MEMPHIS, TENN., MARCH 10, 1933

Number 22

## ELECT KING, QUEEN WEDNESDAY

### COLLEGE PLANS TO PLANT 3000 PINE SEEDLINGS

North Campus To Be New Forest Area of College

A few years hence, the Southwestern campus will be a budding forest reserve. Three thousand pine seedlings will arrive on the campus today to be planted on the campus. The seedlings are three year-old specimens, and include 1500 loblolly and 1500 short leaf pine saplings.

The seedlings were obtained through the efforts of Dr. C. J. Harris of the biology department. Dr. Harris formerly spent 11 years with the Pennsylvania Forestry School and has had a great deal of experience along this line of nature work.

#### PLANT NEXT WEEK

They will start planting the seedlings next week, and they will be planted on the north campus in the area back of the Kappa Sigma and S. A. E. houses. They will be planted at 20 foot intervals and will be arranged in checkerboard fashion.

It will be about five years before the trees will begin to be noticeable but even at the present the three year old growths are easily recognized. They were obtained from the State Forestry Station which is located at Jackson, Tenn.

Dr. Harris has already planted some 300 specimens of hardwood seedlings on the campus. About 270 seedlings were planted in the area between the science hall and Neely Hall, the rest being planted in the southwest corner of the campus.

### TO PRESENT 3 PLAYS MARCH 22

Complete Casts for Three Productions

Theta Alpha Phi will present three one-act plays on March 22, 1933. Three pledges to the national dramatic fraternity are directing the plays. Malline Lyon is directing Lord Dunsany: "The Lost Silk Hat," which has the following cast:

The Caller—Ed Turner  
The Laborer—Tom Jones  
The Clerk—John Jordan  
The Poet—Louis Nicholas  
The Policeman—Paul Calame.  
Margaret Tallichet is directing "The Stepmother," with the following players taking part:  
Cora Proutt—Peggy Walker  
Miss Feversham—Frances Mae Weatherall  
Dr. Gardner—John Hines  
Adrian—Robert Neill.  
Anne Galbreath is directing Eugene Pillet: "Two Crooks and a Lady," with the following cast:  
Miller—Fred Bearden  
The other Crook—Margaret Tallichet  
Mrs. Simms-Vane—Frances McDaniels  
Miss Miller—Eloise Brett.

### Dr. Hill Speaks To Ministerial Club

The Ministerial Club met Tuesday evening in the Bell room. Dr. Hill, of the Memphis Presbytery, addressed the club on "Home Missions." A short business session was held during which Vernon Pettit, was placed in charge of the party which is to be given sometime this month. The annual has again been brought up and discussed, and finally agreed upon. Francis Benton and John Henry Fischbach will edit the book. It will contain pictures of the members, snapshots, and various other interesting write-ups and pictures.

### Tri-Deltas Have Housewarming On Saturday, Mch. 18

New Lodge To Be Thrown Open for Inspection From 4 to 7

The long awaited housewarming of the Tri-Deltas is to be given on Saturday, March 18. By that time, the house will be completely furnished as chairs, tables, etc., are being gathered in daily. The alumnae chapter has given a living room suite, and the mothers' organization will give the drapes.

All the sororities and fraternities on the campus, the faculty and their wives, the patronesses, the parents, and the special friends of the chapter are cordially invited to drop in from 4 to 7 o'clock that afternoon.

The guests will be received by the presidents of the active and alumnae chapters, and during the afternoon an ice course will be served. The house will be gaily decorated with bright spring blossoms, and a crowd is expected to help christen the new home.

### ELECT PETTIT VOL PRESIDENT

Plan Monthly Meeting On Wednesday Evening

Vernon Pettit, Memphis, has been elected president of the Student Volunteer group at Southwestern. Pettit was elected at the meeting held Monday to succeed J. B. Breazeale. Other newly elected officers are Lucien Connell, vice-president, and Lillias Christie, secretary and treasurer. Miss Christie was reelected to her office.

The Volunteers have changed their meeting time. They plan to have one Sunday meeting each month and also one monthly meeting on Wednesday in the private dining hall. This marks the first time the Volunteers have held regular meetings at night in the dining hall.

### LINGUISTS TO MEET TUESDAY

Spanish Club To Present Play

The Spanish Club will meet Tuesday evening in the Kappa Delta House. A committee on arrangements has been appointed by the president consisting of Nell Davis, chairman; Katherine Davis, and Anne Sullens. The committee has arranged the following program:

A short play from a well-known Spanish masterpiece to be given by the following cast: Hero—Ronald Hayhoe; Heroine—Margaret Clay Faulhaber; Villain—Bill Dueease; repertoire of Spanish jokes in Spanish by Prof. Martin Storn.

### DEBATERS PLAN EXTENDED TRIP TO MISSOURI

Go To St. Louis On Tour That Will Cover 1000 Miles

The Southwestern debating team will make its first trip of the year when they journey through Arkansas, Missouri and Kentucky debating four colleges. The team composed of four men and a faculty member, will leave Memphis Sunday, March 26.

The first debate will be with Cape Girardeau Teachers on the 27th. Washington University will be debated on the 28th with the Lynx remaining in St. Louis to meet St. Louis University on the 29th. The last forensic encounter of the trip will take place when the Southwestern quibblers meet Murray State Teachers College, of Murray, Ky., on March 30.

This will be the longest trip of the season, and only one question will be used in all four debates. The cancellation of war debts will be discussed twice from the affirmative and twice from the negative side of the issue.

As yet no definite selections have been made of the members of the team.

### MINISTERS TO EDIT YEARBOOK

John Fischbach Editor of Publication

Southwestern will have a yearbook this year after all. The Ministerial club has decided to put out a publication which will be known as the Ministerial Club Yearbook, and which will contain some of the features formerly included in the annual.

John Fischbach will edit the book, and Francis Benton will be the business manager. The publication will be sold for \$1.00 a copy, and will be financed in this way, with the club making up any deficit. No ads will be solicited.

The book will contain pictures of the Ministerial Club members and their activities. A history of the Club and sketches of the members will also be included. If possible, some of the outside school activities will be included.

### Chi Omegas Give Dance March 18

The Chi Omega sorority will entertain with a dance at the sorority lodge next Saturday, March 18, from 8 to 11 p.m. Block bids will be issued to all the fraternities on the campus and representatives from the other sororities on the campus will be invited.

#### BULLETIN

Today's 12 o'clock classes will be held at 1 o'clock today, and lunch in Neely Hall will be at 12 instead of at 1. The changes are necessary because of the S. A. E. festivities.

### Fraternity, Sorority Grade Averages

Key: A, 4; B, 3; C, 2; D, 1; E and F, 0.

### SCIENTISTS TO VISIT OZARKS

Group To Study Nature On Nine-Day Trip

Dr. Coleman J. Harris, associate professor of biology, will head a nine-day nature expedition to the Ozarks during the Easter holidays. Seven men will make up the party of scientific investigators who will journey to the vicinity of Hardy, Ark., for an extended study of nature. They will leave April 8 and return April 16.

The expedition is planning to collect a number of specimens which will be placed in the college exhibit of the biology department and will be used to build up the department.

The object of the trip is to study all kinds of nature. This will include a study of trees, flowers, birds, reptiles, fish, lower plants, taxonomy of animals and plants, and all other kinds of natural history.

The trip will in no sense be a pleasure trip although the group plans to get a lot of enjoyment out of their work in addition to their labors. They will arise every morning at 4:30 a.m. and start the day's work with a study of the birds and will continue to work until late at night when they will classify the day's work.

Those who will make the trip are Dr. Harris J. B. Breazeale, Don Johnson, Richard Thomas, William Hunt, and two others who will probably be outside scientists.

### Tri-Deltas Win Girls' Cage Title

The Tri-Deltas won the intersorority basketball championship Wednesday afternoon by defeating the Chi Omega sextette in the final game in the sorority tournament. The score was 22 to 10.

The winners were the defending champs and this makes the third consecutive year that they have won the title. Mary Merhle and Charlotte Stange played well for the Tri-Deltas while Helen Gordon was the best player for the Chi Omegas.

### COUNCIL PLANS ANNUAL APRIL FOOL CARNIVAL

Many New Features To Be Incorporated In Celebration

STARTS AT 2:30 P. M.

Athletic Program Carded. Minstrel, Fashion Show At Night

Election of the King and Queen and their court for the annual April Fool Carnival will be held Wednesday. The boys will elect the queen and the girls, the king. This carnival is sponsored annually by the Student Council, and according to the plans announced by Harold High, it should be bigger and better than ever.

The gala event will start Saturday afternoon April 1, at 2:30 o'clock with a volleyball game between the dormitory boys and the town boys. The faculty will then have a team ready to take on the winners.

Immediately after this, there will be an indoor baseball game between the town boys and the dormitory boys. No men will be allowed to play on both the volleyball and baseball teams.

There will then be an intermission until Saturday night at 7:30 o'clock. At that time, the king and queen, followed by their court, will enter the gym.

#### FASHION SHOW

Next on the program, there will be a fashion show put on by some of the girls. The model who gets the most applause will receive a prize. Next will be a one-act play directed by Julia Marie Schwinn.

Louis Nicholas will then bring on his boys for a Minstrel show, with real singing, dancing, fast cracks from the end men, and all that goes with a real blackface show.

#### COSTUME REQUIRED

No one will be admitted without a costume. There will be a grand march, and a prize will be awarded for the most original costume. The march will be led by the king and queen.

Andy Edington will be the Master of Ceremonies. The gym will be decorated, and committees have been appointed for this and the other details of the festival.

### STYLUS CLUB TO INITIATE

Nine Men To Be Taken In Next Friday

The long defunct Stylus Club of Sigma Upsilon, national literary fraternity, will be reorganized next Friday at 1:15 p.m. in the Tower room. At this time Reinhold Matheson, Harvey Creech, Henry Oliver, Louis Nicholas, John Fischbach, David Edington, Russell Perry, and Bill Gammage will be initiated.

Last year all of the old members of the club graduated before initiating any of the neophytes. The ritual of the club disappeared in a mysterious manner and the reorganization has been held up until a new ritual could be secured.

### Episcopalians Meet Today At 3:15 P. M.

The girls' Episcopal Club will meet this afternoon at 3:15 o'clock in Prof. Cooper's room in Palmer Hall. Dean Israel H. Noe of St. Mary's Cathedral will be the speaker. His subject will be "The Founding of the Episcopal Church." All members are urged to be present, and to bring anyone who would be interested in Dean Noe's address.

## Guy Lombardo's Orchestra Favorite Of Southwestern Students

Despite the efforts of the Rambling Reporter, who just lovvvves Eddie Duchin, to change their opinions, the vast majority of Southwesternites continue to regard Guy Lombardo's Orchestra as uncomparably the best in the country.

Lombardo's devotees and admirers are Lib Pearce, Bernice Cavett, Boyce Leigh Sadler, Grace Carkeet, Bill Taylor, Julius Klaus, Mollie McCord, Rosine Worthington, Knox Tate, Eleanor Trezevant, Molly Coe, Mary

Louise Trigg, Eva Gene Bruce, Anne Brown Taylor, Clough Eaton, and Nell McMahan.

Cab Calloway was second with Cornelia Henning, Betsy O'Brien, Sara Naill, Jimmie Kate Johnson, George Cooke, Charlie Layman, and Virginia Alexander voting for his orchestra.

Miscellaneous votes cast were for and by the following: Isham Jones' Orchestra, Jane Erskine, Zelda O'Brien, Marjorie Davis, and Allen

Gary; Wayne King's Orchestra, Earl Christian and Ernest Sawrie; Ben Bernie, Robert Orr; Jan Garber, Winona Bates and Edna Barker; Hal Stern, Duff Gaither; Louis Armstrong, Tom Woods; Paul Tremaine, Shirley Ham; and Rubinoff, Mary McCollum.

It is significant that practically all of those interviewed said that they would rather dance to Bill Taylor's Collegians than to any of those voted for.

### Merely a Bit Of Nonsense

He: "What are you up to now, you little rascal?"  
She: "About 99 degrees, darling."

Irate Father (to couple): "Say, what's coming off in there?"  
Son: "Nothing, darn it."

McCullum: "Thankful? What have I got to be thankful for? I can't even pay my bills."

Tite, the Second: "Why, man, you ought to be thankful you're not one of your creditors."

Dr. Orr (lecturing to his Sunday School Class): "We should never do in private what we would not do in public."

Bass: "Dr. Orr, how about taking a bath?"

Small boy to his father (Alvan Tate in 1944): "What is college bred, pop?"  
Pop (the aforesaid A. Tate): "They make college bred, my boy, from the flour of youth and the dough of old age."

Harte Thomas (to sweet young thing while out riding): "I can see that I am only a little pebble in your life."

Sweet Young Thing: "That's all, but I wish you were a little boulder."

Jerry Porter: "My ancestors came over in the Mayflower."  
Sara Nail: "It's mighty lucky for you that they did. The immigration laws are much stricter now."

Sarah Isabell Griffin walked into a judge's office: "Are you the judge of the reprobate?"  
His Honor Judge Stone replied: "I am the judge of Probate."

"Well, that's it, I expect," she answered: "You see, my husband died detested and left several little infidels and I want to be their executioner."

THE BEST THING TO DO WITH A SHIFTLESS HUSBAND IS TO SHIFT HIM.

The following from Homer Croy's "The Last Word" gives glimpses of what our well-knowns would like on their headstones:

Irvin S. Cobb—"Here lies Irvin S. Cobb.—Not that it makes any difference."

Richard Arlen: "Out of one depression into another."

O. O. McIntyre (for an atheist): "All dressed up and nowhere to go."

Mrs. Paul Whiteman: "A weight off my mind."

Dorothy Parker: "Excuse my dust."

Charles "Chic" Sale: "This lot for sale."

Walter Winchell: "Here lies Walter Winchell—in the dirt he loved so well."

Young One: "Are you from Alaska?"  
Younger One: "No, what makes you think so?"

Young One: "Just wondered. You dance as though you had snowshoes on."

"Oowah aswa altha adyla isa eensya onya itbwa astlaigtna!"  
"Altha aswa ona adyla, altha aswa youa ifewa."

"That girl is rather fast."  
"What makes you think so?"  
"She covered five laps last night."

"Girls are the most biased creatures I've ever seen."  
"Why so?"  
"All they ever say is, "Bias this and bias that."

Duffee—"This is a time when cooler heads are needed."  
Cavett:—"Well, lots of men go around without hats."

### INFRINGING ON A PRIVILEGE

One of the most thoughtless practices carried on by the students in both the men's and women's dormitories is that of taking the morning and afternoon papers from the social rooms to the rooms of the students. The papers are subscribed to by the Southwestern Christian Union and are for the convenience of the entire group of students residing in the dormitory.

Here of late, it has been a common practice for the students to take the papers to their room to read. This deprives the other students of a chance to read the paper. In the first place, it is a selfish thing to do, and furthermore, it is very inconsiderate.

The Christian Union wants you to enjoy the privilege of reading the paper, but it does not want you to be the only one to read the paper. The papers are a sort of community affair and not for individual use. No doubt, the students have been taking the papers to their rooms thinking that the rest of the dormitory residents have read them. However, such is not usually the case, and from henceforth, it is requested that the papers be left in the social rooms of the dormitories at all times.

### Just a Bit of Dorm Life

#### CALVIN HALL

At last one of the fellows in Calvin Hall has gained some recognition. Rafor Herbert, a S. A. E., has gone to Hot Springs, Ark., where he is undergoing physical examination, preliminary to receiving an appointment to West Point Military Academy.

Herbert has been working on the appointment for some time, and the whole school rejoices in his receiving it. He is confident of passing the physical examination which is the only matter to be settled before the final news.

There is one boy in the dormitory who has challenged all the other fellows to "out-do" him in having dates. He claims the record for having more dates than any other boy in the hall. At present, he is far ahead of his opponents.

A rather dismal atmosphere has been pervading the dormitory lately. Since the banks have been closed, many of the fellows are short of funds. This would not be so bad, but several have made dates for the week-end and are wondering where the cash is coming from.

Bill Cox is getting the reputation for being the most studious boy in the hall. It is reported that he studies thirteen hours out of every possible twelve. But, watch out, he'll begin to "shine" very soon with spring coming on. They all do.

#### EVERGREEN HALL

The bank situation has caused considerable havoc in Evergreen during the past week and brought about some of the queerest resolutions—everyone seemed to have a different idea how the last dollar should be spent and the opening of banks will be a day of rejoicing. It would happen right at the first with everyone still holding their allowance checks and absolutely broke.

The knitting craze has seized almost everyone over here and every spare minute seemed to be spent in making new sweaters and suits for Spring. Here's hoping that warmer days come soon so that all the new knitted clothes can be worn.

Mary Mac and Adelia went home for the week-end and had a per-fect-ly lovely time. Mac says that the only thing wrong with the visit was having

to come back so soon. And—where is Harvey H.? Haven't seen him around in a long time.

#### STEWART HALL

Stewart Hall welcomes back this week one of our most prominent scholars, Howard White. "The Moon came over the mountains" Sunday night, fresh from New England, filled with tales of the big city.

This was his first trip outside of the wilds of Mississippi, and he was naturally impressed by New York. He heard several good orchestras, "Cab" Calloway and Isham Jones included. Ask him about the floor show in the Hollywood Restaurant.

All the boys are studying hard. There seems to be a slight epidemic of it. Even Pickens has read a book for his reading course.

One of our boys, Joe Gordon has perfected an invention that is expected to revolutionize the radio industry. It is a contrivance which will turn a radio on or off at a given time. With this system you can go to sleep lulled by the waltzes of Wayne King without fear of being awakened at 6:30 by the Breakfast Club Express. Hats Off!

At present there seems to be a dearth of funds in Stewart Hall. The drugstore has to take bottles in payment for ice-cream, and Foxey is forced into receiving scrip for his tonsorial operations. Ned Wright is beginning to lose in the banks since he has an accumulation of checks but no cash.

Newton, Cotton, and Sheriff are getting set for the Tri-State tournament at the Fair Grounds. Benton is still studying hard, trying to make the scholastic requirements for residence in Stewart Hall. Some say Glen Gates had a birthday this week, some say it was his girl's. Nevertheless, he was caught wrapping up a present which he couldn't explain. Looks phoney!

### BOBCATS ENTER CAGE TOURNEY

Some of the Lynx cagers are still playing basketball. Coach Miller has entered the Bobcats as a team in the Memphis Recreation annual cage tournament, and the yearlings have hopes of going far in this competition.

### Are You Listening?

This space was to have been filled by—

LOUISE CARROLL

—But she didn't get in her story.

### First Spring Grid Invalids

Jack Crosby and Dorsey Barefield suffered the first injuries of the spring grid season in the game between the "Reds" and "Whites" last Saturday. Both are limping this week, Crosby with a badly swollen knee, and Barefield with a "charley-horse" in his thigh.

"Bing" received his injury in the middle of the line when a pile up caught him playing too high. Dorsey was hurt when John Barnes bowled him over with a perfect block in the open field.

Both gridgers hope to be well enough to play in next week's game.

### Co-Eds Learn Art Of Life Saving

Red Cross Instruction At Elks' Pool

Southwestern girls are going to have the opportunity of becoming human fishes. Mr. Harry A. Kennedy, Life Saving representative of the American Red Cross, will be in Memphis March 13 thru 17.

He will conduct an intensive Life Saving course for examiners at the Elks-DeVoy Pool from 7 to 9 p.m. daily. Miss Mary Poston, executive secretary of the Memphis branch of the Red Cross, has invited all girls to join the class. There will be no charge for instruction, but a fee of 15 cents per night for the use of the pool will be charged.

In order to be eligible for this class, all applicants must have passed the Senior Life Saving test as prescribed by the American Red Cross.

Anyone interested in these tests see Louise Stratmann and sign up for both classes.

### PARTNERS WITH THE PUBLIC

The services rendered by these two companies are factors in promoting the progress of the community and the well-being of all the people. We count it a privilege to serve the city's economic and social life in such an important way, and try to prove ourselves helpful partners in every worthy endeavor.

Memphis Power & Light Company  
The Memphis Street Railway Co.

### Rev. H. E. Kirk, '97 Alumnus, Writes Book On "Stars, Atoms, And God"

Famous Lynx Graduate Recognized Writer in Field of Religion. Has Other Volumes To His Credit. Holds Baltimore Pastorate

With the appearance of his latest book, "Stars, Atoms, and God," which has been widely discussed in learned circles, Rev. Harris Elliot Kirk, graduate of Southwestern in the class of '97, culminates a brilliant career as a religious leader and writer.

The first of his religious-thought books was "The Religion of Power," published in 1916 and since followed by a continuous succession of others. Rev. Kirk's last work has attracted much attention and is an attempt to harmonize the modern scientific outlook with religion.

Ordained a minister of the Presbyterian Church a few months after his graduation from Southwestern, Rev. Kirk held several churches in the South and in 1901 was appointed to the pastorate of Franklin Street Presbyterian Church, Baltimore, Md., which he has held ever since.

In the meantime Rev. Kirk has been lecturer on Historical Christianity at both Princeton University and Goucher College; professor of Biblical Literature at Goucher College since 1928; summer preacher at Westminster Chapel, London, England; Moderator of the General Assembly of Presbyterian Churches in the Unit-

ed States; and has held numerous other offices and honors which take up quite a space in the latest edition of "Who's Who in America."

### A. O. Pi's Entertain National President

Mrs. Franklin Matson, national president of the A. O. Pi sorority, visited the Southwestern chapter on March 8 and 9. During her short stay she was entertained with many informal social events.

She arrived early Wednesday morning and came to Southwestern where she had a short interview with Mrs. Townsend, dean of women, and then interviewed the officers of the active chapter. Wednesday afternoon she was entertained with a tea given by the alumnae chapter in the home of Miss Elizabeth Beasley.

### "WHITES" WIN THIRD BATTLE

Take Rubber Game From "Reds," 13-6

Last Saturday the "Whites" defeated the "Reds" 13 to 6 to forge ahead in the annual spring series, two victories to one. The contest was hard fought, and some vicious blocking and tackling were shown.

The ball see-sawed up and down the field, with the "Whites" having the best of the argument in the first half, and the "Reds" in the latter period. Mac Elder plunged over for both touchdowns. J. R. Mann helped considerably in bringing the ball down the field and kicked well. Bill Pickens caught a pretty pass for a substantial gain.

Under the capable guidance of "Chicken" High, the Reds scored once and threatened often in the second period. High flung Hawkins a pass that resulted in the touchdown.

Whites	Position	Reds

	F.B.	Harwood

### Chi O Inspector Says Sororities Are A Good Thing For A College

Ideals More Easily Incorporated In Nationally Controlled Organizations

Miss Christelle Ferguson, National Inspector of Chi Omega, was interviewed during her visit here on the subject of whether sororities are a good thing on the campus.

She was very emphatic in saying that national sororities were a good thing on the campus. Her reasons were, "Clubs and cliques are going to be formed in every college. Therefore why not have groups which are nationally organized and supervised, and which have national ideals?"

"A sorority can appeal to the individual, and can bring out the most in her. It is obvious that one will do more for her group than for herself. Thus the students' campus activities are broadened, and she receives a fuller college education."

Miss Ferguson was returning to her home in Homer, La., after having spent the past two months visiting and inspecting Chi Omega chapters in the southeast.

Freshman: "They tell me that Knight's a three-letter man."

Soph: "What—football, basketball and track?"

Freshman: "No—I. O. U.—"

### PLAN SPRING SPORTS' MENU

All Types of Athletics To Be Played

The Boosters Club, aided by Coach John Miller, will sponsor an extensive program of intra-mural athletics. Volleyball and indoor baseball will be the first sports, and will start in about a week or ten days.

Both the volleyball and baseball tournaments will be run off in three divisions, thus insuring everyone a chance to play. The first competition will be inter-fraternity, with the seven fraternities and the non-frats each having a team.

As soon as this is over, there will be inter-dormitory competition, with the inmates of Robb, Calvin, and Stewart all having teams. The students living out in town will form the fourth team.

**ILLUSION:**

The Oriental girl reclines on a sheet of plate glass supported by two slaves. The magician waves a white sheet in front of the pretty maiden... pronounces a few magic words... Presto! She has *disappeared* in thin air.

**EXPLANATION:**

"Disappearing" acts are among the most popular in the repertory of the magician. Dogs, horses, girls, whole rooms disappear—whisked into wings, dropped through trapdoors, hidden by mirrors. But this "disappearance" is a bit different. One of the "slaves" is a *hollow dummy*. When the magician holds up the sheet the lithe little lady disappears completely—into the convenient figure of the dummy.

## IT'S FUN TO BE FOOLED ...IT'S MORE FUN TO KNOW

There is also a trick of cigarette advertising, whereby a few magic words are used to create the *illusion* of "Coolness." **EXPLANATION:** Coolness is determined by the speed of burning. *Fresh* cigarettes, retaining their full moisture, burn more slowly... smoke cooler. Parched, dry cigarettes burn fast. They taste *hot*. This makes the method of wrapping very important.

Improperly wrapped cigarettes begin to dry out as soon as packed.

Camels are cooler because they come in the famous Humidor Pack of *welded*, three-ply, MOISTURE-PROOF cellophane... and because they contain *better tobaccos*.

A cigarette that is fresh, full of natural moisture, and blended from choice, ripe tobaccos tastes cooler than one that is harsh and acid. For coolness, choose a *fresh* cigarette, made from *costlier* tobaccos.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

Try Camels... give your taste a chance to sense the difference. You'll appreciate it!

# CAMELS

NO TRICKS ...JUST COSTLIER TOBACCOS

IN A MATCHLESS BLEND

### BOARD REFUSES MEMBER SEAT

#### Mississippi Synod Violates Group's Agreement

Dr. W. H. McIntosh, pastor of the First Presbyterian Church, Hattiesburg, Miss., and recently elected member of the board of directors of the college, has been refused membership by the board. Dr. McIntosh was elected to take the place of Mayor Watkins Overton of Memphis on the board.

The board refused Dr. McIntosh a seat because they believed that the Mississippi Synod violated an agreement entered into by the synods of Tennessee, Alabama, Louisiana and Mississippi in 1924.

By this agreement, the synod membership on the board was increased from three to four members with the understanding that the fourth member was to be a Memphian elected by the board.

The Mississippi Synod will meet March 21 in Jackson to consider the resolution passed by the board in refusing the place to Dr. McIntosh. The other synods have kept their agreement, and this is the first time that any synod has attempted to break the agreement.

### S. A. E. OBSERVE FOUNDERS' DAY

#### Many Events Planned For This Afternoon

Today at 12:30 o'clock, Judge Alfred K. Nippert of Cincinnati, past national president of Sigma Alpha Epsilon, will be the guest of Dr. Diehl at a luncheon in the private dining hall. Several prominent Memphians including Mayor Overton, will be especially invited guests.

At noon, Judge Nippert will present a picture of Sentaor Key Pittman of Nevada, who is an alumnus of Southwestern and Tenn. Zeta S. A. E., to the chapter. The picture will be placed temporarily in the dining hall until the new chapter house is completed.

At 7 o'clock tonight the annual Founders' Day banquet will be held at the Memphis Country Club.

### Y.W. Hears Speaker And Dines March 15

The Y. W. C. A. will hold a meeting March 15, at the A. O. Pi house. Grace Carkeet is in charge of the arrangements. Mrs. Calvin Conner of the Family Welfare Association, will be the speaker. Supper will be held preceding business meeting.

### Dark Secrets Of Big Trip To O. D. K. Convention Creep Into Limelight

#### Drake, Brown, and Edington Make History On Epoch Making Journey To Duke University

Snakebit, a Ford coupe plus, conveyed Goodlett Brown, Harvey Drake, and Andy Edington to Duke U. for the biennial convention of Omicron Delta Kappa, national honorary fraternity, on March 1, 2, 3. The impossibility of enticing Drake and Brown from the luxurious beds of ritzy hotels was the direct cause of a twelve hour delay, while the Scotchman's passion for Hershey bars kept him safe from Morpheus.

Soon after arrival at the convention it seems that the great Harvey acquired public recognition for Southwestern by enlarging upon the community chest activities of the alma mater.

Brown hid his light under a bushel, until the President's tea brought forth the ladies. The dance following the tea was a memorable occasion, started off by "Stan" Edington smoking a cigar. The same guy asked every girl at the dance, including his date, for a late date, only to find that Drake and Brown had both preceded him, though unsuccessfully. The final convention day was prac-

tically a civil war with Sewanee, Davidson, and Southwestern bitterly teamed up against Cincinnati, Ohio Wesleyan, and Pittsburgh. The loquacious Brown disappeared during the tongue tangle, but Drake made up for two. The "Resolutions" of Edington and the legislation of Drake accounted for the Yankee defeat.

Drake and Brown complained the entire time about the excess eating of Edington, but they evened the score by refusing to spend a night in Nashville.

### Study "Alcohol" At Scientists' Meeting

The Science club will meet Wednesday night at 7:30 o'clock in room 203 Science Hall. Robert Orr, president, will have charge of the meeting. Scudder Smith will have charge of the program and will give a talk on "Alcohol." It was announced that no experiments or samples would be given.

### ONE WEEK OF PRACTICE LEFT

#### Football Tilt Tomorrow If Weather Permits

Weather permitting, there will be only one more week of spring grid training. Coach Haygood announced that if he can get a full week of practice next week, he will call off the scrimmages and have only the kickers, passers, and ends out for light practice.

There will be another encounter between the "Whites" and "Reds" tomorrow at 2:30 p.m. unless it rains. This will be next to the last scrimmage between these squads, and each is anxious to have the heavy end of the score. The "Whites" are one up on the "Reds," but if the dark shirted lads win tomorrow, next Saturday's game will determine the series winner.

Morris Thomas and Francis Benton both showed decided improvement at tackle last Saturday. With the return of "Moon" White, the tackle situation looms much brighter, as Alt-Capt. "Big" McCollum is a veritable "powerhouse" at the tackle post.

J. R. Mann and Neal Tapp finished as broken field runners and are helping the backfield department materially.

# Don't you get Pipe Hungry

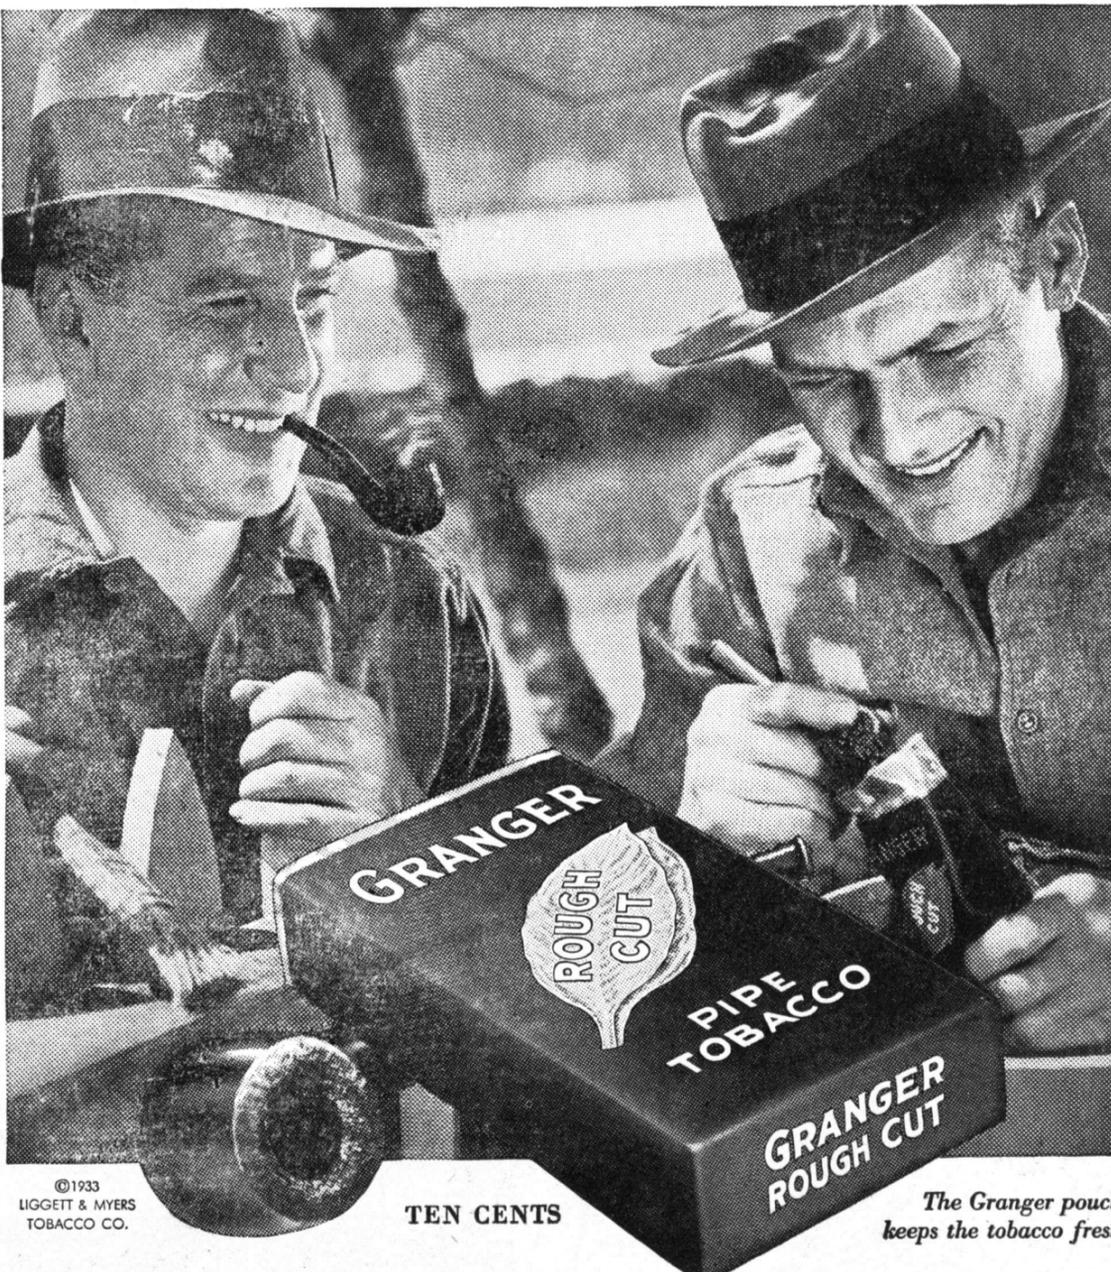

## once in a while?

"MAYBE it's back to Nature. Maybe it's something else. I don't know just what it is, but somehow or other I've just got to slip out in the woods and sit down on a log. I always take the old pipe along. Thinking somehow seems easier when you are smoking a pipe. I can fill up my pipe with Granger, and somehow just seem to see things clearer than at any other time.

"Don't know what it is about Granger, but it must be made for pipes—real pipe tobacco.

"Somehow, there's a flavor and aroma about Granger I never found in any other tobacco. When I pack my old pipe tight and good with these big Granger flakes, it's about the coolest smoke I ever enjoyed. It makes me downright pipe hungry every time I look at the package."

Some years ago we made a painstaking,

TEN CENTS

The Granger pouch keeps the tobacco fresh

scientific study to find out, if we could, the kind of tobacco best suited for pipes.

Down in the Blue Grass regions of Kentucky, we found a tobacco called White Burley. There is a grade of this tobacco between the kind used for chewing and the varieties suitable for cigarettes that is best suited for pipes. This tobacco is used in Granger.

This tobacco is prepared by a method worked out many years ago by Mr. J. N.

Wellman. It gives Granger a fragrance and mellowness that pipe smokers like, and makes it burn to a clean, dry ash. Granger never gums a pipe.

Granger has not been on sale very long, but it has come to be popular, and there is this much about it: We have yet to know of a man who started smoking it, who didn't keep on. Folks seem to like it.
