Southwestern at Memphis

37th Year

MEMPHIS, TENNESSEE, FRIDAY, MAY 4, 1956

Vol. 37, No. 27

SOUTHWESTERN'S MODERN DANCE GROUP which will participate in the week-end Dance Festival here is composed of (front row, left to right) Barbara Bondurant, Nancy Wickersham, Marguerite Livingston (back row) Judy Gaines, Betty Sims, Nancy Stepp, and Bobbye Ruth Butler.

Photo by Graham Hicks

## Southwestern Plays Host To Visiting Dance Groups

On Friday and Saturday, May 4 and 5, the Mid-South Modern Dance Festival will be presented at Southwestern. Since this is the first time such a project has been undertaken in this area, it is an unusual opportunity for the devotees of modern dance.

Southwestern has invited the dance groups from Mississippi State Women's College at Columbus, Mississippi, and from the University of Mississippi at Oxford to be guests on the campus during the festival. Some 75 students will participate in the event.

Master classes and rehearsals will be held during the two-day period by Joye Thompson, dance instructor here at Southwestern; Thora Golz, instructor at Ole Miss; and Aidath Boyd Omer, instructor at MSCW. All the girls will attend special classes at 4 p.m. Friday, and 10 a.m. Saturday.

The climax of the two-day festival will be a concert on Saturday night at 8:30 in Marian Hall, 1695 Central. The concert will feature the combined talents of the three dance groups with participation by the Southwestern Singers, who will appear in a medley of Negro spirituals. Mrs. Thompson will be featured in a solo.

The concert will be open to the public. Tickets will be available at the door for \$1.00.

Gretchen Routon, Beth Partee, Beth Coe, Betty Sims, Bobbie Ruth Butler, Elizabeth Wilson, Barbara Bondurant, Nancy Stepp, Elizabeth Chase, Nancy Wickersham, Marguerite Livingston, Velma Shankman, Judy Gaines, Jeanne Scott, Truly Brown, and Donna Hudson are members of Southwestern's group.

## Hickman Funds: Summer Study In Foreign Lands

On June 1, three Southwestern students, Harriette Mathewes and Scott Byrd are leaving for Europe, and Fred Beeson is departing for South America, through the kind generosity of Mr. Francis Hickman, prominent Memphis cotton broker and editor of the Cotton Trade Journal.

Harriette Mathewes, a junior French major, is planning to increase her proficiency in her major field through a summer of study and travel in France. The new president of Chi Omega sorority, Harriette was also the queen in this year's April Fool Court.

Scott Byrd, an active member in literary and dramatic activities at Southwestern, is planning to study Shakespearean and Elizabethan drama in England. Scott appeared in "Antigone" here and Memphis State's production of "As You Like It." He is a member of Alpha Tau Omega and Alpha Psi Omega, national honorary dramatic fraternity. He is also the editor of Stylus and a columnist for the Sou'wester.

Fred Beeson's plans include an extensive twenty-day cruise. A major in international relations, he is planning to go to South America. A member of SAE, he has served four years in the Air Force Intelligence Corps.

The Hickman grants were donated by Francis G. Hickman and

(Continued on Page 4)

## Westminster Fellowship Members To Have Outing

The Westminster Fellowship of Evergreen Presbyterian Church is having an outing Sunday afternoon. Members will meet at the church at 2:30 to go by car to Shelby Forest State Park.

After an afternoon of games, fellowship, and a picnic supper, Bob Kaufman will conduct the evening's vesper service.

## Pan-hellenic Council Edits Rush Booklet

The Southwestern Pan-hellenic Council has completed a handbook on Rush, which will be sent to all new women students this summer.

The booklet contains the rush schedule, information on all sororities, tips on proper dress for rush parties, and other such information which will be very important to the incoming women students.

## Dr. Edward Ellet Leaves Trust Fund To Southwestern

Southwestern is the beneficiary of a trust fund totaling \$225,000, which is a part of the will of the late Dr. Edward Ellet.

In honor of Dr. Ellet there will be established an endowed chair or professorship by the decision of the Board of Directors. Also, the new men's Residence Hall will be named after him, and there will be a formal dedication service in the fall, officiating this honor.

"Ellet Hall will help perpetuate in the minds of the faculty, students, and citizens of Memphis the memory of one of the truly great, humble, and God-serving men of our time."

Dr. Ellet attended Southwestern for his first two years of college

(Continued on Page 4)

## Prof. Pearce To Work For Aircraft Company

By Bill Teague

Kenneth Pearce, Professor of Physics at Southwestern for two years, is leaving soon to work in the field of Aerodynamics at Bell Aircraft Corporation, Buffalo, New York.

Professor Pearce, his wife, and their two children, ages six and two, will leave for Buffalo and his new position after school is out this spring. He received his call to New York from the Corporation this past Feb-

ruary, and as he told me in my interview with him at his home Wednesday night, "Any one of these projects I'll be working on is a lifetime job."

"Confidential," "secret," and "top secret" are the three classifications handed out by Uncle Sam to all his employees. Professor Pearce's particular type of work at Bell Aircraft Corporation has been reclassified as "secret." Reclassification was needed because prior to his appointment to Buffalo, he had been working at the Naval Ordnance Laboratory at the University of Virginia up until 1955. At that time he gained his PH.D in Physics from the University of Virginia.

He left his position at the B. F. Goodrich Laboratories in 1952 to spend more time for his education. A wise choice, I think, for look at him now. Some folks venture to predict Professor Kenneth Pearce's greatness in the field of Physics in the years to come. After talking privately with him for just short of one hour, I, too, fall into that predicting group of folks.

Pearce's job will entail high classified work in the field of aerodynamics or in short, "solids moving through gases" (the air for Lay

people). He'll work on aircraft in general, with the moving crafts revealing to him and his colleagues "the inner action of gases and solids."

He'll study rockets and all types of "faster than sound planes," including the Bell X-S1, the U.S.'s new "hot" job capable of speeds of 1700 m.p.h. He'll study and possibly create new designs of the "structures that exist and re-enter earth's atmosphere at super sonic speeds." Professor Pearce told me that one of the most pressing problems today in aerodynamics is the re-entering of a missile into the earth's atmosphere 250 to 300 miles up. "They burn up when they hit it. They're doing about 500 m.p.h. when they contact the air."

Another difficult job which he will tackle is duplicating as best as can be done the atmospheric conditions experienced by fliers at extremely high altitudes, or conditions present upon a rocket, such as the rocket's testing. Speeds of six or seven times the speed of sound are created by the big fans, blowing the air against the stationary models of the rockets used.

He will observe the shock waves

(Continued on Page 3)

## Opinion, Please

By Mary Ann Lee

**Question:** Are you in favor of dropping the secretary-treasurer from the slate of class officers?

**Answers:** Frances Van Cleave, senior: No, I wouldn't drop her out, I'd give her something to do instead. If the classes would function as classes and had meetings and projects, she'd have a lot to do.

**Jeanne Scott,** freshman: No, it's an honor every school has. Why not Southwestern? People who work deserve an honor. If the office doesn't hold enough work, she could head committees for the Student Council.

**Bill Hunt,** senior: No, I don't think so. If anything, the vice-president should be done away with first. The secretary-treasurer has more to do than the vice-president.

**Carole Thompson,** junior: If the office has no function, there's no point in having it. The senior class probably needs a secretary-treasurer more than the other classes do. Of course, to a great extent, an office is what the holder makes it.

**Chung Sook Pai,** junior: Yes, I think so. There are so many titles around here doing nothing. I'd like to see the student government more

(Continued on Page 3)

## Positions Open Now On Lynx, Sou'wester

The Publications Board announces today that applications are now being accepted for four positions on the Sou'wester and Lynx, student newspaper and annual.

Applications will be received by any member of the publications board through May 14 for editor of the Sou'wester, editor of the Lynx, business manager of the Sou'wester, and business manager of the Lynx for the coming school year.

Candidates for these positions are asked to state their qualifications on their applications. Each applicant will be interviewed by the Commissioner of Publications before the Board selects the four students for the positions.

## Slides of Europe Shown In Burrow

All students who are interested in a showing of colored slides of Europe are invited to the Faculty Lounge of Burrow Library on Sunday evening, May 6, at 6:00 o'clock. The pictures were taken by Miss Louise Gieselmann when she was on a Brownell Tour, and they feature many of the places which will be included in the itinerary of several Southwestern students who plan to travel in Europe this summer.

If you are interested in seeing these pictures, please see Miss Jones-Williams in the library.

## Frosh Sponsor Vesper Services

Reverend George Chauncey of the Presbyterian Church of Monticello, Arkansas, will speak at the vesper service presented by the Freshman Class, Sunday, May 6, at 5:30 in Fisher Memorial Garden.

Mr. Chauncey is a graduate of Southwestern and a brother of Mrs. Porter, a Burrow librarian. Having served a church in Brownsville, Tennessee, Mr. Chauncey is well-known in this area for his work with Westminster Fellowship groups.

Dr. Kinney will preside at the service and Larry Kennon, Freshman Class President, will assist. The entire student body is invited.

In preparation for the Freshman Class vesper on Friday, May 11, the class will conduct the morning chapel service Thursday. Sam Martin will talk on the theme, "The Persecution of Christ on the College Campus." Other students taking part are Nora Petersen and Benny Ferdon.

Reverend Frank Soules of Chattanooga, Tennessee, will speak on the same theme Friday afternoon at 6:15 for the vesper service to be in Fisher Garden. Larry Kennon will preside and Sandy Calmer, Charles Hammett, Richard Park, and Bill Teague will participate.

**Circulation Manager:** Martha Jane Wilkins

## Elections for Class Offices Completed

Following the demise of student body elections were class elections this week. Voting machines proved useful again, particularly when several run-offs were necessary. Listed below are the class officers for 1956-57.

Heading the list is the new senior class president Earl Browne. Just last week he relinquished his post as president of Kappa Alpha for 1955-56. In addition to his fraternity activities, he has played football, served on the Men's Intramural Board and is a member of the "S" Club.

Assisting Earl will be Johnny Maxwell, newly elected vice-president of the senior class. He is a member of the Veterans Club, and SAE, in which he has served as secretary and treasurer. Also he has played basketball and is a member of the "S" Club.

**April Fool Queen**

Harriette Mathewes is secretary treasurer of the senior class for next year. Recently she was elected the new president of Chi Omega and has also served as treasurer of Chi Omega. She has been a member of the Homecoming Court and has reigned as Queen of the April Fool Court. In addition to these honors, she has been selected Sweetheart of SAE.

Serving as student council representative for the senior class will be Mary Lewis Myatt. She is active in Chi Omega where she served as pledge mistress last year and is now treasurer. She has served on the Lynx staff, been a member of the YWCA, held offices in M.S.F., and was a student counselor for three years. In her sophomore year Mary Lewis was the Maid of Cotton from Southwestern and one of the finalists in the national contest.

**French Club President**

Connie White is publications board representative. Last week she was elected president of Sans Souci and she has previously served as program chairman of that organization. She has been a member of the dorm board, YWCA, Minerva club and the Lynx staff.

Jack Burge is the newly elected president of the junior class for next year. In his freshman year, Jack was named best pledge in his SAE pledge class and since then has served as Herald and Chaplain of SAE. He has been a member of the Honor Council this past year.

In the post of vice-president is Andy Gandy. While a freshman, Andy was on the basketball team and the baseball team. He is a member of SAE, and last year was treasurer of the W.F. group.

In her first year at Southwestern

Beth LeMaster, new secretary-treasurer of the junior class, has earned many honors. She served as president of her AOPi pledge class and was chosen best pledge. Next year she will be rush captain for AOPi; she has been elected president of the YWCA and will also be a student counselor next year.

Neville Frierson has been elected to serve on the student council for the junior class next year. She served as secretary-treasurer of the sophomore class this year, was chosen a Lynx beauty in her freshman year, served on the dorm board in her sophomore year. In addition to these activities, she is personnel chairman of Chi Omega and last week was named Kappa Alpha Rose.

The new publications board representative of the junior class is Mary Ann Lee. She has served for two years on the board, been a member of the Sou'wester staff of which she is now a columnist, and is in Eta Sigma Phi. Mary Ann, active in Chi Omega, has been elected to serve as Editor of Hoots for 1956-57.

**President of Class**

J. L. Jerden has been elected president of the sophomore class for the coming year. Last fall he played football for Southwestern after playing for four years in high school at Whitehaven. He is attending Southwestern on a Leadership scholarship, and is a member of Sigma Nu.

Assisting J. L. will be Mike Luffer, who has been elected vice-president for his second term. Mike also served as president of his KA pledge class and was named best pledge. Recently he was chosen as treasurer of this fraternity for next year.

Sissy Raspberry won the candidacy for secretary-treasurer for the sophomore. She served in the same capacity her freshman year, along with being a member of the YWCA and an active member of Chi Omega. Sissy is also the W.A.A. representative for her sorority.

The student council representative for the sophomore class is Ann Underwood. She served as Freshman Dorm Board president this year and has been elected to the board again for next year. She was named outstanding pledge of her KD pledge class.

## Commencement Speaker To Be President D. Rusk Of Rockefeller Foundation

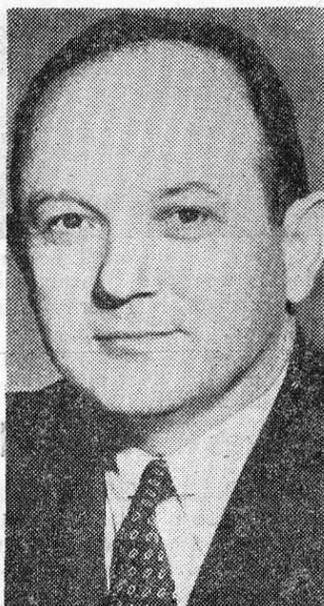

Dean Rusk, president of The Rockefeller Foundation, New York, will be commencement speaker at Southwestern, Dr. Peyton N. Rhodes, president of the college, announced last night.

Exercises will be at 10 a.m. Tuesday, June 5, in the Hubert F. Fisher Memorial Garden on the campus.

A graduate of the class of '31 will return to the college to give the baccalaureate sermon on Sunday, June 3, at 11 a.m. at Idlewild Presbyterian Church. The speaker is the Rev. Miles Allen Freeman, pastor of the Auburn Presbyterian Church at Auburn, Ind.

Mr. Rusk, a native of Cherokee County, Georgia, was graduated from Boys High School in Atlanta in 1925. He attended Davidson College, North Carolina, received his A. B. degree, and later as a Rhodes Scholar received A. B. and M. A. degrees from St. John's College of Oxford University.

He taught at Mills College, Oakland, Cal., and studied law at the University of California School of Jurisprudence.

He was on active duty with the U. S. Army from 1940 until 1946 in the Military Intelligence Service and on the general staff in the CBI Theater. He served with the Department of State, 1947-51 as Assistant Secretary of State for United Nations Affairs and for Far Eastern Affairs and, for a time, as Deputy Undersecretary of State.

Mr. Freeman, a native of Oneida, N. Y., attended the University of Michigan and then received his A.B. degree from Southwestern and his B.D. from Louisville Presbyterian Theological Seminary. He was ordained by the Presbytery of Utica, N. Y., in 1934. He was active during his college years in athletics, dramatics, music, and debating.

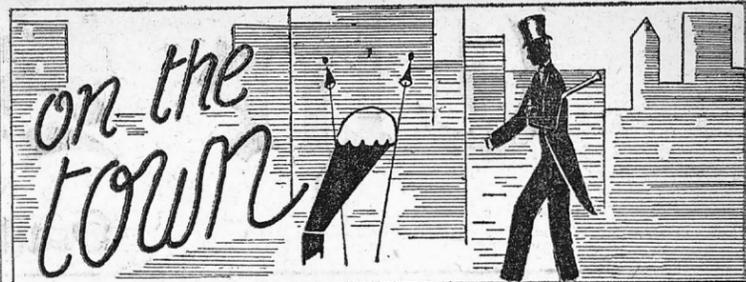

He has been especially active in youth work both in the church and in civic organizations. He has headed his local U. S. O., Tuberculosis Association, "Teen Canteen," ministerial association, and County Council of Churches. He is a member of the Masonic Order, Scottish Rite, and the Rotary Club.

## Eta Sigma Phi Adds Seven New Members

Eta Sigma Phi, national honorary fraternity for outstanding students in the classical languages, tapped seven Southwesterners for membership in chapel Wednesday, May 2. Edith Jean Cooper, president, presided over the ceremony.

Jane Alexander, freshman, and Carol Meyers, junior, were chosen to membership for excellence in Latin. Those students tapped for outstanding work in Greek are Bob Booth, Bob Dickey, Richard Teaford, Bill Vassey, and Don Williamson.

To be eligible for membership in Eta Sigma Phi, a student must maintain a B average in either Latin or Greek.

**With Luther Steinberg**

They ran out of people to write ON THE TOWN this week, so I'm doing it. I don't want to go ON THE TOWN. I'd rather stay home and read. If you want to go somewhere, that's your business. Just leave me alone.

If you want to know where to go, however, read further, so you won't be calling me up and bothering me about it this weekend.

If you really like movies, you're okay. I hear all the theatres will be open this weekend, and some interesting time-killers are available downtown if you have the price.

At the Malco the attraction is JUBAL and features Ernest Borgnine, he of the face like an old catcher's mitt, Glenn Ford, and Rod Steiger. Glenn has lots of troubles in this one. In fact, troubles "cling to him like a wanton woman." In the interests of realism for this western, Ford let his crewcut grow out. If the actors are going to make sacrifices like that for the sake of the picture, you ought to go look at it for awhile.

THE SCARLET HOUR ticks away at the Strand. Paramount doesn't have much to say about this one, but I caught a sneak preview. It concerns a jockey who let himself get a little overweight (276 pounds overweight) and is moody about being out of work. He borrows a horse from the stable and rides bareback to Guatemala where he becomes involved in the Tortilla-smuggling racket run by a beautiful blonde who works nights in a shady cafe as a James Cagney impersonator. A gigolo, cleverly portrayed by Ethel Barrymore, (this may be her finest role) has his eye on this blonde, and . . . well, I don't want to spoil it for you. I urge you to go see it if Glenn Ford's new hairdo bores you.

**Bedtime Story**

The Warner is enthusiastic about THE BOLD AND THE BRAVE, a war story with Mickey Rooney. This one is called a "sleeper," so bring your no-doz.

Richard III, which may have been written by Christopher Marlowe, is no longer at the Crosstown. Currently playing is ABBOTT AND COSTELLO MEET LILLI ST. CYR (I give this one a rating of five bubbles). Co-feature might be Audie Mirtheless in I SHOT WYATT EARP, but I doubt it.

THE SWAN remains at the Palace, and stars Grace Kelly. I can't wait for THE CREATURE WALKS AMONG US to get here, because I'm in it. I play Leigh Snowden's chiropodist. This one is a real gasser.

Finally we have THE RACK at Loew's State, in which Paul Newman, Wendell Corey, Walter Pidgeon, Edmund O'Brien and Anne Francis sit nervously around looking at each other and waiting for somebody to find the script.

So you're going to stay home and read a book too, hunhh?

George Rank is playing at the Peabody, and features Donna Reid on vocal. Call JA 6-7766 for reservations. Or just drop in on them. They'll be glad to have you.

THE P. Kremer-R. A. Jackson feud goes into its nineteenth week at freshman dorm. This is supposed to be a good show, but tickets are still hard to get.

Ballet enthusiasts will like the dance festival this weekend taking place here and at Marian Hall. Dancers from Southwestern, Ole Miss and MSCW are participating.

Wow, what a drag. If you still haven't decided where to go this weekend, try ICELAND. Try the Silver Slipper. If you can't think of anything worthwhile, though, stay OFF THE TOWN. It's cluttered up enough as it is.

I'll be back in just eight days, and this time I'm bringing my boys with me.

## RAY GAMMON'S

Drive In Restaurant  
2374 Summer Avenue

—Photo courtesy The Commercial Appeal

## Grace Morris Named Pi's Newest Member

Pi Intersorority honored Grace Morris of New Orleans as its May Day Pi, Tuesday night at the annual May Day banquet held at the Embers Restaurant.

Grace was presented to the student body as May Day Pi Tuesday in student assembly. A junior majoring in sociology, Grace has served as president of Evergreen Dormitory Board, President of the Pan-Hellenic Council, and is the newly elected president of AOPi sorority.

## Student Counselors Meet

The Student Counselors for next year had their first meeting on April 27, with Dean of Women, Jane Leighton Richards, presiding.

Plans for next year and suggestions for improvements in the counseling program were discussed. Mary Jane Smalley and Suzanne McCarroll were elected to serve as co-chairmen of the group.

I would like to thank the girls of Freshman Hall for their kind expressions of sympathy and thoughtfulness in the recent loss of my mother, Mrs. Esther Moye on April 1, 1956.

Sincerely,  
Bessie Pernell

# Widgibus

Hi, future campers and counselors of the summer 1956—this is your campcraft correspondent. Last week I was instructed by the director of the camp where I am a counselor during the summer to attend a campcraft class this week.

I just did and anyone interested in learning to make doughboys (biscuits around a stick), pioneer drumsticks (hamburger around a stick), angels on horseback (ham and cheese on a stick), Samoas (marshmallow, graham crackers, and chocolate on a stick)—please see me right away, I'm not sure I can remember the recipes very long.

If you're interested in learning to make a junior size tepee, table, or tree house you might see Madelyn Richardson! she attended the little class too.

Whether you're interested in campcraft or not, I hope you made the KA dance last week-end. Everyone who did seems to agree it was a really good dance—here's hoping Al Jackson plays for some more Southwestern dances.

Congratulations to Johnny Bryan and all the other new KA officers and special congratulations to Neville Frierson, the new KA rose.

Also congratulations to Grace Morris, the year's May Day Pi. The Pi's had a dinner in Grace's honor Tuesday night at the Embers.

The Kappa Sigs have started a coffee hour at their house every Saturday afternoon around two. The boys invite dates but there are other guests also.

Congratulations to Nola Nurnberger who is now pinned. Best wishes, Nola.

Another round of congratulations to all the new class officers, presidents and all—they look like a good bunch.

Parties coming up right away include the ATO outing Friday night, the fourth. Which is to say, tonight. The AOPi's annual Red Rose

Ball is tomorrow night, and the Pikes are having a party for the Pickettes Monday night—and don't forget that

LUTHER STEINBERG IS COMING!

## Well-Known Evangelist Conducts Tent Revival

A 1,000-voice choir and a versatile pianist and organist who plays both instruments simultaneously will be special musical features of the Memphis Crusade for Christ at the Memphis Fairgrounds, May 6 through May 27.

Conducting services in a giant Tent Cathedral which can seat 10,000 persons will be Jack Shuler, actor turned evangelist. Services will be at 2:30 p.m. on Sunday and 7:30 p.m. on other nights.

Supporting the Arcadia, Calif., native will be a great team of musicians: Don DeVos, who has conducted choirs in the thousands during his association with Shuler; Bob Andersen, master of the keyboard of the piano and the organ; and Sam Allred, who will render a special selection each night in his beautiful Irish-tenor voice.

The Memphis Crusade for Christ is sponsored by the Christian Businessmen's Association of Memphis with the cooperation of 200 Memphis churches.

Representative of the crowds that Shuler has drawn are some 14,000 nightly at Fort Wayne, Ind., 18,000 in Hollywood Bowl, and some 70,000 in Soldier's Field in Chicago.

## Alpha Omicron Pi Gives 'Rose Ball'

Alpha Omicron Pi will have their annual Red Rose Ball this Saturday in the Lee Room of the Gayoso Hotel. Bill Justice will play from 9 until 1 and during the lead out Billy Jon Woods will sing "Only A Rose." The members and their dates will come through a gate from a rose garden to form an Alpha with the new president, Grace Morris, as the ruby in the apex and the other new officers forming the crossbar. All members will be dressed in white except the new president who will appear in red.

Prior to the dance the members will entertain their dates with a buffet supper at the lodge from 5:30 till 7:30.

Members and their dates are: Mim Heard with O. C. Ingram, Geraldine Dozier with Leigh MacQueen, Harriett Priester with Jimmy Flowers, Carole Thompson with Jere Craddock, Marymax Williamson with Earl Browne, Margaret Fagan with Jim Eikner, Suzanne McCarroll with Jim Napier, Grace Brown with Noel Toler, Marion Forsythe with Skip Schoneberg, Beth LeMaster with David Simpson, Beverly Smith with Johnny Maxwell, Isobel Anderson with Bob Booth, Gloria Smith with Bob Glen, Bobby Ruth Butler with Billy Wayne Russell, and Elizabeth Chase with Tommy Bumpas.

Other members and dates will include Claudia Clingman with Bill Alexander, Ann Mack with June Davidson, Sue Osenbaugh with Tommy Easum, Sally Stockley with Vous Johnson, Phyllis Williams with Jere Ervin, Elizabeth Elliot with Robert Templeton, Dolly Cooke with Bill Teague, Kathryn Tally with Ronnie Clements, Camille Deaderick with Gerald Smith and Grace Morris with Don Williamson.

## Newspaper Snapshot Exhibit in Library

A soapy mop . . . five grinning children in a bubble-bath . . . a stock-car flying through mid-air . . . a dog in a supermarket . . . a policeman telling a joke . . . Such pictures of varied interests are now being featured in the Burrow Library display of the Seventeenth Annual Newspaper National Snapshot Awards.

The Newspaper National Snapshot Awards is the oldest contest of its kind, and was established in recognition of the millions of amateur photographers throughout the United States and Canada who make a hobby of keeping picture records of their travels, families, and activities. In the 1955 competition, ninety-nine leading daily newspapers participated in the awards. Each independently conducted an amateur snapshot contest in its own city and from the thousands of entries, sent as its entries in the national contest, the best in each of the four categories: children, activities, scenes and still life, and animals and pets.

The Grand Prize winner in each class was awarded \$1,000, and others received prizes which all totaled to \$17,825. The judging was based on photographic quality and general interest and appeal.

Among the 81 pictures which will be exhibited until May 12, are pictures from newspapers all over the nation, Hawaii, and Canada, pictures which perhaps you have seen in your local newspaper. Of special interest to Southwestern and Memphis students will be the entry of the Memphis Commercial Appeal. It pictures a postman sitting in a postal pick-up box, eating his lunch.

## Opinions Viewed

(Continued from page 1) simplified and unified. The vice-president could do whatever the secretary-treasurer does now.

Question: Well, what do YOU think?

## New Kelly Office Service Specializes In Summer Jobs

A chance for the coed to work this summer at her convenience—and then at regular pay—is offered through the national Russell Kelly Office Service.

The opportunity to go into different types of office work exists in some 45 cities as the result of a demand by employers for white collar personnel to fill positions left vacant for short periods by vacations or sick leaves—or for leveling off peak loads.

There are KELLY GIRL branches in practically every major city, with headquarters in Detroit.

The Russell Kelly organization expects several thousand coeds this summer to help fill the chief need—employees instead of customers. There's more than enough work now. Russell Kelly pays the girls directly, collecting from the employer. No fee is charged the girl. She gets the same wages as a regular employee, instead of being forced to take less money because she is not "permanent."

The girl who wants to visit several American cities during her vacation and still make a living can use the Russell Kelly service. After one interview at the office nearest her, she can move on to the city of her choice and her records go with her. No more interviews are necessary. The weekly salary comes from the main Russell Kelly Office and just one withholding statement is issued at the end of the year.

## Pearce Joins Bell Aircraft

(Continued from page 1) and all the other data that physicists observe—Lord only knows what—and from this data will conclude, draw conclusions, I should think, that show the U.S. how to build better and faster aircrafts.

Professor Kenneth Pearce is literally a "pioneer" in a not too largely populated field. He told me he "wasn't going up there to revolutionize the field of aerodynamics and physics."

He is going for good reasons. He is needed for one reason, and he, being a research man by title, humbly feels that by being there and working on a "secret" project or projects, he can be greatly useful as a cog in a giant organization devoted to physical and scientific endeavor, in the United States of America or throughout the world. He will be able to use his originality and foresight to better mankind through physics.

Professor Kenneth Pearce, I salute you, sir. You have made Southwestern at Memphis proud of your fine record in past years and of your fine record which you are establishing now and will continue to establish in the bountiful years to come.

ROSE OF KAPPA ALPHA fraternity, Miss Neville Frierson, was announced at the fraternity's open house last Friday. Neville is a sophomore from Jonesboro, Arkansas, and a member of Chi Omega sorority.

## KA's Choose Rose; Officers Announced

At its open house April 27, Kappa Alpha Fraternity announced Neville Frierson as the KA Rose of the coming year. Neville has won many distinctions in her two years at Southwestern. She is a Southwestern Singer, Lynx Beauty, and personnel chairman for Chi Omega.

This year she was secretary-treasurer of the Sophomore class, and has recently been elected Student Council Representative of the incoming Junior class. Next year she will serve her second term on the Voorhies Dormitory Board.

Also at the open house, Johnny Bryan was announced as the new president of the fraternity chapter. Other officers for the coming year are: Dick Jones, vice-president; Louis Zbinden, recording secretary; Eric Mount, corresponding secretary; Richard Park, historian; Michael Lupfer, treasurer; Dick Crawford, censor; Dave Simpson and Charles Ames, initiation officers.

## Recently Elected Officers Announced

(Continued from Page 1) solor, and Typical Freshman Girl.

Elaine Donelson has been elected publications board representative for the sophomore class, an office which she also held this year. She was vice-president of her Tri-Delt pledge class and has been elected treasurer for next year. She has been on the freshman dorm board, Lynx staff, Dean's list and is News Editor of the Sou'wester.

## The Mousehole

By Julian White

The sports scene around the campus is a little slow this week due to the unusual amount of moisture that has been spreading around. However, despite this heavy precipitation Wednesday the day's activities at the cinder track went on. To all you who braved the rain and what have you, I think you'll agree with me that the meet with Arkansas State was the best that we have seen on the campus this year. This meet closed out the regular season with the exception of the coming Delta Invitational Track meet on May 12 at Fargason Field.

The baseball activity has been at a standstill this week due to the rain. The Lynx diamond crew was supposed to take on the Mississippi College crew on the local diamond Wednesday. The game was called on account of wet grounds and will not be rescheduled. The Lynx nine lost a well-played ball game to the Choctaws from Mississippi on last Saturday down in Jackson. The day before Joe Weeks, regular first sacker for the Lynx, pitched and defeated the Millsaps Major in the only meeting of the two clubs this year. This afternoon the diamond crew took on the strong nine from Ark. State, and tomorrow they will face the Union team from Jackson, Tenn.

Bob Jackson again turned in an outstanding performance in the five field events that he participates in. Jackson took first places in the shot, discus, broad jump and javelin and was second in the high jump. This accumulation of points brought his total for the year to 103½ points. This is an average of just a fraction over 20 points per meet. Mike Cody won the mile and the two mile without much trouble and anchored the winning relay team which turned in the best performance of the year with a 3:35 effort.

Also a double winner for the Lynx was Bill Carrell in the high and low hurdle events. Jackson and Cody are carrying the red and black for Southwestern at the TIAC track meet to be held this weekend at Sewanee. Jackson will enter the field events and Cody will try in either the mile, two mile or 880. Best of luck to these boys who will be representing us at this meet.

The Lynx tennis team took on Sewanee in a tennis match Wednesday as a warmup for the TIAC tennis tournament. The contest was called after five matches had been played and Southwestern was leading by the score of 5-0. This should put the Lynx team right out front as the favorites in the tourney. Last year Sewanee won the TIAC tourney.

At Athens, Georgia, the Southwestern golfers are participating in the Southern Intercollegiate Golf Tournament. Coach Mabry took all of his golfers in hopes that some of them would qualify for the finals of this tourney. After competing in the week-long tourney the linksmen will return home this Sunday.

Don't forget the activities of the different teams around the campus next week.

## Doris Hart Holds Tennis Clinic Here

Doris Hart, the world's number one ranked woman tennis player, conducted a tennis clinic and exhibition match yesterday at Southwestern.

The clinic was attended by Southwestern students and a number of high school students. Miss Hart played a singles exhibition match with Leslie Nicholson, Jr. of Memphis University School.

Miss Hart, now a professional, won the national singles championship at Forest Hills both in 1955 and 1954. She is also a member of the Rightman Cup Team.

## LATE RALLY BRINGS WIN TO TRACKMEN

On Wednesday, May 2, the Lynx track team won their third straight dual meet 70-60 in a squeaker over Arkansas State that was closer than the score indicates.

Bob Jackson again led the Lynx scoring parade with 23 points. (It's getting to be a habit.) As usual, Bob won first places in the shot put, javelin, discus, and broad jump, and second place in the high jump. And as usual, also Mike Cody was next on points. Mike took his specialties, the mile and two-mile, and ran a beautiful anchor leg for the mile relay team. Next in line was Bill Carrell, Lynx hurdler who turned in the best time of his career, in winning both the highs and lows.

At the time of the mile relay Southwestern was trailing in the meet by the score of 59-57, and a loss would have all but ended the day. However, four Lynx runners did not know this; they just wanted to win, and win they did. The team, composed of Jim Turner, Mike Stoakes, Bob Sanford, and Mike Cody, took the race going away with a time of 3:35.5, the best by Southwestern this year.

Arkansas State was paced by Cissel, who won the 100 and 220 and Taylor, who won the high jump and 440.

## Millsaps Victim Of Baseballers

Southwestern's Lynx Baseballers picked up another victory Friday as they stomped Millsaps to the tune of 10-5. Southwestern also found added pitching talent in the form of first baseman Joe Weeks. Weeks pitched the complete game, striking out three and walking three, while showing good form and exceptional coolness. His record stands at 1-0.

Hood started for Millsaps and lasted 7 innings. Pete Samples relieved him in the eighth with no outs and the bases jammed and calmly used his side-arm delivery to strike out the next three Lynx stickmen.

At the plate the Lynx picked up 11 hits with C. D. Kilpatrick, Crawford Street, and Andy Gandy getting two apiece. John Dunlap hit the first Lynx home run of the year as he reached out and plastered a high outside pitch deep over the right field bank with one mate aboard. Whaley and Kirkland each had four baggers for the Majors.

This was the only meeting scheduled for the two clubs this season. The Lynx record now stands at 5-9 for the season.

## Lynx Topple 7-1 To Mississippi Nine

Mississippi College flipped the Lynx 7-1 Saturday afternoon in a game that produced only six hits. Bobby Rose allowed only four hits but found himself the victim of two gopher balls as Fred Hilton pounded out a pair of home runs, one of them a grand slam. Rose struck out four and walked three.

Charlie Bryan picked up the win for the Chocs as he flung a two hitter. Bryan has now allowed only three runs in his last two games. He was slightly wild as he walked eight Lynx batsmen while fanning only one, but had little trouble as his tribe played errorless ball behind him.

Joe Boals had a double off the left-center field screen in the second inning, and Andy Gandy singled home Crawford Street who had walked and stolen second in the third inning. This short outburst accounted for all the offense the Cats were able to show.

Fred Hutton's grand slam in the fifth and his lead-off round tripper in the eighth plated five runs for the winners. The other two crossed on a sacrifice fly and on an over-throw at third base.

## Tri-Delts First Again in Softball

The Tri-Delts have won another first place in the girls' athletic tournament. Thursday, April 26, the Tri-Delt team, which won the volleyball and the basketball trophies, defeated the Kappa Deltas to earn their third softball win and third trophy for the year.

Thursday, May 3, Tri-Delt again scored a victory, defeating ZTA by a score of 21-4. Though Tri-Delt had already won the tournament, the game was necessary to determine the outcome of the race for second place. Tuesday KD and Chi O will play for second and AOPI will contend with ZTA for third.

The scores of all the softball games thus far are:

- KD 15—Chi O 11
- AOPI 12—ZTA 17
- DDD 18—Chi O
- DDD 8—AOPI 4
- DDD 13—KD 12
- ChiO 21—AOPI 19
- AOPI 12—KD 11
- KD 15—ZTA 10
- ZTA 23—Chi O 244

## Three SEC Foes On New Schedule For Lynx Cagers

The 1956-57 basketball schedule has been completed and released by the athletic department. It includes such powers as Louisiana State, Tulane, and Mississippi State among its 22 games. These three games will be played early in December with the LSU and Miss. State games in Mallory Gym. The Tulane tilt is set for Ellis Auditorium.

- The complete schedule:
- Dec. 1—Millsaps—here
  - Dec. 8—Union—there
  - Dec. 10—Mississippi State—here
  - Dec. 13—LSU—here
  - Dec. 15—Drury—there
  - Dec. 18—Mercer—here
  - Dec. 20—Tulane—here
  - Dec. 28-29—Magnolia Tournament—Jackson, Miss.
  - Jan. 4—Howard—there
  - Jan. 5—Birmingham-Southern—there
  - Jan. 9—Arkansas State—there
  - Jan. 12—Sewanee at Auditorium—here
  - Jan. 14—Millsaps—there
  - Jan. 19—Union—here
  - Jan. 23—Delta State—here
  - Jan. 26—Birmingham-Southern
  - Feb. 5—Ark. State—here
  - Feb. 18—Wabash—there
  - Feb. 16—DePauw—there
  - Feb. 22—Howard—here
  - Feb. 25—Sewanee—there
  - March 1—Austin—here

## Jackson Smashes Tie To Edge Howard Squad

One heave of the javelin by Lynx co-captain Bob Jackson broke a 61-61 tie and enabled the Southwestern track team to edge the stubborn Howard Bulldogs 67 to 64 on Saturday, April 28. The win was Southwestern's second in three dual meets and assured the Lynx of the best track season in eight years.

As usual, Bob Jackson was as hot as the 90 degree weather. He scored 23 of the 33 points racked up by the field men. First places in the broad jump, javelin, discus, and shotput, and a second place in the high jump accounted for the 23 points, and raised his season's total points to 80½. Mike Cody was second in the scoring column with first places in the mile and half-mile, and a second in the two mile for 13 points, and Bill Carrell was next winning the high and low hurdles for 10 points. Eleven men accounted for the other 21 points, every one of which was very important in this close meet.

The event which ranked next to the javelin for excitement was the half-mile run in which Mike "Mugger" Cody tried to better the Southwestern record of 2 minutes flat held by Evin Pardue since 1947. Mike, however, was hampered by strong winds and was forced to settle with 2:02 time which broke the Howard College record. Bob Jackson also broke a Howard College record with a broad jump of 20 feet 6½ inches.

Coaches Freeman Marr and Bill Brazelton are fairly satisfied with this year's showing, but won't be happy until the track team wins every meet. They are, however, happy with the support given the team by the student body, and hope they can build track up at Southwestern.

## Summer Study Opportunities

his sister, the late Jane A. Hickman. Each individual grant is valued at approximately one thousand dollars. They are awarded on the basis of scholastic achievement, initiative, interest in foreign countries, knowledge of a foreign language, and human relations. The purposes of the grants are to promote international friendship and understanding and to acquaint students with conditions in other countries.

MIKE CODY, ace thinclad distance man, turned in another sparkling performance Wednesday as the Lynx tracksters whipped Arkansas State. Cody placed first in the mile and two mile and ran anchor on the winning relay team. He has been a consistent point maker for the successful track team all season.

## Ellet Trust Fund
