STUDENTS PICK SHAW PLAY FOR SHOW AUDIENCE

"The Devil's Disciple" Wins Majority Vote

TO HOLD TRY-OUTS

Five Receive Bids to Player Personnel

"The Devil's Disciple," by Bernard Shaw, was selected Wednesday by the Southwestern student body, acting as judges, for the next production of the Dramatic Players.

Try-outs will be held soon by members of the club for roles in the cast.

In try-outs held last week for the play "The Show Off," a full cast was selected, but owing to staging difficulties it was abandoned.

Membership in the club has been extended to Dorothy Meeker, Lila McGehee, Reeves Manker, Richard Monk and Paul Jones. They will devote their time to advertising and stage managing.

DEBATE TEAMS ARE SELECTED

First Tilt Will be Held Against Millsaps

A six-man intercollegiate debating team was picked from those who tried out Thursday night in the Quibbler Forum contests at Southwestern. H. R. Thompson, veteran debater, and about fourteen members of the club participated, including four lettermen from last year.

Prof. A. P. Kelso and Eric Haden judged the speeches. Those entering had the privilege of choosing either the affirmative or negative side of the question, Resolved, That the Present Jury System Should Be Abolished. This is the question being used by the Big Ten and Eastern schools this year.

The judges have not announced their selections.

The first debate will be held this year against Millsaps, at Jackson, Miss. The Quibblers have not announced the side they will select before sending their team to Mississippi.

Four Sick Studes Show Improvement

Joe Barrett returned to school this week from his home in Birmingham where he underwent a nasal operation.

Ogden Baine has recovered from a slight case of scarletine and will return from the Isolation hospital Saturday. Baine's case was unusually light and all danger of contagion on the campus has been eliminated.

Ike Brown, who was recently operated on in Tupelo for appendicitis, will return to the campus about March 1. He is getting along nicely, reports say.

John Rhea will return to the campus next week from St. Louis where he has been recuperating from an appendicitis operation.

Seagle Is Chosen Assistant Manager

Gerald Seagle, sophomore, has been appointed assistant manager of the football team by Don Fuller, athletic chairman.

Seagle will assist Duncan McRaney during spring practice and thru the season next fall, and then will become head manager. Fuller plans to have a senior manager and a junior assistant. The senior manager will make all trips with the team and will be awarded a letter. Upon graduation he will be succeeded by the junior manager.

This new managerial system has already gone into effect.

DR. SMILEY SPEAKS AT SUNDAY VESPER

Dr. T. S. Smiley, pastor of Evergreen Presbyterian church, will be the vesper service speaker Sunday afternoon at 5 o'clock in Hardie chapel. Sunday is the usual day of prayer for schools and colleges.

The college choir will sing.

Nimble reaching hither and thither about the different sections of the basketball court is the rare ability of Miss Eleanor Beckham, inevitable scorer. In the debut performance of the Kittens last Friday, Miss Beckham played her forward position with such verve as to keep the two opposing guards well flustered.

Kid Elmo Loses; Riled Dormitory Eds On War Path

Southwestern eds are backing their fistic idol with cold kale against all comers, but especially against the Whitehaven entree who won a decision over "Battling Kid" Elmo, the Lynx glove idol, last Friday night in Billy Haack's amateur tourney.

"Senator" Warner Beard, Elmo's manager, has challenged the Whitehaven decision winner to a ten-round fight, with Southwestern men paying all expenses and pooling at least \$10 for the match. The challenge has been shunned.

Freshman Bill Puryear, recently admitted to the Tennessee state bar association, is handling the legal side of the matter. H. A. "Doc" Avent, senior medical student, is handling Elmo's diet. Fiore Caltigirone, after a two-week training period, will meet Elmo in the college gym just to keep him in trim.

"Haack's decision against Elmo was so unfair that we are going to pay for a full ten-round bout just to prove our man is the better," Beard says.

TWO STRANGERS FOLLOW CO-EDS

Janet Spann and Lois Johnson were meandering to the supply store Monday morning. In leaving Palmer Hall Lois lost the heel to one of her slippers.

Two men were following close behind and both noticed the disaster. "Just a minute, lady. Just a minute," one of them cautioned, as he opened a small, black satchel and pulled out a hammer and nails. He restored the heel to its former lodging.

"My foot, my foot!" Lois moaned. "Just a minute, lady, just a minute," the same strange man cautioned. From the confines of the satchel he produced a roll of tape. The sprained foot was quickly bound tightly.

The two men left the campus without disclosing their identity.

Open House

Tau Delta Gamma fraternity entertained with a dance at the Chi Omega house last Friday night to members of the girls' basketball team, fraternities, and sororities on the campus.

HOWRY ELUDES BURLY STICKUP

Accosted in Park, But Saves Himself

Earl Howry, better known as "brother," luckily escaped being held up last Wednesday night while walking thru Overton Park.

He was on his way to the Southwestern Players try-outs for the new play, and while walking along the bridge path was stopped by a large gorilla-like man.

"Where ya going?" asked the intruder.

"Not your way," answered Howry, who stepped out like Paddock running the century.

Earl claimed he was pursued by the man until he reached North Parkway.

Ole Miss Freshmen Arrive For Games

Ole Miss freshmen will arrive at Southwestern Friday to play a return two-game series with the Bobcats in the campus gym. Last week the Mississippians defeated the visiting Bobcats in two basketball games, score 43 to 31 and 33 to 27.

The games will be played Friday and Saturday nights.

Following the game Friday night the Beta Sigma and Kappa Sigma fraternity quints will play the second tilt in the interfraternity cage loop.

WAR ON ROACHES

Cytology Students Get Traps Ready

Biology professors can't be "dignified" on all occasions.

Dr. J. B. Lackey, head of the biology department at Southwestern, has declared war on every roach living within a radius of twenty miles of Memphis.

"We will gladly clean out any roach infested nook which we find," the doughty prof announces, as he and his class of cytology students stock up on roach traps.

The cytology section is making a study of cockroach chromosomes,

Nine Students On Honor Roll

Two freshmen and one junior made the first honor roll for the last semester. Five "A's" is the requisite for membership in number one. Gerald Capers is the junior and Elizabeth Hampton and Stanley Frazer are the freshmen.

Those students making four "A's" and one "B" are Abe Fortas, Linnie Sue Gary, Frances Gray, Jane Hyde and Robert Scott. Lillian Polasky made five "A's" and one "B."

GIRLS CHARTER LINDEN CIRCLE

Chi Alphas Sponsor Show March 1

The Linden Circle Theater has been chartered by Chi Alpha sorority on the night of March 1.

Tickets will be on sale the first of next week, twenty-five cents for adults and ten cents for freshmen, if accompanied by parents.

The five pledges, Misses Rachel Baker, Mary Anderson, Mary Louise Curry, May White and Josephine Zimmerman, will sell candy and peanuts during the performance. (Those caught throwing peanuts will be evicted.)

The show will start at 9 o'clock and end at 11, when all lights will be turned out. The doors will be locked at 4 a. m.

Pert Chapel Beast Continues to Prey On Brunette Co-ed

Yes, it is a strange beast!

Every morning in the freshman section of chapel this mysterious specimen of bacteric growth wings its way to the locality of Miss Margaret Mason, and immediately she bursts forth into rhythms of perky sneezes. This has been going on consistently ever since the timorous brunette started powdering here.

There is no special time for the outbursts, for it may come during a talk, singing, cheering, or announcements. Local medics are nonplussed over the case. Students are in a dilemma, also. No one has been able to disencumber the co-ed from her unwanted friend. The recalcitrant visitor has no manners, even going so far sometimes as to make announcements for the players.

Dr. Lackey is going to open an investigation to see if there is any good in these germs. If there is he expects to sell them to airplane firms which make a specialty in dusting cotton for boll weevils.

Teach At Mission

Mr. Eric Haden, associate professor of French at Southwestern, is dean of the school of missions which is being held at Idlewild Presbyterian church each Wednesday night. He teaches the adult section.

Prof. W. R. Cooper, of the history department, is instructor of the young people's section.

New Law Will Go Into Effect Next Fall

SPORTS APPLY TOO

No Lectures for Second Year Students

A new ruling has been made and passed by the faculty which allows students taking the two years of gym four credit hours toward the required number of 124 for graduation.

Heretofore all freshmen and sophomores have been required to take two years of gym, and this year a further requirement was made for a physical hygiene lecture course. No credit has ever been given for gym. Failure to take it, tho, was sufficient grounds to keep a student from receiving his degree even after passing the academic work.

Under the new ruling the first year of gym work, including one hour a week lecture on physical hygiene, is to be given two credits, and the second year will count two credits. No lecture course is required during the second year.

Students have been unusually active in past years in endeavoring to be excused from gym. Cutting has been a constant problem to college officials. The new ruling, with credit, is expected to eradicate the old problem of poor attendance.

The total of 124 hours that have been required for graduation will remain the same. Students taking an A. B., if flunking in one subject, are forced to double up one semester or take a course in summer school, as there were no extra hours above those actually required. Now a leeway of four hours is possible.

"The new ruling applies to certain students who, in the normal course, might only have 124 credits. This will give a margin of safety," states Assistant Dean R. F. Thomason.

Work on a varsity football, basketball, track, or tennis team applies towards gym credits. If a student is not on one of these teams, he is required to pass satisfactorily a course in calisthenics and indoor sports in order to get credit.

After this year only freshmen will be required to take the lecture course. This year both freshmen and sophomore gym students are enrolled in Dr. Lackey's class.

State Philologists Hold Meeting Here

The annual meetings of the Tennessee Philological Association will open Friday at West Tennessee Teacher's College. The morning session Saturday will be held at Central High School.

The linguist delegates will gather at Southwestern that afternoon at 2 o'clock. Drs. C. L. Townsend and A. T. Johnson, of the English department, and Dr. Martin W. Storn, Spanish department, and Assistant Dean R. F. Thomason, Latin professor, will appear on the program here.

Tea will be served to the visitors by ladies of the faculty.

Twenty New Class Rings Are Ordered

Members of the senior class have ordered 20 of the new standard Southwestern rings, according to H. A. Avent, class president.

A sample of the new ring was received last week, and from all sources seems to be acceptable. Altho there are rings for both the men and women, as yet no orders have been given by co-eds for the lighter model. The present orders have been given by both eds and co-eds.

Chi Alphas Pledge; Cancel Open House

Chi Alpha sorority announces with pleasure the pledging of Josephine Zimmerman.

The open house, which was scheduled for tonight, has been indefinitely postponed on account of other sorority activities.

Mary Anderson and Rachel Baker will be initiated tonight in the chapter rooms.

CAMPUS OAF

DID YOU KNOW THAT LADIES' FINGERS WERE FIRST SERVED AT A TEA PARTY IN THE SANDWICH ISLANDS?

Dentist—"Will you take gas, sir?"
Prof. Townsend (in chair)—"Yes, and take a look at the oil."

Companionate wife: "You brute, where were you last month?"

She—"Why did they arrest the blind man?"

He—"The cop saw him blush when a co-ed passed by."

"I tella your fortune, sir?"

"How much?"

"Fifteen cents."

"Correct."

Then there is the sad case of the absent minded professor who dictated to his dog; then tried to give his stenographer a bath.

You say—be made a complete confession? What did he get—five years? No, fifty dollars. He confesses to magazines.

Crump (to egg dealer)—"Have you any eggs that you can guarantee there are no chickens in them?"

Dealer—"Yep; duck eggs."

Knave: "O. King, a woman without."

King: "Without what?"

Knave: "Without food or clothing."

King: "Feed her and bring her in!"

Flint: Gotta chew?

King: Naw, I do it because I like it.

No, I don't go to college; I slept in this suit.

He (very passionately): I'm looking for the thrill of my life tonight.

She: Why don't you go home and kiss your mother good night.

Father: "Do you know my daughter, May?"

Davidson: "Thanks for the tip."

and, Vanderbilt," added Dr. Diehl, "have my chops lean."

"Yes sir; which way?"

City Boarder—"Milking the cow?"

Hiram—"Naw, just feeling her pulse."

Prof. Haden—"Why have you stopped singing in the choir?"

Heidelberg—"Once I didn't sing and some one asked me if the piano had been tuned."

Memphis, Tenn.

Deer Lily,

I'm glad you aren't still mad by me, because I've missed handing you all the dirt. Also, I've missed having Big Mac hop on me for calling him "sex-appeal." Really, tho, Mac is working the old S. A. overtime this year; he has this Laura Gates and Jane Barker cuckoo over him. They call him "Bubber," ain't it a scream?

Jerry Seagle has been appointed assistant football manager. I don't know what Eleanor will do now that his afternoons will be taken up.

There's more new campus organizations around here. Besides the "13" club that I all ready told you about there are two that have just started: C. O. C. (cream of the crop) club, and Sigma Sigma Sigma. What they stand for and what they mean is left to the imagination.

Quite a few new students started school this semester. B. D. Stockley and Elizabeth Hampton have looked over the lot and both found that they like this Fred Weaver, a transfer from Butler University. Time and place of the hair pulling contest will be announced later.

It's rumored that Jeff Davis is gunning for "Big Creek" Baumgarten for alleged slander. The Greek made some crack in "Well, Well, Well" about Little Barrel Head eloping to New Orleans.

Sonny Beard, who manages "Kid" Elmo, alias "The Alabama Tornado," has been fired. 'Tis said the "Senator" hollered "look out" and when the Kid looked up the referee was counting ten.

"Upstart" Reid isn't speaking to Southworth. It seems the Kentucky lass had a date with Luther last Friday night, and later saw him coming in from the great open spaces with another girl at the T. D. G. struggle party. Shame! and then Luther lost the keys to "Pharaoh" and, to complicate matters, Reid, who never walks home, went home with Bode.

Yours for more frequent letters..

Teb.

The Sou'wester is served by the INTERCOLLEGIATE PRESS service.

A subscription to the Sou'wester is \$3 the year in advance.

Reflections from the Editorial Room

The Sou'wester this week, and from now on thru the remainder of the collegiate year, will be a five-column instead of the accustomed six-column weekly newspaper. The column length has been shortened from nineteen and one-half inches to eighteen and one-fourth. This radical condensing in size was reluctantly adopted only after every possible means had been exhausted of making the paper produce enough to pay the printing bill.

It takes advertising and student subscriptions to be able to issue the paper. Last fall the staff was seriously hampered by students working on the football program, student directory blotter, and the annual, from getting what we consider our just share of advertising. On top of this, we have heretofore gotten three dollars a year from each student for a year's subscription. Last spring the Publication Board reduced this to two dollars, giving the third dollar to the Journal.

During the four years that the present staff members have been connected with the Sou'wester, it has never lost money; and, in contrast, has been continually enlarged both in size and scope of news. But the first duty is to pay all debts. The cost of the six-column paper was greater than the advertising and subscription returns, and this has made necessary the smaller size.

Well wishes from all parts of the campus were received by members of Tau Delta Gamma fraternity last week when word came that the governing officials of Theta Nu Epsilon, national social fraternity, had approved the petition made by the local chapter.

Southwestern students have been extremely fortunate in their petitions to strong nationals. The addition of T. N. E. is welcomed.

The members of Kappa Delta and Alpha Omicron Pi sororities are in training during these days of rain, snow and ice. After the elements relent and let the sun dry the campus, the two rival groups are going to stage a real demonstration of "co-ed speed,"—both groups promise.

We are pleased to announce that thru the ceaseless efforts of Charles Terry a few slates have been put on the Kappa Sigma house. Terry says, "As soon as warm weather comes again we are going to get that roof on—and we are going to invite everybody but Southworth." If that's the plan, may we hint to Mr. Terry that we know the wherefore of the gash on his forehead. Yes, she slaps hard.

More than 200 took the exam and Heiss ranked high out of the 21 who were awarded scholarships. The scholarship amounts to a semester's tuition. Last year Richard Shewmaker, also an alumnus of Southwestern, won one of these scholarships.

New 1929 Catalog Is Being Compiled

"The 1929 catalog is now in the process of compilation and will be issued by the middle of March," says Dr. Martin L. Storn, who is in charge of the catalog this year. All new rules and regulations which the faculty has passed this year will be included in it, as well as a list and description of all the organizations on the campus.

The teams will meet in the Lambuth gym at Jackson Saturday at 7:30.

Flippant Freshmen Elucidate Eagerly On Playing Bridge

Bridge playing as a pastime has swept thru student ranks like an epizootic of spagnoilitis. The neophytes are numerous and sorry. Some abbreviated means of teaching the fine points of the game have been evolved by certain freshmen card jugglers.

In brief, the following rules, if observed carefully, will prove as valuable to beginners as personality to a duck:

1. Pick up your cards as dealt. You will be ready to bid ahead of the others.
2. When you have a poor hand, signal immediately by saying, "Who the heck dealt this mess?"
3. If you get a poor partner, keep score yourself; you've got to have some advantage.
4. Lead from your own hand or dummy as convenient.
5. Never hurry. Try several cards on a trick until you are sure which one you prefer.
6. Occasionally ask what is trump. It will show you are interested in the game.
7. Trump your partner's ace—and cinch the trick.
8. Always ask your partner why he didn't return your lead; this will remind him to lead it next time.
9. Don't try to remember the rules of the game. It is too confusing.
10. Always explain your plays, particularly when set. It shows your card knowledge.
11. Claim all the honors—you might get away with it.
12. Eat chocolate caramels or other adhesive candy while playing. It keeps the cards from skidding.
13. After the third round lay your hand on the table and claim the rest of the tricks; you may not have them, but it's much easier to play with all the cards on the table.

Members Trip

The C. O. C. club, alleged cash and carry organization, gave their first dance of the year Saturday night at the A. O. Pi chapter house.

An echo that circles the globe

Sightseers returning from the Alps never fail to babble of the marvelous echoes that reverberate so obligingly from peak to peak.

But no such phenomenon matches a certain echo that keeps circling this whole mundane sphere. It is the best-known cigarette slogan ever coined—the Chesterfield phrase "They Satisfy."

Originated to describe a unique coupling of

qualities seemingly opposed—"they're mild, and yet they satisfy"—its descriptive accuracy was instantly perceived. Today it echoes and re-echoes wherever cigarettes are smoked:

"Satisfacen... ils satisfont... THEY SATISFY!"

And rightly enough, for Chesterfields are mild—and they DO satisfy... and what more can any cigarette offer?

Lynx Play Final Conference Tilts Against Millsaps

Team Leaves Today for Jackson to Meet Major Quint

THE Lynx basketball team will wind up their S. I. A. A. schedule Friday and Saturday night in a pair of games with the Millsaps Majors at Jackson, Miss. The Lynx opened the season at home

with the Mississippi quintet and won two games, but both were close and hard fought. With the Majors on their own court the Lynx will have a tough time gaining a decision.

These games mean a lot to the Lynx in winning a place in the conference title tournament to be held March 1 thru 5. The Lynx have a record of five conference victories and six defeats. Two victories in Jackson will put them on the credit side of the ledger.

Coach Pos Elam and his squad will leave Friday morning for Jackson. The players making the trip will be Captain Billy Hughes, "Chi" Waring, Chauncey Barbour, Flint Liddon, Dode Farnsworth, Bill Ford, Robert Russell and Lamar Pittman.

Bobcats Lose Pair To Ole Miss Frosh

Red and Blue 'Rats' Spank Little Lynx

Southwestern's battling Bobcat basketball team took the long end of the count in a pair of tilts with the Ole Miss rat team last week at Oxford, Miss. The Bobcats gave the Red and Blue frosh a tough tussle in both games but could not manage to ring up the extra points when needed. The Ole Miss quintet won the opener 43 to 31 in rather easy fashion but took the second 33 to 27 in a fray that had the score knotted time after time.

In the first game Friday afternoon, the Red and Blue tossers got the range of the wicker at the start of the game and had a 29 to 16 lead at the half. The Bobcat defense cracked and they were unable to get the range of the opponents' goal.

Moore and Bird of Ole Miss with 17 and 16 points respectively led the Ole Miss scorers, while Dodd totaled 10 points to lead the Bobcats.

The second game was a snorter. The teams battled on even terms thruout. At the half Ole Miss was leading 14 to 10, but Southwestern rallied to take an 18 to 17 front place. With only a few minutes left to go, the score stood 21-21. Simpson, lanky Ole Miss center, rung up a couple of snowbirds and the Bobcats went down 33 to 27. Moore, Ole Miss forward, led the scoring with 13 points.

Conference Heads Meet Soon To Pick For Tournament

Three-Day Session In Birmingham to Plan Final Round-Up

OUTHWESTERN'S fate in regard to the S. I. A. A. basketball tournament will be decided Monday, Feb. 23-25, at a meeting of the conference tournament committee at Birmingham, Ala. The tournament, which will be held at Jackson, Miss., March 1-5, will include the three leading teams in each of the four S. I. A. A. zones, together with Mississippi College, defending champions, and Millsaps, joint hosts of the meet.

Don Fuller mailed the following list of names to league officials Monday who will represent this institution should the Lynx succeed in entering the tournament: Robert Russell, Charles Terry, Lamar Pittman, Henry Waring, Chauncey Barbour, Charlie Diehl, Dode Farnsworth, Flint Liddon, Billy Hughes and Morris Ford. Only eight of the ten will be allowed to compete.

The winning team will be presented a silver loving cup, and the teams coming first, second, third, will be given eight gold, silver and bronze medals respectively.

Southwestern has won five and lost six conference games. The Lynx wind up their conference schedule Friday and Saturday with a pair of games with Millsaps at Jackson, Miss. These games will probably foretell the fate of the Lynx, as a pair of victories would give them a percentage of over .500, while two or even one defeat would put them below the even break mark.

The likely teams to enter the meet have been chosen but there is still some doubt as to which deserve the honor among the logical contenders.

In the Louisiana-Mississippi division, which includes Southwestern, Louisiana College has the best record. Centenary, Louisiana Normal, Louisiana Southwestern and the Lynx are all fighting for the other two places.

In the Carolina division, Furman University is sure of a place, while Erskine, Wofford, Newberry and the Citadel will fight it out for second and third.

The Alabama, Georgia and Florida division will be sure to be represented by Mercer and Chattanooga. The third place will go to either Birmingham-Southern, Howard, Southern or Stetson.

The fourth district has two strong representatives in Union University and West Kentucky State Normal. Centre, Georgetown and University of Louisville are also in the race.

Frat Teams Ready For Second Round

Losers Play for Prize of Consolation

Three teams are showing the way in the first annual Southwestern interfraternity basketball tournament. The A. T. O.'s, Pi K. A.'s and Kappa Sigmas have defeated their first-round opponents in one-sided fashion. The A. T. O.'s, with two victories over the Stray Greeks, are the only team at present in the second round of play. The Kappa Sigmas defeated the Beta Sigmas, while the Pi K. A.'s swamped the Tau Delta Gammas in their opening games and should have little trouble in advancing to the second round with another victory over the same opponents.

The losing teams of the first round are getting set to start the consolation tournament. From present appearances the first round of play will find the Stray Greeks meeting the Tau Delta Gammas, while the Beta Sigmas play the loser of the S. A. E.-Kappa Alpha series.

Davis Appointed Tourney Arbiter

Harold Davis, popular Memphis referee, has received word from S. I. A. A. officials that he has been chosen one of the three arbiters in the final tournament which will be held in Jackson, Miss., on March 1, 2, 4, 5.

Davis was chosen from among a list of more than 200 eligible referees. The remaining two judges have not been picked as yet.

Six Diamond Tilts Already Scheduled

Six baseball games have already been scheduled for the Lynx by Don Fuller, athletic manager.

The University of Iowa nine will open the season, as the program card shows, now, with a pair of games, which will be played here on March 29 and 30.

The Red and Blue pounders from Ole Miss will play a two-game series at Southwestern on April 26-27. A return two-game series will be played between the two teams at Oxford Miss., on May 10-11, according to Fuller.

Other games are pending, but nothing definite will be given out by Fuller.
