If—

If you can keep your head when all  
about you

Are losing theirs and blaming it on you;

If you can trust yourself when all men  
doubt you,

But make allowance for their doubting  
you:

If you can wait and not be tired by  
waiting,

Or being lied about, don't deal in lies,

Or being hated, don't give way to hating,

And yet don't look too good, nor talk  
too wise;

If you can dream — and not make  
dreams your master;

If you can think—and not make  
thoughts your aim,

If you can meet with Triumph and Dis-  
aster

And treat those two imposters just  
the same:

If you can bear to hear the truth  
you've spoken

Twisted by knaves to make a trap for  
fools,

Or watch the things you gave your  
life to, broken,

And stoop and build 'em up with worn-  
out tools.

If you can make one heap of all your  
winnings  
And risk it on one turn of pitch-and-  
toss,  
And lose, and start again at your be-  
ginnings  
And never breathe a word about your  
loss:  
If you can force your heart and nerve  
and sinew  
To serve your turn long after they are  
gone,  
And so hold on when there is nothing  
in you  
Except the Will which says to them:  
"Hold on!"

If you can talk with crowds and keep  
your virtue,  
Or walk with Kings—nor lose the com-  
mon touch,  
If neither foes nor loving friends can  
hurt you,  
If all men count with you, but none  
too much:  
If you can fill the unforgiving minute  
With sixty seconds<sup>2</sup> worth of distance  
run,  
Yours is the Earth and everything  
that's in it,  
And—which is more—you'll be a Man,  
my son!

—Rudyard Kipling.

## Greetings

The Y. M. C. A. at SOUTHWESTERN extends to the new student a most cordial greeting. We welcome you to the pleasures, privileges, work and opportunity for self-improvement found here, and we sincerely hope you will use your time and energy for the good of yourself and those with whom you will associate. Men, start right. Be careful in making friends at first. Everybody here is your friend, but your most intimate friends must be chosen by you, yourself. Get the habit of regular study and regular attendance at classes. In everything you undertake, bear yourself as befits a man, a gentleman, a typical SOUTHWESTERN student.

This Handbook is presented to you by the College through the Y. M. C. A. In it you will find much to help and interest you. If it helps you fit yourself to your new surroundings and makes you feel at home, it will have amply fulfilled its mission.

THE EDITOR.

## Suggestions To Freshmen

Be friendly, speak to everybody, whether you know them or not.

Try to learn every student's name.

Learn the college yells and songs.

Systematize your daily program.

Pay your debts promptly.

Lend little money and borrow less.

Be a booster, not a kicker.

Don't spend too much time uptown.

Dress neatly at all times.

Identify yourself at once with the religious life of the college.

Scrupulously set apart Sunday as a day of rest and worship.

Write home often.

*Remember you have a mother who cares.*

All students here are expected to enter into the campus activities wholeheartedly, and to co-operate with the student body and Faculty in the effort to make our college hold its place as the best in the South.

## *Southwestern Traditions*

SOUTHWESTERN is an institution of the few but of the select. In consequence of its desire to select students of the very highest moral and intellectual type, it has developed to an unusual degree the idea of freedom and self dependence. Each student is a gentleman, he is always courteous and polite and is expected to conduct himself properly on all occasions in a manner that will be a credit to his college and to himself.

SOUTHWESTERN is preeminently an institution of Christian ideals and the spirit of honesty, integrity, and friendliness is ever present in the classroom, on the athletic field and in all branches of college activities. Moreover there is an unusually warm understanding between the students and the professors. The classes are small, and individual attention to the students is thereby made possible. The members of the faculty are looked upon as friends and advisers of the intimate type, and the benefits thereby reaped are out of all proportion to anything attained in larger institutions.

All students are looked upon and treated as gentlemen until they prove themselves otherwise.

Not only does SOUTHWESTERN require that the students uphold the Christian

ideals, but that they put themselves heartily into their work. This is all that it exacts but these two requirements must be met by all students.

The spirit of honesty has always pervaded SOUTHWESTERN in all its activities, and so general has been this attitude among the students that the Honor System has come to be an essential aspect of the institution's activities.

The spirit of democracy is deeply ingrained in the fabric of the institution. Snobbishness of any form is out of place. Students feel themselves equals in that they realize that they all are working to uphold the same ideals, to attain self perfection and realization, and to become men and women, and gentlemen and ladies in every sense of the word.

Freshmen are expected to identify themselves with all activities of the college and to enter into the spirit of the thing whole heartedly. They are willing to be advised by the older students and the faculty, and upon no occasion resent timely criticism and advice. Hazing has been exiled, while on the other hand freshmen are treated as men who wish to enter into the spirit of SOUTHWESTERN through and through. Yet there is always a feeling of respect and confidence shown by the students to the upperclassmen.

Students are proud of the new buildings which are unsurpassed by any, and show their pride by endeavoring at all times to preserve and protect the college property.

In keeping with the general idea of producing men of the highest and most gentlemanly type, it is understood that students appear at their meals in the proper apparel and that they not smoke in the college buildings, the dormitories excepted. Squandering of time is strongly discountenanced and all students are requested and advised to use their time in the manner which will be the most helpful for intellectual, athletic, social and moral development.

It is the desire of the institution to furnish the means by which the students may develop themselves, socially, intellectually and morally, and students who work conscientiously with this aim in view will be awarded by various positions and trusts and honor.

So enter into the spirit of the old SOUTHWESTERN and the NEW SOUTHWESTERN that you come to feel yourself a part of the old school, that you belong to it, and that it belongs to you, that its ideals are yours and that your purpose, aims, and desires in life are in harmony with the noble, and inspired purposes of developing men and women of which any institution would be proud.

Since no additional charge is made for extra passengers, as many as five students may ride out together for this one fare.

### TRANSFER SERVICE

All of the above named taxicab companies, as well as Patterson Transfer Company, are equipped for delivering trunks to the college, and trunk checks entrusted to them will receive prompt and careful attention.

### LOCATION

The campus of SOUTHWESTERN is a beautiful tract of one hundred and

twenty-five acres, fronting for half a mile along North Parkway, just opposite Overton Park and Zoo. It is located in northeast Memphis, just inside the city limits.

#### MAIL

All mail should be addressed to Memphis, Tenn., in care of SOUTHWESTERN. Deliveries are made regularly twice a day to the college postoffice, the letters then being posted in the various boxes of the different students. Each student is expected to rent a box.

#### STORE AND POSTOFFICE

The combined store and postoffice is located in the basement of the Commons, being under the management of individuals appointed by the authorities.

#### DORMITORIES

There are two dormitories at present, Robb and Calvin Halls, located on the campus. Stewart and Waddel Halls are just off the school property, facing on North Parkway. It is expected, however, that the use of these two buildings will be discontinued with the opening of the fall session as a large and modern dormitory is now being rushed to completion just west of the campus. With the addition of this building the maximum of comfort will be given to those taking advantage of the dormitories.

## BUILDINGS

Palmer Hall is the administration building, in which the college offices are located. It contains also eighteen classrooms and Hardie Auditorium, the college chapel, which is located on the second floor. Student publications office and library occupy the third floor. The science building contains the most modern and complete equipment to be found anywhere in the South.

The dining hall, known as the College Home, is under the charge of Mr. Woods Harrison.

## GYMNASIUM

There is a temporary Field House which adequately provides for all present needs.

## BULLETIN BOARD

Notices of all student activities will be found posted on the bulletin board just outside the Palmer building.

## LAUNDRY AND PRESSING

Students representing various laundries and pressing clubs take care of all needs along this line. Suits can be pressed for twenty-five cents, and liberal rates can be secured on the laundry.

## LIBRARY AND BOOKSTORE

The college library is on the third floor of Palmer Hall. In it are nearly twenty-five thousand volumes and num-

bers of pamphlets and unbound magazines. It is kept open every week day for the use of all the students. All textbooks and materials for classroom use are bought at the bookstore.

#### FRESHMAN RECEPTION

On the first Friday night after college opens, the Y. M. C. A. is accustomed to give a reception to the Freshmen. The whole student body is invited to this activity, the Freshmen are especially urged to be present and become acquainted.

#### HOW TO MATRICULATE

All new students should at once go to the college offices on the first floor of Palmer building where they will be given directions for matriculation.

“There is destiny that makes us brothers;

None goes his way alone:

All that we send into the life of others  
Comes back into our own.”

—Edwin Markham.

I am a part of that I have met;

Yet all experiences an arch where  
through

Gleams that untraveled world whose  
margin fades

Forever and forever.

—Tennyson.

## *Publications*

Students interested in publication work have an unusual opportunity to exercise their ability on the four SOUTHWESTERN publications. The staffs of these publications are chosen by a committee composed of members of the faculty, who choose the men who have proven themselves both interested and capable. All freshmen, as well as all the other members of the student body who have had any experience along this line, are urged to connect themselves in any capacity with these publications.

### THE SOU'WESTER

The members of the student body unite in publishing a weekly paper, the Sou'wester, which ranks well among collegiate publications and which reflects credit on those who are charged with its management.

### THE LYNX

The Lynx is the college annual, which is published each year by representatives of the student body. This is the big publication on the campus and to be appointed to guide it through a successful year is one of the biggest honors that SOUTHWESTERN can offer a student.

## THE STUDENTS HANDBOOK

The object of this book is to extend to all students a warm welcome to the college, to introduce the first year men to some of our customs and activities, and to invite all to share in the privilege of promoting the best interest of SOUTHWESTERN.

## THE JOURNAL

The Journal is SOUTHWESTERN'S literary magazine. All those who have acquired or are desirous of acquiring the ability to write are asked to contribute. This is a new publication, but it is only a question of time before it will be accorded to be one of the best publications of the college.

## The Sanhedrin Council

1. The Sanhedrin Council is a disciplinary body, organized to direct the activities of the Freshmen. Freshmen are subject to the call of the Sanhedrin at all times.

2. Freshmen must speak to all members of the student body and tip their hats to the professors as the other students do.

3. After *the first Saturday of school*, all Freshmen must have in their possession a farmer type straw hat with brim not less than 4 inches in width and the crown shall have a height of 5 inches or more. These hats are to be worn at all times until the second victory of the football team, at which time they will be burned in a bonfire. Mutilation of these hats will not be tolerated. The Freshmen will be required to obtain immediately a certain type cap and tie to match to be worn for the remainder of the college year. A Freshman must never be seen bareheaded except in the buildings.

4. All freshmen must be in their rooms by 10 P. M., except on especially desig-

nated occasions and on Saturday and Sunday nights.

5. Freshmen must allow upperclassmen to enter dining hall first. Four or five Freshmen shall sit at each table, moving about from time to time; and they shall occupy the seats next to the wall. Freshmen shall be careful of their manners and see that the upperclassmen are well served.

6. Freshmen must enter Palmer Hall by the front entrance only.

7. Freshmen must attend all athletic contests and sit together in certain sections. They shall exhibit much enthusiasm and pep at all times.

8. Freshmen will not be allowed to wear a moustache.

9. Complaints must be made to the Sanhedrin in writing and either signed or presented in person.

10. Anyone failing to comply with the orders of the Sanhedrin will receive due punishment.

## *The Honor System At Southwestern*

ADOPTED AND PRESCRIBED BY THE  
STUDENT BODY

In order that in every sphere of academic work in college life, good order and conduct becoming a gentleman may be secured, the students voluntarily accept and maintain an Honor System, and its standards are enforced by tradition and public opinion among the students. At the beginning of each school year the student body meets in solemn conclave, at which time the obligations of the Honor System, especially in the matter of reporting irregularities are made perfectly clear and obligatory. Cards pledging their whole-hearted support of the Honor System are presented and signed voluntarily by those students who pledge themselves to support the System. Those students not signing these cards are to have no part in the election of representatives to the Honor Council and they cannot participate in the privileges of the Honor System.

The Honor System at SOUTHWESTERN applies to honesty in examinations, tests

and all classroom work. It applies to dishonesty in any form, and any student who commits an unworthy act in academic work is guilty of a breach of the Honor System, and thereby subjects himself to the discipline of the Honor Council.

In the past years of SOUTHWESTERN in Clarksville, the Honor System had control of all ungentlemanly acts of the students, both in classroom and in other phases of college life, but a new system was enacted in Memphis, in which the Honor System has absolute control over classroom work, and other committees or groups elected by the Boosters' Club have supervision of other activities in college life.

The co-operation of every student of the college is essential for the successful operation of the Honor System. It becomes, therefore, the duty of each student who enters SOUTHWESTERN not only to keep inviolate the trust reposed in him by the college, by avoiding all unworthy and ungentlemanly conduct himself, but also to be ready and willing to report immediately to the Honor Council for action any one who may be guilty of any breach of the Honor System.

For the purpose of aiding in carrying out the Honor System, an Honor Council was established by the student body some years ago. In order, however, to

clarify and perfect the system of student government at SOUTHWESTERN the following amendments to the constitution were adopted by the student body in December, 1925:

#### REPRESENTATION:

The Honor Council shall be composed of thirteen members, as follows:

From the Senior Class, three men and one woman.

From the Junior Class, three men and one woman.

From the Sophomore Class, two men and one woman.

From the Freshman Class, one man and one woman.

#### ELECTION:

The Junior, Sophomore, and Freshman classes shall elect their representatives for the following year in the first week of May. Nominations to be made by the retiring Honor Council. Two candidates to be named for each office to be filled. It is highly desirable that some members of the old Honor Council be elected on the Honor Council for the succeeding year. New Freshmen shall elect their representatives on the third Monday in October. In every case the women shall elect the women representatives, and the men shall elect the men representatives.

## SCOPE OF FUNCTIONS OF THE HONOR COUNCIL:

The Honor Council shall confine its attention solely to the matter of honesty in academic work, and other student organizations shall be organized and charged with the responsibility of other duties that formerly belonged to the old Honor Council.

The Faculty agrees to vest full authority in the Honor Council and to be merely a court of appeal (the accuser, the accused, and the minority of the Honor Council shall have the right of appeal). The Student body of SOUTHWESTERN shall appear before the Honor Council in a solemn conclave at which time the obligations of the Honor System, especially in the matter of reporting irregularities, shall be made perfectly clear, and the Honor System shall be presented and signed voluntarily by those students who pledge themselves to support the System. Those students not thus signing these cards shall have no part in electing representatives to the Honor Council and they shall not participate in the privileges of the Honor System.

Membership in the Honor Council shall be considered one of the highest honors in the power of the student body to bestow upon the individual members of the different classes.

The following have been chosen as members of the Honor Council for 1927-28 (the freshmen representatives to be chosen at the first of the school year).

## *The Pan-Hellenic Council*

The Pan-Hellenic Council as an institution is not new at SOUTHWESTERN, but it was only in the fall of 1922 that it was reorganized and really began to function in its proper executive capacity.

At this time it was thought to be for the best interests of the various organizations to reorganize the Council, to rewrite its Constitution, and to invest in it the power to command the respect which it deserves, in order that existing and future problems of inter-fraternity significance might be solved with greater ease and dispatch.

Using the old Pan-Hellenic agreement as a basis, a Constitution and By-Laws were drawn up and adopted. The work of the Pan-Hellenic Council this year has been in the main that of remedying the most serious defects of the "Pledging policy" as practiced in the past.

*The special attention of the new student is called to the rules that have to do with this, since a clear understanding of, and a careful adherence to these rules will probably save embarrassment for both the student and the Fraternity.*

The Pan-Hellenic Council has the hearty support of the College authorities, and the pledged co-operation and support of each of the Fraternities on the campus. As stated in the Constitution, the Council is to handle all matters concerning the several Fraternities in their relations with the student body. The decision of the Council is to be final.

### PAN-HELLENIC COUNCIL AGREEMENT

The six chapters of Greek Letter Fraternities represented at SOUTHWESTERN, by name Pi Kappa Alpha, Kappa Sigma, Alpha Tau Omega, Sigma Alpha Epsilon, Kappa Alpha, and Beta Sigma, do hereby compact and agree as follows:

That a period of time at the beginning of each college session shall be set aside and defined within which time there shall be no rushing by members of the chapters, herein agreeing; and that a specific scholarship standing shall be required of each man initiated or received into membership after such period of time shall have elapsed, which time and scholarship requirements are herein set forth, to wit:

From the official opening of the college in September of each year until the first Monday following, the day on which the Faculty of the College shall have made public the first semester grades,

the chapters above named shall refrain from initiation. On and after such date, the first Monday before named, the said chapters shall have the privilege of initiating any non-fraternity man who shall have received an average grade of C, the said average including the grades rendered in all classes or subjects in which the student is classified.

It is further agreed that if a student shall have failed to attain the said average of C, based on the first semester grades made public by the Faculty he shall not be considered eligible for initiation into any one of said chapters herein agreeing, until the first Monday following the date of the publication of grades by the Faculty of the College for the first report period of the second semester, at which time, if he shall have attained the required average, he may be received into membership by one of the said chapters. Such a probation shall be continued throughout the session until the required average shall have been attained.

It is agreed further that this time limitation above specified shall not apply in the same manner to regulate the eligibility of a former student of the College, that is, who is not a Freshman, provided that the College records show that the said former student has attained the required average at the last preceding oc-

casation of his having received grades from the College authorities.

It is further agreed that, for the proper execution of these regulations, a council composed of 12 members, each member being a duly constituted official of his chapter, shall meet and organize at the beginning of each college session, such organization consisting in the election of a president whose duty it shall be to call a meeting of said council, at any time on the request of any member of the council and prior to any initiation of new men. This council, having data from the college records, shall designate the names of such Freshmen as have been rendered eligible to the privilege of initiation. The duties of the Pan-Hellenic Council shall be to deal with all inter-fraternity affairs.

To advance and facilitate the perfect execution of this plan, the chapters entering into this compact do promise that the honest and careful efforts of the chapters and individuals shall be directed to its support.

As an evidence of good faith, this agreement is signed by the Pan-Hellenic representatives of each chapter who, by the act of signing, testifies that the above articles, severally and in toto, have been communicated to the chapter which he represents and have been ac-

cepted, validated, and approved by his said chapter.

It is agreed, finally, that this compact shall be signed in sextuplicate, and that a copy of same shall be put in the keeping of each of chapters of fraternities agreeing, by name Pi Kappa Alpha, Kappa Sigma, Alpha Tau Omega, Sigma Alpha Epsilon, Kappa Alpha and Beta Sigma.

#### RULES OF THE PAN-HELLENIC COUNCIL

1. At the beginning of the college session, there shall be a period of six weeks in which there shall be no rushing; (as defined in Rule 2) followed by a rushing season of one week. Following the latter there shall be a twenty-four hour quiet season, beginning at 8:00 o'clock on the evening before the bids are given out, during which time no fraternity man shall be in company with non-fraternity men. At the end of this time, bids shall be given out by the Pan-Hellenic Council.

2. The following shall be forbidden during the first six weeks of school:

(a) Talking to a non-fraternity man in regard to fraternity matters.

(b) Spending money on a non-fraternity man during the first six weeks of school: that is, shows, drinks, etc.

(c) Making dates for the rushing season until such a time as prescribed by the Pan-Hellenic Council.

3. During the one week rushing period there shall be no monopolizing of new men by any fraternity man, chapter or group of fraternity men. Dates on two consecutive occasions will be considered as monopolizing. Only afternoon and night engagements will be considered as dates.

4. Freshmen shall be given complete information of the above rules of the Pan-Hellenic Council the opening day of school.

5. There shall be no breaking of pledges and acceptance of other buttons. Any person violating this rule shall be ineligible for pledging or membership in any other fraternity until the following semester.

6. No new man shall be questioned directly as to his choice of fraternities.

7. The chapter head of each fraternity shall be given a seat with the council. Each fraternity shall be entitled to two votes whether one or both of the representatives be present.

8. A committee composed of the President of the College, the Dean and the Faculty representative shall act as judge when any fraternity is being tried for

violating the rules of the Pan-Hellenic Council.

9. All interfraternity entertainments shall be given under the rules of the Pan-Hellenic Council.

10. Complaints for any violations of any of the Pan-Hellenic Rules shall be made to the president of the Pan-Hellenic Council in writing and shall be brought up by him at the next meeting of the Council.

11. (a) Any chapters violating Rules No. 1 and No. 2 shall be tried before the Pan-Hellenic Council and if found guilty be suspended from any and all fraternity activities for a period of three months.

(b) Violation of all other rules shall be punished by suspension from any and all fraternity activities for a period of two months.

# Organizations

## STUDENT BODY

The student body is organized in order that each individual might have a voice in the improvement of his or her welfare.

1. The organization of the student body is composed of every matriculate in any current year and shall have supreme authority in all matters pertaining to student affairs at the institution.

2. The office of president shall be considered one of the highest honors in the power of the student body to bestow.

3. Nominations for Student Body President shall be heard the last Monday in April and the election shall be held the first Monday in May. Other officers of the student body shall be elected during the first week in May.

4. The Honor Council and all other student organizations, especially those pertaining to athletics, shall come under the direct control of the Student Body.

5. All relations between the faculty and the Student Body shall be handled through the Student Council.

6. The Student Council shall be composed of the following officers: President Student Body, President of each class, President of the Y. M. C. A., President of Honor Council, editors and business managers of the Sou'wester and the Lynx, President of Pan-Hellenic Council, Vice-President Student Body, Secretary of Student Body, President of the Girls' Pan-Hellenic Council, and one student appointed by the President of the Student Body from the non-fraternity group.

#### THE Y. M. C. A.

This organization is composed potentially of all the young men who are members of the student body during that year. Rich traditions have through the years grown up around this organization, and it plays an important part in stimulating the religious life of the students. Its regular meetings are held every Thursday night at 7:00, and each student is urged to attend these meetings with enthusiastic regularity. The Y. M. C. A., with which the members of the faculty heartily co-operate, seeks in every proper way to foster and develop those spiritual ideals and purposes and attainments which alone measure the real greatness of a man.

All freshmen are expected to attend the meetings of this organization. Negligence on their part in regard to this

will incur unspoken criticism from the entire student body.

### THE LYNX CLUB

The Lynx Club is an organization composed of two men from the non-fraternity students and two from each fraternity, the purpose of which is to take care of and to entertain all visiting athletic teams during their stay on the campus. This organization, though young, promises to be of material assistance to the athletic association during the coming seasons.

### THE SANHEDRIN

The Sanhedrin is an organization hoary with tradition. It is composed of the august body of upperclassmen, and its chief functionary is called the "High Priest." The Sanhedrin meets upon call to counsel with the Freshmen and to direct their activities.

Honorary organizations:

### OMICRON DELTA KAPPA

The O. D. K. is a national honorary fraternity organized for the purpose of giving recognition to those all-round men of the Junior and Senior classes who stand pre-eminently for the upholding of the high standards of the college. Membership in the fraternity is limited to

three per cent of the student body to be chosen from the two uppermost classes in the college.

This fraternity was petitioned by and replaced the Order of the Torch, local fraternity with a similar purpose.

The O. D. K. is not merely a scholarship society, nor is it simply a literary or social organization, but, as will be seen from the qualities which are taken as a basis for selection for membership, its aim is to select the best all-round men in the college, and membership in this order is one of the highest honors to be won at SOUTHWESTERN.

The present members of the local chapter are: President Charles E. Diehl, Dean E. D. McDougall, Professor W. R. Cooper and Dr. Berwind Kaufman from the faculty, and Sid Davis, Ralph McCaskill, A. M. Hicks, Edward White, Wes Adams, James Pope, Louis Marks, James Gladney, Charles F. Stewart, Chester Frist, and William Orr from the student body.

#### SIGMA Upsilon

The Stylus Club is a chapter of the national honorary literary fraternity, Sigma Upsilon, and its purpose is to promote scholarship and literary thought at SOUTHWESTERN. Membership is limited to twelve men to be chosen from the

Faculty and those students who have completed at least three semesters in college with an average grade above 82.

#### CHI ALPHA PHI

Chi Alpha Phi is a literary honorary sorority composed of those women students who are outstanding in scholarship on the campus.

#### ALPHA PHI EPSILON

Alpha Phi Epsilon is a national forensic honorary fraternity composed of men and women students alike. The requirements are an outstanding scholastic record in college and an active membership in some recognized forensic organization.

#### THETA ALPHA PHI

Theta Alpha Phi is a well-known national amateur dramatic society, and the SOUTHWESTERN chapter presents a number of plays each year. The purpose is to foster wholesome dramatics, and to provide the means for uniting socially those students, alumni and instructors, who have histrionic talents.

#### ALPHA THETA PHI

Alpha Theta Phi is a purely scholastic fraternity of both men and women students, containing only those who have made the highest records in scholarship in the college. It is petitioning Phi Beta Kappa.

## Other Organizations:

### QUIBLER'S FORUM DEBATING CLUB

The Debating Club is composed of those actively interested in debating, and membership is open to those who are willing to take an active interest in public speaking. It handles all the inter-collegiate debates of the college.

### CHI DELTA LITERARY SOCIETY

The Chi Delta Literary Society is an organization of the co-eds for the purpose of promoting literary pursuits. An active interest has been taken in it the past two years, and it has accomplished much.

### SOCIOLOGY CLUB

As the name implies, the Sociology Club deals with the discussion and solution of the social problems which confront the American people today. Membership is open to any member of the student body, and the work of the club is closely correlated with the general courses in sociology.

### GALILEO CLUB

The Galileo Club is an organization composed of those students who have had 15 or more hours in science, and who are interested in the discussion of scientific problems. The members hope to secure a charter from a national scien-

tific fraternity some time in the near future.

#### SHAKESPEARE CLUB

The Shakespeare Club is composed of a group of students who meet once each fortnight at the home of Prof. Townsend for a discussion of topics of interest concerning the works of Shakespeare.

#### MODERN DRAMA CLUB

The Modern Drama Club is an organization similar to the Shakespeare Club, with the exception that the topics for discussion are concerned with the development of the modern drama.

#### SPANISH CLUB

The Spanish Club is an organization of those students taking Spanish, the purpose of which is to promote interest in the Spanish language.

#### KADIS CLUB

The Kadis Club is Southwestern's organization of law students. This is the liveliest, if not the most beneficial club in the school. All freshmen as well as upperclassmen who anticipate studying law are urged to become members of this society.

#### LAMBDA UPSILON

Lambda Upsilon is the medical fraternity at Southwestern. The purpose

of this fraternity is to promote interest among the students of medicine in their profession. This society carefully chooses its members and it is considered an honor to be invited to become a member of this organization.

#### NITIST CLUB

This is an organization of students and professors which has for its purpose the promotion of thought. It is considered a signal honor to be invited to become a member of this society although the organization is but a year old. Undoubtedly this will come to be the big organization of the campus.

#### TENNIS ASSOCIATION

Membership may be had in the tennis association for the sum of fifty cents per semester. The association takes care of the courts, seeing that they are properly lined at all times, and handles the arrangement for inter-collegiate games. Tournaments are also held each year. Membership in the Tennis association is essential in order to secure the use of the SOUTHWESTERN courts.

#### GOLF ASSOCIATION

The Golf Association is an organization of all those interested in golf. The splendid Overton Park course is available for use of members, and tournaments are held every year.

## *Flunking Out*

The grades at Southwestern are A, B, C, D, E and F. An explanation of the value of each of these letters on the report card is hardly necessary as they will be explained to you in due time. The difference between E and F and the terms "probation" and "flunking out" might be explained to the benefit of the new student. The grade E permits a re-examination. This grade usually represents incomplete but otherwise satisfactory work. F means failure and the subject must be taken over again in the classroom. "Probation" is the term used to describe the condition that a student finds himself in when he fails in more than half of his courses. "Flunked Out" is the term used to describe the position of the student who is asked to sever his connection with the school because he failed to bring up the required amount of work.

Further knowledge on these subjects will or will not be gained by experience.

"The Freshman who enters Southwestern is urged to study every once in a while if he feels like it." Jokes

aside though, you should make it a habit to study a certain amount each day. You should also learn to concentrate if you have not already done so. This little advice might seem foolish, and naturally would to a freshman, but we wish to urge you to take it. It might save embarrassment later.

Thus, let us impress upon you that you should study and study hard. Put your studies first. Remember what you were sent here for. Do the best you can and enjoy the privilege of being a student at Southwestern, otherwise this may not remain possible for you.

We don't mean to be pessimistic but we wish to give the Freshman a hint on how to start his college career. Southwestern is easy, every one frankly admits it; all that is required is that you bring up your work.

## *Fraternities and Sororities*

There are five well-established chapters of leading national fraternities on the campus. There is also a local fraternity which is petitioning a national. The five national fraternities are Kappa Alpha, Sigma Alpha Epsilon, Alpha Tau Omega, Kappa Sigma, and Pi Kappa Alpha. The local is Beta Sigma. Plans are under way for the construction of fraternity lodges on the campus.

There are four sororities on the campus, three of them being well-known national sororities and the other a local which is planning to become a member of a national. The three national sororities are Chi Omega, Kappa Delta and Alpha Omicron Pi. The local is Chi Alpha. The Chi Omega and Alpha Omicron Pi have lodges on the campus, and the Kappa Delta lodge is now under construction. Chi Alpha has a sorority room out in town.

Information concerning rushing and fraternity and sorority activities on the campus may be found in the section of this Handbook dealing with the Pan-Hellenic Council.

A report of the Church attendance of each student is taken up regularly once a month. In the matter of making this report students are placed entirely upon their honor.

## Prizes

A number of prizes and medals are awarded each year at commencement to those students who excel in different departments of instruction.

The Stylus Club has also presented a cup to be awarded to the fraternity excelling in scholarship for the year, this cup to become the permanent property of the fraternity which first wins it four years. In 1922-23, 1923-24, and in 1924-25 this cup was won by the Kappa Alpha Fraternity; in 1925-26 and 1926-27 it was won by the Kappa Sigma Fraternity.

The Kappa Alpha Fraternity has awarded a shield which is given each year to the sorority which excels in scholarship during that year.

*Southwestern's Athletic  
Code*

As an athlete I am determined—

1. To play the game to the limit of my capacities, giving each detail the greatest care and attention.
2. To strive to carry more than my own burden, to do a little more than my share, not seeking help from others.
3. To correct my faults, ever eager to learn and improve, never seeking to cover up or conceal mistakes made.
4. To carry the fight to the opponents with the spirit of the "Old Guard" that dies but never surrenders.

5. To be unselfish in endeavor, caring more for the satisfaction which comes from doing a thing well than for praise.

6. To glory in fighting against odds like the Lacedaemonians, who never asked of the enemy "how many are there?" but "where are they?"

7. To hate an alibi, knowing that the man who makes excuses admits his weakness and has a dwarfed soul.

8. To rise above obstacles, to fight harder when the game is going the other way than when winning.

9. To fight with an unconquerable spirit, realizing with every act that "the deed is the measure of the man."

10. To play according to the letter and the spirit of the rules, scorning an unfair advantage over an opponent.

11. To remember that the measure of achievement is not the victories won, but how I played the game.

12. To be undismayed by defeat, but with a will hardened by adversity seek to learn the cause of failure.

13. To be unspoiled by victories, realizing that brave men are softened by success rather than by defeat.

14. To give the best that is in me, to the end that I may be a better student, a better citizen, a better man.

# Athletics

## FOOTBALL

Southwestern at Memphis is witnessing a new era in athletics and the football squad is doing more than its part in this movement.

The 1926 football team represented in all probability the best team that SOUTHWESTERN ever put on the field. Playing against teams from schools out of SOUTHWESTERN'S class in regard to size, the team emerged with a string of victories which more than balanced the losses.

The following schools were played:

|              |         |                |       |    |

## BASKETBALL

Basketball is another popular sport at Southwestern. Handicapped by the

loss of the entire first squad with the exception of one or two during the season because of grades, the second team was forced to fill the remainder of the schedule. However, the students as a whole, did not lose interest, and backed the team throughout the remainder of the season. The scores were not kept as official by the coach on these games.

### BASEBALL

Southwestern has always put out a smart, fast baseball aggregation which ranks with the best college teams of institutions anywhere near its size. Last year the team though as a whole rather green, made a very creditable showing, and a still better team is expected for next year. The scores of the past season were:

|              |   |                     |   |
|--------------|---|---------------------|---|

## TENNIS

Tennis has increased in popularity at Southwestern year by year until now it is one of the leading sports. A large part of the student body belong to the Tennis Association and compete in the annual tournaments.

A number of intercollegiate matches were held during the past year, among the opponents being the University of Mississippi and different clubs in Memphis. The SOUTHWESTERN teams made a good showing in these matches.

## *Playing the Game*

Bill Jones had been the shining star  
upon the college team,  
His tackling was ferocious and his  
bucking was a dream.  
When husky William took the ball be-  
neath his brawn arm,  
They had two extra men to ring the  
ambulance alarm.

Bill hit the line and ran the ends like  
some mad bull amuck,  
The other team would shiver when they  
saw him start to buck.  
And when some rival tackler tried to  
block his dashing pace,  
On waking up he'd ask "Who drove  
that truck across my face?"

Bill had the speed—Bill had the weight  
—Bill never bucked in vain;  
From goal to goal he whizzed along  
while fragments strewed the plain.  
And there had been a standing bet,  
which no one tried to call,  
That he could make his distance thru  
a ten-foot granite wall.

When he wound up his college course  
each student's heart was sore;

They wept to think bull-throated Bill  
would sock the line no more.  
Not so with William—in his dreams he  
saw the field of fame,  
Where he would buck to glory in the  
swirl of life's great game.

Sweet are the dreams of college life,  
before our faith is nicked,  
The world is but a cherry tree that's  
waiting to be picked;  
The world is but an open road, until  
we find some day  
How far away the goal posts are that  
called us to the play.

So, with the sheepskin tucked beneath  
his arm in football style,  
Bill put on steam and dashed into the  
thickest of the pile.

He tried to run the ends of life, but  
with rib-crashing toss,  
A rent collector tackled him and threw  
him for a loss;

Bill tried to punt out of the rut, but  
ere he turned the trick  
Right tackle Competition scuttled thru  
and blocked the kick;

Whereat he aimed a forward pass, but  
with two vicious bounds,  
Big center Greed slipped thru a hole  
and rammed him out of bounds.

But one day when across the field of  
fame the goal seemed dim,  
The wise old coach, Experience, came  
up and spoke to him—  
“Old boy,” he said, “The main point  
now before you win the bout,  
Is keep on bucking Failure until you’ve  
worn the piker out.

“And kid, cut out this fancy stuff—go  
in there low and hard,  
Just keep your eye upon the ball and  
plunge on yard by yard.  
And more than all, when you are thrown  
or tumbled for a crack,  
Don’t sit there whining, hustle up and  
keep on coming back.

“You’ll find the road is long and rough,  
with soft spots far apart,  
Where only those can make the grade  
who have the uphill heart;  
And when they stop you with a thud or  
halt you with a crack,  
Let courage call the signals as you keep  
on coming back..

“Keep coming back, and though the  
world may romp across your spine,  
Let every game’s end find you still upon  
the battle line;  
For when the one Great Scorer comes  
to mark against your name,  
He writes—not that you won or lost—  
but how you played the game.”

—*Anonymous.*

In battle or business, whatever the game  
In war or in love, it's ever the same;  
In the struggle for power, or scramble  
for pelf,  
Let this be your motto, "Rely on  
yourself."

—Saxe.

## *Educational Ideals*

The following extract from the Minutes of the Board of Directors, which reveals the educational ideals, ideals heartily and unanimously approved by the Board of Directors at their meeting on February 8, 1922, will make clear the policy of the institution:

President Diehl addressed the Board, pointing out the necessity of having definite educational ideals, and of a continuity in the directorate for the carrying out of adopted plans. Assuming that there could be no disagreement in this Board concerning the spiritual ideals of the institution, he outlined for the consideration and discussion by the Board a definite program of educational ideals, which is as follows:

“While every proper economy will be observed in the planning for and the administration of SOUTHWESTERN, the fundamental principle upon which all our planning shall proceed is the welfare and especially the moral welfare, of the students, for whom the institution exists, even though the application of this principle prove to be more costly in dollars and cents.

"Inasmuch as the English system of higher education is, in our judgment, incomparably better for the moral welfare of the student than the Continental system, we propose as nearly as we can to follow the English system, with such modifications and adaptations as seem wise.

"We believe that from 150 to 200 students is about the maximum number that should be grouped together as a unit, that such group is about the ideal size for the helpful development of a common life and, we believe, further, that this number should be broken up into smaller groups for more intimate fellowship.

"We favor, therefore, a dormitory arrangement providing for a unit quadrangle for 175 men, with a common dining room for this group.

"We favor, also, the plan of dividing this quadrangle into five separate groups or halls, each to provide for 34 men and an instructor, and each of these five halls to have separate living room equipped for each group of 34 students, thus preserving the family idea.

"We are in favor of the policy of having fraternity houses which shall be merely club houses, and not dormitories or residential houses.

"We believe that we can best serve the church and the nation by adequately providing for and equipping a comparatively few select men, in accordance with our means, rather than by accepting all who desire to come, and then doing the best we can for them with the limited means at our disposal.

"We, therefore, favor the policy of selecting carefully all students, this selection to be made on the basis of moral character, intellectual fitness and preparation, qualities of leadership and potentialities of usefulness to church and state; and to limit the number of students accepted by our ability to give them the best advantages, such advantages as they have a right to expect from the standard college of a Church which enthrones honesty and which worships the God of righteousness.

"We believe that there should be, in order to give students the best advantages an income-producing endowment of not less than \$5,000 per student, and it will be our policy to endeavor to measure our student capacity by an income-producing endowment of at least \$4,000. As our endowment increases and we can provide properly for others, we will accept more students, all of whom, however, are to be carefully selected.

“We believe, further, that it is for the best interests of the work to have a comparatively small faculty of well-paid full professors rather than to have a larger faculty composed mainly of assistant professors and instructors who are serving on a lower salary scale.”
