## Lynx Beauty Review Tonight In Hardie

Southwestern's annual Lynx Beauty Revue will be held tonight at 7:30 in Hardie Auditorium.

In the contest, sponsored by the Lynx Annual staff, eleven girls will be chosen from thirty-five entrants; five of these will be featured as Lynx Beauties when the annual is published.

Entrants, in order of appearance, are: Deanne Runyon, Carol Ann Greaves, Charlotte Peterson, Carolyn Mann, Sarah Morrison, Joyce Walne, Truly Brown, Clara Ann Marmann, Suzanne Files, Elizabeth Rodgers, Eleanor Morrison, Carolyn Atkinson, Betty Sims, Mary Regen, Marilyn Smith.

Other contestants are Sissy Raspberry, Val Soule, Barbara Ashcraft, Sarah Longino, Helen McDonald, Joanna Kindig, Françoise Mommeja, Julie Keaton, Neville Frierson, Sue Williams, Ann Ford, Connie Kitley, Gwen Alexander, Glenda Taylor, Peggy Moffett, Fritz Russell, Regina Meadows, Charlotte Frist, Velma Shankman, Nancy Stepp.

### Judges

The three judges will choose twenty-two girls from the thirty-five for a second appearance before making the final selection of eleven. Those judging are Mrs. Richard Dixon, head model at Gerber's, Mr. William Speer, photographer, who will photograph the winning beauties for the annual, and Mr. Wilson Mount, program director of WMCT.

### Master of Ceremonies

Sam Martin will be Master of Ceremonies for the program which will include intermission entertainment by Clara Stephens, who will dance. The program's theme, carried out by the Decorations Committee, headed by Bates Peacock, will be that of Valentine's Day.

Informal rush has been announced by the Women's Panhellenic Council. Bids will be extended by sororities Tuesday, February 19th.

## Singers To N.O. In Annual Tour

Forty-three members of the Southwestern Singers, their director, Dr. Burnet C. Tuthill, and his assistant, Jack Funkhouser, recently returned from their annual mid-semester tour. This year the Singers held performances at Presbyterian churches and high schools in Mississippi and Louisiana.

The busload of singers, driven by Bill Oakley, veteran of ten such tours, left Memphis Friday afternoon, February 1, and reached Greenville, Mississippi, in time for an evening performance at the First Presbyterian Church.

A full day of driving Saturday brought the group to Bogalusa, Louisiana, where they stopped for a supper given them at the home of the parents of one of the choir members, Ben Miller. But the stop was brief, for New Orleans was the destination of the evening. An early arrival there gave ample time for a look around the French Quarter, doubly exciting for those for whom it was the first trip to that city.

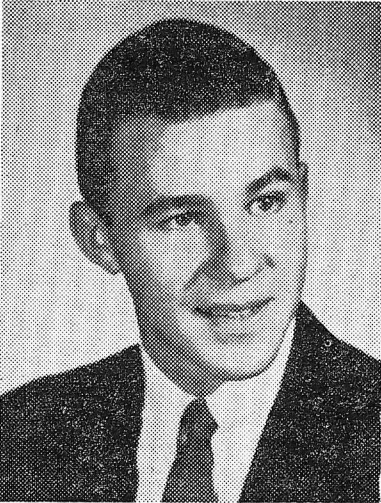

A Sunday morning service was presented at Gentilly Presbyterian Church, home church of Amanda Schmidt. Much of the day was devoted to sightseeing and to becoming better acquainted with the host families, members of the churches at which the choir performed. Grace Morris held an open house for the choir members in the late afternoon. From there they traveled to nearby St. Charles Avenue Presbyterian Church to give

## LEWIS WILKINS NEW EDITOR

Lewis Wilkins, junior from San Saba, Texas, is the new editor of the Sou'wester.

Lewis was chosen by the Publications Board Monday and assumes his duties as editor with this issue. He succeeds Paul Thompson, who served as editor last semester.

Lewis Wilkins

He is a transfer from Schreiner Institute in Kerrville, Texas, where he edited the Mountaineer, student newspaper, for two years.

"I am interested in building a newspaper that will serve student interests and give Southwestern an enterprising and readable college newspaper," Lewis commented. He invites all persons interested in newspaper work, whether experienced or not, to join the Sou'wester staff.

## Gravesmill Presents Recital in Organ

Professor William Gravesmill of Southwestern was presented in an organ recital Sunday, February 10. The performance, attended by more than two hundred people, was given at St. Mary's Cathedral.

Included in the program were selections by Handel, Mozart, Bach, Michelson and Dupre.

Professor Gravesmill came to Southwestern from Akron, Ohio. He is organist and choirmaster at Grace-St. Lukes Episcopal Church. He holds his bachelor's and master's degrees in Music from Oberlin College, Oberlin, Ohio.

## Coach Maybry Organizes Judo Classes for Boys

Beginning today, judo will be offered to all boys taking physical education, Athletic Director William R. Maybry announced this past week. All boys who are interested should see Coach Maybry.

The instructors of this class will be Bill Allen, Southwestern alumnus, and John Farris, with aid from other qualified Judokas in Memphis. Judo will be taught as a sport for conditioning of the body and not as a means to injure someone. Self defense will be taught also but only after the basic principles of judo have been learned.

In case a knowledge of judo is foreign to anyone an exhibition on judo will be presented between halves of the Southwestern-Howard basketball game on February 22.

## Clarence Streit Today In Chapel, "Headlines"

Clarence Streit, author of "Union Now," spoke this morning in chapel and will speak again tonight in the Adult Education Center as a part of the third of the "Headlines" program of the Free World Issues Series.

## New Students Urged To Visit Burrow

All students entering Southwestern this term as Freshman or by transfer will find copies of YOUR LIBRARY PRIVILEGES AND OBLIGATIONS awaiting them at the circulation desk of the Burrow Library. Every library patron must fill out a registration card and agree to abide by all regulations and fulfill all obligations.

The library staff is at all times eager to assist in any problems relating to finding materials for class assignments. Prior to soliciting or accepting such help, every student should be familiar with general library practices and tools for learning and research. Indoctrination hours for new students or for others who wish to review the chief principles of efficient library use will be held at 1:30 on Monday and Tuesday afternoons, February 18 and 19.

## NURSES INVITE CAMPUS MEN

The Student Nurses will hold a dance this Friday night, 8:00 p.m., at the Nurses' Home at the Methodist Hospital. Southwestern boys are invited to attend.

Harriet Byrd

## PI RECOGNIZES HARRIET BYRD

Harriet Byrd has been announced by Pi Intersorority as its newest member. Pi recognizes outstanding sorority women on campus.

Harriet is a member of Delta Delta Delta sorority; she has served as Music Chairman and is this year's marshal. She has been a member of the Southwestern Singers and is pianist for the choir. She was chosen Miss Talent of 1956-57.

Mr. Streit, American editor, foreign correspondent, and president of Federal Union, Inc., will advocate an Atlantic union of nations including Canada and the United States. Bernard Hayhoe, British lecturer, will share the program and will argue the advantages of an exclusively European union as they discuss "Crisis: Future of Europe."

Dr. Ross Pritchard will moderate the discussion. The integration of Europe is a matter of immediate concern, Dr. Pritchard points out. Efforts in this direction and the difficulties involved will be increasingly in the news during the coming weeks.

Mr. Streit, who has spoken before at Southwestern and at the Memphis Public Affairs Forum, has been correspondent in the Turko-Greek War, in Washington, and at the League of Nations. He was in the U. S. Army Intelligence Service in World War II and has been a keen observer and remarkable prognosticator of world events since. In his "Freedom and Union" magazine he predicted seizure of the Suez Canal several weeks before it happened.

## IFC Passes 2nd Semester Rush Rule

At a meeting of the Interfraternity Council on February 13, the following rule was adopted regarding second semester-rush: "No new student may be pledged by any fraternity until three weeks after the Second Semester registration. A new student is one who has never previously attended Southwestern."

In the past there has been no rule relating to rush the second semester. However, with the large number of new men students enrolled, the Council felt a time limit should be set. Students who have never attended Southwestern before this semester will not be eligible to pledge a fraternity until Feb. 26. The rule is effective immediately.

## Dickerson, Warren Presented in Recital

Salliejane Dickerson, Helena, Arkansas, and Diana Warren, Racine, West Virginia, will be presented in a senior voice recital at Bohlmann Hall, 1822 Overton Park Avenue, Sunday afternoon, February 17, at 3:30 o'clock. The program to be given by these two young sopranos will include groups of solos and duets. Accompanist at the piano will be Margaret Redden, Pace, Mississippi, a senior at Southwestern and pupil of Myron Myers.

As a contrast to the singing, two students will be heard in numbers for piano. Betty Winn, Memphis,

## Whence The Petition

The question of what happened to the petition concerning the opinion of the student body in regard to the quality of the food served in the dining hall was answered in the weekly meeting of the Student Council last Tuesday evening.

According to Student Body President Don Parker, the council has held up on presenting the petition to President Rhodes because of the general feeling of tension on campus before exams and to the present time as a result of the situation in the boys dormitories, and other equally unfortunate contributory factors.

The Council acted in the appointment of a committee of the Council to present the petition, not to President Rhodes, but to the dining hall management, in hopes that such action by expressing to them the general feeling of a large segment of the student body will achieve the desired improvement.

We would like to offer our considered opinion that when the petition was circulated for signatures, Parker's explanatory remarks before the student assembly were rather explicit to the effect that the Council would represent the student body in presenting the petition to President Rhodes if it should receive a sufficient number of signatures to warrant such action. It was with this understanding that the signatures were obtained.

We feel quite strongly in accord with the desire to obtain improved quality in the service rendered by the dining hall. We also feel, however, that since the action taken by the student body in the petition was predicated upon given terms of understanding with the Student Council, the student body should be entitled at least to forewarning before those terms are changed.

It is not our purpose to pass judgment on the wisdom or lack thereof of the action taken by the Council in deciding to present the petition to the staff of the dining hall instead of to President Rhodes as they had originally proposed. We do strongly question, however, the apparent lack of responsibility of the Council to the student body in the manner in which the action was taken.

## Campus Challenge

"When you pray, say 'Our Father . . .'"

Once again the World Student Christian Federation is calling the whole Church of God to make special intercession for students. We students are united throughout the world by common circumstances and aims, but we also meet at a deeper level, along with the rest of mankind. We live in God's world, subject to God's law.

Through a common experience of prayer and worship students may transcend the barriers which divide them and come to recognize that oneness which has been given to them in Christ. God is with us, and we are with God. How many people would know that by what we say and do? Is our life a life of prayer? Our lives are the sermons that others understand. Our lives show what our prayers really are. We live out our prayers.

The Day of Prayer has become an occasion for the joint celebration by fellowships of students in praise and thanksgiving to God. On this day we think prayerfully of one another in our different situations and meet within the family of God.

The disciples asked our Lord how to pray, and in response He gave them the prayer we use so frequently. So let us join students from all over the world to say "Our Father"—"in many languages, but in one voice."

## Letter to the Editor

Editor, the Sou'wester:

Recently the Pan-Hellenic Council and the Interfraternity Council petitioned the Student Welfare Committee to revise some of the rules regulating the use of the Fraternity and Sorority Houses on the campus. The clause in Rule Seven under Campus Social Affairs in the Student Council Handbook, which previously prohibited the use of the houses on Sunday, has been revised to read as follows: "No social functions shall be held on Sunday. (This does not prohibit the use of fraternity and sorority houses on Sunday by informal mixed groups on Sunday between the hours of 8:30 p.m. and 11:00 p.m. also. The fraternity and sorority houses may be used by informal mixed groups on Sunday between the hours named above only on the condition that there will be no dancing in the houses on Sunday."

### Place for Recreation

We of the Interfraternity and Pan-Hellenic Councils feel that this new rule will not only increase the use of the houses, which is needed, but will also provide a good place for students to get together on Sunday. We encourage everyone to take advantage of this opportunity. However, the right implies a responsibility and we again remind you of the time limits on the houses: Fraternity and sorority houses may be used from 12:30 to 5:00 p.m. and fraternity houses exclusively from 8:30 to 11:00 p.m. The interval between is to prevent conflict with church. We also remind you that there can be no dancing in the houses on Sunday. When a house is being visited by mixed groups there must be present in the house three women students, one of whom is an upperclassman.

### Change in Rule 11

The other change was a revision of Rule 11 which now allows fraternity and sorority houses to be visited by mixed groups after 12:30 p.m. each day.

President—Interfraternity  
Denton McLellan  
Council

## Opinion Please

by Mary Ann Lee

QUESTION: Are you in favor of abolishing Saturday classes?

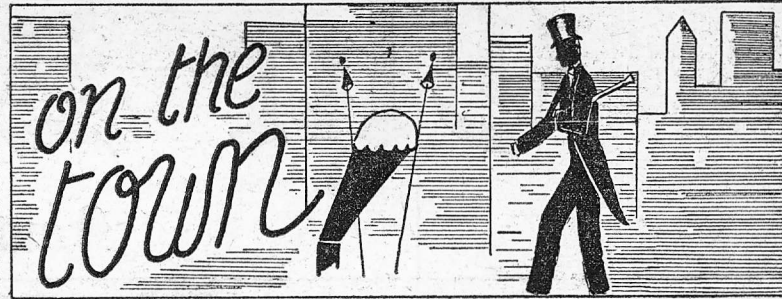

ANSWERS: Carol Ann Greaves, sophomore: No, because without Saturday classes, people would all leave on the weekends, and there would be nobody to support school functions and parties that normally occur on the weekend. I'm afraid it would ruin the school spirit. It has in other schools.

Charlie Ames, sophomore: I would rather have Saturday classes than afternoon classes twice a week. Besides, if you did away with Saturday classes, there wouldn't be anybody around here on the weekend, and that would be bad for the school. If you didn't have Saturday classes, you might as well not try to have social functions on the weekend.

John Templeton, freshman: Without Saturday classes this might turn into a week day school with no activity on the weekend. However, it would leave your weekends free when you wanted to go home and you wouldn't be cutting classes. It probably is a good idea. I'd like to see it tried for a semester to see how it would work out.

Anne Underwood, sophomore: I think it's a good idea and we ought to try it. Afternoon classes wouldn't be so bad, if you could sleep on Saturday morning.

### With Scott Byrd

If you have already read this column, I beg of you: Do not reveal the ending to your friends!

I got this idea from the ads for DIABOLIQUE, the next attraction at the Ritz. (And I should add that the Ritz will not admit you except at feature time, so check the schedule in your friendly neighborhood newspaper.) Having seen this French film twice and having recommended it wildly, I will just raise a question that must be bothering other admirers of Mrs. Cluzot's vividly real performance—she hasn't made a new film, has she? Do you think she really? . . .

### Bergman Stars

For the benefit of the alliteration set I'll note that Bergman's back and Bing and Brynner have got her. She runs the gamut from nun to princess and is magnificent whatever her occupation. The Palace has the 1945 film THE BELLS OF ST. MARY'S in which she struggles with Father Crosby through laughter, tears, etc. The Malco (unless it goes ahead with its next feature DON'T KNOCK THE ROCK, a sort of unmelodic musical) will continue Miss Bergman's award-winning portrayal of ANASTASIA. The script is not always above rather slick melodrama, but the performances always are. In a large cast, Helen Hayes is the old one, Yul Brynner is the bald-headed one, and Ingrid Bergman—well—you can recognize her by the cough.

### Hepburn in Comedy

Another fine actress is around to grace the movie at the Warner. Miss Katherine Hepburn is talked out of a rather parched grass menagerie by THE RAINMAKER (Burt Lancaster). Directed by Joseph Anthony and based on N. Richard Nash's play, this comedy should be both tender and charming.

Elizabeth Browning (nee Barrett) is portrayed by Jennifer Jones at the State. Sir John Gielgud is the father who kept her home so long, and Bill Travers is the man of whom she later wondered "How do I love thee?" Rudolph Besier's romantic play THE BARRETS OF WIMPOLE STREET should once more prove popular and entertaining, although I'm just as glad Tennyson was elected Poet Laureate.

### Strand Offers Thriller

Ruth Roman keeps some spying going JUST FIVE STEPS TO DANGER at the Strand until THE TEN COMMANDMENTS takes over Feb. 21, when we can find out for ourselves if success has spoiled Moses.

The world of the concert stage will have an offering Feb. 19, for Rudolf Serkin will be at the keyboard to render Mozart, Beethoven, Brahms, et al. The New York Herald Tribune has called Mr. Serkin "the greatest living pianist," so you could do worse than to rush to your friendly neighborhood telephone and reserve a ticket.

That exclusive little club La Silver Slipper features a show led by (and I certainly quote) Dave "Flat-Git-It" Gardner, while the Peabody Skyway offers the tunes of Ben Arden (accompanied on musical instruments by his orchestra).

As you may well have foregathered, there isn't anything here at the end for you to reveal to your friends if you had wanted to. But don't be miffed; it's a friendly neighborhood, isn't it? See you—ON THE TOWN!

Welcome back to school—and may you all have a long happy semester! Sixteen weeks before we have to face blue books and exams again, that's really a nice thought isn't it? I can't think of another time of year when Phi Beta Kappa's are held in more awe or envy than right now—when semester grades come out. People (that is Southwestern student-type people) just feel like taking off their respective caps or bonnets and bowin' way down to those student-type people with 3.8 or 3.9 or 4. averages and brand new invitations for PBK membership.

Sincere congratulations to Carrie Edwards, Jane Burns Hosay, Charlene Jayroe, Suzanne McCarroll Clara Ann Marmann, Harriette Mathewes, Eric Mount and Bill Vassey.

Well, a week and a half back from exams and vacation with the KD's Mardi Gras Ball last weekend and the Zeta Stardust Ball coming up tomorrow night. Oh, and don't forget the Lynx beauty review tonight—stop by Hardy and pick twelve winners—your list may not agree with the judges' but then whose ever does?

By some odd circumstances the following people were not formally congratulated upon the occasion of their getting pinned. We're sorry it happened that way but a big congratulations now to Margaret Stewart and "Red" McMillion. Best wishes also to Martha Murphree who is engaged to Eddie Fitch (Alice's brother. Eddie is a Kappa Sig at the University of Arkansas).

The first pledge awards to be announced are those which go to AOPi and Chi O pledges. The AOPi awards go to: Beverly Bowden—Best pledge, Sophie Theodore—Most outstanding, Annelle Gandy—Model pledge, Lila Wrape—Scholarship. The Chi O awards go to: Beverly Dotson—Best pladge, Francis Kilpatrick—Model initiate, Bates Peacock—Best Scrapbook. Congratulations to all these people.

## S. C. Reports

the current activity of the Women's Undergraduate Board.

### Projects

Plans were discussed for the April Fool Play and the Council announced that manuscripts for the play will be accepted.

The next item of business was concerned with the "Dining Hall Petition" which has not been submitted to the administration because of the current friction and trouble in the mens' dormitories. The Council decided to present the petition to the Dining Hall management, rather than to the administration.

A report was given on the formation of a student-faculty committee which investigated the possibilities of Hungarian Relief. The committee decided to bring the matter to the students through the fraternities and sororities with the suggestions that the student body can make provisions to support a Hungarian student on campus or collect money to send for relief.

The President of the Council announced that Southwestern has affiliated with the National Student Association, which will be explained to the Student body at a later date.

### PROPOSALS

The Council discussed suggestions for a progressive night in which all fraternities would give parties and allow students to pass from one house to another. Plans were also discussed to investigate the possibility of opening the tennis courts on Sunday.

An efficient and well-run meeting was somewhat marred by a lamentable lack of interest on the part of a few of the members of the Council. The proceedings gave full evidence to the fact that too many of the representatives fail to think about the problems of the student body except for a brief period on Tuesday evening. This was again shown in the discussion of some of the members who groped blindly, thinking as they went, who from all appearances had given little thought to the purposes of the meeting. An effective Student Council has to be one in which all the representatives are constantly seeking to search out student opinion and are making preparations before meeting to legislate for the student body.

# Intramural Basketball To Unscathed KA

by Louis Zbinden

The 1956-57 edition of Southwestern intramural basketball closed Thursday with KA copping the title with their unblemished record. The two leagues proved their worth in that more boys than ever before participated in some form of intramural athletics, gave subject for many bull sessions, and between the fraternities.

A mighty upset was almost pulled Tuesday night by the scrapping ATO's over the champion KA team. From the very beginning the ATO's led and were ahead at the first quarter by a score of 15-8. However, by the half KA pulled up to within a two point margin 27-25. The third quarter was all ATO's and even more so Bob Booth's, who seemingly couldn't miss. KA made only one field goal the entire third quarter. The ATO's at the end of the third period were ahead by a comfortable bulge of 9 points, 42-33. The fourth period started with a sudden spurt by KA who again came within 2 points at 42-40. The ATO's with 6 minutes to go in the game began to freeze the ball and did an excellent job except for the fact that they began to freeze the ball a little too soon. Mount hit from the right side with a minute and a half to go to tie the game up 48-48. In a few seconds Booth made 2 foul shots to put the ATO's ahead 50-48, seemingly enough for the victory, but with 19 seconds left Morris was fouled\* as he attempted to shoot and made the first of his 2 free throws, the second hit the rim and bounced into the hands of Mount, who swished one in to put KA ahead 53-52. The ATO's took the ball, threw down court to Dortch who was fouled by Biedenharn with 2 seconds remaining. Dortch threw but the ball would not drop through the hoop and the game ended with KA winning 53-52. Mount was the big scorer for KA and the game's high point man with 18; Bill Dowdy was also high for KA with 14. The ATO's big gun was Bob Booth, who pushed through 17 points, followed by Bledsoe and Cross who had 11 each. The game was nip and tuck throughout and certainly gave many a thrill and chill to the spectators.

In other games before semester exams and games since then the KA's beat the Independents 51-32. The game was never in contention for at the half KA led 34-10. Westcott was high point man with 16 points followed by Dowdy with 14. The Independents were led by Alston Jones with 10 points and Sidney Peek with 8.

The SN's beat the ATO's before exams in a close game 53-50. One almost felt it would be a repeat performance by the ATO's when they defeated SN in an overtime game at the beginning of the season. However in this game SN led all the way and the ATO's never could quite overcome their deficit. Gwin pushed through 18 points for the SN's and was followed by teammate Logan with 16. Don Cross was high scorer for the ATO's with 13. Last week the KA's defeated the SAE's 52-42. KA was paced once more by Tom Westcott who had 18 points and Tom Buford pushed in 11 for the KA team. SAE's were led by Hoelscher with 17 and Joe Weeks with 12.

The ATO's beat the Independents 57-50. ATO's were led by Bob Booth who put in 21 points and Dortch hit the nets for 12. Alston Jones paced the Independents with 13 points.

The Independents upset the SN's last week 43-41 and ended up playing the game with only 4 men. Alston Jones and Malcolm Jenkins led the Independents with 13 points each. Jenkins excelled in controlling

the boards. The SN's were paced by Gwin and White who also had 13 points each.

The SAE's beat the SN's Thursday night 47-44. The SAE's were led by Crigler with 11 points followed Hoelscher and Gandy with 10 each. Gwin and Logan took the scoring honors for the night with 15 and 17 points respectively. Wednesday night, the SAE's won again over the Independents in a game which was never disputed. The SAE's, who won by a score of 46-31, were paced by Crigler with 14. Jenkins again was the big gun for the Independents with 12 points and numerous rebounds.

In the B league the SAE's were beaten for the first time by the KS's 38-36. The KS's with new members, Vollmer and Grisso led the SAE's to a real upset victory. The score was tied 36-36 with 45 seconds left and the KS's froze the ball. Then in a Cinderella finish, Vollmer swished one through with six seconds left to win 38-36.

As of Wednesday night in the B league SAE is leading the league with only 1 loss, KA is second with 2 losses, SN and KS are tied for third and the PiKA's are in last place. The standings for the A league are:

	W.	L.
KA	7	0
IND	4	4
SAE	3	4
SN	3	4
ATO	2	5

## ALL-STAR TEAM

Since Basketball is over, it has been suggested that there be an ALL-Star team picked and that they play the winner of the A league. Therefore, since the A league champion of Intramural Basketball is KA this year, the All Stars have been picked from the ATO' Independent, SAE, and SN teams. In all fairness to the teams, the board of experts who picked this team consisted of Billy Young, Joe Boals, Dick Jones, "Red" McMillion, and this writer.

The game will be played Tuesday night at 8:00 p.m. in the gym immediately following the girl's game. The All-Star line-up will be as follows: Lewis Bedsoe, Bob Booth, and Charlie Hammett from the ATO team; Malcolm Jenkins and Alston Jones from the Independent team; Ray Gwin, Dan Logan, and "Mouse" White from the Sigma Nu's; and Jack Hoelscher, Shep Crigler, and Joe Weeks from the SAE team.

Coaches for the team will be John Maxwell and John Hixon.

Everyone remember the All-Star game Tuesday night at the gym. It is bound to prove to be an exciting, close game. Also, come a little before eight to see the girls begin their season.

# SOUTHWESTERN TO INAUGURATE CONFERENCE

Southwestern has been selected by the American Assembly to inaugurate its new "grass roots" approach to international problems with Memphis as the pilot city. The Memphis Assembly, to be held on campus March 21, 22, and 23 is the first of its kind, and may set the pattern for similar assemblies in 15 or 20 other cities.

The Memphis Assembly will function along lines identical with a national program one started by President Eisenhower while he was president of Columbia University and now under the auspices of the Graduate School of Business Administration at Columbia; A non-partisan and non-political group of leading thinkers meet for several days to discuss some phase of American policy and problems, condensing their findings into a report made available for study and information.

Dr. Rhodes was a member of the 1956 assembly held at Arden House, Harrenon, N. Y. Two members of the Southwestern faculty—Dr. Ross Pritchard and Dr. David M. Amacker—have participated in regional assemblies.

Dr. Pritchard, chairman of the Memphis Assembly, plans 3 days of panel discussions on this year's theme, "The Representation of the United States Abroad." The discussions will be held in the Adult Education Center; 10 distinguished tence in world affairs or world trade will be invited from the outside and about 25 Memphians will be asked to participate.

The panels are closed sessions and no participant is quoted by name in the final report, so that complete freedom of expression is insured. The final released report is a summary of the thinking of the group.

Five student committees also will function during the conference.

## Sewanee Poetry Contest

Continued from Page 2

The Bain-Swiggett Poetry Prize was recently established at the University of the South by Dr. Glen Levin Swiggett of Washington, D. C., Sewanee's professor of modern languages from 1903-12, and his wife, the former Emma Bain.

In establishing the poetry prize, one of Dr. Swiggett's intentions is to promote a greater love of poetry and to encourage the recovery of traditional poetic forms. The sonnet, either Petrarchan or Shakespearean, has been designated as the form to be used in the 1957 contest.

Seniors entering the contest must submit their poems unsigned, to the chairman of the English department in their college not later than April 1. Announcements of participation and procedure have been sent to the chairman of the English department in each college invited to share with Sewanee in this first award of The Bain-Swiggett Poetry Prize. Seniors in these colleges should confer at once with their chairman for full particulars, if they wish to compete.

# ArkState Clips Lynx Five, 84-81

The two platoon system employed by Arkansas State combined with a long layoff between games spelled defeat for Southwestern 84-81 February 5.

Billy Young and Mo-Mo Waller led the Lynx scorers with 28 and 22 points respectively, but it was not enough as Jerry Burnett, the 5'5" wonder from State led the Indians' balanced scoring attack with 16 points. The Lynx let a lead of ten points slip from their grasp early in the second half. The last fifteen minutes of the game were close and very hard fought. The lead changed hands a number of times, but State finished with a three-point edge.

Waller and John Maxwell did a good job of rebounding, but every time they turned around, State was sending in substitutes to keep their men fresh and they were able to get a few more rebounds. In field goal percentage Southwestern led State 48% to 38%, but foul shots made the difference for State.

The game ended with Bill Young just 27 points shy of breaking Clyde Carlisle's record of 426 points in a single season.

Young should break that record this weekend as the Lynx travel to Indiana for games with DePauw and Wabash before returning home to play Howard Friday, February 22.

## Eight To TSCC At Monteagle

## Opinion Please

(Continued from page 2)

**Bradley Wallace**, sophomore: I think it would be pretty good. In most schools where they have hour and a half classes, they have ten minute breaks at the end of forty-five minutes. That would make long classes easier to take.

**Bill Wiygul**, freshman: Yes! I'm in favor of anything that would let me sleep on Saturday morning.

**Sally Meak**, Senior: Do we have Saturday classes?

the evening service.

Monday and Tuesday the Singers traveled north through Mississippi, with stop-offs for programs at McComb and Yazoo City High Schools, and an overnight visit at Vicksburg. The top performance of the tour, in the minds of many, was given at the Clarksdale Presbyterian Church some few hours before arrival back at the campus late Tuesday night, February 5.
