GENERAL REGULATIONS

Attendance

Every student is expected to be present at the opening exercises in September, to be faithful in the performance of college duties, and to attend church service every Sunday morning. Prompt return after holidays is absolutely essential. Regular chapel and class attendance, including attendance at physical education classes, is obligatory.

Students should consult Chapter IV of the catalogue for full explanation of college regulations.

Withdrawal and Dismissal

No student shall withdraw from the college in the course of any semester before consulting the President or the Dean. A student will be considered in attendance until formal notice of withdrawal is filed in writing.

Smoking

No smoking is allowed in the cloister, halls, or classrooms of Palmer Hall and the Science Building.

REGULATIONS CONCERNING SOCIAL FUNCTIONS

1. All evening parties given by or for a sorority or fraternity or other campus organization or group must be held on Saturday night, or on the nights before a holiday. Afternoon teas and other afternoon parties may be held on days other than Saturdays or on the day before a holiday, but must close not later than 8:00 P.M. Petitions for the exclusive reservation of any dates by any student organization should be submitted to the Chairman of the Committee on Student Welfare **en bloc** by a student committee composed of the Panhellenic Councils as representative of the social fraternities and members of the Student Council as representatives of non-social organizations. Upon the approval of these dates by the Committee on Student Welfare, copies of the social calendar will be filed by the President of the Men's Panhellenic Council with the Dean of the College, the Dean of Women and the Dean of Men in advance of the first function.

2. All men's organizations must secure permission for parties other than those provided for in the calendar from the Dean of Men and all women's organizations must seek the permission of the Dean of Women. Written notification of all such dances or parties must be delivered to the appropriate Dean in advance of such entertainment.

3. At all afternoon entertainments given by sororities or women's organizations which men students attend there must be present at least two women student members from the junior and/or senior classes.

4. All evening parties must be properly chaperoned—i.e., two couples (or individual faculty members) of chaperons are required. Married alumni (ae), who have been out of college for ten years, or parents may serve as chaperons but it is necessary to have at least one faculty member present. The student organization responsible for each evening party must present to the Associate Dean of Women, **one week in advance** of the social function, the names of those who have accepted the student's invitation to act as chaperons and who have accepted the obligation to remain, as chaperons, until the close of the party.

5. Evening parties and dances must close by 1:00 A.M., except that Saturday parties or dances must close by 12:00 midnight.

6. Within one week after evening parties, the fraternity, sorority or campus organization sponsoring such parties must present a written record thereof to the Dean of Women in the case of sororities and women's or mixed organizations, and to the Dean of Men in the case of Fraternities or men's organizations. This record must contain the following information:

- (a) the names of chaperons invited and **attending**.
- (b) the names of a committee (of not less than four or more than ten) responsible for good conduct.

(c) notice of any misconduct observed by the committee.

(d) the hour at which the social function was terminated.

7. No social functions may be held on Sunday or continued beyond 12:00 midnight Saturday.

8. Failure to conform to these regulations will necessitate disciplinary measures on the part of the Administrative Committee.

REGULATIONS FOR USE OF SORORITY HOUSES

1. Sorority houses are to be reserved for the use of women exclusively during the morning hours until 2 P.M.
2. At all afternoon entertainments which men students attend there must be at least two women students from the junior or senior years.
3. At all entertainments after 8 P.M. which men students attend, properly qualified chaperons must be present.
4. The Dean of Women must be notified when the sorority house is to be used after 8 P.M.
5. Entertainments must close at 11 P.M. except for special occasions for which permission has been granted.

REGULATIONS FOR USE OF FRATERNITY HOUSES

1. Fraternity houses are to be reserved for the use of men exclusively during morning hours until 2 P.M.
2. At all afternoon entertainments which women students attend there must be present at least two women students from the junior or senior years.
3. Women are permitted to visit fraternity houses only between the hours of two and six P.M., in groups of not less than four, two of whom must be juniors or seniors, except on the occasions of formal parties.
4. At all entertainments after 8 P.M. which women students attend, properly qualified chaperons must be present.
5. Boisterous or unseemly conduct in any fraternity house will be penalized by indefinite closing of the house.

EXTRA-CURRICULAR STUDENT ACTIVITIES

The Student Council

The Student Council is the official and representative organization of the students at Southwestern. It outlines and presents matters for

the consideration of the student body, and directs relations between student organizations. It helps also to shape public opinion, co-operates actively with the administration, and acts as a clearing house between the students and the faculty. The Student Council is composed of the elected officers of the student body, of the presidents of the four classes, of the presidents of certain campus organizations, and of the editors of the Sou'wester and the Lynx.

The Honor Council

The students of Southwestern maintain the Honor System in their college courses, examinations, and other phases of campus life. It is administered by an Honor Council, which is composed of representatives elected by each of the classes. In any case of dishonesty this body acts as a court, and any student found guilty by it is disciplined, the punishment usually being suspension from the college. A student disciplined by the Honor Council may address himself to the faculty, however, as a court of appeal. Every incoming student is asked at the time of matriculation to sign a pledge promising to uphold the Honor System.

Alpha Theta Phi

Alpha Theta Phi is the scholastic honor society at Southwestern. Its chief object is to emphasize scholarship in the thoughts of the college student. Only those members of the senior class who have made a high scholastic record since entering college are eligible for membership.

Omicron Delta Kappa

Phi Chapter of Omicron Delta Kappa was established at Southwestern in 1927. The purpose of this national organization is to recognize the leaders in college activities, to bring together representative men from the student body and faculty, and to promote the best interests of the college and the student body. Election to O.D.K. is limited to three per cent of the men students. The members must be chosen from the junior and senior classes, and must have distinguished themselves in scholarship, athletics, publications, or other forms of leadership.

Torch Society

Torch Society, the senior women's honorary organization, was established at Southwestern in 1937. The purpose of this society is to grant recognition to the women who have attained a high standard of scholarship or of leadership in campus activities. Invitation to membership in this group of representative campus women is extended on the basis of character, scholarship, and activity points, from those in the upper twenty-five per cent of the junior class.

The Stylus Club

The Stylus Club was organized in 1920 by a group of students and members of the faculty to stimulate authorship and literary criticism. It is purely an honorary society, and requires congeniality and literary ability. Membership in the club is limited to about twenty-four men

and women from the senior, junior, and sophomore classes. At bi-monthly meetings a program is given consisting of original writings and studies of literature.

Tau Kappa Alpha

Tau Kappa Alpha, the national forensic honor society, has a chapter at Southwestern. The purpose of this fraternity is to stimulate forensic attainment by electing to membership students who have shown outstanding ability in speech activities. The fraternity endeavors to promote high standards of speech and interest in debating by sponsoring speech contests and intercollegiate debates. Under its auspices the Southwestern debaters make several trips to other colleges each spring.

Chi Beta Phi

In the spring of 1935, the Chi Beta Phi scientific fraternity established Tau Chapter at Southwestern. This organization, recognized by the American Association for the Advancement of Science, is limited to students who are majoring in chemistry, biology, physics, or mathematics and who have passed at least twenty semester hours of science work with a high average. Chi Beta Phi holds bi-monthly meetings, at which time talks and demonstrations are given by members or by some visiting scientists. These lectures are open to the public and have done much to stimulate interest in the science department of Southwestern.

The Southwestern Players

The Southwestern Players form the dramatic group on the campus. Excellent training and experience are offered to the members in such phases of dramatic art as acting, costuming, staging, stage-lighting, and make-up. The college employs an experienced director. A number of plays are given each year in the college auditorium.

OFFICERS OF STUDENT ORGANIZATIONS

Session 1946-47

Student Body Officers

President—Ernest Flaniken
Vice-President—Evin Perdue
Secretary—Julia Wellford

Class Officers

Senior Class—Mary Langmead
Junior Class—Blair Wright
