## MINISTERS TO HOLD SERVICE

Go To Tunica For Vesper, March 26

The members of the Ministerial Club will go to Tunica, Miss., to hold the vesper service at the First Presbyterian Church on Sunday evening, March 26.

Russell Cross, chairman of the Lookout committee, will preside over the meeting. The complete program has not been arranged, but some five or six members of the club will make the trip.

This is the first out-of-town service the Ministerial club has conducted, but it hopes to continue in this work. Prayer meeting services are held once a month at Campbell's Clinic, and last Sunday a short service was held at the Sunshine Home for Old Men. Francis Benton was the speaker at that time.

## Mary Laughlin New A. O. Pi President

Mary Laughlin was elected president of the A. O. Pi sorority at the weekly meeting held Tuesday. The election of officers preceded an informal buffet supper held in the sorority lodge.

Other officers elected were Ella Kate Malone, vice-president; Jessie Richmond, treasurer; Peggy Walker, recording secretary, and Margaret Mercer, corresponding secretary. It was decided to elect the other officers March 21.

## Girls Must Have Intellectual Wit To Satisfy Ideals Of S'western Eds

Co-eds With Trend Toward Mental Cleverness Are Desired By Men On Campus. Also Want Them With A Sense Of Humor

If the males of Southwestern are representative of the men of the country in general, intellectual wit is a decided asset in the eyes of the opposite sex to a girl's personality. Every one of the Southwestern Beau Brummels interviewed prefers co-eds with a decided trend toward sparkling mental cleverness.

Frank Goodlett—I don't like girls to be any cleverer than I might be, but I do admire mental cleverness in them. Also the more sophisticated they are, the better I like them.

Tom Woods—I don't like foolish girls, nor do I want them to be any faster thinking than I am. I prefer them about the same in mentality.

Bill Hawkins—I like them as crazy as possible. If she has a decided sense of humor, she is o. k. with me.

Bill Gammage—I like them very witty. I don't like a girl who is a faster thinker than I am, but they must have an intellectual sense of humor.

Jimmy Haygood, Jr.—I don't care whether they are intelligently witty or not. Just so they have a knack for witty remarks. I'd rather they would be slower-thinkers than I am.

Dickie Dunlap—I like them slower-thinking. They must be intelligent, however, and have a sense of humor.

George Cook—I like girls with an ability to make good bright remarks, whether they are intellectual otherwise or not. I like those who think about as fast as I do.

George Willis—I prefer them not to be as witty as I am. They must have a sense of humor but a great deal of intellectual wit is not essential.

Berry Holt—Just so they have a witty temperament, they're oke with

me. I like those who think about on a par with me.

It must be stated that the seemingly conceited answers of the persons interviewed is not due to their respective opinions of themselves but to the peculiarity of the question asked them all: "Do you prefer girls who are slower-thinking mentally than you are; do you prefer girls with mental cleverness; to what extent?"

## MAY RESERVE DORM ROOMS

Dr. Bassett Issues Ruling On Reservations

Men wishing to reserve for next year the rooms they now occupy should make the required ten dollar deposit with the Bursar and present his receipt to Dr. Bassett before April 1.

After that date rooms will be assigned to new or old students in order

*The following regulation is called to the attention of men living in the dormitories:—*  
*"A student who is occupying a dormitory room is allowed until the first of April to re-engage it for the succeeding year upon the payment of the usual deposit. After that date rooms will be rented as called for. In Robb Hall and Calvin Hall a certain number of rooms will be reserved until July 31 for members of each of the four college classes."*

H. J. Bassett, Assistant Dean.

of application, and on payment of the deposit, subject to the quota rules mentioned above.

Owing to the present financial conditions, it is possible that some students will find it inconvenient to make this deposit before the date mentioned. If so, it is probable that the time may be extended for a week or two. Such students will please report to Dr. Bassett before April 1.

Special attention is called to the regulation that sets July 31 as the final date for the reservation of rooms in Robb and Calvin for a specified number in each class. After that if the quota of any class has not been filled, members of other classes may secure the rooms.

## REPORT PERIOD ENDS MARCH 28

The report period for the first half of this semester will end March 28 and all grades must be in by this time. The reports will not be given out until about a week from this time.

## Lynx Alumnus Elected National President of Omicron Delta Kappa

At the recent O. D. K. Convention, an alumnus of Southwestern, Dr. George Lang, was elected to the office of National President of Omicron Delta Kappa.

and editor-in-chief of the Journal; president of the Y. M. C. A. After leaving Southwestern he went to the University of Edinburgh and did post-graduate work in philosophy in 1908-09. He did post-graduate

## King And Queen Announcement

Announcement of the King and Queen of the April Fool's carnival which is being sponsored by the student council will be made exclusively by *The Sou'wester* on the date of March 31.

Members of the royal court will also be announced at the same time. No information as to the identity of the chosen few will be given out prior to that time. So if you're wondering, just make a guess—yours is as good as anyone else's.

## SEVEN CAGERS GET "LETTERS"

No Lettermen To Return Next Year

Coach Jimmy Haygood yesterday announced the basketball lettermen for the 1932-33 cage season. Love, Newton, Perrette, Capt. Knight, High, McLarty, and Drake are the men who were honored.

None of these men will be back next year. Love, Newton, Perrette, Knight, and Drake are seniors this year. "Red" McLarty has withdrawn from school.

Next year's quintet will be built around a very good freshman team and "Red" Forman, a capable varsity reserve this year.

## Chi Delta Phi To Meet On Monday

Chi Delta Phi, national girls' literary society, will meet Monday afternoon at 3 o'clock in the Tri-Delta lodge. The program is in charge of Miss Annabell Cox. The hostess for the meeting will be Miss Malline Lyon. An interesting program has been arranged.

## FINAL SPRING GRIDIRON TILT SET FOR SAT.

Hang Up Moleskins After Six Weeks Of Hard Practice

The "Whites" and "Reds" meet tomorrow at 2:30 o'clock in the final spring game of the year. The "Whites" will consist of the probable varsity lineup for next year, and the "Reds" will be made up of the lads who are trying to crash into the select circle.

Bearden, who has been nursing a shoulder injury, will be ready to go tomorrow. Neal Tapp will continue at end, as will Barnes. Wilson, Hawkins, Raspberry and Haygood are other terminal men who will see plenty of service. White and McCollum will be the first string tackles, with Benton and Thomas opposing them. Fox and Givens will attempt to hold the guard posts over Bearden and Dix.

The "White" backfield may be an all-freshman quartet, with Whittaker, Mann, Harvey Jones, and Harwood showing up to advantage. Henry Hammond has fully recovered and will see plenty of action either at end or tackle. Coach Miller may bolster the "Red" outfit at a guard post.

## FRAT BASEBALL TO BEGIN SOON

Fifty-Six Games Carded In Loop

The inter-fraternity indoor baseball which is to be sponsored by the Boosters club, will start the first part of next week. It will be a "round robin" tournament with each team playing every other team once. The seven frats and a non-frat team will comprise the baseball loop. Fifty-six games will be played.

The games to be played next week will be as follows: Monday, the first game will be between the Pi K. A.'s and the Non Frats; the second game will have the Beta Sigs playing the S. A. E.'s. Tuesday's games will bring the K. A.'s and A. T. O.'s together in the first contest and the Kappa Sigs and T. N. E.'s in the night-cap.

The games will be played with an indoor ball and will be on the diamond north of the tennis courts. All male students will be eligible to play.

## Merely a Bit Of Nonsense

Sigler: "Shay, y'know that card-board woman down in the book store?"

Cobb: "Yeah, sure I do."

Sigler: "Well, she don't know you."

\*\*\*

We got hold of one of Riley McGaughran's valentines and this is how it read:

"Tulips are red,

Violets are blue.

Drosophilae have 36 chromosomes.

How about you?"

(No offense, Riley, dear.)

\*\*\*

Our friend, the absent-minded professor (insert your own choice) jumped out of bed in the middle of the night, ran to the stairs and shouted: "Who's down there in the kitchen?"

"Nobody," came the reply.

"Well, that's funny," said the professor, "I could have sworn that I heard a noise."

\*\*\*

We are not absolutely sure that it happened but if it did, it wouldn't catch us unexpected.

During the history class today, Dr. Davis asked the question, "What happened in 1483?"

"Luther was born," answered Edna Barker.

"Correct. What happened in 1487?" After a long pause, "Luther was four years old."

(But Edna said that she liked the one about early to bed...)

\*\*\*

"NEVER TURN YOUR BACK ON A FRATERNITY BROTHER... HE MIGHT KNIFE YOU."

\*\*\*

A favorite expression in college vernacular is, "You wouldn't kid me, would you?" No, little girl, we wouldn't "kid" you. But somebody has to be the goat.

\*\*\*

Bob—Anyhow, Congress has not put a tax on brains.

Martha—Well, generally speaking, the tax would not be worth while.

"Reno."

"I wouldn't cry like that, little boy."

Boy: "Cry like you please, this is my way."

The strong man, gleaming knife in hand, gazed at the smooth, white body in the water.

"I cannot do it!" he groaned. "It's not a man's work." Tears streamed down his cheeks.

The woman, with a look of utter scorn, seized the knife—and finished peeling the onion!

\*\*\*

According to Dr. Barnhart, if all the boys in the United States could read every girl's mind, the gasoline consumption would drop fifty per cent.

THE BEST OF FRIENDS MUST PARK.

A well-known woman is a famous Mrs. Malaprop as regards her speech. "And what in France," asked a friend, "did you enjoy the most, Mrs. —?"

"Well, I think," said the lady, "it was the French pheasants singing the Mayonnaise."

\*\*\*

Mike: "So you're a salesman, are you? What do you sell?"

Ike: "Salt."

Mike: "I'm a salt seller, too."

Ike: "Shake!"

## DON'T PICK THE FLOWERS

With the coming of spring the flowers which have been so carefully planted around the campus will again blossom out. Mrs. Charles Diehl has spent much time and effort beautifying the campus by planting the flowers. The beauty of the campus is much the richer for her efforts, and the students can show their appreciation of her work by doing their bit to see that the flowers are not disturbed.

Students are asked not to pick the flowers but to let them grow. Often students thoughtlessly walk about the campus and step on the new shoots or trample the full grown flowers. Everyone is especially asked to try and refrain from destroying the flowers in any way and let them grow to be a reward to the efforts of time and work expended by the lovers of flowers.

## Just a Bit of Dorm Life

### STEWART HALL

The banks are open and prosperity is again back in Stewart. Toxey's barber shop is again going full blast, and the telephone and drug store are busy again. Thanks Franklin, old boy.

Rasherry has been troubled with homesickness lately. Every Friday he begins to feel bad, and every Saturday he pulls out for Clarksdale. Some few still believe he wants to see his mother, but the majority are beginning to see through that. Better watch out, Razz, these women will ruin you. Ask "Sailor" Ned Wright about it.

Freshman Benton, our dullest scholar, has been confined to his bed with a wrenched knee. Maybe he will study a little now for a change. Otherwise the boys are all O. K. Indeed the doctor seems to have the impression that this is a new and stalwart race of men over in Stewart, for he apparently thinks we are immune from disease. He has started moving the measles cases from the other dormitory over here, Gene Stewart and Charley Sherman. Bring them all over, doctor, we can stand it.

### EVERGREEN HALL

The first touch of spring surely has affected the dormitory—everyone is showing signs of spring fever and it doesn't look as if there'll be much work done during the next few weeks. Two of the girls have taken to skating as a means of spending the afternoons away from school work, and they're actually blaming it on gym.

It looks as if Tom and Herman do believe that "in the spring—" but they're not the only ones being seen around here now. Tom Mills was here again. Looks like he'll soon be following in his roomie's path and will also become a fixture.

Who hasn't heard all about the excitement over here last Saturday night and MY! MY! isn't Howard W. the big hero and chief protector of the girls' dom.

Watch Russell Cross the BIG sheik!

### ROBB HALL

Robb Hall was silent and deserted last week-end, but what else could you expect with Shorty Simmons and Harvey Heidelberg off to Clarksdale, Huntsy George and Julius Klaus down in Macon, and Paul Calame departed for Holly Springs?

Calame came back downcast Sun-

day night, and it turns up that he not only did not reach that glamorous Mississippi metropolis but never got out of the city limits of Memphis.

Gene Stewart is tickled to death 'cause he's got the measles! Monday afternoon he was dancing up and down the halls shouting that he had the measles.

Thinking that Gene was just being himself as usual, Frank Goodlett rubbed noses with him all in fun; but Tuesday morning Gene was pronounced a sick man and packed off for isolation in Stewart Hall. You can imagine that Goodlett wakes every morning afraid that he is in the grips of that horrible disease.

When you're longing for the language of the tropics, just walk into "Disney" Strickland's and Ramsay's room. There the radio is always playing soft music, and you just spend your time lolling over the tousled beds and napping, occasionally rousing yourself just enough to light a cigarette or to make your play in a two-day old game of "tit-tat-too."

## PROFS SPEAK TO SCHOOL TEACHERS

At the monthly meeting of the Memphis public school teachers last Saturday, Dr. J. H. Davis, Dr. W. R. Cooper, and Dr. W. R. Atkinson made short addresses. Dr. Davis spoke to the primary teachers on "England in India." Dr. Cooper spoke to the social science division on "Parson Brownlow."

## Are You Listening?

I've stood for a lot of kidding this past week, but I've at least been tending to my knitting or tatting as Jimmy Walker calls it. The skirt has grown another inch if it means anything to you.

I hear Priscilla's "Love" is coming down here soon, watch out, boys, or you'll have too much competition. . . Who is the young lady that calls Russell Cross every day at noon?

And not only that, I would also like to know why Russell missed the Ministerial Club meeting the other night. Who is the attraction, Russell? What's this I hear about Martha Burton and Joe McCormick, and Susie Ellen Knowlton and Jack Crosby? Some more romances?

Chicken High seems to have a great deal of trouble with his Sunday dates. Poor boy! . . . Bill Taylor, so I hear, has now gone in for hypnotizing young ladies. Now, now, Bill! . . . Wonder what happened to Tress Canale's late date last Sunday night? . . . Tee hee, Tress!

Where is Jimmie Kate Johnson going either tonight or tomorrow night? Why, Jim, shame on you! . . . Why do Red Foreman and Jack Lloyd spend a great deal of their time out at Teachers?

## PLANNING FOR EASTER VESPER

Last Service Scheduled On April 9

The fourth and last Vesper Service will be held in the Hardie Auditorium, April 9, at five o'clock. The service is being sponsored by the freshman class, under the direction of Jimmy Haygood, Jr., class president. Jimmy will appoint a committee to help him with the plans.

The vespers will carry out the spirit of the Easter season, and the male chorus will sing. Dr. Diehl is making arrangements for a very good speaker, but according to Bob Pfrangle no definite choice has been made as yet.

## College Club To Be Held March 25

The College Club will have a dance at the Peabody Hotel on Saturday, March 25th. For some time students have been urging that the College Club resume its dances, so a large crowd is expected.

Nothing definite has yet been decided but plans are being made to have a series of spring proms at one of the country clubs after March 25th.

## "OBSERVER" TO APPEAR MAR. 20

Literary Organ Arrives On Monday

"The Observer", local literary publication, will have out its second edition on Monday. Maurice Carlson is associate editor of the literary organ.

The publication will contain a number of good features and short stories in the March edition. Dr. William Orr has contributed a book review to the magazine. Mrs. Robert Davidson, wife of the Lynx Bible prof, has written a number of poems for the journal. One of the features is a short story written by Dr. Edwin W. Parks, English professor at Vanderbilt.

Copies may be purchased from Carlson at the price of 10 cents. In the April edition will appear a story by William Faulkner, young Oxford, Miss., writer, who has gained wide acclaim among various literary critics.

## Christian Union To Meet Monday Night

The Southwestern Christian Union will meet at 6 o'clock Monday night in the private dining hall. Robert Pfrangle, president, announced that plans for the Easter vesper service would be discussed at the meeting.

## ANNOUNCE BILL OF ATHLETICS

To Play Soccer, Track Baseball, Tennis

Under the sponsorship of the Booster's Club, inter-frat and inter-class spring sports will begin Monday.

Beverly Buckingham is in charge of the inter-fraternity baseball league. The first games of which will take place Monday. The season will last for seven weeks, each fraternity playing eight contests. The Kappa Sigs are the defending champions.

A tennis tournament is slated for the last two weeks of April. Each fraternity will have four representatives in their fight for the cup, which is now held by the A. T. O.'s.

With the cooperation of Coach Miller, the Boosters have succeeded in getting a soccer court built east of Science Hall. It is definitely known that there will be inter-class tilts in this particular game.

Probably one of the biggest events of spring athletics will be the track meet to be staged during the first week of May. A cup will be presented to the winning group for this event also. The same rules for eligibility will hold true for this as in the case of tennis.

## Name McCormick Law Club Leader

Elect Officers At First Meeting

At the organization meeting of the Southwestern Law club Wednesday, the Progressive Democratic ticket headed by Claude McCormick was swept into office with a comfortable majority. Along with the installation of McCormick as president, Mac Elder was elected vice president, Charles Crump, secretary, and Jack Kelly treasurer.

The club decided to meet Tuesday night at 7:30. The members will discuss the convention form on nomination for Southwestern student election.

## Sir Francis Wylie Visits On Thursday

Sir Francis and Lady Wylie will visit Memphis and Southwestern March 23-25. Sir Wylie was formerly secretary of the Rhodes Trust. He is now making a tour through the United States and visiting the Rhodes scholars in various cities. Rhodes scholars from Kentucky, Tennessee, Mississippi, and Arkansas are expected to see Sir Wylie on his visit here.

## CHANGE DATE OF 3 PLAYS

Plan Productions For March 28

The date for the three one-act plays has been changed from March 28 so that more time can be given for rehearsals. The directors think that by that time the plays will be entirely ready for the footlights to go on. The directors and the plays which they are directing are:

Malline Lyon: "The Lost Silk Hat" by Lord Dunsany.

Margaret Tallichet: "The Stepmother."

Anne Galbreath: Eugene Pillot: "Two Crooks and a Lady."

The actors who are promising to be big hits are: Frances McDaniel, Frances Mae Weatherall, Ed Turner, Louis Nicholas. The plays are being presented by Theta Alpha Phi, national Dramatic Organization, of which Russell Cross is president.

Ticket sales will begin March 28 for the price of 25 cents, and can be purchased from any member of the casts.

# DANCING ON GLASS

### ILLUSION:

In India, the fakirs present a spectacle to tourists. Two lovely performers break bottles and lamp chimneys before the eyes of the audience, and throw the jagged pieces into a box already filled with broken glass. They step barefooted into the box and do an Oriental dance in the glass without injury.

### EXPLANATION:

The performers toughen their feet in a strong solution of alum water and thoroughly rub them with pulverized resin before they appear. They throw the freshly broken glass around the edges of the platform. The glass on which they actually do dance is very thick, heavy, and filed or ground so that the sharp edges are rounded off. The girls just pretend to dance on the sharp glass.

## IT'S FUN TO BE FOOLED

## ...IT'S MORE FUN TO KNOW

One of the tricks of cigarette advertising is to pretend that "Heat Treatment" is an exclusive process, making one cigarette better than any other.

**EXPLANATION:** All cigarette manufacturers use heat treatment. It is a routine process of manufacture. The first Camel cigarette ever made was manufactured under the heat-treating

process. Every one of the billions of Camels produced since has received the necessary heat treatment.

Harsh, raw tobaccos require intensive processing under high temperatures. The more expensive tobaccos, which are naturally mild, call for only a moderate application of heat. Heat treatment never can make cheap, inferior tobacco good.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

This is the most important statement ever made in a cigarette advertisement. Weigh its words. Consider what it means. Then try Camels.

Camels are fresh... in the air-tight, welded Humidor Pack.

## AWARD SEVEN BOBCAT CAGERS

Freshmen Numerals To Be Given Out Soon

Coach John Miller announced his Bobcat basketball numeral earners yesterday. Those who will receive the coveted "36" for participation in the cage sport are Dick Mays, Julian Owen, Young Wallace, Dorsey Barefield, Murray Rasberry, Howard Ramsay, and Sidney Strickland.

The yearling outfit won 12 games and lost only four. They bowed twice to the Beauregard "Ramblers" and defeated them on another occasion. They lost once to the Union freshmen and once to W. C. Rasberry's church league team.

## Yearbook Almost Ready For Press

Work on the Ministerial Club yearbook is progressing rapidly. John Fischbach, editor, announces that the book will soon be ready to go to press.

Announcement is also made that if any students desire a copy of the yearbook, which will be the only publication of its kind on the campus this year, they may sign up for one with Francis Benton, business manager.

## Veil Of Mystery Surrounds Attempt To Take Life Of Stewart Resident

Bang! Then John Chung Goes Into Hysterics. "They Shot At Me!" Victim Says From Under Bed. No One Can Explain Happening.

Bang! Then the excitement started. It all happened last Tuesday night in the room of John Chung in Stewart Hall. The dorm inmates had all retired to their beds for the night's sleep, including Chung. Rest and quiet was the thing uppermost in the minds of the students. But when that loud noise waked John, he lost no little time in getting into action.

The first to reach the scene was Tom Holloway, life-time friend of Chung. In no uncertain mutterings, Chung told Holloway that someone had shot at him. The speech was delivered from under the bed. But Chung was not long in one place. The next quotation was delivered from atop the table in his room. "Someone shot at me!" Chung exclaimed wild-eyed, feeling for the wound.

Holloway tried to calm the excited Korean but to no avail. After a lot of arguing with smooth-flowing talk (at which he is a past master), Holloway got Chung back to normal. The whole mystery hangs about the fact that when Holloway reached Chung's room, the door was locked and all the windows were down except one which was raised about one-half an inch. No bullet marks could be found anywhere. It is indeed a mystery how it all happened! The Sou'wester has assigned a reporter to the case with the hope of getting all wires cleared by next week. Some are of the opinion that it might be the Memphis police on the war-path, while some have opined that it was an assassin trying to take the life of the popular student. Startling developments are promised by next week, even without the help of the Memphis police.

## Tennis Backstops Are Being Fixed

Mr. Johnny Rollow and his crew have started repairing the backstops of the tennis court and will soon have the wire in excellent condition.

Dr. Peyton Rhodes, faculty tennis director, announced that the playing courts themselves will be made ready just as soon as weather permits. He hopes that actual playing will begin by the last week in March.

Appointment To West Point Announced

# Cigarettes, like Foods \_ need Seasoning

*That's the part Turkish  
Tobaccos play in making  
Chesterfields Taste Better*

SMOKERS notice a certain "touch" in Chesterfields that comes from having just enough Turkish tobacco in them . . . a spicy, aromatic flavor that's much the same to a cigarette as seasoning is to food.

For only by blending and cross-blending the right amounts of mild Domestic tobaccos with the right amount of Turkish can we get the flavor and aroma that Chesterfield smokers enjoy.

Next time, ask for "The Cigarette that Satisfies". . . you'll get Chesterfields, with Milder, Better Taste.
