Warden and Farley Are Fifth Carnival Couple

MOTIF CHOSEN IS HISTORICAL

Court Will Be Royal; Period Decided Later

Nancy Warden and John Farley are the fifth April Fool Carnival Court couple to be announced. In the next issue of the Sou'wester, April 2nd, the King and Queen and their Lord and Lady-in-waiting will be announced.

The motif of this year's carnival will be historical, it was decided by the Student Council at a meeting last Tuesday. The students may come dressed as any famous or infamous historical figures, but they must all come in costume. The court will be appropriately attired in royal costumes. The period is to be decided and announced at a later time.

Nancy Warden, senior member of the Chi Omega sorority of which she is president, has throughout her college career been an important figure on the Southwestern campus. Nancy is secretary-treasurer of the student body, a member of the women's panhellenic council, and of the Student Council. She was the only girl and one of the five seniors selected to represent Southwestern in the 1937 edition of "Who's Who in American Colleges."

John Farley, a senior, is president of the student body and former president of Alpha Tau Omega social fraternity. He is a member of Omicron Delta Kappa national honorary society and executive secretary of Alpha Theta Phi local scholastic fraternity. A member of the debating team and the Elections Commission, John was also chosen to represent Southwestern in "Who's Who in American Colleges."

The play and other entertainment features of the Carnival are being rehearsed daily, and the directors are satisfied that an excellent performance will be forthcoming on April 3.

TUTHILL LEAVES FOR NEW YORK

To Take Part In Program Of His Own Works

Professor Burnet C. Tuthill left this week for New York City to take part in a program consisting of selections of his own composition, which will be given by the Federal Music Project of the W.P.A. on Wednesday, March 24. This is one of the Composer's Forum series, which is presented weekly on Wednesday. The works of one or two composers who are residents of the United States are offered on each program, at which the artist must be present. There is a short discussion of the music after each program, conducted on the open forum plan, with questions from the audience.

Wednesday's presentation includes "Fantasy Sonata," "Sailors' Hornpipe," Opus 14, No. 1, "Variations" on "When Johnnie Comes Marching Home," and a "Trio for Piano, Violin and Cello," Opus 6.

While in New York, Mr. Tuthill will attend a meeting of the Society for the Publication of American Music. Mr. Tuthill founded this society in 1919, and has held the office of treasurer since that time.

"S" CLUB ELECTS

The members of the "S" Club held a meeting Monday morning for the election of officers for the next year. The new officers are: President, George Jennings; vice-president, Clay Nickels; secretary-treasurer, Henry Mobley.

6 NEW MEMBERS ARE CHOSEN BY ALPHA THETA PHI

Burrow Has Highest Average To Become President

4 JUNIORS; 2 SENIORS

Donelson and Givens Are Other Officers

In recognition of outstanding scholarship, Alpha Theta Phi, honorary scholastic fraternity, Wednesday morning conferred membership on Gerald Burrow, Lewis Donelson, Dorothy Givens, Eldridge Armistead, James Henderson, and Wave McFadden.

Gerald Burrow, holder of the highest average in the junior class, will be president of the organization for 1937-38. Lewis Donelson, since he is second highest in the class, will be vice-president, and Dorothy Givens, third highest, secretary-treasurer. James Henderson and Wave McFadden are seniors.

The requirements for membership are a scholastic average of 3.2, the equivalent of two A's and three B's, over a period of five semesters for juniors and seven semesters for seniors. Thus, juniors who fail to meet the requirements may raise their average during the sixth and seventh semesters sufficiently to meet the standards. The three highest students in the junior class automatically become the officers for the following year.

Professors D. M. Amacker and M. E. Porter, new members of the faculty who are Phi Beta Kappas, were made honorary members of Alpha Theta Phi. All Phi Beta Kappa faculty members are given membership in the local society.

Herbert Cain, president for 1936-37, conducted the service. Other members of the society are Frank Goodlett, John Farley, and Douglas Johnson.

In his address, Herbert Cain reviewed the history of Alpha Theta Phi and explained its functions. A gold medal is awarded each year to the highest freshman scholastically, and a silver loving cup to the highest sophomore.

Y. W. C. A. PLANS MEETING TUESDAY

The Y. W. C. A. will meet next Tuesday evening at 6 o'clock in the Lynx Lair. The time has been changed from Wednesday to Tuesday so that it will be possible to have Miss Elizabeth Anne Kranz, director of the Nursing School at Vanderbilt University, as guest speaker.

A large attendance is urged, and all who plan to be present are asked to sign up in the Girl's Social Room by Tuesday at one o'clock.

Final Men's Pan Hellenic Dance To Be Held Next Tuesday Night; Lee Bennett's Orchestra To Play

CO-STARRING JUDY RANDALL

Bennet, Formerly With Garber, Directs Own Band

Lee Bennett, America's "beau brummel of song" who for three years was the singing star of Jan Garber's orchestra, comes to the Casino for a one night engagement on Tuesday, March 23rd, as the crooning director of his own great dance orchestra.

Lee was featured on the NBC network commercial—"Yeastfoamers program"—with the Garber band and for three years from the Trianon Ballroom, Chicago, over WGN and the Mutual network. He is a graduate of the University of Nebraska and a member of the Delta Sigma Phi fraternity.

During his engagement for the Panhellenic Lee Bennett will direct his own band and will be heard singing many of the songs which have made him a radio and phonograph record favorite. Co-starring with his orchestra is Judy Randall, captivating songstress formerly heard with Henry Busse's orchestra and later with the Frankie Masters band.

Bennett has just finished playing the Tom Archer circuit of ballrooms in Iowa, where he enjoyed a phenomenal success, and his engagement here is one of a series of "one-nighters" which will take him East. Radio fans will be able to hear the band from Cincinnati on the 20th and 21st, and from Nashville on the 22nd.

DIXON ELECTED TO HEAD CHI BETA PHI

Charles Barton, out-going president of Chi Beta Phi, national scientific fraternity, announces the election of officers for the coming year. He will be succeeded by Fred Dixon as president. Other officers are: James Gladney, vice-president; William Maddox, corresponding secretary; Norman Shapiro, recording secretary; and William Nakajima, treasurer. Tau chapter was established on the Southwestern campus in the spring of 1935. Membership is limited to students who are majoring in chemistry, biology, physics, or mathematics and who have passed at least twenty semester hours of science with a high average. The purpose of the fraternity is to stimulate interest in science.

FUNDS CAMPAIGN BEGINS MARCH 30

Quota Will Probably Be \$50,000

By WILLIAM MCBURNEY

The 1937 campaign to raise funds for Southwestern College which was postponed in January because of flood conditions, has been reorganized by Wm. N. Mallory, general chairman. The definite goal has not yet been set, but will probably be about the same as last year's \$50,000 quota. Pledges in 1936 totaled about \$45,000, but the new general chairman feels confident that the goal will be reached this year.

The ten-day solicitation program to begin March 30 will be preceded by the annual Southwestern dinner at the Gayoso Hotel, at 6:15, March 23. Sponsored by a committee of leading Memphians, the work and needs of the college will be discussed at this dinner.

Dr. Umphrey Lee, Dean of the Vanderbilt School of Religion, will be the chief speaker of the evening. Dr. Lee, well known in the educational and religious world, is an orator and author of note.

Members of the committee are: T. H. Tutwiler, Norfleet Turner, Hardwig Peres, Mayor Overton, John D. Martin, Wm. Neeley Mallory, W. L. Loeb, M. A. Kightman, T. W. Lewis, E. B. LeMaster, Wm. R. Kent, W. A. Jones, A. Arthur Halle, Dudley D. Dumas, Charles E. Diehl, Chas. N. Burch, S. T. Brown, E. R. Barrow, and Vance J. Alexander.

CHOIR SUSPENDS PRACTICE

Professor Tuthill announces that there will be no more practices for the band or the choir until after the holidays.

CASINO SCENE OF THIS EVENT

Floor Committee Named; Dance From 9 'Til 1

The Men's Panhellenic Council will entertain with the annual spring formal dance Tuesday night, March 23, at the Casino from 9 until 1 o'clock.

Music will be furnished by Lee Bennett and his NBC orchestra, co-starring Judge Randall. There will be four no-breaks, two specials and a Panhellenic Council leadout.

The Floor Committee will be composed of Clark McDonald, Val Huber, Foster Rosebrough, Fred Bronson, Jack Pilkington, John Ricker, Thayer Houts, and Frank Campbell.

All members of the faculty have been invited to attend.

Members of the Council and their dates include: Charles Taylor, president, Kappa Sigma, with Dorothy Rowe; Louis Chenault, vice-president, Sigma Nu, with Effie Ola Anthony; Alfred Page, secretary-treasurer, Kappa Alpha, with Letitia Montgomery; Robert Armstrong, Kappa Sigma, with Betty Hunt; Jim Breyspraak, Sigma Nu, with Nancy Warden; Fred Dickson, Kappa Alpha, with Marie Bender; James Merrin, SAE, with Virginia Jett; David Gibson, SAE, with Helen Young; Dunlap Cannon, ATO, with Jeanne Shea; Charles Barton, PIKA, with Irene Battle; Lauren Watson, ex-officio member, with Courtney White; (Continued on page Two)

ATO CELEBRATES FOUNDERS' DAY

Farley Honored As Most Valuable Senior

Alpha Tau Omega fraternity celebrated its Founder's Day with a banquet last night, March 18, at the Hotel Peabody at seven o'clock. Albert K. Heckle, Dean of Men of the University of Missouri, and present educational adviser and former national president of the fraternity, made the principal address of the evening. Stuart D. Daniels, executive secretary of the fraternity, was also present. Another interesting feature was the presentation of the Golden Circle Certificate for fifty years' membership in the fraternity to Mr. W. C. Johnson of this city. John Farley, outgoing president of the active chapter, was awarded a plaque bearing the fraternity crest as the most outstanding and valuable senior. Following the banquet the members of the fraternity remained for dancing with their guests.

Members of the active chapter and their dates were:

Erskine Falls, president, with Hazel Jane Ward; Billy Lapsley with Ann Jeter; Lauren Watson with Rose Lynn Barnard; Dunlap Cannon with Jeanne Shea; Eldridge Armistead with Ann Potts; John Farley with Virginia Jett; Tracey Harris with Martha Moore; Harry Phelan with Letitia Montgomery; Eugene Grissom, Jr., with Martha Ann Kelso; Charles King with Carolyn Carrol; Penny Pearson with Geraldyn Allen; Tom Mobley with Majorie DeVall; James Dougherty with Mary Louise Hughes; W. J. Hearn with Mary Nell Porter; Jack Pilkington with Jeanne Johnson; V. A. Furr with Beverly Alston; Selby Bobzien with Mary Kathrine McGuire; James Caden with Jane Reid; Cecil Warde with Gloria Mott; Cliffe Holland with Nancy Patton; Ewing Caruthers with Mary Ann Taylor; Friers Point, Miss.; Wallace Mayton with Marjorie Jennings; James Watt with Harriet Pond; Howard McKenzie with Betsy Fowler; Gordon Bachemin with Mildred Poindexter.

ELECTION COMMISSION ALTERS CONSTITUTION

As a result of the April Fool Court Election affair and other urgent problems, the Southwestern Elections Commission appointed a committee to alter and amend its constitution. This revision was completed last week and several important and thorough changes were made.

Notable among these alterations is the more intelligible definition of the vague term "unfair tactics" which threatened to eliminate not only combines but all campus politics, as pointed out in a recent Sou'wester editorial. The other changes will also doubtless find favor with those who urged such a revision.

The following is a copy of the Constitution of the Southwestern Elections Commission as revised on March 4, 1937. Changes are indicated in heavy black type.

Article I

Sec. 2. The purpose of this Elections Commission will be to insure fair student elections by supervising election processes, and to guarantee to each student the right to cast his vote in every student election, free

and unrestricted, by discovering and penalizing any individual(s) or organization(s) which may, through the formation of political combines, or by other unfair tactics, seek to restrict this right. Unfair tactics shall not be interpreted as excluding nominations for any student of Southwestern through handbills, posters, or speeches, except on the days of elections, but shall exclude campaign material in the College or public press. The words, campaign material, shall not exclude the predictions of elections in the College paper.

Article II

Sec. 1. (a) The principal office of the Commission shall be vested in the President who shall serve for one year and shall be elected annually in the latter part of May at the first meeting of the new Commission by a majority vote of that Commission. Voting on the President shall be by secret ballot.

Article III

(c) One alternate for each member of the Commission shall be elected by the existing Commission in the latter

part of May subject to the provisions of part (a) of this section. The alternate shall serve for one year only and shall attend meetings of the Commission only when the regular member cannot be present.

Article IV

Sec. 1. The meetings of the Commission shall be called by the President at his discretion, or upon request of any member.

Article V

Sec. 2. It will further be the duty of the Commission to set dates for elections, prepare ballots, conduct elections, canvass ballots, preserve ballots cast, and report results of the elections. A standard system will be worked out by the Commission in regard to conducted elections. Elections shall be announced at least five school days before being held.

Article VII

Sec. 2. The following oath shall be required of all witnesses called before the Commission:

I do solemnly swear to tell the truth, the whole truth, and nothing but the truth, so help me God.

Sec. 3. Sometime previous to the first election in the Fall, the Elections Commission shall conduct the Chapel Service at which time the clauses of the constitution outlying the purposes of the Commission, its methods, and its penalties shall be read to the student body.

Sec. 4. At the beginning of each college year a form shall be submitted to each fraternity and sorority group and to the non-fraternity and non-sorority groups to be signed by the President or leader in the presence of and with the consent of his or her group, pledging the said group to hold themselves honor bound to refrain from taking part in political combines or other unfair election practices and to report the existence of any such that may come to their knowledge.

Article VIII

This Constitution of the Elections Commission of Southwestern may be altered or added to by the affirmative vote of a majority of the Commission.

WAS THE STEP FORWARD?

It seems that we were a bit beforehand in our commendation of the new regime in the Intramural board which was inaugurated with the delegating of executive power to Coach Paul Hug last week.

Among other things, we were favorably impressed by the speedy settling of the Coaches' list problem, or eligibility of the varsity athletes in intramurals. We felt that at last we might expect to find a definite course or policy pursued with regard to this and other problems without any of the futile vacillating and quibbling so evident in the past. It seems that we are to be disappointed and what we considered one of the chief advantages of the new order is not to materialize after all.

The Coaches' list was definitely dropped. Football players were eligible for intramural competition. The boxing tournament was begun, and the first round matches were fought—then, the Intramurals board announced that it had changed its mind. Football players were not to be eligible after all. The same old trouble cropping up again, and this time it is impossible to blame it on the fraternities.

Understand, we are not condemning the decision nor are we even considering it, but we do deplore the eternal changing and dilly dallying which the episode adequately exemplifies. We must, it seems, search further for an adequate solution to this unfortunate situation.

THE HONOR COUNCIL IDEAL

(A Contributed Editorial)

It is a very unpleasant and disgraceful experience to be expelled from Southwestern for dishonesty. The Honor Council is very much gratified that it has not been forced to exercise its power of expulsion this year. As long as no cases of dishonesty are reported, the assumption is that no acts are committed. This conclusion may be erroneous, but each individual must decide that for himself. The maintenance of the Honor System depends on the students themselves and not on any disciplinary body.

The function of the Honor Council is two-fold: to foster the spirit of integrity on the campus and to act as a trial body when cases of cheating or stealing are brought to its attention. In an attempt to accomplish the first of these objectives, the Council undertook the task of personally interviewing each new student at the beginning of the year, explaining to him his obligation. Furthermore, through the use of a chapel service and articles in the Sou'wester, it has endeavored to keep before the students the ideal of personal honor which each man and woman accepts for himself or herself on becoming a part of Southwestern.

Anyone who is cowardly enough and weak enough not to live up to the tradition of the school is not wanted on the campus.

The Honor Council takes this opportunity of commending the student body as a whole for its spirit so far this year. There is no reason why it should not continue.

Intramural News

Intramural athletics moved on apace during the past few weeks, with three tournaments rolling into history along with the boxing tournament covered elsewhere in this issue.

The Kappa Sigs annexed another in their string of titles, placing first in the ping-pong competition. Cecil New and Lee McCormick battled along side by side to reach the finals together, having wiped aside all opposition. Here the angled drives of New, who recently copped the school championship, proved too much for the smaller McCormick. The Kappa Sigs gained 75 points for the victory, finishing with a record of 7 wins and one loss. The ATO's, SAE's, KA's, SN's and NF's finished in that order.

The brawn of the KSmen proved too much for the rest of the competitors in the first of the annual tug-of-war tournaments. The ATOboys fell in the final bracket, after having eliminated the PIKA pullers and the NF squad on the way. The KSers dropped the SAE's and the SN's on their climb to the top, while the KA club fell victim to the weight of the SNers. Oney Ellis, star of the NF tandem, was incapacitated early in the combat and was unable to reach full efficiency in the struggle. Bob Lee, of the champions, was the outstanding tugger on the field.

The lowly PIKA's smote viciously at the crowns of the leaders in the race, and carried off the horseshoe totem pole, emblematic of superiority in the sport. Johnston and Davis tossed points from all angles to send into defeat the SAE's, the ATO's and the NF's in turn. The KA's, the SN's, and the KS's were eliminated by the NF's, the ATO's and the KA's, respectively.

Sidelights

The latest coined expression on the campus: "Boy! What a beating!" Born: Somewhere over around Stewart. . . Someone told Mr. Holloway the other day, "We're taking a beating on this meal today!"

Most unbelievable: There came a letter from Joe Lee the other day. . . Attention, girls. . . He is now settled in Hollywood, California. . . He is apparently taking good care of himself. . . He said that he took Alice Faye to the Coconut Grove. . . Who'd have thunk it. . .

The other night at the Claridge: A Southwestern toper to the waiter: Bring me a drink; I'm thirsty. The waiter returned with a pitcher of water. Our toper roared: I said "thirsty," not "dirty!"

Borrowed or stolen from other "Colyums": Stop your weeping, little man! Foolish lad with bag in hand; Now perhaps you've learned your lesson;

Trust no one who has a dress on! —The Purple and White.

That hit tune, "This Year's Crop of Kisses", certainly starts one to reminiscing. For example:

Last year it was Womack;

This year it's Moore;

(When Billy reads this

He's gonna get sore).

Last year 'twas Two-Bounce;

Now this year it's Bedes.

One Sigma Nu

Or maybe two—

(Ah! Washington and Lee

That makes it THREE!) They're all that Warden needs!

Last year it was Mary,

The sweetest of girls,

But this year it's England

Who ruffles Page's hair.

Last year 'twas to Ole Miss

That Tommy Fuller did tear,

But now Libby Jones

Has the name "Sputter" to bear.

VISITOR PRAISES LYNX LIBRARY

Peabody Student Here For Experience

By J. P. QUANTHY

"I've been interested in library work all my life," said Miss Juanita McMillan, student of the Library School of Peabody College for Teachers, Nashville. That's why she is spending two weeks doing practice work in Southwestern's library.

Miss McMillan is one of several students sent out each year by Peabody to well organized libraries. Her "home work" happened to be Southwestern.

After graduating from Ouachita College in Arkadelphia, Ark., Miss McMillan registered in the library school at Peabody. She graduates in June with a degree in Library Science and will return to Ouachita College as librarian.

"What do you think of the library here; can you qualify the statement that it's one of the finest libraries of its size in the South?" the writer wanted to know. "I quite agree," answered Miss McMillan; "I've been here only two days, but each day is more interesting than the last."

The young future librarian was interrupted in the interview by a student at the desk. In spite of being on the job only two days she immediately got the book wanted with absolutely no trouble, just as any of the efficient assistants usually at the desk. Dressed in an olive-green suit, she presented a snappy picture of

DEBATERS WILL OPPOSE YALE TEAM TONIGHT

Farley, Frazier Represent Southwestern

8 O'CLOCK IN HARDIE

Emory Is On Calendar For April 9

Southwestern's debating team will oppose representatives of Yale University tonight at 8 o'clock in Hardie Auditorium. The topic for debate is, "Resolved: That the Congress of the United States Should Be Empowered to Regulate Minimum Wages and Maximum Hours of Industry."

John Farley, president of the Southwestern student body, and Steve Frazier will argue the negative side of the question against the Yale debaters, Richard Bremner Tennant and Edwin Jason Dryer, Jr.

Tennant, 1937, is from New York City, is president of the Yale Debating Association, and has received numerous honors forensically, including the Thacher prize for public speaking this year. Dryer, 1937 also, from Flushing, N. Y., is manager of the Yale Guide, undergraduate publication, was a member of the board of the famous but now extinct Yale magazine, the Harkness Hoot, and has distinguished himself on the fencing team.

The Yale team, consisting of four men, is making its first invasion of "the oratory belt" in the middle-western and middle-southern states. With the team as observer and adviser is Robert L. Marshall, an exchange student from St. Andrew's University in Scotland, where he was president of the student body.

Also on the calendar of the total debaters is a meet with Emory University here on April 9. The subject is, "Resolved: That the Extension of Consumers' Cooperatives Would Contribute to the Public Welfare." The Southwesterners will have the affirmative side.

YALE DEBATERS HERE

The four members of the Yale Debating Association who are to meet the Southwestern team tonight prepare for their four thousand mile tour of the Midwest and South. Left to right: Manager William A. W. Krebs, Jr., Tulsa; President Richard B. Tennant, New York City; Robert L. Marshall of St. Andrew's University, St. Andrews, Scotland, and Edwin J. Dryer, Jr., New York City.

AT THE ORPHEUM

Quite the most lavish production of the current theatrical season will be presented on the stage of the Orpheum Theater, Memphis, in Harry A. Courfain's Broadway production, "King's Scandals," which opened a week's engagement starting March 16.

The "King's Scandals" co-stars Gil Lamb and Nina Olivette, both of whom were featured in the Broadway productions, "Hold Everything," and "No! No! Nannette." They are supported by a cast of 48 people, including a stage band.

Along with the elaborate 25-scene production on the stage, the Orpheum will also present the first Southern showing of the new movie comedy

team, Allison Skipworth and Polly Moran, in their first co-starring picture, "Two Wise Maids," which deals with the efforts of two old-maidish school teachers in modernizing schools. In teaming Polly Moran with the effervescent Allison Skipworth, Hollywood directors believe they have struck a new combination of comedy stars which will captivate all America.

The Courfain production of the "King's Scandals" is built around a humorously pictured mythical kingdom, and the "love life of a queen." The cast, which includes 25 glorified girls as "ladies of the court," and 13 comedians, requires more than a carload of scenery, costumes, and special lighting effects.

Leslie Howard says Luckies are "tops" with his throat

"Years ago, as an ambitious young actor, I was impressed how well my throat liked Luckies and how well they suited my idea of a perfect cigarette. That impression still stands. In my recent tour of 'Hamlet', with its many performances each week and the attendant tax on my throat, I have been convinced anew that this light smoke is both delightful to my taste and the 'top' cigarette for an actor's throat."

Leslie Howard

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Mr. Howard verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.

Good morning, Mr. and Mrs. Southwestern, let's go to press. And while we're about it, I'd like to IM-press upon the so-called minds of the student body that the game tomorrow between the "Bobdogs" and the Lynx Cats should be tops in what a certain Mr. Webster labels an imbroglia. Of course, just between you and me, we know that the Bobdogs haven't a chance.

Oh yes, the Bobdogs will be Toto Houts and his gang of "old men," including Mike Pepper, Bob Lee, Neil Tapp, Red Davis and the man with the hook, Cy Williams. These will be ably assisted (it's the society in me) by last year's freshmen and other men whose first year with the Lynx will be the coming season. There you have the "Bobdogs"; or perhaps you don't want them.

Well, as I said, we believe that these gents will fold up like the poetical tents of well-known Arabs and probably as quietly steal off the field. They certainly haven't been any too quiet up to now; nor are they likely to be. I say that the Bobdogs can't match that lad from Leeds, H. Hartburn Morton, in the backfield; while the Lynxcat's line will be as good or better than the "five old men" who will be the towers of strength in the other line—and thereby hangs a tally.

"About the freshmen," he said; "a letter will be given to any one of them that breaks one of the old freshman records. Fred Closs (last year he starred for Whitehaven) should break at least one."

When asked whether the injury of Will Rhea Winfrey received in last week's football fiasco would effect Winfrey's shot-putting, Coach High said that there should be no effect after two weeks. Winfrey received a painful side injury; but it seems that the only damage was a twisted muscle which will straighten out soon enough.

Track, according to Coach Harold Chicken High, will really blossom this season into the very essence of floral

GOLF TEAM TO PLAY OLE MISS

Match Will Be Held Here March 26

The Southwestern golf team will open the season Saturday, March 26, against the University of Mississippi, here in Memphis. The matches will be 18 hole affairs and the winning team selected on the point system. In the point system each man is given a point for first nine, a point for the second nine and a point for the match.

The Southwestern team of four men will be chosen from Billy Bethea, Eugene Grissom, Louis Chenault, Tom White, Harry Waring and Carl Roth. The Lynx-Ole Miss match will be played on the Chickasaw Country Club course. The Lynx plan to meet Vandy, U. T., Sewanee, and other schools during the season. The team is under the direction of Prof. R. P. Strickler.

magnificence. High isn't talking through his hat, either. Even while spring football has been in vogue the high-minded brain of High has been busy with track. Record sheets will be given each man upon which to keep a daily record. If the curve drops instead of going up every day High will be on hand for a gentle boost—or know the reason why.

It seems that the intramural mogul, Paul Hug, has finally found a sport that interests the student body. We mean boxing. Like all barbarians the students around here like, it seems, a battle of bodies. It brings out the brute in them. But aren't we all?

Prof. R. P. Strickler's golfing schedule is taking form. Matches have been scheduled with Ole Miss, Sewanee, Vandy and Tennessee. Billy Bethea, Lewis Chenault, and Gene Grissom are the swingsters in the crowd.

"Don't Let Me Put You Out"

One of the hilarious complications of the new song-and-dance musical comedy, "That Girl from Paris," is Lily Pons' sly stowaway stunt in Gene Raymond's cabin aboard a transatlantic liner. Jack Oakie, Herman Bing, Mischa Auer and Frank Jenks participate in the merriment of this picture coming Saturday at the Malco.

BOXING MATCHES PROVE POPULAR

Spectators See Interesting Bouts

Southwestern's leather pushers moved on to add off of the canvas with astonishing regularity last Tuesday and Wednesday nights, in the inaugural boxing tournament of the Southwestern Intramural Athletic Association. About twenty-five fraternity battlers provided the entertainment in the form of sixteen hard-fought matches.

KA Claude Erwin started the parade by trouncing Eldridge Armistead, ATO, in three bitterly-contested rounds. Erwin emerged covered with blood, from a smacked nose, but the victor by a good margin. Rick Mays, SN, battered Billy Kelly, KS, into submission, gaining a judges' decision. W. C. Rowan, KS, gained the nod over James Caden after six minutes of scrapping.

Feature of the first night was the

three-punch knockout of Mark Hammond, NF, by Rex Wilson, ATO. Two lefts to the body and a right to the head accounted for Hammond in the first round. Following this Fred Bronson, NF, peppered Preston Marion, SAE, with rights and lefts from long range to sew up the decision by a large point score. Jimmy Powell, NF, then pecked away in the same style to an easy decision over Billy Craddock, SAE.

The final bout of the first evening saw Carl Roth, KS, earn a technical knockout over Cliff Holland, ATO. Holland, no match for Roth whose long arms kept him out of danger, was staggering badly, out on his feet, when Referee Paul Hug stopped the match at the end of the first round.

To open the Wednesday night matches, Carter won a decision over Henry in the flyweight division. In the bantamweight class, Erwin forfeited to Ralph Bethea who was later decided by West. Mays defeated

LYNXCATS TO TIE UP AGAIN

Seniors Make Last Appearance on Fargason

Saturday brings another spring game for Southwestern's pigskinners. This, the second of the season, will lower the curtain on the spring training session and put away football until next fall.

Vexed and smarting from the mediocre brand of football produced in last week's game, the Lynx are definitely planning to redeem themselves in this next clash.

"Heartburn" Morton, the only back to retain his last season form, wants to break away for a touchdown from scrimmage. His Saturday's passing was good, but his Saturday's ball-carrying was not so good.

Though his "8-Balls" emerged victorious in last week's struggle, Captain Jennings, disgusted with his 6-0 triumph, hopes to lead another team to a victory, something like last year's 44-7 rout of Birmingham-Southern.

Orley Nettles, who messed up more "8-Ball" plays than any other "Red Rock" is seeking to explode the Henry Hammond myth.

Chilly Childress is ready, willing, and able. The whole squad wants to show the real football it is capable of exhibiting.

There will be no admission charge and all students are urged to come out for a last look at next year's team and this year's seniors.

More than 200 foreign students are enrolled at Harvard University this year.

Potts for the lightweight crown in an extra round bout.

Welterweight Paul Freeman defeated Fred Bronson by the knockout route in the second round, and Harold Falls won a decision over Virgil McCraney. Jimmie Powell, Chas. Blackburn and Bob Lea won their bouts by default.

SOUTHWESTERN SISSIES CRY FOR MILK

We thought that Southwestern students tried to be original, but dining hall troubles have struck out that idea. They started at Teachers College, but that's all you can hear at this college, too. Dormitory students used to get two salads or desserts (if they could sneak them), but now sneaking is impossible.

Don't we all love desserts: luscious pies, creamy ice cream and fluffy puddings. I thought we did, but I must have been wrong. Mr. Holloway has them all begging. They plead, "Don't give us desserts." And why? No, it's not that the desserts aren't good. They shout, "Give us another glass of milk instead." The sissies, crying for milk. We never thought Southwestern would come to this.

After a bit of inquiring, the powers that be found that the students really preferred milk to desserts, hence the recent change that did away with dessert and salad at noon in favor of an unlimited supply of milk morning and night.
