Southwestern at Memphis

38th Year

MEMPHIS, TENNESSEE, FRIDAY, JANUARY 18, 1957

Vol. 38, No. 12

News in a Nutshell

by Gene Hirsch

The Eisenhower Doctrine

Probably the most important bill before Congress at this time is what the press has named the "Eisenhower Doctrine." If Congress OK's this bill it will mean this: If any Communist power tries to enter or gain control of any country in the Mid-East, the United States, by request of the invaded country, will intervene with troops, arms, or whatever it takes to squelch the Communist campaign.

Need for Doctrine

The need for an Eisenhower Doctrine or something similar stems from the fact that: For a great many years, England had been the power in the Mid-East much the same as Russia is the power in Poland now. The English domination had been successfully keeping Communism in check but it was inevitable that England would have to get out sooner or later. Our asking her to leave just speeded up the process. With England no longer a threat, Russia finds no opposition to the spreading of communism.

Vulnerable Position

Feeling partly responsible for the vulnerable position that the Arab nations now find themselves in, and realizing the danger to our democracy that the loss of these countries could mean, the United States had to take a stand.

Questions Asked

Some of the questions and answers on the subject were as follows.

Q. Would the Eisenhower resolution heighten the tensions with Russia?

A. Perhaps, but then so did the Marshall Plan, NATO and other proven ways of stopping Communist aggression.

Q. Isn't the U. S. now being just as aggressive toward the Middle East as the British and French were?

A. "There is all the difference in the world between attacking a country and offering to help a country against attack. We will only act in the area at the request of the countries concerned.

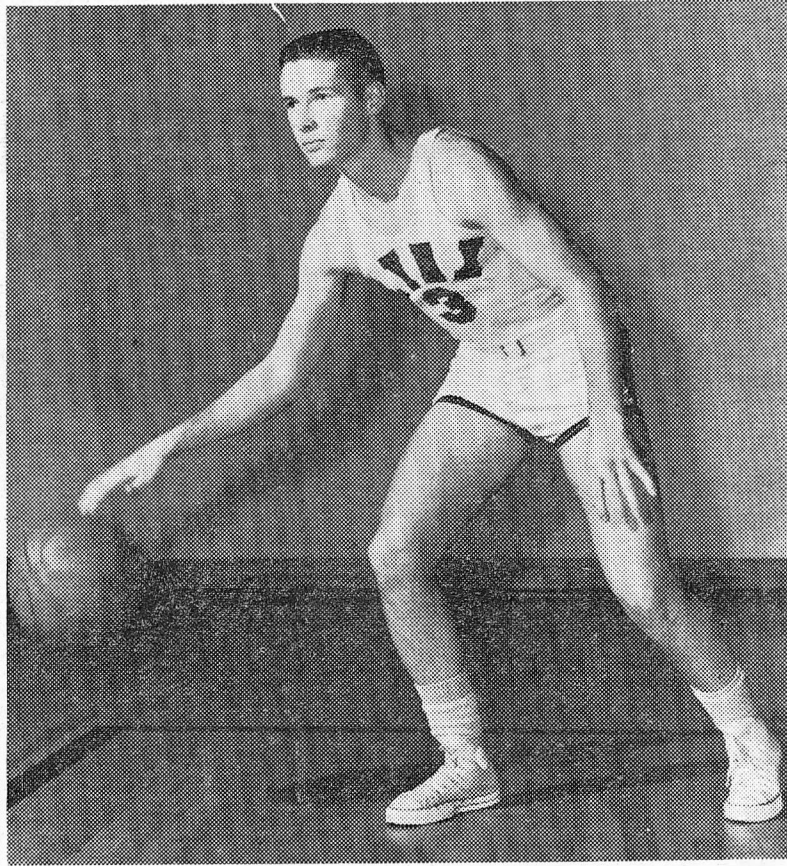

Blank Check

Q. Wouldn't the resolution be a blank check for the Executive to declare war?

A. I do not call this a declaration of war, either present, future, or deferred. I call this a declaration of peace because I do not believe that peace can be preserved unless we make it clear in advance that if aggressors attack the freedom of other countries... we are going to do something about it, and something serious. If we do not make that clear in advance, then I think these attacks are much more apt to occur."

Algeria

"Over a nation wide radio-television broadcast, French Premier Guy Mollet last week made public his long-awaited declaration of intentions toward revolt-torn Algeria. It was sadly anticlimatic. Mollet's intentions are almost identical to his intentions of a year ago: Algeria could have free elections once the rebels had agreed to a ceasefire, but she could not have independence. According to one angry Arab spokesman, "This declaration offers no opportunity for an eventual peaceful settlement."

JOE BOALS, LYNX SOPHOMORE, will lend his experience and fine ability as a ball handler to the Southwestern cage quintet Saturday night. For an evening well spent, come to the Gym and watch Joe and his teammates battle it out with Union University.

MAYBRY ISSUES

Campus Challenge

Attention Southwestern Student Body! Athletic Director Bill Maybry puts this challenge before the students. The average attendance for Southwestern home games in Basketball is a meager 180 students per game, and we have around 600 or 650 in the student body. Therefore, Mr. Maybry "double dog dares the student body to have more than 180 people at the game Saturday night, against Union."

We have a fine team with a great spirit, sparked by Captain Bill Young. There is no reason why the students show such a lack of interest in their athletic teams. Why not give them a chance and support them only once? Let's all make a point to be at the gym Saturday and support OUR team.

DDD Announces Scholarship Awards Date

Scholarships will be awarded to several Southwestern girls this year by TriDelta sorority. Each year the local Tri Delta chapter makes available scholarships up to the amount of \$200. This is a part of the National Organization's philanthropy project. All women students in colleges where there are Tri Delta chapters are eligible to apply. They may, or may not, be fraternity members but they should be well-qualified students, showing promise of valuable service in their future communities.

Awards In Spring

Announcement of awards will be made to the successful candidates by May 15, 1957. Scholarships will be forwarded to the winners at the beginning of the term for which the awards are granted. Scholarships may be used for the 1957 summer sessions.

Application

Application forms are available in the Dean of Women's office. Completed applications must be in by February 23, 1957.

The Tri Delta chapter on campus holds an annual Sock Hop and sells sandwiches in the women's dormitory to contribute funds for these scholarships.

STAB HONORS DOLLY COOKE

S.T.A.B. Intersorority brought out its newest member last week. She is Dolly Cooke, a junior.

Dolly, who is attending Southwestern for her third year, is very active on campus. She is treasurer of AOPi Sorority and secretary of the PRC; she has belonged to the choir and has served as a student counselor.

Saturday, January 19, the Tri Deltas will have a Soc Hop at their Lodge, following the basketball game. Tickets are 50c each, stag or drag, so gals, since this is a backwards hop, grab a guy, or come stag, and dance until 12.

ELINOR SMITH CHOSEN BY PI

Elinor Smith was honored by Pi Intersorority last Tuesday, when she was brought out as the group's newest member.

A junior Psychology major, Elinor is a member of Psi Chi, honorary psychology fraternity. She is Recommendations Chairman and Pan Representative for Tri Delta Sorority, and was selected a Lynx favorite last year. On top of all these honors, she made last year's Dean's List.

Contest Announced For College Queen

The search is on once again for the nation's most beautiful and brainy college girl in the coming fifth annual National College Queen Contest, it was announced by the contest committee. Undergraduate college girls, between the ages of 17 and 24 years, are eligible to enter the contest. Free entry blank forms as well as contest information may be obtained by writing to: National College Queen Contest Director, Convention Hall, Asbury Park, N. J. The Contest is conducted by the National Knitted Outerwear Foundation in coordination with the City of Asbury Park. National grand finals of the contest will be held here at Convention Hall in a three day pageant over June 21-23, 1957. College queens from the forty-eight states and the District of Columbia will compete in the national finals for the title of "1957 National College Queen" and for the accolade as the nation's most beautiful and brainy college girl.

The purpose of the contest is to select and honor the most typical and outstanding college girl in the nation. Judgings will be based on 50% for beauty and 50% for brains. Entry blank forms will request information pertaining to contestants' campus activities, scholastic work, extra-curricular accomplishments, personal interests and post-graduate aims and goals. Entrants will submit an original essay of 250 or less words on the subject, "What College Education Means to Me," as well as a recent photograph of themselves.

Questionnaire

They will also return a special questionnaire form prepared by the Youth Research Institute, an organization devoted to research and survey activity in the college age field. The questionnaire form deals with current events, literature, community and national affairs, the humanities, fashion and hygiene topics, sports, home economics and general subjects which the contest committee has established via a national survey as typical of the average college girl's general fund of knowledge.

Judging Standards

The YRI is the official scoring and marking body for the contest. Contestants will also be judged on their beauty; personal charm and attractiveness; stage presence and general elocution as well as ability to appear in public.

Winner Need Not Be A "Phi Beta Kappa" Nor A "Marilyn Monroe"

Individual state finalists or the new National College Queen of 1957, need not necessarily be the possessor of a Phi Beta Kappa key or the attributes of a Marilyn Monroe. In its attempt to conduct a contest based on a principle combining both "beauty and brains," the contest committee looks upon the results of the past four years with pride of accomplishment. It has established that college girls, especially, possess the combination of attractiveness and scholastic acumen.

Sectional Winners' Awards

As a prize from the contest committee, State and sectional college queen finalists will receive round trip transportation to and from Asbury Park, N. J. to compete in the national grand finals. While competing in the resort city, they will be the guests of the City of Asbury Park and will be under supervision of the Asbury Park University

(Continued on page 2)

Toscanini—End Of A Musical Era

The death of Arturo Toscanini, January 16, 1957, was met with mixed emotions; they ranged all the way from the totally uninformed's remark, "Who was he?" to grown men's shamelessly weeping when they first heard the news.

The death of Arturo Toscanini was indeed the death of an era. To those who loved and appreciated good music as it should be loved and appreciated, it meant that the greatest living conductor in the world had passed away. And Toscanini was certainly the greatest living conductor, if not the greatest the world has ever known at any time.

Presented Greatest Music

The 89-year old genius, after over a half-century of presenting the world's greatest music as it should be presented, has departed to his final resting place. The short, barely-over-five-feet, little man who electrified concert-goers for so many years, has done more for music than any one man since Beethoven.

A Great Man

It was impossible to hear his musical interpretations or to see him without immediately feeling that here was a man out of the ordinary—a man to be respected, loved, and admired throughout the years. In years to come, many of us, when we listen to one of Toscanini's adaptations of a musical work, will find it hard to keep that lump from coming into our throats. For here was a man who laid the foundations that musical interpreters will continue to follow for years to come. He had more sincere love for people than did any other man who possessed the genius which he possessed.

Campus Challenge

God is not one of the interesting electives of college life. He is the most basic one of all. He comes to us as Imperative Demand—as our Creator—our Lord—our Refuge—our Redeemer. He does not come to us pleading to be considered as a part of our life if we have time, or if we please. Rather God says to us as He said to ancient Israel: "Seek ye me, and ye shall live." "Look unto me, and be ye saved all the ends of the earth: for I am God, and there is none else."

Or, in the words of Jesus, "He that believeth on the Son hath eternal life; but he that obeyeth not the Son shall not see life, but the wrath of God abideth on him." He must be our basic course. Without Him, the rest of college cannot truly make sense. There may be knowledge without love of God, but there cannot be true wisdom without the love of God. All truth is of God. God in Christ is not an elective: He is the Foundation of all else.

by Alice Fitch

Widgibus

It's a good thing that we, unlike our English cousins, aren't having a petrol shortage, because the quantity of "midnight oil" being used around these parts is becoming greater as the days go by. It really looks as if the "cram" is on, and boys are having to surpress the urge to step out with the gentler sex and stay at home by the fire with a good book—Embryology of the Pig is really good reading. With the fire of learning suddenly kindled so brightly, the fire of love is being overshadowed—for a while—and pinnings and engagements are being put off until next semester.

Initiation

Congratulations are in order to Louis Bledsoe who was initiated into Alpha Tau Omega Monday night.

Also, congratulations to Dolly Cooke for being tapped by S.T.A.B. and Elinor Smith for being tapped by Pi.

Outstanding Athlete

Good luck to one of Southwestern's most outstanding athletes, Bobby Rose, who will compete in the South Memphis "Golden Gloves" eliminations tonight.

Don't miss the sock hop and BE SURE TO COME TO THE BASKETBALL GAME.

Parting Thought

Well, it's about time to hit the books again, but as a departing word, the next time some bright youngster comes bouncing up and says, "Guten Tag, Wie Gehts," just answer, "Lousy."

College Queen Contest

(Continued from page 1)

Women's Club, official hostesses for the contest. Each state and sectional winner will also receive the "1957 National College Queen Award Plaque" which designates her as the most beautiful and brainy college girl in her state. Prior to competing in the grand finals, the college queens will convene in New York City where they will again be guests of the contest committee at the famous Barbizon Hotel for Women and will participate in special New York City Summer Festival functions as well as tour the United Nations and other Manhattan landmarks. They will also appear on network television programs.

Selection of Queen

Three panels of nationally-known judges, all leaders in the fields of education, beauty, fashion, sports, community life, theatre and television, will help select the new 1957 National College Queen winner.

Prominent Judges

The panels will be headed by Col. Clarence E. Lovejoy, noted educational counsellor and author of "Guide To American Colleges and Universities"; Esther Young, Director of the Hartford Model Agency; Ern Westmore, dean of Hollywood's make-up artists and beauty author; screen star Mona Knox; stage and screen star Eddie Bracken; Alice Carroll, noted home economics author and a former editor of Good Housekeeping Magazine; Bruno of Hollywood, famed photographer to the stars; Countess Maria Zichy, internationally-known portrait artist; Tony Lavelli, former Yale All-American basketball star; Johnny and Penny Olsen, husband and wife stars of TV and radio.

Trophy Awarded

The new "1957 National College Queen," who will be chosen on stage at Convention Hall here in June, will receive the National College Queen Contest Gold Statuette Trophy which will be presented to her by Mayor Roland J. Hines before the national theatre and TV newsreels as well as wire service photographers and reporters.

Additional Prizes

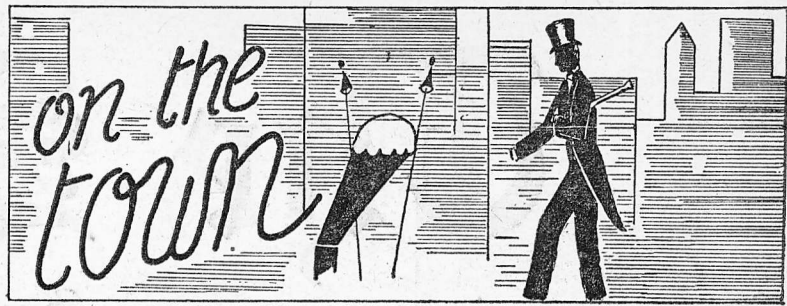

She will also receive special scholarship awards which will include speech and dramatic tutoring if she so desires as well as a complete designer's wardrobe of high styled fashions; an around the clock wardrobe of sweaters designed by the National Knitted Outerwear Foundation; a traveling wardrobe of Samsonite's Ultralite luggage; a complete art supply kit from M. Grumbacker and Co., America's largest art supply house; all-expense vacation and modeling tour; and a choice of a grand tour of Europe during the summer of 1958 or a Hollywood screen test.

TV Appearances

She will also win commercial modeling assignments and TV appearances which will earn extra money for her and will not interfere with her school studies or terms. Many other valuable and utility prizes for the new college queen winner will be announced at a later date.

Points To Winners

Although the National College Queen Contest claims it is the only such contest, on a national level, which is confined only to matriculating college girls, it points with satisfaction that in two other major national contests, the annual "Miss America" and "Miss Universe" contests, the national winners this past year were both college students.

by J. L. Jerden and Bobby Bartlett

With the oncoming rush of finals, each of us must begin outlining our plans for study, and the best such plan ever devised is to go On The Town. (This is not guaranteed to get you a 4 point average but think of the fun you'll have.)

"Rock and Roll" Feature

When a freshman sees his first final, his knees immediately begin to "Shake, Rattle, and Rock" which is one of the features showing at the Warner. Its stars, Fats Domino and Joe Turner, supply the perfect mood music. "Runaway Daughters" with Adele Jergens, Marla English, and Lance Fuller completes this twin bop, rock, and sock bill. These will assuredly make everyone study conscious.

Hope and Hepburn Star

We interrupt this article for a flash news bulletin from Washington: Russia has just given the cleaning industry a weighty problem by announcing the production of the "Iron Petticoat." The full story behind this startling development is disclosed at the Loew's State by former Soviet officer Katherine Hepburn. This comedy is given more meaning by the presence of Bob Hope who creeps about with an ideological can opener.

Strand Offers Adventure

Meanwhile, back at the oasis, the world situation takes on a warmer glow in the form of Anita Ekberg, who stars in "Zarack." This cinema at the Strand also stars Victor Mature and Michael Wilding. If you liked "Arabian Nights," then you'll love the popcorn which adds to the enjoyment of this strange tale of India's rugged Northwest frontier.

Romantic Drama

Dorothy Malone, Robert Stack, and Rock Hudson find that many problems are "Written on The Wind" when they meet in the romantic drama now playing at the Malco. This is a story of the complications which come from having too much money. (I should have such complications.) The plot involves the "eternal triangle" with Lauren Bacall as the hypotenuse.

Story Behind Magazine

The how's and why's behind the publication of the confidential magazines are revealed in the flick, "Slander," currently appearing at the Palace. Steve Cochran stars as the ruthless publisher who is made to realize the effect which his sensationalism has upon the lives of his victims. The victim in this story is Van Johnson, who with the aid of his wife, Ann Blythe, is able to redeem himself and eventually discredit the publisher for his unethical tactics.

French Film

A tremendous reel of suspense which many students are talking about but can not correctly pronounce is "Rififi," being presented at the Ritz. This French chiller stars Penlo Vita, Robert Mauel, and Jean Servais who plan, carry out, and suffer the consequences of an almost perfect jewel robbery. This one is guaranteed to give you that "all shock" feeling.

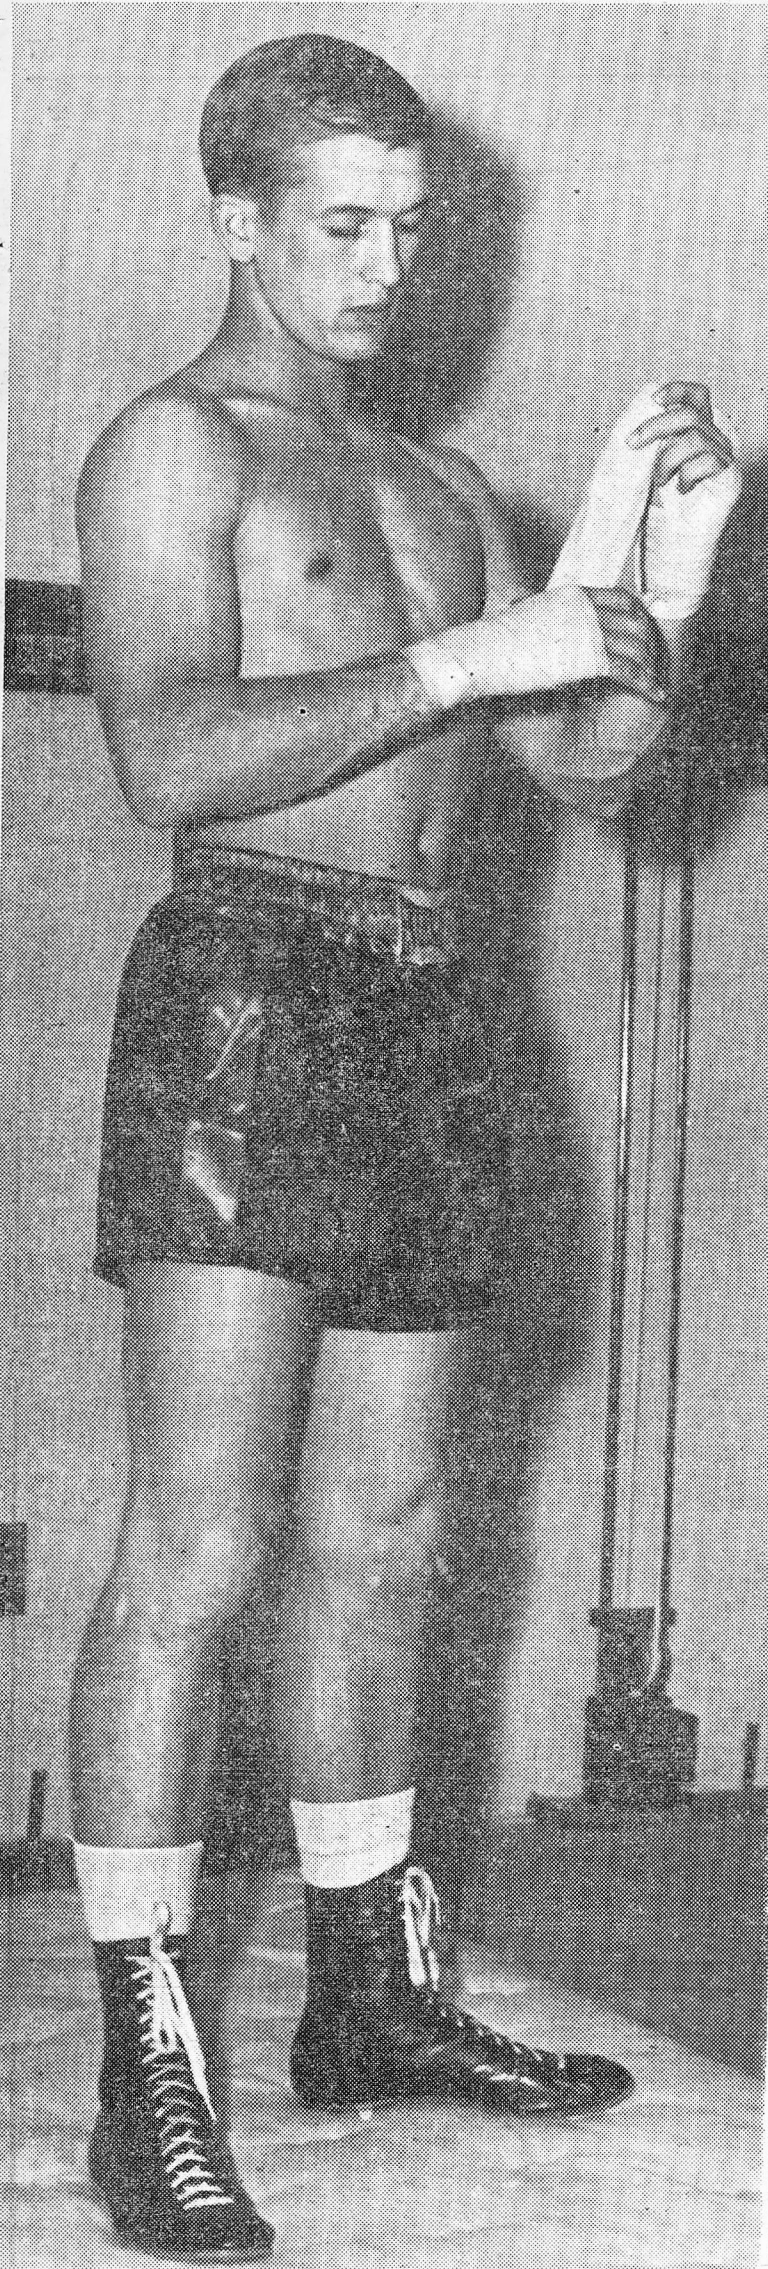

Grand Ole Opry

As sideline attraction for those of our number with high cultured taste, the Grand Ole Opry brings a musical treat to Memphis starring Hank Thompson. Another feature event of this week-end is the basketball game with Union Saturday night.

Until we meet again remember the wise words of Confusion: "To go On The Town is to be real ivy-league."

Don't Go Nuts Go To Israel

Competition is open for one fellowship to be offered by the Government of Israel to an American student, it was announced today by Kenneth Holland, President of the Institute of International Education, 1 East 67th Street, New York City.

Research Work

The research fellowship for the 1957-58 academic year has been offered by the Israeli Government through its Ministry of Education. This award is for a graduate student who wishes to engage in a research project.

Closing date for applications is February 28, 1957.

Nature of Grant

The research fellowship carries a stipend of 1800 Israel pounds (approximately \$900) to cover maintenance and incidentals. Free tuition has been offered by the Hebrewbrew Technical Institute (Technion) in Haifa, or the Weizmann Institute of Science in Rehovoth.

Fields Open

Fields of study preferred for the award are Regional Middle East or Israel Studies (sociology, history, language, or related subjects.) Candidates for Jewish studies are required to know Hebrew. Other candidates are not required to know Hebrew, but teaching at the three institutions is in Hebrew. Candidates for regional studies with knowledge of a Middle Eastern language are preferred. Candidates who wish to do research towards a degree in Israel are not desired.

Requirements

Candidates must be U.S. citizens, preferably under 35. Other requirements are: a bachelor's degree by the date of departure; demonstrated academic ability and capacity for independent study; good moral character, personality and adaptability; and good health.

Application Blanks

Application blanks may be secured from the Institute of International Education, 1 East 67th Street, New York City, or from the Institute's regional offices in Chicago, Denver, Houston, San Francisco and Washington.

"IT'S ALL RIGHT DEAN WILSON—WE'RE SHOWING A MOVIE."

Miss Maer In Recital January 6

With the opening of the new year the Music Department of Southwestern at Memphis will at once continue its season of faculty recitals by presenting Miss Lois Maer in a program of piano music on Sunday afternoon, January 6th. The concert will take place in the Bohlmann Hall, 1822 Overton Park Avenue, at 3:30 P.M. The public is cordially invited to attend.

Miss Maer needs no introduction to the musical public of Memphis for she has established herself in their affections both as a performer and teacher. Her program will open with a group of four numbers by Handel including a Chaconne with Variations and three pieces from the Aylesford Collection. The second offering consists of four Impromptus Op. 90, by Schubert. The climax of the afternoon comes with the Brahms Sonata, Op. 1.

Art At Brooks

(Continued from page 1)

Art Today, which has organized for the purpose of bringing special exhibitions to Memphis. The presentations are contemporary.

Proceeds from the show will be used to purchase new holdings for the gallery.

Southwestern students are invited to attend the reception or to see the show any time during the two-week period. Admission is \$1.00 for the opening or 25 cents on any of the following days.

NAVY OFFERS NEW TRAINING PROGRAM

The Navy's Bureau of Personnel has approved a proposal to commission and designate Naval Aviation Cadets as Ensigns and Naval Aviators prior to completion of the Navy flight training program. This new early-commissioning program will allow Naval Aviation Cadets to complete advanced flying as an officer.

Privileges

The time spent as a Naval Aviation Cadet will be cut from 18 to 14 months, although the length of flight training remains at 18 months. The raise in pay, from \$150.00 a month as a cadet to \$438.00 per month as an Ensign, is substantial and the commission entitles the new Ensign to all the privileges that are afforded commissioned officers.

Information

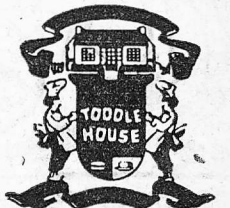

Male students who are interested in the Navy flight training program should contact Lieutenant Commander John W. Fouche, Jr., USN, Naval Aviation Cadet Information Officer, NARTU, Naval Air Station, Memphis 15, Tennessee, or the Naval Aviation Cadet Information Team during their next visit to this campus.

Toscanini Dies

(Continued from page 1)

The name of Toscanini will never be forgotten—the name of Toscanini will forever by synonymous with great conductors. And the name of Toscanini will bring back memories that will be cherished by old and young alike, in this generation, and in generations to come.

Young Loops 29 As Lynx Clobber Millsaps 86-73

Southwestern made a clean sweep of their season's series with Millsaps by beating the Majors 86-73 Monday night in Jackson, Miss. Earlier the Lynx beat Millsaps 61-52.

Scoring

Bill Young again was Southwestern's leading scorer as he netted 29 points. Young is now hitting at a 22.7 clip for the year.

The Lynx benefitted from able rebounding on the part of Fred Bertrand, who picked off 15, and the shooting of MoMo Waller, who collected twenty points. Altogether the Lynx had 48 rebounds and hit 48% of their shots from the field.

Second Half

In the second half with 12 minutes to play Millsaps held a one point edge, 54-53, but the Lynx hit six straight buckets before Millsaps could find the range again and the contest was never in doubt afterwards.

The Lynx put a 6-8 season mark on the line Saturday night against Union in Mallory gym.

Information Offered For Summer's Work

THE ADVANCEMENT AND PLACEMENT INSTITUTE announces publication of **The World-Wide Summer Placement Directory**. This has been prepared as an aid to educators and students who wish new ideas for ways to earn while they vacation.

The Directory gives descriptions of the type of work available with names and addresses of employers regularly needing additional summer employees. Included are summer theaters, dude ranches, travel tour agencies abroad, work camps, study awards all over the world, national parks, summer camps and resorts, and many others.

Additional information can be secured from The Institute at Box 99B, Greenpoint Station, Brooklyn 22, New York.

INTRAMURALS

As predicted last week the debut of intramural basketball followed true to form in that the games have certainly been hard fought contests, full of spirit and enthusiasm.

The A league has shown teams capable of coping with many Shelby County High School teams. In games last Thursday night the KA's beat the SAE's while the SN's beat the Independents. Friday night in a close, rough game the Independents led by Malcolm Jenkins with 17 points beat the ATO's 47-43. A big fault of this game was the fact that there were many unnecessary fouls. The ATO's were paced by Charlie Hammett who hit the nets for 17 points. Also Friday night the SN's met the SAE's. The game was fairly close throughout except for the fact that in many instances the ball just wouldn't drop for the SAE's as they were defeated 54-44. Shep Crigler and Jack Hoelscher paced the SAE road with 12 points apiece while leading the SN's to victory was Danny Logan, who pushed through 18 points, plus taking more than his share of rebounds.

Monday night saw KA meet ATO. The game was close at the start, but the KA's soon jumped to a quick lead from which the ATO's never quite recovered. At the half the score read KA 32-ATO 18, and this 14 point margin prevailed until the end when KA won 59-45. Tall Tom Wescott paced the KA's with 20 points followed closely by Buford and Mount who hit for 14, and 13 points. Don Cross led ATO with 12 points and he and Bob Booth were standout performers on defense. In perhaps the closest game, the Independents won over the SAE's 58-56 in the last second of an overtime period. In the first of the game SAE pulled up from a 7-13 deficit to go ahead 15-13 and from this time on, no team led by more than 2 points. The fourth quarter ended with the score knotted at 52 all and with 3 seconds to go, Kopsinis stole the ball at midcourt, dribbled to the basket and sank a

CATS DROP CLOSE ONE; YOUNG HOT

Southwestern lost a tough game last Saturday night to Sewanee by the score of 70-67. Billy Young, as usual of recent, led the Southwestern scorers with 31 points; however, Larry Isackson of Sewanee was the top scorer of the night.

Seesaw Battle

It just didn't seem to be Southwestern's night to win, and it was a seesaw battle all the way. Toward the end of the game, it looked like Southwestern was finally going to break away and win, as the scoreboard read 68-63 in favor of the Lynx with three and a half minutes to go. But those three and a half minutes proved disastrous; nothing went right for the Lynx and everything right for Sewanee, and when it was over Sewanee had scored 7 points to the Lynx 0.

Final Play

Waller and John Maxwell did their best to help Young out with 13 and 11 points respectively, but an old leg injury to Waller, which was aggravated the day before the game seemed to slow him down some. Southwestern even out-rebounded the taller Sewanee team 39 to 33; they just didn't put the ball through the basket enough times, and when it was all over, Sewanee had three more points and the victory.

Memphis State

Memphis State, Southwestern's neighbors in college basketball fared a bit better than the Lynx in their half of the doubleheader held at Ellis Auditorium defeating DePaul of Chicago 85-81.

crip shot as the gong sounded. Jenkins was high scorer for Independents with 19 points, while SAE was led by Crigler and Dwyer who had 14 points each.

In the Tuesday night games SAE had no trouble in succumbing ATO by a score of 75-45. The game was never in doubt, for the SAE's jumped to a large, quick lead and were never headed. Their big weapon was a fast break which the ATO's couldn't stop plus the excellent set shots of Jack Hoelscher who had 16 points. Crigler had 20. Booth was high man for the ATO's, with 13 points. KA took the Sigma Nu's 58-39 Tuesday night. Tom Westcott paced the KA team with 20 points, 16 of them coming in the first half. The game was extremely close the first quarter with SN leading the whole time until the last few seconds when KA tied it up 13-13. From this time on the game was never in contention. Bill Dowdy was a big factor in the victory by hitting the nets for 14 points. Ray Gwin with 12 points and numerous rebounds and all-around play was a stellar performer for the SN's. Dan Logan was next with 9 points in the losing cause.

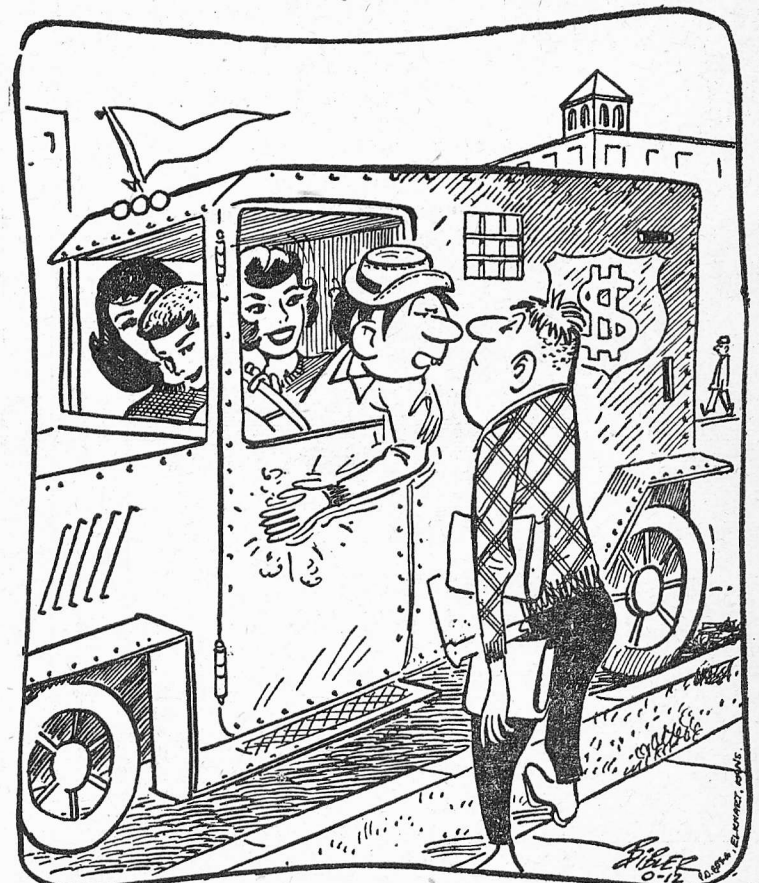

In the B league the SAE team pretty well dominated play; led by Forbes and Wellford they have run over every other team in the league. KA ranks second with 3 victories against 1 loss. The KS's have lost 3 games while the Pikes have a 0-4 record.

The first half results of A league play are as follows; however in the second half games the team to watch, as far as comebacks, is the Independents.

To cool off your passion!"
He laughed... 'til he thought he would die!

P.S. Male knees in Bermuda shorts can be pretty funny too! Fat or slender, either gender, if you like your pleasure BIG, enjoy the real full flavor, the real satisfaction of a Chesterfield. Packed more smoothly by Accu-Ray, it's the smoothest tasting smoke today.

Smoke for real... smoke Chesterfield

\$50 for every philosophical verse accepted for publication. Chesterfield, P.O. Box 21, New York 46, N. Y.
