MILLER DRILLS LYNX GRIDDERS FOR NEXT FALL

Gridiron Warriors Start Annual Manslaughter

SECOND WEEK ENDS

Will Play Game At End of Spring Training

The second week of spring football practice found the candidates bearing down a bit harder and doing some real work. The pigskin followers found themselves in for some days of hard practice under the guiding hand of Coach John Miller. Coach Haygood will assume charge of the gridgers as soon as the end of the current basketball campaign.

The first week of practice found the boys doing little more than taking a few exercises and getting into a bit better physical shape for the six weeks grind. This week, however, found them doing a bit more along the line of real work. A touch of blocking and tackling has come in for its share of emphasis.

The coaches believe that the foundation for next year's varsity must be laid this spring if the team is to have a successful season next year. A tremendously hard schedule, has been mapped out for the moleskin lads, and they can't spend next fall wasting a lot of time getting into shape.

The game against Alabama is the first dish for the Lynx gridgers. If they can handle this game to the satisfaction of the coaches, it will give the boys quite a brighter outlook for the rest of the season. On the schedule also are games with three Southern Conference foes, four Dixie Conference foes, and two with S. I. A. A. opponents.

Before the six weeks period of training is over the gridgers will come in for a great deal of blocking, tackling, charging, passing. Stress will especially be placed on the blocking of the team. The coaches believe that if the blocking is up to par, then the team will really have accomplished something by the spring practice.

The culmination of the six weeks grind will be completed and finished off by a regulation game which will be played on the final Saturday of practice on Fargason Field.

"S" Club Initiates Mid Wild Revelry

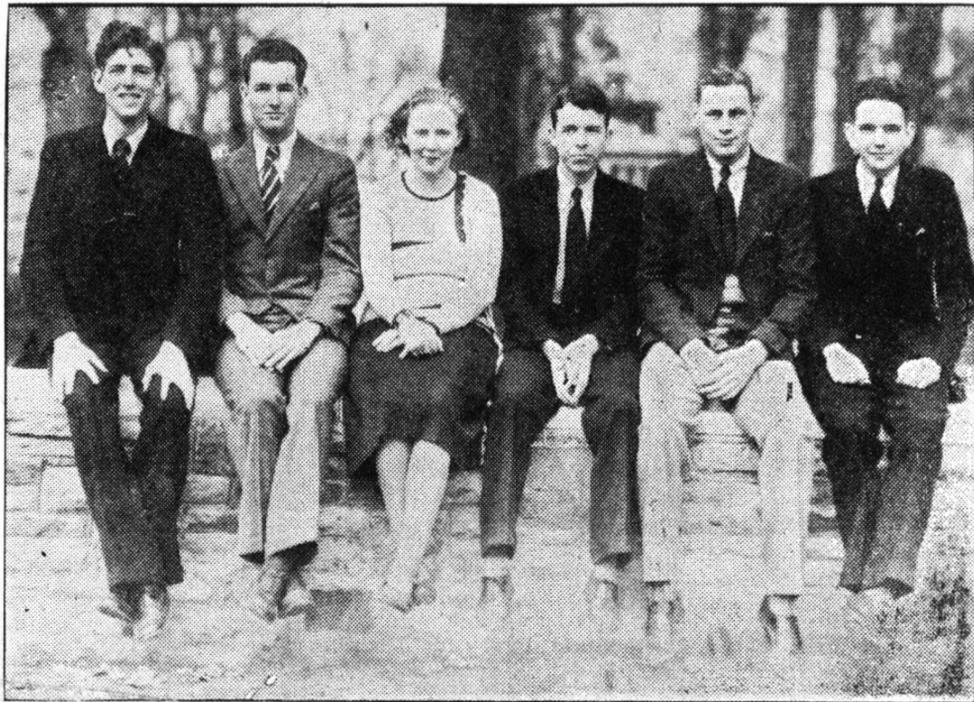

Unchaining a legion of fiery devils, the "S" Club of Southwestern tortured several pledges Tuesday night on the campus. Loud were the wails of the condemned. Screams rent the heaving air. Moans and groans pierced the atmosphere. And all the while the relentless members put the brands and drugs to the prostrated. Besides a few minor injuries such as burned skin, chastisement by means of a paddle, and a pretty bad headache, most of the pledges survived the ordeal.

Those who went through the mill and earned their right to buy a "S" Club pin were Joe Wells, Johnny Burnett, Butch Love, Fred Bearden, Gordon Fox, Toxey Fortenberry, Charlie Crump, W. I. Pickens and Arthur Womble.

Will Wed Soon

The announcement of the engagement of Elizabeth Alley, Kappa Delta and former Southwestern student, to Frank Alghren came as a surprise to their many friends on the campus. Here's to their health and happiness.

READING FOR HONORS

Students who are reading for honors at Southwestern are (reading from left to right) William Berson, Brownsville; James Cowan, Collierville; Alice Rogers, Memphis; Allen Cabaniss, Florence, Ala.; Norman Gibbs, Homer, La.; John McFerrin, Collierville.

CAMEL AND JIM DEBATE ON WAR

Bible Class Will Discuss Age Old Question

An often-waged debate, "Is War Justifiable," has the main place on the program of the Southwestern Bible Class for Sunday; the place is Room 100, Palmer Hall; the time, 9 o'clock sharp. "Camel" Cabaniss, that unorthodox orator of much-dreaded prowess, will argue the affirmative of the question, while James Overholser, a staunch pacifist, will attack this view-point. It has been arranged that the partisans of either side will be seated according to their beliefs on the subject, with liberty to change during the course of the debate. A wide aisle will be left open at the rear of the room to facilitate such and to decrease resulting confusion.

Subsequent to the debate there will be an informal talk by Elbert Huffman, "The Sino-Japanese War," and another by John Streete, "United States' Stand," which will be an attempt to show what position the American government and American people should adopt in regard to the conflict.

After these talks there will be held an open discussion for the further development of ideas on war in general and on the present Asiatic struggle in particular.

As a musical feature to precede the debate and discussion, Rodney Baine and William Bensberg will play a transcript of one of Brahms' most famous compositions, his "Waltz in A Major."

Sororities Pledge

The following sororities announce the girls pledged during the past rushing season: Kappa Delta, Margaret McNickol; Tri Delta, Mary McCollum and Elizabeth Riley; Zeta Tau Alpha, Minnie Lee Hamer and Grace Johnson.

Fraternities Pledge

The following fraternities announce the pledges for the mid term: Sigma Alpha Epsilon, Jack Elder; Kappa Sigma, Neby Gordon; Alpha Tau Omega, Douglas Grymes.

Southwestern Lads and Lassies go Yum Yum at Thought Surrounding Vitals

Choose Rex Grill As Classiest Rendez-vous In Town Because Of Its Atmosphere

When the Southwestern Eds and Co-eds crave a little nourishment, to what favorite eating joint do they turn their steps? Do they absorb the desired calories while lounging elegantly in the Peabody dining room, enjoying the restful strains of Huston Ray's music, or do they grab a bite on the run at "Smith, Smith, and M. Smith's" hamburger stand?

Of course Fortune's stands near the head of the list, because it is the logical place to go to imbibe soft drinks after a picture-show. Drive in there about eleven-thirty almost any night and you'll find swarms of them,

MERRY THRONG HIES TO PINEY

Will Devour Dawgs Neath Coniferous Giants

Today at 4 o'clock a bevy of winsome lassies and a phalanx of sturdy lads will hie themselves to the wild-wood of Piney Woods and roast and toast sizzling weiners over a bed of glowing coals. Meanwhile the red sun will be sinking in lambent glory through the cool soothing arms of the stately pines.

Laughter will ring in the depths of the woods. Couples will stray arm in arm down the wooded paths, drinking in (not literally) the glory of nature.

As shadows softly steal across the pine carpet the noisy collegians will gather about the fire to prepare their victuals for twilight consumption.

After the food has been stowed away and all is well with the inner man soft and dulcet ditties will be played and sung by the assembled multitude.

Transportation has been furnished and all the fortunate students have to do to go on this weiner roast is to plunk down the small sum of 50c. They get a huge meal and a 14 mile ride for that.

Kappa Sigs Initiate

Kappa Sigma Fraternity initiated Baxter Sloss, Howard Cook, John Ussery, and Ned Wright Monday night in their lodge on the campus.

PLAN PICTURES ON SATURDAY IN AUDITORIUM

Present "Charlie's Aunt" Tomorrow Night

BEGIN SHOW AT 7:30

Regular Saturday Evening Feature For 15c

Beginning tomorrow night a picture show will be given every Saturday night in Hardie Auditorium under the auspices of the Southwestern Woman's Club and the Evergreen Auxiliary Student Loan. The pictures, which will be talkies, will be shown promptly at 7:30 o'clock and admission for all will be only 15 cents. Licensed operators will show the pictures with a new \$3,500.00 machine bought especially for the series of movies planned out here.

Money derived from the shows will go to the Presbyterian Student Loan Fund from which many of Southwestern's students have borrowed money to help finance their college education. The Southwestern Woman's Club has set a goal of \$5,000.00 to be raised as one endowment unit. The series of pictures is an effort to help raise this fund. Interest on one unit per year plus the student's tuition pays one student's way through college for a year.

The Woman's Club is composed of wives of Southwestern faculty members.

The show tomorrow night will be "Charlie's Aunt," a side-splitting comedy. Students will have a say-so in what films are brought here. They can turn in all suggestions to the president of the student body.

This series of shows, although welcoming the attendance of the Southwestern student, is not trying to take money out of the student's pocket. The series is destined to draw attendance from the residential neighborhood as much as possible.

Eloise Brett Dubs Shoppe 'Lynx Lair'

"The Lynx Lair" shall be the name of the new coffee shop, Mrs Porter B. Dailey, college dietician and manager of the shop, announced this week. Eloise Brett has the distinction of naming the newest college establishment and will receive three free meals for her efforts.

Only a few names were turned in, and the competition was not as strong as was expected.

Miss Brett won the distinction only by a matter of time, for within a few minutes after she had presented her proposed name Prof. J. H. Davis turned in the same title.

"The Crimson Cupboard," suggested by Alicia Keisker, was far up in the running. Bill Taylor wanted to get personal and name the shop "The 'Chicken' House," since it is under the direction of Harold "Chicken" High.

Chi O.'s Give Tea For Patronesses

The active members of the Chi Omega sorority will entertain with a beautifully planned tea Saturday afternoon in honor of their patronesses, Mrs. Robert Bruce, Mrs. W. S. Lawrence, Mrs. Sailor Anderson, Mrs. Robert Heard, Mrs. Brinkley Snowden, Mrs. Battle Malone, and Mrs. Robin Mason.

The tea will be held from 4 to 6 in the sorority lodge on the campus.

KAMPUS KRAX

SHE WAS ONLY A BANKER'S DAUGHTER BUT THE BOYS ALL TOOK NOTE OF HER.

Frenchman—You have to fill in the nationality blank, sir. You are a Spaniard. n'est ce pas?

Spaniard—No, sir, I'm English. My father and mother were English.

Frenchman—But you were born in Spain.

Spaniard—That's nothing. If your dog had pups in the china closet, would you call them soup plates?

Mother—I simply cannot afford to buy you a new slicker every week.

Collegiate—But, ma, I gotta be in style and have my girls' picture on it, don't I?

She—You say that you can judge a woman's character by her clothes? What would be your verdict on my sister over there?

He—Insufficient evidence.

(Voice over the phone)—"Do you know where I can get hold of Mabel?"

The Answer—"I don't know. She's so ticklish."

As the young lover released his sweetheart from a close embrace he whispered in her ear, "What do you tell the other boys who come to see you? Do you make them think that you love them?"

"Yes, darling," she said, "you don't mind, do you?"

"No," the lover peacefully remarked, "but it will be hell for them later, the poor, trusting fools."

OUR SHORTEST STORY

Boss, the spotted cow, was crossing a bridge, which fell through, letting poor Boss fall into the ditch and straining her milk.

Moral—Always burn your bridges behind you.

Prof. Davis—And who was Charles Darwin?

Black—He wrote "The Origin of the Speakeasies."

Patient—I'm in love with you and I don't want to get well.

Nurse—Never fear. The doctor is in love with me, too, and he saw you kiss me this morning.

CAN YOU FIGURE THESE OUT?

WHY drunks always play football and sing.

—girls close their eyes when kissing.

—people go to Niagara Falls on honeymoons.

—men wear buttons on their coat sleeves.

—giraffes have long necks.

I'M A D—GOOD FIGHTER, BUT MY FEET DON'T LIKE TO STAND AROUND AND SEE MY BODY BRUISED.

Coach Haygood—And what do you do?

Would-be-quarterback—Call things, thr.

Daimwood—What's the matter with Berson?

Hamilton—Too conceited. The other day he bought a book called "What Two Million Women Want," just to see if they spelled his name right.

And we find in one book that a ditch is defined as an open air tunnel.

Dr. Drake—The best thing that you can do is to give up cigarettes, liquor, and women.

Sigler—What is the next best thing?

"Did she marry the janitor?"

"Yes, he swept her off her feet."

TIMES ARE SO BAD THAT COEDS ARE WALKING BOTH WAYS.

"Well, if there ain't any women on this ranch, how do you keep the buttons sewed on your clothes?"

"Oh, we figure that as long as there ain't no women about, it don't make no difference."

Well, well, folks, have you heard the new halitosis song? No? I thought you didn't. Here it is—JUST A GARGOLO.

We have at last found an infallible method of determining whether a person is a boy or a girl. A boy won't take your last cigarette.

TAKE THE CHAINS DOWN

Believing that the Southwestern students have learned a bitter lesson from speeding through the campus, and that the vast majority of students are being inconvenienced for the offense of two or three, the Sou'wester is emphatically in favor of taking down the chains which have closed our driveway for months and allowing traffic to be resumed through the campus. If the chains were put up as a punishment, then surely by this time the students have served more than enough penance for their offense.

There can be no doubt that should the chains be taken down and cars allowed to drive through the campus public opinion would be strong enough to prevent any speeding or reckless driving. It is poor psychology to continue irritating the students by making them walk through the rain from the parking ground behind the Science Hall to their classes in Palmer Hall. When the chains were first put up the promise was made that they would be taken down on rainy days, but there are a score or more colds to prove that this has not been done.

By needlessly blocking up the driveway with these chains, Southwestern is losing one of its best advertising mediums. Every day a dozen cars or more containing people who are interested in seeing just what we have out here are turned away by the chains. It would be excusable if we were ashamed of our buildings and our campus, but it is lamentable when we have some of the most beautiful architecture in the South. How do we ever expect to make the Memphis people Southwestern conscious if we don't even give them a fair chance to look us over? Editorials have been ignored, requests have been refused. It is not with a belligerent but with a convinced attitude that we urge that for the best interests of the students and the college the chains should be taken down.

The Sou'wester cited in an editorial appearing January 15 the fact that as long as the free phone has been in the Publications Office there has not been a single long distance call made at the expense of the college. The students were trusted to use the telephone for nothing but local calls. Why can't they be trusted to drive slowly through the campus? If there is any red tape to unravel, the quicker it begins to unravel the better it will be for everyone.

A BIT OF DORM LIFE

CALVIN HALL

A wave of sickness swept Calvin Hall during the past week with three of the boys being confined to their beds. Raymond Brown has been ill at his home in Tupelo, but returned to the campus the first part of this week. Bob Sigler was confined to his bed for three days on account of illness, but was able to help his brothers engage in "horse play" Saturday night. J. P. Hollifield underwent an operation at the Baptist Hospital Friday. They are all up now and doing fine, thank you.

General industriousness also left its mark on the dorm after exams. Two students, James Cowan and Jimmy Overholser, made the honor roll. Four, not finding enough to do, have joined the Teachers' Training School classes at Idlewild Presbyterian Church. They are Russell Cross, William Bensenberg, Alfred Overholser and Norman Gibbs.

Coat hangers are being collected in room 202 as a means of helping defray the expenses of some worthy freshman who will enter Southwestern in the fall of 1932.

Calvin Hall was well perfumed over the week-end with the aroma strongly reminiscent of "horse-play." Each freshman had a bigger tale than the other of his experiences during Saturday night.

George Is Geographer

The National Geographic Society has determined that George Washington was the first geographer of the United States and the foremost traveler of his time.

ROBB HALL

Sweet essence of asafetida! The inmates of Robb Hall still have plenty to remind them of last Saturday night. Not only the frosh, but the upper classmen are getting full benefit from the vile odors which they inflicted upon the helpless pledges during horseplay. However, everyone is recuperating satisfactorily, and the boys admit that it wasn't so bad after all.

A new and prominent addition has been made to dear old Robb this week. Fred Bearden, who comes from Stewart Hall, has moved into suite 303 to finish out the four-man combination.

SUE TO LOU

Dear Lou:

It's a little early. I know, but spring is in the air and live got the fever beyond a doubt. The only thing wrong with this school is having to go to classes on perfect days. There ought to be a law.

And with the spring every girl's fancy lightly turns to thoughts of—clothes. Levy's is having a fashion show next Wednesday over in the K. A. lodge with some Southwestern damsels as the ravishing models. That ought to be quite a show, and I've heard more than one young man sigh "what a way to spend an afternoon."

Since "T" has moved to Evergreen, still another balcony is kept busy. And they say that Paul is a frequent visitor at that hall for the first time in four years.

Ask J. P. Hollifield about his fan-mail sometime. He's right up there with Clark Gable and John Barrymore. His recent picture in the paper about his play-writing propensities brought on the avalanche.

The much-delayed steak-roast is scheduled for Friday, but even as I write this I see the sky getting cloudy. They are just ill-fated functions—(I

just love alliterations) I suppose. There goes the bell which means disaster for me. I neglected my French for you, which is more than you deserve. I think I'll have a juicy bit of gossip soon, so use that as an incentive to answer *toute de suite*. (Sure signs of a callitich education).

Yours hurriedly,
SUE.

LYNX PREP FOR MILLSAPS TILT

Strong Major Team Faces Cats In Final Games

Southwestern's basketball team will round out its season next week when it meets the strong Millsaps team at the Lynx gym. The Majors team is considered one of the strongest and fastest aggregations in the Dixie and S. I. A. A. conference. The Lynx will engage the Millsaps team on Monday and Tuesday with games starting at 8 p. m. If the Lynx push over a victory on these boys they will show just how potent they will be in comparison with other conference foes.

Hand Me Down Walking Cane

It seems that the Southwestern coaching department has solved the transportation problem confronting the Lynx athletic teams of the future. During a chin fest the other day, Coach Bloody Miller gave vent to a very precocious remark. It seems that Vernon Pettit asked the coach how the basketball team was going to Jackson.

The coach always adept at quick repartee announced to the carrot-topped frosh, "Aw, we got a fast walking stick." Well, if you get the gist of this, it's pretty good. It's a good thing he didn't ask the head coach or he might have gotten a real snappy answer.

FRATS' WICKER MEN WARM UP

Interfraternity Tourney Starts Next Week

The interfraternity basketball tournament, under the sponsorship of the Booster's Club, will start the first of next week, with the Beta Sigma fraternity and the Non-frat teams raising the curtain on the series of seven games.

Definite dates have not as yet been decided upon, but the first game will probably be played Monday night. The second game on Tuesday night will see the Kappa Alphas and T. N. E.'s in action. Alpha Tau Omega and Pi Kappa Alpha will play Thursday night and the Kappa Sigs and S. A. E.'s will finish the first round of play on Friday night.

All of the games will begin at 6:45. The winners of the first round play will meet the Monday and Tuesday of the following week with the championship game being scheduled for Wednesday, Feb. 17.

A consolation tournament will be held for the losers in the first round of play.

A beautiful silver trophy, representative of a stalwart athlete about to shoot a goal, will be given to the winner by the Alpha Tau Omega fraternity.

Alpha Tau Omega came through with a victory last year.

The Booster's Club announced that there would probably be a class tournament after the fraternity tournament. A trophy is to be presented to the winners of this round of play.

LYNX TAKE TWO FROM BULLDOGS

The Lynx took a pair of games from the Union Bulldogs last week on Friday and Saturday nights. The scores of the games were 31 to 24 and 36 to 24. The score of 24 seemed to the fullest extent of the Union offense as they were unable to garner more points than that in either of the games.

The Lynx showed a great improvement in their offensive campaign. They seemed to have quite an improved eye for the basket and were sinking the ball with a regularity that couldn't be denied.

The entire team played well in both games, and at times the Union team flashed an exuberating offense that pulled up within a few points of the Lynx score.

Freshies Show Off Sparkling New Pins

Sparkling fraternity pins are being sported around the campus these days as the various fraternities push their freshmen through the last stages of initiation.

Pi Kappa Alpha will initiate six men tomorrow night. The pledges who will become full-fledged members are Ben Boggy, Beverly Buckingham, Morris Heins, Charles Ledsinger, Sivley Moore and Robert Walker.

Kappa Alpha will introduce two to the secrets of their order next Tuesday night. They are John Gaither and George Willis.

Sigma Alpha Epsilon, according to their custom, will defer initiation until March 9. Nine pledges will be initiated. They are Harold Simmons, Tom Jones, Eaton Govan, Paul Calame, Henry Watkins, Eugene Stewart, Lucian Connell, Walker Gray and Lee Hines.

Chung Discusses Affairs In East

At the meeting of the Southwestern Bible Class last Sunday, John Chung, Southwestern ministerial student from Korea, gave an informal and impromptu talk on the present Sino-Japanese War. As the scheduled speaker, Professor Cooper, had been called out of the city, Paul Jones, president, luckily bethought himself of John. The latter smilingly consented to speak and explained, with only few halts in which he was valiantly searching for words, the real and the ostensible causes of the war, Japan's objectives, the Japanese campaign, and the likelihood with which it will succeed.

John's explanations were received as particularly enlightening and interesting, and he will in all probability be heard from again in the open discussion to be held in the Bible Class Sunday.

WICKER COEDS FIGHT FOR CUP

Intersorority Tourney In Full Swing

The inter-sorority baseball tournament got under way Monday afternoon when the Tri Deltas defeated the Chi Omegas with a score of 23-21 in a game which filled the gymnasium with spectators. The Tri Delta quintette, dressed in blue shirts monogrammed in yellow, had the edge on the Chi O's in teamwork. However, the game was hotly contested throughout, and victory was a matter of conjecture until the last minute.

The Chi Omega team, wearing white shirts emblazoned with crimson letters, had a star player in the person of Helen Gordon, freshette, of Jonesboro, Arkansas, who played jump-center and knows how to handle a basketball. The Tri-Delta score was piled up by two excellent forwards, Catherine Bigelow and Alice Kilpatrick, who ran their guards breathlessly by their fast foot-work and passing. Other Tri Deltas who wore the blue and yellow were: Lyle Stange, running center; Alice Rogers, jump-center and guard; Elise McDaniell, guard; Charlotte Stange and Lillian Gautier, forwards. Chi O. basketweavers were: Jane Barker, running center; Mary Fant and Margaret Hyde, forwards; Catherine Stratton and Martha Johnson, guards.

Immediately following the Chi Omega-Tri Delta game, the A. O. Pi team downed the Kappa Delta quintette with a score of 19-1. It was not until the last few minutes of the game that forward Katie Davis bagged a free goal for the K. D's. The A. O. Pi's played circles around the Kappa Delta team in a game which offered little excitement.

The A. O. Pi five captained by Virginia Richmond and dressed in white suits with red letters, got off to an early start, when Peggy Walker threw a goal in the first minutes of the game. Other players were Grace Braun, forward; Ella Kate Malone, running center; Margaret Tallichet and Dorothea Sledge, guards. Substitutes: Jessie Richmond and Mary Clinton. Two tiny forwards, Jimmie K. Johnston and Rosa Lee Keenan, started the game for the Kappa Deltas, later substituted by Katie Davis and Dixie Mae Jennings.

BOBCATS LOSE TO SENATOBIA

Junior College Boys Win 25 to 23

The fighting Bobcats lost a heart rending game to Northwest Junior College at Senatobia Monday night, 25 to 23, after battling nip and tuck on the hardwood in one of the most spectacular tussles of the year.

At no time in the game did either team lead by more than a few points and the outcome of the fray was a toss-up till the last minute of play.

Red McLarty, husky Bobcat guard, led both teams in scoring with nine points, with Herman Baker's seven for the Cats coming in second. Hodges and Johnson scored six points apiece for the Northwest Juniors to tie for the lead among their teammates.

Line-up:

I try to talk the pros into grades because really a little butterfly like me shouldn't study too hard. If I did what would all the big men about school do for dates? Oh, I must keep the date market going.

Well, I guess I'll sign off. There's my sweet man coming. Guess I'll go hold his hand, chew my gum, and think I'm in heaven, cause I'm the Ginkess.

Yale Men To Study Gulf Stream Facts

New Haven, Conn.—Just what is that benevolent stream of water known as the Gulf Stream—the same that makes Florida thumb its nose at California—at times—is what an expedition being sent out by Yale University wants to find out.

The expedition will spend four months in the deep sea waters off the Gulf of Mexico.

filling stations, don't forget the store! You can still get two doughnuts, a Red Robin, or a Swiss cheese sandwich for a nickel there, so support the home industries.

Says Modern Youth Lives Too Quickly

Pittsburgh—(IP)—College football, boxing and basketball are doing students irreparable damage physically, according to Dr. Philip H. Kruescher, Chicago surgeon here for the American College of Surgeons Convention. Youth of today, he said, is living too fast, staying out too late at night, drinking too much bad liquor, attending too many parties and dances. Youth must slow down if it expects to attain a ripe old age, he said.

Change Officers

West Point—(IP)—The United States Military Academy next fall will come under the command of one of the greatest athletes ever turned out by the institution.

Back in 1896 William Durwood Connor was captain of the Army football team and set what was then a record on the track, dashing 100 yards in 10.1 seconds.

Next fall Major Gen. Connor will relieve Major Gen. William R. Smith of the command here.

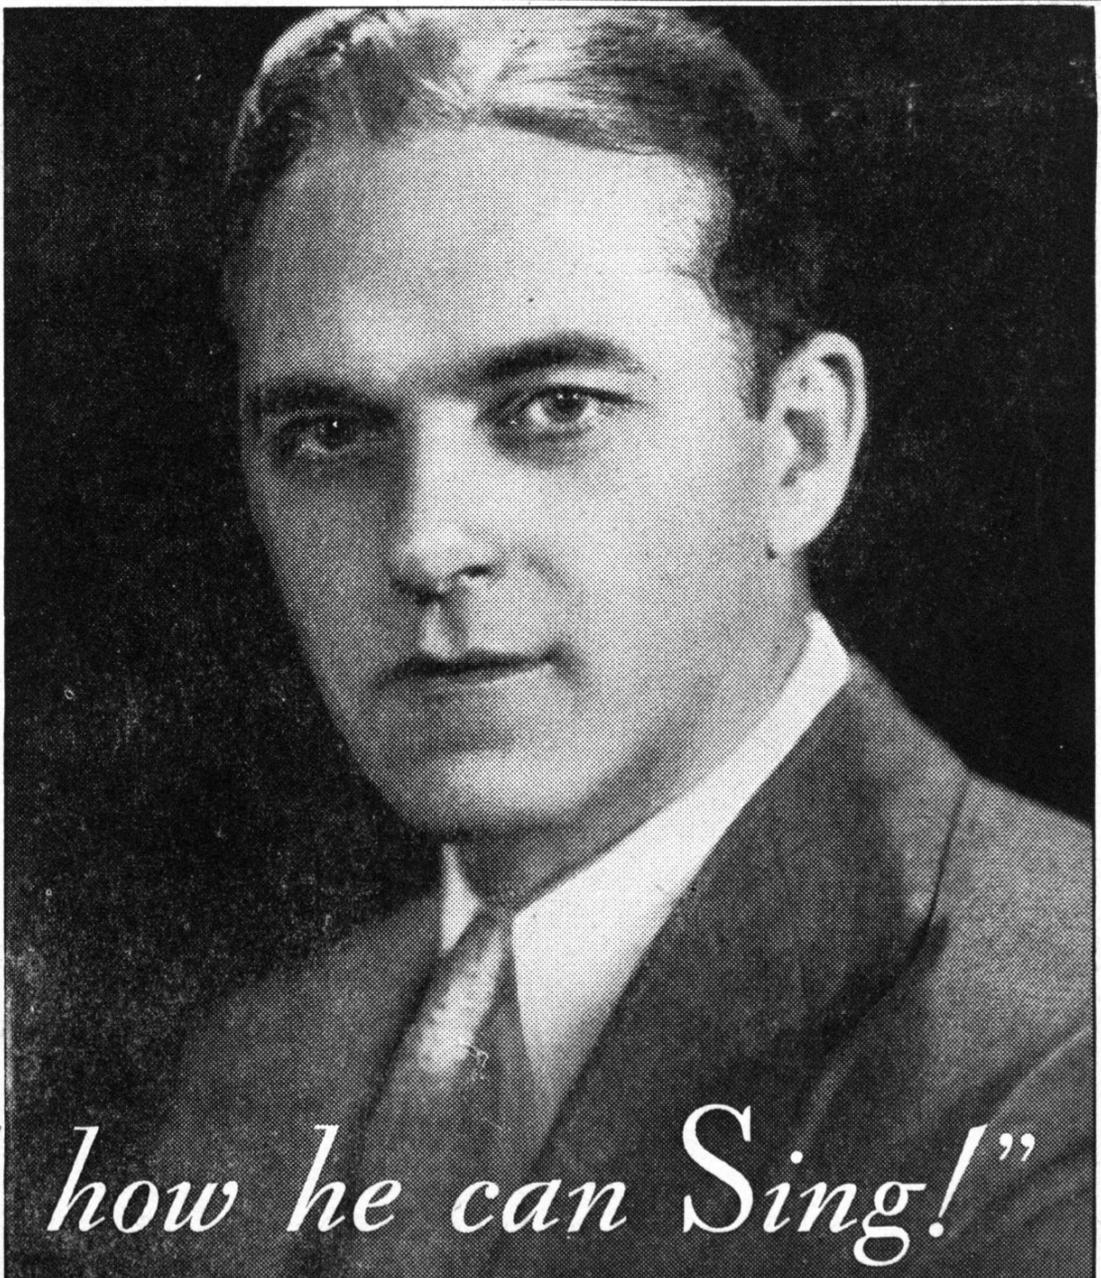

Kappa Deltas Honor Patroness With Tea

The active chapter of Kappa Delta will entertain Saturday with an attractive tea in honor of their patroness, Mrs. Emerson Bailey, who is leaving soon for San Francisco where she will make her future home. Mrs. Frank Sturm will take Mrs. Bailey's place as Patroness for the chapter. The tea will be given at the Kappa Delta house from 4 to 6 o'clock and the guest list will include the friends and acquaintances of Mrs. Bailey.
