**Douglas Rose, D.M.A.**

SUNY Stony Brook

Master of Music  
Master of Arts in Religion  
Yale University

## *Considerations When Performing Baroque Choral and Vocal Music*

As a passionate admirer and performer of Baroque music, Dr. Rose will discuss concepts that deserve consideration when performing choral and solo vocal Baroque music. The lecture will offer insight into the Western European Baroque world in terms of education, science, economics, and technology and it will provide information as to what performers must consider when re-creating/performing a Baroque work in a 21<sup>st</sup> century setting.

Monday, March 9, 2009

4:00pm

100 Hassell Hall
