Each exam is worth 25% of the final grade. If you miss an exam due to a college regulated excused absence, notify me soon as possible and provide documentation. No other reasons for missing an exam will be accepted unless you notify me at least a class before the exam date. An unexcused absence from an exam will result in an exam grade of zero.

Attendance Policy: While I do not require attendance, I do expect you to come to class on time and forbid you from leaving early without notifying me in advance.

Academic Dishonesty: Any evidence of academic dishonesty may result in your failure of this course. Academic dishonesty includes using exams from previous semesters, working together or copying (or allowing someone else to copy) any work that is turned in for a grade.
