#### ANNUAL PLANS AWAIT RULING

##### Contract For Pictures To Cassaday

Plans for the annual of the Ministerial Club are still hanging fire due to the failure of the Publications Board to permit the parsons to solicit ads.

The work on the body of the annual is progressing, and Russell Cross announces that they have procured the services of Mr. Cassaday, formerly of Gray's Studio, who will handle all the pictures that will be in the annual.

**Pledge Turner**  
The Kappa Sigs take pleasure in announcing the pledging of Ed Turner, Summer, Miss.

#### Roosevelt Gets Big Majority In Straw Ballot Conducted By The Sou'wester

Hoover Second; Thomas Third; Andy Gump, Eddie Cantor, and Arthur Womble Also Get Votes

Franklin Delano Roosevelt, the champion of the Democratic party, is Southwestern's choice for the next President of the United States. Out of 369 votes, Roosevelt received 268, which is six times as many as his nearest competitor. 72.6% of Southwestern's student body are strong for him, and, if their opinion has anything to do with the election, he will win with the well-known landslide.

**HOOVER GETS 44**  
Herbert Hoover polled only 44 votes—only 11.9% of the student body think he will make a good president. Hoover received less than one-sixth as many votes as Roosevelt. Maybe the majority of Southwestern students have traced the cause of the depression to his door.

**SUPPORT THOMAS**  
Thirty-four Southwestern students do not favor the Democratic or Republican party. They favor the Socialistic doctrines of Norman Thomas. Thomas received votes from 9.2% of the student body, which is only ten less than the number received by Hoover.

This means that approximately one-tenth of the student body do not approve of the alleged "political freedom" of these United States of America. They stand for radical changes, and they hope to see them made under the leadership of Norman Thomas.

**OTHER CANDIDATE**  
The "other candidate" named on the ballot received 13 votes, which means that 3.5% of the student body are not for Roosevelt, Hoover, or Thomas. Evidently these 13 have political notions that are between those of the Republicans or the Democrats and those of the Socialists.

#### Chi Delta Phi Gets Three Sophomores

Chi Delta Phi, national literary fraternity, entertained last night with a banquet at the Parkview Hotel for the active members. The initiation of the three new members, Olivia Reames, Dixie Hesse, and Margaret Tallichet was held.

Present officers of Chi Delta Phi are: Harriet Storms, president; Anabel Cox, vice-president; and Mary Kennedy Hubbard, secretary-treasurer.

#### Ding Bat Bug Bites Southwestern

Can you ding-bat? This is the important question being asked by Southwestern students today. Ding-batting is sweeping the campus by storm, and a great future is predicted for it in Southwestern.

**FROM 'BAMA**  
The fad arrives direct from the University of Alabama campus, where we are informed the students are 100% ding-batty.

**UNCROWNED KING**  
High Priest Bearden claims the ding-batting championship of Southwestern. Fred, by practicing diligently for a couple of days and nights, has perfected his chop drive, backhand, and lob shots.

He claims the crown for both plain and fancy shots, and is willing to

#### VOLUNTEERS TO MEET OCT. 30

##### John Chung To Speak On Korean Conditions

The committee consisting of Bob Pfrangle, Russell Cross, J. B. Breazeale and Vernon Pettit has completed plans for the next meeting of the Student Volunteers but, as the first vesper service will be held this Sunday, the meeting has been postponed until next Sunday, October 30.

**CHUNG SPEAKS**  
The meeting will open with the regular devotional service led by Bob Pfrangle. The topic for this meeting will be "Missionary Conditions in Korea Today." John Chung will be the speaker, and his talk should prove most interesting as John is the one person on this campus who has seen the works going on in Korea and can speak of conditions as they exist.

Vernon Pettit has been working with Dr. Young and has arranged to read several letters received by him from Korean missionaries after Chung's talk. New students and all others interested are again extended a most cordial invitation to meet with this group and enjoy their programs.

#### Journal To Be Out In Early December

Henry Oliver announces that "The Journal" quarterly literary publication, will make its appearance around the first week in December. The Journal is made up of a group of stories, poems, articles, and sketches submitted by the students. All material should be turned in to Rodney Baine, assistant editor, as soon as possible.

#### Freshman Statistics

Tennessee has more representatives than any other state, statistics released by the business office reveal. There are 118 entered from the Volunteer State. Mississippi follows with 38. Other states represented are Arkansas and Louisiana 5 each, Alabama 4, and Kentucky, Missouri, and South Carolina with 1 each.

The honor of the freshman living the greatest distance away from Southwestern goes to Arthur B. Baskin, who hails from Bishopville, South Carolina.

Clarksdale, Miss., sends the largest number of students of any town other than Memphis. The Clarksdale freshmen are: Alex Gilliam, Glenn Gates, Harvey Heidelberg, Curtis Johnson, Murray Raspberry and John O. Wallis, Jr.

#### BEECHER LEADS BIBLE CLASS

##### Start Study Of New Book

Charles Beecher will be in charge of the program of the Men's Bible Class, Sunday morning at 9 o'clock. The class will begin a study of Dr. Egbert Smith's "The Desire of All Nations."

This is a most interesting book on mission, and should prove of great value to all those who attend the meetings. Dr. Smith spoke at the Evergreen Presbyterian Church on the first Sunday evening in October, and proved himself a capable and interesting speaker as well as an inspiring and efficient author.

Young Wallace, Robert Pfrangle, James Overholser, and Berry Holt will also make short talks in connection with the discussion.

#### Report Period Ends Wednesday, Nov. 8

The first report period ends on Nov. 8. The professors will turn in the grades on that day, and the reports will be out the latter part of the week to the tune of weeping and wailing.

#### INVADERS HAVE POTENT TEAM FOR COMBAT

##### Hattiesburg Coached By Pooley Hubert

##### THIRD S. I. A. A. TEAM

##### Lynx To Try and Keep the Conference Lead

Tomorrow the Southwestern Lynx engage the Mississippi State Teachers on Fargason Field. The game is one that has been long awaited by the Southwesterners.

Last year the Pedagogues spoiled a perfectly good Lynx record by upsetting the Memphis aggregation in Hattiesburg by the score of 13 to 7. Southwestern has chafed over this defeat and they mean to eradicate it tomorrow. The Lynx want revenge.

**S. I. A. A. TEAM**  
The game will be Southwestern's third S. I. A. A. encounter, and the Lynx are anxious to keep their slate clean in the Conference.

The Haygood-Miller boys are tied for the conference leadership with two victories and no defeats. They would like nothing better than to use Pooley Hubert's crew as a stepping stone to an undisputed leadership.

**GOOD SHAPE**  
The Lynx team after a week of hard work is in good shape for the contest. All the gridders have recovered from the mauling which they received in the Sewanee game and are rarin' to go.

**POINT FOR LYNX**  
The Teachers have had a two weeks' layoff, not having played a game last week. Dispatches from the Mississippi town say that they have been pointing to the Lynx game and are anxious to win over the Bluff City aggregation.

Probable Lineup:

Teachers	Position	Lynx
Lever	L.E.	Barnes
Saucier	L.T.	Fortenberry
Britt	L.G.	Fox
Ott	Center	McCormick
Grimes	R.G.	Bearden
Johnson	R.T.	Hebert
Halbert	R.E.	Perrette
Bilbo	Q.B.	Love
Burns	H.B.	Elder
Taconi	H.B.	Pickens
Wilson	F.B.	Knight

#### "S" Club Awards Two Memberships

In reward for their work during the football season last year, Cole Henry and Wilburn Jenkins have been admitted to the "S" club as honorary members.

These two students acted as coaches in helping the players keep up in their subjects. In order to attain this honorary position the pupil must pass the subject in which he is being coached.

**Name Senior**  
Eloise Brett, president of the active chapter of Chi Omega, is the newest member of S. T. A. B. She was introduced last Friday, and will now wear the red and white on that day.

**Pi. K. A. Pledge**  
The Pi Kappa Alpha announces the pledging of John Dix of Memphis.

### ATTEND THE VESPER

Sunday afternoon at 5 o'clock, Southwestern students will have an opportunity to attend the first vesper service of the year. The Senior class and members of the Christian Union are putting forth every effort to make the program worthy of good attendance from the student body.

The college choir under the direction of Louis Nicholas has been at work on the music for several weeks. This in itself should merit the presence of the students as much so as at any other Southwestern activity.

The committee of seniors in charge have succeeded in getting a speaker of exceptional interest, and an inspiring talk is promised. This Vesper Service is the work of our own student body, and by merely lending your presence you will not only benefit, but those in charge will feel that their time has been well spent also.

## Just a Bit of Dorm Life

### Calvin Hall

Shades of Al Capone! Believe it or not, there has been gang war in Calvin Hall. I was talking to one of the victims of this terrifying faction, and he related how he had slightly displeased one of the "crime barons" and as a result, he suffered the penalty.

### PENALTY

The penalty? Well, if you walk into your room and find it in utter chaos, you may know that you, too have been a victim of a gang member. At present the two greatest gangsters are Freshmen Weddington and Drake. Everyone is ill at ease for there is nothing to which fellows in the "racket" will not resort. Although here are only two leaders now, I would suggest that the residents of the dormitory keep an eye on Marion Cobb.

### IN HIDING

Some of the fellows are complaining that they see so little of Russell Cross. That is easily explained. Russell is deep in the direction of a play, entitled "Thursday Night." Sounds interesting, doesn't it? From what I am able to find out, there is only one woman in the cast, and she is Virginia Watson. Whoops!  
 Herman Bass has been ill for the past few days, but he is much improved now.

### Evergreen Hall

The dormitory was a pretty lively place last week-end due to all our visitors. Thelma had two friends from Blytheville over for the Sewanee game. Elmer Draughon, a former student here and Nell's room-mate, also came up to see the game and get a look at the old Alma Mater. Winced Morgan, Martha's visitor, came up to all expectations and one little girl was heard sighing for a man like him.

### NEW MUSIC

Margaret Schied bought two new pieces of music and Evergreen is no longer quiet. Everyone is trying their hand when the fair musician bursts into song the results are terrible. Dean, or regular visitor, seems to be the only one that can stand it, and whenever he's around he always joins in. It is not certain that he adds more to the melody but, at least, the volume is always much greater.

Hazel Corley spent Saturday and Sunday in Little Rock and came back all excited over "somebody." She also claims that she saw a footba'll

game as exciting as our own Sewanee game but no one believed it possible.

### Stewart Hall

Believe it or not, the turtle, the slowest of animals, sometimes excites speed of super human proportions in mere animals. Such was the case in regard to Zeke Knight the other evening.

### STARTLED

The Sheriff had just retired after a hard day's study. And then it happened. The suddenness and the complete abandon with which the big fullback hurtled from the inviting confines of his bed were appalling. An intense look of grim determination lighted his comely countenance.

Such an expression might well have struck horror into the hearts of the most worthy of football opponents. But there were no adversaries of that nature, but only a rather insignificant looking turtle dangling from one of the mighty one's toes. HE had been surprised.

As if in sympathy with his crippled roommate, Chicken High, "Pick" parted with a front tooth in practice Monday. Needless to say his manly beauty is temporarily impaired. Toxy Fortenberry has also been laid up for several days. He suffered a wrenched back in the Sewanee game. All the ailing inmates of Stewart are convalescing nicely.

### Robb Hall

Robb, the quiet hall, was a scene of disturbance and turmoil from 6 until 9 o'clock Tuesday night. The very walls trembled so loud was the noise, and great was the confusion.

The third floor was used as a parade ground and all inmates, who had had any military training, were participants in the noisiest sham battle of all times.

The uniforms consisted of two piece underwear and house shoes, boards substituted for guns, and Fred Bearden acted as commanding officer for both sides. So fierce was the conflict that the boards, used for guns, were torn to splinters before the battle was half done. The sides were so evenly matched that neither had a decision when the untimely arrival of Dr. Cooper stopped negotiations.

The battle will be resumed as soon as Dr. Cooper is absent after dark. There were at least forty spectators present and they decided that Bearden is the most spectacular general of all times.

## Campus Candle

The Sewanee-Southwestern dance was completely the doings. Aylmarie Pearson, that cute little red-head; Peggy Walker, who was looking very happy for some unknown reason; our sponsors, Weeks and Gautier; and Kate Cleveland, always one of our favorite people, were all there completely outshining the debutantes who were the honored guests.

*Speaking of debutantes, little Mary Abby, who is doing big things socially this year, will be back in school the second semester. Abie says she must have that degree.*

Eleanor Trezevant has been limping about for several days since her nose-dive into the gutter during the parade, a quite convincing display of school-spirit. Audrey Townshend has been nursing a few scratches, too, to mention only a few casualties out of many sustained. My, my, didn't we play rough!

Have you ever heard Dixie Hesse sing like Helen Kane? She "boop-boop-a-dooops" so realistically that every time any of the Chi O's get together, little Hesse has to do her imitations. "It was all right the first hundred times," groaned Dixie, "but gosh!"

Vernon "Torchy" Pettit is this column's nomination for the

model student. He got so interested in his lab work Saturday night, he forgot to go to the dance. There are those suspicious ones who say that Burton's beau from home had something to do with it, but we think Pettit has the true scientific urge.

## COLLEGE CLUB AGAIN RESUMES SAT. DANCES

Hold Dance At Peabody Hotel

## HONOR GRIDDERS

Large Crowd To Attend Third Affair

The dance at the Gayoso last Saturday was great but it is not like having our own College Club dances at the Peabody in the Italian Room. After an exciting game against Hattiesburg Teachers College Saturday afternoon, an enthusiastic crowd is planning to go to the College Club.

### HONOREES

The two football teams will be honored as usual and the no-breaks will be the same as at the previous College Club dances. Soft lights, lovely girls, handsome boys, pep, and gaiety will be the chief characteristics of this dance.

### DATES

Among those planning to attend are Kate Cleveland and Andrew Edington, Edna Barker and Lewis Graeber, Charlotte Berlin and Charlie Maxey, Virginia Watson and Dicky Dunlap, Katherine Stratton and Ben Edwards, Tress Canale and John Hines, Priscilla Painter and Bill Hawkins, Clara McGehee and Bill Thomas, Helen Gordon and Oliver Cobb, Dorothy Smith and Claude McCormick, Margaret Tallichet and Dan Ross, Martha Chase and Russell Perry, Ann Brown Taylor and Franklin Kimbrough, Zelta O'Brien and Julius Klaus, Ann Sullens and Billy Hughes, Sally Griffin and Sidney Strickland, Alice McSpadden and Alex Powers, Aylmarie Pearson and Charlie Kennedy, Sara Naill and Drayton Smith, Seldon Ford and Jack Crosby, Kathryn Harris and Traverse Read.

## College Snares Kin Of Former Studes

Younger Brothers And Sisters Attend

Coming to Southwestern seems to be a family affair for a large number of the new students are sisters or brothers of former students. Anne Galbreath's little sister, Kate, is here this year as is Jane Barker's sister, Edna.

Priscilla Painter is the sister of Marion Painter, a former student of Southwestern. Eleanor Trezevant's sister, Anne, attended our school several years ago. Albert Erskine's young sister, Jane, is out this year, as is Kathryn Bigelow's sister, Adele.

### ANOTHER DAVIS

Martha Chase's brother George, is surely remembered by many, for he attended our college about two years ago. Marjorie Davis, sister of the famous Davis family, Meredith, Virginia, and Katy, is keeping up the illustrious family name this year.

Josephine Farley's young brother, John, is entered as is Dorothy Cobb's brother, Marion. Lucille Woods is the sister of Mrs. Philipp O'Donnell, who was Miriam Woods.

## New Constitution Is Adopted By Council

Free Phone May Be Yet Installed

According to Dutch Bornman, the business brought up at the student council meeting Monday, is still unfinished business. However, a constitution, submitted by Bornman, Franklin Kimbrough, and Goodlett Brown, was definitely adopted by the council.

### FREE PHONE

The free telephone proposition was seriously considered, but as Dutch says, "It's a rather expensive proposition the way things are now." No definite plans were made. The council agreed to get uniforms for the cheer leaders.

### Pi Elects

Pi, intersorority group, has been "bringing out" pledges for the last three Tuesdays, and Dixie Mae Jennings was the lucky girl Tuesday, 18th. Other pledges will be "brought out" in the near future, it was announced today.

## HIKERS HAVE BIG OUTING

Go To Riverside Park For Hike

The Hikers Club held their first hike Thursday, October 13th. The club, their leaders, Olive Black and Grace Braun, and Louise Stratman, had a two mile stroll on the banks of the Mississippi River. They rode to Riverside Park, and after depositing their things in a nice spot started out.

### CASUALTIES

There were a few casualties but none were serious. "Hippo" Davis (Catherine to you), insisted on helping the banks cave in, and Jimmie Kate Johnson had to be "bribed" away from a huge spider she wanted to keep for fellow biological inspectors.

### CAMPFIRE

The weary walkers gathered, after looking for persimmons and finding only green ones, made a fire, with the help of Martha Shaeffer and "Hippo," who strikes matches where most girls can't, and roasted weiners, ate bananas, cakes, and drank cokes 'til the sun went down and the moon came up.

The merry group was then forced to disband as they were being tortured by mosquitoes, to say nothing of Jimmie Kate's and Katy's terrible harmonizing.

"Were you ever struck by lightning?"

"I don't remember."

"Don't remember?"

"No. That is a trifle with me. I've been married ten years."

## Lynx Graduates Assume Faculty Roles Imparting Knowledge To Undergrads

Professors McIlwaine, Atkinson, MacQueen, Monk, Orr, and Bates each At Alma Mater

Several of Southwestern's graduates have returned to their Alma Mater to serve as instructors for future graduates of this beloved old institution Dr. W. R. Atkinson, Prof. M. L. MacQueen, Dr. Samuel H. Monk, Prof. A. S. McIlwaine, Miss Barbara Bates, and Prof. William Orr, all professors, are former students of Southwestern.

### DR. McILWAINE

Prof. McIlwaine has a long list of achievements to his credit. During the three years that he attended Southwestern, he was athletic editor of the Sou'wester; assistant editor of the "Pioneer"; vice-president of Sigma Upsilon; president of the senior class; member of the "S" club and "Order of the Torch"; a member of the baseball team for two years, and a member of the Kappa Sigma fraternity. Later he received his M.A. from the University of Chicago.

### PROF. MONK

Prof. Monk, an S. A. E., was editor of "The Sou'wester," a member of the Modern Language Assn., and won first honors in his class of '22. He received his A.M. and Ph.D. at Princeton.

### DR. ORR

Prof. Orr, who was the highest ranking student in his junior class, was a member of O. D. K., Alpha Theta Phi, the debating team (for three years), the Nitist Club and the Ministerial Club, and was vice-president of the student body. He recently won a fellowship which entitles him to a year's further study in either Scotland or in the U. S. Prof. Orr later obtained his Bachelor of Divinity from the Louisville Presbyterian Seminary.

### MISS BATES

Miss Bates was always among the highest-ranking students scholastically during her four years here. She was a member of Chi Delta Phi and of Alpha Theta Phi scholastic groups.

### DR. ATKINSON

Dr. Atkinson attended Southwestern only during his freshman year, 1913-1914. He obtained his B.S. and Ph.D. degrees at Peabody College, and his A.M. at Columbia University. He was an S. A. E. and was outstanding in campus activities.

### DR. MacQUEEN

Prof. MacQueen, who with Prof. McIlwaine, is working on his Ph.D. at the University of Chicago, took time off from his studies to enter the World War, unfortunately never getting to France. He was graduated from here in 1919, and received his A.M. degree later at the University of Wisconsin.

## ALUMNAE ASSN. HAS MEETING

Will Convene At Z. T. A. House Next

Southwestern alumnae met Tuesday, October 18, at 6:30 P. M. in the A. O. Pi house. Minnie Lundy, the new president, presided over the meeting. The most important business to be discussed was a plan, which Olive Walker, the alumnae secretary at Southwestern, proposed of financing the woman's undergraduate society and of linking it more closely with the alumnae association.

After the business session a program was presented. Nell Holloway sang two vocal selections, "Violets," from the Prince of Pilsen, and "Nocturne," by Curran. The speaker of the evening was Dr. C. L. Townsend. He gave a reading, "Amorous Pokey," by Mille.

There were about forty guests present and after the program coffee and cakes were served. The hostesses for the evening were Minnie Lundy, Olive Walker, and Mrs. John Rollow. The next meeting will be at the Zeta Tau Alpha house and the hostess will be Frances Fisher, assisted by Sarah Johnson and Jeannette Spann.

## Make Cloak Room To Store Vestments

The ante-room adjoining the Sou'wester office has been turned into a cloakroom in which the caps and gowns of the choir and O. D. K. will be stored while not in use.

There will be action plenty in the Dixie circuit this week, with three games being between Conference teams. One of the outstanding engagements will be the one between Birmingham-Southern and Centre.

**FIRST DIXIE FOE**  
The Praying Colonels have not yet met a Dixie league team. Last week they dropped a close game to Boston 6 to 0. Birmingham-Southern, who beat Miss. College 6 to 4 in a thrilling game, should prove the mettle of the Kentucky team.

The Chattanooga Moccasins went down in defeat at the hands of the strong Catholic U. team of Washington, D. C., 19 to 0. They should beat Howard, who lost an intersectional game to North Dakota 39 to 7.

**MILLSAPS PLAYS**  
Mercer should breeze through Furman easily, after a week of rest. Millsaps will find Miss. State a much tougher opponent than Spring Hill, whom they walloped 30 to 0.

**SPRING HILL CARDED**  
Miss. College, who dropped a close one to Birmingham-Southern 6 to 4, will endeavor to improve her standing at the expense of Spring Hill.

Southwestern, after dropping a furiously fought battle to Sewanee 8 to 6, will attempt to revenge her last year's defeat at the hands of Hattiesburg State Teachers.

### GIRLS SPONSOR MANY SPORTS

Tennis, Rifle Squad, And Swimming On Tab

The tennis tournament for the new girls is still in progress and third round matches are being completed this week. Several stars have been found in the freshettes' ranks and those still battling for the championship are Smith, Naill, Brewster, Martin, and Stratmann.

Today the Rifle club will be organized and many co-eds are going to show their skill and claim to be very handy with a rifle. The girls that helped to organize this with Louise Stratmann are Ann Sullens, Hazel Corley, Eugenia Weeks, and Margaret Hyde.

**SWIM ATTRACTS**  
However, the thing that is attracting the most attention at present is the coming inter-class, inter-sorority swimming meet which will be held sometime during the second week of November. No girl will be eligible unless she has attended three or more practices. The meet will be held at the Nineteenth Century Club pool.

Margaret MacNicol and Jimmie Kate Johnson are in charge of all events. They are planning, among other things, a diving contest, a free-style race, an under-water swim for distance, and a back stroke race.

### Pool Table Donated To Athletic Group

No longer must members of the "S" club spend their off hours in the noisy region of the men's social room, for now they have a meeting place all their own.

The new "S" clubroom is located in the coaches' office behind the gym. A table has been placed here and the husky football players can now play pool and ping-pong to their heart's content. The table was donated to the club by Charles Crump.

## LYNX GUARD

FRED BEARDEN

One of the bulwarks in the center of the line that the Lynx will depend on tomorrow will be Burly Fred Bearden. The Alexandria boy has been turning in some good performances for Coach Haygood this fall and has been one of the big guns of the Lynx defense.

## PICK THE WINNERS

The Sou'wester will conduct a contest each week for the students so that they will have a chance to pick the winners of the various standout football games throughout the country. The one who picks the greatest number of winners each week will be awarded a pair of passes to a local theater.

Check the team that you think will win tomorrow. Then put the slip in the box that has been placed in the College Supply Store. All slips must be in by 1 p.m. tomorrow. Be sure to put your name at the bottom of each slip.

Mary Mac Eddins and Corinne Gautier are the two sponsors selected to wear Southwestern's colors when the Lynx meet Mississippi State Delta sorority.

Mary Mac is a new student at Southwestern, having been transferred here from Christian College at Columbia, Mo. She is an A. O. Pi pledge. Corinne is a member of Tri-

## Contest Winners

Harold High and Toxey Fortenberry proved to be either more expert or luckier than the other contestants in picking the winners in last week's Sou'wester football contest. Both picked twenty winners out of the thirty games. As four of the games were ties, consequently being thrown out, this was a respectable average.

Over 100 students participated in the contest. Riley McGaughran proved that as a football prognosticator, he is a good two-miler. The lanky track man "guessed" eight right. Kate Cleveland led the lady contestants with 19 correct.

Both "Chicken" and Toxie have received a brace of passes to an uptown theater.

## TIGERS WIN OVER LYNX, 8-6

Intercepted Pass Is The Deciding Factor

On a dreary, drizzly afternoon, Southwestern's Fighting Lynx finally bowed to the mountain Tigers of Sewanee. It was a great battle, with both teams fighting tooth and nail for every inch. The final score was 8 to 6 in favor of Hek Clark's boys, and the game was just that close.

### FIRST BLOOD

Harold High drew first blood for the Lynx in the first quarter. The brilliant little Lynx captain, aided by some wonderful blocking on the part of the whole team, squirmed, twisted, and side-stepped his way 74 yards through the entire Sewanee team for a touchdown. He had just caught one of Swede Nelson's long, high punts and he made a beautiful run with it.

### SEWANEE DRIVE

Sewanee made a beautiful drive to the Lynx four yard line. There Southwestern held them for downs. Captain Morton, however, broke through and knocked Newton's punt out of bounds behind the goal line for an automatic safety.

### PUNTING DUEL

The game continued to be a defensive masterpiece, and a punting duel between Nelson and Newton. In the last quarter came the break that decided the game. Love threw a pass intended for Mac Elder out in the flat zone, but a speedy Sewanee substitute back named Charlie Underwood intercepted it and ran 47 yards for the winning touchdown.

## CO-EDS PREP FOR AQUATICS

Events Announced For Girls' Swim

Southwestern co-eds will be given an opportunity to display their aquatic ability when the women's athletic association sponsors its inter-sorority and inter-class swimming meet. The meet will take place the second week in November. All girls wishing to participate should sign up as soon as possible.

The events are as follows: fancy diving, breast stroke, under-water swim, back stroke, free style, crawl (50 and 100 yds.), plunge, and a relay.

## BOBCATS MEET STRONG TEAM IN JR. COLLEGE

Defeated Mississippians Last Year

GAME STARTS AT 3

Both Teams Ready For Hard Battle

The Bobcats tackle Holmes County Junior College of Goodman, Miss., this afternoon at 3 P. M. on Fargason Field. Last year's yearling crew defeated the Mississippi boys and the present freshman edition hopes to repeat this victory.

### JONES RETURNS

Harvey Jones, frosh blocking back, is back in harness again and the baby Lynx will have their full strength ready for the game.

The Bobcats are amply provided with backs. Whitaker may start the job at quarter, although Coach Miller has Jordan and Mays ready for the signal barker's post.

### CHRISTIAN OUT

Banks Christian, who starred at previous games for the freshmen, will be missed, as he has dropped out of school. Harwood will probably be at full, with Harvey Jones, Mann, Hutchinson, and Jack Elder available for halfback duty.

Rasberry and Hammond will be the ends, unless Hammond is switched to tackle and Hawkins placed at a terminal position. Tapp, Lloyd, McKendrick, Haygood, Benton, Lumpkin, Grymes, and Dix are ready to go at the line posts.

## BUSBEE MAKES INDIANA TEAM

Ex-Lynx Star Is Playing Guard

Friends of Westley Busbee, former Bobcat football and track star, will be pleased to hear of the fine progress that the big boy is making with the Indiana U. football squad. The following is an excerpt from the Indiana Athletic Review, which is the I. U. football program and athletic magazine:

"Wesley Busbee, Laurel, Miss., sophomore, ranks as outstanding possibility at guard on Indiana University football team. Plenty of size and very fast. Good coming out of the line. Also can play end. Weighs 190, 6 feet tall."

The above appeared under a very good picture of Busbee.

## Lynx Club Blazers Given 15 Members

During the past week, quite a bit of color has been added to the campus with the boys promenading in their new Lynx blazers. This year 15 new coats were given.

**SPANISH CLUB MEETS, ELECTS**

**Meeting Held To Name Officers**

The Spanish Club has its first meeting of the year last night at 8 o'clock at the home of Mildred Brandes, 1287 Peabody Ave., one of its members. The purpose of the meeting was to elect officers.

The entertainment afterward was in the form of a Spanish Halloween party, and the decorations carried out that idea.

**"B" GRADE**

All the students who make "B" in Spanish 53 are invited to be members of the club, but all the students in the course were invited to this meeting. Later the membership will be narrowed down to its usual exclusiveness.

**Ex-Lynx Engaged To A Mississippian**

Announcement of the approaching marriage of Lorraine Mitchell, Tupelo, Miss., former Southwestern student, and a graduate of the class of '31, to Jeff Cunningham, prominent Mississippian, is one of special interest to Lynx students.

Miss Mitchell was one of the most popular members of the Chi Omega sorority during her two years' stay on the Lynx campus. She transferred to Southwestern from M. S. C. W. Mr. Cunningham is a member of the Pi Kappa Alpha fraternity and will begin his pastorate this year.

Reynolds—I'm so afraid here in the dark.

Wilson—Don't be afraid, I'm here with you.

Reynolds—That's what I'm afraid of.

**DUNLAP WINS Lynx Prof Spends Summer Gathering TENNIS MEET Botany Specimens In West Virginia**

**Defeats Ross In Four Set Final**

Dickie Dunlap defeated Dan Ross in the finals of the annual fall tennis tournament at Southwestern Wednesday.

In the finals Dunlap beat Ross in a spectacular four set match, 6-2, 4-6, 6-4, 6-2, making the steady frosh the tennis champ of Southwestern. The match was hard fought to the very end and was much closer than the score indicates.

From the looks of the material displayed in this tournament Southwestern should have one of the strongest tennis teams in the conference this year.

**Four Members To Be Named by Nitist**

The next meeting of the Nitist Club will be brightened by a group of invited men who will attend in the capacity of probationary members.

At the meeting, which will take place the second week in November, the guests will be given an opportunity to participate in the discussion at which time their ability will be observed by the club.

Those invited were: Dan Ross, MacLemore Elder, Morris Heins, and Louis Nicholas.

**Margaret Mercer Entertains A. O. Pi**

Margaret Mercer of Jackson, Tenn., is honoring the members of Alpha Omicron Pi with a house party the week-end of October 29. Margaret will entertain with a dance for her guests who will ride up to Jackson in a private Pullman car.

**Dr. Harris Accompanied By Three Scientists Work In Mountains. Never Shaved Once**

Probably one of the most interesting trips taken by any of Southwestern's faculty during the past summer was that spent by Prof. Coleman Harris, instructor in Hygiene, Botany, Etymology, and Natural History, in the mountain regions of West Virginia.

The journey was undertaken by Prof. Harris, who, incidentally was the youngest one of the group, and four other men, three scientists and an Army cook. They spent three months, from the first of June to the last of August, in West Virginia, gathering plants and rare botanical and etymological specimens.

**WORK EVERY DAY**

The five men enjoyed what might be called a "vacation of work." Every morning, including Sundays, they arose at five o'clock, ate breakfast, and wandered off together in search of plants, many of which are native only to West Virginia. At night, after supper, they sat around a blazing log fire, identifying the collected specimens. On most nights, this required four or five hours' work, so that it would be almost eleven before they "hit the hay."

**1100 SPECIMENS**

Included in their equipment was their own electric light system, which facilitated the identification and drying of their flora and insects. This work was accomplished by putting the specimens in a dryer of blotting paper and a press, and giving them both their technical and common names. Almost 1100 new specimens were collected and identified by the four scientists during the summer.

**FIND SUNDEW**

Some of the rarest plants found were the Sundew, the Twayblade Orchid, several curious mosses, and two species of wild cranberry. Almost three quarts of the Sundew was brought back to Memphis by Prof. Harris. All of the specimens he keeps in "burying cabinets" on shelves in his home.

**NEVER SHAVED**

The party never once shaved during their three months in the wilds, and Prof. Harris' goatee was their outstanding example. Almost the entire trip was spent around 3,800 feet above sea level, and it was never warm enough to do without at least 4 blankets on their beds at night.

"The flora that high up in the mountains of West Virginia is equal to any in Canada," said Prof. Harris, during the interview. "It was the finest trip I've ever been on, and I hope to go again next summer."

**MOUNTAIN CLIMBING**

"I thought I was good at mountain climbing until I saw the other three men, one of whom was 68, go up a hill. It just proves the value of outdoor life. There, in Cranberry Glades, our headquarters, miles from normal civilization,—there's nothing that can equal it."

**SUMMER STUDY**

Prof. Harris hopes, he says, to organize a local botany class which will spend a summer in Arkansas in the same way he did this past year. Full credit will be given, the same as if the students had taken two semesters of Botany at college.

**STRAW BALLOT**

(Continued from Page 1)

**ANDY GUMP**

The old staunch, straightforward, honest and true friend, Andy Gump, finds 8 supporters in the student body. 24% of Southwestern students believe thoroughly that Andy would make an excellent president. Good for you, Gumpers!

We will bet that Andy can't wait to chink his ten-gallon hat in the ring when he reads of your staunch support.

**CANTOR**

Eddie Cantor has one supporter in Southwestern. He seems to think that Eddie's old campaign slogan, "Don't say can't, say Cantor," will enable him to walk away with the election.

**ART WOMBLE**

One student thinks that Arthur Womble will make a good president. We don't know, but we have an idea that Womble's vote (oh, yes, he got one) comes from one of our fair freshettes who has been impressed by seeing Womble ramble up and down the gridiron.

**Nitist Club Will Meet Wed., Nov. 16**

At the next meeting of the Nitist Club, which will be held Wednesday, November 16, at 6:30 P. M. in the private dining room of Neely Hall, 10 new members will be installed.

**INTRA-MURAL DEBATES START**

**First Debate Held On Election Question**

The first of a series of intra-mural debates was held Thursday evening in Hardie Auditorium. The question of the debate was "Resolved That the Republican Party Should Be Returned to Power in 1932."

**DEBATERS**

The affirmative side of the debate was upheld by Morris Heins and Robert Walker, while the negative side was argued by Earl Christian and Richard Dunlap. A fair-sized crowd sat in on the debate and it was very interesting from start to finish.

**MORE LATER**

The debating club is planning a number of other intra-mural arguments for the near future, and other debaters will have an opportunity to speak. The club is using the debates as a means of getting a line on the new material in the club and find possible varsity debaters for the approaching forensic season.

**Jones and M. Davis Elected To Council**

Harvey Jones, Andalusia, Ala., and Marjorie Davis, Memphis, have been elected as the freshmen representatives to the Honor Council.

The council nominated two girls and two boys for the class to vote upon. The other candidates were Sarah Nail and Jerry Porter. The balloting was under the direction of James Daimwood, president of the council.

**This And That**

Charlie Ledsinger threatens to go into seclusion. What will all the fair maids of the school do if he carries out this drastic threat?

The most outstanding club on the campus is the "Oddity Society." It held its first meeting Tuesday at the entrance of the book store. Bill Taylor, the ole "Micetrap," was chosen president because of his ability to look like a poor fish, to go like a goat, a pig and a horse. Margaret Tallichet was elected vice-president, for she has ability along those lines, too. There are 13 other celebrities who belong to this club. Their names and new members will be announced later.

Peggy Walker and Cornelia Henning are among the large number of Memphis girls going to Sewanee this week-end for the football game, tea dance, and night formal.

Ned Wright, looking extremely happy the other day, was flashing a letter about. Gee, Ned, give the Southwestern girls a chance!

Some of the girls about the campus are wondering why one of our big blond football heroes shoots them such a line at dances and yet is too timid to ask them for dates.

What's all this about Womble's "take-off" on Chicken High the other night?

Tress Canale is throwing a party for the A. O. Pi's from 5 to 8 this Saturday afternoon in the ball room of her home.

Dr. Monk, Dr. Townsend, Dr. McIlwaine, and Mrs. Townsend have consented to serve as judges in selecting the three plays to be produced.

## Ministerial Club To Meet Tonight

The Ministerial Club will meet tonight in the private dining hall at 6 o'clock. A musical program has been arranged with William Bensberg as chairman. J. B. Brezeale will conduct a short devotional after which the following musical program will be rendered:

"Prelude in C Sharp Minor" by Rachmaninoff...Chas. Hamilton

"Largo" by Handel

Prof. E. G. Haden

"Others".....Louis Nicholas

Plans for the radio program will be discussed, as well as the next deputation service, which will be a visit to the Sunshine Home, a home for aged men on South Third Street.

## Christian Union To Hold Prayer Series

At the meeting of the Southwestern Christian Union, Monday evening, plans were completed for the first of a series of vesper services to be held throughout the college year.

The first service is to be held Sunday. Bob Pfrangle, president of the organization, said that a schedule is being completed whereby there will be a speaker for every meeting in a series of special prayer meetings that will be held during the month of January.

## Publication Board Considers Requests

The Publication Board met Thursday in the private dining room. The meeting was called by the president, Harte Thomas, in order to discuss the advisability of having a freshman edition of the Sou'wester.

If the board sanctions the motion, then the problem presents itself as to who will edit the edition, the freshmen or the regular Sou'wester staff.

The Ministerial Club also asked for permission to solicit advertisements for their year book.

## Noted Doctor Dies

Sir Ronald Ross, 75, whose discovery that the anopheles mosquito carries the malaria parasite was responsible for controlling one of the world's most terrible scourges, died last week in London.

## Warning

Sid Hebert, president of the "S" club, has asked the columns of this journal to request all freshman and transfer students who are wearing either high school or junior college athletic awards to please stop.

The "S" club doesn't permit the wearing of any emblems or awards that have been won at any school other than Southwestern.

Hebert said that numerous students are wearing gold footballs, basketballs, track shoes, and other emblems on their watch chains and that this is strictly against the rules of the "S" club.

He asks in behalf of the club that this practice be stopped immediately, so that no unpleasant duties may be made necessary for the club to perform. Only varsity and freshman awards from Southwestern are to be worn.

## K. D.'s Will Give Halloween Party

The Kappa Delta sorority will entertain with a Halloween masquerade party, Saturday, Oct. 29. The party will start at 8 p. m. and will last until 11 o'clock. The affair will be held in the sorority lodge.

## Knitting Establishes Itself As A Campus Occupation For Lynx Co-Eds

After A Summer Of Knitting, Co-Eds Return To College With Fruits Of Labor

If one should ask a co-ed what she has been doing all summer, don't be too surprised if she answers "knitting." Almost any afternoon this summer one could find groups of knitters and crocheters gathered together for gossip and "tay."

### KNIT SUITS

These long afternoons have resulted in a number of knitted dresses and suits. Pud Mahan and Dorothea Sledge both have knitted dresses. Mary Laughlin and Kathryn Harris have also appeared in laboriously made frocks.

Anne Brown Taylor and Jessie Richmond have been wearing suits they made themselves. Clara McGehee and Pud Mahan carry their knitting around with them. Pud may be seen walking down the hall knitting almost any time for she says that she is in a hurry to finish another dress.

### ANOTHER CLUB

Southwestern should establish a knitting club to meet in the cloister at all off hours. Maybe when spring comes, the club can meet by Little Nell. If the boys show enough interest, perhaps Dean Hartley will let them form a knitting club, too.

## GIRLS RACQUET MEET STARTS

Ping Pong Stars Fight For Title

The girls' ping pong tournament, originally to have started on Monday, finally got under way yesterday. So much interest has been shown in the tournament that Lillian Gautier, chairman of the girls' tournament committee, warranted the delay in order to give more aspirants an opportunity to enter. The tables and paddles were in excellent shape for the start.

Virginia Watson, outstanding girl ping ponger on the campus, is the pre-tournament favorite to cop the coveted laurels of victory. However, before the tournament is over such stars as Adele Bigelow and Ruth Smith will be heard from. At present, there are no dark horses to complicate the situation.

The Boosters Club is to reward the winner with a handsome loving cup.

## Royal Collegians On Air Via WREC

Bill Taylor and his Royal Collegians, to whose tuneful melodies the Southwestern students dance every Saturday night, will be heard on that night over Station WREC from 9:45 to 10:15.

This is decidedly a feather in Taylor's cap because a regular chain broadcast was sidetracked in order to permit Bill and his crew to go on the air.

### POPULAR GROUP

The Collegians are an aggregation of melody mongers that take a back seat to no orchestra in this section, and Lynx students are well aware of this fact as demonstrated by the large turnouts at the dances at which the Collegians play.

## Sororities Enter Tea Dance Field

Two more sororities have entered the afternoon tea idea that has taken the campus eds and co-eds by storm. The Kappa Deltas entertained with an affair on Tuesday afternoon, and the Chi Omegas had their fling on Wednesday.

Dame Rumor has it that the tea dancing flowed freely between the hours of three and six. More and better parties are planned by the "sisters" for next week.

I see the right, and I approve it too. Condemn the wrong, and yet the wrong pursue.—Samuel Garth.

### BRING 'EM BACK ALIVE

"Nature in the Raw" — as portrayed by the vicious battle between the python and the tiger... in Frank Buck's thrilling motion picture, "Bring 'Em Back Alive," filmed from nature in the Malay jungle.

They are *not* present in Luckies... the *mildest* cigarette you ever smoked

**WE** buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so

these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

**"It's toasted"**
