Mr. Robertson & Sopp

I am sorry my men
made a mistake in directing those
ornaments for you to Mosby & Hunt
It was contrary to Mr Fletchers order
but I believe they had them packed
before they marked any of them and
then they did not know them a part
I would not allowed it if I had of
known of it, if any of them is
Injured please let know and I
will make them good

Respectfully

The Wrench
