## WALTON ELECTED PRESIDENT

### HARTLEY TO BE DIRECTOR FOR SUMMER TERM

Sessions Will Begin June 9; End July 19

### ARRANGE COURSES

Excellent Faculty Been Secured for Term

Announcement of the summer session of Southwestern has been made. The term will begin with registration on Monday, June 9. Classes will begin on June 10 and examinations will be held July 19, the course requiring six weeks to complete.

Dr. R. W. Hartley, dean, will again serve as dean and director of the summer session. Arrangements for entering can be made with Dr. Hartley or with Miss Annie Beth Gary, assistant registrar. A bulletin may be obtained from the office of registrar.

Students who wish to cut down time required for graduation, or seniors needing a few hours to complete their degree requirements are advised to enroll now for the summer session. Students from other colleges entered at Southwestern for the summer term may have their credits transferred to the institution of their choice.

The members of the faculty who will teach during the summer term are Dr. Hartley, Dr. A. P. Kelso, Mrs. A. P. Kelso, Dr. Martin W. Storn, Dr. W. O. Shewmaker, Mrs. C. L. Townsend, Dr. W. O. Swan and Dr. C. L. Townsend.

Probable courses for the term have been arranged. Other courses will be added if there is a sufficient demand for them. The courses that have been tentatively arranged include the Bible, chemistry, education, English, history, mathematics, modern languages. Tutoring can be arranged in various subjects for which there is not a sufficient number of students to organize a class.

### Cromwell Declared School Champion

Oliver Cromwell won the Southwestern golf championship last week when he defeated Sloan Williams in the finals at Galloway course last week. The scores were Cromwell 75 and 76 and Williams 77 and 77.

More than 18 men were entered in the match which started about four weeks ago.

### McGee To Go To Nashville May 17

Vernon McGee, representing Southwestern and Western Tennessee in the state-wide oratorical contest sponsored by the Women's Christian Temperance Union, will meet opposing speakers Saturday, May 17, at Scarritt College in Nashville. A prize of \$100 will be given the winner. McGee's topic will be "Eternal Vigilance Is the Price of Prohibition."

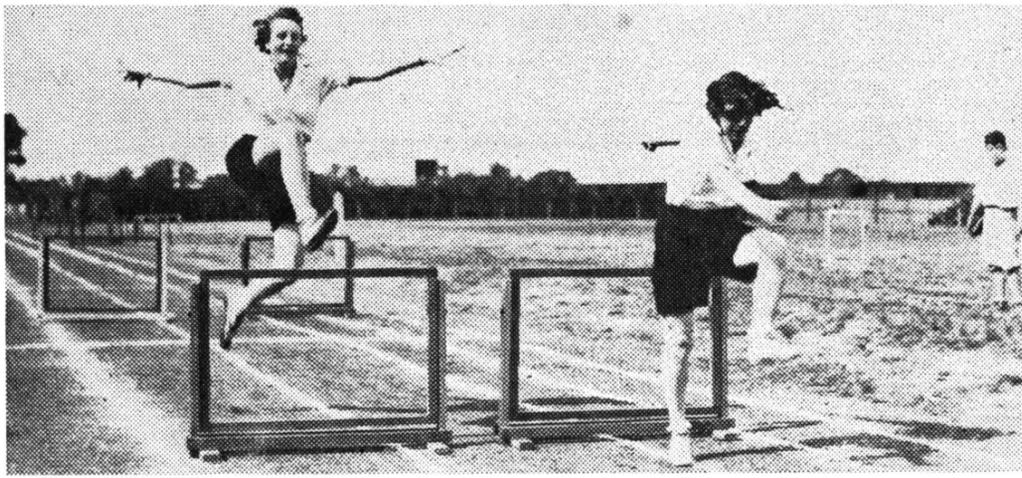

### Attend Convention

E. L. McGivaren, Jr., and Karl S. Nickle are delegates to district convention of Pi Kappa Alpha which was held on May 2 and 3 at Nashville, Tenn. Besides the regular routine business, plans were discussed for the national Pi Kappa Alpha convention which is to be held in Memphis during the Christmas holidays. On Saturday night all the delegates attended the annual spring dance given by the Sigma chapter at Vanderbilt.

### Elect Officers

Theta chapter of Pi Kappa Alpha fraternity announces the following officers for the ensuing year: John Rea, president; Albert Erskine, vice-president; Harry Gillum, treasurer; John McFerrin, secretary, and William Frazier, alumni secretary. Albert Erskine will be the Panhellenic representative.

### Girls Training For Coming Cinder Meet

In preparation for the co-ed track meet to be held Saturday at 2:30 on Fargason fields the girls have been training strenuously for the last month. The picture shows Anne Shewmaker (right) and Josephine Zimmerman (left) jumping the hurdles. Anne will represent the junior class in the meet and Josephine the sophomore class. Events scheduled are dashes, relays, basketball throws and distance runs.

### Southwestern To Be Host to Student Conference; Dr. Bruce Curry Is Leader

Seven West Tennessee Schools To Participate In Movement; Sessions Start On May 16, End 17

Southwestern will be the host Friday and Saturday May 16 and 17 to representatives attending the West Tennessee Student Conference promoted by the State Student Council of Tennessee of the Young Men's Christian Association. The Southwestern Christian Union is the campus promoter of the Conference and will have charge of all arrangements.

The schools to be represented will be the University of Tennessee Medical College, Lambuth College, Union University, Bethel College, West Tennessee Teachers' College, University Agricultural School and Southwestern. The Conference will be open to all Southwestern students who are especially urged to attend.

Dr. Albert Bruce Curry, son of A. B. Curry, pastor of Second Presbyterian Church, Memphis, will be the speaker and leader of the Conference. Dr. Curry is probably the most foremost man in America engaged in work with young people. He is a professor at Union Theological Seminary, New York City, and holds his doctor of philosophy degree from New York University. Every year he meets thousands of students in the United States, England and Canada discussing student problems with them in Conferences similar to the one to be held at Southwestern.

An editorial from the University of Oklahoma paper reads about Dr. Curry, "Students who heard Dr. Bruce Curry lecture Monday realized that he knew more about them than they had ever been able to learn. They found him not only a believer in youth but a keen thinker as well." The Christian Century calls him "Probably the most successful interpreter of the Bible appearing in student conferences in this country."

"What does it mean to be a Christian in College Life Today?" will be the main theme of the entire Conference. Dr. Curry will lead a series of discussions on modern campus problems, and the application of the teaching of Jesus to these questions. These discussion groups will begin on Friday afternoon at three o'clock May 16 and will last through Saturday evening.

W. C. Rasberry is serving as chairman of the Conference. The men in charge of housing and men's registration is composed of Charles Diehl, "Fritz" Heidelberg, and Jimmie Spencer. Morris Ford, will be in charge of the music. Roger Wright is in charge of publicity. Prof. Eric G. Haden will act as general advisor. Elizabeth Williams is in charge of the entertainment for the girls.

### K. D.'s Initiate

Kappa Delta sorority gave the final degree of initiation to Golden Seats, Martha Tabb and Marjorie Peoples Monday night.

### SEVEN TO TAKE HONORS EXAMS

Papers Will Be Read by Faculty Members

Seven students will be examined during the week May 19-24 on the reading they have been doing this year in order to graduate with honors. The examinations will be given by the professors in charge of the courses. The papers will be submitted to the members of the Honors Committee and will be open to any other member of the faculty that desires to read them. Certain departments are considering giving oral examinations in addition to the written ones.

The students who will take the Honors Examinations and the courses in which they will be examined are Lem Banks, Latin and Greek; Herman Bevis, English and Mathematics; Gerald Capers, History and Greek; Frances Gray, Bible and History; Jane Hyde, Mathematics and Education; Robert Scott, English and Mathematics; and Abe Fortas, History and English. Dr. A. P. Kelso is chairman of the Honors Courses committee.

### Southwesterners Plan Trips Abroad

Southwestern will be well represented this year on the other side of the water with several members of the faculty and some students in England and on the Continent.

Prof. W. R. Cooper will make a tour of Europe sailing from New York June the first on the New Amsterdam. Russell Brigance will accompany him again this year and it is also probable that Thomas King will be in the party. Jack Watson is also going to Europe this summer although not in Dr. Cooper's party.

Members of the faculty other than Dr. Cooper who are also going over this summer are Prof. S. H. Monk, who is going to be in Oxford, England, for some time; Prof. H. J. Bassett and Prof. J. H. Davis.

### O. D. K. IS MEMBER OF HONOR SOCIETY

Omicron Delta Kappa, national honorary leadership fraternity, having its Phi Circle at Southwestern, was admitted to membership in the Association of College Honor Societies at a recent meeting of that organization at the University Club in Chicago. Sigma Tau, honorary engineering fraternity, was the only other organization admitted at this time.

The admission of these two fraternities increases the membership of the association from six to eight societies. Besides these two new members the following organizations belong to the association: Phi Beta Kappa, Sigma Xi, Alpha Omega Alpha, Tau Beta Pi, Phi Kappa Phi and the Order of the Coif.

### Students Radiocast

That Southwesterners are daily becoming more radio minded the facts prove. Saturday afternoon the syncopating of a piano responding to the touch of Dorothy Smith's fingers was heard over radio station WREC.

A quartette composed of George Booth, Harry Walton, Buster Dial and June Davidson sang several popular numbers and college songs.

### S.C.U. SPONSORS GRIDIRON FEED

Annual Roasting To Be Held Soon

Speech-making will be rife, music will be jazzy, the food good and the scandal delectable at the annual gridiron banquet to be sponsored by the Southwestern Christian Union in Hugh M. Neely Hall this year, according to "Fritz" Heidelberg, president.

No date has as yet been definitely decided but all of the boys on the campus are advised to be on the lookout for the announcement, the gridiron being considered the best event on the Southwestern calendar.

The toastmaster has not as yet been announced, but it is expected that one full of big words and a bountiful supply of jokes will be chosen. Each "ed" on the campus is now on the lookout for the "best one that no one else has heard."

Mr. Woodson Harrison promises a meal delicate enough to suit the appetite of a French connoisseur. Cigars will be passed around and a general get-together will be held.

"The Committee" has charge of the program and will post announcements on the bulletin board and make them in chapel.

### Society Meets

Chi Delta Phi literary society held its regular bi-monthly meeting Wednesday afternoon at the home of Annabelle Cox. The program prepared by Lorinne Mitchell was a continuation of the study of Russian literature.

### JUNIOR PREXY IS PAID HONOR IN BALLOT WAR

### EXCITEMENT RIFE

Political Speeches Made By Orators

Like a great mist overhanging a great valley rises when penetrated by the rays of the sun, so did the great political cloud that has been hovering over the campus for the last few weeks break when penetrated by the sharp stabs of controversy and heated oratory Wednesday morning.

The ballots were being passed out carrying the names of Harry Walton and Robert Logan for president of the student body; Roger Wright and Ogden Baine, for vice-president, and Jennie Puryear and Meredith Davis for secretary, when George Whitaker, an orator of the old style and champion speaker of the college, mounted the rostrum. He was speaking for a candidate and he exploded his statements with quick and fiery language. Following Mr. Whitaker, came Malcolm Richie speaking for the other candidate and in behalf of clean elections and unbiased voting. John Hagan, the object of attack of some of Mr. Richie's statements, then took the rostrum. It was difficult for him to speak because of the uproar then in the auditorium, but finally the noise was silenced and he spoke in favor of the "early bird gets the worm." Other speakers were not allowed to speak by Chairman Jefferson Davis, serving as presiding officer in the absence of Robert Lloyd and Albert Johnson, president and vice-president respectively, because the time was limited and the passions growing hot.

Balloting then proceeded. The results as announced by the election commission composed of "Fritz" Heidelberg, Robert Russell, Anne Shewmaker, Morris Ford, Gerald Capers, follow: President, Harry Walton 224, Robert Logan, 149; Vice-President, Roger Wright, 204, Ogden Baine, 168; Secretary, Jennie Puryear 186, Meredith Davis 183.

Harry, coming from Yazoo City, Miss., starting with his freshman year, has blazed a trail of success during his career at Southwestern. He won his numeral in freshman football, and his letter in varsity football last year and this year. He was named by his teammates this year alternate-captain-elect of the 1930 Lynx squad. He has served as a member of the Honor Council for two years and as president of the junior class this year. He is president of his fraternity, Sigma Alpha Epsilon, and the only junior boy that is a member of Omicron Delta Kappa.

Roger, Southwestern's track captain and star performer, member of Beta Sigma fraternity comes from Port Gibson, Miss. He has a string of honors following his name also.

Jennie, coming to Southwestern from Randolph-Macon, has entered into the college activities with great interest, being a member of Zeta Tau Alpha sorority. Her home is Memphis.

### Horseshoe Finals To Be Saturday

The finals in the horseshoe tournament have been reached with Karl Nickle crossing shoes with the veteran champ, Garner Watson, three times winner of the coveted crown. The match will be played off Saturday afternoon at 2 o'clock on the Southwestern courts behind the science building. Betting is even and excitement runs high.

### A. O. Pi's Lunch

Members of Alpha Omicron Pi sorority will have lunch today at the home of Martha McFerrin in Collier-ville.

## WHITAKER WINS SECOND PLACE

### Given \$40 Prize For Speech-Making

In the contest held by the State Oratorical League in Alumni Auditorium, Vanderbilt University, Nashville, last Saturday, to choose the champion orator of the colleges of the state, George Whitaker, Southwestern's silver-tongued speaker and political orator, placed second, the place carrying with it a prize of \$40. Charles Hudson, orator from Vanderbilt, won first place with \$100 prize. Two other orators were in the meet from the University of Chattanooga and Milligan College. Gov. Henry Horton presided over the contest. Whitaker's speech was "Industry, Civilization and Religion."

The contest is sponsored annually by the league, composed of the colleges of the state. The prizes were offered by Mrs. John A. Patten of Chattanooga.

## Vandy Club Will Give Revue Here

The Cap and Bells Club, a dramatic and musical organization of Vanderbilt University, will make its first appearance in Memphis Thursday night, May 15, at the Lyceum Theatre.

The club puts on a program something on the order of that of the Princeton Triangle Club, which makes an annual appearance in Memphis.

The club will show a musical revue entitled "Let's Go." Several prominent personages will be in the revue as Bill Spears, former All-American football player, and Coach Dan McGugin, the great Vanderbilt football mentor.

The music for the entertainment will be furnished by Francis Craig's Orchestra, which at present plays at the Hotel Andrew Jackson in Nashville.

The entertainment will be followed by a dance at the Hotel Peabody, which will last until 2 o'clock.

Southwestern students will be admitted to the show and to the dance for \$1.50. The boxes on the first floor at the Lyceum have been reserved for students desiring to go, and any fraternity may reserve a box.

Tickets may be gotten from Reeves Manker.

### A. T. O.'s Elect

Alpha Tau Omega fraternity elected officers Monday night to serve until February, 1931. They are Jefferson Davis, president; Charles Diehl, vice-president; James Hamilton, treasurer; William Rainey, historian; George Hightower, scribe; William Berson, usher; Jack Delay, sentinel, and James Hamilton, panhellenic representative.

### Make Correction

In the article in last week's issue of the Sou'wester telling that Mr. Harrison had accepted a position at Woodberry Forest, Va., the statement was made that Mr. Harrison had been with Southwestern five years. Mr. Harrison was with the school two years before it was moved to Memphis, making the total of seven years that he has served as dietician and house manager.

### THE HONOR SYSTEM (Ohio State Lantern)

Is the honor system more effective than the proctor plan in curbing "cheating" during examinations?

This question has bothered University officials for many years. Old fires were rekindled recently when four faculty members of Oberlin College completed a survey of the honor system in six eastern schools.

The investigators found out that in such colleges as Harvard, Williams, Yale, Lehigh, Princeton, and Pennsylvania where campus traditions are greatly respected the honor system is far superior to the proctor system in eliminating the element of "cheating" in student examinations.

At Williams the honor system is based on the code that "a Williams man does not cheat." Constant propaganda among prospective students and freshmen at Princeton adds strength to the honor system in vogue there.

Because of the slight emphasis that is placed on traditions in general on this campus it is doubtful whether the honor system would work out here. The College of Law uses the honor system to a degree but examinations there are of a particularly interpretive nature and not open to much cheating.

If such a plan was to be inaugurated here a wholesale campaign for a more wholesome respect of campus traditions would have to be launched and a strong feeling in favor of the new system be aroused among incoming freshmen.

The moral effect on the student body that would be obtained by es-

## THE BUBBLE HAS BURST

The filthy bubble of hate and distrust that has been growing larger and larger every day for the last three weeks on the Southwestern campus burst Wednesday morning in chapel with open denunciations and active word play. At last everyone on the campus has succeeded in making everyone else his enemy, and the feeling of friendship and good feeling which has existed all year has been blasted and destroyed. The outward appearance of fun Wednesday hid a deepening hate, a fearful thing between men and groups.

Men and women, for the sake of your Alma Mater, for the sake of Southwestern, let this be a lesson never to allow a thing so terrible to happen again. Southwestern is too small and her men should be too big. If there has been politics in the past as the speakers said Wednesday, may the spring of 1930 mark the permanent sealing of the practice of college politics in the air-tight tomb of the past. If it's humanly possible, may the men about whom filthy lies have been told, try to forgive the propagators, and may the propagators manifest their manhood by admitting the harm done Southwestern and a unified school spirit and by seeking diligently to re-cement the bonds of HUMAN brotherhood.

If a fraternity or sorority means to the fraternity man or sorority girl nothing more than a body for promoting politics and ill-feeling among students, then may we say fraternities and sororities should be banished forever from the campus of Southwestern. If a fraternity's rating depends upon an office gained by filthy means and considered filthy lucre, then may we say that fraternity founders should turn over in their graves. That organizations for promoting a feeling of love; co-operation, brotherly interest should be turned into bartering institutions is a condition to be deplored, and if possible done away with. Fraternity men on the Southwestern campus who have participated in politics this year, last year or any other year, should congratulate themselves on having given Southwestern and that Southwestern friendship a long boost backward.

Again may we suggest that a permanent organization responsible to the student body composed of one member of the seven fraternities on the campus meet together in the common bonds of human brotherhood, love and interest and swear on the holy Bible that they will use their groups for the purpose the founders intended it, and that they will use them as groups working together in brotherly co-operation for the advancement of Southwestern. May these men also realize that a man of merit should be recognized. If it does not seem fit that such a whole-hearted Southwestern organization be formed, then may it be deemed advisable from a practical viewpoint that the Student Council or the Omicron Delta Kappa take the situation over.

The Sou'wester wishes to offer congratulations to Harry Walton for his successful race for the presidency of the Student Body. It is the highest honor that can be bestowed upon a Southwestern man. Harry has won his success on merit and personal popularity, being considered one of the cleanest athletes Southwestern has produced. Always playing the game square and fair with everyone concerned—that is Harry Walton.

Establishing the honor system here, however, hardly would balance the time and effort extended to make the feeling and respect for it strong and enduring considering the many attempts to revive traditions here for the last few years.

### Dedicate Poem

The following article by David R. Forgan, a Chicago banker, was sent to the office of President Charles E. Diehl. The Sou'wester is publishing and dedicating it to Dr. A. P. Kelso and the other golfers.

### GOLF

It is a science, the study of a lifetime, in which you may exhaust yourself, but never your subject.

It is a contest, a duel or a melee, calling for courage, skill, strategy and self-control.

It is a test of temper, a trial of honor, a revealer of character.

It affords a chance to play the man and act the gentleman.

It means going into God's out-of-doors, getting close to nature, fresh air, exercise, a sweeping away of the mental cobwebs, genuine recreation of the tired tissues.

It is a cure for care, an antidote to worry.

It includes companionship with friends, social intercourse, opportunity for courtesy, kindness and generosity to an opponent.

It promotes not only physical health, but moral force.

### Absence and Absinthe

Absence makes the heart grow fonder  
Certain poets say,  
But I often sat and wondered  
How they got that way.

Then I found the lost connection  
In a drunken dream,  
So I offer my correction  
Strange as it may seem:

Absinthe is a potent draught,  
Green and very strong,  
And when once the stuff is quaffed  
Men burst into song.

Deo volente, then, you have sense  
And would fain be free,  
Combine your absinthe with your absence,  
Laugh and shout with glee!

Jimmy Hughes.

"Please!"  
"No."  
"Oh, just one."  
"I've given you too many already."  
"Always room for one more, my dear."  
"Oh, no."  
"Yes."  
"All right, just one."  
"Thanks, I'll get some notebook paper tomorrow and pay you back."

Nearsighted old man (Eating a box of loose-leaf reinforcements): Well, by heck, these Life Savers don't taste like they used to.

## ORCHESTRA IS BOOKING DATES

### Bill and Collegians Play In Alabama

Bill Brinkley and his Royal Collegians went on a tour last Friday and Saturday to fill engagements at Tusculumbia, Ala., and luka, Miss. They played at the Tennessee Country Club at Tusculumbia Friday night and at the luka Hotel Saturday night. These engagements were secured by means of the radio. The people who gave the dance heard the Collegians over the air and liked them so much they wrote immediately for an engagement.

Bill and his boys have received other offers also. They have been asked to play for a dance at Florence, Ala., Saturday night, and have also had offers from Birmingham. Pine Rest Hotel at Shiloh Battleground has also asked the boys to play one night a week during the coming summer season, and radio station WREC is ready to sign a contract with them for a regular weekly broadcast whenever the boys are ready.

Besides the leader, the members of the orchestra are "Peewee" Hines, cornet; William Austin, saxophone; Albert Johnson, piano; John Rea, banjo; "Buddy" Mefford, drums.

## Nitists Enjoy Annual Banquet

The Nitist Club, an ancient and honored philosophical group which has delved deeply into the realms of thought upon the campus, held its annual banquet at the Hotel Peabody Thursday night.

Amid curling wreaths of black smoke issuing from divers cheap brands of cigars and cigarettes the wise men sat and meditated over the gleaming silver whilst a varied program was submitted for their approbation.

The Hughes twins enacted the dual role of toastmaster and read the usual doggerel for the enlightenment of the multitude. Place cards in rhyme consisted of choice scandal and humor on those seated at the various places. A few selections on the mandolins followed.

George Whitaker read the "Shooting of Dan McGrew" with elation, eloquence, and ease, much to the pleasure of the Nitists.

Maury Hull gave the philosophers something to rave and rant over with a paper entitled "The Right to Rob" which was received with great applause. Since the food was all that could be desired, it was concluded that the Peabody had not practiced this inalienable right.

After the usual jokes of a questionable nature which invariably pervade and beset every gathering of this type each and every little Nitist drew his robes of wisdom about him and tripped homeward amid the din and bustle of a busy city, vowing it the best banquet ever given by anybody anywhere.

### LACKEY GIVES PICNIC TO YOUTHFUL STUDENTS IN WAY OF EXPERIMENT

Again Dr. Lackey's biology class breaks into print, this time with a scintillating, amazing and extraordinary picnic-excursion to the wild and woolly precincts of Riverside park on last Tuesday afternoon.

As a fond parent promises the child a bite of candy to be good so the noted Lackey promised his Biology class a picnic if they would only apply themselves with diligence and alacrity to their researches into the genealogy and family secrets of the dread chromosome. Taking the giant at his word, members of the class arranged the setting and the food at which Lackey set the date and attended the affair in person.

Gathering at the western rim of the Science building the earnest students, loathe to leave their loved laboratory, mournfully embarked in automobiles and in a stately procession like unto that of a funeral wended their way westward. Having reached Riverside numerous and sundry games were indulged in, not the least of which was "Drop the handkerchief." Some of the more adventurous youths of the party clambered down to the treacherous brink of the mighty "Father of Waters" and removing superfluous clothing plunged into the rapid torrent amid the plaudits of the multitude some of which, Dame Rumor has it, were females of the specie. With certitude this cannot be expounded but such is the rumor.

But ere the pooped-out sun had gone to rest the peritoneum, colon, trachea, and general gastronomical apparatus of every mother's son and daughter screamed in protest against the lack of food so the eats were hauled out and the mob went to it like spirogyra for the old CO<sub>2</sub>. For the first time in history enough ice cream was present at a picnic. In fact so great was the abundance of the delicacy that members of the party in a spirit of fun made a slippery slide down the bluff with what was left over after every body had had his or her fill.

At dusk the party came to a timely conclusion for one after another of the biologists gorged with the calories

fit for kings were falling out in a drunken stupor. Great rivers of Coca-Cola threatened another mighty inundation and it was only by diverting the turbid torrent into the river that another Johnson flood was not "memorized."

### Evergreen Hall

Of all the shocks and sensations that one is sure to get around Evergreen Hall, probably the spookiest was received Saturday night by such inmates as happened to be awake at 12:30. Suddenly, without warning, the Beta Theta Pi whistle was heard very soft, and very close. It was repeated and answered from every side of the dormitory, but not a soul was to be seen. Of course, it is an impossible task to pick the whistler from the mob of Beta Theta Pi's on the campus.

And speaking of sensations, let's hope you met Harold High's sister, Edith, who was here this week-end. She is a senior at Alabama College. If she is a fair sample, we would say that the reason her Alma Mater doesn't admit men students is that someone might be killed in the rush.

There were several visitors during the week-end: Annie Aitken stayed with Margaret Smith, and Miss Annie Lou Brown with Olive Walker. Helen Northcross came to see Allison Cole and brought Frances Read of Corinth with her.

A quartet of S. A. E. freshmen favored the girl's dormitory with a serenade Monday night. As usual, "There's a reason."

There will probably be much weeping and gnashing of teeth around Evergreen for a few days since the Bobcats baseball team and the track team have both gone on a tour.

Believe it or not: George Pahlberg took five co-eds to the Orpheum Saturday night; and I mean, paid their way!

It is very peculiar that Miles Freeman has decided to prefer another blonde since Renee made his appearance Easter. It must be all right, though, as it's all in the family.

### Spring Weddings Are Order of Day

Four former Southwestern students and one student now in attendance at college will be married this spring or early summer. Announcements of the engagements were made Sunday.

#### WEISS-STEIN

Gertrude Weiss, senior this year and former student of Sophie-Newcomb College at New Orleans, and Morton Stein of Memphis, will be married in the summer. Mr. Stein is connected with the Stein Fur Shop. The bride-elect is the daughter of Mr. and Mrs. S. Weiss of Memphis.

#### HUGHES-GARROTT

Lina Hughes and T. M. Garrott, both students at Southwestern last year, will be married June 17. Lina was a member of the present junior class and a member of Chi Omega sorority. T. M. graduated with the class of 1929 and is a member of Pi Kappa Alpha fraternity. He was a football star, being a member of the "S" Club, and was one of the most popular students at school. Lina is the daughter of Judge and Mrs. Wightman Hughes, Memphis, and T. M. is the son of Mr. and Mrs. T. M. Garrott, Sr., of Sledge, Miss.

#### WHITEHEAD-BEALL

Blanche Elizabeth Whitehead and John Howard "Dumpy" Beall will be married in early June. "Dumpy" is a member of the 1928 class of Southwestern and a member of Kappa Sigma fraternity. He was High Priest of the Sanhedrin, member of the tennis team and of Alpha Theta Phi. The announcement will come as a surprise to his friends.

#### SIMS-PARISH

Mary Elizabeth Sims of Greenwood, Miss., and Robert Parker Parish, Jr., of Greenwood will be married the last of June. Bob is a member of the 1927 class and of Sigma Alpha Epsilon fraternity, of which he was president during his senior year at Southwestern. He played baseball and won his letter for work in that sport three years. Miss Sims is a graduate of Mississippi State College for Women.

Wife: I'll never forget the time you asked me to marry you. You acted like a fool.

Hubby: That wasn't acting.

"Yes, madam," said President Diehl reassuringly to the anxious mother, "We guarantee satisfaction or return the boy."

### Sig Alphas Hosts At Dinner-Dance

Tennessee Zeta chapter of Sigma Alpha Epsilon fraternity gave its annual party Tuesday night at the Hotel Peabody. The members of the chapter and their dates had dinner in the Italian room. They were entertained by the especial guest, Mr. Harry Blackstone, who has been on the Orpheum program this week. Mr. Blackstone did some of his tricks for the guests, finishing by pulling a black rabbit from the coat of Morys Hines. The music was furnished by Dave Harman and his orchestra.

The fraternity members and their guests were Mr. Harry Walton with Miss Virginia Hawk, Mr. Stanley Frazer with Miss Jennie Burford Puryear, Mr. Richard Monk with Miss Marjorie Raymond, Mr. Rodney Mills with Miss Margaret Kimbrough, Mr. Reeves Manker with Miss Irene Hyman, Mr. Horace Harwell with Miss Katherine Reid, Mr. Fred Harned with Miss Sarah Laughlin, Mr. Ritchie Morgan with Miss Nelle Martin, Mr. George Booth with Miss Meredith Davis, Mr. William Gammage with Miss Emily Wallace, Mr. Willam Wright with Miss Frances Crawford, Mr. Ernest Joyner with Miss Grace Roland Rogers, Mr. Aubrey Dial with Miss Lila McGehee, Mr. Paul Jones with Miss Anna Hudson, Mr. Billy Hughes with Miss Mary Neill, Mr. Billy Brinkley with Miss Flora Lee Craddock of Iuka, Miss, Mr. Jimmy Byram with Miss Louise Nowlin, Mr. Charles Plummer with Miss Mollie Coe, Mr. Marcus Tansey with Miss Marilese Montedonico, Mr. Dick Griffing with Ella Kate Malone, Mr. Charles Simmons with Miss Ione Wall, Mr. June Davidson with Miss Elizabeth Alley, Mr. Morys Hines with Miss Margaret Scott, Mr. Bobby Lloyd with Miss Peggy Fox, Mr. Dick Bunting with Miss Carolyn McKellar, Mr. John Gant with Miss Virginia Hussey, Mr. Ralph Booth with Miss Martha McFadden, and Mr. Nat Walton with Miss Gertie Mayo.

#### ON BEING COLLEGIATE (Kentucky Kernal)

During the current school year university students have been observed and studied in many moods and phases. One of these moods was that naive custom of being collegiate. No doubt all have noticed noisy young people in public, clowning and drawing attention, and have heard someone remark, "Just some collegiates!" Perhaps you have found that comment a satisfactory explanation, having always expected such lack of dignity, such childish behavior from college students.

We are indignant that such a popular conception of the actions of typical college men and women should exist. High school seniors should leave behind them their youngster pranks, their Halloween attitude. Rowdiness does not belong at college, it will not be tolerated. Even freshmen should look upon themselves with a certain awe of their new dignity and prestige at having attained a college position, and should strive each succeeding year to build around them more of an aura that comes of association with learning.

Drinking is a matter with which the university has found itself able to deal effectively; students are responding more and more to the request that rowdiness be subdued after athletic victories; flappers have gone out of style. A new era is coming to light for the college student, bringing with it a realization that after all, we students are men and women, not boys and girls. We hope that "collegiate" will soon carry a different meaning, marking the new type of college students.

Salesman: "You'll like this plane, Colonel Lindbergh."

Lindbergh: "I think I'll take it."

Salesman: "Shall I send the bill to you today?"

Lindbergh: "No, I think you'd better send the bill to Morrow."

"Bob told me I was the eighth wonder of the world."

"What did you say?"

"I told him not to let me catch him out with any of the other seven."

"What say we sing the 'Fireplug Song'?"

"How's it go?"

"Like this: 'Hydrant I dwelt in marble halls.'"

"I think I'll open up an office when I graduate."

"I'll probably turn out to be a janitor myself."

"Mary told me she worshiped her figure."

"And what did you say?"

"Nothing. I embraced her religion."

"YOU CAN NEVER TELL," SAID THE BANDIT AS HE SHOT THE ONLY WITNESS TO HIS CRIME.

### Some Appreciatin'

James Spencer comes from Port Gibson, Miss. When Jimmy graduates in June Southwestern will have lost a man that has always held her interests closest at heart, and students will have given up a friend. Never "stuck up," always sincere, willing to do what was asked of him characterizes Jimmy Spencer.

He has just turned over the presidency of the Southwestern Bible Class which he was instrumental in forming to the new president. He is

a member of the Southwestern Players and had the leading role in one of the big productions in 1927.

He served as president of the Ministerial Club in his sophomore year and is a member of the cabinet of the Southwestern Christian Union. Jimmy has not been unwilling to work for Southwestern nor her interests.

## Five Lynx Men In S. I. A. A. Meet At Clinton, S. C.

### Rasberry and Men make Trip in Car; Return Next Tuesday

Five men with Coach W. C. Rasberry left Tuesday afternoon for Clinton, S. C., to compete in the annual S. I. A. A. track meet. Those making the trip were: Bobby Lloyd, Eldridge Lilly, Roger Wright, Malcolm McMillan and Morris Ford. The team traveled by auto and arrived in Clinton Thursday morning.

Rasberry expects his men to make a good record this year. The team that entered the meet last year won eighth place and made a commendable showing. Ford, who broke the pole vault record last year, is expected to come through with a win this year in that event. McMillan who has been winning first in the half mile and mile runs in all of the dual meets is expected to win first in these Saturday afternoon. Captain Wright, who has been training hard for the last three weeks, is going to make a fine showing in the two mile run. Lloyd is expected to push someone for first place in the 440 yard run and the javelin throw. Lilly, who has been making some very good time in the high hurdling race, will enter that race and also throw the shot.

A fast relay team, developed during the last three weeks will compete in the meet, and have a very good chance of coming through with a win. Lilly, Ford, McMillan, and Lloyd will be the men on the team.

The men worked out Wednesday afternoon at the University of Tennessee and ran against some of the star runners from the University.

A summary of the events and the Southwestern entries are: Ford, pole vault, high jump, relay and broad jump; Lloyd, 440-yard dash, javelin throw and the relay; McMillan, half mile, mile and relay; Lilly, shot put, high hurdles, and relay; Wright, two mile and mile runs.

The team will return from the trip next Tuesday afternoon.

## TENNIS MEN MEET UNION U.

### Four Men To Drive To Jackson Sat.

After dropping two matches during the past two weeks, Southwestern's tennis team meets the Union University netmen tomorrow at Union. A team of four men will drive up to Union in the morning and return after the matches are completed.

Capt. Jones has won both the single matches that he has played so far, and should put his opponent down in an easy fashion tomorrow. Bevis has also dealt out woe and misery to those who have met him this season. Russell, Diehl, and Dainwood have played consistent games and should come through with a victory a piece in tomorrow's battle.

The Lynx netmen ran awful last week at Mississippi College and returned on the short end of a three to four score. Jones and Bevis won their single matches and the team of Jones and Dainwood came out ahead in their doubles match. Russell, Diehl and Dainwood dropped their single matches, as did Diehl and Bevis with their doubles game.

Two weeks ago the Lynx went down to defeat before the mighty Ole Miss. team by the score of 6 to 1. Although Ole Miss won all but one match, a glimpse at the scores will show that it was not a walk away for them. Jones was the only Southwestern man to win his match, and that was done after much effort as the first game went to 18-16 before either could solve the other's game. Jones won this game and dropped the next 4-6. Coming back in the final game of the match Jones put his opponent, Montjoy, out by the score of 9-7.

Summary:  
Doubles—Jones and Dainwood vs. Montjoy and Parsons—4-6; 6-3; 6-2. Russell and Bevis vs. Thompson and Darroh—4-6; 3-6.  
Singles—Jones vs. Montjoy—18-17; 4-6; 9-7.  
Dainwood vs. Thompson—3-6; 7-5; 0-6.  
Russell vs. Parsons—3-6; 7-5; 3-6.  
Bevis vs. Darrah—2-6; 6-8.  
Diehl vs. Horton—6-8; 5-7.

### Wins Ring

Carolyn McKellar was given a gold ring bearing the crest of Alpha Omicron Pi sorority, by her sorority sisters Friday as a reward for being the best and most outstanding pledge during the year. The ring is modeled after the one worn by the chapter president. Carolyn will serve as one of the Panhellenic representatives from her group for 1930-1931.

### Mrs. Diehl Better

Mrs. Charles E. Diehl is gradually improving after five weeks' illness. Mrs. Diehl has had sinus trouble and antrum operations. It is hoped that she will soon be able to be up and out again.

### I'm the Gink

I'm the gink-prof that owns a victrola and plays it at all hours of the night. I make people think I'm artistic minded and a lover of good music because I play pieces that no one can understand. I take great pleasure in opening the windows of my apartment so that all of the NOISE will go in the dormitory windows keeping the dorm students from studying. I usually start my regular evening concert at 9:30 and keep it going at least until twelve o'clock. It gives me so much satisfaction to know that the boys in the dormitory are being forced to listen to what good and expensive records I have. Sometime I'm going to invite the boys over to listen to my music and eat cakes and drink tea. Then they will have the pleasure of seeing the victrola itself. I know that musical instruments are not allowed in the dormitories, so that is why I tempt the boys. It's so much fun, because I'm the gink.

## Ole Miss Victor In Cinder Meet By Close Score

### One Second Place Is Deciding Factor; Score 57-55

Losing by a small actual score, the Southwestern track team won a moral victory over the Ole Miss track team last Saturday. The final score was 57-55. The meet was the hardest contested of the meets participated in by the Lynx this year. The winning of the two-mile race was the deciding factor in the victory. The first place was won by Roger Wright easily; second place was hotly contested and proved the most exciting of the meet. Robert Upchurch of Ole Miss and Elbert Huffman ran neck and neck for the full two miles until the final stretch when Upchurch by a burst of speed beat Huffman to the tape.

Morris Ford was high point man of the meet, winning first place in the pole vault, high jump, broad jump and second in the discus throw for a total of eighteen points. Malcolm McMillan was the second best point maker for Southwestern with ten points.

Riley McGaughran, the lanky Bobcat distance runner, seems to take a delight in breaking the two-mile record for the Southwestern track. Two weeks ago he broke the record and he repeated it Saturday by lowering his own record 19 seconds. He finished the run in 10 minutes and 26 seconds. He ran against Kennedy, a freshman from Ole Miss. The time was only six seconds behind the running time in the S. I. A. A. Meet last year.

The relay team stepped out against last week and repeated the victory made over Union the week before. McMillan the last runner for Southwestern finished fifty yards ahead of his Ole Miss opponent.

Results:  
100-yard Dash—Woodruff, Ole Miss, first; Brown, Ole Miss, second, and Hall, Lynx, third. Time, 10.5 seconds.

One Mile—McMillan, Lynx, first; Woods, Ole Miss, second, and Wright, Lynx, third. Time, 4 minutes 42.2 seconds.

Discus—Baxter, Ole Miss, first; Ford, Lynx, second, and Genung, Ole Miss, third. Distance, 123 feet 4 inches.

Pole Vault—Ford, Lynx, first; Taylor, Ole Miss, second. Height, 12 feet.

High Hurdles, 120 Yards—Lilly, Lynx, first, and Meeks, Ole Miss, second. Time 16.2 seconds.

Javelin—Bynum, Lynx, first; Genung, Ole Miss, second, and Brent, Ole Miss, third. Distance, 154 feet 5 inches.

Shot Put—Baxter, Ole Miss, first; Cook, Ole Miss, second, and Lilly, Lynx, third. Distance, 35 feet 5.2 inches.

Two Miles (exhibition, freshmen)—McGaughran, Lynx, first, and Kennedy, Ole Miss, second. Time, 10 minutes 26.1 seconds.

High Jump—Ford, Lynx, first; Peterson, Ole Miss, and Feducti, Ole Miss, tied for second. Height 5 feet, 6 inches.

High Jump—McMillan, Lynx, first; Rand, Lynx, second, and Wood, Ole Miss, third. Time, 2 minutes 7.8 seconds.

Broad Jump—Ford, Lynx, first; Brown, Ole Miss, second, and Woodruff, Ole Miss, third. Distance, 21 feet 1-2 inch.

220-yard Dash—Brown, Ole Miss, first; Woodruff, Ole Miss, second, and Hall, Lynx, third. Time 23.3 seconds.

Low Hurdles, 220 Yards—Biggers, Ole Miss, first; King, Lynx, second, and Ford, Lynx, third. Time, 27.1 seconds.

440-yard Dash—Biggers, Ole Miss, first; Lloyd, Lynx, second, and Capers, Lynx, third. Time, 54.8 seconds.

Two-mile—Wright, Lynx, first; Upchurch, Ole Miss, second, and Huffman, Lynx, third. Time 10 minutes 43.7 seconds.

Relay—Bynum, McMillan, Capers and Lloyd, Lynx, first; Brown, Biggers, Brent and Meeks, second. Time, 3 minutes 59.1-2 seconds.

## FORM INDOOR BALL LEAGUE

### Chosen According To Ability At Ball

Southwestern's newest athletic team is the varsity indoor team which has been selected impartially by representatives of the respective classes. The players have been chosen according to the ability they exhibited in the inter-class league games of last month, and are as follows: Gerard, c; Bowen, p; Hightower, 1b; Kimbrough, 2b; Davidson, 3b; Nickle, big short; Brigrance, little short; Parnell, rf; Barbour, cf; Capers, lf; Hagan is serving in the capacity of water boy.

Games have been secured with several of the fastest indoor teams in this part of the country and some heated encounters may be expected.

## Freshmen Have 2 Tilts With M H A

The Southwestern Bobcat ball twirlers met the Mississippi Heights Academy Wednesday and Thursday in a two-game series at Blue Mountain, Miss.

The freshman won from Ole Miss Monday 8-5 with Johnson in the box. They dropped the second game to Ole Miss boys Tuesday 15-6. Bill Jones was the pitcher.

## GIVE LETTERS AT SEASON END

### Six-Inch Block Will Be Awarded Soon

Letters will be awarded members of the track, baseball and tennis teams at the conclusion of the respective seasons. The men who will be given letters will be chosen at that time and presented their letters.

Since the tennis team is in competition until the end of the term, the members to receive letters cannot be chosen until that time and will not be presented letters until then. The letter for the minor sports is a six-inch block and each bears the emblem of the sport.

*We believe that educated people should understand these truths.*

Public Utilities render services that are essential to modern living standards.

These services directly contribute to the convenience and comfort of people hourly each day. They have raised living standards, brought us up to a new plane of material existence; and are, in fact, the agencies by which modern living standards are maintained.

Without these services, present-day conditions would be turned backward half a century, and we would revert to the days of the tallow candle and the ox-drawn cart.

In addition to their contribution to the convenience and comfort of people, utilities are economic factors of important worth to their communities—stimulating channels of trade and business activities with their large pay-rolls and immense purchases of supplies.

These are facts that educated people should understand.
