Mr Robtson Topp  
Memphis Tenn  
Dear Sir

Your favor of 12<sup>th</sup> ulto was duly recd, we  
delayed answering it, Expecting to hear from Mr Fletcher -  
We are truly sorry that there should be any difficulty in regard  
to putting up your Berandah - The man we sent down  
was one of the best we had, in our shops, but it frequently  
is difficult to control men, when out of reach, we  
regret that he has given trouble. I have written Mr Fletcher  
to see you & to do all that he thinks right in the matter

We thank you for meeting your acceptance due  
17<sup>th</sup> ulto - it would have been a serious inconvenience  
to us to have had it returned -

Hoping that everything can be made satisfactory  
to you - We are

Respy your friends  
Wm D Parry
