DEDICATION

To you who for the first time are about to enter the gates of college life, you who will become our associates and friends, and upon whose shoulders will ultimately fall the responsibility of carrying on the work and traditions of SOUTHWESTERN, the SOUTHWESTERN Christian Union dedicates this Handbook for the session of 1935-36.

SOUTHWESTERN'S
"ALMA MATER"

Dear Alma-Mater, kind the fate
That links our lives with Thee,
For God's own power that made Thee great
Is the truth that makes us free;
Thy torch has touched our hearts with flame,
Our yearning souls refined;
Through Thee we learn the higher aim,
And train the truer mind.

Thy stalwart towers of solid stone,
Thy vaulted arches strong,
Inspire our loyal hearts each one
To fight against the wrong;
Our lives reflect the beauty of
Thy stately cloister'd halls,
And characters grow genuine
That dwell within Thy walls.

O Leader to the larger light,
SOUTHWESTERN, 'neath Thy wings
Thy sons in rev'rent love unite,
And each his tribute brings;
And dreams such dreams as old men dream,
And visions young men see,
Keep lighted in our hearts the flame
Once kindled there of Thee.

To the Class of 1939:

On behalf of the college, as well as on my own account, we cordially welcome you to SOUTHWESTERN, to share in our privileges and responsibilities. You have come from many homes and from many schools. With different back-

grounds, with varying abilities, and with unequal, but, we hope, adequate preparation, you are united in your choice of a college, which is one of life's important choices. We have reason to believe that you are of sound moral character, and we trust that you are motivated by a serious purpose. If these things are true, and if you will put yourself wholeheartedly into your work, we believe that the long future will vindicate the wisdom of your choice. There is much that you can gain and much that you can give, but everything depends upon your own point of view and attitude and spirit of cooperation.

Phar. & Kiehl

To the Class of 1939:

Every fall SOUTHWESTERN opens her doors to a group of young people, coming from different sections and from varied environments to enter upon the new experience of college life. She welcomes them cordially, hoping that they will find

here an atmosphere, associates, and training that will discover their latent talents, develop their abilities, broaden their interests, and ennoble their characters. She hopes that they will bring with them an earnest determination to take advantage of every opportunity offered, to adapt themselves to their new environment, and to make their individual contributions to the common good.

May the members of the Class of 1939 find here happiness and profit, and may they be true to the noble traditions of SOUTHWESTERN.

There is a destiny that makes us brothers;

None goes his way alone;

All that we send into the life of others

Comes back into our own.

Edwin Markham.

IF—

If you can keep your head when all about you
Are losing theirs and blaming it on you;

If you can trust yourself when all men doubt
you,

But make allowance for their doubting too:

If you can wait and not be tired by waiting,

Or being lied about, don't deal in lies,

Or being hated, don't give way to hating,

And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your
master;

If you can think—and not make thoughts
your aim,

If you can meet with Triumph and Disaster

And treat those two impostors just the same:

If you can bear to hear the truth you've
spoken

Twisted by knaves to make a trap for fools,

Or watch the things you gave your life to,
broken,

And stoop and build 'em up with worn-out
tools;

If you can make one heap of all your winnings

And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss:

If you can force your heart and nerve and
sineu

To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold
on!"

If you can talk with crowds and keep your
virtue,

Or walk with Kings—nor lose the common
touch,

If neither foes nor loving friends can hurt
you,

If all men count with you, but none too much:

If you can fill the unforgiving minute

With sixty seconds' worth of distance run,

Yours is the Earth and everything that's in it,

And—which is more—you'll be a Man, my
son!

—*Rudyard Kipling.*

SOUTHWESTERN TRADITIONS

SOUTHWESTERN is preeminently an institution of Christian ideals, and the spirit of honesty and friendliness is ever present in the classroom, on the athletic field, and in all branches of college activities. In order that these ideals may be maintained, SOUTHWESTERN selects only those students who are of a high moral and intellectual type.

There is an unusually warm understanding between the students and the professors. The classes are small, and individual attention to the students is thereby made possible. The members of the faculty are looked upon as friends and advisers of the intimate type, and the benefits thereby reaped are out of all proportion to anything attained in larger institutions.

All students are regarded and treated as gentlemen, unless and until they prove themselves otherwise. The motto of Winchester College is "Manners Makyth Man." The importance of good manners, the art of putting our associates at their ease, cannot be exaggerated. This virtue is within reach of all, for in essence it depends upon kindness of disposition and not on a book of etiquette.

Not only does SOUTHWESTERN require that the students uphold the Christian ideal, but that they put themselves heartily into their work. These two requirements are fundamental, and must be met by all students.

The spirit of honesty pervades SOUTHWESTERN in all its activities, and so general has been this attitude among the students that the Honor System has come to be an essential aspect of the institution's life.

The spirit of democracy is deeply ingrained in the fabric of the institution. Snobbishness of any form is out of place.

Freshmen are expected to identify themselves with all activities of the college and to enter whole-heartedly into the spirit of the institution. The custom of hazing died out at SOUTHWESTERN long ago. It has been found that the austere appearance of the upperclassmen is sufficient to inspire awe in the incoming freshmen each year. There is always a feeling of respect and confidence shown by the students to the upperclassmen.

Students are proud of the buildings, which are unsurpassed by any, and they show their pride by endeavoring at all times to preserve and protect the college property, just as they do their own homes.

Squandering of time is strongly discounted, and all students are earnestly advised to use their time in the manner which will be most helpful for intellectual, athletic, social and moral development.

Those who enter into the spirit of SOUTHWESTERN and uphold the traditions will have a happy experience. Those students will speedily become a part of the institution, and find themselves in harmony with the high purposes which lie behind all our activities.

EDUCATIONAL IDEALS

The following extract from the Minutes of the Board of Directors, which reveals the educational ideals—ideals heartily and unanimately approved by the Board of Directors at their meeting on February 8, 1922, and reaffirmed by the Board at the annual meeting on February 4, 1931—will make clear the policy of the institution.

President Diehl addressed the Board, pointing out the necessity of having definite educational ideals and of a continuity in the directorate for the carrying out of adopted plans. Assuming that there could be no disagreement in this Board concerning the spiritual ideals of the institution, he outlined for the consideration and disposition by the Board a definite program of educational ideals, which is as follows:

"While every proper economy will be observed in the planning for and the administration of SOUTHWESTERN, the fundamental principle upon which all our planning shall proceed is the welfare and especially the moral welfare of the students, for whom the institution exists, even though the application of this principle prove to be more costly in dollars and cents.

"Inasmuch as the English system of higher education is, in our judgment, incomparably better for the moral welfare of the student than the Continental system, we propose as nearly as we can to follow the English system, with such modification and the adaptations as seem wise.

"We believe that from 150 to 200 students is about the maximum number that should be grouped together as a unit, that such a group is about the ideal size for the helpful development of a common life, and, we believe, further, that this number should be broken up into small groups for more intimate fellowship.

"We favor, therefore, a dormitory arrangement providing for a unit quadrangle for 175 men, with a common dining room for this group.

"We favor, also, the plan of dividing this quadrangle into five separate groups or halls, each to provide for 34 men and an instructor, and each of these five halls to have separate living room equipped for each group of 34 students, thus preserving the family idea.

"We, therefore, favor the policy of having fraternity houses which shall be merely club houses, and not dormitories or residential houses.

"We believe that we can best serve the church and the nation by adequately providing for and equipping a comparatively few select men, in accordance with our means, rather than by accepting all who desire to come, and then doing the best we can for them with the limited means at our disposal.

"We, therefore, favor the policy of selecting carefully all students, this selection to be made on the basis of moral character, intellectual fitness and preparation, qualities of leadership and potentialities of usefulness to church and state; and to limit the number of students accepted by our ability to give them

the best advantages, such advantages as they have a right to expect from the standard college of a Church which enthrones honesty and which worships the God of righteousness.

"We believe that there should be, in order to give students the best advantages, an income producing endowment of about \$5,000 per student, and it will be our policy to endeavor to measure our student capacity by the incoming producing endowment. As our endowment increases and we can provide properly for others, we shall accept more students, all of whom, however, are to be carefully selected.

"We believe, further, that it is for the best interests of the work to have a comparatively small faculty of well-paid full professors rather than to have a larger faculty composed mainly of assistant professors and instructors who are serving on a lower salary scale."

Let every man be occupied, and occupied in the highest employment of which his nature is capable, and die with the consciousness that he has done his best.

Sidney Smith—Memoir.

The heights by great men reached and kept
Were not attained by sudden flight,
But they while their companions slept
Were toiling upward in the night.

Longfellow—

The Ladder of Saint Augustine.

TUTORIAL COURSES

The tutorial courses, inaugurated at SOUTHWESTERN in September, 1931, have already attracted widespread interest and commendation in the educational world. As early as November, 1931, the Carnegie Corporation, of New York, voted to SOUTHWESTERN a substantial grant to assist in defraying the heavy expenses—of additions to the teaching force and to the library equipment—made necessary by the adoption of the plan.

The tutorial courses, an adaptation to American conditions of the best feature of Old World education as carried on at Oxford and Cambridge, serve to stimulate the student by providing him with opportunity for work along the line of his own individual interest, and at a rate of progress adapted to his abilities. Their purpose is to stimulate him by freeing him from the restraints and constraints imposed by group instruction, and to place him in man to man and mind to mind contacts with his tutor in individual conference.

In his sophomore year the student devotes three hours a week to conference and private reading, for which work he receives one credit each semester. This reading is arranged so as to broaden the student's interest, and to prepare him for the more intensive tutorial courses of the junior and senior years. As the sophomore tutorial courses are all one-semester courses, the student during this year

comes into intimate contact with two advisers and gains some acquaintance with two entirely distinct fields of study.

In the junior and senior years the tutorial course attains its full scope, nine hours a week being spent on conference and readings, and three hours' credit being given in each semester. In these years the course lasts throughout the entire year, and is of a more specialized and advanced nature than the sophomore course.

The student may use his tutorial courses for intensive work in his major subject, or he may use them to broaden his intellectual horizon by reading in fields with which he has no previous acquaintance. If he cannot find his desired topic of study in the extensive list of courses offered, he has the privilege of petitioning the Tutorial Course Committee for a special course of his own selection, and this petition will be granted whenever it is possible to find a tutor to conduct conferences and direct the reading in the field of his choice.

At the end of the first semester of 1931-32 the junior and senior classes were asked to state in writing their opinion as to the desirability and value of the tutorial courses, and the practically unanimous verdict of approval rendered by this jury of student opinion has fully justified the undertaking of the experiment and the continuance of the plan.

HONORS COURSES

Any student may, at the end of his sophomore year, apply in writing to the chairman of the Honors committee for the privilege of being a candidate for Honors. This committee will grant or refuse permission after an examination of the student's record, and after consultation with the professor under whose guidance he proposes to work.

Students desiring to read for Honors in their senior year should make their plans towards this end as early as possible. Since the student will be expected to devote his entire time in his senior year to Honors work, as many degree requirements as possible should be fulfilled by the end of the sophomore year, the Tutorial Course of the junior year should be in the group of subjects selected for Honors, and all special degree requirements, including Bible 51 and 52 and a reading knowledge of a modern foreign language, should be fulfilled by the end of the junior year.

An Honors student has the opportunity to do more independent work, and also has the privilege of exemption from the usual schedule of five semester courses with semester examinations. If the student's work is not satisfactory, his name will be removed from the roll of Honors students, and he will lose these special privileges.

For the purpose of Honors work the subjects of study at SOUTHWESTERN shall be grouped as follows:

- I. *Literature and Humanities*: Bible, English, History, Philosophy, Greek, Latin, French, German, Spanish.
- II. *Natural Sciences*: Mathematics, Physics, Chemistry, Biology.
- III. *Social Sciences*: History, Economics, Political Science, Psychology, Sociology.

The student will ordinarily limit his Honors work to one of these three groups. However, if he desires to read in two different groups, his request will be carefully considered by the Committee on Honors. When the Honors program of a student has been approved, a statement will be given each candidate not later than the beginning of the junior year, of the minimum amount of work required, and also of what courses are required or advisable. The departments in which he is working will provide him with syllabi, which have the approval of the Committee on Honors.

Honors will be determined by a final written examination. The examination papers will be graded by three examiners, of whom at least one will be an outside examiner. The examination will be a comprehensive examination, testing both the general knowledge and the specific knowledge of the student in those portions of the field which he has chosen for his Honors work.

Honors will be conferred only upon those who have fully and satisfactorily met the exacting requirements for Honors, and either Honors or High Honors will be conferred. If the student's work for Honors is deficient either in extent or in quality, he may, upon the recommendation of the examiners, be granted the usual degree in course.

For the year 1935-36 the Committee on Honors consists of the following:

A. P. Kelso, Chairman

J. H. Davis
R. W. Hartley
A. T. Johnson
P. N. Rhodes
C. G. Siefkin

THE HONOR SYSTEM AT SOUTHWESTERN

ADOPTED AND PRESCRIBED BY THE STUDENT BODY

In order that in every sphere of academic work, good order and conduct becoming a gentleman may be secured, the students voluntarily accept and maintain an Honor System, and its standards are enforced by tradition and public opinion among the students. At the beginning of each scholastic year, the student body meets in solemn conclave, at which time the obligations of the Honor System, especially in the matter of reporting irregularities, are made perfectly clear and obligatory. Cards pledging their whole-hearted support of the Honor System are presented and signed by those students who are in accord with the plan.

The Honor System at SOUTHWESTERN applies not only to honesty in examinations, tests, and classroom work, but also to honesty in all phases of campus activities. It applies to dishonesty in any form, and any student who commits an unworthy act is guilty of a breach of the Honor System, and thereby subjects himself to the discipline of the Honor Council.

The cooperation of every student of the college is essential for the successful operation of the Honor System. It becomes, therefore, the duty of each student who enters SOUTHWESTERN not only to keep inviolate the trust reposed in him by the college, by avoiding all unworthy and ungentlemanly conduct

himself, but also to be ready and willing to report immediately to the Honor Council for action any one who may be guilty of any breach of the Honor System.

For the purpose of aiding in carrying out the Honor System, an Honor Council was established by the student body some years ago. In order, however, to clarify and perfect the system of student government at SOUTHWESTERN the following amendments to the constitution were adopted by the student body in December, 1925:

REPRESENTATION

The Honor Council shall be composed of thirteen members as follows:

From the Senior Class, three men and one woman.

From the Junior Class, three men and one woman.

From the Sophomore Class, two men and one woman.

From the Freshman Class, one man and one woman.

ELECTION

The junior, sophomore, and freshman classes shall elect their representatives for the following year in the first week of May. Nominations are to be made by the retiring Honor Council. Two candidates are to be named for each office to be filled. It is highly desirable that some members of the old Honor Council be elected on the Honor Council for the succeeding year. New freshmen shall elect their representatives on the third Monday in October. In every case the women shall elect the women representatives,

and the men shall elect the men representatives.

The Faculty agrees to vest full authority in the Honor Council and to act as a court of appeal. If upon the appeal of the accused person, or the minority of the Honor Council, the Faculty believes that an unjust decision has been made, it may submit the case to the Honor Council for a retrial.

Membership in the Honor Council is considered one of the highest honors in the power of the student body to bestow upon the individual members of the different classes.

The following have been chosen as members of the Honor Council for the 1935-36 session (the Freshman representatives to be chosen on the third Monday in October):

SUGGESTIONS TO FRESHMEN

Be friendly, speak to everybody, whether you know the person or not.

Try to learn every student's name.

Learn the college yells and songs.

Systematize your daily program.

Pay your debts promptly.

Lend little money and borrow less.

Be a booster, not a kicker.

Don't spend too much time uptown.

Dress neatly at all times.

Identify yourself at once with the religious life of the college.

Scrupulously set apart Sunday as a day of rest and worship.

Write home often.

Remember you have a mother who cares.

One is not judged at SOUTHWESTERN by what he did in high school, but by what he does at SOUTHWESTERN.

All students here are expected to enter into the campus activities whole-heartedly, and to cooperate with the faculty and student body in the effort to make our college hold its place as the best in the South.

WHAT TO DO BEFORE COMING TO SOUTHWESTERN

1. Deposit registration fee of \$10.00, and, if you are an out-of-town student, deposit a room reservation fee of \$10.00, and you will be assigned a room in one of the dormitories.

2. Be sure you have your high school principal send your certificate of entrance units to the Registrar. If you have attended another college, have that institution transfer your credits. Failure to do this will delay your matriculation.

3. Bring enough money to settle with the Bursar. (See pages 34, 35, 36, and 37 of the catalogue.) You may deposit the money in your home bank and draw a draft on it, instead of bringing the money with you.

Example is the school of mankind, and they will learn at no other.

We do not count a man's years until he has nothing else to count.

Emerson—Old Age.

It matters not how a man dies, but how he lives.

GENERAL INFORMATION

At the Union and Grand Central Stations there will be information booths furnished by the SOUTHWESTERN Christian Union for the service of the new students. They should report there after reaching the city and further information will be supplied by those in charge.

Any one desiring to reach the College by street car from either of the principal railway stations, may take any car going north, transfer later to street car number 16, and ride to the end of the line. The usual taxicab fare from the railroad stations to the College is about \$1.25. Since no additional charge is made for extra passengers, as many as five students may ride out together for this one fare.

The taxicab companies, as well as the Patterson Transfer Company, are equipped for delivering trunks to the College, and trunk checks entrusted to them will receive prompt and careful attention. The rates of the Yellow Cab Company, the Jolly Cab Company, and the Patterson Transfer Company are 75 cents per trunk and 25 cents for each additional piece of baggage.

Those men students who arrive at the College between 8:30 a.m. and 5 p.m. should see Dr. H. J. Bassett in Room 209 Palmer Hall, for the assignment of a room. Mr. John A. Rollow, Superintendent of Buildings and Grounds, will furnish keys for the room. A deposit of 50 cents is required for each key.

Those students who arrive before 8:30 a.m. or after 5 p.m. should go directly to Mr. Rollow's office in the Science Building where they will be assigned to a room.

The women students should go to Evergreen Hall which is located on the corner of Snowden Avenue and University Place. Mrs. I. A. Rutland, the Resident Head of Evergreen Hall, will assign the rooms.

The College office in Palmer Hall will be glad to furnish any further information the student may desire.

LOCATION

The campus of SOUTHWESTERN is a beautiful tract of one hundred acres, fronting for half a mile along North Parkway, just opposite Overton Park and Zoo. It is located in northeast Memphis, just inside the city limits.

BUILDINGS

Palmer Hall is the administration building, in which the college offices are located. It contains also eighteen classrooms and Hardie Auditorium, which is located on the second floor. The library occupies the third floor. The science building contains the most modern and complete equipment to be found anywhere in the South.

Neely Hall, which is the dining hall, is under the capable direction of Mrs. M. L. Hill.

There is a Field House which contains a basketball court and gymnasium. It is open

at all times during the day for the use both of the gymnasium classes and the individual students.

DORMITORIES

There are two dormitories, Robb and Calvin Halls, located on the campus. Stewart and Evergreen Halls are just across from the campus, on University Place.

LIBRARY

The college library is on the third floor of Palmer Hall. It contains more than 36,000 volumes in addition to unbound pamphlets and magazines, and provides excellent material for parallel reading and other supplementary work which form an integral and necessary part of the various courses in every department of instruction.

A recent gift of ten thousand dollars from the Carnegie Corporation and one of three thousand dollars from the General Education Board, all of which was used for the purchase of books, greatly aided in enriching the library.

Students are required to maintain quiet in the library at all times.

In order to make the widest possible use of the library for the entire student body and faculty, it is necessary to have and to enforce certain regulations. Every student is expected to familiarize himself with the rules governing the library, a copy of which he will find posted at the entrance to the reading room.

POST OFFICE, BOOK AND SUPPLY STORE

The combined post office, book and supply store is located in the basement of Hugh M. Neely Hall and is under the management of Mrs. Gordon Holloway. Text-books, classroom supplies and all needs of students are supplied in the store.

MAIL

All mail should be addressed to Memphis, Tennessee, in care of SOUTHWESTERN. Deliveries are made regularly twice a day to the college post office, the letters then being posted in the various boxes of the students. Each student is required to rent a box. Rental charges are fifty cents a year.

BULLETIN BOARDS

Notices will be posted by professors and others on the official bulletin board at the entrance to Hardie Auditorium. There is another bulletin board between the west entrance of Palmer Hall and the south entrance of Science Hall where the student announcements may be placed. Keys to this bulletin board are kept in the Business Office.

LAUNDRY AND PRESSING

Students representing various laundries and pressing clubs take care of all needs along this line. Suits can be pressed for twenty-five cents, and liberal rates can be secured on the laundry.

GRADING SYSTEM

The grades at SOUTHWESTERN are A, B, C, D, X, E and F. A is exceptionally good, B is good, C is average, D is barely passing, and F means failure. X means incomplete work. E means that another examination may be taken. If a student fails in more than half of his courses the first report period, he is put on probation, and unless he redeems himself the next report period, he is asked not to come back to SOUTHWESTERN after Christmas.

SPECIAL STUDENTS

Special students are not eligible for extra-curricular activities, including fraternities. In the annual register of students, each special student is indicated as such, and not as a candidate for a degree. (See catalogue, page 29.)

Self-reverence, self-knowledge, self-control,—
These three alone lead life to sovereign
power.

Tennyson—Oenone.

CHURCHES

The students are expected to attend regularly the morning service of that Church in town to which they belong, or which they elect to attend, but they are always welcomed and made to feel at home at all services of the various churches. SOUTHWESTERN students are especially invited to the Sunday morning Bible Classes and the Young People's Societies. A list of the various churches will be found in any of the Saturday papers.

A report of the church attendance of each student is taken up regularly each report period. In the matter of making this report, students are placed entirely upon their honor.

Faculty members will be glad to talk with new students in regard to the selection of a church home.

STUDENT ACTIVITIES

Last session the student body of SOUTH-WESTERN adopted the point system for the curtailment of student activities. This plan was devised and presented to the Student Council by Omicron Delta Kappa.

It is expected that this plan will develop leadership among a greater number of students and will stop the over-burdening of a few leaders. It will also enable students to do better work in their activities by more concentration, and allow them more time for study and social life.

The program allows each student thirty activity points a year. Each "F" will also count six points, thus barring students who fail all courses from engaging in any outside activities. Athletic points are seasonal, with football points being removed as soon as the season is over, thereby allowing participation in athletics at all times without running up too many points for the all-round athletes.

Activities are divided into classes as follows:

MAJOR ACTIVITIES

Class A (ten points)—Student body president; Sou'wester editor; Lynx editor; Choir director; Intramural sports director.

Class B (eight points)—President of senior class; Panhellenic president; business manager of Sou'wester and Lynx; Christian Union president; vice-president of student body.

MINOR ACTIVITIES

Class C (six points)—Secretary-treasurer of student body; president of Women's Undergraduate Society; heads of junior, sophomore, and freshman classes; Honor Council president; debate manager; active debaters; presidents of O. D. K., Stylus Club, Chi Delta Phi, Cap and Gown, all social fraternities and sororities; Ministerial Club president; Y.W.C.A. head; Honors candidates; Southwestern Players Head; Assistant editors of Sou'wester and Lynx; Publications Board president; major athletics (seasonal); every "F."

Class D (four points)—Honor Council members; O. D. K. members; Christian Union Cabinet members; Bible class president; active members of SOUTHWESTERN Players; Student body administration committees; Publications Board members; Sou'wester and Lynx staff; Journal editor; Musical Club president; Glee Club members; Nitist Club president; Spanish Club head; presidents of all other clubs; and those engaging in minor athletics (seasonal).

Class E (two points)—Membership in all clubs and societies on the campus.

PUBLICATIONS

Students interested in publication work have an unusual opportunity to exercise their ability on the four SOUTHWESTERN publications. The staffs of publications are selected by the Publications Board, which board chooses the men who have proven themselves both interested and capable. All freshmen, as well as all the other members of the student body who have had any experience along this line, are urged to connect themselves in any capacity with these publications.

THE SOU'WESTER

Editor—Thomas Crawford Fuller.

Business Manager—Louis Anderson Duffee.

The members of the student body unite in publishing a weekly paper, the SOU'WESTER, which ranks well among collegiate publications, and which reflects credit on those who are charged with its management.

THE LYNX

Editor—Raford Watson Herbert.

Business Manager—Robert Harcourt Williams.

The Lynx is the college annual, which is published each year by representatives of the student body. This is the big publication on the campus, and to be appointed to guide it through a successful year is one of the high honors that SOUTHWESTERN can offer a student.

THE STUDENTS' HANDBOOK

Editor—Thomas Crawford Fuller.

The object of this book is to extend to all students a warm welcome to the college, to introduce the first-year men to some of our customs and activities, and to invite all to share in the privilege of promoting the best interest of SOUTHWESTERN.

THE JOURNAL

Editor—Maurice Irwin Carlson.

The Journal is SOUTHWESTERN's literary magazine. All those who have acquired, or are desirous of acquiring, the ability to write are asked to contribute. The Journal is an old publication which lapsed for a few years, but which is now being continued.

THE SOUTHWESTERN PUBLICATIONS BOARD

President—Norma Lee.

This board was organized for the purpose of exercising supervision and control of all student publications, with especial reference to their financial management and the soliciting of advertising.

All student publications must be authorized by the board, which also apportions the publication fees to the respective publications.

All moneys, whether from advertisements or fees, must be turned over to the treasurer of the board, and obligations may be incurred only on its approval. Financial statements

must be rendered at the end of each report period by every publication.

No one shall solicit advertising in the name of SOUTHWESTERN without authorization from the board. No publication, without its special permission, shall solicit local firms for advertising when such firms are already advertising in one of the other recognized publications of SOUTHWESTERN.

This board is composed of a president elected by the student body from the rising junior or senior class, three other students from the rising senior, junior, and sophomore classes, respectively, together with two faculty members appointed by the president of the college, and a permanent treasurer, the bursar of the college.

Ponder well, and know the right,
Onward, then, with all thy might!
Haste not! Years can ne'er atone
For one reckless action done.

Goethe.

ORGANIZATIONS

STUDENT BODY

President—Curtis Filmore Johnson.

Vice-President—Dorsey Jameson Barefield.

Secretary—Lucile Ruth Woods.

The student body is an organization composed of all the students of the college in any current year, and has authority in matters pertaining to student affairs.

The office of president is the highest honor in the power of the student body to bestow.

Nominations for Student Body President shall be heard the last Monday in April and the election shall be held the first Monday in May. Other officers of the student body shall be elected during the first week in May.

THE STUDENT COUNCIL

The Student Council is the official and representative organization of the student body. It outlines and discusses and presents matters for the consideration of the student body. It directs relations between the student organizations. While disciplinary matters are in the hands of the faculty, the Student Council helps to shape public opinion, cooperates actively with the administration, and acts as a clearing house between the students and the faculty.

The Student Council is composed of an *ex officio* group constituted as follows: the president, vice-president, and secretary of the stu-

dent body, which persons are elected by the student body and hold these same offices in the Student Council. The other members of this Council are the presidents of the four classes, of the Honor Council, of the SOUTHWESTERN Christian Union, of the Panhellenic Councils, of the Publications Board, and the editor of the SOU'WESTER.

THE SOUTHWESTERN CHRISTIAN UNION

President—Thomas Crawford Fuller.

Vice-President—Francis Buchanan Benton.

Secretary—Betty Ireys Hunt.

The SOUTHWESTERN Christian Union includes those organizations which are distinctly devoted to the development of the spiritual life of the students, and includes at present the SOUTHWESTERN Bible Class, the Y.W.C.A. and the Ministerial Club. The Cabinet is composed of the officers of the SOUTHWESTERN Christian Union; Edward Rudolph Atkinson, the president of the SOUTHWESTERN Bible Class; Francis Buchanan Benton, the president of the Ministerial Club, and Adele Frances Bigelow, the president of the Y.W.C.A.

Among the activities of the SOUTHWESTERN Christian Union is a week of prayer and consecration. At these services a distinctly evangelical message is presented to the students of the college. Last session these meetings were held during the Week of Prayer in February. Dr. Hugh T. Kerr, pastor of the Shadyside Presbyterian Church, Pittsburgh, Pennsylvania, conducted the meetings.

The various organizations of the SOUTHWESTERN Christian Union endeavor to relate themselves closely to the life and interests of the students, especially at the opening of the college year. In order to help in adjusting the students to their new surroundings, the SOUTHWESTERN Christian Union each fall arranges for a reception given to the students and the faculty.

THE SOUTHWESTERN BIBLE CLASS

President—Edward Rudolph Atkinson.
Vice-President—Paul McLauren Watson.
Secretary—Jameson Miller Jones.

This organization plays an important part in the religious life of the male students. It holds a meeting in a classroom on the campus every Sunday morning from nine to ten. It is taught by members of the faculty, various professors teaching the class for a limited period of eight or twelve weeks. This class forms the nucleus of an earnest group of students whose activities are by no means limited to the class meetings. Its members take an active part in the religious life of the community, helping to maintain mission schools in the outlying districts.

THE MINISTERIAL CLUB

President—Francis Buchanan Benton.
Vice-President—Richard Young Wallace.
Secretary—Murrah Coates Gattis.

The students at SOUTHWESTERN who are preparing for the ministry as their life work,

and others who are interested, have organized themselves into an association with the twofold purpose of creating a feeling of fellowship and *esprit de corps*, and of presenting and discussing personal problems and those questions which pertain to the ministry. The club endeavors from time to time to secure the advice of those already in the ministry, and to obtain the benefit of their maturer judgment. Luncheon meetings are held weekly.

THE YOUNG WOMEN'S CHRISTIAN ASSOCIATION

President—Adele Frances Bigelow.
Vice-President—Martha Ruth Bailey.
Secretary—Sarah Gracey.
Treasurer—Mary Elizabeth Cobb.

The Y.W.C.A. is one of the organizations on the campus to which all girls can belong. It takes its purpose from the national organization, which purpose is stated as follows:

"We unite in the desire to realize full and creative life through a growing knowledge of God—

"We determine to have a part in making this life possible for all people—

"In this task we seek to understand Jesus and follow Him."

Although but a few years old, the SOUTHWESTERN Y.W.C.A. has flourished greatly. The helping with freshmen during the Orientation Period, Christmas and Thanksgiving kindness to a poor family, were a part of its work the past year.

We invite you, freshman girls, who are interested in this work, to help us in it.

OMICRON DELTA KAPPA

President—Jameson Miller Jones.

The O. D. K. is a national honorary fraternity organized for the purpose of giving recognition to those all-round men of the junior and senior classes who stand preeminently for the upholding of the high standards of the college. Membership in the fraternity is limited to three per cent of the male members of the student body, to be chosen from the two uppermost classes in the college.

This fraternity was petitioned by and replaced the Order of the Torch, local fraternity with a similar purpose.

The O. D. K. is not merely a scholarship society, nor is it simply a literary or social organization, but, as will be seen from the qualities which are taken as a basis for selection for membership, its aim is to select the best all-round men in the college, and membership in this order is one of the highest honors to be won at SOUTHWESTERN.

THE STYLUS CLUB OF SIGMA UPSILON

President—Richard Alexander Thomas, Jr.

Sigma Upsilon is a national honorary literary fraternity with chapters in the leading colleges of the country. The Stylus Club of SOUTHWESTERN is a chapter of this fraternity,

and was organized in 1920 by a group of students and members of the faculty to stimulate authorship and criticism. It is purely an honorary society, and requires a high standard of scholarship, marked literary ability, and a certain congeniality. Membership is limited to twelve, chosen from the faculty, seniors, juniors, and sophomores; but sophomores must have completed three semesters. At the bi-monthly meetings a program is given consisting of original writing or a study of the work of current authors.

ALPHA THETA PHI

President—Francis Buchanan Benton.

Vice-President—Richard Young Wallace.

Secretary—Virginia Alice Alexander.

Alpha Theta Phi is a purely scholastic fraternity of both men and women students, including only those who have made the highest records in scholarship in the college. It is petitioning Phi Beta Kappa.

CHI DELTA PHI

President—Savilla Driver Martin.

Chi Delta Phi is a national honorary sorority composed of those women students who are outstanding in literary work on the campus.

THETA ALPHA PHI

Theta Alpha Phi is a well-known national amateur dramatic society, and the SOUTHWESTERN chapter presents a number of plays each year. The purpose is to foster wholesome dramatics, and to provide the means of

uniting socially those students, alumni and instructors, who have histrionic talents.

CERCLE FRANCAIS

This club was formed to promote interest in French conversation and culture. Monthly meetings are held at which a program of music, short dramatic sketches, and talks is offered by the members. The club is limited to thirty students from the advanced French courses.

THE SPANISH CLUB

The Spanish Club exists for the purpose of cultivating a more practical acquaintance with the life, language, and literature of the Spanish-speaking peoples. Membership is limited to those students who have had two years of college Spanish, or its equivalent, or who have otherwise acquired an oral command of the language. Meetings are held every three weeks. They are partly social and in part given to formal programs, including dramatic performances, addresses, and round-table discussions.

GOLF ASSOCIATION

The Golf Association is an organization of all those interested in golf. The splendid Overton Park course is available for use of members, and tournaments are held every year.

SOUTHWESTERN PLAYERS

President—Robert Kenneth Armstrong.

The SOUTHWESTERN Players form the dramatic group on the campus. Each year the

members study a number of sketches and plays both for studio presentation and for public performance. In such phases of dramatic art as acting, directing, costuming, staging, lighting, and playwriting, excellent training is offered. Outstanding work in any of these is rewarded by membership in the national amateur dramatic fraternity, Theta Alpha Phi. Tryouts of applicants for membership are held the first of each semester, and at that time the most promising candidates are elected to the organization.

CHI BETA PHI

President—William Wallace Cox.

Chi Beta Phi is a national honorary science fraternity composed of only those men students who are majoring in science and who have made a high scholastic average in their courses.

SOUTHWESTERN FORENSIC SOCIETY

President—Edmond Carlton Hutchinson.

Business Manager—William Wallace Cox.

This society is composed of men students interested in oratory and debating. In its meetings the members get practice in public speaking under the direction of Professor Kelso and Professor Siefkin. It has charge of the various debates held during the year, and from its membership the intercollegiate debating teams are chosen.

THE PRESS CLUB

President—Harvey Brown Heidelberg.

Secretary—Martha Shaeffer.

The students at SOUTHWESTERN, who are interested in journalism in any of its varied forms, organized the Press Club to enlarge the horizon of its members by having outsiders who are engaged in the work address them at their meetings. The organization is open to any student who submits an acceptable news story, feature story, and editorial.

WOMEN'S UNDERGRADUATE SOCIETY

President—Ethel Woodson Taylor.

This society was organized under the direction of the Dean of Women. Its membership includes all the women students of SOUTHWESTERN, each class being organized separately. The main purpose of this society is to promote interclass competition among the women students in all lines, especially in athletics.

THE LAW CLUB

This club was founded by a group of students interested in the study of law. Membership is open to all who wish to participate in the pursuit of such an organization. Meetings are held every two weeks. They afford the privilege of hearing addresses on different phases of law by prominent Memphis lawyers.

THE NITISTS

Chairman—David Hays Flowers.

The Nitists are twenty men from the students and the faculty who meet on alternate Thursdays in the Bell Room of the College. At each meeting one member of the group reads a paper on some subject of philosophic, ethical, or social nature. Then each member in turn is called upon to discuss or criticize the paper. Non-members from within or without the college may be invited to attend meetings when the subjects are of special interest to them.

THE TENNIS CLUB

President—Richard Lamb Dunlap.

The Tennis Club is made up of professors and students. Every spring members of the Tennis Club engage in a tournament for championship in men's singles and doubles, in women's singles and doubles, and in mixed doubles. This club has the use of eight splendidly kept courts which adjoin Fargason Field.

THE LYNX CLUB

The function of the Lynx Club is twofold: to welcome and act as hosts to visiting college teams and guests of the college, and to act as ushers at athletic contests. It is composed of outstanding members of the upper classes. Members of this club wear distinctive red blazer coats with the word *Lynx*, and an "S" on the breast pocket. The college cheer leader and the president of the student body are *ex officio* members of the club.

MUSIC

SOUTHWESTERN has been extremely fortunate in securing the services of Burnet Corwin Tuthill, Bachelor of Arts and Master of Arts of Columbia University, and Master of Music of the College of Music of Cincinnati.

Mr. Tuthill is nationally known as a clarinetist and conductor. His experience in the field of music includes eight years as manager and educational director of the Cincinnati Conservatory of Music, ten years as Secretary and Examiner for the National Association of Schools of Music, and many seasons of directing college orchestras and glee clubs.

The following organizations will study and practice under the guidance and direction of Mr. Tuthill:

THE ORCHESTRA

Careful training is given in orchestra routine. Only the best and most representative examples of orchestral literature are played and performed. A number of home and out-of-town concerts as well as radio programs will be arranged.

THE BAND

The purpose of this organization is to study and perform good band music. It will play at the athletic games and will practice and play marches and other popular airs. A number of band concerts will be arranged.

THE GLEE CLUB

The purpose of this organization is to study and perform the best in classical music and in college songs. Home and out-of-town concerts will be arranged. The Glee Club also broadcasts frequent radio programs.

THE CHOIR

The members of this organization study and perform the best in sacred music. Its members lead the chapel singing each day and have charge of the musical programs at the special Vesper Services which are arranged by the Christian Union throughout the session.

SOUTHWESTERN MUSICAL CLUB

The SOUTHWESTERN Musical Club was organized in 1931 by a group of students and faculty members interested in familiarizing themselves with the best in music. To this end, members who play or sing prepare selections which are presented at the monthly meetings of the club. Local teachers and artists have been generous in giving recitals for the club.

THE SOCIAL FRATERNITIES

There are seven well-established chapters of leading national fraternities on the campus of SOUTHWESTERN. These seven, named in the order of foundation, are Pi Kappa Alpha, Alpha Tau Omega, Sigma Alpha Epsilon, Kappa Sigma, Kappa Alpha, Theta Nu Epsilon, and Sigma Nu.

The various fraternities have plans under way for the erection of lodges on the campus. Two of them, Kappa Sigma and Sigma Alpha Epsilon, have already built splendid lodges.

There are chapters of five national sororities. These are Chi Omega, Kappa Delta, Alpha Omicron Pi, Zeta Tau Alpha, and Delta Delta Delta. All sororities have erected very attractive lodges on the east side of the campus.

Only regular students are eligible for these organizations, and no student may be initiated into one of them until after the first semester. In order to be eligible for initiation, a student must have passed at least twelve semester hours net at SOUTHWESTERN during the preceding semester, and must have the written certification of the Registrar and the chairman of the Committee on Scholarship and Statistics, which cannot be given until all college accounts are settled in full. No course, entered after the expiration of the time allowed for change of course without fee, may count towards the number of hours

credit which a student must obtain to be eligible for initiation into a fraternity or sorority.

In accordance with recent actions of the Panhellenic Councils, and at their request, the faculty has adopted the following regulation:

"No fraternity or sorority may initiate any new members unless the grades of its active members for the two semesters preceding average at least 1.75."

Two societies, Pi and S. T. A. B., organizations which strive to promote friendly relations between sororities, have chapters at SOUTHWESTERN.

THE PANHELLENIC COUNCILS

The Men's Panhellenic Council as an institution is not new at SOUTHWESTERN, but it was in the fall of 1922 that it was reorganized and really began to function in its proper executive capacity.

At this time it was thought to be for the best interests of the various organizations to reorganize the Council, to rewrite its Constitution, and to invest in it the power to command the respect which it deserves, in order that existing and future problems of interfraternity significance might be solved with greater ease and dispatch.

Using the old Panhellenic agreement as a basis, a Constitution and By-Laws were drawn up and adopted. The work of the Panhellenic Council this year has been in the main that

of remedying the most serious defects of the "pledging policy" as practiced in the past.

The special attention of the new student is called to the rules that have to do with this, since a clear understanding of, and a careful adherence to, these rules will probably save embarrassment for both the student and the fraternity.

The Panhellenic Council has the hearty support of the college authorities, and the pledged cooperation and support of each of the fraternities on the campus. As stated in the Constitution, the Council is to handle all matters concerning the several fraternities in their relations with the student body.

RULES OF THE MEN'S PANHELLENIC COUNCIL

The following are the rules adopted by the Men's Panhellenic Council to control rushing for the session of 1935-36:

1. There will be open rushing during the summer until September 11.
2. The quiet season will begin with freshman orientation and will continue until Wednesday, September 18 at 12 noon. Rushing will start at noon Wednesday, September 18, and will continue through Wednesday, Thursday, and Friday. Rushing will end and a quiet period will begin at 1:00 a.m., Saturday, September 21. Pledging will be by preferential system at 6:15 p.m., Saturday.
3. The Panhellenic Council will make all dates. Each fraternity will submit its list

of prospective rushees, and the dates will be allotted to each fraternity by the Council.

4. Major dates are defined as afternoon dates and night dates. Afternoon dates are to last from 2:00 p.m. until 6:00 p.m. Night dates are to begin at 7:00 p.m. and end at 1:00 a.m.

5. Minor dates are defined as from 12 noon to 2:00 p.m.

6. All rushing and dates shall be within the city limits of Memphis.

7. No fraternity shall prevent or interfere with a rushee's being on time for his next date. Rushees must be prompt in keeping their dates.

8. No rushing party shall be given, the cost of which exceeds ten dollars.

9. There shall absolutely be no change in dates by either the fraternity or rushee.

Any fraternity, a member or members of which violate any of these rules, must pay a fine of not more than twenty-five dollars and not less than ten dollars at the discretion of the Panhellenic Council, within one week of conviction. Failure to pay this fine in full will cause the fraternity so convicted to be deprived of pledging privileges and to be suspended from the Council for the first semester of the 1935-36 session.

Any freshman or new student guilty of participating in any violation of these rules will forfeit his privilege of pledging that fraternity, in whose interest the violation was

made, during the first semester of the 1935-36 session.

The trial of the fraternity or fraternities accused of violating these rules shall be conducted by a tribunal composed of five members of the faculty duly selected by the Panhellenic Council. This tribunal shall convict or acquit by a majority vote. The chairman of this body shall receive and entertain all charges brought against any fraternity.

Council members are:

Richard Lamb Dunlap, President, Alpha Tau Omega.

Robert Harcourt Williams, Vice-President, Sigma Nu.

Francis Buchanan Benton, Secretary, Pi Kappa Alpha.

William Hiram Lumpkin, Pi Kappa Alpha.

William Dunlap Cannon, Jr., Alpha Tau Omega.

Bruce Macon Smith, Sigma Alpha Epsilon.

Jameson Miller Jones, Sigma Alpha Epsilon.

Dorsey Jameson Barefield, Kappa Sigma.

Charles Curtis Taylor, Kappa Sigma.

William Duff Gaither, Kappa Alpha.

William Hamilton Walker, Kappa Alpha.

Richard Taylor Alexander, Theta Nu Epsilon.

John Richard Drake, Jr., Theta Nu Epsilon.

Curtis Filmore Johnson, Sigma Nu.

RULES OF THE WOMEN'S PANHELLENIC COUNCIL

The Women's Panhellenic Council is composed of two women from each of the five sororities represented on the campus.

The following are the rules adopted by the Women's Panhellenic Council to control rushing for the summer of 1935:

1. There shall be closed rushing beginning June 4 at noon and lasting until the formal rushing season in the fall.

2. By closed rushing we mean (a) that no individual engagements shall be made or rush parties of any sort be given for prospective SOUTHWESTERN co-eds, (b) that rushees and fraternity women cannot double-date, (c) and cannot attend the same, small, quickly-planned, informal gatherings. However, we do not feel that we can keep fraternity women and rushees from attending the same "big" or public dances, wedding parties, or house parties at popular resorts near Memphis. Therefore, attending these will not be considered an infringement on these rules governing closed rushing.

3. Rushing will begin one week after the opening of the College. The first of the three teas allowed will be given on Thursday, September 19, and pledging will be on Saturday, September 21 at 7 p.m.

Council members are:

Dorothy Ann Ferguson, President, Alpha Omicron Pi.

Sarah Fox Martin, Vice-President, Zeta Tau Alpha.

Ethel Woodson Taylor, Secretary, Delta Delta Delta.

Elizabeth Pearce, Chi Omega.

Nancy Cunningham Warden, Chi Omega.

Virginia Hoshall, Kappa Delta.

Martha Shaeffer, Kappa Delta.

Rebecca Anne Laughlin, Alpha Omicron Pi.

Gladys M. Crump, Zeta Tau Alpha.

Dorothy Grace Jackson, Delta Delta Delta.

THE SANHEDRIN COUNCIL

The Sanhedrin Council is a disciplinary body, made up of the men's Sanhedrin and the women's Sanhedrin. It is responsible for making and enforcing all rules regarding the conduct of the freshmen.

The following rules have been adopted by the men's Sanhedrin to govern the freshmen for the session 1935-36:

1. Freshmen must speak to all members of the student body and tip their hats to professors as the other students do.

2. Freshmen must allow upperclassmen to enter dining hall first. Four or five freshmen shall sit at each table, moving about from time to time; and they shall occupy the seats next to the wall. Freshmen shall be careful of their manners and see that the upperclassmen are well served.

3. Freshmen must attend all athletic contests and sit together in certain sections.

They shall exhibit much enthusiasm and pep at all times.

4. The first Saturday after the opening of the session all freshmen must have in their possession a farmer type straw hat with a brim not less than four inches in width. These hats must be worn at all times, until after winning the second football game of the season. The wearing of the straw hat indicates who are freshmen and tends to establish class unity.

5. Freshmen must not be seen on the grass, but must use the walks exclusively.

6. With the exception of Saturday and Sunday nights, and on especially designated occasions, freshmen must be in their rooms **STUDYING** by nine o'clock, unless they have an excuse from the chief of the dormitory.

7. Complaints must be made to the Sanhedrin in writing and either signed or presented in person.

8. Within one week after the opening of the session all freshmen must know the Alma Mater song.

9. Freshmen must know all professors by name and must know the departments in which they teach.

10. Anyone failing to comply with the orders of the Sanhedrin will be required to appear before that august body.

The women's Sanhedrin has adopted the following rules for the session 1935-36:

1. Freshettes must know all professors by name and must know the departments in which they teach.

2. Freshettes must speak to all members of the student body.

3. Within one week after the opening of the session all freshettes must know the Alma Mater song. Before the first athletic event they must know the college cheers.

4. Freshettes must attend all athletic contests and sit in certain sections. They shall exhibit much pep and enthusiasm at all times.

5. Freshettes must not attend athletic contests with dates. They must not have "hour dates" between classes.

6. Freshettes must wear their names printed on cards (not less than ten inches long and four inches wide) which must be pinned on the back. Their names shall be printed in large plain letters.

7. Freshettes must not be seen on the grass, but must use the walks exclusively. They must enter and leave Palmer Hall by the front door. Use of the side door is not permitted freshettes.

8. Complaints must be made to the Sanhedrin in writing and either signed or presented in person.

9. Any one failing to comply with the orders of the Sanhedrin will be required to appear before that august body.

SOUTHWESTERN'S ATHLETIC CODE

As an athlete I am determined—

1. To play the game to the limit of my capacities, giving each detail the greatest care and attention.

2. To strive to carry more than my own burden, to do a little more than my share, not seeking help from others.

3. To correct my faults, ever eager to learn and improve, never seeking to cover up or conceal mistakes made.

4. To carry the fight to the opponents with the spirit of the "Old Guard" that dies but never surrenders.

5. To be unselfish in endeavor, caring more for the satisfaction which comes from doing a thing well than for praise.

6. To glory in fighting against odds like the Lacedæmonians, who never asked of the enemy "how many are there" but "where are they?"

7. To hate an alibi, knowing that the man who makes excuses admits his weakness and has a dwarfed soul.

8. To rise above obstacles, to fight harder when the game is going the other way than when winning.

9. To fight with an unconquerable spirit, realizing with every act that "the deed is the measure of the man."

10. To play according to the letter and the spirit of the rules, scorning an unfair advantage over an opponent.

11. To remember that the measure of achievement is not the victories won, but how I played the game.

12. To be undismayed by defeat, but with a will hardened by adversity seek to learn the cause of failure.

13. To be unspoiled by victories, realizing that brave men are softened by success rather than by defeat.

14. To give the best that is in me, to the end that I may be a better student, a better citizen, a better man.

ATHLETICS

The college athletics are controlled by the Committee of the Faculty on Athletics. The semester fee to the college pays for all physical training and for admission to all intercollegiate contests on Fargason Field. Every student, upon entrance, is given a thorough physical examination by the college physician, and, if he is physically fitted for it, he may compete for any athletic team or participate in any form of exercise under the supervision and guidance of the director of athletics.

If not fitted for participation in major sports, he may engage in such games and physical training as are best suited to develop him and to keep him in good health.

SOUTHWESTERN engages in intercollegiate contests in football, basketball, track, golf, and tennis. There is a Tennis Club, made up of professors and students. Every spring members of the Tennis Club engage in a tournament for championship in men's singles and doubles, in women's singles and doubles, and in mixed doubles.

The Committee of the Faculty on Athletics may at any time during a semester limit athletic participation and remove from teams any student whose scholarship record is unsatisfactory.

SOUTHWESTERN is a member of the Southern Intercollegiate Athletic Association and the Dixie Conference. The eligibility of the members of its athletic teams is governed by the constitution, by-laws and rulings of these bodies.
