SIX WEEKS OF GRID PRACTICE GETS STARTED

Drill On Fundamentals In Early Sessions of Spring Work

Fargason Field again rings out with the thuds of shoulders striking bodies, and footballs may again be noted spiralling their way high and far down the field. Spring football started with a vengeance Wednesday.

It did not take the coaches long to work the winter kinks out of the athletes, as most of them have been playing basketball and doing other work in the gym. Real blocking and tackling has already begun, and it would not be surprising to see a real scrimmage the latter part of next week.

Captain Fox and Alt. Captain Cecil McCollum are both on the job and will probably lead the "Blacks" and "Reds" in vicious onslaught against each other.

LOSE 5 BACKS

The line will be fairly intact next year but five first string backs have completed their collegiate career. They include High, Newton, Knight, Womble and Love. Pickens, Mac Elder, and McLarty are the lettermen around whom the coaches must build their backfield.

Jack Kelly and Carroll Clear are a pair of capable backfield reserves who will attempt to show themselves worthy of a varsity berth during the spring grind. There is a wealth of capable material from the Bobcat ranks. "Skinny" Jordan and Dick Mays are a brace of small but elusive quarterbacks who aspire to succeed Harold High.

Hutsie Harwood is a line-crashing fullback who should be ripe for varsity competition.

MUSICAL CLUB MEETS SUNDAY

Cortese Trio Feature of Program

The Southwestern Music club will hold its regular monthly meeting at 3 p.m. Sunday at Hardie Auditorium. Miss Nell Sanders is the president of the club.

A special musical program has been arranged for the meeting. The feature of the afternoon will be several numbers rendered by the Cortese Trio, prominent local musicians.

In addition to the selections to be given by the Cortese brothers, numerous other selections will be presented by members of the club. Louis Nicholas is in charge of arranging the program.

M'Queen Chairman Of Alumni District

During the examination period, Prof. Marion MacQueen attended the district meeting of the National Alumni Association of which he is the chairman. The district is composed of the alumni secretaries of Tennessee, Mississippi, Louisiana and Arkansas.

Dr. MacQueen announced that the meeting next year would be held in Nashville, Tenn., with Vanderbilt and George Peabody College serving as hosts to the district alumni secretaries.

BOBCATS MEET UNION TONIGHT

Play Bullpups At Jackson At 8 P. M.

The Bobcat basketball team will journey to Jackson, Tenn., tonight to meet the Union freshman team in a return engagement. The Lynx freshmen recently met the Bullpups on the Southwestern court and gave them a 53 to 38 drubbing.

The game will be the third of the season for the Bobcats. They lost their first encounter to the Linden Ave. Church team, and won their second engagement from the Union freshmen. A win tonight would give the Bobcats a .667 percentage, and they're hoping to make it two straight over the Bullpups.

Council Will Meet Today At 1 P. M.

The Student Council will have a meeting at 1 p.m. today, Harold High, president, announced. The meeting will be the first since the Christmas holidays, and important business is to be discussed.

Plans for the student activities for the spring semester will be outlined. The "S" club will also have its representative there for the first time. Sid Hebert will represent the organization which was recently voted a place on the council.

Post Soph Reading List Monday A. M.

Miss Annie Beth Gary, assistant registrar, announced that the list of sophomore reading course assignments will be posted Monday morning on the bulletin board on the second floor. Due to the many changes made, it is necessary to postpone the assignment until that time.

NEW O. D. K. MEN FINALLY GET KEYS

After a prolonged delay, the "keys" for the new initiates in the Phi Circle of Omicron Delta Kappa, national honorary fraternity, have arrived. The "keys" arrived during exam week, and were given to the members by Louis Bornman, president of O. D. K.

CHANGE MADE IN REQUIRED HYGIENE WORK

Only One Semester's Work Needed Instead of Whole Year

The faculty committee has changed the requirements for hygiene credit. The committee handed down a ruling whereby students will be required to take only one semester of hygiene. Heretofore, a whole year has been required if a student wishes to graduate.

Dr. Coleman Harris, instructor in hygiene, said that the second semester course had been discontinued. "Students failing in the first semester's work will be required to do outside work and make up the failure. No class will be held this semester," Dr. Harris said.

OLD STUDENTS

The new ruling applies to students who entered the college for the first time this fall. Old students who have passed one semester of hygiene but have not completed the year's work will be held responsible for a whole year's work.

The old students will have to make up the credit by doing outside work, the same as those who failed to pass the course for the first semester this year.

Finish Tri-Delta House Tomorrow

Plan Housewarming For Late February

The answer to the Tri-Delta's dream of having a sorority house will be in material form by the end of the week at which time the final touches will be put on the fifth house to be built on Sorority Row.

After weeks of work and delay caused by the inclement weather, the cozy little Tri-Delta bungalow will be completed. The new structure is the first two-story affair to grace the bonds of Sorority Row and is the latest thing in modern construction.

The Deltas are planning a housewarming party for the latter part of the month, at which time all their friends will be given an opportunity to view the new house both inside and out.

LAY PLANS FOR '33 CATALOGUE

Dr. Storn Again Edits Publication

Work on the 1933 issue of the Southwestern catalogue is now under way, and if present plans work out, the catalogue will come off the press sometime during the latter part of March or the first part of April.

The catalogue is being edited by Dr. Martin W. Storn, head of the Spanish department at the college. Dr. Storn has edited the annual book for the past five years.

Sumner changes have been made in the curriculum of the college and all of these changes will be included in the new catalogue.

At the same time, reports will be mailed to the parents or guardians of the students.

"LYNX LAIR" OBSERVES FIRST ANNIVERSARY

This week marks the first anniversary of the opening of the Lynx Lair, popular college cafeteria. The shop opened in a small space in the receiving office in the basement of the dining hall last year, and continued to remain in this space until the college closed in June.

Due to the great increase in business and the need for more space, the publication's office was moved from the basement of Neely Hall during the summer, and the Lair moved into the new headquarters,

which it occupies today.

Harold High, who has served as manager of the Lair since the day it was opened, said yesterday in an exclusive statement to the Sou'wester, that the business for the fiscal year has been a great success. The financial end of the business has shown a goodly sum on the credit side of the ledger, also.

The Lair was named by Eloise Brett in a contest conducted by the shop. Miss Brett's title was chosen from hundreds of names submitted by the students. Eloise received three

free meals from the shop for submitting the prize name.

The idea of the eat shop was originated by Mrs. Porter Dailey, manager of the dining hall. It was started at the request of the students who were unable to get hot food at any place other than the dining hall. It was started especially for the convenience of the town students.

High said that there was a possibility that the Lair might hold an anniversary week sale during next week, but that definite plans had not been formulated as yet.

Merely a Bit Of Nonsense

"C'mon let's trip the light fantastic."
 "Why—what have you got against him?"

He—Dearest, I love you and I want you for my wife?
 She—Goodness! What would she do with me?

"LET'S PLAY HOUSE. I'LL BE THE FOUR WALLS AND GET PLASTERED."

She—Your whiskers are as tough as Bills.
 He—Yeab that's what Edna tells me.

McTavish Senior — For two cents I'd disinherit you.
 McTavish Junior — For two cents I'd leave home.

Salesman—Hello, little man. Is your mother at home?
 Little Boy—Say, friend, do you think I'm cutting this grass for my health?

Dicky—Do you really think there is any danger in kissing?
 Eva Gene—Wait until I see if the folks are up.

Booth—How come she's dumb?
 Bearden—Well, she was out with me one night and—
 Booth—O. K., she's dumb.

Grog—Oh m'gosh—sh. Here comes an ossifer.
 Ditto—'Sall right, 'sall right, we got plenty for three people.

She—Every time I come to Minnesota I have to change my heavy undies. You know, I'm from Georgia.
 He—That so? I'm from Missouri.
 She—Sir!

AND THEN THERE'S THE QUESTION OF WHAT GANDHI WOULD HAVE DONE IF HE WAS IN SIR WALTER RALEIGH'S SHOES AT THE MUD-PUDDLE.

I hope that you will dance with me tonight, Mr. Jones.
 Oh, of course, I hope that you don't think that I came here merely for pleasure.

"Boy, I had a slick time at the dance. My date was plenty smooth, the floor was slippery, and I was well oiled."

Co-ed—How old do you think I am?
 Ed—Oh, about twenty-one.
 Same—How did you guess?
 He—Oh, I just counted the rings under your eyes.

"And there will be weeping and wailing and gnashing of teeth."
 "Ah ain't got no teeth."
 "Teeth will be furnished, nigger."

SHE WAS ONLY A PREACHER'S DAUGHTER, BUT I WOULDN'T PUT ANYTHING PASTOR.

The writer laughed when I spoke to him in French. No wonder, it was my old prof.

She—What kind of a tree is that?
 He—A fig tree.
 She—Oh my, I thought the leaves were larger.

"George broke up the party the other evening. He started to tell a dirty story and I had to send him home."
 "Well?"
 "But the rest followed him off to hear the rest of the story."

Alexander—Do you know Lincoln's Gettysburg address?
 Drake—I thought he lived at the White House.

Do you say your prayers every night?
 No, some nights I don't want anything.

Mary Jane—Why is it that you're so tired after every dance, Nell?
 Nell—Well, it's because of the waist movement.

They say misery loves company. Yes, that's why we're living together.

"Y'oughta invite me to summa your frat dances. I looks swell in orchids and poils."

A NEW LEAF

Now that the first semester has become history and all the shed tears have dried away, it is time to turn over a new leaf. We are starting off on a new academic journey with a clear road ahead and a clean slate in our hands.

Many have failed to do good work in their first trial of the college year; many have done excellent work. The failure to do one's best should be an inspiration to override the shortcomings, and those who have done well should let this serve as an incentive to do better. Especially is this true in the case of freshmen. Seniors know that they either have to pass or they can't graduate. Freshmen often do not take enough insight into the future to see how they hurt themselves when they do not do passing work.

The ensuing weeks after exams give the lazy person a chance to "take a rest," so to speak. Before he realizes what it is all about, he is again snowed under with work which has piled up while he loafed. Usually those who get behind at the start never catch up at the finish.

It is a good thing to play as well as work, but it is not a good thing to play and not work. Both are necessary to college life, and both have their proper place. No professor expects all work and no play, but he does expect the proper emphasis to be given to work.

Now is a good time to adhere to the words of wisdom of the old sage, Benjamin Franklin, who handed down a very applicable maxim, "A stitch in time often saves nine."

Chattanooga Quits S.I.A.A. Conference

The University of Chattanooga has resigned from the S. I. A. A. and will only be affiliated with the Dixie Conference. A., Dr. Robert Hinton, Georgetown College, secretary of the S. I. A. A. announced.

Harvard, Princeton Heal Old Breach

Cambridge, Mass.—The Big Three football "conference" of Harvard, Yale and Princeton, which was the original big-time gridiron "league" has healed the breach between Harvard and Princeton which occurred a student generation ago, and next season will become the Big Four. Dartmouth will play all three of the former Big three, and Harvard and Princeton will renew their traditional gridiron contests.

Are You Listening?

I hear Olga Hartman likes to spend most of her time in chemistry lab. I wonder if John Street can be the reason? . . . Somebody told me the other day that St. Nick reads the Dorothy Dix column every night—now now, Nick-ie! . . . I hear there is a certain K. D. pledge who says she is through with love, now I wonder if that is the truth? . . . I wonder if "Tress" Canale can explain just what she was doing in the tower room about a week ago with two handsome young gentlemen; 'fess up, now, Tress.

Jack Crosby has a very cynical opinion of women, it's interesting even if it isn't true. Who could possibly have put Jack in such a state of mind? . . . I wonder if anyone has noticed the romance that has arisen between "Deedie" McConnel and a certain Kappa Sig.

A little bird told me that Alvan Tate is going to Lepanto, Ark., soon to see a very attractive somebody. Is she a blonde or brunette, Alvan? . . . I am very anxious to know how Dicky Dunlap scratched his face. Explain yourself, Dicky. . . . Clark Porteous says he is very much enamored of a certain young lady, but refuses to tell me who she is. I have a speaking suspicion that she is a very pretty brunette.

Franklin Kimbrough says he can't imagine anything he'd like better than to be a squirrel. Is he squirrely or what? . . . Have you ever heard so much noise as that which comes from the Publication office? My gracious! That good looking Painter girl paid us a visit the other day and we've felt happy ever since. . . . Helen Hill is back with us after a very serious illness.

FIX NEW PIT FOR VAULTERS

Cinder Runway Made On Fargason Field

The athletic field is being revamped for the spring track season. Already, there has been a new cinder runway made for the pole vault pit. Work will begin in the near future on the cinder track, and on the broad-jump and highjump pits.

Get Register Book For Visiting Alumni

Alumni who visit on the Southwestern campus and drop in at the alumni office will register on a brand new register book. Miss Olive Walker, assistant to the alumni secretary, said yesterday.

A book has been provided for the registering of the alumni and now the college will have a definite record of the alumni who visit their Alma Mater and the date that they visited.

Heretofore no written record has been kept of the alumni who drop in at the office during their visit to the college.

ELDRED TRANSFERS TO TRANSYLVANIA

William Eldred, Southwestern freshman, has transferred to Transylvania College, which is located at Lexington, Ky., for the spring semester.

One Mid-Year Graduate

Dan Ross will be the only familiar face lost to the Southwestern campus after mid-term because of graduation. Although Dan will not receive his diploma until the June Commencement Exercises, he has completed his academic requirements for his B. A. Degree.

Dan will leave for Europe about Feb. 15, and will not return until just before Graduation day.

Kate Cleveland Goes To U. C. L. A.

Kate Cleveland, Cleveland, Ohio, and a junior at the college, has enrolled at the University of California, Berkeley, Cal., for the spring semester.

PAIR OF CALVINITES GO TO HOME STATE

James Jussley and Joe Wilson, a pair of Calvin roommates, have left the confines of Calvin and enrolled at schools in their home state. Jussley has enrolled at Hines Junior College, and Wilson is a student at Mississippi State Teachers College, Hattiesburg, Miss.

KNIGHT LOST TO CAGE TEAM

Old Ankle Injury Puts Star On Shelf

Zeke "Sheriff" Knight is the victim of a strange accident. He played against Mississippi College on Thursday, and did a bangup job. Friday, his ankle began to pain him and swelled up considerably. He could not remember injuring his ankle in any way.

He was unable to play in the next contest against the Choctaws, and the pain became so acute that he had to be removed to the Methodist hospital.

X-ray pictures have failed to reveal the exact nature of the injury, but it is thought to be the recurrence of an old injury that Zeke sustained while playing high school basketball in 1927. It is problematical whether or not Knight will be able to play in any more cage games this season.

There are other good cigarettes, of course.

TO TELL you that Chesterfield is the only good cigarette . . . that the makers of Chesterfield Cigarettes are the only ones who can buy good tobaccos and manufacture cigarettes scientifically . . . would be nothing short of foolish.

For all tobacco is sold in open auctions—where anyone can buy if he will pay the price. Even the machines on which different cigarettes are made are alike.

This much, however, is true: By using the *right kinds* of Turkish and Domestic tobaccos in *just the right proportions* . . . by blending and cross-blending them together in the most careful way . . . we make Chesterfield what smokers say it is . . . a cigarette that's *milder*, that *tastes better*. Just try them.

Friends Of College Start New Custom

Donations Sent In Memory Of Friends

A new custom has been started at Southwestern by friends of the college. Last week the college was the recipient of checks from two Memphians who donated to the college in memory of two loyal friends of the college who died recently. Instead of using the money for flowers to be sent to the funeral of the deceased, the checks were sent to the college. The donations were made in memory of Miss Jane Curry and Mr. Harold Burch, both of whom had been deeply interested in the work of the college. Dr. Charles Diehl said that this was the first time that the lovely custom had been started at the college. The college is deeply grateful to the donors.

Lynx Cagers Drop Pair Of Games

Millsaps' basketball team made a clean sweep of the two game series with the Lynx on Tuesday and Wednesday nights in the gym. The score of the first game was 36 to 25 and the second game found the Lynx on the short end of a 31 to 21 score. Playing minus the services of Zeke Knight, captain and center, the Southwestern offense was unable to display enough scoring punch to match the offense of the Majors. At the half of the second game, the Lynx led 12 to 10, but the Mississippians overcame the lead shortly after the rest period and were never headed.

The second game marked the worst officiating game ever played in the Lynx gym. Numerous fouls were called by the referee without any seeming cause.

In the first game of the series, Millsaps assumed an early lead and at the end of 15 minutes play led the Lynx 14 to 6. However, during the second half, the Lynx scoring machine began to function and several times the Southwestern team threatened the

WILL DISCUSS TRACK PLANS

Dixie Circuit Considers Proposed Meet

Plans for a Dixie Conference track and field meet will be discussed at a special meeting of the conference coaches that is to be held during the Dixie basketball tourney at Chattanooga, Feb. 16-18. This will be the first time that a separate track meet will be staged by the Dixie circuit, if the meet is staged. The Lynx won the Dixie Conference track title at the S. I. A. A. meet that was held here in 1931. However, the meet included both S. I. A. A. and Dixie entries. Dr. W. O. Swan, president of the Dixie Conference, is in favor of the events and it is quite probable that it will be held. However, the opinion of the coaches will be final. Last year a track and field meet was planned for Birmingham but was called off due to financial difficulties.

MINISTERS TO HOLD MEETING ON TUES.

The Ministerial club will hold its regular weekly meeting at 6 p.m. Tuesday in the private dining hall.

ILLUSION:
One of Napoleon's soldiers rose to fame on the "Burning Oven" trick. A roaring fire was built in an oven... the temperature rose to 600° F. Into the oven walked the "fire king," M. Chabert, carrying several raw steaks. A few minutes later the doors were flung wide and out he stepped... safe and sound... with the steaks thoroughly cooked.

EXPLANATION:
Heat rises. When Chabert entered the oven he hung the steaks above the fire, in the center of the oven, then dropped to the floor at the side, covering his head with a hood made from his shirt. He breathed through small air holes in the floor. When the steaks were cooked he threw back the hood, grabbed the steaks, and stepped out in triumph.

It's fun to be fooled — ... it's more fun to KNOW

"The Burning Oven" is an old illusion which has played a leading rôle in cigarette advertising. Its modern name is "Heat Treatment."
EXPLANATION: All cigarette manufacturers use the heat-treating process. Cheap, harsh, raw tobaccos require intensive processing under high temperatures. The more expensive tobaccos, which are naturally *mild*, call for only a moderate application of heat. The first Camel cigarette was manufactured under the heat-treating process. Every one of the billions of Camels produced since has received the nec-

essary heat treatment. But remember that heat treatment never makes cheap, inferior tobacco good. It is not in heat treatments, but in more costly tobacco and fine blending, that Camels find their appealing mildness and flavor.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

You sense this quality in the mildness... the distinctive flavor... of Camels. More costly tobaccos and a *matchless* blend tell the story of Camel leadership in public confidence. Try Camels. Judge them critically. Compare them with others for mildness, for throat-ease, for good taste. Key your taste to quality! Camels come to you fresh and cool... in the air-tight, welded Humidor Pack that keeps dryness outside and freshness inside.
