### Let's Talk

We don't require personal interviews, but we do recommend them, especially for high school seniors hoping for one of our competitive fellowships or scholarships. Every interview is different, just as every student is different. Come prepared to talk about your goals and interests, your questions and concerns.

*NOTE: We limit information sessions and interviews to Mondays, Fridays and Saturdays during the last two weeks of January and the entire month of February when the admissions staff is busy reviewing applications.*
