

OMICRON DELTA KAPPA TAPS

Offices Filled; Elections Over

Organizations Have New Leaders

Most of the offices in various student organizations and societies have been filled now for the 1930-1931 session of college work. The Honor Council elections were held Monday morning. The organizations and the new officers are named below to make it convenient for future reference. The Sou'wester suggests that you clip this article; it will help you to know "who's who" next year.

STUDENT BODY

Harry Walton, president; Roger Wright, vice-president; Jennie Puryear, secretary.

PUBLICATIONS

Sou'wester—James Hughes, editor-in-chief; Schuyler Lowe, business manager.

Lynx—Paul Jones, editor-in-chief; Harold Ohlendorf, business manager.

Journal—Frances Arthur, editor-in-chief; William Mitchell, business manager.

HONOR COUNCIL

James Hamilton, president; Jefferson Davis, vice-president; Margaret Mason, secretary. Members: Harry Walton, Davis, Nate White, Anne Shewmaker, seniors; Hamilton, John Hughes, William Berson, Mason, juniors; Louis Bornman, lone Wall, Harold High, sophomores.

GIRLS' UNDERGRADUATE SOCIETY

Anne Shewmaker, president; Mary Carpenter, vice-president; Margaret Ashley, secretary; junior, Elizabeth Gale, president; Allison Cole, secretary; sophomore, Martha McFadden, president; Mildred Everett, vice-president; Eloise Brett, secretary.

MINISTERS CLUB

Roger Wright, president; Paul Jones, vice-president; Miles Freeman, secretary.

CHRISTIAN UNION

Paul Jones, president; Roger Wright, vice-president; Virginia Richmond, secretary.

SOUTHWESTERN PLAYERS

Marion Painter, president; William Berson, vice-president; Horace Harwell, business manager.

PRESS CLUB

James Hughes, president; John Hughes, vice-president; Lorinne Mitchell, secretary.

CLASSES

Senior—Thomas Drake, president; Horace Harwell, vice-president; Meredith Davis, secretary.

Junior—John Rea, president; John Hughes, vice-president; Margaret Mason, secretary.

Sophomore—Charles Plummer, president; Emily Wallace, vice-president; Louise Nowlin, secretary.

PUBLICATIONS BOARD

Nate White, president; Roger Wright, senior; John McFerrin, sophomore; Keenan Clinton, sophomore; W. R. Cooper, A. T. Johnson, faculty; A. H. Sarafian, bursar.

ALPHA THETA PHI

Barbara Bates, president; Maria Hunt Negus, Anne Shewmaker, Margaret Williams.

CHI DELTA PHI

Elizabeth Smith, president; Hazel Edmunds, vice-president; Jennie Puryear, secretary; Virginia Finch, treasurer.

THETA ALPHA PHI

Thomas Drake, president; Robert Sanders, vice-president; Elizabeth Smith, secretary-treasurer; Hazel Edmunds, corresponding secretary.

BIBLE CLASS

Charles Diehl, president; Malcolm McMillan, vice-president; Norman Gibbs, secretary.

Y. W. C. A.

Margaret Williams, president; Margaret Ashley, vice-president; Lyle Stange, secretary; Eloise Brett, treasurer.

CHI DELTA

Alice Rogers, president; Virginia Finch, vice-president; Elizabeth Smith, secretary.

GIRLS' SANHEDRIN COUNCIL
Anna Hudson, High Priestess.

GLEE CLUB

Marion Painter, president; Horace Harwell, secretary.

(Continued on Page Two)

STUDENT CONFERENCE TO CONVENE THIS AFTERNOON

'Life At Its Best' Is Theme; Dr. Bruce Curry Is Leader; Student Problems To Be Discussed

Delegates from six other West Tennessee schools besides Southwestern will arrive on the campus today to attend the Student Conference promoted by the State Council of Tennessee of the Young Men's Christian Association. The Southwestern Christian Union is in charge of delegate registration and entertainment.

Dr. Bruce Curry, son of Dr. A. Curry Sr., pastor of Second Presbyterian Church and member of the Board of Directors of Southwestern, is the leader of the Conference. Dr. Curry arrived in Memphis Monday and has been the guest of his father.

The first session will be held this afternoon at three o'clock. All students of Southwestern are urged to attend as many sessions as possible. Dr. Curry is associated with the Student Council of the Y. M. C. A. and Y. W. C. A. and has come in contact with thousands of boys and girls through his work. He is a graduate of Davidson College; he attended Richmond Theological Seminary and graduated from Princeton Theological Seminary. He holds the degree of Doctor of Philosophy from New York University.

A newspaper article says of Dr. Curry, "He knows the life that students live; how eager they are to 'get a kick' out of it, and how unsatisfactory most of the 'kicks' are. To be with him makes one feel that there is a man to whom life has yielded some very great secrets."

Books that will be used in the Conference meetings and which will be of help to students may be obtained in the library. Copies of the books to be used are "Facing Student Problems," "Jesus and His Cause," "Jesus of History," "How Jesus Met Life Questions," "Jesus In the Records," "Student Standards of Action," "Studies in the Life of Christ," "Story of Jesus," "New Challenges to Faith," "Life at Its Best," "In Quest of Life's Meaning," "New Studies In Acts."

The method to be followed in the Conference at Southwestern will be of demonstration studies and group discussions rather than lectures. Problems running the whole range from questions of campus social life to national and world problems, and questions on God, prayer and the genius of Christianity will be discussed. "Life At Its Best" will be the theme of the Conference; Dr. Curry will serve as the director of student thought to learn how to appreciate life thusly.

Sigma Upsilon To Have Banquet

Stylus Club of Sigma Upsilon will enjoy its annual banquet at Parkview Hotel tonight. Abe Fortas, the retiring president, will preside and the election of officers for next year will follow the banquet.

Members and their dates are: Herman Bevis with Mary Evelyn Wailes, Robert Scott with Jane Hyde, John Hagan with Jennie B. Puryear, Thad Hall with Sara Johnson, Nate White with Elizabeth Williams, William Mitchell with Lorinne Mitchell, Roger Wright with Mary Woosley, Allen Cabaniss with Meredith Davis, Jack Chambliss with Frances Arthur, James Hughes with Virginia Finch, John Hughes with Frances Meyer, James Harrison with Geraldine Griffith, Gerald Capers with Helen Crump, Maury Hull with Gladys Gibson, Marion Painter with Jane Barker and Pat Barrett with Katherine Reid.

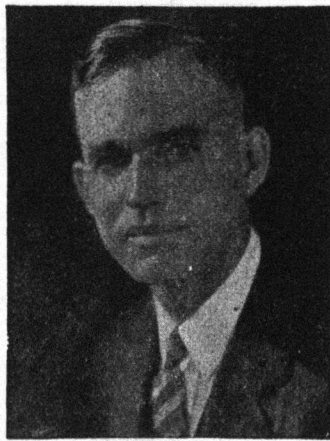

Guests of the club will be Dr. and Mrs. A. T. Johnson, Dr. and Mrs. R. P. Strickler, Dr. Samuel Monk and Prof. W. R. Cooper.

The table will be decorated with spring flowers, green tapers, and white candles.

New Shakespeareans

Garrett Ratcliff has been appointed by Dr. C. L. Townsend to serve as president of the Shakespeare Club for the session beginning next fall. Dorothy Smith will be vice-president and Robert Orr, secretary.

Leader

DR. BRUCE CURRY

who will be the leader and director of the Student Conference, the sessions of which begin this afternoon at 3 o'clock.

CLUBS FAILING TO PAY ANNUAL

Books To Be Sent c.o.d. To Delinquents

Due to several unfortunate but unavoidable delays the printers find it will be impossible to deliver the 1930 Lynx before the close of school, George Booth, editor, has announced. A shipment of plates from the engravers to the printers was lost in transit and could not be traced until last Tuesday.

The editors have been working on a close schedule all year, due to a late start in the fall, but all copy and plates were finished in time for the book to be delivered the last of May, but because of the temporary loss of the plates in shipment, the delivery of the annuals will not be made until June 15 or thereabouts. The books will be mailed by the printing company to all students at their summer address.

A list of home addresses will be obtained from the business office; students are asked to give any changes or corrections to the editor or business manager so that the book will be mailed to the correct address. Announcements concerning the obtaining of summer addresses will be made in chapel.

A number of clubs have failed to pay the contracts made with the annual, and those members who have not paid will receive their books c. o. d. for the amount due the Lynx. The amount may be left in the office and will be credited to the account of the student. By doing this the c. o. d. charges will be removed. Only those students who are in debt to the Lynx at the close of school will receive their books c. o. d.

Y. W. Cabinets Dine At Lantern

The incoming and retiring Y. W. C. A. officers and cabinets entertained Miss Elizabeth Smith, student secretary of the South of the Y. W. C. A. movement, at a dinner in her honor at the Blue Lantern Thursday night. The members of the new cabinet who were installed in office at the same time were Margaret Williams, president; Margaret Ashley, vice-president; Lyle Stange, secretary; Eloise Brett, treasurer; Virginia Richmond, Meredith Davis, Margaret Smith and Anne Galbreath.

Notice!

All men rooming in the dormitories must vacate their rooms immediately at the close of the semester on the afternoon of June 3. This requirement is necessitated by the fact that the college is to entertain the Tennessee Training School for Auxiliary Workers. Their session begins on June 5 and the ladies who attend are to occupy the dormitories. It will be necessary to prepare the rooms for these guests on June 4.

I am authorized by President Diehl to announce that students other than seniors will not be required to remain for the exercises of Monday and Tuesday, June 2 and 3. All students are required to attend the baccalaureate service on Sunday morning and the service under the auspices of the Southwestern Christian Union on Sunday evening, June 1, and their attendance at these services will be checked. After that all except seniors are free to leave. The authorities will appreciate it if men expecting to leave on Monday will notify them. It is desired to entertain visiting alumni on Monday and Tuesday in rooms that have been vacated.

H. J. Bassett, Asst. Dean.

HAVE GRIDIRON TUESDAY MAY 20

Men Students Looking Forward to Roster

The annual gridiron banquet sponsored by the Southwestern Christian Union will be held Tuesday, May 20, in the Hugh M. Neely Hall.

Two elocutionists, orators, and general bull-shooters, George Whitaker and Malcolm Richie, will be joint toastmasters, and from all accounts that are drifting around they intend to open a bag full of jokes and humor the like of which is seldom seen on this campus. Scandal and takeoffs will be unmercifully revealed to the congregation of males, and faculty members will chime in with their views, this being the one time when a man can speak his mind.

Bill Brinkley's Royal Collegians will furnish some red hot music in the way that only the collegians can do.

The menu will not be in French, much to the disappointment of the French students who thought they would get away with something, but an opportunity will be given each and all to ravenously gormandize himself. Mr. Harrison has his men out scouring the countryside for choice viands to submit to the palates of the "younger set." A cover charge of 50 cents will be in order for the town students. Dormitory students must pay 25 cents.

President Diehl will be present and will speak a few words.

An appreciative audience of the boys on the campus will furnish the applause for the night.

'T' New Priestess Sanhedrin Council

Anna "T" Hudson, elected Tuesday to serve as High Priestess of the Girls' Sanhedrin next year, has announced her six priestesses. They are Virginia Hawk, Elizabeth Smith, Elizabeth Hagan, Anne Shewmaker, Alice Rogers and Jennie Puryear.

Department Gets Museum Cabinets

Nine new museum cases have been added to the chemistry department and have been placed in the corridor on the second floor of the science building. The cases were made to order by the Lee Lumber Company. Specimens of industrial products, chemical freaks, and special equipment will be displayed in the cabinets. The cases will be used for demonstration and display purposes.

4 MEN CHOSEN; ONE SENIOR AND THREE JUNIORS

Capers, Diehl, White, Richie Are Men

SERVICE THURS.

Cooper Explains Aim Of Fraternity

Phi Circle of Omicron Delta Kappa held a tap service Thursday morning, selecting one man from the senior class and three men from the junior class to become members. Gerald Capers, Charles Diehl, Nate White and Malcolm Richie were the men chosen.

Dr. A. P. Kelso, faculty member of O. D. K. conducted the devotional part of the service and Prof. W. R. Cooper explained the purpose and nature of the fraternity. Morris Ford, president, conducted the tap service.

Gerald Capers, a senior, claims Memphis as his home. He has been an interested worker in promoting inter-class activities on the campus for the last three years in an attempt to arouse a greater interest in Southwestern among the students. He is president of Alpha Theta Phi scholastic fraternity and business manager of the Journal. He has always had the interests of Southwestern closest his heart. His qualities for leadership were recognized by O. D. K. Thursday morning.

Charles Diehl, son of President and Mrs. Diehl, has made himself one of Southwestern's outstanding athletes, outstanding not only in knowing how to play a sport, but outstanding in knowing how to play it like a clean sportsman, fair and square. Charlie is one of the most popular boys on the campus, being unassuming and friendly with everyone.

Nate White, junior, comes from Falmouth, Ky., and has interested himself in Southwestern publications, one of the forms of leadership recognized by Omicron Delta Kappa. He served last year as assignment reporter for the Sou'wester and this year as editor.

Malcolm Richie is from Somerville, Tenn. He is one of Southwestern's champion orators, and member of the Quibblers Forum Debating Council, having won his key in that work for three years. He is business manager this year of the Lynx annual and has always proven himself ever interested in Southwestern and her interests.

Student members of O. D. K. are Morris Ford, Albert Johnson, Robert Lloyd, Claude Bowen, Herman Bevis, Abe Fortas, Robert Russell, Fritz Heidelberg, seniors, and Harry Walton, junior. Faculty members are President Diehl, Profs. W. R. Atkinson, W. R. Cooper, E. D. McDougall, R. P. Strickler, and A. P. Kelso.

Training School Has Meeting Here

Southwestern will be the host June 5-12 to the Tennessee Training School for Auxiliary Workers, when its second annual meeting will be held. Delegates to the School will be entertained in the dormitories. Students have been given instructions to vacate their rooms by June 3, so that the dormitories could be prepared for the guests.

Dr. E. D. McDougall, professor of Bible, will be one of the teachers of the school. President Charles E. Diehl will speak Thursday night June 12 at 8 o'clock.

The training school is a diploma course, consisting of 12 units, offering four units for credit and one popular class. Delegates are not required to enroll for credits.

Officers Chosen

Alice Rogers will be the president of the Sophoclean Club during the 1930-31 session, Dr. C. L. Townsend has announced. Stanley Frazer will be vice-president, and Annabelle Cox secretary.

Hula Classes for Men Only Now Held at Honolulu

The men of Hawaii are now learning to dance the hula. The following classified ad appears in a Honolulu newspaper: SPECIAL HULA classes for men only. Same as in days of old. Also instructions in language and music. Mossman's Hawaiian School.

"The tourists are becoming more and more interested in the hula. Even the men want to learn how to do the dance," George P. Mossman, head of the school, said in explaining the demand that led to the formation of the special masculine class.

In ancient times men as well as women danced the ceremonial hulas and had their special dance. In the Islands today there are many Hawaiian men who are adept hula dancers, Mossman explains.

The school heads declare that tourist interest in the arts and customs of old Hawaii is responsible for saving much of the ancient lore of the islands from oblivion.

Years ago, before there were passenger liners calling regularly at Hawaii, the ancient Hawaiian chants and songs were at the point of being forgotten, local observers point out. "Now," they say, "because the world that comes to Hawaii's doors knows them and loves them they are being revived. Tinpan Alley's idea of Hawaiian music is declining in the face of the popularity of the real native melodies."

Authorities on Hawaiian lore predict that the enlivening influence of the tourist will bring about the resurrection of much more of the original Hawaii.—Columbia Missourian.

Some Appreciatin'

If college success for an individual means the salutary changes that any one particular individual has been able to bring about during his residence at a college then W. C. Rasmussen, otherwise known as "Razz", has certainly achieved success. "Razz" came to Southwestern at the beginning of his junior year a transfer student. Clarksdale, Miss., is his home.

He started in as gym assistant and organized a tumbling class. He also started agitation for interest in track and managed to develop a good cross country team. Sufficient interest was manifested in the sport new to Southwestern that a track was built last spring; Southwestern has developed a good track team, and track is firmly established as a sport at Southwestern.

Last year "Razz" took the track men to the S. I. A. A. meet at Clinton, S. C. and placed Southwestern eighth. This year he again entered the Lynx men and walked off with fourth place and several individual honors. Southwestern has also sponsored two successful varsity meets on the Lynx track this year and one freshman meet.

PART AND PARCEL (Ka Leo O Hawaii)

Hawaii is a foreign country! That is what we should believe if we are to take the "North Dakota Student's" word for it. According to an article in the Daily Student, official publication of the University of North Dakota, "Nine students from other countries are enrolled here, Hawaii and Canada each have four, while Portugal has one." Imagine the Territory of Hawaii, the Paradise of the Pacific, the land that raises cane and pineapples for Uncle Sam, being put in the same category with Canada and Portugal!

For the benefit of the Dakota Student we wish to inform the whole world that Hawaii is a bona-fide integral part of the United States of America, that by articles of annexation promulgated in 1898, residents of Hawaii are American citizens with representation at Washington.

Perhaps the writer of the article in the columns of our contemporary made some unexpected mistake, maybe he knew better, but a slip of the fingers on the typewriter brought on the error. Granted that our contemporary knows better, at least he should, we nevertheless would like to inform he, she or it, that we in Hawaii are proud of our affiliations with the greatest republic in the world, that we honor the name of America, and all things American, and that we thoroughly resent the classification of "other countries" especially when coming from an American institution.

We sincerely hope that people will stop calling us a foreign country and recognize our true status. We are no more foreign than North Dakota is. Living out here 2,100 miles from the mainland does not mean that we are foreign, and we certainly want to have people know that.

"Is this a first class restaurant?"
"Yes, but if you sit over there in that dark corner, we'll serve you."

IS THE STRAIN TOO HEAVY?

Is the strain placed on Southwestern men and women too great for them to bear; is it too great a strain on the honor of our students to refrain from doing anything wrong, or do we possess an honor which will come to be a tradition of the school? Can it be said of a Southwestern student, "A Southwestern man doesn't cheat," as it is said of a Williams man? Honor has become so great a tradition with some schools that a man guilty of cheating would be a social outcast the minute the thing became known. May Southwestern students take it upon themselves to establish the tradition and rule that a "Southwestern man does not cheat." The way in which articles of clothing, books and pieces of money disappear from rooms is not establishing that tradition. That tradition can only be established when the students take it upon themselves to socially cast out those men guilty of the crime. May the strain not be too heavy.

Southwestern students should consider Southwestern Dixie's finest school; Southwestern men should consider Southwestern belles Dixie's finest; and Southwestern girls should consider Southwestern men Dixie's finest. That any Southwestern boy, generally considered a gentleman, should so debase himself and the character God-given him, by talking in a common, ordinary way before any member of the opposite sex is a condition to be deplored. Some men think that to be clever and to carry on a flashing conversation requires the constant use of downright "common" expressions and profanity. That kind of talk should not be tolerated at any time, but when it is carried on before a girl or woman, it is disgusting to say the least. That girls should so lead a boy to think that it was necessary for him to talk thus before her in order to make "any time" is even more disgusting. Southwestern men and Southwestern women should so conduct themselves that they can always be considered Dixie's finest.

Students on Southwestern campus have developed a little small town habit that is making itself so noticeable that the time has come when it is necessary to break that habit. Just like the news and scandal in a small town is gossiped over the backyard fence or bridge table whichever scene is easiest to comprehend, so Southwestern students have developed the terrible habit of low-rating various people on the campus. It's a general habit for students often together, "just old friends that understand each other," to get together and talk about this boy's intelligence; that girl's looks, mode of dressing and acting. The habit develops a critical attitude on the part of many students that is not wholesome, and often sets up false ideas about people in the minds of other people. It is a habit we should try to restrain, because detrimental to ourselves and friends. Who is so great that he is authorized to criticize another?

William: Would you call for help if I were to kiss you?
Lorinne: Would you need help?

PROPOSE STERILIZATION (Ohio State Lantern)

Need for a proposed eugenic sterilization law for epileptics and feeble-minded in Ohio was stressed by Professor Horace B. English of Antioch College in an address before the Ohio Academy of Science at the Ohio State Archaeological and Historical Museum recently.

"Through the application of the proposed sterilization law the State of Ohio will save at least \$200,000 a year on its annual \$10,000,000 expenditure for the care of feeble-minded and will reduce the number of mentally deficient by 1 per cent in the next generation," Professor English declared.

The bill provides that all feeble-minded and epileptic inmates of any county or state institutions in Ohio be sterilized before dismissal, he pointed out.

"It is fairly certain that at least 3 per cent of the population is feeble-minded, and it is possible that the total may reach 5 per cent. At least ten thousand feeble-minded persons are now being held in public institutions in Ohio, and undoubtedly many more should be held.

"The part that feeble-mindedness takes in delinquency and criminality is estimated to cost the State of Ohio \$5,000,000 annually, and it is believed that the total, indirectly, reaches \$10,000,000. The cost of this is perhaps greatest to the schools.

"These sterilization operations have no effect upon the patients' behavior, but serve simply to prevent offspring. Most experts believe that epilepsy and feeble-mindedness are hereditary, being inherited through the germ plasm."

I'm the Ginkette

I'm the ginkette that pretends to possess good manners; otherwise, I couldn't get away with what I do. Although I can talk to my friends all during the day and giggle like the silly fool I am anytime during the day that I want to, yet I haven't common decency enough to remain quiet for at least ten minutes during chapel exercises while a brief scripture lesson is being read and a prayer said. I keep up a constant chatter and tittering during the chapel services. I know that everyone else is silly too, and that no one nowadays pretends to be serious even while a brief prayer service is being conducted. I powder my nose during the prayer and during the reading of the scripture I shout across several rows, "have you any gum?" I never stand up during the singing of the hymns, because that "simply isn't being done" and then too it's too wearisome, especially after I have been to a dance until one o'clock the night before. It's too much to ask sophisticated and clever people like me to take any interest in such things so serious. I'm a fool but haven't sense enough to know it; that's so because I'm the ginkette.

K. A.'S ARE HOSTS AT BARN PARTY

Kappa Alpha fraternity entertained with a barn dance Wednesday night at the Chickasaw Club. The ballroom was decorated to represent a barn. The music was furnished by Dixieland Players orchestra; the members of the orchestra were dressed as field workers. The boys wore overalls and the girls gingham dresses. The members of the fraternity and their dates were Tom Drake with Emily Wallace, William Armstrong with Gladys Gibson, Arthur Omberg with Jennie Burford Puryear, Kenan Clinton with Mary Schfield, William Martin with Virginia DeMuth, Harvey Drake with Carolyn McKellar, William Mitchell with Lorinne Mitchell, James Harrison with Grace Rowland Rogers, John Hagan with Sarah Frances Laughlin, William Thomas with Mollie Darnell and William Gibson with Elizabeth Beasey.

The members of the alumni who were present were Shelton Hardison with Anne Galbreath, Joe Hyde with Marjorie Raymond, John Porter with Irene Hyman, Moore Moore with Martha McFadden, Hiram Lee Roberts with Pauline Barton, John Rawlings with Josephine Ellington, and Doochie Sherman with Golden Seats.

Chi O's Ushers

Lucille Work, president of Kappa Beta chapter of Chi Omega, will be in the receiving line at the annual Chi Omega May Festival, which will be held on May 17 at the home of Mr. and Mrs. Sam M. Nickey.

Six Southwestern Chi Omega's have been asked to act as ushers. They are: Emily Wallace, Marilise Montedonico, Ione Wall, Helen Lowrance, Anne Galbreath, and Lorinne Mitchell.

KAPPA DELTAS TO HAVE PARTY

Annual Affair To Be Held May 31

After a week of grueling final examinations Southwestern collegians will celebrate at an annual party given by Kappa Delta sorority at the Nineteenth Century Club on the night of May 31.

Alpha Delta chapter at Southwestern co-operating with the Memphis alumni chapter will sponsor the affair which is given for the benefit of the Juvenile Court. Each year the sorority gives a benefit party for the support of the court.

The 1930 celebration will be called a "Soiree" and will be in the nature of a dance and a Radio Revue. The huge stage of the club will be arranged as a broadcasting station, being equipped with microphones. Well known entertainers of Memphis and an orchestra will perform over the microphones. The auditorium will have large amplifiers in the different corners and the program being broadcast from the stage will be heard through the amplifiers.

After the Radio Revue the floor will be cleared for a dance, the music being furnished by a syncopating negro orchestra. Students are making their plans now to have a final celebration after exams. Tickets may be secured from any member of the Kappa Delta chapter on the campus. They will sell for \$1.00.

Evergreen Hall

Dorothy Cobb has suddenly appeared in the limelight and been crowned by her Evergreen sisters with glory and honor. She was discovered in the upstairs parlor playing chess with Professor Haden. But that is only half the story, she has captured the silver-tongued orator George Whitaker, and she took him to church.

It is a good thing that the track men didn't stay away any longer. There is a rumor that Nat Walton has just about wrecked Roger Wright's happy home.

Mary Bornman's mother probably spent an exciting week-end since Mary, Martha, Margaret, Mattie and Maria Hunt all went to Clarksdale.

Ask Dick Griffing where he was Saturday night when the lights went out. If he is feeling truthful, for a change, he will tell you that he was upstairs at Evergreen with five girls and the radio.

It is so refreshing to see new faces in our halls every once in a great while. Of course, we grant that Perry Bynum's is fresh any where.

Another acquisition who is more often heard than seen is a boxer named Chambliss who spends much time conversing at Lucille Parente's window.

Elmer Draughon and Ruth Harris spent the week-end at home.

Grace Rowland Rogers, Kathryn Brown, Lorinne Mitchell, "Jink" Joyner, Jimmy Harrison, and Jack Watson made a tour down to Tupelo, "the city Beautiful."

Allison Cole is a fast worker. She has been getting the most flowery love letters from a member of the Mississippi Heights team who had only one glimpse of her charming countenance. Other queer letters were the three specials which arrived in the absence of the Bobcats.

So They Think--

"Chronic card players are suffering from an acute inferiority complex."—Dr. Alfred Adler.

"Custom is reason fast asleep; the place of thought in all the habits of life."—W. S. Sparrow.

"America is the only country left where we teach languages so that no pupil can speak them. It is the only country where you cannot tell by the way a college graduate speaks or writes whether he is educated or not."—John Erskine.

"There are three kinds of lies—lies, damnable lies, and statistics."—H. H. Frost.

"I believe that as a rule we determine our own fate by knowing when to seize the passing chance."—Myron T. Herrick.

Chosen President

Mary Mitchell has been chosen as the president of the Twelfth Nighters for the 1930-31 session.

Council To Dine

Members of the retiring Men's Panhellenic Council and their dates will enjoy the annual Panhellenic banquet at the Hotel Peabody May 31.

WILY PROF COMPARES NUTS, COLLEGIATE, OTHERWISE IN SPECIAL POSE

Dr. W. R. Atkinson is a practical joker. In order to contrast and compare the "nuts" of Southwestern with those who are entertained by the state at Bolivar, Tenn., he made a trip to Bolivar May 8 with a group of our more famous "nuts" i. e., those students taking psychology, in order to study different types of demented people residing at the state hospital in Bolivar and in order for the inmates to study types of college students.

After having enjoyed a noonday repast the members of the expedition studied several types of inmates.

One man, wrote out a check for a million dollars to pay the doctor for his room and board. Another man asserted that he was the governor of the state. Another man, when asked his height, replied that he was 62 ft. tall, and when asked how tall Eleanor Beckham, an alumna who made the trip, was, he replied that she must be 69 ft. tall, to which Perry Bynum, one of the Southwestern students whom Dr. Atkinson had brought to Bolivar to exhibit to the inmates as a 'type', replied that he had missed his guess by 10 ft., and that 'Becky' was 71 ft. tall. Another of the types was one who believed that he was one of Christ's disciples and proceeded to preach the wayward

Southwesterners a sermon. None of the inmates of the Hospital are of the vicious type of demented person. And in case any of them do get playful, they are put in a hot bath and tied there until they cool down.

Most of these people are cured, temporarily and leave, but usually have to return in a month or so, when their condition becomes worse.

There are 1100 cases at the Hospital, and all are well cared for. The living quarters are very good. The Southwesterners were carried on a tour of inspection thru the wards after the interviews in the sitting room.

The trip was a failure from the standpoint of Dr. Atkinson in that he did not succeed in leaving some of the Southwestern types at Bolivar, all of them managing to get away and only a few acting funny from their "crazy" trip. The inmates of the hospital report that they learned several things in their study of collegiate types, but some, among them the governor, said they preferred their abode to one more collegiate.

Frosh: I've skated for hours on end.

Senior: So? Why don't you take lessons?

Lynx Place 4th In S. I. A. A. Meet At Clinton, S. C.

Team Advances School From Eighth To Fourth Place

Presbyterian College won the annual S. I. A. A. track meet at Clinton, S. C., last Saturday afternoon. The Lynx won fourth place in the meet with a total of 17½ points. Louisville University won second with 24 points; Georgetown of Kentucky, third with 24 points; Southwestern, fourth with 17½ points; Union fifth, 13 points; Erskine sixth, 8 points; Citadel seventh, 6 points, and Mississippi College, eighth with 5 points.

The high point man for the meet was Taylor of Louisville University with a total of 14 points.

Morris Ford, who was expected to set a new record for the pole vaulting event, failed to come through, but tied with Pelphrey for first place. Ford was forced to vault in the face of a strong wind which threw him off form considerably. Ford also won third in the high jump and in the broad jump. He made eight of the Southwestern scores.

Eldridge Lilly made a good showing in the 120 yard low hurdles, winning second in that event. Chapin of Presbyterian College beat Lilly.

Malcolm McMillan, who was expected to win first place in both the mile and half mile events, failed to come through with the first places, but did get fourth place in both events.

Roger Wright won second place in the two-mile run. Johnson of Mississippi College won first place in the distance run, barely missing breaking the record. Johnson ran the distance in nine minutes and 50 seconds.

Bobby Lloyd did not win a place in the 440-yard dash but helped out materially in the relay race.

The relay team won third place against a field of nine competitors. The team was composed of McMillan, Lloyd, Lilly, and Ford.

Coach W. C. Rasberry is very well pleased with the showing made by the five men. Last year for the first time a Lynx team entered the meet and won eighth place. An advance from eighth to fourth place in one year means that the other teams are going to hustle to beat the Southwestern team next year.

Champs Meet

Garner Watson, thrice champion of the local arc twirlers, and Karl Nickle met in a fast three out of five horse-shoe match for the championship of the school Thursday afternoon. Nickle defeated Watson three out of five. Games were for 21 points. Albert Erskine officiated.

LYNX NET TEAM TO PLAY TODAY

Meets Millsaps Men This Afternoon

Herman Bevis, stellar performer on the Lynx tennis team, may not be able to play in the match with Millsaps this afternoon or the one with Union tomorrow. Bevis is busy reading for honors and it looks as though the Lynx will have to trudge on without the aid of their No. 1 man. His loss will be keenly felt, as he wields a mighty racquet and can be counted on for his part of the winnings.

Southwestern's men have been seriously handicapped during the last two weeks by not being able to get in much practicing on account of wet grounds. The courts have been in poor shape as a result of the rain, even when they were dry enough to play on.

Millsaps' Majors come to Memphis to meet the Lynx this afternoon after having lost to Mississippi College 5 to 1. Southwestern dropped a hard fought meet to Mississippi College 4 to 3, so the dope points to a victory for the Lynx.

The Lynx racquetters engage Union in a meet tomorrow. This battle was postponed from last Saturday and the battle grounds changed from Union to the Southwestern campus. On Saturday, May 16, the Lynx play their final meet of the season when they meet the strong Mississippi A. & M. aggregation here.

Capt. Paul Jones, Robert Russell, Charlie Diehl, Jimmy Dainwood and possibly Bevis will represent Southwestern in these meets.

K. D.'s Hostesses

Southwestern collegians were the guests Monday night of members of Alpha Delta chapter of Kappa Delta sorority at an informal dance given at the Colonial Club. Chaperons were Mr. and Mrs. J. Frazer Smith, Mr. and Mrs. Terrell Brame and Dr. and Mrs. W. R. Atkinson. Meredith Davis, president of Alpha Delta chapter received the guests with Jefferson Davis.

CONTRACTS FOR 1931 LYNX MADE

Work Started Already By Jones, Editor

Members of the new Publications Board met Monday afternoon and read bids from printers, engravers and photographers for the 1931 Lynx of which Paul Jones is editor-elect. Printing, engraving and photographic concerns in Memphis were asked to bid as well as outside companies. The bids were read and discussed by the Board.

Benson Printing Company of Nashville received the contract for printing the 1931 Lynx. The Benson Company makes a specialty of college annuals, having published the Lynx last year and this year.

The Alabama Engraving company presented the best bid for the engraving work on the annual. This will be the first time this company has done work for the Lynx.

Bolton's studios of Memphis will take all of the pictures for next year's annual. This also is the first time for this company. Views of the school will be made this spring, and pictures of the track team were made this week.

Jones says that with the contracts all signed, he will be able to work this summer and succeed in getting much of the preliminary work done before the college session begins next September, thus insuring prompt delivery on the book.

Dr. Kelso Speaker

Dr. A. P. Kelso will be the guest speaker of the Southwestern Bible Class Sunday morning at 9 o'clock in Room 101, Palmer Hall.

Have Final Meeting

Nine short plays by Dunsany were discussed by members of the Shakespeare Club Wednesday night at the home of Dr. and Mrs. C. L. Townsend.

Install Officers

Installation of new officers of Tennessee Zeta chapter of Sigma Alpha Epsilon fraternity was held Thursday

night in the tower room. Horace Harwell is the new president; Ritchie Morgan, vice-president; Reeves Manker, secretary; Paul Jones, corresponding secretary; Ralph Booth, treasurer; Paul Jones, Panhellenic Council representative.

Bobcats Finish Season With 11 Wins, 3 Defeats

Lose Last Game To Ole Miss Frosh; Score 13-3

Southwestern's Bobcats wound up the baseball season by dropping a game 13 to 3 to Ole Miss Monday. A two game series was scheduled, but the second game had to be cancelled on account of rain. Jones started pitching for the Bobcats, but the Mississippians found him an easy mark. Mobley relieved Jones in the second inning and finished the game.

The Frosh took both games of a two-game series from Mississippi Heights last week, winning the first game 9 to 4 and the second 5 to 4. Mobley pitched the first game up until the eighth inning when he was relieved by Knight. Jones hurled for the Bobcats in the second game and was relieved by Mobley. Tally was on the receiving end in both games.

The Bobcats ended the season with 11 victories and three defeats. Ole Miss beat them twice and T. M. I. was given the decision by the umpire in the only other game lost.

Games Won	Lost	Pct.
Bobcats 14	11	3 786

JUNIOR CO-EDS TRACK VICTORS

Georgia Colby High Scorer, 18 Points

The junior girls were victorious in the co-ed track meet held Monday, May 12, with a total score of 53 points. The meet was close and exciting as each class entered a team of crack athletes. Miss Louise Stramm, girls' gym instructor, was in charge of the contest.

Georgia Colby, junior, was the champion of the day with a score of 18 points. She won the 50 yard dash, and the hurdle relay with Anne Shewmaker; she also scored second in the high jump.

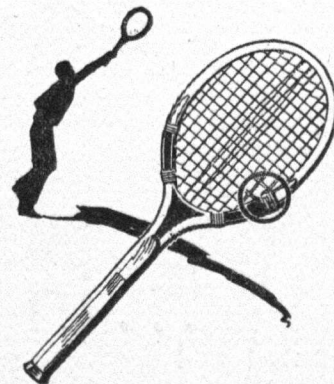

Jane Barker, sophomore, came second with 16 points. She won the quarter mile race and the high jump, and took second place in the 50 yard dash and the hurdle relay.

Rosabel Archer, freshman, was third, score 13 points. She took first place in the half-mile race and the baseball throw and second in the quarter mile.

Other members of the junior team who helped their class to victory were Blanche Sansing, 12 points; Lucille Work, 11 points; Anne Shewmaker, 6 points; and Margaret Ashley, 6 points.
