## NATIONAL INSURANCE WEEK

MAY 11-16

## NATIONAL INSURANCE WEEK

MAY 11-16, 1959

Life insurance is the greatest form of thrift used today by our people. Life insurance companies offer employment, finance homes and businesses through mortgages; finance public utilities and schools through bonds; contribute to charity and civic enterprises, and offer protection to your loved ones. Universal Life Insurance Company is one of these institutions. See your Universal Life representative today.
