

## Ralph McCaskill New Head of Boosters' Club

Ralph McCaskill was elected president of the Boosters' Club of Southwestern College at the annual election of officers held yesterday morning. This is the greatest honor that can be conferred upon a student at the college. The membership of the Boosters' Club is composed of every pupil in the college, and the president is in reality the leader of the student body.

McCaskill was a student at Centenary College last year, and has become one of the most popular pupils at Southwestern during his short stay. He is a member of the A. T. O. fraternity, and was cheer leader during the past football and basket ball season. He defeated Sid Davis, member of the Pi Kappa Alpha fraternity and captain of the football team of last season, and Edward Dirmeyer, non-fraternity member. McCaskill received 152 votes, Davis 118 and Dirmeyer 36.

The election was a contest between the fraternity and non-fraternity men of the school, and is looked upon as the greatest event of the scholastic year.
