LYNX MEET OLE MISS THIN-CLADS TOMORROW

PLAYERS WILL PRESENT PLAY AT AUDITORIUM

Annual Three-Act Production To Be Staged April 28

Southwestern will present a three-act play, "Skidding," by Aurania Rouveral, Friday night, April 28, at Ellis Auditorium. The play is a sparkling and interesting comedy that portrays a true picture of American life. It had a long run on Broadway.

Mrs. Terrell Brame is the director, and because of her wide experience a finished production is promised.

Those appearing in the cast will be: Julia Marie Schwinn as Marion, the youngest daughter of the Hardy family who comes back to Idaho from college very much in love but also desirous of a political career. Judge Hardy and Mrs. Hardy, typical American old-fashioned parents, will be played by John Hines, Jr., and Margaret Clay Faulhaber.

The two married sisters who "come home to mother" will be portrayed by Anne Galbreath and Peggy Walker. Eugene Stewart will take the part of Andy, the kid brother. Fred Bearden is the handsome New Yorker who is very much opposed to Marion's yen for politics and wants to marry her.

The maiden aunt will be portrayed by Therese Canale. The character part, that of "Grandpa," will be taken by Reed Brock. Russell Cross is cast as the typical small-town politician.

Robert Neill will act as prompter for the production.

The set will be constructed by Jessie Dean, who has done remarkable work at the Little Theatre and Paul Calame will be chairman of the group of student co-workers who will help him.

Political Scientists Will Meet Monday

The Political Science club will hold its regular meeting Monday, April 10, at which time a talk will be given by Prof. George A. McLean on the possibilities of the group making a definite alliance with a national political organization.

A large attendance is expected, and much debate is promised on the question of whether the club will go Democratic, Socialist, or otherwise. The radical element of the club warns that they will play a heated part in the affiliation discussion.

Kappa Alpha Elect Gaither President

At the regular meeting of the K. A. fraternity Tuesday night officers for the coming year were elected: John Perry Gaither, president; James Hall, vice-president; Jack Crawford, secretary.

Duff Gaither was chosen Panhellenic representative, and Julian Klaus, representative to the Sanhedrin council.

Retiring officers are Bill Thomas, president; James Coleman, vice-president; and James Hall, secretary.

Weatherman Will Speak to Scientists

The Science club will hold its regular semi-monthly meeting Wednesday at 8 p. m. in room 203, Science Hall. Robert Orr, president, will have charge of the meeting.

Mr. Fred Brist, in charge of the U. S. weather bureau, will be the speaker. He will speak on "Meteorology."

SOUTHWESTER TO BE OUT THURSDAY

The Sou'wester will be out Thursday next week instead of Friday. The intervention of the Easter holidays which will begin at 5 p. m. Thursday necessitated the change of date.

Easter Vesper To Be Held Sunday In Hardie At 5 P. M.

The Rev. F. B. Gear to Speak At Freshman Service

The fourth and final Vesper service of the year will be held Sunday afternoon at 5 o'clock in Hardie Auditorium. It will be the Easter Vesper.

The Christian Union cabinet has been working hard on the vesper and hopes to make it the best one of the year. Miss Nell Davis, chairman of the vesper committee, announced that plans are to have the decorations carry out the Easter spirit. A White Cross will form the major decoration, and will be so placed as to cast its shadow on the back wall, giving the appearance of being in the distance.

This is the freshman class program, and a large attendance is expected. The Rev. F. B. Gear will be the speaker. He is one of the outstanding men in the synod and a capable and well-liked preacher. He has done considerable work in Scotland on his ministerial work.

Louis Nicholas has charge of the music, and the men's chorus, which will render the music, has been practicing long and hard on the Easter music.

A. O. PI TO HAVE BENEFIT PARTY

Party To Be Held At Casino Tomorrow

The A. O. Pi benefit bridge party will be given tomorrow afternoon at 2 o'clock at the Casino. Bill Taylor's orchestra will furnish music during the afternoon.

Sara Naill has charge of the attendance prizes; Betsy O'Brien the table prizes; Mary Allie Taylor the ticket sale; and Clara McGehee the sale of candy.

In addition, Halle on Main Street has arranged to give a fashion show. The models are to be girls from the active and the alumnae chapters. They have not yet been definitely decided on, but they will be at least 12 in number.

COUNCIL TO MEET TODAY AT 1 P. M.

The Student Council will have a meeting today at 1 p. m. in the private dining room. Important business will be discussed, Harold High announced.

Speaker

REV. F. B. GEAR

FINAL DEBATE SATURDAY NITE

Lynx Meet Miss. State At 8 O'Clock

The Southwestern forensic team will meet the debating team from Mississippi State tomorrow night at 8 p. m. in the college chapel. The debate will wind up the home schedule for the year. The question is "Resolved: that Soviet Russia should be recognized by the United States."

A Lynx team composed of Ronald Hayhoe and Henry Oliver will defend the affirmative side of the question. Mississippi State was one of the schools met by the Lynx team which made a southern tour through that section of the country last year. As the question is one of popular appeal, an interesting debate should result.

Easter Holidays Start Thursday

The annual Easter holidays will start Thursday at 5 p. m. Class sessions will be resumed Monday at 8:30 a. m. with the chapel services.

The dean's office announced that double cuts will be given for class absences two days before the holidays and for the two days following the recess.

Episcopal Girls Meet At 3 P. M.

The girls' Episcopal club will meet this afternoon at 3 o'clock in Dr. Cooper's classroom. Dr. Charles Blaisdell, pastor of Calvary Church, will be the speaker. Anne Brown Taylor, president, will preside. All girls are invited to attend the meeting.

EASTER VESPER PROGRAM

Prelude—"Reverie".....	Claude Debussy
Miss Hope Brewster	
The agony in the garden—Matt. XXVI 36-50	
"'Tis Midnight; and on Olive's Brow".....	Wm. B. Bradbury
Male Chorus

Pastor of Presbyterian Church, Columbia, Miss.	
Prayer.	
Recessional Hymn No. 91—"Golden Harps Are Sounding".....	Havergal
Benediction.	
President Charles E. Diehl, Presiding	
James R. Haygood, Jr., President of Freshman Class	
Louis Nicholas, Director of Music.	

Students To Take Educational Tests On April 17 and 18

Everyone Except Frosh to Take Cooperative Exams

Southwestern will participate in the 1933 Cooperative Testing program conducted under the auspices of the American Council on Education. The tests will be given at the college on Monday and Tuesday, April 17 and 18.

This year all sophomores, juniors, and seniors will take the tests. Last year the tests were given to sophomores only. The testing program will be given in room 101 Science hall. The seating arrangement for the tests will be posted on the bulletin boards in Palmer and Science halls on Wednesday.

All students who fail to take the tests on time will be given double cuts and charged a fee of \$2.50 for the special examination. All students are urged to take the tests on the scheduled days.

In the tests given last year, Southwestern ranked among the leaders with only 10 colleges above Southwestern. One hundred and thirty-eight colleges took the tests.

The tests will be under the direction of Dr. W. R. Atkinson. Pencils and material for the tests will be furnished the students.

LYNX MAY HAVE BASEBALL CLUB

All Depends On Action Of Council

There is a possibility that Southwestern may have a baseball team this season. The diamond sport which has been kept off the college athletic program for the past two years may again return. The big "if" in the case is the student council.

If the student council appropriates some money for the sponsoring of a team, Southwestern will have baseball. The athletic committee of the college has approved having a team but the committee is unable to appropriate any funds. It is up to the the action of the student council.

A number of the students are in favor of having a team and also it is a known fact that several members of the council are in favor of the team. The possibility of having a team is considered bright by the exponents of the movement.

Only a small appropriation is asked of the council, merely enough to pay for the expense of balls and bats. The players would furnish their own uniforms and gloves.

If the proposed motion goes through, games will be played with local teams, and possibly the team will be entered in the M. A. A. League.

A. O. Pi Make Plans For Spring Formal

Members of the A. O. Pi sorority will entertain with their annual spring formal dance on April 22. The dance will be given at the Colonial Country Club. Unusual and lovely plans for the dance are being made by Mary Laughlin, president, and the committees which she has appointed. Bill Taylor and his Collegians will furnish the music.

CHI DELTA PHI TO MEET MONDAY

Chi Delta Phi, national girls' literary society, will meet Monday afternoon at 3 o'clock at the home of Miss Elizabeth Ann Mahan.

Chi O's Initiate

The Chi Omega sorority announces the initiation of Miss Boyce Leigh Sadler, Miss Charlotte Berlin, and Miss Mary Jane Stimson.

OPEN SEASON IN DUAL EVENT WITH RED, BLUE

Lynx Strong in Dashes; Starting Gun At 2 O'Clock

Coach Kenneth Gatchell and his Ole Miss track stars will invade the Lynx lair for a dual track meet tomorrow. The events will begin at 2 o'clock on Fargason Field, with the pole vault and the 100 yard dash being the first on the program.

The Red and Blue have a strong and well balanced team. Thornton is a good sprinter from the freshman team, and Caspar is a varsity hold-over who can broad jump as well as sprint. Alan Shoemaker is a star hurdler. Big Jess Flowers and Brad White are excellent field men, and Flowers is also a high hurdler of no mean ability. Chester Curtiss is a good half miler and Bradley is dangerous in the two mile run.

Although the Lynx have been out only two weeks, they are rapidly rounding into form and will make the Mississippians hustle to beat them. Capt. Herbert Newton, will run the 220 dash, a lap on the relay team, and will highjump, broadjump and heave the discus.

"Chicken" High will run in the 100 yard dash, 880, and the relay. Carroll Clow who nosed out Newton in a 220 yard trial last week will also broadjump and probably run in the relay.

"Red" Forman will probably run the 100 and relay. Mac Elder is another sophomore sprinter who is doing well. Jimmy Wilson, a quarter mile star, is also available for the relay. Wilson will share the javelin throwing with Fred Bearden.

Above the sprints, Southwestern shows a paucity of material. High will have little help in the 880. Mc-Gaughran and Smith will run the mile, and Riley will run the two mile race alone.

Harvey Drake will take care of the high hurdles. The weights are the Achilles heel of the Lynx, but Sid Hebert and Sheriff Knight will try to bring in points in the shot and discus. Some of the sprinters will run the low hurdles. "Senor" John Barnes is a pole vaulter and is counted on to win this event as well as the highjump.

Six Men Inducted Into Sigma Upsilon

Six men were initiated in the Stylus Club of Sigma Upsilon Wednesday evening. The new members are Louis Nicholas, president; John Fischbach, secretary; Henry Oliver, Russell Perry, Reinhold Matheson, and David Edington.

The initiation was staged by alumni of the club. Those who were in charge of the initiation were Marion Painter, J. P. Hollifield, James Hughes, Perry Bynum, and John Hughes. A dinner was held in the private dining hall preceding the ceremony.

Student Volunteers Will Meet Sunday

The Student Volunteers will hold their regular monthly meeting at 2:30 o'clock Sunday afternoon. James Overholser will lead the discussion which will be on the layman's view of "Re-Thinking Missions."

T.N.E. Have Dance At Gayoso Tonight

Theta Nu Epsilon is entertaining with a formal dance tonight at the Hotel Gayoso. Bill Taylor and his Royal Collegians will furnish the music. There will be three no-breaks, two specials and a T. N. E. lead-out. The dance will start at 8 o'clock.

Beta Sigs Pledge

Beta Sigma announces the pledging of Julian Owen. He is a freshman from Mount Pleasant, Miss.

**Merely a Bit
Of Nonsense**

Ned: "I gave my girl a wonderful present last night."
Ted: "I gave mine a wonderful past."

Conductor—"I'll have to charge you full fare for your little brother—he's wearing long pants."
Young Brother—"Gosh, sis, you ride free."

"Does your boy friend have ambitions?"
"Mercy, yes, ever since he's been knee-high."

Femme: "Is it proper to wear an evening dress to a bridge party?"

Gish: "It's only necessary to show your hands at a bridge game."

"You wouldn't think," said the Mississippi youth, "that my musical talent was the means of saving my life."
"No," remarked his friend. "I would not. Tell me how it happened."

Farmer—"No, I couldn't think of chargin' ye for the cider. That would be bootleggin' and, praise the Lord, I ain't come to that yet. That peck of potatoes will be five dollars."

"Well, there was a big flood in my home town and when the water struck our house, father got on a bed and floated down stream."

"And you?"
"I accompanied him on the piano."

The plumber and his bride stood and gazed at torrents of water swirling over Niagara Falls.

"Isn't it grand?" she sighed.
"Well," he muttered absent-mindedly, "it can easily be fixed."

Laugh and the prof laughs with you,
Laugh and you laugh alone.
First when the joke's the prof's,
Last when the joke's your own.

CARLSON—"NOWADAY, WHAT IS TOO FILTHY TO SAY IS SUNG."

Rastus (rushing in the back door): "Mandy, a big gator jist grabbed one of the chillun down by the bayou!"

Mandy: "By golly, I knowed somepin' was gittin' 'em."

I'm busy with my stenographer right now; in fact we are up to our neck in work (Naw, I know it ain't true—darn it.)

He was a promising young man—but he didn't keep his promise. And three shots rang out in the still night air.—Did I say anything about a shot-gun—I did not; I have to keep this clean.

We asked a sweet little gal if her boy friend was steady and she told us that he was "Practically motionless."

"Mistah Johnson, I has discovered! I can get yo' divorce on the ground that yo' marriage ain't legal, on account of her, father, he had no lisen to carry a gun."

"This is the skull of a man who was shipwrecked for two years on a desert island with two chorus girls."

"How did he die?"
"He wore himself out tearing down the signals they put up."

A subscription to the Sou'wester is \$3 the year in advance.

THE LIBRARY PROBLEM

One of the most thoughtless practices of the students is that of making unnecessary noise in the library. The library is for the use of the students, and it is up to them to see that it is properly used. It is not being properly used when students go there and make noise which interferes with the studying of those who are in the library for that purpose.

Surely everyone knows better than to do such a thing. It is pure thoughtlessness. The library is for study and if you do not wish to really study, do not go there. Outside of the library is the proper place for foolishness. If you don't want to study, at least, do not prevent others from doing their work.

Many times students go to the library to study together and in helping one another they often forget and talk loud enough to disturb others. Such should not be the case. It is all right to help others but do not disturb others. The ideal arrangement would be to have one room entirely for reading purposes and to have another room where students could talk and help one another with their studies. However, such an arrangement is not now possible at southwestern. We must make the most of what we have.

This thoughtlessness also may have another result. The student library assistants do not like to have to ask students to stop talking. It is an unpleasant duty. However, if excessive talking is one while they are on duty, it seems that they are falling down on their job. Consequently they may lose their position through our selfishness.

Southwestern has a fine library and for the students to be able to get the most out of it, silence should be observed at all times.

THANK THE STUDENT COUNCIL

The students of the college owe their thanks for the big time that they had at the April Fool's carnival to the tireless efforts of the student council and those who helped them arrange and put in the big celebration. The carnival was the best that has been held in the past four years and to mention the festivities is to heap praise on those who made it possible.

THE EASTER VESPER

The annual Easter vesper will be held Sunday afternoon at 5 o'clock. Not only is it a privilege for the students to attend, but it is a duty. An excellent speaker will speak at the service. The Christian Union has gone to a lot of trouble to make this service a worthwhile thing that will be for the students' benefit.

The service will be the final vesper of the year and a special effort is being made to have the auditorium filled. Will you do your part and be there?

**PARTNERS WITH
THE PUBLIC**

The services rendered by these two companies are factors in promoting the progress of the community and the well-being of all the people. We count it a privilege to serve the city's economic and social life in such an important way, and try to prove ourselves helpful partners in every worthy endeavor.

**Memphis Power & Light Company

GIRLS FINISH CAGE SEASON

Freshettes Win Class Championship

The freshettes proved themselves to be class basketball champions when they defeated the sophomores, last year's champions, in two games, the last one being a close and hard-fought contest, score 26-24. The sophomores were runners-up, while the seniors came third and the juniors last.

The freshmen who represented their class were Marjorie Stratmann, captain, Adele Bigelow, Bernice Cavett, Mollie McCord, Rosine Worthington, Mary Merhle, Lib Pearce, Nell McMahan, Audrey Townsend and Sara Naill.

Outstanding upperclassmen were Helen Gordon, Charlotte Stange, Margaret MacNicol, Louise Coppedge, Mary Kennedy Hubbard, and Barbara Porter.

From practice points and game points, the freshettes piled up the highest number of points among the class teams, while the Tri-Deltas scored the most points in the sorority league. The Chi Omegas were runners-up.

Golf Tournament In Opening Round

All first round matches in the Southwestern golf tournament must be played off by the end of the next week, according to Jack Elder, leader in the newly formed golf association.

The pairings are Heins vs. Sawrie; Metcalf vs. Hughes; Elder vs. Holcomb; McCormick vs. Cook; Ledsinger vs. Thomas; Roseborough vs. Flowers; Crisler vs. Brown; and Glover vs. Weddington. Of these the following have already come out victors: Hughes 5 and 4; Elder 7 and 6; Flowers 2 up; and Weddington 7 and 6.

Oppose Ole Miss Saturday

SHERIFF KNIGHT

HERBERT NEWTON

Dunlap Invited To Big Tennis Tourney

Richard (Dickie) Dunlap has been invited to participate in the annual University Club tennis tournament which will be held starting May 29. A number of national stars among whom are George Lott, Frank Shields, Cliff Sutter, Gregory Mangin, and Sidney Wood, have also been sent invitations.

Owen Works Out With Chickasaws

If Southwestern manages to have a baseball team this year, there will be at least one experienced player. He is Freshman Julian Owen, who is working out with the Memphis Chicks. Owen is a crack shortstop, and it is reported that he can hit the ball.

BOBCATS BEGIN CINDER WORK

Messick Opponent For First Meet

Coach John Miller has a husky crew of freshman track and field stars working out every afternoon. Several meets are as yet in the tentative state, but Messick High School is the only sure meet. The yearlings will probably engage Hank Smith's crew on April 21.

John Baker is showing-up well in the sprints, as is Dick Whittaker. John Hughes is a hurdle star and may be pressed into service on the 440. Hilliard Jordan and Dickie Dunlap showed up well in the freshman cross country run. They will probably run the mile. Rogers Lawrence and Ed Hutchinson are good middle distance men. Dick Mays will also be available for the shorter races.

Harvey Jones is a good broad-jumper, and he may polevault as well. J. R. Mann and Hutsie Harwood are good weight men. Many other freshmen are working out, and a good squad of cinder pounders seems fairly certain.

Jack Crosby Hit By Baseball Bat

Jack Crosby was the victim of an unfortunate accident. Last Tuesday in a practice game for the inter-frat indoor baseball league, Jack was struck in the mouth by a baseball bat which slipped from the grasp of "Hutsie" Harwood.

The bludgeon broke several of Jack's teeth and caused a painful injury.

HEINS MEDALIST IN GOLF TOURNEY

Morris Heins was the medalist in the qualifying round of the college golf tournament. Heins turned in a 78 on the Colonial Country club course. This is six strokes above par.

TENNIS HOPES ARE BRIGHTER

Several Dual Meets Are Pending

Prospects for a Lynx varsity tennis team loom much brighter, according to Dr. Peyton Rhodes, Southwestern tennis director. The athletic association has straightened out its finances to some extent and funds will be available for at least a few meets.

Jimmy Dainwood and Henry Oliver are the only varsity holdovers. Charley Ledsinger and Tom Jones are available from last year's freshman team. Charley Sherman will be able to play as soon as he recovers from an appendicitis operation. Harte Thomas, Douglas Grymes, and Goodlett Brown are other prospective racquet wielders who may make the team.

Meets are pending with Ole Miss, Sewanee, Millsaps, and Mississippi College. Some local aggregations will probably be met in preliminary practice meets.

Begin Putting Roof On Sig Alph House

The outer stone work on the S. A. E. chapter house has been finished. The carpenters are now putting on the roof with the shingles to follow soon. As soon as the roof is completed, the work on the interior will start.

A three inch concrete floor will be laid first. A waterproof membrane will be placed on this with another inch of concrete added on top of the membrane. The top floor will be composed of block flooring which will make a beautiful and serviceable finish.

Mary had a little lamb which she was supposed to keep.

It followed Mary 'round 'til it died from lack of sleep.

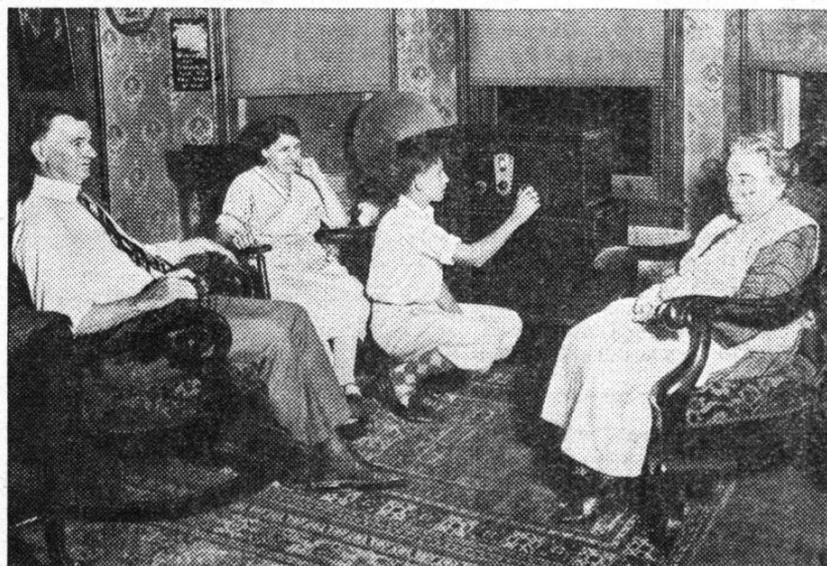

A MIRACLE... You sit at home in easy chairs, behind closed doors, while from a sound-proof room . . . perhaps thousands of miles away . . . comes the music that you listen to on the Chesterfield program.

That sealed room in the Columbia Broadcasting Headquarters sends out good music and good songs 6 nights a week to 50 million people from coast to coast . . . with the voice of Norman Brokenshire . . . just about the best announcer in this country . . . to tell you "Chesterfields are milder and taste better."

Why is the Chesterfield Program broadcast 6 nights a week over a coast-to-coast network reaching 50 million people?

Because we want every smoker in this country to know that Chesterfield cigarettes are milder.

We want to tell every smoker from coast to coast that Chesterfield cigarettes taste better . . .

We want everyone to know that they can depend on a LIGGETT & MYERS product.

Chesterfield

THEY'RE Milder—
THEY TASTE BETTER

Dr. Diehl To Attend Nashville Meeting

Dr. Charles Diehl will attend the annual meeting of the Tennessee College association which will be held in Nashville Wednesday and Thursday. Dr. Diehl is the vice-president of the association. He served as president during the year 1920-21.

Ramblin' Reporter Finds Lynx Co-Eds Want Their Men To Have Wit & Humor

To Be Fully Qualified, Men Must Be Tall, Dark, and Handsome. Brains Clash With Athletics.

Intellectual wit is more or less a necessary trait in men from a girl's point of view, if southwestern co-eds' divided opinions can be taken as representative of women in general. A few weeks ago the males were interviewed as to how important wit and humor in girls seemed to them.

This week the Rambling Reporter obtained the female side of the question.

Helen Hill—"They must have a sense of humor. I like them tall and brunette with a good physique. But boys without intellectual wit are not nearly as attractive as those with that asset."

Virginia Fisher—"I like them short and blonde, preferably football players. They must have a decided sense of humor, but I can't stand intellectually witty ones."

Savilla Martin—"Mentally clever boys are much more attractive. They must be smart dressers. A good physique is not essential, but they must be tall and quick thinkers. The wittier they are, the better I like them."

Adele Bigelow—"I like them tall, dark, and handsome. They must have a sense of humor but I don't care about mental cleverness. They must be football players with good physiques."

Sally Griffin—"They must have a sense of humor. I don't care whether they are intellectually witty or not. I prefer good dancers and decided blondes."

Anne Galbreath—"Looks don't matter but they must be intellectual, both seriously and witty. A sense of humor is the most valuable asset a man can have. I don't like them good-looking."

Helen Gordon—"I like tall brunettes with a sense of humor. Brown hair, a good physique, and a capacity for mental cleverness are decided advantages. I think girls in general are more attracted to intellectually witty boys than to muscular morons."

Edna Barker—"I like a sense of humor with all the earmarks of a subtle 'line.' They must be good dressers and a social and intellectual sense is absolutely necessary. I like curly-haired brunettes best."

COLLEGE CLUB SATURDAY NITE

Collegians To Play New Tunes

The College Club will jump into full swing Saturday night at 9 o'clock. A goodly crowd will be there to see St. Nick do a hula-hula. There will be a "book-worm" leadout.

Among those who are planning to attend are Clara McGehee and Newton Wilson, Zelda O'Brien and M. J. Ragsdale, Mary Louise Trigg and Joe Gardner, Louise Carroll and John Hines, Mary Laughlin and Dabney Crump, Eva Gene Bruce and Cran Boyce, Sally Griffin and John Jordan, Pud Mahan and Hunter Flack.

Cornelia Henning and Howard White, Helen Gordon and McLemore Elder, Ella Kate Malone and Franklin Kimbrough, Tress Canale and Jim Elly, Elizabeth Pearson and Dicky Dunlap, Emily Jane Mercer and Louis Parrotte, Savilla Martin and Charlie Maxey, Bernice Cavett and Louis Duffee, Charlotte Berlin and Bill Connoley, Peggy Jones and Robert Neill.

"Vanderbilt, this toast has a strange flavor?"

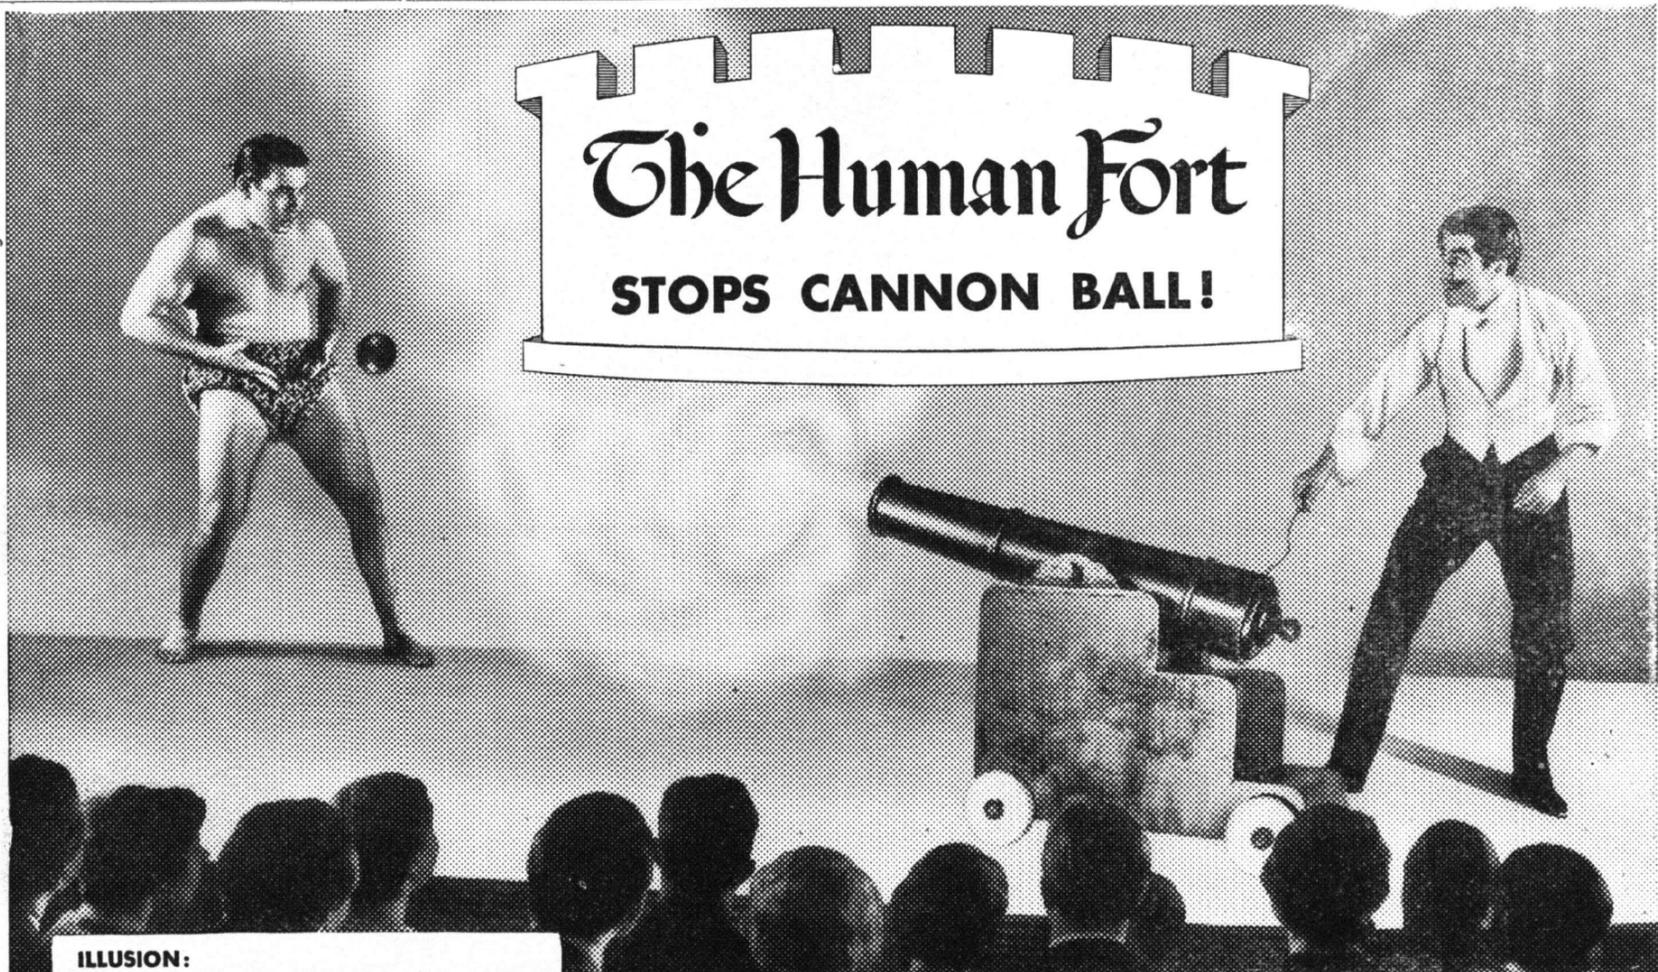

"Why, that's too bad, Mr. Cooper. I burnt it a little, but I thought it'd be all right if I touched it up with a dash or two of Ungentine."

PLAN SOUTHERN DEBATE TOUR

Millsaps, Miss. College to be Met

The last forensic encounters of the Southwestern debating team will take place when two of the Lynx orators make a short southern tour. Southwestern will meet Millsaps College at Jackson, Miss., and Mississippi College at Clinton on the trip.

The question in both debates will be the cancellation of war debts, and the Lynx will be represented in both cases by an affirmative team composed of Morris Heins and Robert Walker.

ILLUSION:

A "strong man" once gave public performances in which he stopped a 9 lb. cannon ball shot from a fully charged cannon. The audience gasped when the gun flashed and the human Gibraltar stepped forward out of the smoke uninjured, with the 9 lb. shot in his hands.

EXPLANATION:

The trick lay in the way an assistant prepared the cannon for the performance. He used the regulation amount of powder and wadding, but placed the greater part of the charge of powder *ahead* of the shot. The cannon ball was propelled only by the small charge *behind* it which was just sufficient to lob the 9 lb. ball over to the strong man.

It's fun to be fooled —
...it's more fun to KNOW

A performance sometimes staged in cigarette advertising is the *illusion* that cigarettes are made easy on the throat by some special process of manufacture.

EXPLANATION: All cigarettes are made in almost exactly the same way. Manufacturing methods are

standard and used by all. A cigarette is only as good as the *tobaccos* it contains.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

In costly tobaccos you will find mildness, good taste, throat-ease.

Smoke Camels *critically*, and give your taste a chance to appreciate the greater pleasure and satisfaction offered by the more expensive tobaccos. Other cigarettes, we believe, will taste flat and insipid to you forever after.

— NO TRICKS
...JUST COSTLIER
TOBACCOS
IN A MATCHLESS BLEND

CAMELS
