Overton Zoo

Draws Kudos

To The Commercial Appeal:

I wish to commend the efforts of Dr. Joel Wallach and team for the magnificent job they have made of renovating the Overton Park Zoo. I attended the zoo recently for the first time in four years (the last time I visited, it was terribly depressing), and was very favorably impressed.

The grounds were clean, the animals well-kept and seemingly content, but most of all I noticed the atmosphere of the patrons — there was an air of enjoyment among them — as if the refreshing scenery was refreshing them.

My best to the Wallach team!
