GREEK WAR OVER; 127 PLEDGED

HONOR COUNCIL HAS NEW POWER RULES OBEYED

Serious Penalties To Be Inflicted

ALTER METHODS

Frosh Representatives To Be Elected

Southwestern's Honor Council is now endowed with "teeth" that will be a great help in furthering the honor system here.

In chapel one day last week Jefferson Davis, president of the Honor Council, outlined certain new rules that had been made in conference with members of the faculty. The constitution has been revised and certain penalties, necessary to the successful working of the system, have been therein ingrafted.

Students committing serious offenses will be expelled from Southwestern without the privilege of returning here or of entering another college. Suspension for one semester is the penalty for minor cases, and for light cases a warning is given.

NAMES TO BE READ

In addition to suffering a penalty the name of a student indicted by the Council will be read aloud in student body meeting as well as the charge, the sentence and the penalty. Heretofore Council proceedings have been kept secret when a student was being tried.

In a speech he made before the student body, Jeff said, "The purpose of the Honor Council is to foster a spirit of honor at Southwestern, instead of acting as a court to try cases. Members of the Council are not spies; they have the interests of the school and of the students at heart."

President Charles E. Diehl presented a plaque to Davis bearing the symbol of his office.

Freshmen representatives to the Honor Council will be elected within the next six weeks. The junior class will also elect some one to fill the vacancy left by the failure of "Sonny" Beard to return here.

ATKINSON GETS FRESH REPLIES

Intelligence Papers Prove Dumb

"Freshmen are still dumb," says Dr. W. R. Atkinson, head of the psychology department, as he told some of the answers he received from frosh on an intelligence quizz.

"The spark plug is found in the manifold; thermometers are useful because they regulate the temperature."

The United States Naval Academy was removed from its historical location at Annapolis and situated at West Point by some aspiring freshman.

"Karo is a patent medicine and the Plymouth Rock is a breed of chickens," were answers someone else gave.

BAND TO PLAY AT GRID MEETS

More than fifteen students responded to the call of Charles Harrison, band instructor last week.

The band will be organized and will be ready for the first public demonstration on October 5.

The freshman class has a good supply of material, and under the guidance of Mr. Harrison who is widely known as an organizer and director of military bands and concert orchestras in the Tri-States, the band should make a good showing.

Co-eds will also play in the band, and if there are some that have not yet reported to meetings they are requested to do so immediately.

Line Coach

VERN BAUMGARTEN

Vern Baumgarten, former Lynx star and sport writer for the Southwestern, has been appointed line coach, as an assistant to Wes Adams.

Baumgarten is taking class work so that he will be able to complete his credit requirements for a degree by the end of the second semester.

HUGHES WINS TENNIS TITLE

Southwestern Grad Is City Champion

Billy Hughes won the city championship for the second time when he defeated Jimmie Elmore last week. Hughes, representing the University Club, won the singles in the final round, scores 6-3, 6-1, 5-7, 6-4.

In winning the honor for the second successive year, Hughes checked the rally of Elmore who came from behind to win the third set after deucing the count at five all in games.

Billy was Southwestern's star tennis and basketball player. He graduated last June.

WORK STARTED ON 1930 LYNX

Contract for Annual To Be Let Soon

Editor George Booth says that work on the 1930 annual has started and that plans are being made for the taking of photographs.

"Photographs will be made on the campus next week at the latest," Booth says.

Bids for the printing contract must be in by Saturday noon. Early-Freeburg and Toof are local bidders, and Benson of Nashville is an out-of-town bidder. Benson printed the 1929 Lynx.

The engraving contract has been let to Bluff City Engraving Company.

Quibblers Plan Fall Schedule

Quibblers' Forum Debating Society is making arrangements for debating schedules with eastern and northern schools this year. Two tours, one including colleges in Virginia and the Carolinas, and the other, colleges in Illinois and other northern states, are also being planned.

Dr. A. P. Kelso, debating coach, will deliver a series of lectures at the Forum meetings. There will also be debates between club members.

Cromwell Wins Golf Trophy

Billy Cromwell, Southwestern golf star, won the Jim Rollins trophy at the Lumberman's Golf Tournament which was held at the Colonial Club last week. The trophy was given to the man holding low on the morning blind hole. The trophy is a silver candy dish.

\$400,000 DRIVE WILL OPEN SOON

The Mississippi Synod Makes Decision

A campaign for \$400,000 will open soon in the Synod of Mississippi according to the decision that was made at a meeting at Tupelo last week.

The four Synods, Alabama, Mississippi, Louisiana and Tennessee, agreed more than two years ago to raise a fund of \$1,200,000 for Southwestern. The Mississippi campaign never opened because the state was being canvassed at the time for funds for state institutions and other schools within the state. However, the time seems to have come now for the Southwestern campaign to open. The Mississippi Synod is going to attempt to raise the money at one time.

A gentleman booster of Southwestern, whose home is in New York, has agreed to give \$100,000 to the school, if \$400,000 cash can be raised within a certain time. If the Mississippi campaign is a success, and if the other Synods are able to complete their quota of the \$1,200,000 campaign, Southwestern should be able to raise the necessary \$400,000 in order to receive the gift of \$100,000.

President Charles E. Diehl was present at the synod meeting and has expressed himself as being highly pleased with its action. Mayor Watkins Overton of Memphis, member of the Board of Directors from the synod of Mississippi, and Dr. W. S. Lacey, Executive Secretary of Southwestern, were also present at the Tupelo meeting.

TUMBLERS TO GIVE SHOWING

Rasberry and Pahlburg Coach Stunters

Tumbling, apparatus work and pyramid building have been introduced as regular physical education work this year at Southwestern under the coaching of Rasberry and Pahlburg. Rasberry received his gymnastic training at the Y. M. C. A. Graduate School, and Pahlburg was instructor of gymnastics at the local "Y" last year.

Fifteen men have reported for this class, which meets twice each week. Both coaches are pleased with the showing that has already been made, and stated that an exhibition of tumbling, apparatus work, and pyramid building will be held during halves of football games.

No Food Served Unless Paid For

Noon dinners on Sunday will cost seventy-five cents to all those people who do not live in the dormitories, Woodson Harrison, House Manager, has announced. The meal Sunday night will cost the regulation fifty cents.

Meal tickets, good for twelve meals, may be bought for five dollars. These tickets cannot be used for the noon meal on Sunday. Individuals may eat at the dining hall for fifty cents a meal on week days, Mr. Harrison says.

Cash is required before meal tickets can be obtained. No meals will be charged either to students or faculty members.

Lynx Song Books

A book of Southwestern songs and college yells is now available in the supply store. This book contains the Alma Mater and several other songs which are popular at Southwestern and also many of the yells which freshmen will have to learn in preparation for cheering at football games. The book costs twenty-five cents.

Initiate Richmond

Alpha Omicron Pi sorority gave the final degree of initiation to Virginia Richmond last week.

K. A.'s GYPPED; FACULTY WINS

Modern Sheiks Have Lost Technique

The efficiency of the modern sheik is waning. Perhaps the tactics now in use are no longer persuasive, or again it may be that the present technique no longer attracts an elusive damsel. Something is wrong with our present system, for a concrete example of its futility was clearly shown on the campus recently.

Elizabeth Laughlin, a dainty miss, steered her car expertly to rest in front of Robb Hall, defying the penalty for her crime. Two K. A. sweethearts, Omberg and Porter, sat majestically at her side. Then, alas, Dr. Shewmaker, long known as the campus heartbreaker, sauntered over from Palmer. He went through a little pantomime, displayed a few catfish glances, and immediately Omberg and Porter were requested to relinquish their cherished places to Dr. Shewmaker. Miss Laughlin and Dr. Shewmaker were last seen slowly wending their way down the drive to the Parkway.

FIRE FIGHTERS ANSWER ALARM

Frosh Wanted to See Trucks

Scantly attired co-eds, excited screams, muffled moans, frenzied running to and fro, husky voices giving orders, hissing sirens, clanging bells, bell tolling two, but why? Everything was in readiness for a good fire. The chief pulled up in front of Robb Hall with his corps of valiant fire fighters, but still no fire could be located. Students ran around sniffing the air for smoke and seeking out hidden spots for possible flames, but still no fire. What was it all about?

Soon the chief called in his herd and they clamored aboard the five trucks from two stations and left the scene of supposed activity, the victims of some ruthless freshman's desire to see the big town fire trucks.

Saturday Dances For Collegians

The Men's Panhellenic Council will act as a floor committee at East End Gardens Saturday night in the first of a series of dances that will be given for the Southwestern crowd by Cortese Brothers.

Arrangements have been made whereby East End will again open if Southwestern men act as a floor committee, and if the crowd is one approved by the Panhellenic Council.

The continuance of these dances depends on the success of the dance Saturday night, so students are urged to attend and make East End the place where Southwesterners go.

One dollar will be charged each person.

Golfers Will Plan Schedule

Southwestern golfers will meet prospective candidates for the team next week. At this meeting a president of the Golf Association will be elected. Old men returning this year are Sloan Williams, Harvey Kidd, Bob Sanders, and Oliver Cromwell.

The team is handicapped by the loss of L. B. Long and "Sonny" Beard who failed to return this year.

Alumnae Entertains

Alumnae members of Alpha Omicron Pi sorority will entertain with a buffet supper Saturday evening in the chapter lodge in honor of the recent pledges.

Active members of the chapter and the pledges will be guests.

FROSH DIZZY; FRATS FIGHT WITH BUTTONS

Fraternities Get 78; Sororities 48.

EVERYONE HAPPY

Greatest Addition to Greeks in Years

The Greek war ended Saturday night after several days of terrific fighting.

Rushing to the Greek letter fraternities and sororities at Southwestern is now over for another year, and 127 new Greeks are wearing pledge buttons. Seventy-nine men and forty-eight women joined the ranks.

Forty-eight girls pledged Wednesday night to the sororities. Pledging took place this year in Palmer Hall, so the campus eds moved their observation seats from the rock pile to the cloister.

Pledging to the fraternities took place Sunday afternoon.

Following is a list of the new pledges:

Sigma Alpha Epsilon—Ralph Booth, Billy Brinkley, Dick Bunting, William Wright, William Gammage, Ernest Joyner, James High, James E. Byram, Dick Griffing, Charles Simmons, Charles Plummer, Nat Walton, Russell Smith, Marcus Tansey, John Gant.

Kappa Sigma—B. A. Holaday, Wade Holaday, Russell Perry, Jimmie Wilson, William Taylor, Herbert Newton, Clough Eaton, Joe Le-Prince, Claude McCormack, Garrett Ratcliff, Henry Brown, Franklin Kimbrough, Frank Summerville, Sam Murphy, Geo. Mitchell, Dallas Spencer.

Pi Kappa Alpha—George Pahlburg, Louie Dixon, John Hoyt, Harold High, Jimmie Smith, Harry Gillum, Clovis Chappell, Jr., Karl Nickle.

Kappa Alpha—Harvey Drake, Kenan Clinton, Wilson Rainey, William Thomas.

Theta Nu Epsilon—Leon Mapes, Harvey Creech, Cecil Pickens, Martin Agan, Ben Douglass, Robert Orr, Harry Burns.

Alpha Tau Omega—Jack Eden, Oliver Sanders, Frank Jones, Glenn Scott, Sidney Hebert, Goodlett Brown, William Jones, Jack Chambliss, Jack Hogan, Jack Watson.

Beta Sigma—Howell Tatum, Robert Sanders, Norman Olhauser, John Jackson, William Shinault, Thompson Holloway, James Talley, Ray Woods, Basil Segraves, Thad Leggett, L. D. Ritter, John Mosby, Louis Borman, William Cobb, Robert Stedman, Douglas Brown, George Paullus, William Harris, Roger Breyspraak.

Alpha Omicron Pi—Carolyn McKellar, Mary McKellar, Martha McFerrin, Elizabeth Beasley, Emmy Lou Banks, Elizabeth Hagan, Virginia Demuth.

Zeta Tau Alpha—Martha Rogers, Geneva Jones, Elizabeth Richey, Louise Nowlin, Mary Carpenter, Mary Borman, Glenda Rice, Josephine Barker, Willie Mae Gildart, Mildred Everett, Dorothy Whitten.

Kappa Delta—Martha Lovett Tabb, Marjorie Peeples, Martha Glen Bancroft, Phyllis Brownell, Mary Woosley, Mary Moore, Elmer Draughn, Elizabeth Alley, Virginia Finch, Golden Seats, Helen Pointer. Chi Omega—Marilese Montedonico, Dorothy Baldwin, Martha Burton, Eloise Brett, Helen Crump, Anna Lee Earley, Milly Fry, Anne Galbraith, Margaret Harwood, Cordelia Jones, Helen Lowrance, Martha McFadden, Marjorie Raymond, Dorothy Smith, Ione Wall, Emily Wallace, Anne Winston, Sue Watkins, Lorinne Mitchell, Rosabel Archer.

No Blotter

The Publications Board will not grant the privilege this year to any student or students to solicit advertising for a college blotter.

KATS FUR

by
JIM TOM

Then there was the K. A. that got kissed right on the campus!

Of course you heard Prof. H. B. Davis tell in class about the laborer whose trousers were in such a condition that he had to wear his coat around his boarding house.

AND DID YOU KNOW THAT ELISE McDANIEL WANTED TO KNOW IN HISTORY CLASS WHERE THE LINE OF DEMARCATION WAS?

Freshman McCord wanted to know if the machinery located in the Publications office (this machinery rings the class bell on the top of Hugh M. Neely Hall) was that which the Sou'wester was printed with.

A new trip of campus eds is to make freshmen "scramble like an egg" and "fight temptation."

The meanest man in the world is the one who pinned a sign reading thusly: "Come nestle in my arms," on the statue of Venus de Milo.

THEN THERE'S THE STORY ABOUT THE ABSENT MINDED PROFESSOR WHO ROLLED UNDER THE DRESSER AND WAITED FOR THE COLLAR BUTTON TO FIND HIM.

"whatchagotna packidge?"
"sabook."
"wassanaimubitt?"
"sadicckshunery. fullinains. wife's-gonnagetta plecedoganagotta gettanaim ferim."

soph: Who was that Chinese girl you bumped into last night?
frosb: That was no Chinese girl; it was an accidental meeting.

"Have I any mail?"
"What's your name?"
"You'll find it on the envelope."

Doctor: "I must give you an anaesthetic."
Allison: "How long will it be before I know anything?"
Doctor: "Don't you think you expect a great deal of an anaesthetic?"

Our idea of real futility is taking slow motion pictures of a championship chess game.

Voice on phone: Bill Brinkley is sick and can't attend classes today. He requested me to notify you.
Dr. Hartley: All right. Who is this speaking?

Same voice: This is my roommate.

ED: "DO YOU OBJECT TO KISSING ON SANITARY GROUNDS?"
CO-ED: "NO, NOR ANYWHERE ELSE, EITHER."

The ould man: "Our wee Jocko writes that he has taken a fraternity at college."

The ould lady: "Tell him tae be puttin' it back. I'll no be havin' the Dougalls accused of stealin'."

Diocles: "Canst tell me, O oracle, what a pretzel is?"
Witch of Agnesi: "Abracadabram; thou Cissoidian knave, 'tis but a doughnut which hath died doing the Dago Stomp."

I CALL THE LITTLE CHICKENS "SOAP FLAKES" BECAUSE THEY CHIPSO.

Speaker (excitedly): "Ladies and gentlemen, I ask you: Do I look like I descended from a monkey? Do I? Back seat wit: "No, ye don't now, for a fact. Tell us how it happened."

Pi Sky: "I had some news from our Siberian chapter today."
Sister Pi Sky: "What's up?"
Pi Sky: "Oh, not much; only they're still Russian."

Ahoy, Toodle-oo, hast thou heard the one about the absent minded professor swallowed the gun and shot his lunch?

Dick Monk: "Freshman, did you fill your date last night?"
Freshman Plumber: "I hope so. She ate everything in sight."

Freshette: "Do you think we'd make a good team?"
Freshman: "Well, you're a little hoarse and I'm a little buggy over you."

Fond Mother: "And how do you like school?"
Freshman: "At times I've felt a little board."

A subscription to the Sou'wester is \$3 the year in advance.

Visit the Store

The College Store is operating on a larger scale this year than it ever has before, and it is handling a greatly increased supply of stock.

This store is a great asset. It is operated by the Athletic Association with the purpose of increasing Southwestern's athletic fund. Students are urged to do business at the College Store. Anything in the way of toilet articles, sweaters, athletic supplies such as golf clubs, golf balls, tennis rackets, tennis balls, pennants, shoes, fancy shirts, socks, pens, candy, cakes, sandwiches and many other things can be bought at the store at reasonable prices and often cheaper than the same product would cost at a downtown store. Support Southwestern underakings, people. It's your duty!

Pay Your Pledge

Just now as the time to open the \$400,000 campaign in Mississippi draws near, it might be wise to remind old students of the pledge made two years ago to pay \$12 a year during your years at Southwestern towards helping your Alma Mater to a firmer financial foundation.

Think About It

A distinguished member of Southwestern's faculty spoke to a certain student last week about the "stupidity of students" and the "inefficiency of student labor." The statement of his faculty member proves true in many instances.

However, this so-called "stupidity" and "inefficiency" can be destroyed with a little brain work. It's everyone's right and duty to manifest intelligence. It requires a little thinking now and then, that's all.

Some folks would have you believe that students of this day are dumb and that they do not exercise their God-given power to think. If this statement is so, let's start now using our power to think and show such believers where they're wrong.

Players Select Club Thespians

Tryouts for membership in the Southwestern Players were held Wednesday and Thursday afternoon. Thomas Drake was in charge of the tryouts and was chairman of the committee selecting the new members.

More than seventy-five candidates appeared as prospects for the histrionic club, but only thirty-nine were accepted.

The Players are making plans to give the annual fall play. This will be given about the last of November. The play-reading committee, composed of Meredith Davis, Elizabeth Smith, Fritz Heidelberg and Drake, is now busy selecting a play to give.

The following list includes new members of the Players that were accepted Thursday: Elizabeth Alley, Josephine Barker, Gladys Brownell, Virginia Finch, Anne Galbraith, Elizabeth Hagan, Betty L. Jones, Geneva Jones, Helen Lowrance, Helen Pointer, Elizabeth Richey, Virginia Richmond, Emma F. Robinson, Martha Roseborough, Golden Seats, Fay Simpson, Dorothy Smith, Teresa Solomons, Lucille Work, James Byram, Mr. Champlain, Russell Cross, Harvey Drake, Aubrey Dial, Kenneth Eddins, J. P. Hollifield, William Mart'n, John Mosby, James Overholser, Marion Painter, Garrett Ratcliff, Frosh Whitaker, and William Wright.

Library Aids

Library Assistants this year are Albert Johnson, Edmund McGivaren, Thad Hall, Alan Cabaniss, Malcolm McMillan, William Mitchell, Eldridge Lilly, James Overholser and Albert Ford.

Sophoclean Officers

Dr. C. L. Townsend has announced the officers of the Sophoclean Club for the coming year. They are William Mitchell, president; Janice Coke, vice-president, and Maria Hunt Neagus, secretary.

Officers Named

Pledge officers of Chi Omega sorority this year are Marjorie Raymond, president; Emily Wallace, vice-president, and Eloise Brett, secretary-treasurer.

Nitists Meet

Jimmie Hughes will read a paper at the first meeting of the Nitist Club Tuesday night, October 1. The meeting will be held at 8 o'clock in the Bell Room of Hugh M. Neely Hall.

Studes Chase Men

Heidelberg College students drove out of town three men suspected of being scouts for Ohio State University, seeking to induce Merle Hutson, an all-Ohio tackle, to come to State. The three suspects were escorted from town in a truck.—(I.P.)

Soccer Game Tied

A soccer game played last week between Worcester, Mass., and Worcester England, for the purpose of developing friendship between the two communities, ended in a tie match of six goals each. Both teams were made up of amateurs.—(I.P.)

SCALPING

by
SHERRY-KEE

Dear Sherry:

Southwestern is really the place. At least it looks that way. To this old-timer it seems that the freshettes get better looking every year. I haven't met all these babies yet, but you just wait a little while and I'll give you the low-down on them in my next letter.

By the way, I hear that Milton Hawk is going to sacrifice his single blessedness for so-called married bliss. He surely is getting a knockout girl when he gets Arabelle Winkelman. Speaking of romance I notice that T. Hudson and Paul Jones are still wandering around the campus with that gone look in their eyes. Claude McCormack and Dorothy Smith seem to be in the same boat. These Greeks had rushing last week. I stood up in the grandstand Wednesday to watch the last sorority teas. It couldn't compare with the rushing of the last two years. I expected to see weeping and wailing. Too bad that girls' rushing isn't what it used to be.

I was surprised to learn that Sue Hightower had matriculated at Brenau. She has pledged A. D. Pi. Marian Pape has gone to New York to school, and Lina Hughes left last week for Florida State. Poor T. M. I wonder what he will do without her?

You know I'm mighty afraid that the school is going to have to add another radiator to the northwest side of the cloister. Some day I'll tell you why.

I'm out for football again this year. I like Webb Burke, but he surely does believe in work. Hope I can make the team.

Greeks Will Sell Football Tickets

Ten per cent commission on each ticket will be given to the fraternities and sororities selling tickets for football games this year.

Don Fuller, athletic publicity manager, made the above announcement immediately after he had returned from the Methodist Hospital where he had been recovering from injuries received in an auto wreck two weeks ago. Tickets may be obtained from the presidents of the various fraternities and sororities.

As she lowered the pistol and looked closely at him she asked, "Haven't I shot you some place b4?"

To the many students at Southwestern whose friendship I count among my most valued earthly possessions, to others whose friendship I hope to gain, to all the Fraternities and Sororities on the campus, GREETINGS—It's great to have you back with us again.

Owing to the increased growth of the company that furnishes me with spending money I have less time to devote to my friends than formerly, but at any time that I can be of service to you, don't hesitate to call on me. I am always at your command no matter what the hour.

CAMPUS NEWS

Lina Hughes, Chi Omega and sophomore of last year, is enrolled this year at Florida State College for Women at Tallahassee.

Marian Pape, Alpha Omicron Pi and freshette of last year, is going to New York to school this year.

Little Sue Hightower, Southwestern's Georgia earthquake, sent the staff a check last week for the Sou'wester. Sue is going to Brenau this year, and by the way, she is dating at the Alpha Delta Pi house.

Ellen Tucker, Alpha Omicron Pi, who attended Brenau last year, has returned to the home fold.

Dr. George D. Booth, pastor of First Presbyterian Church at Natchez, Miss., was a visitor in chapel last week. Dr. Booth is the father of George and Ralph Booth, students at Southwestern.

Dr. George Stanley Frazer, pastor of Idlewild Presbyterian Church, was also a visitor at chapel last week.

Dick Herring, Delta Kappa Epsilon and transfer student from Vanderbilt, is enrolled here.

Fred Harned, Sigma Alpha Epsilon and transfer student from George Washington University at St. Louis, is a Kentuckian hailing from Hopkinsville.

Elizabeth Fitzgerald of Randolph-Macon, and Imogene McDade of University of Tennessee at Knoxville, both Zeta Tau Alpha's, helped the local chapter during rush week.

Mary Elizabeth Murray, Kappa Delta and student here year before last, is attending Randolph-Macon this year.

Eleanor Beckham, Chi Omega and graduate of last year, is assistant director at Crane's Point Camp, Fenton, Mich.

Dr. A. J. Pope, an alumnus of Southwestern, class 1918, was a visitor on the campus last week. Dr. Pope is now residing in St. Louis.

Jimmie Harrison is a transfer student here from Sewanee. He is a sophomore and his home is Memphis.

Carroll Hewitt, Alpha Omicron Pi, was a visitor on the campus for a few days last week. She is not returning to Southwestern this year.

Ora Johnson, Theta Nu Epsilon, and graduate of Southwestern in 1928, is director of athletics of the recreation department of the Memphis park commission. He conducted a class last week consisting of lessons in game leadership, group classification, athletic games, group games, field events, races and relays.

Rosa May Clark, Chi Omega, returned Monday night to the University of Minnesota where she will receive her degree next June in the art department.

Joe Kitchell, graduate of Southwestern in 1926, was a visitor on the campus Monday. He is studying for the ministry at Louisville Theological Seminary.

Pos Elam, former Lynx coach, came down to look over the new college store and the Publications office Monday. Pos is working with Spaulding Sport Goods Company on North Second Street.

Jimmie Luster, Alpha Tau Omega and sophomore of last year, writes from Mississippi A. & M. College for The Sou'wester.

Members of Alpha Tau Omega fraternity returning this year are Percy Brown, Albert Johnson, Lamar Pittman, William Hall, Meeks Hinson, Charles Diehl, Claude Bowen, George Hightower, Jeff Davis, "Hayseed" Alexander, William Rainey, William Berson, Jack Delay, Edgar Detwiler, Hiram Girard, Jimmie Hamilton and "Chick" Murphy.

Kappa Sigma's returning this year are Jack Dubose, Chauncey Barbour, Bob Logan, Marion Painter, Pat Barrett, Bill Daniel, Jimmie Hughes,

Stanford Parnell Needs Assistant

A call for volunteers for the job of assistant football manager has been issued. Stanford Parnell is manager this year.

Don Fuller, athletic director, wishes all applicants for this job to apply to him in writing stating the year in college, outside activities and other particulars. These applications must be in Mr. Fuller's hands before Monday.

From the lot will be chosen one junior, one sophomore and one or two freshmen.

Johnnie Hughes, Joe Rand, Garlin Boyd, James Mecklin and Joe Wells.

Mary Carpenter, Zeta Tau Alpha pledge, is a transfer student from Alabama College.

M. Davis sailed today for a week-end trip to Europe and points distant.

Vern Baumgarten, former sport writer for the Sou'wester, and also star Lynx football man, has returned to complete the hours he needed to receive a diploma. He is holding down a job as assistant to Wes Adams.

Joe McKinnon, Kappa Sigma and freshman last year, is attending Tulane.

Bob Darden, Kappa Sigma, is working in New Mexico.

Harmen Ayers, graduate in 1929 and Kappa Sigma, is now a student at Princeton Theological Seminary.

Charles Terry is in Louisville, Ky., selling fire insurance.

Will White Holloman, Kappa Sigma, has a position at Denaux.

"Smokie" Hood will enter the University of Alabama at mid-term. He is now at his home in Bessemer.

Kappa Delta's returning this year include Janet Moody, Frances Arthur, Meredith Davis, Addie Louise Murray, Martha Roseborough, "Jimmie" Walls, Virginia Davis, Frances Durham, Martha Hamilton, Martha Hogg, Margaret Kimbrough, Mary Carolyn Lee and Elizabeth Smith.

Barbara Bates spent six weeks at Rochester, N. Y., this summer.

Anne Shewmaker entertained a few friends recently in honor of Jane Allen, a former student here, who is now attending the University of Wisconsin.

Katherine Cole, formerly a student here but now attending Grenada College, visited her old Alma Mater recently as the guest of Louise Mauldin.

Dorothy Sandidge, who has been a Southwesterner for the past two years here, will spend the winter in Texas. "Jimmie" Walls spent last week-end at her home in Holly Grove, Ark.

Elmer Draughn spent the week-end at Tunica.

First Scrimmage Is Like Massacre

Frosh Beef Give Varsity Bloody Noses

Like two packs of blood-thirsty savages the varsity and the frosh teams tore into each other with homicidal intentions for the first scrimmage of the season. This was the first tiff of the year, but if gore and injuries are representative of what is to come later on, then this is certainly going to be a good year for doctors and hospitals.

A week of prepping consisting of calisthenics and signal drill had both squads on their toes, eager for the festivities. The fighting palaver and pep that is dear to the hearts of all coaches was very much in evidence as the two teams thundered war-cries and dealt out mid-season punishment to each other.

The varsity had only their experience on their youthful antagonists. Indeed, weight was with the yearlings, and for the first five minutes they confused the varsity with that extra avoirdupois. It took the varsity more than several plays to open up the defense of the "young uns." Gradually, however, the older team began to gain at will over the valiant, stubborn, but youthful herd of frosh' beef.

The varsity is light, but extremely determined. The wealth of backfield material is overshadowed by the minute squad of linemen. They are tough, too.

Let's DANCE

SATURDAY NIGHT

Announcing the Opening of

EAST END GARDENS

Under the Supervision of Southwestern Students

AN ARMY of 65,000

Loyal, Aggressive Employes

AT YOUR SERVICE

THROUGHOUT the history of the world, happiness and progress have been based on Service. No institution in our present-day civilization plays so vitally important a part as do our transportation agencies—and our railroads still are, and must continue to be, by far the most important transportation factor.

That is the reason railroad men and women, generally, are such wonderfully fine people—because they have the knowledge that they are engaged in providing a service that is both necessary and very much worth while. In no other occupation is there greater opportunity for genuine service.

Therefore, it must of necessity follow, that the most successful and progressive railroads are manned by employes who are most loyal, aggressive and progressive. It also follows that those railroads whose employes possess the finest esprit de corps, the highest morale, the greatest loyalty and aggressiveness, automatically become the most progressive and successful.

Missouri Pacific Lines and Missouri Pacific employes both are fortunate. The entire system is manned by one of the finest organizations in the history of the world—and the Missouri Pacific army of 65,000 employes is following the standard of a successful and progressive American institution.

Result—the public benefits almost beyond measure. Every individual in the organization is fully aware of the importance of team work and there are few armies—even military organizations—that can exhibit the singleness of purpose; the effectiveness of concerted attack; the unanimous joy in achievement that motivates the Missouri Pacific Lines army.

Shippers and travelers who have discovered these things have benefited and profited. Some have discovered them accidentally. Others have purposely sought to test out the Missouri Pacific Army. Without exception the army has been found ready and willing to attack the largest or the smallest problem of the shipper and the traveler in order that the Missouri Pacific Lines might be of greatest possible service and so live up to the motto that is emblazoned on its banners and written indelibly in the hearts of all—A Service Institution.

The Missouri Pacific Lines Army is proud of its railroad and the railroad is proud of its army. Both seek great opportunities to be of service.

I solicit your co-operation and assistance.

Coach Webb Burke Treats Lynx Men To Real Work; Lambuth Here Oct. 5

Bill Walker and Ed Detwiler, Tackles, On Injured List; Lloyd and Walton Alternate At Quarter

Long and ardent scrimmages mixed with plenty of running and hitting the dummy has been the dose of practice that Coach Webb Burke has meted out to the Lynx gridders for the last two weeks. Burke has seen his charges in action and feels confident that they will make up for their lack in weight by their eagerness and willingness to work long and hard. Burke believes that a football team is just as strong as its offense, so he is developing one that will circle ends, run cut-backs, and hit the line so fast and hard that first downs will be assured.

Bill Walker and Ed Detwiler, chalked to fill the tackle positions left vacant by Carthel Elder and Lorin King, have both been on the injured list this week. Each one is suffering from a wrenched knee. They have been taking things light for the last few days, but will mix it with the best of them next week. John Hagan and Jim Thomas, reserve tackles, have been showing some speed in the recent scrimmages.

A free for all has been in progress for the wing berths, but it looks as if last year's letter-men, Bob Russell and Percy Brown, will again perform on the ends. Three wingmen from last year's Bobcat eleven, the Hughes twins and Davidson, are putting all their brawn and wits into the game, and with a little more experience will put up a game fight for the wings.

Jeff Davis, the only 200 pounder on the squad, is assured of one of the guard positions if he keeps up the pace he has set so far. Davis alternates with Walker on the offense, as Walker is much faster on the guard around plays. "Shifty" Logan, last year's guard, is again filling the other middle post. John Porter has been shifted from end to guard, and his 175 pounds should make itself known in the line.

Bobby Lloyd has been running the team from quarter in his old time style, but has alternated with Harry Walton, the hard hitter from last year's varsity. Hightower and Hinson have been trying to outpoint each other in broken field running, passing and punting. Both of these men are triple threaters, an asset to any team. Girard, of last year's Bobcats, and Barbour, the unknown, have proven their ability as ball toters, and can always be called upon when in need. Charlie Diehl's toe and ground-gaining have put him right up in the fight for one of the halves. "Four yard" Pittman is living up to his name, just about cinching his place.

The middle bed will fall to "City" Thomason, last season's alternate center. Thomason is a consistent,

headly griddier, but a little erratic in his passes. Bill Berson, former Bobcat center, lacks weight and experience, but plays a steady and dependable game.

The absence of weight in the Lynx line-up will more than be made up by speed and aggressiveness. After the line gets to functioning like a unit, and the backs perform like they are capable of doing, many a dose of woe and grief will be prescribed at Fargason field this year.

The Lynx have another week in which to prep for their first encounter. Lambuth College invades the lair of the Lynx Oct. 5th for the curtain raiser on Southwestern's schedule. Lambuth is a small school, and does not usually offer much opposition to the Lynxcats. The pig-skinners of Southwestern let them down in short order last year, and a repetition is predicted.

Bobcats Ready To Trim T. M. I. Sat.

The Huskiest Team In History of School

When the whistle blows at 3 o'clock Saturday afternoon at Fargason field, the heaviest freshman team ever known at Southwestern will pit wits and brawn against Tupelo Military Institute. Little is known about the invaders from Mississippi except that Pat Wilson, T. M. I. mentor, has always turned out a winning eleven in the past. Eight of last year's aggregation coupled with four all-conference pig-skinners from Philadelphia should prove a rather difficult nut for the Bobcats to crack.

Wes Adams, Bobcat coach, places his hopes in the 180 pound line which he has developed. These rangy youngsters have already shown their metal against the varsity, and will be in tip-top form for tomorrow's fray. Johnson and Carson have been groomed into excellent tackles, both offensively and defensively. "Pig" Hebert, 206 pound guard, just about has his berth sewed up, while McCormack and F. Jones are having it out for the other middle position. Perrett at right end has been showing stellar performance during the practice sessions and should be a source of great trouble to T. M. I.'s end runs and off tackle plays.

Harold High, diminutive quarter from Bessemer, has won his position by his broken field running and pass snatching. Although weighing only 130 pounds, High is in the thick of every play. He will do yoeman chores as well as more than his share of ball toting and passing. The brunt of line plunging and bucking will fall on Wenzler, 175 pound full, while Joyner, Knight, Goldsmith or Harris will skirt ends and carry the oval on through the line plays.

The probable line-up and weights for the Bobcats are:

Pos.	Player	Wgt.
L.E.	Wilson, or W. Jones	170
L.T.	Carson	172
L.G.	Hebert	206
C.	Herrod, or Tally	170
R.G.	McCormack, or F. Jones	150
R.T.	Johnson	160
R.E.	Perrett	180
C.	High	130
H.B.	Joyner, or Goldsmith	162
H.B.	Knight, or Harris	140
F.	Wenzler	188
		160
		175

Y. W. C. A. Meets

The Y. W. C. A. met Monday for the first meeting of the year. A record crowd was in attendance.

Frances Gray is in charge of the devotional work this year. The Book of John will be discussed. Elizabeth Williams is president of the organization.

Plans for a Hallowe'en party are being considered but no definite announcement has been made.

CINDER TEAMS TROT THE PATH

Fifteen Candidates Meet Rasberry

Coach W. C. Rasberry issued the call to cross country men yesterday, and fifteen men eligible for the varsity were issued uniforms of the red and black. This marks the second season of distance running at Southwestern, and interest in this line of sport activity is mounting. No meets have been arranged yet, but Rasberry is dickering with several colleges and universities that will try the metal of the Lynx joggers.

Perry Bynum, star performer of last year's three-milers, matriculated yesterday, and will begin training the first of next week. Bynum is well known in local sporting circles, having participated in many open meets in this vicinity. Roger Wright, Bynum's running mate and letter man from last season, started training yesterday. Wright lacked experience last year, but seasoned considerably on the track team last spring. Huffman and McMillan, the only two men to win freshman numerals in cross country last fall, are both out, and will push the vets for positions on the endurance runs. Gibbons, Webb, and Cromwell, members of last year's squad, are again on hand, and have been showing up favorably in recent practice sessions.

Drake and Brown are setting the pace for the freshmen followers of the cinder path. An abundance of frosh material is on hand, but most of them are beginners at the three mile grind. They will engage in several dual meets mainly to give them the much needed experience.

Some time after Thanksgiving, the annual intra-class and intra-fraternity meet will be held. Cups will be presented to the winning class and fraternity, and individual medals will be given to those who place first, second, and third.

FORMER STAR JOINS TIGERS

"Headlock" Lorin King has joined the fighting Tigers of Clarence Saunders.

Lorin was star tackle for the Lynx for the last three years and he was always most comfortable when he had tough foes to meet. He is one of the toughest gridders Southwestern ever had.

Chapel Monitors

Enoch Webb and Royce Moore are the two new chapel monitors that have been appointed to take the places left vacant by the graduation of John Johnson and the failure of "Doc" L. P. Watkins to return.

Little Alfred Davidson, Mascot Of Calvin Hall, Has Left Father Sad

Favorite of Campus Queens Was Found a Waif By Kind-Hearted June

Little Alfred has returned to his native haunts and pastimes. No more will his cheerful disposition and kindly characteristics prove an example to the residents of Calvin Hall. Lost—never to return! An empty space, never to be filled, prevails in the heart of June Davidson, Alfred's foster parent. June discovered the little waif recently while meandering through the vast expanse of Overton Park. Alfred readily won his way into the hearts of all his acquaintances by his coy glances and boyish pranks.

Alfred was a turtle dear to all those who knew him and a source of envy to those who had not been accorded that honor. He was ready at a moment's notice to entertain his guests with tricks never before witnessed on an American stage. His favorite trick was stretching his neck at full length, then opening his cavernous mouth and displaying a fine set of tonsils. The mobility of his neck was another source of undying interest. Pauline Barton's first comment upon meeting Alfred was, "Oh! what a neck!" By this you can readily see

that his attraction engulfed both sexes.

Alfred remained in our midst for two short weeks. During this time he readily acclimated himself to his new surroundings and was perfectly content and happy. His loss is deeply felt by all those who knew him, and long will he remain in their memory.

"You sell anti-knock gas?"
"Yes, sir."
"Let me have a pint. I want to rub some on my girl's knees."

Co-ed (just operated on for appendicitis): Oh, doctor, will the scar show?
Doctor: Not if you're careful.

Misplaced Football Caused Arab Riots

PRAGUE, Sept. 27—Because an Arab objected to a football landing in his yard is the reason for the first of the recent series of riots at the wailing wall and the ensuing bloodshed in Palestine, is the story told here by Rabbi Moses Blau, attending a world congress of Jews.

According to Rabbi Blau, a Jewish football squad was playing on its field near the Arab quarter. A football was accidentally booted over the fence into an Arab's garden. When a Jewish player went to retrieve the ball the Arab stabbed him. It was his funeral which was the focal point of the first serious riot, in which 28 were wounded, Blau said.

We believe that educated people should understand these truths.

Public Utilities render services that are essential to modern living standards.

These services directly contribute to the convenience and comfort of people hourly each day. They have raised living standards, brought us up to a new plane of material existence; and are, in fact, the agencies by which modern living standards are maintained.

Without these services, present-day conditions would be turned backward half a century, and we would revert to the days of the tallow candle and the ox-drawn cart.

In addition to their contribution to the convenience and comfort of people, utilities are economic factors of important worth to their communities—stimulating channels of trade and business activities with their large pay-rolls and immense purchases of supplies.

These are facts that educated people should understand.
