

# "THE INTERRUPTERS"

## DOCUMENTARY SCREENING

Produced by *Hoop Dreams* director Steve James and *There Are No Children Here* author Alex Kotlowitz, this award-winning documentary made its world premiere at the 2011 Sundance Film Festival. *The Interrupters* examines a year in which Chicago drew national headlines for the violence and murder that plagued the city, and reveals the work and personal journeys of three individuals or "Violence Interrupters" who aimed to rid their communities from the violence they were once a part of.
