Honor Council

The freedoms and responsibilities of the Honor System are shared by all members of the Southwestern community. The Honor Council, composed of an elected President, Vice President, and fourteen class representatives, has a positive, judicial role within the system. Its basic responsibility is to foster and protect a spirit of honor at SW. It carries out this responsibility by educating the community and by acting as a court in a case of alleged dishonesty. If a person is found guilty, the Council imposes a penalty that is designed to uphold the system and also be beneficial to the individual.

The Honor System applies to all phases of campus life. The four basic violations of the Code are cheating, stealing, lying in official matters, and failure to report a violation.

Each student is furnished with an Honor Council Handbook (constitution) which should be read carefully and saved for reference. The freshman class will elect two representatives, one male and one female during first term. The Council is made up of SW students who are concerned and interested. Please feel free to ask any members of the Council questions which may come up.

The SGA also allocates jobs by commissions, each commissioner creating and carrying out projects in his or her area. Explained below are the seven commissions. They depend on student support, therefore seek out your area of interest and contact the commissioner.

ATHLETIC COMMISSION

Commissioners: Rick Cartwright
 Charlotte Thompson

Serving as a link between the student and the athletic department, this commission's main concern is to make the students aware of the athletic opportunities at SW. Be it varsity, intramural or individual sports, all questions can be answered through this commission.

ELECTIONS COMMISSION

Commissioner: Lewis Kalmbach

This commission handles the details of every student body election. Elections are announced two weeks in advance and petitions from the commissioner are available at that time. Voting is by secret ballot; the Honor Code applies.

PUBLICATIONS BOARD (Pub Board)

Commissioner: Christy Black

The opportunities available to you in publications at SW are nearly unlimited. The Publications Board is the governing body over all publications. It selects new editors each spring, allocates money and settles conflicts in editorial policy. Members include all editors, class representatives (to be elected) and the commissioner.

RELIGION COMMISSION

Commissioner: Dawn Huff

Courtney Wright

Working in close association with the Chaplan's office, this commission coordinates a variety of special religious activities such as weekly vespers, student services, a Christian Coffeehouse, and an annual World Hunger project. Positions are available for leadership involvement.

SOCIAL COMMISSION

Commissioner: Kathleen Godecke

This commission hopes to draw upon the various art and talent groups on campus as well as bring in musical (jazz, new wave, rock, country, etc.) and cultural (ballet, etc.) groups from elsewhere. Some traditional attractions include Homecoming Dance, popular and some controversial feature-length movies, and Uncommon Houses.

WELFARE COMMISSION

Commissioner: Jenny Jensen

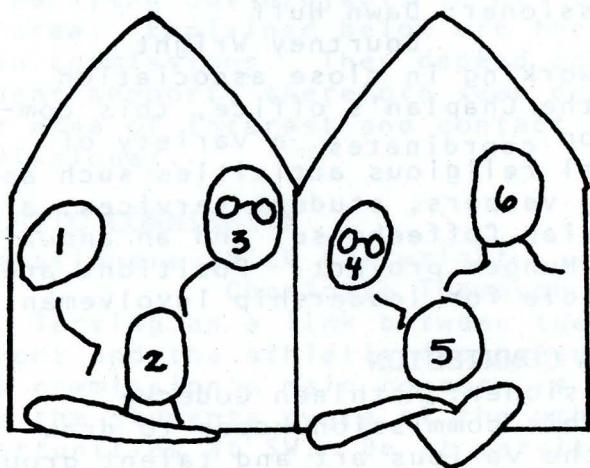

This commission is concerned with anything having to do with the improvement and furtherance of the educational experience. It initiates discussions, lectures, student and faculty welfare, and unity at SW.

WOMEN'S UNDERGRADUATE BOARD (WUB)

Commissioner: Laura Lee

Through a variety of seminars, self-help clinics, a special library and a women's weekend featuring prominent females in the community, WUB strives to provide opportunities to learn more about women in relation to the society in which we live.

IMPORTANT FOLKS!

- 1-Mike Watts, SGA President.
- 2-Sally Barge, SRC President.
- 3-Robert Llewellyn, Dean of the College.
- 4-Bo Scarborough, Dean of Students.
- 5-Holmes Marchman, Honor Council Pres.
- 6-James H. Daughdrill, Jr.

Who's Who

PRESIDENT OF THE COLLEGE

James H. Daughdrill, Jr.
Halliburton Tower, Third Floor

The President is the spokesman of the college to the Board of Trustees, alumni, and the community as well as chief officer of the administration and faculty. The President, in promoting the interests of the college, spends much of his time in meetings and out-of-town. His secretary can make appointments for those with special concerns.

DEAN OF THE COLLEGE

Gerald Duff
223 Halliburton Tower

Working with the faculty members and individual departments, he seeks to maintain the variety and standards of the educational system, to secure new faculty and to safeguard student and faculty freedoms and interests. This office deals with all academic matters, including Dean's list and academic probation.

ASSOCIATE DEAN OF THE COLLEGE

Robert Llewellyn
222 Palmer Hall

The key function of the Associate Dean is to coordinate the "faculty-advisor" system. Each student is assigned an advisor when they first arrive at SW. When they have declared their major, they are reassigned an advisor in the appropriate Dept.

This office also assists the Dean in many other academic and organizational matters.

DEAN OF STUDENTS

Bo Scarborough
229 Halliburton Tower

This office oversees all student affairs: dormitory life, student organizations, Resident Advisory system, the student counselor program, and many other aspects of community life. This is the place to go when you are in a bind or simply seeking a helping hand. To catch Bo, appointments can be made through his secretary.

ASSISTANT DEAN OF STUDENTS

Halliburton Tower

There will be a brand new Assistant Dean this year. He/She will work with the Dean in such matters as the college calendar, Residence Halls, structuralism, and Town students involvement, to name a few.

COORDINATOR OF STUDENT ACTIVITIES

Terry Regan
Student Center

This is a recent division of duties in the Dean of Students office. Terry will be the one planning the Freshman Orientation program, Parent's Weekend and assisting in commons events, Social Commission affairs, and Student Center programs. He would welcome any unique suggestions for the coming year.

Academics

Your best plan is to "know your catalog," it will save you time and worry. On pages 35 to 45 of your 1980-81 catalog are the requirements for graduation and the academic regulations of the college. Read it carefully.

During orientation you will find out who your colloquium leader is: he/she will serve as your faculty advisor. This simply means that they will assist you in planning the courses you want to take and should take. Fellow students (upperclassmen), are also a very valuable source of information; they can tell you what a professor is like (easy, boring, witty, etc.) and what the class will entail (papers, pop quizzes, lots of reading, etc.) Your other sources of information are professors and department chairmen; they can best tell you about their courses, their departments and what kind of career options are available. Get to know your professors. If there's something, anything that you don't understand or want to know more about, then ask them. They are interested.

A word about absences- The college expects but does not itself enforce daily class attendance by the students. Any professor may, and some do, require class attendance if he/she so desires.

Admissions

Ray Allen, Dean; 102 Palmer
Mary Jo Miller, Director; 106 Palmer

This office is responsible for attracting quality students (like yourself) to SW, through high school visits, arranging campus programs

and a special college symposium weekend for perspective students. The success of their programs depend very heavily on current students help, from giving campus tours and overnight housing to a phone-a-thon to answer perspective students' questions. Your involvement is greatly appreciated, so keep your eyes open for an organizational meeting in the fall.

Athletics\Intramurals

SW offers varsity competition for women in track, cross country, tennis, basketball, and volleyball; for men in football, basketball, baseball, soccer, tennis, golf, track, and cross country. The college also sponsors a womens soccer club. The members of the 80-81 coaching staff are:
 Ed White-Athletic Director, Men's tennis
 Gary Troll-Football
 Sarsh Risser-Women's Basketball, Tennis
 Gordon Ellingsworth-Baseball
 Bill Mabry-Cross Country, Golf
 Freeman Marr-Women's Track
 Mike Clary-Men's Track
 Herb Hilgeman-Basketball, volleyball

These coaches serve the entire SW community ; you do not have to play a varsity sport or even enroll in a PE class to take advantage of their expertise.

Over two thirds of the campus participates in the intramural program. Under a new Director the season will open with intramural flagball followed through the year by basketball, volleyball, and softball. Teams can be formed by anyone; members of a commons, a dorm, a fraternity/sorority, or merely a group of friends.

All students can enjoy the use of

SW athletic facilities. In addition to the gym and regular fields, there are tennis courts, raquetball courts, a new swimming pool, a cross country layout around campus, and a weight room. Check the schedules for various facilities. Please remember to get a red shoe tag to wear while using the athletic facilities.

For those who chose to pursue less strenuous activities, ping pong, cards, backgammon, checkers, and a pool table are available in the student center. Frisbee Golf is also a popular pastime- ask an upperclassmen about the course layout. A sport unique to SW is whiteball, hang around the steps between the refectory and White to find out what it is all about. Camping equipment and a double bike are also available from the student center.

Cashier

Sarah Bowlin, Cashier; 105 Palmer

Pay tuition, fees, fines, and parking tickets here. Mrs. Bowlin is willing to help with any accounts; if you are confused go to her. All UPS, Special Delivery, and Certified letters are delivered here. Stamps and scales for weighing parcels are available.

Students may cash checks for up to \$20.00 a day and may set up student deposit accounts. A student deposit account offers no interest and check writing is not necessary. The program allows the student to withdraw up to \$30. a day from the account without prior notice. One day prior notice allows for unlimited release of funds.

Administrative Services

Tom Kepple, Director
101 Palmer Hall

Students will have contact with this office in matters concerning energy conservation on campus, pet policy, administration procedures, and fire extinguisher fines (\$50.00 for illegally using fire extinguishers) This office also oversees matters concerning utilities, food service, maintenance, housekeeping, purchasing, and quest rooms.

Bookstore

Jane Darr, Manager
Westside Student Center

The SW Bookstore is owned and operated by the college and all the proceeds are directed into the general operating fund.

Your major investment at the bookstore will be purchasing your textbooks; plan to spend some money here. Remember, that the prices are established by the publishers and NOT by the bookstore. Used books are offered in as many titles as possible. Full refunds will be given on all unused, clean, unmarked textbooks with cash receipt, within ten days following the start of the term. *Also the bookstore will buy back, at the end of each term many of the texts no longer wanted by the student.

Other Bookstore services include:

- General reading
- A variety of supplies (art)
- College sportswear
- Health and Beauty aids
- Film and film processing
- Postage stamps and stationery

Chaplain

Robert Norfleet; 305 Student Center

The Chaplain together with the Religion Commissioners of the SGA, coordinates the many religious activities on campus. Robert is also available to talk with you about your religious concerns, just make an appointment through the counseling center secretary.

Commons

The "commons" system divides the SW community into four smaller social groups according to your place of residence.

ROBB COMMON: Townies, Bellingrath, Robb, White, and Ellet.

VOORHIES COMMON: Glassel and Voorhies.

TOWNSEND COMMON: Williford and Townsend.

UNIVERSITY COMMON: University, Stuart, Evergreen, and Trevant.

The commons provide an opportunity for students to form intramural teams, have RC Cola and Moon Pie parties atop the Physics Tower, initiate poetry readings, and do anything of "common" interest. The get-togethers also provide an opportunity for more informal association with the faculty and staff related to each common.

Development

The function of this office is to encourage gifts for the college, which support about one-third of the cost of educating each student. Gifts come from alumni, trustees, parents, and friends of SW. Student volunteers have been particularly helpful by working on the Phone-a-thon, greeting

visitors, and helping with the various campaigns for the SW fund; reducing the tuition by as much as 50%.

Dorms

There are two types of dorms on SW campus; "open" refers to no restrictions on curfew hours for the opposite sex, "closed" refers to restricted visitation times (off limits from 12:00-8:00 am.) First floor Trezevant, Williford, and University are the closed dorms.

Coin-operated washing machines and vending machines are located in almost all dorms. Draperies and carpeting are available in Williford only. Some beds in the men's dorms are oversized, so it might be better to wait before you buy your fitted sheets. Pets are restricted to the aquarium or cage type. Well, to answer your 3001 more questions, you will be assigned a student counselor soon, and he/she will be able to answer your questions by personal letter. Also, please note that all dorms will be closed during Christmas, Spring Break, and part of the summer.

RESIDENT ADVISORS

These people are a vital part of communal living. He/she forms a liason between you and the administration. If you have any problems- room changes, ants, maintenance, or personal- go to them: they are trained to help.

Financial Aid

The decisions of the Financial Aid committee are based on the Parents Confidential Statement form. Awards or adjustments can be appealed by submitting a request to the committee

through Mr. Jones.

Students who are on work/study will receive their checks once per month (usually on the 5th working day) from this office. Be sure you know whether you are on campus employment or work/study; there is a difference.

Housekeeping \ Maintenance

Richard Henley / Roy Twaddle
Frances Falls Building

Housekeeping is responsible for all routine interior cleaning, while the maintenance office maintains the physical and mechanical work of the campus and dorm. All student requests for service must be made by service request form that can be picked up from your R.A.

Infirmary

Doris Gill, Resident Nurse

The Moore Moore Infirmary has 13 beds with 24 hour health care extended to all full time students. Flu shots are offered in the fall for the cost of the serum. Allergy shots can also be administered in the Infirmary. Shots are free, but a small fee is charged for the disposable syringes used. So bring your own medication (with directions) to the Infirmary when you arrive on campus. Make sure you bring enough to last until you return home; out-of-town prescriptions are not refillable.

Certain routine medications and services are furnished free of charge as part of the Infirmary's function. Special services, x-rays, laboratory

work and prescriptions are billed directly to the student. If you have to go to the emergency room, be ready to pay cash or checks from local banks. Out of town checks are not accepted. Night emergencies should first be reported to your RA and she will contact the nurse.

HOURS:

Weekdays 8:00 am- 10:00 pm.

Weekends 8:30 am- 10:00 pm.

The nurses hours vary daily according to the doctors' visits.

SEE THE NURSE FOR A DOCTOR'S APPOINTMENT.

Library

Lynne Blair, Director

Many students study here since there are large tables in the reading room, carols in the stacks, comfortable chairs in the lounge downstairs, and individual study rooms whose keys you can check out at the front desk.

HOURS:

Monday thru Thursday 8:00 am - midnight

Friday 8:00 am - 10:00 pm

Saturday 1:00 pm - 5:00 pm

Sunday 1:00 pm - midnight

Books are checked out (and you'll need your ID card for this) for 2 weeks with fines at 5¢ per day. (NOTE: Fines are halved to the nearest nickel in the library's favor if paid at the time of returning or rechecking the book.)

Reserve books ("Man" students note this) may be checked out for two hours and for overnight after 4:30 p.m. Overnight due time is 10:30 a.m. the next morning with huge fines of 25 cents for the first hour and 5 cents every hour there after. Be sure to ask the reference librarian if you can't find something.

Many students go to the Memphis Public Library on Peabody and McLean which is a great escape from campus. Its disadvantage is the 9 p.m. closing hour. The Memphis State Library is farther, but it is just as good. SW students can check books out there.

Chemistry, Math, and Physics departments have journals in libraries in their buildings open to students with a prof's OK (good for all-nighters.)

Mail

Student Center

All students are assigned mailboxes during the first week of school. Mail is sorted by name not by box number and is put out by 10:00 am. Mailboxes are also used for many inter-campus announcements. Out-going mail may be deposited in the mailboxes in front of the Infirmary. Mail is picked up daily at 12:20 and 4:30. Saturdays only at 1:00. To weigh any parcels or foreign mail go to the cashier's office.

Pub

Student Center

The Pub is operated as a service for the students, faculty and staff by the Publynx Corporation. All surplus funds derived from Pub sales are used to support student activities.

The Pub serves three varieties of draft beer and imported bottled beer. Munchies and soft drinks are also served on the premises by a local restaurant.

You must be 19 years old to consume alcoholic beverages in the state of

Tennessee. Therefore, all new students should be prepared to show an ID when they ask to be served at the bar. You should also remember that the Pub was established to foster more responsible drinking habits and irresponsible behavior will not be permitted. The bar tender has the right and responsibility to refuse service.

The Pub is a great place to meet people and it offers a wide range of entertainment.

Monday - Friday 4:00 pm - 6:00 pm
 8:30 pm - midnight

Saturday & Sunday 8:30 pm - midnight

Refectory

Director, Scott Wing

The Catherine Burrow Refectory is the college dining hall. ("Refectory" is an old-fashioned term usually applied to the dining halls of monasteries and convents.) This is the place where minds and stomachs meet.

ARA will continue a second year as the food service at SW. In the past they have planned such features as a weekly "steak night," holiday meals, ice cream extravaganzas, late night study breakfasts and a donut machine at breakfast. A student food committee works with the food service to try and bring you what you want.

The Honor Code applies to the Refectory. You will be required at first to show your ID as to which meal plan you are on as you go through the line. Non-boarding students can purchase books of meal tickets at the cashier's office. It is also against the Honor Code to take utensils, plates, glasses or FOOD

out of the Refectory.

Registrar

John Turpin; 107 Palmer

Class schedules, exam schedules, forms for drop/add, pass/fail, major declaration forms, petitions for directed inquiry, overloads, and waivers for academic regulations can be found in this office. Mr. Turpin can often be found near the amphitheater during his lunch hour- he sits waiting for a dog or student to come up and talk with him. All you hear about him is true. (make your own judgement after you register.)

Security

Col. Max McQuown; Frances Falls Austin Building

This office is responsible for the personal safety of the students, faculty, and staff and the security of the physical plants and grounds of the college. This office implements the college traffic-parking control policy; parking stickers should be picked up the first week of school.

For the safety of the campus, any unidentified persons in the dorms or elsewhere on campus should be reported to Security immediately. It is also advised that students lock their dorm rooms, automobiles and bicycles. If you lock yourself out of your room find your RA (NOT SECURITY) to let you in. After 5:00 Security can also let you into labs, classrooms,

or departmental libraries. (One must be on a access list for these areas- see your professor about this.)

Student Organizations

BLACK STUDENT ASSOCIATION

The Black Student Association (BSA) was organized to promote and coordinate the efforts of the black students of SW. The main objective is to educate all students on campus in black culture. The BSA sponsors a yearly "Black Awareness Week", SW community dinners, and various other cultural and social activities.

President: Bobby Moore

DILEMMA

Operated exclusively by SW students and financed by private contributions, this symposium features an intellectually stimulating weekend of guest speakers and seminars. SW presents Dilemma to the college and Memphis communities. The symposium will be held in the spring, so your help this fall on one of the many committees (Finance, Publicity, etc.) will be greatly appreciated.

DRAMATICS

The "New Southwestern Players" is an organization open to all students wishing to work toward the development and promotion of the performing arts. Productions range from classical to popular to avantgarde, including dance and original student works. The players work closely with the Communication Arts Department. Interested students are encouraged to experiment with different dramatic forms. Look for organizational meetings this fall.

KINNEY PROGRAM

Beth Simpson, Director

Pat Dempsey & Beth Patton, Coordinators

The Kinney Program is a student coordinated community service organization which offers students the opportunity to work as volunteers in local service projects. Leading a scout troop, visiting the handicapped or elderly, serving as a Big Brother/Sister, befriending an inmate at the Shelby County Penal Farm or working in a hospital are typical kinds of projects of the Kinney volunteers. Career interests may be pursued by the volunteer while getting to know and serve the Memphis community.

Students who are interested in giving 2-3 hours each week in this kind of service should attend the orientation meetings in September and at the beginning of Terms 2 and Terms 3 or go by the Kinney Office. More than 200 students participate in Kinney each year, fulfilling a desire to give of themselves to others.

MUSICAL ACTIVITIES

SOUTHWESTERN SINGERS under the direction of Tony Lee Garner are selected by audition during Orientation in Tutill Hall. This past year included many concerts, and a spring tour.

FIRST GENERATION, a modern branching of the Singers includes choreography and costuming in its performances. A very professional-looking group that performs on campus, in the amphitheater or refectory during dinner, as well as off campus.

THE MADRIGAL SINGERS are the 16th and 17th century version of the Singers who contribute a unique facet to SW music.

THE SOUTHWESTERN ORCHESTRA holds two orchestral concerts a year and appears with The Singers in at least one joint concert. Small ensembles for brass, woodwinds, strings, and mixed instruments play for many occasions both on and off campus.

THE PEP BAND, is a student disorganized and directed group of misfits and "hams" who provide half-time satires for the football games. Kazoos, combs and paper as well as real instruments are carried on the field and included in the show.

WOMEN'S CHORRAL, is a group composed of women. It is only offered Term 2.

UNCOMMON HOUSE allows talented SW students to perform on the stage in the Student Center. It is held every so often - dates will be announced.

PUBLICATIONS

There are currently 6 student publications at SW, meeting a variety of interests and needs. Students are entrusted with maintaining a balance between freedom of expression and responsible journalism. All students are encouraged to work on all aspects of publication - writing, layout design, art, etc. Quality publications thrive when enthusiastic students are involved.

FACES edited by Eleanor Evins, Julie Hicks, and Marie Hurt, is a directory of the pictures, addresses, and phone numbers of all students, faculty and administration. It is an invaluable aid to most students.

LYNX, is the SW yearbook, edited by Mary Kay Loss and Sherri Godi. It is a creative publication that attempts to give an overall picture of life at SW in a particular year. No attempt is made to list every student by class, nor to document campus organizations,

although all students appearing in the yearbook are identified by name.

THE SOU'WESTER, edited by Tom Dorian, Steve Crabtree, and Gail McKnight, is the student newspaper which includes information about student life, campus activities and issues, and other articles of interest to the community.

SFA, or Student-Faculty-Administration newsletter, edited by Dawn McGriff and Judy Booth, is a weekly publication that keeps the campus informed about upcoming events on campus and in Memphis.

GINGER/JOURNAL, edited by Jessica Hunt and Laura Whitlock, is a new combination of GINGER, the campus literary and arts magazine, and the SOUTHWESTERN JOURNAL, the campus scholarly publication.

HANDBOOK- you be the judge, you're holding it.

SOUTHWESTERN FELLOWSHIP

The Southwestern Fellowship (SF) is made up of students dedicated to serving Christ in evangelism, discipleship, and missions while in college. Each week students meet in one of several small groups for Bible study and fellowship; every two weeks, for programs, speakers, and discussion.

The SF is a chapter of the nationwide Intervarsity Christian Fellowship and participates in the retreats and camps at various times of the year, together with IVCF chapters at such schools as Vanderbuilt, UT Knoxville, and Tulane.

STUDENT CENTER ASSEMBLY

This group works to make the Student Center a lively center for students to gather. The group, with their small budget, sponsors a variety

of activities for the student body: beer busts, bingo, movies in the pub, and a student center weekend in the spring. Officers are elected within the group, but general membership comes with participation.

WLYX

WLYX, at 89.3 on the FM dial, is a 24-hour volunteer-run community radio station housed in the Mallory Gymnasium. The music format features mainly "progressive rock" and occasional programs of jazz, progressive country, blues, and bluegrass; news, public service and information programs, and sports are other important features of the programming schedule. In addition, WLYX offers a closed-circuit reading service for the visually handicapped.

Station manager Allen Cook encourages student participation in all aspects of the station: News, Programming, production, engineering, and broadcasting. Anyone interested should contact Allen Cook at 276-1711 as soon as possible. (No experience necessary!)

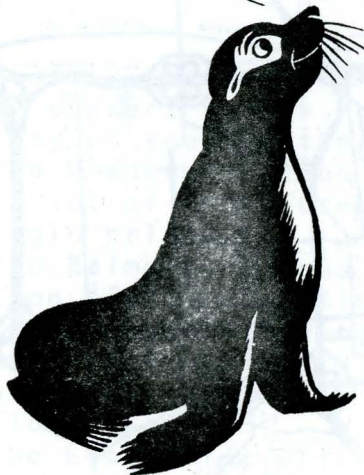

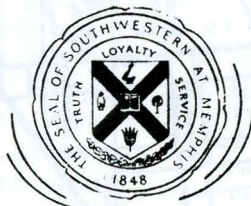

TOWNIES

"Townies" are just as much a part of SW as "live-ins," but you'll need to make an effort to keep from falling into the habit of going to class and then going straight home. An occasional meal in the refectory will allow you to mingle with the other students as well as staying in the dorms over night once in a while. There are town student rooms available for overnight use. These rooms can be especially helpful if you have a big test, if the roads are icy, if you're going to a late night party on campus,

or if you just want a taste of dorm living.

There are lockers available for you in the basement of the Student Center- check with the Student Center Assistant. Town students have mail-boxes in the mailroom - check them daily for important announcements and notices, Also there is a town student bulletin board in the lobby of the Student Center.

Involvement in the Commons system can be particularly rewarding for townies. All town students belong to Robb Common, and their participation is both encouraged and needed to help make this system work. Attend Commons meetings and functions whenever possible; this, more than anything else, can help you feel "apart" of the SW community.
