Mr. A. Maceo Walker; Universal Life Insurance Company; 480 Linden Avenue; Memphis, Tennessee

Dear Mr. Walker:

Thanks very much for your letter dated June 15, 1961, signed by the gentlemen listed below who I am sending carbon copies to, informing me that the Volunteer Organization recommend for the vacancy which will occur upon Mayor Orgill's resignation on the Memphis Transit Authority and requesting that the City Commission approve Attorney A. W. Willis Jr for this position.

As you probably recall in our conversation in the hall at the Court House, I told you gentlemen that I would support Mr. Willis on this appointment.

Hoping that this is the information that you desire, and if I or this Department can ever serve you or your organization in any capacity please do not hesitate to call on us.

Yours truly, Claude A. Armour, Commissioner of Fire and Police
