To Initiate 5 Soon

Theta Alpha Phi dramatic fraternity has announced five pledges, all of whom were active during the past season with the Players.

The new members are Addie Louise Murray, Jimmy Spencer, Janet Moody, George Booth, and Charlotte Bruce. They will be initiated May 24.

Congratulations!

The Sou'wester offers birthday greetings to President Charles E. Diehl on his fifty-first anniversary Saturday. Dr. Diehl was born at Charles Town, W. Va., May 18, 1878. He was elected president of Southwestern July, 1917.

Election Rules Should Be Written

There has been lots of unpleasant discussion and arguing over the method by which a certain organization on the campus elects new officers. Several organizations have peculiar ways, such as the Honor Council. As a rule, tho, parliamentary law is followed.

One of the main purposes of the handbook, as we see it, is to contain such information as club elections, the manner followed, duties of the officers, scope of the club, etc. President Lloyd made a wise request when he asked that all clubs submit to him in writing the plan to be followed in the future regarding elections.

The Co-Ed Field Is Opening

Under the sponsorship of the dean of women, the co-eds of the college are organizing into a close union for the purpose of promoting interclass athletics, school spirit, and other activities.

The inducements at Southwestern to co-eds are very meager, and we view the entrance of co-eds into sports as a stage in their progress toward greater recognition. The coming track meet is a unique event at Southwestern, and it opens a field of new opportunities in which local girls may exercise.

We feel that the Student Council will accept a representative from this organization on its personnel. Such a representative will be a direct voice for the entire co-ed group.

Winning the Public

Secrecy no longer marks railway administration. The railroads have nothing to conceal. Their records are public property. They aim to win public good will first by producing adequate transportation service as efficiently and yet as cheaply as they can and then by letting the public become fully acquainted with both their accomplishments and their problems.

Among the purposes of the railroads in thus seeking public good will are these:

To obtain recognition of the fact that good service cannot be performed by impoverished railroads;

To take the mystery out of railroading, thereby removing the inevitable results of suspicion, distrust and misunderstanding;

To give the public facts upon which to base an intelligent attitude toward matters of current interest affecting the railroads;

To work toward co-operation instead of hostility in the settlement of questions involving relations with patrons and governmental agencies;

To arouse an appreciation of the railroads and of sound economic policies that will lessen unjust demands upon them;

To create improved morale among railway employes and thus make for the increased efficiency, economy and courtesy of railway service;

To meet the competition of other railroads and other means of transportation.

The response of the public to railway efforts in this direction has been such as to convince railway men their effort has more than justified itself. The railroads have nothing to sell but transportation, and the good will of the public is of great benefit to them in facilitating its production and distribution.

Constructive criticism and suggestions are invited.

WE NEED PINS, K. A.'s LAMENT

"Whose got a K. A. pin?" This mad cry was heard all over the second floor of Calvin hall, where these brothers dwell, last Friday when the local group set out for the Kappa Alpha dance at Ole Miss.

The Southwestern K. A. chapter holds the record for having the most pins planted on co-eds. Out of a membership of 17 men, nine have pledged co-eds.—Adv.

LYNX PASTIMERS SINK OLE MISS ATOXFORD; LOSE OTHER 3 TILTS

Road Trip Ends with Millsaps Sweeping Two-Game Series at Jackson

Gleaning one victory in four starts on the road, the Lynx baseball team has to content itself with the fact that the one victory was against Ole Miss, one of the strongest teams in the Southern Conference. In a four-day road trip that wound up the season, the Lynx split a pair of games Friday and Saturday with Ole Miss at Oxford, and then dropped two to Millsaps Monday and Tuesday at Jackson, Miss.

Both Ole Miss games were decided by one run. The Lynx were nosed out 4 to 3 in the opener that went 10 innings. Lefty Garrott pitched but weakened in the tenth.

Billy Hughes pitched the second game and held Ole Miss slingers to four hits to eke out a 2 to 1 victory, the third defeat Ole Miss has met this week.

Billy took the mound again Monday against Millsaps, but the Lynx were unable to score and lost 3 to 0, the first shut-out defeat of the season. "Lefty" Garrott hurled the second game to lose 5 to 4, the Majors staging a rally to gain the decision.

Dotes On Bivales

SEATTLE, WASH.—(IP)—If all the oysters which Professor Trevor Kincaid, of the University of Washington, has imported from Japan recently were placed in a stew it would take a pot the size of a good-sized college hall to contain them. Professor Kincaid to date has imported 10,000,000 of the little animals for the purposes of transplantation in the flats of Willapa Harbor.

Hold Final Meeting

RIB CALAMITY MAY BE ON WAY

Biology Prof. Predicts
Passing of Bones

Man is losing his ribs!

Southwestern students were overcome with consternation when Dr. J. B. Lackey, biology professor, made this strange prediction about the future man. His audience was a large class studying hygiene. For some unaccountable reason Dr. Lackey offered this venture, which amused the eds and mortified the co-eds.

"I can offer no cogent arguments to uphold this statement," Dr. Lackey explained, "but it is my firm conviction that in some far future time man will have no ribs."

He "half-way" bases his remark on the fact that modern man has two sets of "floating ribs," that is ribs that are connected posteriorly. The other ten sets of ribs are connected with both the spine and sternum, or breastbone.

"Earliest man as revealed by archaeological discoveries had two sets of floating ribs. The floating ribs of modern man are relatively the same as ancient man both as to thickness and length. The tendency seems to me to be for the ribs to disappear."

The human ribs, should they disappear, will vanish naturally and not by any biological upset in the body. Dr. Lackey was noncommittal on the proposition that other bones might evolve to supplant the ribs.

"Man has the same number of ribs as woman," he said smilingly.

"Perhaps this does not bear on the subject, but snakes have only floating ribs."

Beautiful but dumb

We are reliably informed that the above familiar phrase is applied mainly to certain poor dears in whom all the pituitary runs to pulchritude. A gargoyle is "int'restin'", at least. Better pick 'em freckled and friendly than lovely but lacking.

And getting our minds back on business . . . innocuous, unmilitated mildness rather palls in a cigarette, too.

Chesterfields are mild, certainly—but "aren't they all"? The point is that Chesterfields are also "int'restin'". They satisfy—and right there is why they gather in the gang.

Taste—the taste and richness of quality tobacco—that's what matters. And the blend can't be copied; you know you are smoking a Chesterfield, nothing else, at every puff.
