Serving Our Students

▶ The transition from high school to college is a big change and change can be scary. You don't have to do it alone!

The Rhodes Serving Our Students Peer Mentoring Program connects first-year students of color with an upper-class mentor to help with academic and social transitions to college life, and organizes monthly cultural, social and academic events off and on campus.

We're beginning with a retreat, August 16th - 18th near campus. We invite you to join us, but space is limited, so sign up now at rhodes.edu/sos.

We'll see you there!
