# Cole Porter

Born in Peru, Indiana in 1891, Cole Porter wrote his first song at the age of ten, "The Bobolink Waltz." After graduating from Yale, where he wrote "Bingo Eli Yale," a song still dear to the hearts of Yalies, he made a half-hearted attempt at Harvard Law School, but soon resigned to devote himself to songwriting. From 1918 to 1928 he lived in Europe, mostly in Paris and Venice, and contributed songs to various revues in New York, Paris and London.

With the success of his first book musical, *Paris*, he returned to America and for the next three decades delighted Broadway with a succession of sophisticated scores: *Fifty Million Frenchmen*; *Anything Goes*; *Red, Hot and Blue*; *Gay Divorcée*; *Jubilee*; *Panama Hattie*; *Kiss Me Kate*; *Can-Can*; *Silk Stockings*. In Hollywood he created scores for *Rosalie*, *Born to Dance*, *The Pirate* and *Les Girls*.

He died in 1964, leaving us a graceful legacy of beautiful melodies and witty, elegant lyrics.

## Who's Who

**Kemper Durand** was the percussionist for our production of *Cowardly Custer*, five previous Benefit Concerts, and he has shared his talent with audiences in just about every theatre in Memphis. This is made more significant by the fact that great demands are made on his time and energy by his profession. But if you ever need a lawyer with a great sense of rhythm, Kemper is your man.

**Kent Fleshman** is making his McCoy debut. Recently he appeared as John Wilkes Booth in *Assassins* at Circuit Playhouse and Georg Nowack in the Theatre Memphis production of *She Loves Me*. An air traffic controller, originally from Oklahoma, Kent wishes to thank Bennett Wood for the opportunity to once again work under his direction. Kent also thanks his family (Kristia, Kendall and Karrah) for their patience and understanding.

After the complete satisfaction of directing Stephen Sondheim's *Assassins* at Circuit Playhouse, **Barry Fuller** is delighted to be back on the boards at the McCoy, where he has appeared in several of the Benefits and has also directed *Candide* (twice), *Sweeney Todd*, *Nicholas Nickleby*, *The Gondoliers*, *Little Mary Sunshine*, *The Robber Bridegroom*, and *Merrily We Roll Along*. He appeared as The Narrator-Mysterious Man in last season's *Into the Woods* at Theatre Memphis, and will continue his Sondheim streak here next season by directing *Company*. Watch for it!

**Tony Lee Garner** is indispensable at the McCoy. He is our Artistic Director, Chairman of the Department of Theatre, and conductor of the Rhodes College Singers. Tony's activities at the McCoy have ranged from performer in *Little Mary Sunshine*, *Sweeney Todd*, *Nicholas Nickleby*, *The School for Scandal* and all Benefit Concerts to musical director for *Carnival*, *Cowardly Custard*, *Beyond Therapy*, *On the Razzle*, *Anyone Can Whistle* and most recently, *Cabaret*. Tony began his involvement with Theatre Memphis as a performer and Musical Director over twenty years ago.

**Frankie Grace** (bass) has played "in the pit" of a host of musicals in the city. She has played in all six of the previous Benefit Concerts at the McCoy and most recently in our production of *Cabaret*. Her livelihood is orchestral playing, but her love is theatre. We are most grateful that Frankie has such close ties with the McCoy.

**Jude Knight** has been a favorite leading lady in Theatre Memphis musicals - performing in *Kismet*, *My Fair Lady*, *Oh Coward*, *Camelot*, *A Little Night Music*, *The Sound of Music*, *Brigadoon* and *She Loves Me*. At the McCoy, she has appeared in five previous Benefit Concerts and *The Mound Builders*. Jude is communications officer for Boatmen's Bank and thanks her ever patient husband, Fred. We miss you, Scotty!

**Jason Potter** executes his final task in grand fashion with his debut as a stage manager. A well rounded, future alum of this department, Jason has been seen in *God's Country* and *Cabaret* while also designing the lighting for *Spring Awakening* and *White Noise*. Jason sends a special thanks to Tony, Frank, Cookie, and Henry. So long, farewell, and amen.

The McCoy Benefit has become an annual delight for **Ann Sharp**. To work with such talented, committed individuals and to count them as friends is to be twice blessed. Her productions at the McCoy have been *Sweeney Todd*, *Gondoliers*, *Anyone Can Whistle*, *On the Razzle* and *Candide* II. Ann's family, Edward, a realtor with McWaters and Associates and Charles, an 8th grader at Mt. Pisgah are generous in covering household responsibilities when the McCoy beckons.

**Diana Stein** is a pianist and teacher in the Memphis area. Paulette's Restaurant is where she entertains most often; also at the Peabody Hotel and Dixon Art Gallery on occasion. Her work with musical theatre has been varied, including *Man of La Mancha*, *Side by Side*, *Company*, some Gershwin and Fats Waller shows and most recently, *Cabaret* at the McCoy Theatre.

**Bennett Wood** is known to Memphis theatre audiences as both actor and director. At the McCoy he has directed *The Tempest*, *The Mound Builders*, and six Benefit Concerts. On our stage he has appeared in *The Gondoliers*, *Nicholas Nickleby*, *The Robber Bridegroom*, and *The School for Scandal*. Bennett is generous with his talents and knowledge, and whether he is performing, directing or helping to put together a season of plays, his love of theatre is reflected in what can be simply labeled...quality.

*The McCoy Theatre is deeply grateful to the artists who have contributed so generously of their time and talents to this concert to benefit the McCoy Endowment Fund.*
