Let Career Services Work for You

CareerLynX

CareerLynX allows you to post your job and internship opportunities online for our students and alumni, free of charge. Posting your openings is easy:

- Visit our website: rhodes.edu/careerservices and click on **CareerLynX**
- Click on **Employers Log in Here**
- Create an Account *or* Log in

Career Seminars

Career Services provides your organization the opportunity to speak to our students on a variety of career related topics. Career Panel Discussions allow students to gain insight on various career fields, while Career Seminars inform and educate students about critical career development topics, such as social networking, resume development, interview skills and professionalism. If you are interested in serving on a Career Panel or conducting a Career Seminar, please contact us for more information.

Meet & Greet in "the Rat"

Reserving a table in the Rat (the campus dining hall) puts your organization in front of students during their lunch break. Tables allow you to showcase organization materials and provide you with the opportunity to establish a presence on campus. To learn more about this recruiting tool and to reserve a table, contact Amy Ware at 901-843-3800 or email warea@rhodes.edu.

On-Campus Recruiting

Career Services will organize on-campus interviews for your organization. We will work with you to arrange your schedule and provide you with a private room in which to interview candidates. Just decide between a pre-select or open interview process and we'll

take care of the rest. Your positions will be announced through our email distribution lists. To arrange an on-campus interview, please contact Amy Ware at 901-843-3800 or email warea@rhodes.edu.

Academic Internships

An academic internship allows your organization to host a Rhodes intern for 10 hours per week (unpaid) for one semester (approximately 140 total hours). Students earn credit that can be applied toward graduation. The internship must be related to one (or more) of the academic departments of Rhodes College, and strict guidelines have been established to ensure that the program will be of academic as well as experiential value to the student. To learn more about this program, contact Sandi George Tracy at tracy@rhodes.edu or visit our website.

Career & Internship Expo

Gain maximum exposure for your organization while identifying potential candidates for full-time, part-time, summer and internship positions. The **Career & Internship Expo** is open to all students. To learn more about this event and to reserve a table, contact Amy Ware at 901-843-3800 or email warea@rhodes.edu.

Information Sessions

Hosting an information session can be a highly effective component in your overall presencebuilding strategy. Information Sessions are open to all students, and Career Services advises students to attend these sessions for both career exploration and job and internship seeking. Information Sessions raise student awareness of your organization and allows you to build relationships with students. Contact our office to schedule an Information Session.
