**HARDIE AUDITORIUM**

The Southwestern Players wish to extend to their patrons a most cordial welcome to their opening production. We are very happy to have the support of the Alumnae Association who are sponsoring our first performance of the 1941-42 season. As a young organization on the Campus we are proud to announce our acceptance into membership in The Tennessee Association of Non-Professional Theatres and The American Educational Theatre Association, and a seat on The Student Council. The Southwestern Players have elected into honorary membership, Mr. John A. Rollow, in recognition of his unflinching efforts of helpfulness to the technical staff.

Vive Walker, President.
