## Five Sub-Editors For Sou'wester Are Announced

### New Departmental Heads Will Direct Staff

### STAFF MEET IS PLANNED

### Copy And Headline Editor To Be Chosen Later

Five departmental editors who will head the reorganized Sou'wester staff are announced this morning. William McBurney and Claudia Yerger are campus editors; Thomas Pappas, sports editor; Rose Lynn Barnard, society editor, and Leslie Buchman, feature editor.

#### Will Be in Direct Charge

These editors, selected after an eight-week try-out period, will be directly in charge of all work in their departments. The campus editors, comparable to the metropolitan city editor, will direct the reporting of all local news. The feature editor will be in charge of all off-campus news and features. The society editor and the sports editor will assign and edit news in their respective fields.

A chief for the copy department has not been selected yet. This position will be filled in a few weeks on the basis of a competitive examination in editing copy and headline writing.

#### Southworth to Speak to Staff

The staff will hold its first night meeting this evening at 7:30 o'clock in the Sigma Alpha Epsilon lodge. Mr. Luther Southworth, former editor of the Sou'wester, now on the editorial staff of the Press-Scimitar, will speak.

Staff members at present are: Marjorie DeVall, Kathleen Fransioli, Rothrock Miller, Mary Elizabeth Harsh, Frances Manire, Anne Potts, Waddy West, Thomas Pappas, Jack Pilkington, Janet Tucker, Ruth Nixon, Thomas McLemore, Lewis Donelson, William Donelson, Meredith Moorhead and Olive Owens.

## Club Announces 9 Charter Members

### Camera Group Will Accept One More Student; Meets Each Wednesday

Charter members of the newly organized Camera Club are announced today by Prof. Ogden Baine, director. They are O. E. Bass, Shepherd Tate, Fred Dickson, Annie Few Work, Claudia Yerger, Dorothy Miller, B. A. Brady, H. C. Robertson, and James Peacock.

The membership of the club is limited to ten. There is one opening left, and if any student desires to join the club, he should apply to Prof. Baine or to any member.

The club meets each Wednesday afternoon at 3:30 o'clock, at which time photographic problems are discussed and suggestions made in regard to light, color and scenic effects. Special assignments are made each week. The films are developed and printed by the members, and enlargements are made of the best print in each roll.

The club began with studies in architecture and plans to progress to landscapes, portraiture and caricaturing. Members of the club cover all athletic events and other interesting activities at Southwestern.

An exhibit will be made in December of the most successful work of the club. The public will be invited to see the enlarged prints covering every possible field of photographic endeavor.

#### COMMUNITY DRIVE CLOSSES

A total of \$53.25 was collected and \$152.85 was pledged for the Community Fund drive, Eldridge Armistead announced Wednesday.

There was no goal set, but less was collected this year than last. The drive was begun Oct. 29 and was concluded Nov. 17. One hundred twenty-six students contributed. Chi Omega led the sororities and Sigma Alpha Epsilon led the fraternities in contributions.

Prof. Lee has selected James Powell to head the stage crew and has asked that all students interested in this work apply to him as soon as possible. Tom Mitchell is in charge of painting scenery; Harriet Hollis will act as prompter for the cast, and Bland Cannon is in charge of stage properties.

## 2ND LIBRARY INVESTIGATION SHOWS UP CAMPUS LITERATI

By ANNE POTTS

Earlier in the year a perusal of the library records revealed that Southwesterners have a queer taste in reading. Last week another investigation proved that the results of the first one were no accident.

Marion Keisker, although she has behaved in an extraordinarily amenable manner since pledging's resulting controversy, is again bothering with the "Problem of Conduct."

Eldridge Armistead and Mary Hunt have gotten together on "New Russia's Primer." Was it a Baby Ray translation, or are you two studying for the Russian embassy?

If you need a reason for doing watcha did, see Alice Hagler. She's reading "Why We Behave Like Human Beings." I'm hooked—why do we?

We've found the reason for one thing around here—that gaunt look on Bland Cannon's face. We'd heard the food in the dining hall was unpalatable, but when the dormitory boys start reading books such as "Hunger Fighters," the time has come for action.

We like the idea of collaborative

## Lynx Cats Will Close Season In Game With Centre College Tomorrow At Crump Stadium

## Colonels' Star 128-Lb. Halfback On Injured List

### Bob Steakley Not Recovered From Concussion

### DRILL ON OFFENSIVE

### Coach Kubale Sends Squad Through Long Drill

#### Special to The Sou'wester By E. J. "MIKE" POHLMANN, JR. Sports Editor, Centre College

Playing their last game of the season against the Southwestern Lynx at Memphis Saturday, the Prayin' Colonels of Centre College will be handicapped by the loss of Bobby Steakley, 128 pound halfback, who received a brain concussion in the game with Louisville University on Armistice Day and has not yet recovered.

Specializing particularly in the perfection of their offense, the Kubalemen drilled intensively on Monday and Tuesday, practice lights being turned on long before the session ended. Pass defense also received much attention, and pass offense and the completion of several plays using long forward passes.

Quarterback Dick Stahl, who was out of the U. of L. game because of injuries sustained at Huntington, will return to his regular place. German will move to halfback, his running mate being Dennis Van Huss, former Knoxville, Tenn., High star, and pre-eminent line plunger of the Centre squad. Fullback Ed Dance, who stands six feet, two inches, and weighs 190 pounds, will take over his regular position. Ed's punts against Louisville averaged better than sixty yards. Dance is also the only senior.

At ends will be Glenn Davis and Dick Travis. Davis' excellent work in pass receiving has earned him a regular berth in this his senior year. Travis excels on the defense, and is a junior. Subbing will be Chief Tenikat, 180 pound Indian junior, and Mays, 190, sophomore.

Starting at tackles will be Paul Coop, 185 pound sophomore, or Fred Bell, 190 pound senior and co-captain, and Bernard Whitehouse, 199 pound senior. Able subs will be Barney Searcy, from Knoxville, Tenn., 205, and "Blimp" Duval, 312 pounder from Lubbock, Texas. Both are soph.

At guards are Leo Gruzowski, 185 pound junior and Centre's outstanding candidate for All-American, and Lee Stivers, 180 pound soph, or Jim Durrett, 185 pound junior.

Mainstay at center will be Co-captain Dick Martin, 185 pounder, converted from an end this season. Lucien Colson and L. A. Bible, also seniors, will see much service.

## Two Lynx Graduates Leave Kashing, China, As Japanese Advance

Two Southwestern graduates, now missionaries, the Rev. J. Y. McGinnis, formerly of Memphis, and the Rev. Lowry Davis of Greenville, S. C., reached Hangchow safely Monday after fleeing from Kashing before the Japanese westward advance.

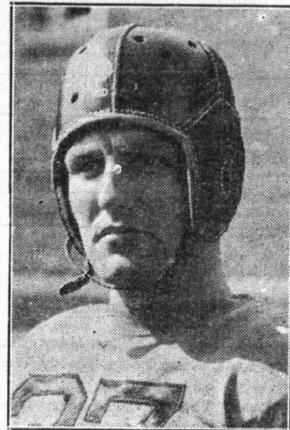

The Rev. McGinnis received his A.M. and B.D. degrees at Southwestern when the school was situated at Clarksville, and left for China in the '90s.

He and his wife have done mission work in Kiangsu, Anshui, and Chekiang. More recently he has been engaged in special evangelistic work with patients at the Kashing Hospital.

#### SOU'WESTER OUT EARLY

Because of the Thanksgiving holiday the Sou'wester will be published on Wednesday of next week.

#### Colonel Captain

DICK MARTIN, 185 pound veteran center, is co-captain of the Centre grid men.

## Fourteen Invited To Submit Papers

### Sigma Upsilon To Choose Six Men; Papers Must Be Ready By Tuesday, Nov. 30

The Stylus chapter of Sigma Upsilon has invited Ward Archer, H. R. Holcomb, George Gage, Hillsman Taylor, Leslie Buchman, Maynard Dabbs, Robert Watts, Fred Thomas, Thomas McLemore, Lewis Donelson, Eldridge Armistead, Hotchkiss Young, Herbert Bingham, and Ralph Brown to write papers. The deadline for these papers which may be stories, essays, or criticisms, will be Tuesday, Nov. 30. They will be judged immediately by the members of the chapter. Six contributors will be selected and the initiation will take place between Nov. 30 and Dec. 4.

Plans have also been made for the meeting of Sigma Upsilon every three or four weeks in the Bell Room of Neely Hall. There will be informal talks by local literary figures and discussions of writing problems.

Some of the speakers will be Mrs. Virginia Frazier Boyle, short stories; Mr. David Cohn, popular sociology and economics writer Judge J. D. Martin, sports stories, and Mr. S. K. Yerlin, plays. Books on the subjects of the speakers will be placed on reserve in the library before the meetings.

## Dean Noe Speaks To Club

### Subject, Mysticism, Will Be Topic Of Open Forum Soon

"Mysticism" was the subject of a paper read by Dean Israel H. Noe to the members of the Ministerial Club at their meeting last Monday at 1 o'clock in the Bell Room of Neely Hall. The speaker, dean of St. Mary's Episcopal Cathedral, said that he wanted to stimulate the thought of the group about mysticism. This will be followed by an open forum discussion at an early date on various points in the paper.

Bruce Crill, vice-president, reported that plans had been completed for the program sponsored by the club at the county jail. Each member was asked to assist with this and to help to provide a Thanksgiving basket for a needy family. Shepherd Tate led the devotional with H. R. Holcomb presiding.

## Choir To Sing At Vespers

### Tuthill Announces Band Will March In Christmas Parade

Prof. Burnet C. Tuthill announced Wednesday that the choir is working on a vesper service for Christmas to be given Dec. 19. They will sing "Carol of the Birds" by Nobel Cain, "Joyous Christmas Song" by Francois A. Gevaert, and "The Kings and the Star" by Peter Cornelius.

Prof. Tuthill also announced that the band will march in the Spirit of Christmas parade to be held Friday, night, Nov. 26.

## Red and Black Get In Practice Despite Weather

### Coach Propst Drills Squad On Aerial Plays

### "VARSITY" TO START

### Smith Will Be Ready To Lead Ground Attack

By THOMAS PAPPAS

Southwestern's spasmodic Lynx ring down the curtain on the 1937 season tomorrow afternoon when they tangle with the Prayin' Colonels from Centre College at 2 o'clock in Crump Stadium.

Concluding a season of ups and downs, the Lynx will be seeking revenge for last year's 20-6 defeat at the hands of the Colonels. Only once were the Lynx fairly and soundly beaten last year, and that was in the Centre game.

#### Snow Hinders

Handicapped by rain, snow, and cold weather in the early part of the week, "Shorty" Propst drilled his men in the gym but when the weather cleared, he moved them back onto Fargason Field.

The varsity has been allowed to rest most of the week, and Propst concentrated on scrimmaging his reserves. What the varsity work did do was mostly dummy scrimmage.

After witnessing last Saturday's Arkansas-Ole Miss game, Coach Propst returned with several new aerial plays and most of this week's time has been utilized in perfecting new passes. Kite Morton, Clois Neal, Clay Nickells, Jimmy Sasser, and even Gaylon Smith have been throwing passes. Evidently Propst believes the Lynx may need a strong aerial attack against the Prayin' Colonels.

Leading the Southwestern running attack will be Gaylon Smith. Smith will be seeking to score in his ninth game of the season. Hendrix is the only team to repulse the Beebe Bullet this year.

Two other backs who should aid Smith considerably are Rex Wilson and Clois Neal. Wilson, who, when

## Council Suspends 2 For Dishonesty

### Action Comes After Probation Of Freshman Biology Class On Same Charge

Two students were suspended from the College, it was announced in chapel Saturday morning by William Kelly, president of the Honor Council. They were found guilty of dishonest practices after an investigation by the council.

A previous action by the council this year was the placing on probation of the class in Biology 1 after a three day trial. The class was judged guilty of dishonest methods in academic pursuits.

The members of the council are: Senior class, Clark McDonald, George Jennings, Gerald Burrow, Bernadine Taylor; junior class, William Kelly, Sam Hill, Henry Mobley, Betty Wells; sophomore class, John McGrady, W. C. Rowan, Mary Hunt; freshman class, Frank England, Frances Manire.

The constitution states: "If the council desires to show leniency to the student found guilty, it may commute the penalty of immediate expulsion to not less than immediate suspension from the College for a period of not less than one semester of the scholastic year." . . . "The name and charge and penalty of all persons found guilty and expelled by the council shall be announced to the student body by the president of the council."

Because the students were suspended and not expelled, their names, the charges and the penalties were not announced.

## On Class Attendance

The present rigid rules on class attendance were put into effect this fall in an effort to check the unusually large number of class absences which were recorded by professors last year. That class attendance is absolutely necessary we do not doubt; and if the old system of leaving the penalty to the discretion of the professor proved unsatisfactory, it was certainly right that some change should be made.

In the new regulations however we think there are several faults which ought to be corrected. Three absences per semester are allowed to students for "casual illnesses," which are defined as illnesses of only one day. Major illness may be excused by the dean; but the fourth single absence will occasion the lowering of the semester grade one letter. No provision is made for the student who is ill for four or five single days during the semester.

Further we think that it would be consistent with the general policy of Southwestern to allow juniors and seniors with high academic records a greater amount of freedom in the matter of class attendance. They are certainly far enough advanced not to need their education forced down their throats. And it has also been suggested that this provision might also encourage higher scholarship in the two lower classes.

There would certainly be sufficient precedent for such a move. At Chicago University the policy of allowing unlimited class cuts has been pursued successfully for several years. This is probably too lax a rule though, for, as one Chicago student told us, "No one ever goes to class when it rains." The system at Washington and Lee is perhaps better in a modified form. There only juniors and seniors who have a B average are allowed unlimited cuts.

## Why Not Give Study Halls a Trial?

It has been brought to our attention that students are not attending the tutorial study halls sponsored by Omicron Delta Kappa and Alpha Theta Phi. This would be lovely if it meant that every one in the College was getting along so well scholastically as to have no need for such things as study halls.

Unfortunately, though, we are convinced that among a large number there is a very real and crying need for help in studying. The rather diminutive stature of this quarter's honor roll indicates that too much boning is not the trouble with Southwestern. Nor have any of the faculty expressed surprise at the remarkable brilliance of this year's set of students.

Now we are ready to wager that all of you whose grades are not what they should be have thought about attending one of the study halls at one time or another. What is holding you back? If you are not familiar with the schedule see either Gerald Burrow or Norman Shapiro, the co-chairmen for Alpha Theta Phi and O. D. K.; and then screw up your will power and go.

## Why Women Wend Way To College (New Angle!)

Hemlock Jones, mastermind of the twentieth century, was gracefully curled around a bedpost doing his economics questions while his obese assistant, Elmer Fatson, dashed madly up and down the drain pipe, and threw himself under the rug.  
"For what two reasons," he demanded while juggling four skulls and a brickbat in one hand, "do girls come to Southwestern?"  
"Elemental, my dear Fatson, in fact, primeval," replied Hemlock as he ate three hamburgers and watered the lawn. "Either to pursue learning or learn pursuing."

"Bulldog for sale, will eat anything. First \$20 bill gets him. Very fond of children."

## Mr. Basiger Speaks On Housing Plans

### Washington Representative Of F. H. A. Gives Lecture On Memphis Projects

"The present housing projects, including the Dixie Homes and Lauderdale Courts here in Memphis, should be considered as experimental projects which, it is hoped, the local governments will take over in time," said Mr. J. R. Basiger, Washington representative of the management bureau of the Federal Housing Authority, Wednesday. He spoke at 4 o'clock in Palmer Hall under the auspices of Torch, women's honor society.

Explaining the origin of the federal housing project, Mr. Basiger said that since the right of the government to condemn slum property has been nullified, each state must set up a housing authority with power to condemn and buy slum areas. Pointing out that slum areas use a large part of city taxes for police, and fire departments, juvenile courts and hospitals, cause growth of suburban areas, and lowering of downtown real estate values, he continued, that the projects, costing about \$3,000,000 each, will prove a great benefit to Memphis.

Selection of tenants is made on the basis of amount of rent paid and whether the tenant formerly lived in a sub-standard or overcrowded home. "The Memphis projects will be filled up with clerks, bookkeepers, etc., who work downtown and cannot actually be classed as slum dwellers," Mr. Basiger said. Speaking of the reactions of the tenants in other cities, he said, "Our people are so appreciative of getting into these homes that we have had very little trouble and rents have been paid promptly."

## The Educational World Placement Bureau Aids In "Servicing" Fordham Graduates

Believing that a college's responsibility for the education of a student does not end with graduation, Fordham University has adopted the policy of "servicing" its graduates in connection with its placement bureau. The new placement bureau is the result of a year's survey among leading employers and interviews with 92,000 students. Industry can send graduates back to Fordham if any weakness develops.

"We in education are making a mistake today. It costs about \$5,000 to turn out a finished product. We get a job for our product, and then forget him," said Rev. Robert I. Gannon, president.

### Ponies Now Legalized

Interlinear translations of language texts is part of a new method of teaching languages developed by Dr. Meno Spann, Iowa State University German professor. The method is outlined in a book, "Interlinear German Reader," and has been approved by the Board of Governors of the University of North Carolina Press where it is being printed. Most of the board are faculty members.

### Cinema Enters Classes

Moving pictures in classrooms instead of lectures by professors have proved so popular at Stevens College that their use will be extended next year, officials have announced. Adoption of movies for instruction is being seriously considered at Michigan State College, though only in a supplementary position. Most of the films thus far have dealt with scientific subjects, although their use will be extended to the humanities and social sciences. Tests of students over a period of weeks proved this new method of instruction superior to the orthodox form.

## Episcopal Club To Sponsor Film

### The Rev. Alfred Loaring-Clark Speaks To Group Meeting In A. O. Pi Lodge

The Southwestern Student Episcopal Club met Wednesday at 7:30 in the A.O.Pi lodge. The Rev. Alfred Loaring-Clark was the speaker for the evening. Margaret Stockard, who is president of the city council of Episcopal Clubs, informed the club that the picture show it is to sponsor, "Victoria the Great," is booked for the first week of December at the Malco. Tickets will be given to the representatives on the campus, Janet Tucker and Shepherd Tate.

The film is an English production, starring Anna Neagle. The story deals with the reign of Victoria from her coronation until her Diamond Jubilee. The latter part of the film is in technicolor. Life magazine gave Victoria the Great splendid recommendations and praised its stars.

Mrs. M. H. Townsend will give credit to her English classes for attending and the Episcopal Club will appreciate the cooperation of all other students on the campus.

Sasser Scores On Kick-Off After 89-Yard Run

## CALHOUN PLAYS WELL

Team Plays Inspired Football For Sixth Victory

Thrilling the spectators with an 89 yard return of the opening kickoff for a touchdown, Jimmie Sasser started Southwestern to a 40-0 victory over Loyola last Thursday afternoon before a Homecoming crowd of 5000 at Crump Stadium.

The starting team made two touchdowns in the first five minutes of play and were removed at the end of the first quarter to be replaced by a new team which, paced by Gaylon Smith, made another. Smith took the ball on the Loyola 32 and running, sidestepping and bulling his way he crossed the goal.

The Wolfpack was completely outclassed by the Lynx who played inspired football. Southwestern made two touchdowns in the last quarter with only 90 seconds to play.

Rex Wilson, Gaylon Smith and Jimmie Sasser played superbly in the Lynx backfield with Hebert, Parker, Croon and Ellis being the stars in the line.

The Lynx completed only two passes out of eight attempts, but both of them resulted in touchdowns.

The Loyola team was inexperienced and the new Notre Dame shift cost them heavily. Miranne and Calhoun played well for the Wolfpack but they were outclassed by the fast-stepping Lynx backs.

## Figures Fail To Show Lynx Victory Margin

Passes attempted: By Morton, 5, none complete, 1 intercepted, 4 incomplete; by Sasser, 1, complete to Hammond for 35 yards; by Neal, 2, completed 1 to Nettles for 9 yards, 1 incomplete.

## FOOTBALL SENIORS TELL ALL BEFORE QUITTING MOLESKINS

By THOMAS PAPPAS

Eight seniors who hang up their football togs for the last time after tomorrow's game with Centre were interviewed in a catch-as-catch-can manner Wednesday and were finally prevailed upon to tell a little about themselves. Because 'The Sou'wester has a censorship on some subjects, not all they told the reporter can be written. Here, in black and white, though, are your heroes. Their lives and their ambitions are open books for you to read.

**Captain George Jennings**—He came to Southwestern from Centre, Alabama, where he starred for five years on the Cherokee County High team. Cap'n Jennings is twenty-three years old. His ambition is to "make a million". His greatest football thrill was the Birmingham-Southern game of this year. He gets sorta weak in the knees when he sees a blonde. Wants to go to South America and break the bank of Monte Carlo. When informed that Monte Carlo is not in South America, he decided to go to Africa or wherever Monte Carlo is.

**Alternate Captain Clay Nickells**—"Nick" hails from Pine Bluff, Ark. He doesn't remember how many years he played quarterback for the Pine Bluff Zebras. "It was so many." He is twenty-three years old—there was a mighty roar from the spectators at this but "Nick" insists he isn't hedging any. He wants to be a successful business man and has some secret prospects he will not name. His greatest thrill was the 12-0 victory over Vanderbilt.

**Richard "Mamie" Parker**—"Mamie" comes from Shawnee High School in Bassett, Ark. He played three years of football there and four years here at Southwestern. He has no ambition. After graduation he intends to go home and "raise little Parkers". He is not particularly fond of any girl, "jet da one in my arms." He is still waiting for his greatest thrill. "Maybe 'core t'down agint Trente."

**Mark Hammond**—Mark is a Memphis boy who played football at Central High before coming to Southwestern. He is twenty-two years old and plans to enter the real estate business after his graduation. He wants to be a successful business man; and wants a wife, not necessarily good-looking. In all his years of football there has been no stand-out thrill for Mark.

**Porter Chappell**—Sylacauga, Ala., gave Porter Chappell to the Lynx. He played four years at Sylacauga High and four years here at Southwestern. He is twenty-two years of age and expects to run a ranch after he graduates. His greatest thrill was the time he beat a rival high school team after the game was over. He caught a pass—the whistle blew while the ball was in mid-air—and ran it to the winning touchdown. He insists his name is spelled with two p's and two f's.

**Jimmy Sasser**—Jimmy is from Gulf-

port, Miss., where he played two years on the Gulfport High eleven. He is twenty-two and can't make up his mind what he wants to do after graduation. Can't decide whether he ought to be a gangster or a G-man; if there are any propositions he might like to be a successful business man. Has an ambition to be an aviator. May go to the Naval Air Station at Pensacola. His greatest football thrill was the "hide-out pass" on which he scored a touchdown against Chattanooga this season. As for the weaker sex, Jimmy likes blondes, brunettes, and redheads. It is understood he has a brunette complex at present, but there are some who say he has a blonde gleam in his eye.

**Hartwell "Kite" Morton**—Leeds High School in Leeds, Ala., was "Heart-throb" Morton's early football ground. "Kite", as he is more affectionately known, is twenty years old and wants to be a "gigolo for the Boston debutantes". If that ambition is thwarted, he intends to go to Africa and shoot lions, or hunt zebras in Australia. He knows there are no zebras in Australia but he's going to hunt zebras anyhow. His friends say his real ambition is "to go back to high school". His greatest thrill, he guesses, was the victory over Vandy. Women? "Kite" thinks they're very necessary. He says, "You can't live with 'em and you can't live without 'em."

**Arnold Hebert**—Arnold is from Houston, Texas, but he finished high school in Louisiana. He never played high school football and came to the Lynx from Perkinson Junior College. He is twenty-three years old. Asked what he intends to do after graduation, he replied: "Go home." His ambition is to be a geologist. He remembers no particular football thrill. Says there are thrills in every game. What does he think of the ladies? Thinks they're "all right."

The Crimson-White of the University of Alabama is out to disprove the "country club" appellation often applied to the school. It cites a large number of coeds who, "beneath the cosmetics and sophistication," have "a serious and motherly nature." These girls are now enrolled in a class in child care and training in which they take care of some 25 children.

## Centre Has Won 5 Games, Lost 2

Team Has Played Chattanooga To Scoreless Tie, Lost To Indiana and Marshall

Special to The Sou'wester  
By E. J. "MIKE" POHLMANN, JR.  
Sports Editor, Centre College Cento.

Centre's Praying Colonels opened their season against Alumnus "Bo" McMillan's Indiana Hoosiers, and were beaten by 12-0. Both touchdowns were scored on passes, the Hoosiers being unable to penetrate the Colonel line. Centre used more subs than did Indiana, and the game ended with the pigskin on the Hoosier's eight yard line, with Centre in possession of the ball.

Playing their first contest on home ground, the Kubalemen played unimpressive football to trounce Oglethorpe University of Atlanta by 18-0.

Fumbling nine times within the Moccasins' twenty yard line, the Colonels tied Chattanooga University at Chattanooga, 0-0. The Centre gridmen gained 390 yards from scrimmage on the Moccasins' 67, but either fumbled or lost the ball on downs. Three times the Colonels pushed to the two-yard line but could not score.

Meeting Transylvania University at Lexington, Ky., the Colonels scored at will using every man on the squad and won by 38-0. Two sixty yard runs by Harrington and one for seventy by Stahl were the backfield's contribution, while the line held solidly, holding Transy to two first downs.

Playing the favored Wildcats from Davidson College, the Centre footballers bested the Carolinians by 8-0 before 4000 on Homecoming Day in Farris Stadium. After pushing to the Davidson three yard line, and being unable to score, the ball went over to the Wildcats. On the next play, Laferty, Davidson candidate for All-American, was nabbed behind the goal line for a safety. The lone touchdown was scored on a pass from Stahl to Davis, who packed the ball for five yards before crossing the payoff line. Centre made 10 first downs to the Wildcats' 2.

Easily playing their best game of the season, the Gold and White griders came back strong in the second half to score 21 points while holding Musketeers of Xavier University of Cincinnati to no score. A pass from Stahl to Davis on the five yard line accounted for the first marker, and a twenty yard pass, with a forty yard run by the same two scored the second touchdown. A forty-two yard jaunt off tackle by Halfback Van

## Quarterback

DICK STAHL, junior quarterback, will be in the thick of the fray tomorrow.

Huss in the closing minutes of the final stanza scored the Colonels' third touchdown. Stahl, quarterback, booted all three extra points.

With ten men injured in the game, the Colonels lost to Marshall of West Virginia—their worst loss this year—by 36-0. The Marshall squad scored two touchdowns on intercepted passes, and one by recovering a fumble on the Centre 10.

Using a completely different and revamped lineup, the Kubalemen won an easy victory over the University of Louisville Cardinals, 20-7, before a crowd of 4000 in Louisville at the U. L. homecoming. A 95 yard return of a kickoff by German was the feature of the game.

## Washington Huskies Tops Says John Tunis

According to John R. Tunis, noted commentator, the University of Washington leads the field in college sports.

"Football may be the most glamorous of sports," writes Tunis in the current issue of College Humor, "but other activities must also be considered when determining the athletic standing of a college or university."

Washington is supreme the world over on the water with its crew, up front in football, basket ball and minor sports like swimming and skiing.

## Bobcats Defeat Teachers Frosh By 7 To 0 Score

Fourth Period Touchdown Margin Of Victory

## EDDIE CRAVEN SCORES

Otho Lynch, Frank Farino Are Stars For Cubs

Fighting their way to a lone touchdown in the fourth quarter the Bobcats ended an undefeated season by beating the Cubs of State Teachers College 7-0 at Fairgrounds Stadium last Monday night before a crowd of 2000.

The Bobcats, led by Eddie Craven, were evenly matched by the Cubs until the fourth quarter, when a 28 yard pass from Orenstein to Canzoneri put the ball on the Cubs' 11 yard line. Hayden picked up two yards and on the next play Craven carried the ball over behind beautiful blocking.

The tackling and blocking was vicious on both sides but was exceptionally clean.

Otho Lynch, star back of the Cubs, was a thorn in the side of the Bobcats throughout the entire game and was a threat anywhere on the field. Frank Farino played the 'best game in the line for the Teachers, and it was nearly impossible to gain around his end.

The game may be the beginning of a series of contests between the two first-year squads.

# 200 Graduates Set New Record For Homecoming

### Dinner, Open Houses, Dance Are Features of Day

### DANCE GIVEN IN GYM

### House Decoration Plaque Is Awarded To Sigma Nu

Armistice Day at Southwestern witnessed the most successful Homecoming celebration in the history of the college. A record gathering of two hundred alumni attended the banquet at Neely Hall, following the overwhelming victory of the Lynx over Loyola. The marked increase over the 6 who attended last year testified to the gratifying interest being taken in Southwestern activities recently by the alumni.

The Sou'wester sponsored a Fraternity House Homecoming Decoration Contest, which was entered by all of the fraternities and sororities on the campus. Informal open-houses during the evening found each house brilliantly illuminated and decorated with "welcome" signs, red and black streamers, and Southwestern pennants.

Sigma Nu was presented with the engraved silver plaque, given by the Sou'wester, for the winning decorations. A lighted crest shown from the door of their new house. The decorations inside centered around the paper cut-out footballs and helmets which were hung on criss-cross wires over the ceiling.

A clothesline stretched across the yard and holding the week's big wash-up confronted all comers to the Chi Omega house. The wash, of course, spelled out "Loyola". In the center, a wolf with tail tucked, hung by his neck. Below the line, the Lynxcat looked up from the tub and scrub-board approvingly at her finished job.

A floodlight pointed out the sinking wolf in the A. O. Pi yard. The Lynxcat was furiously tearing away the life-preserver around the wolf for the final drowning.

The dance from 9 until 12 o'clock was the first ever to be given in the Southwestern gymnasium. The usually somber aspect of the interior was transformed into a riot of brilliant color by fabrics draped against a blue background. Music was furnished by Adrian McDowell of Wagon Wheel fame in Nashville.

Margaret England, resplendent in royal purple robes and regalia, entered majestically on the arm of George Jennings, captain of the football team, to be crowned Homecoming Queen, and rule over the festivities of the night.

Among Southwestern alumni who attended the banquet and dance were William Hughes, president of the Alumni Association; Mr. and Mrs. McLemore Elder, Mr. and Mrs. Robert Lloyd, Mr. and Mrs. Russell Perry, Mr. and Mrs. Jack Brown, Mr. and Mrs. John Rollow, Mr. and Mrs. Clinton McKay, Mr. and Mrs. Brandon Lemon, Mr. and Mrs. Harold High, and Dr. and Mrs. James Hughes.

Alvan Tate, Cecile Luton, Harvey Mays, Charles Crump, Betty Foley, James Wilson, Virginia Reynolds, Richard Mays, Nancy Haygood, Lucille Woods, Betsy O'Brien, Paul Freeman, Nell McMahan, Lee McCormick, Jeff Hart, Annie Beth Gary, Beverly Alston, William Wilkerson, George Reames, Dr. Roger Breyspraak, George Phillips, Jr., Frank Preston, Duff Gaither, Robert Armstrong, Thayer Houts, and Thomas Fuller.

A letter writer in the Bryn Mawr College weekly publication, the College News, states that the verb "to pitch woo" originated in a small coeducational college in North Carolina. The writer states that "Pitch" comes from "pine"—possibly not the emotion, but the tree under which the activity was practiced; and that "Woo" has nothing to do with courting, but is a poetic interpretation of the cry of the screech owl, frequently heard at that hour.

## Sports Shorts

By JACK PILKINGTON

The Alumni of Southwestern should be justly proud of the team which they saw last Thursday; the Lynx were practically perfect in crushing the Wolfpack. . . . Sasser received beautiful blocking on his return of the kickoff. . . . Eight seniors for the Lynx sing their Swan Song Saturday afternoon, Jimmie Sasser, Richard Parker, George Jennings, Clay Nickells, Hartwell Morton, Arnold Hebert, Porter Chappell and Buddha Hammond; to these men we wish to wish them the best of luck in all they do; the students are proud of your feats on the gridiron, on the campus and in all you have attempted to do; we will miss you all next year and we are proud to have known you and called you our friends. . . . The air attack which Arkansas showed Memphis last Saturday is making the fans clamor for a return game next year; from the way that Ole Miss has been flying this year it seems that they should be more familiar with air than they were. . . . The Lynx could take Ole Miss by at least 2 touchdowns. . . . The Bobcat-Cub game proved that relations between Southwestern and Teachers could easily be resumed without any fights thrown in; it should become an annual tussle. . . . The varsity will have plenty of good material coming up next year from the freshmen, for instance, Hayden, Craven, Orenstein, Lockridge in the backfield, and Massey, Partin, Gage and Williams in the line. . . . The Centre game will write finis to an up and down Southwestern team this year; last year the Lynx were defeated by Centre 20-6 just after the Lynx had trounced Loyola 28-0; this year the Lynx have shown how good they can be and anything less than a victory will leave a black spot on the record. . . . The team is the Limping Lynx one week and the Leaping Lynx the next; what's your guess tomorrow? . . . Centre has an excellent team this year and will be giving all they have to beat Southwestern so it will take a lot of support from the stands to help beat them; be out at Crump Stadium tomorrow and give all you've got to help win.

## Soccer Play Off Approaches Finals

### S. A. E., A. T. O.-S. N. Winner, Will Clash In Title Round; Volley Ball Drawing

Sigma Alpha Epsilon will engage the survivor of the Alpha Tau Omega-Sigma Nu contest for the intramural soccer title. The game will probably be played Monday on the intramural field. Today the consolation affair will find the Kappa Alpha and non-fraternity combines meeting in the final round.

Sigma Alpha Epsilon used a second half attack in turning back the Kappa Sigma's 4-1. Going into the third period, the Kappa Sigmas were leading 1-0 when a goal by Waddy West knotted the count. Mac Hooker then followed with two more markers. An additional score was added later in the game by West on a free kick. W. C. Rowan played the entire game and showed up brilliantly on both offense and defense throughout the contest. Henry Mobley, playing for only one quarter was a sparkplug in the Kappa Sigma attack. The work of Virgil McCraney as goalie for Sigma Alpha Epsilon stood out.

In the Alpha Tau Omega-Kappa Alpha game the Alpha Tau Omega's took the lead with a goal in the first quarter. This goal was matched by the Kappa Alpha but from then out it was the Alpha Tau Omega's ball game and they took a 5-2 decision. Bland Cannon and Erskine Falls counted twice and W. J. Hearn once for the victors, while Pyne Tucker made the lone Kappa Alpha tally on a free kick.

## Apple Sale Is Successful Profits Will Provide Christmas Tree For Underprivileged

"The apple sale is going fine," said Herbert Bingham, president of the Christian Union Cabinet, Tuesday, "though some students have forgotten or failed to leave their nickels. The apples are placed on the campus for the benefit of the students but not free for the taking."

Repelling numerous Alpha Tau Omega thrusts at the goal, Tucker was the Kappa Alpha star.

After a first round setback by the Kappa Sigmas, the Non-Frats reached the consolation final through a bye. Their opponent will be the Kappa Alpha's who trounced the Pi Kappa Alpha's 6-0 following a defeat by the Alpha Tau Omega's.

### Volley Ball Will Open Tuesday in Gym

At an Intramural Board meeting held Tuesday a drawing for a volleyball tournament was made. The opening game will find the two leading intramural teams matched when Sigma Alpha Epsilon and Kappa Alpha play next Tuesday afternoon. However, if bad weather causes an interruption in the soccer schedule, the game will be substituted and played in the Southwestern gym.

The board decided that a fraternity, winning a cup in intramural competition, must accept the responsibility for the cup's return to the board at the opening of the following school year. Failure to return or replace a cup will bring about suspension from intramural activity until the matter has been settled.

## Red and Black Practice

(Continued from Page 1)

tackled, reminds one of nothing so much as a fishing worm squirming to get off the hook, showed plenty of driving fight against Loyola and should see service against the Colomels. Neal, too, showed splendid form in the Loyola game, and in practice this week he has passed superbly and reeled off dash after dash to prove he is ready to go against Centre.

Coach Propst will probably start his "varsity" team, the team that has shown the most drive and co-ordination in the past few games: Chappell and Hammond at end; Croom and Ellis at tackle; Parker and Hebert at guard; and Self at center. In the backfield: Nickells at quarter; Sasser and Smith at the halves; and Captain George Jennings at full.
